The Pet Policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities without restriction subject to medical documentation verifying the requirement for an Assistive animal in the unit.

The KHA will allow only domesticated dogs, cats, birds, and fish in aquarium in units. Only one dog or cat and up to 2 birds and unlimited fish in aquariums per unit are allowed. At no time should any animal exceed twenty-five (25) pounds in weight.

All pets must be registered with the KHA and complete inoculation records must be on file. Residents must also provide a picture of the animal at the time of registration for filing.

A pet deposit of \$150.00 and a non-refundable pet fee of \$150.00 are required at the time of registering a cat or dog. The deposit of \$150.00 is refundable when the pet or the family vacate the unit, less any amounts owed due to damage beyond normal wear and tear.

Residents who own or keep pets in their dwellings will be required to pay for any damages caused by the pet including pet-related insect infestation, cleaning the unit and disposing of pet waste. Pet(s) must be kept in the owner's apartment or on a leash at all times when outside (no outdoor cages or fencing may be erected).

Pets that meet the size and type criteria outlined in the policy may visit the project/facility where pets are allowed for up to two weeks with KHA approval.

The KHA, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to surrounding occupants or of other persons in the community where the project is located.

An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. KHA will make the determination of whether to allow or disallow a deviation from the schedule.

3. Activities must be Performed within the community and not outside the jurisdictional area of the KHA.
4. Family obligations

 - 1 provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
 - 2 sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in nonrenewal of their lease.

KHA will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

KHA Responsibilities

1. To the greatest extent possible and practicable, the KHA will:
 - provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service Requirement); and
 - provide in-house opportunities for volunteer work or self-sufficiency programs.
2. The Authority will provide the family with exemption verification forms and Recording/Certification documentation forms and a copy of this policy at initial application and at lease execution.
3. KHA will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the KHA's Grievance Procedure if they disagree with the KHA's determination.
4. Noncompliance of family member:
 - At least thirty (30) days prior annual re-examination and/or lease expiration, the Authority will begin reviewing the exempt or non-exempt status and compliance of family members;
 - If the KHA finds a family member to be noncompliant, KHA will enter into an agreement with the noncompliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period:
 - If at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;

Significant Amendment/Substantial Deviation

Definition of Significant Amendment or Modification

The Plan is a general document designed to outline the operational intent of the Housing Authority of the City of Kinston, North Carolina with general goals for five (5) years and more specific goals for the next twelve (12) months. The Plan will not be considered significantly amended or modified unless the operational intent of the Authority is changed. Changes in policy as a result of regulatory changes or decisions to exercise options and budgetary changes in response to changing circumstances will not be considered significant and will be addressed by the Board of Commissioners as routine matters.

Definition of Substantial Deviation

The Plan is a general document designed as a general outline guide for the daily operations of the Housing Authority of the City of Kinston, North Carolina with general goals for five (5) years and more specific goals for the next twelve (12) months. An activity will not be considered a “Substantial Deviation “ unless the operational intent or mission of the Authority is changed. Changes in procedure to carry out the mission, whether; as a result of regulatory changes or decisions to exercise option, budgetary changes in response to changing circumstances or other adjustment necessary to carry out the mission will not be considered substantial and will be addressed by the Board of Commissioners as routine matters.

Progress Statement

The Housing Authority of the City of Kinston, North Carolina's Mission Statement has remained the same since the original 2000-2004 Five-year Plan was submitted.

Kinston Housing Authority's goal of reducing public housing vacancies has showed significant progress over the past five years. Our unit months leased for public housing has increased from 8,604 in 2000(89.7%) to 9,360 in 2003(97.6%).

We continue to strive to meet our goal of improving the quality of assisted housing. Our PHAS Scores were showing improvement for the years 2001 and 2002. However, in 2003 HUD returned to the original PHAS scoring process that was not as lenient. As a result, our financial score dropped approximately 10 points. We are aware that our lowered financial score is related primarily to inadequate reserves. Through careful spending and budget monitoring, we are committed to increase these reserves. Also, the pending sale of Hotel Kinston, a property owned by Kinston Housing Authority, would increase our reserves and improve our financial scores. Our SEMAP scores have remained steady. However, due to recent training of our Section 8 Staff and our identification of problem areas, we expect our scores to start an increasing trend in future years. Also, customer satisfaction, according to our resident surveys, indicates a steady response in most areas. However, our score in neighborhood appearance has increased approximately six percentage points over the last three years.

Kinston Housing Authority has and will continue to encourage assisted housing choices by providing voucher mobility counseling at briefings and on an individual basis. We also plan to schedule a landlord meeting in the first quarter of 2005 to include current landlords and potential landlords.

The Housing Authority's Deconcentration and Income Mixing Plan is included in the Public Housing Admissions and Continued Occupancy Policy, which establishes the procedures to ensure deconcentration and income mixing.

The Housing Authority's progress in promoting self-sufficiency includes the Section 8 Family Self-sufficiency Program and a pending grant application of the ROSS – Public Housing Family Self-sufficiency funding. The Section 8 Family Self-sufficiency Program currently has 40 participants with 11 graduates.

The Housing Authority ensured equal opportunity and affirmatively furthered fair housing in the past five years by advertising the availability of Public Housing, Section 8 and elderly housing in the following areas:

- Area churches, including Hispanic churches
- Local public television station
- Local newspaper and radio stations
