A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.

C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

We are presently 1 – bedroom apartments and do not meet the needs of the families in our jurisdiction anymore. We were going to begin merging apartments, but filled up for a short time so tried to see if we could remain full. The apartments have small living areas and are not adequate anymore for the needs of today's families. I do not have anyone on the waiting list at the present time and almost always have vacancies. I feel that the best strategy is to make these apartments larger and try to keep them full by using our capital funding to enlarge these apartments.

(1) Strategies

Need: Shortage of affordable housing for all eligible populations

Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies

- Other (list below)
Our problems is not that the apartments aren't ready and available it is that there are not sufficient people in need of one-bedroom apartments in the community.

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)
There seems to be enough apartment housing in town. I also manage the RD projects and we have a two-bedroom and a three-bedroom apartment available at most times also.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Target available assistance to families at or below 30 % of AMI

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)
More advertising of apartments based on tenant's income. I am presently on a committee to demolish some low income non-government housing in town. I will be trying to inform these homeless households of our apartments, however few of them would need a one-bedroom apartment.

Need: Specific Family Types: Families at or below 50% of median

Strategy 1: Target available assistance to families at or below 50% of AMI

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work
- Other: (list below)

Need: Specific Family Types: The Elderly

Strategy 1: Target available assistance to the elderly:

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

Need: Specific Family Types: Families with Disabilities

Strategy 1: Target available assistance to Families with Disabilities:

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Need: Specific Family Types: Races or ethnicities with disproportionate housing needs

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

Other Housing Needs & Strategies: (list needs and strategies below)

COMMUNITY SERVICE AND SELF SUFFICIENCY POLICY

A. Background

The Quality Housing and Work Responsibility Act of 1998 requires that all non-exempt (see definitions) public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self sufficiency and economic independence. This is a requirement of the Public Housing Lease.

B. Definitions

Community Service -volunteer work which includes, but is not limited to:

- Work at a local institution including but not limited to: school, child care center, hospital, hospice, recreation center, senior center, adult day care center, homeless shelter, indigent feeding program, cooperative food bank, etc.;
- Work with a non-profit organization that serves PHA residents or their children such as: Boy Scouts, Girl Scouts, Boys or Girls clubs, 4-H program, PAL, Garden Center, Community clean-up programs, beautification programs, other youth or senior organizations;
- Work at the Authority to help improve physical conditions;
- Work at the Authority to help with children's programs;
- Work at the Authority to help with senior programs;
- Helping neighborhood groups with special projects;
- Working through resident organization to help other residents with problems, serving as an officer in a Resident organization, serving on the Resident Advisory Board; and
- Caring for the children of other residents so they may volunteer.

NOTE: Political activity is excluded.

Harvard Housing Authority adopted on February 15, 2006
APPLICABLE TO ITS PUBLIC HOUSING PROGRAM

Self Sufficiency Activities -activities that include, but are not limited to:

- Job readiness programs;
- Job training programs;
- GED classes;
- Substance abuse or mental health counseling;
- English proficiency or literacy (reading) classes;
- Apprenticeships;
- Budgeting and credit counseling;
- Any kind of class that helps a person toward economic independence; and
- Full time student status at any school, college or vocational school.

Exempt Adult -an adult member of the family who

- Is 62 years of age or older;
- Has a disability that prevents him/ her from being gainfully employed;
- Is the caretaker of a disabled person;
- Is working at a paid job that can be verified by third party verification;
- Is participating in a welfare to work program.

C. Requirements of the Program

1. The eight (8) hours per month may be either volunteer work or self-sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. The Authority will make the determination of whether to allow or disallow a deviation from the schedule.
3. Activities must be performed within the community and not outside the jurisdictional area of the Authority.

Harvard Housing Authority adopted on February 15, 2006
APPLICABLE TO ITS PUBLIC HOUSING PROGRAM

4. Family obligations.

- At lease execution or re-examination after February 1, 2000, all adult members (18 or older) of a public housing resident family must
 - 1 provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
 - 2 sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in non-renewal of their lease.
- At each annual re-examination, non-exempt family members must present a completed documentation form (to be provided by the Authority) of activities performed over the previous twelve (12) months. This form will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed.
- If a family member is found to be noncompliant at re-examination, he/ she and the Head of Household will sign an agreement with the Authority to make up the deficient hours over the next twelve (12) month period.

5. Change in exempt status:

- If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/ her responsibility to report this to the Authority and provide documentation of such.
- If, during the twelve (12) month period, an exempt person becomes non-exempt, it is his/ her responsibility to report this to the Authority. The Authority will provide the person with the Recording/ Certification documentation form and a list of agencies in the community that provide volunteer and/ or training opportunities.

D. Authority obligations

1. To the greatest extent possible and practicable, the Authority will:

- provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (*According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service requirement*); and
- provide in-house opportunities for volunteer work or self-sufficiency programs.

Harvard Housing Authority adopted on February 15, 2006
APPLICABLE TO ITS PUBLIC HOUSING PROGRAM

2. The Authority will provide the family with exemption verification forms and Recording/ Certification documentation forms and a copy of this policy at initial application and at lease execution.
3. The Authority will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the Authority's Grievance Procedure if they disagree with the Authority's determination.
4. Noncompliance of family member:
 - At least thirty (30) days prior to annual re-examination and/ or lease expiration, the Authority will begin reviewing the exempt or non-exempt status and compliance of family members;
 - If the Authority finds a family member to be noncompliant, the Authority will enter into an agreement with the noncompliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period;
 - If, at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;
 - The family may use the Authority's Grievance Procedure to protest the lease termination.
