Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Housing Authority of the City of Vandalia is located in the Mid-Missouri Market Area, approximately 70 miles from Columbia, Missouri. The Housing Authority's jurisdiction includes the East End of Audrain County, known as Cuiver township.

Organized in early 1970, the Authority manages 78 units of public housing and administers a Section 8 Housing Assistance Voucher program with 30 vouchers. This agency is considered a small PHA and is a High-Performer under both PHAs & SEMAP.

The Quality Housing & Work Responsibility Act of 1998 changed laws governing Public Housing & Section 8 programs and amended the U.S. Housing Act of 1937.

The Act requires Public Housing Authorities to develop a five-year and an annual agency plan. The plan is subject to public comment and review by an advisory group of residents. These comments are incorporated into and become a part of the plan.

The Housing Authority of the City of Vandalia has prepared these plans in accordance with the Quality Housing & Work Responsibility Act and any additional guidance available. The plan addresses the following issues:

The mission of this agency is:

1. Promote adequate, affordable & quality housing in a suitable living environment.
2. To be responsive to the specific needs of residents within our jurisdiction
3. To serve the public with dedication, concern & courtesy regardless of race, color, creed, religion, sex, sexual preference, age, disability, ancestry or national origin.
4. To promote & support economic self-sufficiency and the creation of a viable community that enhances the quality of life for those of low and moderate income.

The VHA will accomplish its mission ideals through its goals & objectives:

1. To provide decent, safe & affordable housing for our community.
2. Ensure equal opportunity in housing for everyone.
3. Improve community quality of life & economic vitality.
4. Increase resident participation through resident council and/or advisory committee.
5. Provide timely response to resident request for maintenance problems.
6. To return vacated units with new residents in 20 days.
7. To continue to enforce the "One Strike" policies for residents and applicants.
8. To improve and/or maintain our financial stability through aggressive rent Collections & improved reserve position.

The VHA has assessed the housing needs of Vandalia and surrounding Cuiver Township and has determined that within the Authority's immediate area, the social/economic picture has changed since the available statistics were compiled. With the completion of two correctional facilities employing approximately 1000 persons, Audrain County's unemployment rate has dropped well below the State & National levels.

The VHA's financial resources include an operating fund, capital fund, dwelling rental income & Section 8 Administrative fees that will be used to operate the agency. This agency plans to maximize funding resources, ensure financial stability and long term viability of the project through judicious management and the ability to attract a broad range of eligible program participants.

The Admissions & Continued Occupancy Plans & Dwelling Lease have been updated to incorporate changes required by HUD. The VHA has established a minimum rent of \$50.00 and elected to recognize its flat and ceiling rents as synonymous.
