9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

The Sedalia Housing Authority has made much progress towards advancing the mission stated in its 5-Year Plan for the period January 2000 ending December 2004. We believe that our efforts have made a difference in the lives of the citizens served, by improving our program we have:

- 1) Provided adequate and affordable housing**
- 2) Provided a suitable living environment where the incident of crime and illegal drug-related activity has decreased**
- 3) Provided basic and essential services and outreach for low-income families, elderly and disabled residents.**

In the 5-year period just ended, our housing authority has attained and maintained “High-Performer” status for both the Public Housing and Section 8 Housing Choice Programs. This is the result of ongoing management improvements combined with the dedicated

efforts of PHA Board of Commissioners and staff members.

Our Capital Improvements program has resulted in the complete renovations of 124 out of a total 145 of our family units (85%), the remaining 21 units will be completed using FFY 2004 Capital Funds and are included as part of the annual plan update for FY 2004. We have also made significant improvements to our sites as outlined in our 5-year planning period. During this period we also made many, many improvements to our maintenance program, including several equipment upgrades that will improve our service delivery efforts. In addition to Capital Funds, we utilized operational reserves to “extend” our efforts beyond the limited Capital Funds grant amount.

We have actively sought partnerships with other service organizations, City government and private venues, in an effort to bring more resources to our residents. In many cases this has resulted in assisting a family or individual in improving their quality of life. Our efforts are always focused on providing equal opportunities to all individuals regardless of race, color, religion, national origin, sex, familial status or disability.

Substantial Deviation from the 5-Year Plan: “Substantial Deviation” from the 5-Year Plan is defined as; discretionary changes in plans or policies of the Sedalia Housing Authority that may fundamentally change the mission, goals, objectives, or plans of the authority and which may require formal approval of the Board of Commissioners.

b. Significant Amendment or Modification to the Annual Plan: “Significant Amendment or Modification” to the Annual Plan is defined as; a mandatory requirement by the U.S. Department of Housing and Urban Development regulations, or an Act of Congress, or legislation that fundamentally changes the Code of Federal Register, or statutory changes that affect residents of public housing, or the outcomes of activities set forth in the Annual Plan. Such mandatory or statutory changes as stated above will require a public hearing process and HUD review before implementation.
