[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Kingston Housing Authority has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of this Annual Plan is to provide a framework for local accountability and easily identifiable source by which housing residents, participants in the tenant-based assistance program and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will ensure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy is the primary policy on display. This important document covers the public housing tenant selection and assignment plan, outreach services, grievance procedures, etc.

The most important challenges to be met by the Kinston Housing Authority during FY 2005 include:

- Improvement of the physical conditions of the housing developments through the Capital Funds activities.
- Improvement of Financial Status

COMMUNITY SERVICE POLICY

Section 512 of the Quality Housing and Work Responsibility Act of 1998, which amends Section 12 of the Housing Act of 1937, establishes a new requirement for non-exempt residents of public housing to contribute eight (8) hours of community service each month or to participate in a self-sufficiency program for eight (8) hours each month. (24 CFR §960.600-609 Subpart F)

Community Service is a service for which individuals are not paid. The Fiscal Year (FY) 2002 HUD/VA Appropriations Act temporarily suspended the community service and self-sufficiency requirement, exempt for residents of HOPE VI developments. The FY 2003 HUD/VA Appropriations Act, signed on February 21, 2003, reinstated this provision

The Kingston Housing Authority (hereinafter referred to as PHA) believes that the community service requirement should not be perceived by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents an opportunity to contribute to the communities that support them.

In order to effectively implement this new requirement, the Kingston Housing Authority establishes the following Policy, effective October 31, 2003.

1. Community Service

The PHA will provide residents, identified as required to participate in community service, a variety of voluntary activities and locations where the activities can be performed. The activities may include, but are not limited to:

- services at the PHA to help improve the physical condition, including building clean-ups, neighborhood clean-ups, gardening and landscape work;;
- office related services in the development or Administrative Office;
- Assisting other residents through the resident organization;
- services in local schools, day care centers, hospitals, nursing homes, youth or senior organizations, drug/alcohol treatment centers, recreation centers, etc.;
- Active participation in neighborhood group special projects;
- tutoring of elementary or high school age residents;
- Assisting in on-site computer training centers;
- Any other community service which includes the “performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self responsibility in the community”.

Note: Voluntary political activities are prohibited from being considered to meet the Community Service Requirement.

2. Program Administration

The PHA may administer its own community service program in conjunction with the formation of cooperative relationships with other community based entities such as TANF, Social Services Agencies or other organizations which have as their goal, the improvement and advancement of disadvantaged families. The PHA may seek to contract its community service program out to a third-part. In conjunction with its own or

partnership program, the PHA will provide reasonable accommodations for accessibility to persons with disabilities. The PHA may directly supervise community service activities and may develop and provide a directory of opportunities from which residents may select. When services are provided through partnering agencies, the PHA will confirm the resident's participation. Should contracting out the community service function be determined to be the most efficient method for the PHA to accomplish this requirement, the PHA will monitor the agency for contract compliance.

The PHA will assure that the service is not labor that would normally be performed by PHA employees responsible for the essential maintenance and property services.

3. Self Sufficiency

The PHA will inform residents that participation in self-sufficiency activities for eight (8) hours each month can satisfy the community service requirement and encourage non-exempt residents to select such activities to satisfy the requirement. It should be noted that an individual may satisfy this requirement through a combination of community service and self-sufficiency activities totaling at least eight (8) hours per month. Such activities can include, but are not limited to:

- apprenticeships and job readiness training;
- Voluntary substance abuse and mental health counseling and treatment;
- English proficiency classes, GED classes, adult education, college, technical schools or other formal education;
- Household management, budget and credit counseling or employment counseling;
- Work placement program required by the Temporary Assistance to Needy Families program (TANF), and in coordination with the TANF agency;
- Training to assist in operating a small business.

The PHA may sponsor its own economic self-sufficiency program or coordinate with local social services, volunteer organizations and TANF agencies.

4. Geographic Location

The PHA recognizes that the intent of this requirement is to have residents provide service to their own communities, either in the PHA's developments or in the broader community in which the PHA operates.

5. Exemptions

In accordance with provisions in the Act, the PHA will exempt from participation in community service requirements the following groups:

- adults who are 62 years of age or older;
- blind or disabled persons, as defined under 216(i)(1) or 1614 of the Social Security Act (42 U.S.C. 416(i)(1); 1382c) and who certify that because of disability they are unable to comply with the service provisions of this subpart, or are a primary

- caretakers of such an individual;
- persons engaged in work activities (at least 30 hours per week) as defined in section 607(d) of the Social Security Act (42 U.S.C. 607(d)), specified below:
 1. Unsubsidized employment;
 2. Subsidized private-sector employment;
 3. Subsidized public-sector employment;
 4. Work experience (including work associated with refurbishing of publicly assisted housing) only if sufficient private sector employment is not available;
 5. On-the-job-training;
 6. Job-search and job-readiness assistance;
 7. Community service programs;
 8. Vocational educational training (not to exceed 12 months with respect to any individual);
 9. Job-skills training directly related to employment;
 10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
 11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
 12. The provision of child care services to an individual who is participating in a community service program.
- persons who meet the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 *et seq.*) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program;
- members of families receiving assistance, benefits or services under a State program funded under part A of title IV of the Social Security Act (42 U.S.C. 601 *et seq.*) or under any other welfare program of the State in which the PHA is located, including a State-administered welfare-to-work program, and who have not been found by the State or other administering entity to be in noncompliance with such a program.

6. Family Obligations

Commencing with the next regularly scheduled reexamination of rent on or after October 31, 2003, and for all new residents effective October 31, 2003, all public housing household members age eighteen (18) or older must:

- Receive a written description of the community service requirement, information on the process for verifying exemption status and the affect of noncompliance on their tenancy.
- Complete certification forms regarding their exempt or non-exempt status from the community service requirement and submit the executed forms within ten (10) days of their recertification appointment. If a household member claims an exemption from the requirement, he/she must submit written verification of the exemption or provide information for obtaining third-party verification along with their completed exemption form.

At the time of the annual recertification appointment, each non-exempt adult household member must present their completed monthly record and certification form (blank form to be provided by the PHA at time of certification or recertification) of activities performed over the past twelve (12) months.

If a family member is found to be noncompliant, either for failure to provide documentation of community service or for failure to perform community service, he/she and the head of household will sign an agreement with the PHA confirming their understanding of the requirement to make up the deficient hours over the next twelve (12)-month period. The entire household will be allowed to enter into such an agreement only once during the household's entire tenancy with the PHA.

If, during the twelve (12)-month period, a non-exempt person becomes exempt, it is his or her responsibility to report this to the PHA and to provide documentation within ten (10) calendar days of the exemption. The community service requirement will remain in effect until such time as the exempt status is reported to the PHA and verified.

If, during the twelve (12)-month period, an exempt person becomes nonexempt, it is his or her responsibility to report this to the PHA within ten (10) calendar days of the change in status. He/she will be provided with appropriate forms and information for fulfilling the community service requirement. A household member who fails to report a change from exempt to non-exempt status will be required to enter into an agreement to complete an equivalent of eight (8) hours per month of community service for each month of unreported non-exempt status within ninety (90) days of discovery or the household's lease will be subject to termination.

Each household member must supply the PHA with accurate written information regarding exemption status. Failure to supply such information and/or misrepresentation of information is a serious violation of the terms of the lease and may result in termination of the lease.

6. PHA Obligations

To the greatest extent possible and practicable, the PHA will provide names and contacts at agencies that can provide opportunities for residents to fulfill their community service obligation.

The PHA will provide the household with a written description of the community service requirement, the process for claiming status as an exempt person for PHA verification of such status in the notice of annual recertification. The PHA will provide the household with appropriate forms on which to claim exempt or non-exempt status and for tracking the community service hours.

The PHA will make the final determination as to whether or not a household member is exempt and/or is in compliance with the community service requirement.

Community Service

As failure to complete the community service requirement constitutes noncompliance with the terms of the Lease, the family may use the PHA's Grievance Procedures if they disagree with the determination of exemption status or noncompliance.

The PHA will also assure that procedures are in place which provide residents the opportunity to change status with respect to the community service requirement. Such changes include, but are not limited to:

- going from unemployment to employment;
- entering a job training program;
- entering an educational program which exceeds eight (8) hours monthly.

All exemptions to the community service requirement will be verified and documented in the resident file. Required verifications may include, but not be limited to:

- third-party verification of employment, enrollment in a training or education program, welfare to work program or other economic self sufficiency activities;
- birth certificates to verify age 62 or older; or
- third-party verification of disabilities preventing performance of community service.

Families who pay flat rents, live in public housing units within market rate developments or families who are over income when they initially occupy a public housing unit will not receive an automatic exception.

8. Cooperative Relationships with Welfare Agencies

The PHA may initiate cooperative relationships with local service agencies that provide assistance to its families to facilitate information exchange, expansion of community service/self-sufficiency program options and aid in the coordination of those activities.

9. Lease Requirements and Documentation

The PHA's lease has a twelve (12)-month term and is automatically renewable except for non-compliance with the community service requirement. The lease also provides for termination and eviction of the entire household for such non-compliance. The lease provisions will be implemented for current residents at the next regularly scheduled reexamination on or after October 31, 2003, and for all new residents effective October 31, 2003. The PHA will not renew or extend the lease if the household contains a non-exempt member who has failed to comply with the community service requirement.

The PHA is required to review family compliance with service requirements, and must verify such compliance annually, at least thirty days before the end of the twelve-month Lease term.

Documentation of compliance or non-compliance will be placed in each resident file.

10. Noncompliance

If the PHA determines that a resident who is non-exempt has not complied with the community service requirement, the PHA must notify the resident of this determination. The PHA's notice to the resident must:

- a. Briefly describe the noncompliance and state that the PHA will not renew the Lease at the end of the twelve-month Lease term unless:
 - (1) The resident, and any other noncompliant resident, enter into a written agreement with the PHA, in the form and manner required by the PHA, to cure such noncompliance, and cure such noncompliance in accordance with such agreement, by completing the additional hours of community service or economic self-sufficiency activities needed to make up the total number of hours required over the twelve-month term of the new Lease agreement.
 - or -
 - (2) The resident provides written assurance satisfactory to the PHA that the non-exempt resident or other non-compliant family member no longer resides in the unit and that all other members of the family who are subject to the service requirement are currently complying with the service requirement.
- b. State that the resident may request a grievance hearing on the PHA determination, in accordance with 24 CFR 966, subpart B, and that the resident may exercise any available judicial remedy to seek timely redress for the PHA's nonrenewal of the Lease because of such determination.

KINGSTON HOUSING AUTHORITY

DECONCENTRATION AND INCOME TARGETING POLICY

DECONCENTRATION

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the housing authority does not concentrate families with higher income levels, it is the goal of the housing authority not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.
2. Actions: To accomplish the deconcentration goals, the housing authority will take the following actions:
 - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
 - B. To accomplish the goals of:
 - (1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
 - (2) Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income. the housing authority's Tenant Selection and Assignment Plan.

INCOME TARGETING

1. Objective: As public housing dwelling units become available for occupancy, responsible PHA employees will offer units to applicants on the waiting list. In accordance with the Quality Housing and Work Responsibility Act of 1998, the PHA encourages occupancy of its developments by a broad range of families with incomes up to eighty percent (80%) of the median income for the jurisdiction in which the PHA

operates. Depending on the availability of applicants with proper demographics, at a minimum, 40% of all new admissions to public housing **on an annual basis** may be families with incomes at or below thirty percent (30%) (extremely low-income) of the area median income. The offer of assistance will be made without discrimination because of race, color, religion, sex, national origin, age, handicap or familial status.

2. Actions: In order to implement the income targeting program, the following policy is adopted:
 - A. The PHA may select, based on date and time of application and preferences, two (2) families in the extremely low-income category and two (2) families from the lower/very low-income category alternately until the forty percent (40%) admission requirement of extremely low-income families is achieved (2 plus 2 policy).
 - B. After the minimum level is reached, all selections may be made based solely on date, time and preferences. Any applicants passed over as a result of implementing this 2 plus 2 policy will retain their place on the waiting list and will be offered a unit in order of their placement on the waiting list.

KINGSTON HOUSING AUTHORITY**

PET OWNERSHIP

Section 526 of the Quality Housing and Work Responsibility Act of 1998 added a new Section 31 (“Pet Ownership in Public Housing”) to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing other than Federally assisted rental housing for the elderly or persons with disabilities. In brief, this section states that: A resident of a dwelling unit in public housing may own one (1) or more common household pets or have such pets present in the dwelling unit. Allowance of pets is subject to reasonable requirements of the PHA.

The Kingston Housing Authority (PHA) notifies eligible new residents of that right and provides them copies of the PHA's Pet Ownership Rules. To obtain permission, pet owners must agree to abide by those Rules.

In consulting with residents currently living in the PHA's developments, the PHA will notify all such residents that:

- A. all residents are permitted to own and keep common domesticated household pets, such as a cat, dog, bird, and fish, in their dwelling units, in accordance with PHA pet ownership rules;
- B. a **non-refundable** nominal pet fee is intended to cover the reasonable operating costs to the development. A **refundable** pet deposit is intended to cover additional costs not otherwise covered (i.e., fumigation of a unit);
- C. animals that are used to assist the disabled are excluded from the size and weight and type requirements pertaining to ownership of service animals; however, they will be required to assure that proper licensing, inoculations, leash restraints, etc. are observed;
- D. residents may request a copy of the PHA's pet ownership rules or proposed amendments to the rules at any time; and,
- E. if the dwelling lease of a resident prohibits pet ownership, the resident may request that the lease be amended to permit pet ownership, in accordance with the PHA's pet ownership rules shown below;
- F. Section 31 does not alter, in any way, the regulations applicable to Federally assisted housing for the elderly and persons with disabilities found at Section 227 of the Housing and Urban-Rural Recovery Act of 1983 and located in 24 CFR part 5,

subpart C.

- G. New Section 960.705 of 24 CFR clarifies that the regulations added in Section 31 do not apply to service animals that assist persons with disabilities. This exclusion applies to both service animals that reside in public housing and service animals that visit PHA developments. Nothing in this rule limits or impairs the rights of persons with disabilities, authorizes PHAs to limit or impair the rights of persons with disabilities, or affects any authority PHAs may have to regulate service animals that assist persons with disabilities.

KINGSTON HOUSING AUTHORITY

Pet Ownership Rules for Families

1. Common household pet means a domesticated cat, dog, bird, gerbil, hamster, Guinea pig and fish in aquariums. Reptiles of any kind, with the exception of small turtles or in a terrarium, as well as mice and rats are prohibited. These definitions do not include any wild animal, bird or fish.
2. Each household shall have only one pet (except fish or birds). The limit for birds is two (2).

4. Pet owners shall license their pets yearly with the City of Kingston or as required. The pet owner must show the PHA proof of rabies and distemper booster inoculations and licensing annually. Residents applying for approval to house a dog or cat must provide, at the time of application, proof of insurance in the amount of \$10,000 for property damage and \$50,000 for personal liability. Such insurance shall be in force at all times, with proof of same provided at each recertification or at such other times as the PHA may request.
5. No pet owner shall keep a pet in violation of State or local health or humane laws or ordinances. Any failure of these pet ownership rules to contain other applicable State or local laws or ordinances does not relieve the pet owner of the responsibility for complying with such requirements.
6. The pet owner shall have his or her cat or dog spayed or neutered and shall pay the cost thereof. A veterinarian shall verify that the spaying or neutering has been accomplished. If the animal is less than six (6) months old, resident must agree to have the appropriate procedures performed when the animal reaches the age of six (6) months. Exceptions to this requirement shall be granted only upon certification from a veterinarian that permanent harm may result from this procedure due to the pet's age or illness.
7. The pet owner shall house the pet inside the pet owner's dwelling unit. The pet owner shall keep a cat or a dog on a leash and shall control the animal when it is taken out of the dwelling unit for any purpose. The owner of a bird(s) shall confine them to a cage at all times. No pet owner shall allow his or her pet to be unleashed or loose outside the pet owner's dwelling unit.

8. No resident shall keep, raise, train, breed or maintain any pet of any kind at any location, either inside or outside the dwelling unit, for any commercial purpose.
9. No pet owner shall keep a vicious or intimidating pet on the premises (i.e. pit bulls or any other vicious or intimidating breeds). If the pet owner declines, delays or refuses to remove such a pet from the premises, the Authority shall do so, in order to safeguard the health and welfare of other residents.
10. No pet owner shall permit his or her pet to disturb, interfere or diminish the peaceful enjoyment of the pet owner's neighbors or other residents. The terms "disturb, interfere or diminish" shall include but not be limited to barking, howling, biting, scratching, chirping and other activities of a disturbing nature. If the pet owner declines, delays or refuses to remove the pet from the premises, the PHA shall do so.
11. The owner of a cat shall feed the animal at least once per day; provide a litter box inside the dwelling unit; clean the litter box at least every two (2) days; and take the animal to a veterinarian at least once per year. The pet owner shall not permit refuse from the litter box to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.
12. The owner of a dog shall feed the animal at least once per day; take the animal for a walk at least twice per day; remove the animals droppings at least twice per day; and take the animal to a veterinarian at least once per year. The pet owner shall not permit dog droppings to accumulate or to become unsanitary or unsightly, and shall dispose of such droppings by placing them in a plastic tie sack in a designated trash container outside the building where the pet owner lives.
13. The pet owner shall take the precautions and measures necessary to eliminate pet odors within and around the dwelling unit, and shall maintain the dwelling unit in a sanitary condition at all times, as determined by the PHA.
14. No pet owner shall alter the dwelling unit or the surrounding premises to create a space, hole, container or enclosure for any pet.
15. PHA staff shall enter a dwelling unit where a pet has been left untended for twenty-four (24) hours, remove the pet and transfer it to the proper local authorities, subject to any provisions of State or local law or ordinances in this regard. The PHA shall accept no responsibility for the pet under such circumstances.
16. Each pet owner shall pay a non-refundable pet fee of \$ 100 and a refundable pet deposit of \$150. There is no pet deposit for birds, gerbils, hamsters, guinea pigs or

turtles. The pet fee/deposit is not part of the rent payable by the pet owner, and is in addition to any other financial obligation generally imposed on residents of the development where the pet owner lives. The PHA shall use the non-refundable pet fee only to pay reasonable expenses directly attributable to the presence of the pet in the development, including, but not limited to the cost of repairs and replacements to, and the fumigation of, the pet owner's dwelling unit. The refundable deposit will be used, if appropriate, to correct damages caused by the presence of the pet.

The refundable pet deposit will be placed in an escrow account and the PHA will refund the unused portion, plus any accrued interest, to the resident within thirty (30) days after the pet owner moves from the dwelling unit or no longer owns or keeps a pet in the dwelling unit.

- 17. All residents are prohibited from feeding, housing or caring for stray animals or birds. Such action shall constitute having a pet without permission of the Authority.
- 18. Each pet owner shall identify an alternate custodian for his or her pet. If the pet owner is ill or absent from the dwelling unit and unable to care for his or her pet, the alternate custodian shall assume responsibility for the care and keeping of the pet, including, if necessary, the removal of the pet from PHA premises.
- 19. Should any pet housed in the PHA's facilities give birth to a litter, the residents shall remove from the premises all of said pets except one as soon as the baby's are able to survive on their own (a maximum of 6 weeks).
- 20. If a resident, including a pet owner, breaches any of the rules set forth above, the PHA may revoke the pet permit and evict the resident or pet owner.

I have read and understand the above pet ownership rules and agree to abide by them.

IMPROVE THE QUALITY OF ASSISTED HOUSING

1. Increase customer satisfaction

CURRENTLY IN THE PROCESS OF FORMING RESIDENTS ASSOCIATIONS WHICH WILL HELP THE COMMUNICATIONS BETWEEN THE RESIDENTS AND ADMINISTRATION. OUR RECENT RASS RESULTS HAVE BEEN VERY GOOD.

2. Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments.

CURRENTLY DOING THIS AND WILL CONTINUE TO. WE STRONGLY BELIEVE THAT THIS IS NECESSARY FOR THE HOUSING AUTHORITY TO SURVIVE THE CURRENT AND FUTURE FINANCIAL DIFFICULTIES.

3. Increase the number and percentage of employed persons in assisted families.

THIS IS AN INTRICATE PART OF THE ABOVE MENTIONED GOAL.

4. Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required.

WE HAVE 37 HANDICAPPED UNITS, WHICH PRESENTLY IS ADECUATE FOR THE NUMBER OF HANDICAPPED RESIDENTS. HOWEVER, WE ARE RECEPTIVE TO THE NEEDS OF OUR RESIDENTS AND ARE WILLING TO MAKE REASONABLE ACCOMODATIONS.
