Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

With the assistance of the Board of Commissioners, our participants and the administrative staff of the Housing Authority, we have assembled the Housing Authority of Walsh County's Annual Plan. The Plan addresses all of the statutory components as required by the Department of Housing and Urban Development (HUD). In keeping with its mission, the Housing Authority will work towards full utilizing all funds available to the Authority so as to maximize the results in an environment of limited funding. This Plan was assembled using the most current information available from MTCS (Multifamily Tenant Characteristics System), PIC (Public and Indian Housing Information Center), the U.S. Census Bureau, CHAS (Comprehensive Housing Affordability Strategy), and North Dakota's Consolidated Plan for Walsh County and does not reflect any changes of availability of funding by HUD.

This Plan required that we take a detailed look at the Housing Authority and determine where we are, where we want to be and how we are going to get there. The results of this Authority-wide analysis were not surprising, as we have addressed many of the components in the past.

Two conclusions can be drawn from the results of the analysis. First, there is an immediate need for safe, affordable elderly and handicap accessible housing units in Walsh county. Secondly, Walsh County Housing Authority will develop and maintain a networking system throughout the County to assist tenants in identifying services available to meet their needs and provide crime-free and safe housing.

Walsh County Housing will continue to strive to meet the housing needs of county residents by use of the local preferences. A definition of local preferences is as follows:

- Elderly, disabled applicants are first priority
- Families are second priority
- Singles are third priority

Walsh County Housing Authority's Annual and Five Year Plan are consistent with the North Dakota Consolidated Plan.

Lastly, the Housing Authority of Walsh County will continue to do what we do best; providing safe, affordable housing to low-income residents through the provision of financial assistance programs, supportive services, and effective management.
