EXECUTIVE SUMMARY

The challenge of creating the first Five-Year Agency Plan was enormous. It took the full commitment of the Board of Commissioners, the staff, and management. This process continues to require such commitment in order to continue meeting its Missions and its annual goals.

The Authority is proud to report that it received a PHAS score of 95% for its fiscal year end HUD evaluation for the fiscal year ending 9/30/04 and thus retained the status as, “high performer”.

Our Progress Chart indicates that the Authority has, once again, met its annual goals and objectives to the greatest extent possible. The Authority continues to retain the original management goals and objectives that have allowed the Authority to continue achieving the PHAS score as “high performer”.

The Authority, constitutes a small authority, which is comprised of 85 units i.e. 30 family units and 55 elderly/disabled units continues to pledge to strive to meet its goals and objectives for the coming Annual Year of **10/1/2005 thru 9/30/2006** all with the continued intent of providing good housing for those in need and in cooperation with the residents of the Cape May Housing Authority.

Executive Director**

CAPE MAY HOUSING AUTHORITY
FIVE-YEAR AGENCY PLAN
Goals and Objectives

The Quality Housing and Work Responsibility Act of 1998 also known as (The 1998 Act) continues to require PHAs to submit a Five-Year Agency Plan. That plan encompasses specific annual goals and objectives to be carried out over a specified year within a five-year period. The Authority is therefore obligated to report and/or explain any significant changes that affected the Agency's financial situation or the provision of services and the effect those changes had on the Authority's ability to accomplish or fail to accomplish the goals and objectives during the annual year of **10/1/2003-9/30/2004**. In addition, the Authority must explain the method of defining its successes or failures.

Meeting held on April 18, 2005
Administration's Responses to Comments and Suggestions

During the Resident Advisory Board meeting, there were two questions posed to the Administrators. The questions and the responses made by the Administration are as follows:

QUESTION/COMMENT #1:

"Why can't the residents buy their own refrigerators when they move in or have ones that they want to buy"?

RESPONSE:

The Authority is responsible for providing each resident with a refrigerator, which eliminates the burden of purchasing a refrigerator. In addition, the resident must purchase a refrigerator at the size and capacity that the unit allows or can provide space to contain the refrigerator. Overall, the Authority believes it is in the best interest of the resident and the Authority if the Authority provides the refrigerator.

QUESTION/COMMENT #2:

"Why don't we have things that we like such as window shades?"

RESPONSE:

In the future, the Administration will consider taking the desire of the residents under consideration when install such items.

Notation:

Generally speaking the RAB members were pleased with the operation of the Authority and joined in the discussion regarding the Capital Fund Program. Minutes of the RAB Meeting are on hand for review.
