C. Other Information

(1) Resident Advisory Board Recommendations

- a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

**RAB MEETING
Friday, February 4, 2005**

The meeting began at approximately 1:30 PM

Present in the meeting were the following people:

Richard Chavez	Tamara Gumm
Anthony Cervantes	Don Montoya
Bereranda Lopez	Lori Benavidez
Teresa Ortiz	

Richard Chavez- Housing Director – Started by congratulating Lori Benavidez for being very fortunate in participating in the Homeownership Program. Also stated that what the homeownership program is all about, being able to help the tenants on the Section 8 Program.

Lori Benavidez – Stated she was very grateful for what the homeownership program has done for her and her family. She also stated that it's like a dream come true. Action 7 news donated the money for Lori to go have Christmas dinner with the president; an invitation from the president was mailed to her.

Don Montoya – Started the meeting with the information about HUD and the 5-year operating plan. Also HUD requires to announce that there is a vacant position on the Housing Board, for who every would like to participate in. The requirements are to attend the meetings and vote.

Don went over the draft of the 5-year plan explaining each part individually. He will identify the Housing department and public information. The mission is to promote adequate and affordable housing. The goal is to apply for vouchers, and reduce public housing vacancies. Also working with Fannie Mae for the Lease Purchasing Program, which will help people with credit issues and bad credit. The person will go out and find a house of their liking and the Housing department will buy the house and lease to the person for a total of 3 years, which will be enough time to clean the persons credit and then the house will be turned over to the person.

Don also stated the Housing department would like to buy property and built small houses and sell them. Manage the department to receive 100%f scores from HUD. First time in Section 8 to receive a score for SEMAP. Also to increase customer service. Seybold Village needs to be better, going to start going to handheld to do the inspections. 3 million in the units for the elderly side. Hold landlord meetings every 3rd Wednesday and 3rd Friday of the month. The question was brought up what could be done to improve Seybold and El Centro? 1. Improve security and also has night security 2. Seybold village needs better lighting or have sensor lights up front. Also the traffic coming in and out of the public housing area during the day and night needs to be monitored more closely. It would also be nice if security could make unexpected visits to Seybold Village and El Centro.

Bennie Lopez - Stated the gate is supposed to be locked at night, but apparently it is being left open. She stated that it should be doubled checked and if it is found open please let Don know immediately.

Don Montoya – Flat rents were also mentioned in the meeting for the public housing units, with a minimum rent of \$50.00. The first year 100% and then the second year 50%. Some flat rents are capped at a certain amount and some PHA’S have to go to 90% but hen the families have to pick that up. Stated that they have capital improvement funds to get speed bumps for the El Centro ide and improve the parking area. Also stated that unit Q was completely rehabbed and is now finished, the total for that unit was \$9,000. The motto for public housing is to keep the tenants happy.

On the Section 8 side, there will be a full time FSS coordinator. Right now there are 71 families our goal is to get 100 families. Section 8 should be 95% but right now we are at 102 %. Housing will be working the landlords to have more units available, and also the screening of section 8 tenants will be more intense with background checks and also the possibility that if they do have a criminal background we would also work with them. Something mentioned was a credit check that was done nation wide. Also the preference points will be for people who are working, going to school or disabled and handicapped. HUD wants to know the need for housing and we have 624 on the waiting list, 431 earn less than 30% and the medium income is \$44,000. Increase vouchers to 113 for the Leasing Program. Section 8 vouchers are good for 60 days, but can be limited up to 120 days. The project-based vouchers are 14.

Tamara- Made some suggestions that now that there is going to be a FSS coordinator, if they could spend more time counseling the tenants on how to correct their credit situations, going back to school. Also if they could have group meeting pertaining to financial advise and how to become more self sufficient.

Don stated the budget for 2005 is 45,000 in the capital funds to make improvements. Home rehab will hopefully be able to do 23-24 homes a year.

Lori - Wanted to thank several people for helping her in purchasing her new home (Angela Lucero from Housing, Anna and Andrea from Suburban). She also stated that dreams could come true with the help from the Housing program.

Don concluded the meeting by thanking everybody that was present and if they have any concerns or questions please feel free to bring them to his attention. The meeting concluded around 3:00 PM.
