(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

The Rolla Housing Authority continues to provide decent, safe and affordable housing to approximately 300 low income and elderly/disabled in the City of Rolla, MO. The maintenance staff provides high quality service with all emergency work orders being completed within 24 hours and non-emergency work orders, including those noted on inspections, are completed in an average of 3 days. During four out of the last five years, we have seen units turned around and re-rented in less than 20 days. The Housing Authority enforces its "one strike" policy, and has been able to keep the criminal element from its public housing. The "one strike" policy has also enabled the Housing Authority to remove two families from housing for drug-related activity. The Housing Authority has an open line of

communication with its tenants, and we provide social activities for the family and elderly/disabled tenants. The Rolla Housing Authority is a High Performer under PHAS and a standard performer under SEMAP.
