Wilson Housing Authority Income Targeting and Tenant Selection and Assignment (Section – 513)

The primary goals of this policy are to:

- 1- Prohibition of concentration of low-income families in public housing and
- 2- Income targeting.

The Wilson Housing Authority may not concentrate very low-income families in public housing units in certain public housing projects or certain buildings within projects. The Wilson Housing Authority will submit with its annual PHA plan an admission policy designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenant into lower income projects and lower income tenants into higher income projects. The Wilson Housing Authority may offer incentives for eligible families having higher incomes to occupy dwelling units in projects predominantly occupied by eligible families having lower incomes and provide for occupancy of eligible families having lower incomes in projects predominantly occupied by eligible families having higher incomes. The skipping of a family on the waiting list to reach another family to implement deconcentration will be utilized as permitted by HUD.

Not less than 40% of new families will have incomes at or below 30% of the area median income.

Other admissions will be at or below 80% of the area median income.

Fundability will be allowed only to the extent that relatively higher income families move into public housing units in census tracts having a poverty rate of at least 30%.

This Income Targeting and Tenant Selection and Assignment Policy is in accordance with the Summary of the Q.H.W.R.A. of 1998 as prepared by the Office of Policy, Program and Legislation Initiatives and is established for the Wilson Housing Authority, by action of the Board of Commissioners.

Wilson Housing Authority Police Officers Residing in Public Housing Policy

If approved to do so, the Wilson Housing Authority will offer and make available units to be occupied by law enforcement officers. In order to substantially reduce drug related crime and other calls for service the Housing Authority has utilized intensive community policing and resident cooperation. Included in the law enforcement phase is the City of Wilson's police bicycle patrol, horse patrol, juvenile officers, and two uniform officers hired by the Housing Authority.

The police department cannot maintain this level of service to the residents of public housing. Our program has reduced the crime rate in public housing by 75%, which is higher than any comparable community in the city. In order to retain this level of security and safety will require other alternatives. The Wilson Housing Authority is proposing to continue using the two police officers hired as Housing Officers. Second, allow police officers to reside in public housing. The officers will provide high visibility and interact with surrounding neighbors while providing neighborhood safety.

No resident families will be transferred to other locations to provide housing for police officers. The officers shall abide by the same lease, rules and regulations as other public housing residents. The officers shall operate marked patrol cars to implicate their presence in the communities and as a deterrent of would be criminal activities. Officers will be allowed to pay flat rent. The rent shall be such that it will provide an incentive for officers, yet it shall be sufficient to provide maintenance and upkeep on the units. Officers occupying public housing units must be sworn certified law enforcement personnel. Only law enforcement officers working in the jurisdiction of the City or County of Wilson, NC will be eligible. Officer(s) may only reside in public housing as long as they are sworn and certified as law enforcement officers by the State of North Carolina. If employment as a law enforcement officer is terminated or the officer(s), resign his/her position as a sworn officer, the lease will automatically be terminated. Thirty days will be allowed to vacate the unit.

The following Developments have been chosen based on prior crime in surrounding community and demographics:

NC 20-7	E. B. Jordan Homes	(one officer)
NC 20-10	E. M Barnes Manor	(one officer)
NC 20-5	Whitfield Homes	(one officer)
NC 20-9	Forrest Road Homes	(one officer)

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five-Year Plan that cause changes in the services provided to residents or significant changes to the Agency’s financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements offered by HUD.
