- a. Extenuating circumstances such as hospitalization of a family member for an extended period of time which has affected the family's ability to find a unit within the initial sixty-day period
- b. The Authority is satisfied that the family has made reasonable efforts to locate a unit, including seeking the assistance of the Authority, throughout the initial sixty-day period. A complete search record is required.
- c. The family was prevented from finding a unit due to disability accessibility requirements. The Search Record is part of the required verification.

The Authority grants extensions in one or more increments. Unless approved by the Executive Director, no more than two extensions of thirty days or less will be granted. The Authority will not request HUD approval to extend Voucher beyond the above stated 120 day maximum.
