(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. A. Substantial Deviation from the 5-year Plan:

The Housing Authority does recognize the need for public notification for items contained within the 5-Year and Annual Plans. This authority shall make proper notification for any Substantial Deviations from these plans as required under law. The exception to this definition is if the change has been made to meet regulatory compliance with The U.S. Department of Housing and Urban Development requirements. Substantial deviation or Significant amendment or Modification shall mean those of the mission statement, goals and objective, capital fund program or changes in significant expenditures. And changes in statutory requirement for administration of Public Housing requiring public comment and/or public hearing.

B. Significant Amendment or Modification to the Annual Plan

A Significant Amendment or Modification to the Annual Plan shall be construed to mean the following:

HOUSING AUTHORITY OF THE CITY OF HOLLY SPRINGS, MISSISSIPPI

ATTACHMENT A

DECONCENTRATION POLICY

In an ongoing effort for the Holly Springs Housing Authority to meet or exceed the laws and regulations regarding public housing, a comprehensive Deconcentration Policy has been developed in order to comply with the Housing Quality and Work Responsibility Act of 1998 Section 513, as it applies to the Holly Springs Housing Authority.

INCOME MIX TARGETING:

This housing authority must ensure that within a given fiscal year, not less than forty percent (40%) of the public housing dwelling units shall be occupied by families whose incomes at the time of commencement of occupancy does not exceed thirty percent (30%) of the area median income.

PROHIBITION OF CONCENTRATION OF LOW -INCOME FAMILIES:

This housing authority may not concentration very low-income families, or those with relatively low incomes, in public housing units in certain projects or certain buildings within projects. There must, however remain at least forty percent (40%) of the families who are at or below thirty percent (30%) of the median area income. The Holly Springs Housing Authority must review the income and occupancy characteristics of the housing projects and the buildings of each project to ensure that a low-income concentration does not occur.

DECONCENTRATION:

It shall be the sole and exclusive right of the Holly Springs Housing Authority to move families from one dwelling unit to another as necessary or as vacancies warrant reducing a concentration of a particular income level of families into any one building or complex. In contrast, the Holly Springs Housing Authority will also make every effort and attempt to maintain a consistent dwelling unit for every family and will only make moves necessary if there is no other alternative as determined by the Holly Springs Housing Authority.

This policy becomes effective immediately upon adoption by the Board of Commissioners of the Housing Authority of the City of Holly Springs, Mississippi.

 “INITIAL ASSESSMENT”
 VOLUNTARY CONVERSION OF DEVELOPMENT FROM PUBLIC HOUSING
 STOCK**

Component 10 (B) Voluntary Conversion Initial Assessments

- a. How many of the PHA’s developments are subject to the Required Initial Assessments? 3
- b. How many of the PHA’s developments are not subject to the Required Initial Assessments based on exemptions (e.g., elderly and/or disabled developments not general occupancy projects)? 0
- c. How many Assessments were conducted for the PHA’s covered developments? 1
- d. Identify PHA developments that may be appropriate for conversion based on the Required Initial Assessments:

Development Name	Number of Units
NONE	

- e. If the PHA has not completed the Required Initial Assessments, describe the status of these assessments. Completed

This is to certify that The Housing Authority of Holly Springs, Mississippi has reviewed each development operating as public housing; considered the implications of converting the public housing to tenant-based assistance; and concluded that conversion may be inappropriate because removal of the developments would not meet the necessary conditions for voluntary conversion.

That the initial assessment indicated that 1) cost would be a factor; 2) the ability to occupy the developments; 3) cost and/ or workability of vouchers in the community and 4) other relevant factors that voluntary conversion may be inappropriate.

THEREFORE, the Housing Authority has determined that our developments are not appropriate for conversion based on the following reasons:

1. Conversion **would be** more expensive than continuing to operate the developments (or a portion of it) as public housing;
2. Conversion **would not** principally benefit residents of the public housing development to be converted and the community; and
3. Conversion **would** adversely affect the availability of affordable housing in the community.
