Dear Mr. Williams

The Broughton Terrace Resident Advisory Council supports the Oxford Housing Authority's five-year plan. We have discussed at our council meetings the improvements that are currently going on and the ones that we would like to see happen as a part of our five-year

plan. The Housing Authority has included items in its plan such as erosion control and resurfaced parking areas.

We recommend that our building get vinyl siding and we are pleased to see that Mr. Wortham has included this in this upcoming year's program as a part of the five-year plan.

My family is enjoying our renovated unit. Through our regular meetings with Mr. Wortham and his staff we developed plans to enhance the lives of our residents and their families.

Please call me at 919-603-5604, if additional information is needed.

Sincerely,

Dear Mr. Williams

Being a part of the Maple Ridge Advisory Council has allowed us to be apart of the planning process for The Oxford Housing Authority's five-year plan. We are excited about ongoing

improvements with the current renovation and the upcoming changes that the new plan will bring.

We are aware and were a part of the planning for the work items submitted by Mr. Wortham. The meetings were informative and we are glad to be a part of the process. Our resource center and many of our units have been renovated and although the contractor was off schedule, the residents are pleased to get back into the newly renovated units.

We anticipate the new look that our apartments will have over the next several years.

Sincerely,

PIH 2000-43 Pet Policy

Oxford Housing Authority Pet Policy

MANAGEMENT AUTHORIZATION

Permission to have pets must be secured from Oxford Housing Authority prior to any resident bringing a pet onto the premises. Any pets housed without management authorization will be considered a violation of your Lease Agreement, and could lead to serious consequences, inclusive of termination. Pet policy covers the housing of domestic pets in apartments.

REGULATIONS

Residents of the Oxford Housing Authority Apartments may house caged birds, small aquariums with fish and hamsters after obtaining management permission. The following regulations cover the housing of dogs and cats in these apartments.

- A) Dogs and cats will be allowed only if weight of the full-grown animal is thirty (30) pounds or below.
- B) Residents may have only one pet per household unless management permission is received for more than one pet.
- C) Animals must be house trained, in good health with proof of all required immunizations, including rabies, via a veterinarian's certificate, be neutered/spayed and licensed.
- D) A pet deposit will be required in the amount of \$100 above and beyond the security deposit. Once the resident has moved or the pet is removed while the resident still occupies an apartment, a refund will be treated in the same manner as a security deposit. The special pet deposit will be applied to any costs for fumigation, cleaning/deodorizing, defleaing, emergency boarding, staff costs, etc.
- E) Resident is totally responsible for care and cleanliness of pet on the premises. When outside the unit, animals must be leashed and may not be left unattended. Dogs may not run loose outdoors. Resident is responsible for disposal of kitty litter and "pooper scooping" outdoor waste. An area will be designated for animal exercise on the grounds of the Apartments.
- F) Resident must provide the Oxford Housing Authority with a signed agreement naming other individual or entity to care for the pet on a temporary or permanent basis, if the resident is no longer able to do so. - I) Should residents complain of allergies to pets, no pets will be allowed in the community building. Pets may only be in common areas with the owner going in and out of the building and may not be allowed on furniture.
- J) Pet owner must provide evidence of liability insurance, minimum \$50,000 coverage per occurrence and must sign an agreement releasing the Oxford Housing Authority from injury or illness caused by the pet.

PIH 2000-43 Progress Statement

The Oxford Housing Authority through planning and sound management will continue to manage its apartment complexes in the most efficient manner. Through our ongoing modernization of our units using Capital Funds will help us to continue to offer affordable, decent and safe housing to the citizens of our area. Our activity to offer minimum and flat rent allows us the flexibility in assisting families with a variety of needs. The goals of the plan will be obtained because of a focused effort to work towards the Oxford Housing Authority's mission statement. We are certain that with consistent management and ongoing funding we will meet our goals.

PIH 2001-26 Voluntary Conversion Update

The Oxford Housing Authority has reviewed its operations and have determined that there would be a negative implication for converting public housing to tenant-based assistance. The Oxford Housing Authority public housing units are the most affordable housing in Granville County. There are minimal vouchers available in Granville County and the vouchers that are available are issued and managed by a separate agency.

PIH 2001-26 Deconcentration

Based on the analysis of our residents and applications, we continue to have a good mixture of residents in our apartments. With the tough economic times and the closing of several industries in our county a lot of our residents lost jobs and had considerable low income. This causes a constant flow of different income mix of residents.

Many of the same factors cause us to have to often advertise our apartments with the local media in order to get qualified applicants.

Therefore, there has not been a need for deconcentration and income mixing.
