### **(3) Search Time**

- a.  Yes  No: Does the PHA give extensions on standard 60-day period to search for a unit?

If yes, state circumstances below:

The Housing Authority will grant extension to vouchers.

The Housing Authority will extend the term up to 60 days from the beginning of the initial term if the family needs and requests an extension as a reasonable accommodation to make the program accessible to and usable by a family member with a disability. If the family needs an extension in excess of 60 days, the housing Authority will extend the voucher term for the amount of time reasonably required for said reasonable accommodation.

A family may request a written request for an extension of the Voucher time period. All requests for extensions must be received prior to the expiration date of the Voucher.

Extensions are permissible at the discretion of the Housing Authority up to a maximum of 120 days, primarily for these reasons:

Extenuating circumstances such as hospitalization or a family emergency for an extended period of time which has affected the family's ability to find a unit within the initial sixty-day period. Verification is required.

The Housing Authority is satisfied that the family has made a reasonable effort to locate a unit,

including seeking the assistance of the Housing Authority, throughout the initial sixty-day period. A completed search record is required.

The family was prevented from finding a unit due to disability accessibility requirements or large size bedroom unit requirement. The Search Record is part of the required verification.

The Housing Authority extends in one or more increments. Unless approved by the Executive Director or Assistant to Executive Director, no more than two extensions of thirty days or less will be granted and never for a total of more than an additional sixty days.
