(If selected, skip to sub-component (2))

The Weeping Water Housing Authority has set the minimum rent at \$50.00. If the family requests a hardship exemption, however, the Weeping Water Housing Authority will suspend the minimum rent beginning the month following the family's request until the housing authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

A hardship exists in the following circumstances:

2.8.1.1.1.1 When the family has lost eligibility for or is awaiting an eligibility determination for a federal, state, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would not be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Act of 1996;

2.8.1.1.1.2 When the family would be evicted because it is unable to pay the minimum rent.

3. When the income of the family has decreased because of changed circumstances, including loss of employment; and

3 When a death has occurred within the family.

No hardship – If the housing authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

Temporary hardship – If the housing authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the beginning of the suspension of the minimum

rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The housing authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period, the housing authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

Long-term hardship – If the housing authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.

Appeals – The family may use the grievance procedure to appeal the housing authority’s determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

Background

The Quality Housing and Work Responsibility Act of 1998 requires that all non-exempt (see definitions) public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes, or other activities that help an individual toward self sufficiency and economic independence. This is a requirement of the Public Housing Lease.

Definitions

1. Community Service – volunteer work (**political activity is excluded**) which includes, but is not limited to:
 - 1 Work at a local institution including, but not limited to, school, child care center, hospice, senior center, indigent feeding program, cooperative food bank, etc.;

- (c) Work at the authority to help improve physical conditions;
- (d) Work at the authority to help with senior programs;
 - 1 Helping neighborhood groups with special projects;
 - 2 Caring for the children of other residents so they may volunteer.

2.8.1.1 Self-Sufficiency Activities – activities that include, but are not limited to:

- (a) Is 62 years of age or older;
- (b) Has a disability that prevents him/her from being gainfully employed;
- (c) Is the caretaker of a disabled person;

- (e) Is participating in a welfare to work program; or
- (f) Is a full-time student.

Requirements of the Program

4.8.1.1.1.1The eight (8) hours per month may be either volunteer work or self-sufficiency program activity, or a combination of the two.

4.8.1.1.1.2At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. The authority will make the determination of whether to allow or disallow a deviation from the schedule.

4.8.1.1.1.3Activities must be performed within the community and not outside the jurisdictional area of the housing authority.

4. Family obligations -

5 At lease execution or re-examination after February 1, 2000 all adult members [18 or older] of a public housing resident family must:

- (1) provide documentation that they are exempt from the community service requirement if they qualify for an exemption; and

5.8.1 sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the community service requirement will result in non-renewal of their lease.

6 At each annual re-examination, non-exempt family members must present a completed documentation form (to be provided by the housing authority)

of activities performed over the previous twelve (12) months. This form will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed.

5. Change in Exempt Status:
 - (a) If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/her responsibility to report this to the Weeping Water Housing Authority and provide documentation of such.
 - (b) If, during the twelve (12) month period, an exempt person becomes non-exempt, it is his/her responsibility to report this to the Weeping Water Housing Authority. The authority will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

Authority Obligations

6.8.1.1.1.1 To the greatest extent possible and practicable, the Weeping Water Housing Authority will:

- 7 Provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (*According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service requirement*); and
 - 8 Provide in-house opportunities for volunteer work or self-sufficiency programs.
2. The Weeping Water Housing Authority will provide the family with exemption verification forms and Recording/Certification documentation forms and a copy of this policy at initial application and at lease execution.
 3. The Weeping Water Housing Authority will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the authority's Grievance Procedure Policy if they disagree with the authority's determination.

8.8.1.1 Noncompliance of family member:

- 9 At least thirty (30) days prior to annual re-examination and/or lease expiration, the Weeping Water Housing Authority will begin reviewing the exempt or non-exempt status and compliance of family members;
- 10 If the Weeping Water Housing Authority finds a family member to be noncompliant, the housing authority will enter into a written agreement with the noncompliant member and the head of household to make up the deficient hours over the next twelve (12) month period;

- 11 If, at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate unless the noncompliant member agrees to move out of the unit.

The family may use the Weeping Water Housing Authority's Grievance Procedure to protest the lease termination.
