TUPELO HOUSING AUTHORITY

ATTACHMENT "A"
**The Housing Authority of the City
of Tupelo, Mississippi**

In an ongoing effort for The Housing Authority to meet or exceed the laws and regulations regarding its public housing programs, the following Deconcentration Policy has been developed in order to comply with the Quality Housing and Work Responsibility Act of 1998, Section 513.

INCOME MIX TARGETING: To meet the requirements of the Act, and subsequent HUD regulations, at least 40 percent of families admitted to public housing by the Housing Authority must have incomes that do not exceed 30% of the area median. If 40% or more of the housing authority units are occupied by families whose incomes do not exceed 30% of the area median income, this requirement shall be considered as being met.

PROHIBITION OF CONCENTRATION OF LOW-INCOME FAMILIES: The housing authority may not, in meeting this income mix targeting, concentrate very low-income families, or other families with relatively low incomes, in public housing units in certain projects or certain buildings, i.e. high-rise, within projects. The Housing Authority must review the income and occupancy characteristics of the housing projects and the buildings, i.e. high-rise, of each project to ensure that a low-income concentration does not occur.

DECONCENTRATION: The Housing Authority shall make every effort to deconcentrate families of certain income characteristics within the PHA complexes. The skipping of a family on the waiting list to reach another family to implement this Deconcentration Policy shall not be considered an adverse action. As such, the Housing Authority will continue to accept applications and place the individuals on a waiting list. Selection will be made based on a combination of the local preferences and an income target mix. Any eligible family who qualifies as a higher income family may accept a dwelling unit assignment and be placed randomly into a vacant housing unit.

The Housing Authority will track the income mix within each project and building, i.e. high-rise, as an effort to avoid a concentration of higher or lower income families in any one building, i.e. high-rise, or development.

Community Service Summary

The Fiscal Year 2003 HUD/VA Appropriation Act signed on February 21, 2003 reinstated the community service requirement. July 2003 all Tupelo Housing Authority tenants were informed of the reinstatement of this requirement verbally and in writing. Residents received by mail the guidelines, policy, and compliance forms to be signed and returned by August 30, 2003.

The Social Services Department was assigned the responsibility of identifying and collaborating with agencies in the community that would provide volunteer opportunities for residents. Eight agencies were identified and entered into an agreement evidenced by a memorandum of understanding.

The Community Service requirement will include all residents who did not complete the requirement in December 2001 as well as all new residents to public housing. Residents were notified of the housing authority's determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. Disabled family members were given an opportunity to self-declare exempt status as provided in QHWRA. Family members who are subject to the service requirement were provided with the program guideline, policy and compliance agreement.

Individuals subject to the service requirement shall be referred to the Social Services Coordinator, who will assist them in finding placement. Residents will be notified by letter of their placement the letter will identify the placement agency, address, contact name and telephone number. The resident is responsible for making contact with the agency contact person to schedule hours for volunteering. As agreed in the MOU the placement agency will provide verification of service hours to the housing authority at the end of each month. Annually, at recertification, verification shall be provided, giving the individuals name, contact date, agency placed and total number of hours completed.

If the head of household or family members violate the service requirement, the housing agency shall terminate the lease upon expiration of the term unless a written agreement is entered into with the housing agency to cure such noncompliance.
