ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the Poughkeepsie Housing Authority's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Poughkeepsie Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The Poughkeepsie Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Poughkeepsie Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Poughkeepsie Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Poughkeepsie Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Poughkeepsie Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The Poughkeepsie Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Poughkeepsie Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to

them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Poughkeepsie Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Poughkeepsie Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Poughkeepsie Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Poughkeepsie Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Poughkeepsie Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The Poughkeepsie Housing Authority's business is housing. If the request would alter the fundamental business that the Poughkeepsie Housing Authority conducts, that would not be reasonable. For instance, the Poughkeepsie Housing Authority would deny a request to have the Poughkeepsie Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Poughkeepsie Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is they need; however, the Poughkeepsie Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Poughkeepsie Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Poughkeepsie Housing Authority's programs and services, the Poughkeepsie Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Poughkeepsie Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the Poughkeepsie Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Poughkeepsie Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign language or Braille). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The Poughkeepsie Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

4.0 FAMILY OUTREACH

The Poughkeepsie Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the Poughkeepsie Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Poughkeepsie Housing Authority will also try to utilize public service announcements.

The Poughkeepsie Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for public housing.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the Poughkeepsie Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy
- B. Notice of the status of the waiting list (opened or closed)

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

21 Charles Street
Poughkeepsie, NY 12601

Applications are taken to compile a waiting list. Due to the demand for housing in the Poughkeepsie Housing Authority jurisdiction, the Poughkeepsie Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Poughkeepsie Housing Authority will verify the information.

Applications may be made in person at the 21 Charles Street, Poughkeepsie, NY 12601 on Monday through Friday, 8:30 to 4:30. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Poughkeepsie Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Poughkeepsie Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 914-485-8862.

Upon receipt of the family's application, the Poughkeepsie Housing Authority will make a preliminary determination of eligibility. The Poughkeepsie Housing Authority will notify an apparently eligible family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the Poughkeepsie Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Poughkeepsie Housing Authority will annotate the applicant's file and will update their place on the waiting list.

8.0 ELIGIBILITY FOR ADMISSION

1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area.
2. Income limits apply only at admission and are not applicable for continued occupancy.
3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Poughkeepsie Housing Authority.
4. If the Poughkeepsie Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing tenants.
5. Income limit restrictions apply only to families transferring within our Public Housing Program.
6. The Poughkeepsie Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least equal the cost of operating the public housing unit.

C. Citizenship/Eligibility Status

1. To be eligible for public housing each member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 13.6 for calculating rents under the noncitizen rule)
 - c. A family without any eligible members and receiving assistance on June 19, 1995, may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Poughkeepsie Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Poughkeepsie Housing Authority to verify with previous or current employers or other

sources of income information pertinent to the family's eligibility for or level of assistance;

- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and
- d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Poughkeepsie Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Poughkeepsie Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Poughkeepsie Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent and any utility payments;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
 - 4. History of disturbing neighbors or destruction of property;
 - 5. Having committed fraud in connection with any Federal housing

assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and

6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Poughkeepsie Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Poughkeepsie Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. A credit check of the head, spouse, co-head, and any other adult family members;
2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Poughkeepsie Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Poughkeepsie Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Poughkeepsie Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Poughkeepsie Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and

5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Poughkeepsie Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

8.4 GROUND FOR DENIAL

The Poughkeepsie Housing Authority is not required or obligated to assist families where applicants or members of the applicant's household:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Have failed to respond to a written request for information or a request to declare their continued interest in the program;
- D. Have a history of not meeting financial obligations, especially rent;
- E. Do not have the ability to maintain (with assistance) their housing in a decent and safe condition where such habits could adversely affect the health, safety, or welfare of other tenants;
- F. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

For the purpose of this Policy, if any member of the applicant family has been arrested at least once within the prior 12 month period for this purpose, they will be determined to have engaged in criminal activity, drug-related criminal activity or violent criminal activity.

- G. Have a history of disturbing neighbors or destruction of property;

- H. Currently owes rent or other amounts to any housing authority in connection with their public housing or Section 8 programs;
- I. Have committed fraud, bribery or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- J. Were evicted from federally assisted housing within the past three years because of drug-related criminal activity. The three year limit is based on the date of such eviction, not the date the crime was committed.

However, the Poughkeepsie Housing Authority may admit the household if the Poughkeepsie Housing Authority determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Poughkeepsie Housing Authority; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- K. Are currently engaging in the illegal use of a controlled substance. For purposes of this section, a member is "currently engaged in" the criminal activity if the person has engaged in this behavior recently enough to justify a reasonable belief that the behavior is current);
 - L. The Poughkeepsie Housing Authority determines that it has reasonable cause to believe that a household member's illegal use or pattern of illegal use of a drug may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - M. The Poughkeepsie Housing Authority determines that it has reasonable cause to believe that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents.

With respect to criminal activity described in paragraphs J, K, L, and M of this Section, the Poughkeepsie Housing Authority may require an applicant to exclude a household member in order to be admitted to public housing where that household member has participated in or been culpable for actions described in paragraphs J, K, L, and M that warrants denial.

- N. Have engaged in or threatened abusive or violent behavior towards any Poughkeepsie Housing Authority staff member or resident;

- O. Fugitive felons, parole violators, and persons fleeing to avoid prosecution, or custody or confinement after conviction for a crime, or attempt to commit a crime that is a felony under the laws of the place from which the individual flees;
- P. **Denied for Life:** If any family member has been convicted of manufacturing or producing methamphetamine (speed) in a public housing development, in a Section 8 assisted property or on the premises of other federally assisted housing;
- Q. **Denied for Life:** Has a lifetime registration under a State sex offender registration program.

Before the Poughkeepsie Housing Authority denies admission to the Poughkeepsie Housing Authority's public housing program on the basis of a criminal record, the Poughkeepsie Housing Authority must notify the household of the proposed action to be based on the information and must provide the subject of the record and the applicant with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record. The applicant will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing. If the Poughkeepsie Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

Additionally, if the Poughkeepsie Housing Authority prohibits admission of persons for a prescribed period of time after some disqualifying behavior or event, the Poughkeepsie Housing Authority may apply that prohibition for a longer period of time at its sole discretion.

8.5 *INFORMAL REVIEW*

- A. If the Poughkeepsie Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the Poughkeepsie Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request in writing an informal review of the decision within 10 business days of the denial. The Poughkeepsie Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the Poughkeepsie Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the Poughkeepsie Housing Authority's decision. The Poughkeepsie Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The applicant may request that the Poughkeepsie Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant within 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or within 30 calendar days of receipt of the INS appeal decision.

For the applicants,, the Informal Hearing Process above will be utilized with the exception that the applicant will have up to 30 calendar days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contacts between the Poughkeepsie Housing Authority and the applicant will be documented in the applicant file.

9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Poughkeepsie Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

9.4 PURGING THE WAITING LIST

The Poughkeepsie Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the Poughkeepsie Housing Authority has current information, i.e., applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Poughkeepsie Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list, except for applicants that are housed.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Poughkeepsie Housing Authority will be sent a notice of termination of the process for eligibility.

The Poughkeepsie Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Poughkeepsie Housing Authority will work closely with

the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Poughkeepsie Housing Authority, in writing, that they have ten (10) business days from the date of the written correspondence to present mitigating circumstances or request in writing an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Poughkeepsie Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Poughkeepsie Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The Poughkeepsie Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A. Applicants with an adult family member who either lives or works or has been hired to work in the City of Poughkeepsie.
- B. All other applicants.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Poughkeepsie Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex will share a bedroom unless there is an age difference of 8 years.

- B. Children of the opposite sex, both under the age of 6, will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster – adults and/or foster - children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Poughkeepsie Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for 3 years or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Poughkeepsie Housing Authority will allow the larger size unit if the family provides a verified medical or disability related need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30 calendar day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.
- E. In no event will a single person who is not an elderly person or displaced person, or a person with disabilities be provided with a unit that is larger than one-bedroom.

10.3 SELECTION FROM THE WAITING LIST

The Poughkeepsie Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income

families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If admissions of extremely low-income families to the Poughkeepsie Housing Authority's voucher program during a fiscal year exceed the 75% minimum targeting requirement for Poughkeepsie Housing Authority's voucher program, such excess shall be credited (subject to the limitations in this paragraph) against the Poughkeepsie Housing Authority's basic targeting requirement for the same fiscal year.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. Ten % of public housing waiting list admissions during the Poughkeepsie Housing Authority fiscal year;
- B. Ten % of waiting list admissions to the Poughkeepsie Housing Authority's Section 8 tenant-based assistance program during the PHA fiscal year; or
- C. The number of qualifying low-income families who commence occupancy during the fiscal year of Poughkeepsie Housing Authority public housing units located in census tracts with a poverty rate of 30% or more. For this purpose, qualifying low-income family means a low-income family other than an extremely low-income family.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is the Poughkeepsie Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Poughkeepsie Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting

list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The Poughkeepsie Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 OFFER OF A UNIT

When the Poughkeepsie Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Poughkeepsie Housing Authority will contact the family first by telephone to make the unit offer, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Poughkeepsie Housing Authority regarding the offer.

The family may be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have one (1) business day to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Poughkeepsie Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If in making the offer to the family the Poughkeepsie Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Poughkeepsie Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes, among other things, reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease-up briefing when they are initially accepted for occupancy. Failure of an applicant to attend the lease-up briefing, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, and information on where the grievance procedure, utility allowances, utility charges, and the current schedule of routine maintenance charges are posted.. These documents will be explained in detail.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Poughkeepsie Housing Authority will retain the original executed lease in the tenant's file.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to the Flat Rent that is effective at lease-up for the appropriate bedroom size.

In exceptional situations, the Poughkeepsie Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS, AND DEDUCTIONS FROM INCOME

To determine annual income, the Poughkeepsie Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Poughkeepsie Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Poughkeepsie Housing Authority believes that past income is the best available indicator of expected future income, the Poughkeepsie Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to, the amounts specified in the federal regulations currently found in 24 CFR 5.609:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any

withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1,000 that were disposed of for less than fair market value within the past two years will be counted as income.

- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. Welfare assistance payments
 - a. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - i. Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - ii. Are not otherwise excluded under paragraph Section 11.2 of this Policy.
 - b. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus

ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. Imputed welfare income.

a. A family's annual income includes the amount of imputed welfare income (because of specified welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Poughkeepsie Housing Authority by the welfare agency) plus the total amount of other annual income.

b. At the request of the Poughkeepsie Housing Authority, the welfare agency will inform the Poughkeepsie Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the Poughkeepsie Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Poughkeepsie Housing Authority will use this information to determine the amount of imputed welfare income for a family.

c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Poughkeepsie Housing Authority by the welfare agency).

d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.

e. The Poughkeepsie Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.

f. If a resident is not satisfied that the Poughkeepsie Housing Authority has calculated the amount of imputed welfare income in

accordance with HUD requirements, and if the Poughkeepsie Housing Authority denies the family's request to modify such amount, then the Poughkeepsie Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Poughkeepsie Housing Authority's determination of the amount of imputed welfare income. The Poughkeepsie Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

g. Relations with welfare agencies:

- 1) The Poughkeepsie Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member and gives the Poughkeepsie Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.
- 2) The Poughkeepsie Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency and specified in the notice by the welfare agency to the housing authority. However, the Poughkeepsie Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
- 3) Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Poughkeepsie Housing

Authority shall rely on the welfare agency notice to the Poughkeepsie Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.

12.0 VERIFICATION

The Poughkeepsie Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. **Tenant Assessment Subsystem (TASS) – HUD’s online system for Social Security (SS) and Supplemental Security Income (SSI) information.**
- b. **State Wage Information Collection Agencies (SWICAs)**
- c. **State systems for the Temporary Assistance for Needy Families (TANF) program**
- d. **Credit Bureau Information (CBA) credit reports**
- e. **Internal Revenue Service (IRS) Letter 1722**
- f. **Private sector databases (e.g. The Work Number)**

The Poughkeepsie Housing Authority will use additional UIV resources as they become available.

It is important to note that UIV data will only be used to verify an applicant or resident’s eligibility for participation in a rental assistance program and to determine the level of assistance the resident is entitled to receive and only by properly trained persons¹ whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Poughkeepsie Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure.

Furthermore, the information the Poughkeepsie Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Poughkeepsie Housing Authority will allow three (3) weeks for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Poughkeepsie Housing Authority will allow two(2) business days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the three (3) week and two(2) business days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the three (3) week and two(2) business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Poughkeepsie Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

~~Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.~~

~~Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Poughkeepsie Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.~~

~~When third party verification cannot be obtained, the Poughkeepsie Housing Authority will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the Poughkeepsie Housing Authority has been unable to obtain third party verification in a 4 week period of time. Photocopies of the documents provided by the family will be maintained in the file.~~

~~When neither third party verification nor hand-carried verification can be obtained, the Poughkeepsie Housing Authority will accept a notarized statement signed by the head, spouse or co head. Such documents will be maintained in the file.~~

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 12.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Poughkeepsie Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Poughkeepsie Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Poughkeepsie Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Poughkeepsie Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Poughkeepsie Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other

governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The Poughkeepsie Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) calendar days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

Household composition will be verified annually. The frequency that household income will be verified depends on the type of rent method chosen by the family.

For each family member, citizenship/eligible noncitizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a

family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo. Their family composition must still be reviewed annually.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the Poughkeepsie Housing Authority will provide them with following information whenever they have to make rent decisions:
 - 1. The Poughkeepsie Housing Authority's policies on switching types of rent in case of financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the Poughkeepsie Housing Authority will provide the amount of income-based rent for the subsequent year only the year the Poughkeepsie Housing Authority conducts an income reexamination or if the family specifically requests it and submits update income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's actual housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent.

13.3 MINIMUM RENT

The Poughkeepsie Housing Authority has set the minimum rent at \$0. If the family requests a hardship exemption, however, the Poughkeepsie Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.

- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 calendar days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The Poughkeepsie Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The Poughkeepsie Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied at the end of the annual lease (for more information on flat rents, see Section 15.3).

The Poughkeepsie Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent because the Poughkeepsie Housing Authority has already factored who pays for the utilities into the flat rent calculation.

13.5 CEILING RENT

The Poughkeepsie Housing Authority has set a ceiling rent for each public housing unit. The amount of the ceiling rent will be reevaluated annually and the adjustments applied.

Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The Poughkeepsie Housing Authority will post the ceiling rents at each of the developments and at the central office. Ceiling rents are incorporated in this policy upon approval by the Board of Commissioners.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Poughkeepsie Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.6 UTILITY ALLOWANCE

The Poughkeepsie Housing Authority shall establish a utility allowance for all check-

metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Poughkeepsie Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income-based rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Poughkeepsie Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

For Poughkeepsie Housing Authority paid utilities, the Poughkeepsie Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the Poughkeepsie Housing Authority will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the Poughkeepsie Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of Poughkeepsie Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the Poughkeepsie Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.7 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at 21 Charles Street, Building #4, Poughkeepsie, NY 12601. Reasonable

accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment

If the rent is not paid by the fifth of the month, a Notice to Vacate will be issued to the tenant. In addition, a \$25 late charge will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$20 for processing costs.

14.0 COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.
- D. Family members engaged in work activity as defined in Section 407(d) of the Social Security Act, specified below:
 - 1. Unsubsidized employment;
 - 2. Subsidized private-sector employment;
 - 3. Subsidized public-sector employment;
 - 4. Work experience (including work associated with the refurbishing of publicly assisted housing) if sufficient private sector employment is not

- available;
5. On-the-job-training;
 6. Job-search and job-readiness assistance;
 7. Community service programs;
 8. Vocational educational training (not to exceed 12 months with respect to any individual);
 9. Job-skills training directly related to employment;
 10. Education directly related to employment in the case of a recipient who has not received a high school diploma or a certificate of high school equivalency;
 11. Satisfactory attendance at secondary school or in a course of study leading to a certificate of general equivalence, in the case of a recipient who has not completed secondary school or received such a certificate; and
 12. The provision of childcare services to an individual who is participating in a community service program.
- E. Family members who are or would be exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits, or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

14.3 NOTIFICATION OF THE REQUIREMENT

The Poughkeepsie Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The Poughkeepsie Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Poughkeepsie Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 4/1/00. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self-sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Poughkeepsie Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the Poughkeepsie Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

Upon admission or at the first annual reexamination on or after April 1, 2000, and each annual reexamination thereafter, the Poughkeepsie Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their

responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.

- E. At least thirty (30) calendar days before the family's next lease anniversary date, the volunteer coordinator will advise the Poughkeepsie Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Poughkeepsie Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The Poughkeepsie Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. It will state the number of hours that the family member is deficient. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the Poughkeepsie Housing Authority shall take action to terminate the lease unless the noncompliant family member no longer lives in the unit.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Poughkeepsie Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the Poughkeepsie Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The Poughkeepsie Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income-based method, and scheduling an appointment if they are currently paying an income-based rent. If the family thinks they may want to switch from a flat rent to an income-based rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Poughkeepsie Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Poughkeepsie Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.

Once a family returns to the income based method during their "lease year" they cannot go back to a flat rent until their next regular annual reexamination.

- F. The dates upon which the Poughkeepsie Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Poughkeepsie Housing Authority will send a reexamination letter to the family offering the choice between a flat rent and an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the Poughkeepsie Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the Poughkeepsie Housing Authority

representative, they may make the selection on the form and return the form to the Poughkeepsie Housing Authority. In such case, the Poughkeepsie Housing Authority will cancel the appointment and solely verify the family size and whether it is in an appropriate size unit.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Poughkeepsie Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

The family shall be informed of the results of the rent calculation under both the Income Method and the Flat Rent and given their choice of which rent to pay.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Poughkeepsie Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. Changes in income.
- B. A member has been added to the family through birth or adoption or court-awarded custody.
- C. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Poughkeepsie Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Poughkeepsie Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-

in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Poughkeepsie Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Poughkeepsie Housing Authority may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.9 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the Poughkeepsie Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of twenty-four (24) months. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Poughkeepsie Housing Authority's deconcentration goal, if appropriate.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Poughkeepsie Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Poughkeepsie Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to other housing developments. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which ever is less;
- D. The family is current in the payment of all charges owed to the Poughkeepsie Housing Authority and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff;
- G. Participates in a series of classes conducted by Poughkeepsie Housing Authority on basic home and yard care.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Poughkeepsie Housing Authority and the family rejects two offers without good cause, the Poughkeepsie Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Poughkeepsie Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e., by the police);

- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);
or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Poughkeepsie Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out modernization, disposition, or demolition activities; or
- B. When action or inaction by the Poughkeepsie Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Poughkeepsie Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Poughkeepsie Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Poughkeepsie Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Poughkeepsie Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE POUGHKEEPSIE HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to ensure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the Poughkeepsie Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Poughkeepsie Housing Authority file and a copy given to the family member. An authorized Poughkeepsie Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Poughkeepsie Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The Poughkeepsie Housing Authority and if possible an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The Poughkeepsie Housing Authority will inspect each public housing unit annually to ensure that each unit meets the Poughkeepsie Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks

for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Poughkeepsie Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Poughkeepsie Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the Poughkeepsie Housing Authority will give the tenant at least two (2) calendar days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Poughkeepsie Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Poughkeepsie Housing Authority upon request from the Resident will schedule a pre-move-out inspection with the family. The inspection allows the Poughkeepsie Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Poughkeepsie Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The Poughkeepsie Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be

present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN PUBLIC HOUSING

The Poughkeepsie Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Poughkeepsie Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

18.4 TYPES AND NUMBER OF PETS

The Poughkeepsie Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only one pet per unit will be allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed (examples include rotweilers, pit bulls, or doberman pinchers).

No animal may exceed fifteen (15) pounds in weight projected to full adult size.

18.5 INOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Poughkeepsie Housing Authority to attest to the inoculations.

18.6 PET DEPOSIT

A pet deposit of \$250.00 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate deposit is required for each pet.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Poughkeepsie Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Poughkeepsie Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed). Pets will be allowed only in designated areas on the grounds of the property if the Poughkeepsie Housing Authority designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over ten (10) hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate manner.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violates any other conditions of this policy may be required to remove his/her pet from the development within 10 calendar days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

18.11 REMOVAL OF PETS

The Poughkeepsie Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Poughkeepsie Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

19.0 REPAYMENT AGREEMENTS

When a resident owes the Poughkeepsie Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the Poughkeepsie Housing Authority allow them to enter into a Repayment Agreement. The Poughkeepsie Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the resident to eviction procedures.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) calendar days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

Twelve months after the Poughkeepsie Housing Authority has implemented the mandated Community Service Requirement, it will not renew the lease of any non-exempt family that is not in compliance with the Community Service Requirement or approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

The Poughkeepsie Housing Authority will terminate the lease for serious or repeated violations of material lease terms. Such violations include but are not limited to the following:

- A. Nonpayment of rent or other charges;
- B. A history of late rental payments;
- C. Failure to provide timely and accurate information regarding family composition, income circumstances, or other information related to eligibility or rent;
- D. Failure to allow inspection of the unit;
- E. Failure to maintain the unit in a safe and sanitary manner;
- F. Assignment or subletting of the premises;
- G. Use of the premises for purposes other than as a dwelling unit (other than for housing authority approved resident businesses);
- H. Destruction of property;
- I. Acts of destruction, defacement, or removal of any part of the premises or failure to cause guests to refrain from such acts;
- J. Any violent or drug-related criminal activity on the property or drug-related criminal activity on or off the premises, not just on or near the premises. This includes any tenant, member of the tenant's household or guest, and any such activity engaged in on the premises by any other person under the tenant's control. This includes but is not limited to the manufacture of methamphetamine on the premises of the Poughkeepsie Housing Authority or on the premises of any other federally assisted housing;
- K. Non-compliance with Non-Citizen Rule requirements;

- L. Permitting persons not on the lease to reside in the unit more than fourteen (14) calendar days each year without the prior written approval of the Housing Authority; and
- M. Any activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the Authority by the resident, household members, or guests of the Resident or threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises is grounds for termination of tenancy;
- N. Alcohol abuse that the Poughkeepsie Housing Authority determines interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- O. Failure to perform required community service or be exempted therefrom;
- P. The Poughkeepsie Housing Authority will take immediate action to evict any household that includes an individual who is subject to a lifetime registration requirement under a State sex offender registration program;
- Q. Determination that a household member is illegally using a drug or when the Poughkeepsie Housing Authority determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- R. Criminal activity as shown by a criminal record. In such cases the Poughkeepsie Housing Authority will notify the household of the proposed action to be based on the information and will provide the subject of the record and the tenant with a copy of the criminal record before the Poughkeepsie Housing Authority grievance hearing or court trial concerning the termination of tenancy or eviction. The tenant will be given an opportunity to dispute the accuracy and relevance of that record in the grievance hearing or court trial.
- S. Other good cause.

If an individual or family's lease is terminated for criminal activity, the Poughkeepsie Housing Authority will notify the local post office serving the development that the individual or family no longer lives there.

20.3 RETURN OF SECURITY DEPOSIT

After a family moves out, the Poughkeepsie Housing Authority will return the security deposit as soon as possible in accordance with State law or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be

restored to the same conditions as when the family moved in, except for normal wear and tear. Deposits will not be used to cover normal wear and tear or damage that existed when the family moved in.

If State law requires the payment of interest on security deposits, it shall be complied with.

The Poughkeepsie Housing Authority will be considered in compliance with the above if the required payment, statement, or both, are deposited in the U.S. mail with first class postage.

21.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Poughkeepsie Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Poughkeepsie Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income.
- B. Although typically a criminal background check is required before anyone can move into a public housing unit, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves in. If the results of the check dictate that the person is ineligible for public housing, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Poughkeepsie Housing Authority will expeditiously re-evaluate a resident's rent if requested to do so and will exercise reasonable restraint if the activated resident has trouble paying their rent.
- D. Typically a unit cannot be held by a family that is not residing in it as their primary residence. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service.

22.0 ANTI-FRAUD POLICY

The Poughkeepsie Housing Authority is fully committed to combating fraud in its public housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Poughkeepsie Housing Authority. It results in the inappropriate expenditure of public housing funds and/or a violation of public housing requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Poughkeepsie Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Poughkeepsie Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement as set forth in a previous section of this Policy;
- C. Terminate the resident's tenancy;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Poughkeepsie Housing Authority deems appropriate.

Action Plan for the PHAS Resident Survey**

OVERVIEW/BACKGROUND

The results of the Resident Service and Satisfaction Survey indicate that the Poughkeepsie Housing Authority received a score of 67% on the Communication Section, 73% on the Safety Section and 54% on the Neighborhood Appearance Section. As a result, we are required to include this Resident Assessment Follow-up Plan along with our PHA Annual Plan for our fiscal year that begins on April 1, 2005. It should be noted that the Poughkeepsie Housing Authority has improved these scores from the previous year's survey as follows:

Resident Assessment Sub-System Scores		
Category	2004 Score	2004 Score
Communication	68%	67%
Safety	73%	73%
Housing Development Appearance	52%	54%

The Poughkeepsie Housing Authority will do the following as a result of the scores they received on the Resident Service and Satisfaction Survey in the areas of Communication, Safety and Neighborhood Appearance.

Communication

Management will continue to meet with residents and to keep them informed of any issues regarding their tenancy, specifically with the capital fund improvements scheduled for their developments. Additionally, Management will improve on informing residents about scheduled maintenance by giving residents ample written notification.

Notice of any changes attached to monthly rent statements and hand delivered to residents are current methods being utilized to accomplish this. This practice was instituted during our last fiscal year.

Safety

Management has completed the installation of security cameras in 2002 at 3 of the 5 federal sites that it owns and manages. These three sites were in need of a system to monitor activity on its grounds. We have also added additional cameras to the back of Martin Luther King for additional monitoring. This was completed during the first quarter of 2003. Our senior properties have video cameras in the vestibules.

We will continue to add additional video cameras to all common areas such as laundry rooms where there is concern for safety. We are also having a meeting with the Police

Chief, Mayor, City Administrator, and Councilmen for these districts to ask for additional police patrols and presence.

Neighborhood Appearance

The areas identified in this area pertain to the general upkeep of exterior buildings and grounds. The Poughkeepsie Housing Authority will address this in three ways to improve neighborhood appearance:

1. Hold residents and leaseholders accountable by enforcing lease violations and Poughkeepsie Housing Authority policies already in place. Those that reside with us create the conditions identified.
2. The Poughkeepsie Housing Authority has completed some landscaping at our senior property during the late summer of 2002 and we have hired a temporary person for lawn upkeep and some landscaping during summer months.
3. At Hudson Gardens, we have hired two temporary employees to do grounds keeping work (cleaning, trash pickup, lawn and common hallway cleaning).

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the Poughkeepsie Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U.S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Poughkeepsie Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Poughkeepsie Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Choice Voucher Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Poughkeepsie Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Poughkeepsie Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The Poughkeepsie Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Poughkeepsie Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Poughkeepsie Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the

Poughkeepsie Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

1.4 QUESTIONS TO ASK IN GRANTING THE ACCOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the Poughkeepsie Housing Authority will obtain verification that the person requesting the accommodation is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the Poughkeepsie Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The Poughkeepsie Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The

Poughkeepsie Housing Authority's business is housing. If the request would alter the fundamental business that the Poughkeepsie Housing Authority conducts, that would not be reasonable. For instance, the Poughkeepsie Housing Authority would deny a request to have the Poughkeepsie Housing Authority do grocery shopping for the person with disabilities.

2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the Poughkeepsie Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the Poughkeepsie Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the Poughkeepsie Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the Poughkeepsie Housing Authority's programs and services, the Poughkeepsie Housing Authority retains the right to select the most efficient or economic choice.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible. The Housing Authority may, however, grant a higher payment standard for units where property owners make physical modifications for persons with disabilities so long as the payment standard does not exceed 110% of FMRs.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.5 SERVICES FOR NON-ENGLISH SPEAKING PERSONS AND PARTICIPANTS

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign language or Braille). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The Poughkeepsie Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

1.6 FAMILY/OWNER OUTREACH

The Poughkeepsie Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low-income and, very low families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons, who cannot or do not read newspapers, the Poughkeepsie Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The Poughkeepsie Housing Authority will also try to utilize public service announcements.

The Poughkeepsie Housing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The objective of this effort is to develop a waiting list that is representative of our low-income community. A particular emphasis will be placed on attracting eligible individuals and families least likely to apply for the Housing Choice Voucher Program.

The Poughkeepsie Housing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. The briefings are intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities (including lead-based paint) under the program. Emphasis is placed on quality screening and ways the Poughkeepsie Housing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet Poughkeepsie Housing Authority staff.

The Poughkeepsie Housing Authority will particularly encourage owners of suitable units located outside of low-income or minority concentration and owners of accessible units to attend. Targeted mailing lists will be developed and announcements mailed.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to annually sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

1.8 REQUIRED POSTINGS

The Poughkeepsie Housing Authority will post in each of its offices in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. The Section 8 Administrative Plan
- B. Notice of the status of the waiting list (opened or closed)
- C. Address of all Poughkeepsie Housing Authority offices, office hours, telephone numbers, TDD numbers, and hours of operation

4. If the Poughkeepsie Housing Authority has given approval, a foster child/foster adult or a live-in aide may reside in the unit. The Poughkeepsie Housing Authority has the discretion to adopt reasonable policies concerning residence by a foster child/foster adult or a live-in aide and defining when the Poughkeepsie Housing Authority consent may be given or denied.
5. Members of the household may engage in legal profit making activities in the unit, but only if such activities are incidental to primary use of the unit for residence by members of the family. Any business uses of the unit must comply with the lease, zoning requirements, and the affected household member must obtain all appropriate licenses.
6. The family must not sublease or let the unit.
7. The family must not assign the lease or transfer the unit.

H. Absence from the Unit

The family must supply any information or certification requested by the Poughkeepsie Housing Authority to verify that the family is living in the unit, or relating to family absence from the unit, including any Poughkeepsie Housing Authority requested information or certification on the purposes of family absences. The family must cooperate with the Poughkeepsie Housing Authority for this purpose. The family must promptly notify the Poughkeepsie Housing Authority of its absence from the unit.

Absence means that no member of the family is residing in the unit. The family may be absent from the unit for up to 30 calendar days. The family must request permission from the Poughkeepsie Housing Authority for absences exceeding 30 calendar days. The Poughkeepsie Housing Authority will make a determination within 5 business days of the request. An authorized absence may not exceed 180 calendar days. Any family absent for more than 30 calendar days without authorization will be terminated from the program.

Authorized absences may include, but are not limited to:

1. Prolonged hospitalization
2. Absences beyond the control of the family (i.e., death in the family, other family member illness)

3. Other absences that are deemed necessary by the Poughkeepsie Housing Authority

I. Interest in the Unit

The family may not own or have any interest in the unit (except for owners of manufactured housing renting the manufactured home space or people using a housing choice voucher to purchase a home).

J. Fraud and Other Program Violation

The members of the family must not commit fraud, bribery, or any other corrupt or criminal act in connection with the programs.

K. Crime by Household Members

L. Other Housing Assistance

M. Alcohol and/or Drug Abuse By Household Members

The members of the household must not abuse alcohol and/or drugs in a way that threatens the health, safety or right to peaceful enjoyment of other residents and/or persons residing in the immediate vicinity of the premises.

3.0 ELIGIBILITY FOR ADMISSION

3.1 INTRODUCTION

In addition to the eligibility criteria, families must also meet the

Poughkeepsie Housing Authority screening criteria in order to be admitted to the Section 8 Program.

3.2 **ELIGIBILITY CRITERIA**

A. Family status.

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that lives together in a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.
 - b. Unborn children and children in the process of being adopted are considered family members for purposes of determining bedroom size, but are not considered family members for determining income limit.
2. An **elderly family**, which is:
 - a. A family whose head, spouse, or sole member is a person who is at least 62 years of age;

B. Income eligibility

1. To be eligible to receive assistance a family shall, at the time the family initially receives assistance under the Section 8 program shall be a low-income family that is:
- a. A very low-income family;
 - b. A low-income family continuously assisted under the 1937 Housing Act including families relocated from public housing for the convenience of the agency (continuously assisted families are not counted against the income targeting requirements);
 - c. A low-income family that meets additional eligibility criteria specified by the Housing Authority;

- d. A low-income family that is a nonpurchasing resident in a HOPE 1 or HOPE 2 project or a property subject to a resident homeownership program under 24 CFR 248.173;
 - e. A low-income family or moderate-income family that is displaced as a result of the prepayment of the mortgage or voluntary termination of an insurance contract on eligible low-income housing.
2. Income limits apply only at admission and are not applicable for continued occupancy; however, as income rises the assistance will decrease.
 3. The applicable income limit for issuance of a housing choice voucher is the highest income limit for the family size for areas within the housing authority's jurisdiction. The applicable income limit for admission to the program is the income limit for the area in which the family is initially assisted in the program. The family may only use the voucher to rent a unit in an area where the family is income eligible at admission to the program.
 4. Families who are moving into the Poughkeepsie Housing Authority's jurisdiction under portability and have the status of applicant rather than of participant at their initial housing authority, must meet the income limit for the area where they are initially assisted under the program.
 5. Families who are moving into the Poughkeepsie Housing Authority's jurisdiction under portability and are already program participants at their initial housing authority do not have to meet the income eligibility requirement for the Poughkeepsie Housing Authority program.
 6. Income limit restrictions do not apply to families transferring units within the Poughkeepsie Housing Authority Section 8 Program.

C. Citizenship/Eligible Immigrant status

To be eligible for a housing choice voucher at least one member of the family must be a citizen, national, or a noncitizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).

Family eligibility for assistance.

1. A family shall not be eligible for assistance unless at least one member of the family residing in the unit is determined to have eligible status, with

the exception noted below.

2. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 11.5(F) for calculating rents under the noncitizen rule).
3. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security Number or certify that they do not have one. Adults must certify for minors.

E. Signing Consent Forms

1. In order to be eligible each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD and the Poughkeepsie Housing Authority to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;
 - b. A provision authorizing HUD or the Poughkeepsie Housing Authority to verify with previous or current employers or other sources of income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits;
 - d. A statement allowing the Poughkeepsie Housing Authority permission to access the applicant's criminal record with any and all police and/or law enforcement agencies; and

- e. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.
- F. Suitability for tenancy. The Poughkeepsie Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Poughkeepsie Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area. The Poughkeepsie Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Poughkeepsie Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Poughkeepsie Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

The Poughkeepsie Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Poughkeepsie Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Poughkeepsie Housing Authority will provide to the owner the name, address, and phone number of the applicant's current landlord and any previous landlords that are known to the housing authority.

In addition, if an owner submits a request to the Poughkeepsie Housing Authority for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Poughkeepsie Housing Authority must request the criminal conviction records from the appropriate law enforcement agency or agencies, as

determined by the Housing Authority. If the Poughkeepsie Housing Authority receives criminal conviction records requested by an owner, the Poughkeepsie Housing Authority must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Poughkeepsie Housing Authority must notify the owner whether the Housing Authority has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner, but merely the fact of whether or not they comply with HUD regulations and the owner's criteria. The Poughkeepsie Housing Authority will charge owners a fee of **\$150.00** for this service.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the request of the owner. Once again, the information itself will not be disclosed to the owner; the Poughkeepsie Housing Authority will merely apply the criteria the owner establishes. The fee for this service shall be **\$150.00**.

4.0 MANAGING THE WAITING LIST

4.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation, and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 TAKING APPLICATIONS

Families wishing to apply for the Section 8 Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

21 Charles Street, Building #4
Poughkeepsie, NY 12601

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the Poughkeepsie Housing Authority jurisdiction, the Poughkeepsie Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants. The Poughkeepsie Housing Authority will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

Applications may be made in person at 21 Charles Street, Building #4, Poughkeepsie, NY 12601 on Monday through Friday, 8:30 to 4:30. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the Poughkeepsie Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Poughkeepsie Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is 914-485-8862.

Upon receipt of the families application, the Poughkeepsie Housing Authority will make a preliminary determination of eligibility. The Poughkeepsie Housing Authority will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the Poughkeepsie Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

An applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Poughkeepsie Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

4.3 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of preference and then in order of date and time of application;
- C. Any significant contact between the Poughkeepsie Housing Authority and the applicant will be documented in the applicant file.

All files (applicant or participant) shall be retained for three years from the date the file is closed, whether this is due to the surrender of a housing choice voucher or the removal of a person from the waiting list, whichever is later.

Note: The waiting list cannot be maintained by bedroom size under current HUD regulations.

4.4 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family nears the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. Annual income must be verified within 60 calendar days of the issuance of a housing choice voucher. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Poughkeepsie Housing Authority must notify the family in writing of this determination, and give the family the opportunity for an informal review.

Once the preference has been verified the family will complete a full application, present Social Security Number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

4.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The Poughkeepsie Housing Authority will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the Poughkeepsie Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

4.6 PURGING THE WAITING LIST

The Poughkeepsie Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Authority to update the information regarding address, family composition, income category and preferences.

The purge shall consist of the Poughkeepsie Housing Authority mailing via first class mail a form to be completed by the person on the waiting list and returned to the housing authority within a specified number of calendar days. If the envelope is returned as undeliverable or if no response is received from the applicant within the specified time frame, the applicant shall be stricken from the waiting list. If the envelope is returned with a forwarding address on it, the housing authority shall mail the form to the new address, with a new deadline for response.

4.7 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The Poughkeepsie Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;
- C. The applicant does not meet either the eligibility or screening criteria for the program; or
- D. The applicant has been issued a Housing Choice Voucher.

The reason for all removals from the waiting list shall be carefully documented in the applicant's file and retained for three years from the date the file is closed.

4.8 GROUNDS FOR DENIAL

The Poughkeepsie Housing Authority will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;
- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;

- E. Have a family member who was evicted from federally assisted housing within the past three years because of drug-related criminal activity. The three year limit is based on the date of such eviction, not the date the crime was committed.

However, the Poughkeepsie Housing Authority may admit the household if the PHA determines:

1. The evicted household member who engaged in drug-related criminal activity has successfully completed a supervised drug rehabilitation program approved by the Poughkeepsie Housing Authority; or
 2. The circumstances leading to the eviction no longer exist (for example, the criminal household member is imprisoned or has died).
- F. Have a household member who is currently engaging in illegal use of a drug;
 - G. Have a household member whose illegal drug use or a pattern of illegal drug use may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - H. Have a household member who has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of federally assisted housing;
 - I. Have a household member who is subject to a lifetime registration requirement under a State sex offender registration program;
 - J. Have a household member whose abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
 - K. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
 - L. Have a household member who is currently engaged in, or has engaged in the following during the last 5 years before the projected date of admission:
 1. Drug-related criminal activity;
 2. Violent criminal activity;

3. Other criminal activity which may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity; or
4. Other criminal activity which may threaten the health or safety of the owner, property management staff, or persons performing a contract administration function or responsibility on behalf of the Poughkeepsie Housing Authority (including a Poughkeepsie Housing Authority employee or a Poughkeepsie Housing Authority contractor, subcontractor or agent).

For purposes of this section, a household member is “currently engaged in” criminal activity if the person has engaged in the behavior recently enough to justify a reasonable belief that the behavior is current.

- M. Have a family member who violated any family obligations under previous participation in the program;
- N. Have a family member who has been evicted from federally assisted housing in the last five years;
- O. Have a family member that the Poughkeepsie Housing Authority ever terminated assistance for under the program;
- P. Have a family member who has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- Q. Currently owes rent or other amounts to the Poughkeepsie Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act;
- R. Have not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;
- S. Have breached an agreement with Poughkeepsie Housing Authority to pay amounts owed to a Housing Authority or amounts paid to an owner by a Housing Authority;
- T. If a family participating in the Family Self-Sufficiency Program, a family fails to comply, without good cause, with the family’s FSS Contract of Participation;
- U. Have engaged in or threatened abusive or violent behavior towards any Poughkeepsie Housing Authority staff member or resident;

- V. If a welfare-to-work (WTW) family fails, willfully and persistently, to fulfill its obligations under the welfare-to-work voucher program.

If the Poughkeepsie Housing Authority denies admission to the Poughkeepsie Housing Authority's Housing Choice Voucher program on the basis of a criminal record, the Poughkeepsie Housing Authority will provide the person with the criminal record (i.e., the family member) and the applicant head of household with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record, in the procedures for the Informal Review Process for Applicants. The applicant will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing. If the Poughkeepsie Housing Authority does not receive the dispute within the allotted time, the applicant will be denied.

4.9 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Poughkeepsie Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review in writing. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Poughkeepsie Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the Poughkeepsie Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the Poughkeepsie Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 INFORMAL REVIEW

If the Poughkeepsie Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the Poughkeepsie Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The Poughkeepsie Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 WAITING LIST AND PROJECT-BASED ADMISSIONS

The Housing Authority must admit an applicant for participation in the program either as a Project-Based Admission or as a Section 8 Voucher Admission, subject to compliance with HUD's Rules and Regulations.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Poughkeepsie Housing Authority will use the assistance for those families. The Poughkeepsie Housing Authority has been approved for the use of 26 Vouchers for project-based assistance at Eastman Residence and James Bixby Apartments. Preference will be given to existing residents at Eastman Residence and James Bixby Apartments.

5.2 PREFERENCES

Consistent with the Poughkeepsie Housing Authority Agency Plan, the Poughkeepsie Housing Authority will select families based on the following preferences based on local housing needs and priorities. They are consistent with the Poughkeepsie Housing Authority's Agency Plan and the Consolidated Plan that covers our jurisdiction.

- A. Families who live or have an adult member that has been hired to work in the City of Poughkeepsie.
- B. Residents in the Poughkeepsie Housing Authority Public Housing Program who are required to move and who cannot be placed in another public housing program.
- C. All other applicants.

5.3 SELECTION FROM THE WAITING LIST

Based on the above preferences, all families in preference A and B will be offered housing before any families in preference C.

The date and time of application will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the Poughkeepsie Housing Authority retains the right to skip higher income families on the

waiting to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The Poughkeepsie Housing Authority will issue a housing choice voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Poughkeepsie Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children currently under a 50% or more joint custody decree, children who are temporarily away at school or temporarily in foster-care.

Bedroom size will also be determined using the following guidelines:

- A. Children of the same sex will share a bedroom unless there is an age difference of 8 years.
- B. Children of the opposite sex, both under the age of 6, will share a bedroom.
- C. Persons of different generations will not be required to share a bedroom.
- D. Foster–adults and children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

The Poughkeepsie Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a disability or a medical reason why the larger size is necessary.

The family unit size will be determined by the Poughkeepsie Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

6.1 BRIEFING

When the Poughkeepsie Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a housing choice voucher all of the adult members of the family are required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;

- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Housing Authority's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Housing Authority's jurisdiction under portability, an explanation of how portability works;
- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families, including maps that show locations of housing opportunities outside areas of poverty or minority concentration, both within and outside its jurisdiction and neighboring its jurisdiction; has assembled information about job opportunities, schools, transportation, and other services in these areas;
- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard when the family initially rents a unit and the fact that the family may have to pay a security deposit from its own funds;
- H. A description of the homeownership program if one exists; and
- I. An explanation of information contained in the Housing Choice Voucher packet.

6.2 PACKET

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

- A. The term of the housing choice voucher and the Housing Authority's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Housing Authority determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard, exception payment standard rent areas, and the utility allowance schedule;
- D. How the Housing Authority determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Authority's jurisdiction, the packet includes an explanation of how

- portability works and a list of names, addresses and phone numbers of contact persons at neighboring housing authorities;
- F. The HUD-required tenancy addendum that provides the language that must be included in any assisted lease, and a sample contract;
 - G. The request for approval of the tenancy form and an explanation of how to request Housing Authority approval of a unit;
 - H. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses;
 - I. The Housing Authority's subsidy standards, including when the Housing Authority will consider granting exceptions to the standards such as a reasonable accommodation to a person with a disability;
 - J. The HUD brochure on how to select a unit ("A Good Place to Live");
 - K. The HUD-required lead-based paint brochure;
 - L. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
 - M. A list of landlords or other parties known to the Poughkeepsie Housing Authority who may be willing to lease a unit to the family or help the family find a unit including owners with properties located outside areas of poverty or minority concentration ;
 - N. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the Poughkeepsie Housing Authority that may be available;
 - O. The family's obligations under the program;
 - P. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction;
 - Q. Poughkeepsie Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing;

R. The Poughkeepsie Housing Authority owner information brochure. This brochure can be given by the applicant to a prospective owner to help explain the program: and

S. A listing or map that delineates areas of poverty or minority concentration in the jurisdiction. Also, applicants shall be given information about job opportunities, schools, and other services in non-concentrated neighborhoods.

6.3 ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the Poughkeepsie Housing Authority will issue the housing choice voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign the request for approval of the tenancy form. The family will submit the request form to the Housing Authority during the term of the housing choice voucher. The Housing Authority will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Authority will schedule an appointment to inspect the unit within 15 calendar days after the receipt of inspection request from the family and owner. The 15-day period is suspended during any period the unit is unavailable for inspection. The Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

During the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner.

6.4 TERM OF THE HOUSING CHOICE VOUCHER

The initial term of the voucher will be 60 calendar days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will never exceed 120 calendar days from the initial date of issuance. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 calendar days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 calendar days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, it will grant the additional search time.

Upon submittal of a completed request for approval of tenancy form, the Poughkeepsie Housing Authority will suspend the term of the housing choice voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 calendar days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

If a family's voucher expires, the family is no longer eligible for housing assistance. They are free to re-apply to the Housing Choice Voucher program and start over again at the bottom of the waiting list. If the waiting list is closed, they must wait until the Poughkeepsie Housing Authority is once again accepting applicants for the Section 8 program. They will be treated exactly like all other new applicants for the program.

6.5 APPROVAL TO LEASE A UNIT

The Poughkeepsie Housing Authority will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The lease is approvable and includes the language of the tenancy addendum;

- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income;
- F. The owner certifies that he or she is not in a conflict of interest situation with the resident.
- G. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- H. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income if the gross rent exceeds the applicable payment standard;
- C. The Housing Authority approves the leasing of the unit; and
- D. The landlord and resident sign the lease to include the HUD required addendum.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Authority will execute the contract. The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 calendar days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Housing Authority will not pay housing assistance to the owner.

6.6 POUGHKEEPSIE HOUSING AUTHORITY DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD (one who has been debarred, suspended, or is subject to a limited denial of participation). The

Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- E. The owner has a history or practice of renting units that fail to meet State or local codes; or
- F. The owner has not paid State or local real estate taxes, fines, or assessments.
- G. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by residents, Poughkeepsie Housing Authority employees or owner employees; or
 - 2. residences by neighbors;
- H. If the owner is the parent, child, grandparent, grandchild, sister, or brother of any member of the family unless the Poughkeepsie Housing Authority determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities;
- I. The Housing Authority has been informed by HUD that the federal government has instituted an administrative or judicial action against the owner for a violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending or a court or administrative agency has determined that the owner violated the Fair Housing Act or other federal equal opportunity requirements; or
- J. Other conflicts of interest under Federal, State, or local law.

6.7 *INELIGIBLE/ELIGIBLE HOUSING*

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;
- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space or units being purchased under a Section 8 Homeownership Program; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The Poughkeepsie Housing Authority will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing
- B. Group homes
- C. Shared housing
- D. Cooperative housing
- E. Single room occupancy housing

The Poughkeepsie Housing Authority will approve leases for the following housing types:

- A. Single family dwellings

- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals

If a property has both HUD issued project-based assisted units and market rate units, housing choice vouchers can be utilized in the market rate units, but not the project-based units. In this situation, rent reasonableness will dictate that the rent for the housing choice voucher unit will equal the HUD-approved rent (the basic rent) for the project-based units as long as it is within the Poughkeepsie Housing Authority's payment standard. Also, the Poughkeepsie Housing Authority's utility schedule will be utilized in setting the rent, not the property's utility schedule. Finally, the Poughkeepsie Housing Authority will re-certify everyone living in a property utilizing tenant-based housing choice vouchers and the landlord will be responsible for the re-certification of those residing in the property using project-based vouchers.

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the participant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted residents in the same complex.

When the resident moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the participant, damages to the unit or for other amounts the family owes under the lease.

The owner must give the participant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the resident in compliance with State law.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

Participating families are allowed to move to another unit after the initial lease months has expired, if the landlord and the participant have mutually agreed to terminate the lease, or if the Housing Authority has terminated the HAP contract. The Poughkeepsie Housing Authority will issue the family a new housing choice voucher if the family does not owe the Poughkeepsie Housing Authority or any other Housing Authority money, has

not violated a Family Obligation, has not moved or been issued a housing choice voucher within the last 12 months, and if the Poughkeepsie Housing Authority has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement will be waived.

7.1 WHEN A FAMILY MAY MOVE

For families already participating in the Housing Choice Voucher Program, the Poughkeepsie Housing Authority will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated;
- B. The owner has given the resident a notice to vacate, has commenced an action to evict the family, or has obtained a court judgment or other process allowing the owner to evict the participant; or
- C. The participant has given notice of lease termination (if the participant has a right to terminate the lease on notice to the owner).

7.2 PROCEDURES REGARDING FAMILY MOVES

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the Poughkeepsie Housing Authority's jurisdiction, will be required to attend a mover's briefing prior to the Poughkeepsie Housing Authority entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income if the gross rent exceeds the applicable payment standard when initially renting a unit;
- E. Portability requirements and opportunities;

- F. The need to have a reexamination conducted within 120 calendar days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 calendar days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the Poughkeepsie Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the Poughkeepsie Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the Poughkeepsie Housing Authority will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the Poughkeepsie Housing Authority, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 GENERAL POLICIES OF THE POUGHKEEPSIE HOUSING AUTHORITY

A family whose head or spouse has a domicile (legal residence) in the jurisdiction of the Poughkeepsie Housing Authority at the time the family first submits its application for participation in the program to the Poughkeepsie Housing Authority may lease a unit anywhere in the jurisdiction of the Poughkeepsie Housing Authority or outside the

Poughkeepsie Housing Authority jurisdiction as long as there is another entity operating a tenant-based Housing Choice Voucher program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence in the jurisdiction of the Poughkeepsie Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Poughkeepsie Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the Poughkeepsie Housing Authority. [THIS PARAGRAPH IS OPTIONAL]

Families participating in the Housing Choice Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the Poughkeepsie Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances the Poughkeepsie Housing Authority may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Housing Choice Voucher Program is being administered.

For income targeting purposes, the family will count towards the initial housing authority's goals unless the receiving housing authority absorbs the family. If absorbed, the admission will count towards the receiving housing authority's goals.

If a family has moved out of their assisted unit in violation of the lease, the Poughkeepsie Housing Authority will not issue a voucher and will terminate assistance in compliance with Section 17.0, Termination of the Lease and Contract.

8.2 INCOME ELIGIBILITY

- A. A family must be income-eligible in the area where the family first leases a unit with assistance in the Housing Choice Voucher Program.
- B. If a portable family is already a participant in the Initial Housing Authority's Housing Choice Voucher Program, income eligibility is not re-determined.

8.3 PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY

- A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.

- B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a housing choice voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.

8.4 PORTABILITY PROCEDURES

- A. When the Poughkeepsie Housing Authority is the Initial Housing Authority:
1. The Poughkeepsie Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
 2. The Poughkeepsie Housing Authority will determine whether the family is income-eligible in the area where the family wants to lease a unit if the family is not already a program participant.
 3. The Poughkeepsie Housing Authority will advise the family how to contact and request assistance from the Receiving Housing Authority by giving them the name and telephone number of the person responsible for working with incoming portability families and any procedures related to getting an appointment for the issuance of a voucher.
 4. The Poughkeepsie Housing Authority will, within ten (10) calendar days, notify the Receiving Housing Authority to expect the family via telephone, fax or email.
 5. The Poughkeepsie Housing Authority will immediately mail or fax the Receiving Housing Authority a completed Part I of HUD Form 52665, the most recent HUD Form 50058 (Family Report) for the family, and related verification information. If the family is an applicant and not a participant, the Poughkeepsie Housing Authority will provide the Receiving Housing Authority with the family information and income information in a format similar to that utilized by the 50058.
- B. When the Poughkeepsie Housing Authority is the Receiving Housing Authority:
1. When the portable family requests assistance from the Poughkeepsie Housing Authority, the Poughkeepsie Housing Authority will within fourteen (14) calendar days of HAP contract execution (not its effective date) inform the Initial Housing Authority that it will absorb the family into its program or notify the Initial Housing Authority within the time limit set forth in Part I of the 52665 that it will bill the Initial Housing Authority for assistance on behalf of the portable family. Completing Part

II of HUD Form 52665 in a timely manner will accomplish this. If the family is absorbed, the Poughkeepsie Housing Authority will also send the Initial Housing Authority a new HUD Form 50058.

2. The Poughkeepsie Housing Authority will issue a voucher to the family within fourteen (14) calendar days as long as the initial voucher has not expired (if it has expired, the family shall be referred back to the Initial Housing Authority). The term of the Poughkeepsie Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's housing choice voucher. The Poughkeepsie Housing Authority will determine whether to extend the housing choice voucher term. The decision to extend will take into account the Poughkeepsie Housing Authority's existing absorption policy and the billing deadline provided by the Initial Housing Authority in the 52665. The family must submit a request for tenancy approval to the Poughkeepsie Housing Authority during the term of the Poughkeepsie Housing Authority's housing choice voucher. If the Poughkeepsie Housing Authority has decided to bill the Initial Housing Authority, the request for tenancy approval must be processed in enough time for the Initial Housing Authority to process a Request for Lease Approval and execute a HAP contract.
3. The Poughkeepsie Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the Poughkeepsie Housing Authority's subsidy standards.
4. The Poughkeepsie Housing Authority will notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the housing choice voucher. In any event the Poughkeepsie Housing Authority will notify the Initial Housing Authority of what is occurring before the expiration of the deadline established in the HUD Form 52665. If the family has leased a unit, the Poughkeepsie Housing Authority will notify the Initial Housing Authority of this fact in enough time for the Initial Housing Authority to process a Request for Lease Approval and execute a HAP contract if the Poughkeepsie Housing Authority intends to bill the Initial Housing Authority.
5. In order to provide tenant-based assistance for portable families, the Poughkeepsie Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the Poughkeepsie Housing Authority may make a determination to deny or terminate assistance to the family. If assistance is denied or terminated, the family shall have a right to an informal hearing.

6. The Poughkeepsie Housing Authority may deny or terminate assistance for family action or inaction in accordance with 24 CFR 982.552 and 24 CFR 982.553.

7. Although the Poughkeepsie Housing Authority will promptly issue a voucher to an incoming portability family, it will still subject the families to its normal screening procedures. If the family fails to pass the screening thresholds either the voucher will be revoked or the family will be terminated from the program if a unit has already been leased. [THIS IS OPTIONAL]

C. Absorption by the Poughkeepsie Housing Authority

If funding is available under the consolidated ACC for the Poughkeepsie Housing Authority's Housing Choice Voucher Program when the portable family is received, the Poughkeepsie Housing Authority may absorb the family into its Housing Choice Voucher Program. The decision to absorb or not will be made on a case-by-case basis and will solely be the decision of the Poughkeepsie Housing Authority. If absorbed, the family is assisted with funds available under the consolidated ACC for the Poughkeepsie Housing Authority's Tenant-Based Program.

D. Portability Billing

To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees as long as all HUD required deadlines have been compiled with. The billing procedure will be as follows:

1. As the Initial Housing Authority, the Poughkeepsie Housing Authority will within thirty (30) calendar days of receipt of the completed Part II of the HUD Form 52665 reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family in a form and manner the Receiving Housing Authority is able and willing to accept. Payments made after the first payment shall be sent in time for the Receiving Housing Authority to receive the payment no later than the fifth working day of the month. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.

2. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going

administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

F. On-going Responsibilities as a Receiving Housing Authority

When the Poughkeepsie Housing Authority is a receiving agency it will:

1. Send the Initial Housing Authority an updated HUD Form 50058 at each annual recertification so the Initial Housing Authority can reconcile it with its records.
2. Send the Initial Housing Authority a copy of any new HUD Forms 52665s to report any change in the billing amount with ten (10) working days of the effective date of any change in the billing amount.
3. If the Poughkeepsie Housing Authority decides to absorb a family it had previously been billing for, it shall notify the Initial Housing Authority within ten (10) working days following the effective date of the termination of the billing arrangement.
4. If the family decides it wants to move to yet another jurisdiction, the Initial Housing Authority shall be promptly notified and requested to send a new HUD Form 52665 and supporting documentation to the new Receiving Housing Authority.

~~A family whose head or spouse has a domicile (legal residence) in the jurisdiction of the Poughkeepsie Housing Authority at the time the family first submits its application for participation in the program to the Poughkeepsie Housing Authority may lease a unit anywhere in the jurisdiction of the Poughkeepsie Housing Authority or outside the Poughkeepsie Housing Authority jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.~~

~~If the head or spouse of the assisted family does not have a legal residence in the jurisdiction of the Poughkeepsie Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the Poughkeepsie Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted~~

~~to the program. During this period, the family may only lease a unit located in the jurisdiction of the Poughkeepsie Housing Authority.~~

~~Families participating in the Housing Choice Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the Poughkeepsie Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances the Poughkeepsie Housing Authority may consider allowing more than one move in a 12-month period.~~

~~Families may only move to a jurisdiction where a Section 8 Program is being administered.~~

~~If a family has moved out of their assisted unit in violation of the lease, the Poughkeepsie Housing Authority will not issue a voucher, and will terminate assistance in compliance with Section 17.0, Grounds for Termination of the Lease and Contract.~~

~~8.2 — INCOME ELIGIBILITY~~

~~A. — A family must be income eligible in the area where the family first leases a unit with assistance in the Housing Choice Voucher Program.~~

~~B. — If a portable family is already a participant in the Initial Housing Authority's Housing Choice Voucher Program, income eligibility is not re-determined.~~

~~8.3 — PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY~~

~~A. — When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.~~

~~B. — A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a housing choice voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.~~

~~8.4 — PORTABILITY PROCEDURES~~

~~A. — When the Poughkeepsie Housing Authority is the Initial Housing Authority:~~

- ~~1. — The Poughkeepsie Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.~~

- ~~2. The Poughkeepsie Housing Authority will determine whether the family is income eligible in the area where the family wants to lease a unit (if applicable).~~
- ~~3. The Poughkeepsie Housing Authority will advise the family how to contact and request assistance from the Receiving Housing Authority.~~
- ~~4. The Poughkeepsie Housing Authority will, within ten (10) calendar days, notify the Receiving Housing Authority to expect the family.~~
- ~~5. The Poughkeepsie Housing Authority will immediately mail to the Receiving Housing Authority the most recent HUD Form 50058 (Family Report) for the family, and related verification information.~~

~~B. When the Poughkeepsie Housing Authority is the Receiving Housing Authority:~~

- ~~1. When the portable family requests assistance from the Poughkeepsie Housing Authority, the Poughkeepsie Housing Authority will within ten (10) calendar days inform the Initial Housing Authority whether it will bill the Initial Housing Authority for assistance on behalf of the portable family, or absorb the family into its own program. When the Poughkeepsie Housing Authority receives a portable family, the family will be absorbed if funds are available and a housing choice voucher will be issued.~~
- ~~2. The Poughkeepsie Housing Authority will issue a voucher to the family. The term of the Poughkeepsie Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's housing choice voucher. The Poughkeepsie Housing Authority will determine whether to extend the voucher term. The family must submit a request for tenancy approval to the Poughkeepsie Housing Authority during the term of the Poughkeepsie Housing Authority's housing choice voucher.~~
- ~~3. The Poughkeepsie Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the Poughkeepsie Housing Authority's subsidy standards.~~
- ~~4. The Poughkeepsie Housing Authority will within ten (10) calendar days notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the housing choice voucher.~~
- ~~5. If the Poughkeepsie Housing Authority opts to conduct a new reexamination, the Poughkeepsie Housing Authority will not delay issuing~~

~~the family a housing choice voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility.~~

- ~~6. In order to provide tenant based assistance for portable families, the Poughkeepsie Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the Poughkeepsie Housing Authority may make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.~~

~~C. Absorption by the Poughkeepsie Housing Authority~~

- ~~1. If funding is available under the consolidated ACC for the Poughkeepsie Housing Authority's Housing Choice Voucher Program when the portable family is received, the Poughkeepsie Housing Authority will absorb the family into its Housing Choice Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the Poughkeepsie Housing Authority's Tenant Based Program.~~

~~D. Portability Billing~~

- ~~1. To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:
 - ~~a. As the Initial Housing Authority, the Poughkeepsie Housing Authority will promptly reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.~~
 - ~~b. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on going administrative fee for each unit month that the family receives assistance under the tenant based programs and is assisted by the Receiving Housing Authority. If both Housing Authorities agree, we may negotiate a different amount of reimbursement.~~~~

~~E. When a Portable Family Moves~~

~~When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.~~

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS AND DEDUCTIONS FROM INCOME

To determine annual income, the Poughkeepsie Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Poughkeepsie Housing Authority subtracts out all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

A. Annual income means all amounts, monetary or not, that:

1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
3. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the Poughkeepsie Housing Authority believes that past income is the best available indicator of expected future income, the Poughkeepsie Housing Authority may annualize the income anticipated for a shorter period subject to a redetermination at the end of the shorter period.

B. Annual income includes, but is not limited to the amounts specified in the federal regulations currently found in 24 CFR 5.609:

1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.

2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD. Income that could have been derived from assets worth more than \$1000 that were disposed of for less than fair market value within the past two years will be counted as income.
4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
6. Welfare assistance.
 - a. Welfare assistance payments

- i. Welfare assistance payments made under the Temporary Assistance for Needy Families (TANF) program are included in annual income only to the extent such payments:
 - (1). Qualify as assistance under the TANF program definition at 45 CFR 260.31; and
 - (2). Are not otherwise excluded under paragraph Section 9.3 of this Plan.
 - ii. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - (1). The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - (2). The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
- b. Imputed welfare Income
- i. A family's annual income includes the amount of imputed welfare income (because of welfare benefits reductions resulting from either welfare fraud or the failure to comply with economic self-sufficiency requirements, as specified in notice to the Poughkeepsie Housing Authority by the welfare agency), plus the total amount of other annual income.
 - ii. At the request of the Poughkeepsie Housing Authority, the welfare agency will inform the Poughkeepsie Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member,

and the reason for such reduction, and will also inform the Poughkeepsie Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The Poughkeepsie Housing Authority will use this information to determine the amount of imputed welfare income for a family.

- iii. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the Poughkeepsie Housing Authority by the welfare agency).
- iv. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income reduced to zero.
- v. The Poughkeepsie Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- vi. If a participant is not satisfied that the Poughkeepsie Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the Poughkeepsie Housing Authority denies the family's request to modify such amount, then the Poughkeepsie Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the Poughkeepsie Housing Authority's determination of the amount of imputed welfare income. The Poughkeepsie Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may contest the decision in accordance with our informal review policy.
- vii. Relations with Welfare Agencies
 - a. The Poughkeepsie Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the

reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the Poughkeepsie Housing Authority written notice of such reduction, the family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- b. The Poughkeepsie Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the agency. However, the Poughkeepsie Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
 - c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The Poughkeepsie Housing Authority shall rely on the welfare agency notice to the Poughkeepsie Housing Authority of the welfare agency's determination of specified welfare benefits reduction.
- 7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
 - 8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

10.0 VERIFICATION

The Poughkeepsie Housing Authority will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members 18 years of age and older, Social Security Numbers,

citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

10.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

a. Tenant Assessment Subsystem (TASS) – HUD's online system for Social Security (SS) and Supplemental Security Income (SSI) information.

b. State Wage Information Collection Agencies (SWICAs)

c. State systems for the Temporary Assistance for Needy Families (TANF) program

d. Credit Bureau Information (CBA) credit reports

e. Internal Revenue Service (IRS) Letter 1722

f. Private sector databases (e.g. The Work Number)

The Poughkeepsie Housing Authority will use additional UIV resources as they become available.

It is important to note that UIV data will only be used to verify an applicant or resident's eligibility for participation in a rental assistance program and to determine the level of assistance the resident is entitled to

receive and only by properly trained persons¹ whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a resident until the Poughkeepsie Housing Authority has independently verified the UIV information and the resident has been granted an opportunity to contest any adverse findings through the established grievance procedure.

Furthermore, the information the Poughkeepsie Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

2. Third –Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i.e., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's on-line systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Poughkeepsie Housing Authority will allow three (3) weeks for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Poughkeepsie Housing Authority will allow two (2) business days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the three (3) week and two (2) business days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration

When UIV, written and oral third party verifications are not available within the three (3) week and two (2) business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Poughkeepsie Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

~~Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.~~

~~Other information will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the Poughkeepsie Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/participant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.~~

~~When third party verification cannot be obtained, the Poughkeepsie Housing Authority will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the Poughkeepsie Housing Authority has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.~~

~~When neither third party verification nor hand-carried verification can be obtained, the Poughkeepsie Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.~~

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/ eligible noncitizen status of each family member regardless of age must

be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as birth certificate, military ID or military DD 214 Form.)

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Poughkeepsie Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The Poughkeepsie Housing Authority also will verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Poughkeepsie Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible noncitizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program. If they are members of families that include citizens, the rent must be pro-rated.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the Poughkeepsie Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the Poughkeepsie Housing Authority will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If individuals state that they do not have a Social Security Number they will be required to sign a statement to this effect. An adult must sign for minor children. The Poughkeepsie Housing Authority will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a participating family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall up to 60 calendar days to provide the verification. If the individual is at least 62 years of age, they will be given 120 calendar days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within 90 calendar days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF OBTAINING VERIFICATION

Household income and composition will be verified at least annually.

For each family member, citizenship/eligible noncitizen status will be verified only once unless the family member is an eligible immigrant in a transitional stage of admission. In this situation, their status must be updated until they are admitted for permanent residency. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

[Reserved]

11.2 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;
- B. If 60 calendar days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Housing Authority or HUD directs that reasonableness be re-determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Housing Authority will compare the rent for the unit to the rent of comparable units in the same or comparable neighborhoods. The Housing Authority will consider the location, type, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units. The results of this determination shall be documented in the participant's file.

The Housing Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroom size. To the base the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 MAXIMUM SUBSIDY

The payment standard adopted by the Poughkeepsie Housing Authority or one over 110% of the Fair Market Rent that has been approved by HUD determines the maximum subsidy for a family.

For the Housing Choice Voucher Program, the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the maximum subsidy may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

The Statute requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR without HUD's prior approval. The Poughkeepsie Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The Poughkeepsie Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of housing choice voucher holders in finding units, and the percentage of annual income families are paying for rent under

the Housing Choice Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units located only in poverty-impacted neighborhoods, or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships. The objective is to allow families a reasonable selection of modest, decent, and safe housing in a range of neighborhoods.

The Poughkeepsie Housing Authority may establish a higher payment standard (although still within 100% of the published fair market rent) as a reasonable accommodation for a family that includes people with disabilities. With approval of the HUD Field Office, the payment standard can go to 120%.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The Poughkeepsie Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the housing choice voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.
- B. If the unit rented by a family is located in an exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or

2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.4.3 Area Exception Rents

In order to help families find housing outside areas of high poverty or when housing choice voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

11.5 ASSISTANCE AND RENT FORMULAS

A. Total Tenant Payment

The total tenant payment is equal to the highest of:

1. 10% of the family's monthly income
2. 30% of the family's adjusted monthly income
3. The Minimum rent
4. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the

standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage.

Plus any rent above the payment standard.

B. Minimum Rent.

The Poughkeepsie Housing Authority has set the minimum rent as \$0. However, if the family requests a hardship exemption, the Poughkeepsie Housing Authority will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program including a family that includes a member who is a noncitizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - b. When the family would be evicted because it is unable to pay the minimum rent;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - d. When a death has occurred in the family.
2. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
3. Temporary hardship. If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 calendar days from the month following the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension.

The Housing Authority will offer a reasonable repayment agreement for any minimum rent back payment paid by the Housing Authority on the family's behalf during the period of suspension.

4. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
5. Appeals. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Preservation Vouchers

1. Payment Standard

- a. The payment standard is the lower of:
 - i. The payment standard amount for the appropriate family unit size; or
 - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
- b. If the dwelling unit is located in an exception area, the Poughkeepsie Housing Authority will use the appropriate payment standard for the exception area.
- c. During the HAP contract term, the payment standard for the family is the higher of :
 - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which the initial rent to the owner exceeds the current rent to the owner; or
 - ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the

HAP contract term, and for any examination thereafter during the term:

- i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.
2. The Poughkeepsie Housing Authority will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
- a. The payment standard minus the total tenant payment; or
 - b. The gross rent minus the total tenant payment.

D. Manufactured Home Space Rental: Section 8 Vouchers

1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
2. The space rent is the sum of the following as determined by the Housing Authority:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for participant paid utilities.
3. The participant pays the rent to owner less the HAP.
4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or
 - b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

E. Rent for Families under the Noncitizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

1. The family was receiving assistance on June 19, 1995;

2. The family was granted continuation of assistance before November 29,1996;
3. The family's head or spouse has eligible immigration status; and
4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).
3. The prorated resident rent equals the prorated family share minus the full utility allowance.

11.6 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone and cable television), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the Poughkeepsie Housing Authority.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the participant. Any savings resulting from utility costs below the amount of the allowance belong to the participant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made within **5** business days of when due after the first two months of the HAP contract term, the owner may charge the Poughkeepsie Housing Authority a late payment, agreed to in the Contract and in accordance with generally accepted practices in the Poughkeepsie jurisdiction if the following conditions apply:

- A. It is the owner's practice to charge such penalties for assisted and unassisted residents; and
- B. The owner also charges such penalties against the resident for late payment of family rent to the owner.

Late charges will not be paid when the reason for the lateness is attributable to factors beyond the control of the Poughkeepsie Housing Authority.

A housing assistance payment is considered made upon being mailed by the Poughkeepsie Housing Authority.

Unless otherwise terminated, the housing assistance payment contract shall end 180 calendar days after the last housing assistance payment is made.

11.8 CHANGE OF OWNERSHIP

The Poughkeepsie Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the Poughkeepsie Housing Authority's rent payment or the address as to where the rent payment should be sent.

In addition, the Poughkeepsie Housing Authority requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The Poughkeepsie Housing Authority may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The Poughkeepsie Housing Authority will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The Poughkeepsie Housing Authority must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family can not be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the Poughkeepsie Housing Authority will only schedule one more inspection. If the family misses two inspections, the Poughkeepsie Housing Authority will consider the family to have violated a Family Obligation and their assistance will be terminated.

12.1 TYPES OF INSPECTIONS

There are seven types of inspections the Poughkeepsie Housing Authority will perform:

- A. Initial Inspection - An inspection that must take place to insure that the unit passes HQS before assistance can begin.
- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e. HUD, needing to view the unit.
- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.
- G. Quality Control Inspection - Supervisory inspections based on at least the minimum number required by the Section 8 Management Assessment Program (SEMAP).

12.2 OWNER AND FAMILY RESPONSIBILITY

- A. Owner Responsibility for HQS
 - 1. The owner must maintain the unit in accordance with HQS.
 - 2. If the owner fails to maintain the dwelling unit in accordance with HQS, the Poughkeepsie Housing Authority will take prompt and vigorous action to enforce the owner obligations. The Poughkeepsie Housing Authority's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
 - 3. The Poughkeepsie Housing Authority will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the Poughkeepsie Housing Authority and the Poughkeepsie Housing Authority verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within no more than 30 calendar days (or

any Poughkeepsie Housing Authority approved extension). If the required repair is not made in a timely manner, the rent shall be abated beginning with the next rent check. If 2 consecutive checks are abated, the assistance shall be cancelled.

4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, the Poughkeepsie Housing Authority may terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the resident;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the participant; or
 - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family-caused defects, the family must correct the defect within no more than 30 calendar days (or any Poughkeepsie Housing Authority approved extension).
3. If the family has caused a breach of the HQS, the Poughkeepsie Housing Authority will take prompt and vigorous action to enforce the family obligations. The Poughkeepsie Housing Authority may terminate assistance for the family in accordance with 24 CFR 982.552.

Windows that are nailed shut are acceptable only if these windows are not needed for ventilation or as an alternate exit in case of fire.
- d. The exterior doors of the dwelling unit must be lockable. Exterior doors are doors by which someone can enter or exit the dwelling unit.

D. Thermal Environment

1. Performance Requirement

The dwelling unit must have and be capable of maintaining a thermal environment healthy for the human body.

2. Acceptability Criteria

- a. There must be a safe system for heating the dwelling unit (and a safe cooling system, where present). The system must be in proper operating condition. The system must be able to provide adequate heat (and cooling, if applicable), either directly or indirectly, to each room, in order to assure a healthy living environment appropriate to the climate.
- b. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Electric heaters are acceptable.

E. Illumination and Electricity

- d. The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable.
- e. Elevators must be working and safe.

G. Interior Air Quality

1. Performance Requirement

The dwelling unit must be free of pollutants in the air at levels that threaten the health of the occupants.

I. Lead-based Paint

1. Performance Requirement

The Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and implementing regulations at part 35, subparts A, B, M, and R of this title apply to units assisted under this part.

2. Acceptability Criteria

The requirements apply to dwelling units built prior to 1978 that are occupied or can be occupied by families with children under six years of age, excluding zero bedroom dwellings.

During initial and annual inspections of pre-1978 units that are occupied or will be occupied by families with children under 6 years of age, the inspector must conduct a visual assessment for deteriorated paint surfaces and the owner must stabilize deteriorated surfaces. Applicable areas include painted surfaces within the dwelling unit, exterior painted surfaces associated with the dwelling unit, and common areas of the building through which residents must pass to gain access to the unit and areas frequented by resident children under six years of age, including play areas and child care facilities.

For units occupied by environmental intervention blood lead level (lead poisoned) children under six years of age, a risk assessment must be conducted (paid for by the PHA), and the owner must complete hazard reduction activities if lead hazards are identified during the risk assessment.

J. Access

1. Performance Requirements

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirements

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance

with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).

- b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992, (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

12.4 LEAD-BASED PAINT REQUIREMENTS AND RESPONSIBILITIES

A. Exempt Units

The following units are exempt from this policy as it relates to lead-based paint requirements:

1. Units built after December 31, 1977;
2. Zero (0) bedroom and Single Room Occupancy (SRO) units;
3. Housing built for the elderly or persons with disabilities, unless a child of under age six (6) resides or is expected to reside in such housing;
4. Properties for which a paint inspection was completed in accordance with the new regulations that became effective on September 15, 2000, and are certified to have no lead-based paint;
5. Properties in which all lead-based paint was identified, was removed, and that received clearance in accordance with the new regulations which became effective on September 15, 2000.

B. Non-Exempt or Covered Units

For dwellings built before January 1, 1978, and occupied or to be occupied by assisted families with one or more children under age six (6), lead-based paint requirements apply to:

1. The unit interior and exterior paint surfaces associated with the assisted unit: and
2. The common areas servicing the unit, including those areas through which residents must pass to gain access to the unit, and other areas frequented by resident children less than six (6) such as play areas, and child care facilities. Common areas also include garages and fences on the assisted property.

C. Responsibilities of the Poughkeepsie Housing Authority and the Owner

The Poughkeepsie Housing Authority is responsible for the following activities:

1. The visual assessment for deteriorated paint (i.e., peeling, chipping, flaking) surfaces at initial and annual inspections;
2. Assuring that clearance examinations are conducted when required;
3. Carrying out special requirements for children under age six who have environmental intervention blood lead levels as verified by a medical health care provider;
4. Collecting data from the local health department on program participants under age six who have identified environmental intervention blood lead levels; and
5. Record keeping.

Owners of units to be or that are assisted have the responsibility to:

1. Disclose known lead-based paint hazards to all potential residents prior to execution of a lease;
2. Provide all prospective families with a copy of Protect Your Family From Lead in Your Home or other EPA approved document;
3. When necessary, perform paint stabilization to correct deteriorated paint;
4. Each time paint stabilization is performed, notify the resident about the conduct of lead hazard reduction activities and clearance (if required);
5. Conduct lead hazard reduction activities when required by the Poughkeepsie Housing Authority;
6. Perform all work in accordance with HUD prescribed safe work practices and conduct clearance activities when required; and

7. Perform ongoing maintenance. As part of ongoing maintenance, the owner must provide written notice to each assisted family asking the occupants to report deteriorated paint. The notice must include the name, address, and phone number of the person responsible for accepting the occupant's complaint.

Before the execution of the lease the owner is required to disclose any knowledge of lead-based paint or lead-based paint hazards in housing built prior to 1978 to all prospective residents. The Poughkeepsie Housing Authority will keep a copy of the disclosure notice executed by the owner and resident in the participant's file. The owner will keep the original disclosure notice and forward a copy of the notice to the Poughkeepsie Housing Authority.

D. Qualified Inspector

An HQS inspector may conduct the inspection or other party designated by the Poughkeepsie Housing Authority. All inspectors must have been trained in visual assessment in accordance with procedures established by HUD.

E. Visual Assessment for Deteriorated Paint

The Poughkeepsie Housing Authority during the conduct of initial, annual and any special inspections of pre-1978 units that are occupied or will be occupied by families with children under 6 years of age. The Poughkeepsie Housing Authority will conduct a visual inspection for deteriorated paint surfaces at these locations:

1. All unit interior and exterior painted surfaces associated with the assisted unit; and
2. Common areas such as common hallways, access and egress areas, playgrounds, child-care facilities, or other areas including fences and garages frequented by children under age six.

F. Stabilization of Deteriorated Paint Surfaces

When the HQS Inspector or other designated party identifies deteriorated paint surfaces (defined as interior or exterior paint or other coating that is peeling, chipping, flaking, cracking, is otherwise damaged or has separated from the substrate of the surface or fixture), the Poughkeepsie Housing Authority will notify and require the owner to perform stabilization of the surfaces within thirty (30) calendar days of the notification by the Poughkeepsie Housing Authority's inspection for occupied units and before commencement of any assisted tenancy.

Owner requirements for compliance with the Poughkeepsie Housing Authority's paint stabilization differ, depending upon the amount of deteriorated paint surface to be corrected. The use of lead-safe work practices during paint stabilization activities are differentiated characterized as above or below de minimis levels.

De minimis deteriorated paint surfaces are exceeded when one of the following occurs:

1. 20 square feet on exterior surfaces;
2. 2 square feet on an interior surface in a single room or interior space; or
3. 10 percent of individual small components (e.g., windowsills) on the interior or exterior.

Owners must perform paint stabilization on all deteriorated paint surfaces. Paint stabilization is defined as:

1. Repair of any physical defect in the substrate of the painted surface or building component. Examples of defective substrate conditions include dry-rot, rust, moisture-related defects, crumbling plaster, missing siding, or other components not securely fastened;
2. Removal of all loose paint and other loose material from the surface being treated; and
3. Application of a new protective coat of paint to the stabilized surface.

In no instance may an owner employ any paint stabilization methods that are strictly prohibited by federal, state, or local law such as:

1. Open flame burning and torching;
2. Machine-sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control;
3. Heat guns operating above 1,100 degrees Fahrenheit;
4. Abrasive blasting or sandblasting with HEPA exhaust control;
5. Dry sanding and scraping except limited conditions stated above for limited areas; and
6. Paint stripping in poorly ventilated space using a volatile stripper or a hazardous chemical as defined by Occupational Safety and Health Administration (OSHA).

Failure to comply with paint stabilization requirements, regardless of the amount of deteriorated surface, will result in the disapproval of the tenancy, abatement of payment to the owner, and/or termination of the HAP contract.

In addition, in order to be in compliance with HUD lead-based paint requirements if the deteriorated paint surface exceeds the de minimis level, the owner must:

1. Conduct all stabilization activities with trained staff;
2. Employ acceptable methods for preparing the surface to be treated, including wet scraping, wet sanding, and power sanding performed in conjunction with a HEPA filtered local exhaust attachment operated according to manufacturer's instruction;
3. Not dry sand or dry scrape within one (1) square foot of electrical outlets;
4. Protect the occupants and their belongings from contamination;
5. Notify the occupants within fifteen (15) calendar days of stabilization activity and provide the results of the clearance examination.

Clearance Activities:

The Poughkeepsie Housing Authority will be responsible for clearance activities. All clearance activities will be performed by persons who have EPA or state-approved training and are licensed or certified to perform clearance examinations.

The Poughkeepsie Housing Authority will pay for the costs of the first clearance examination. If further clearance examinations are required, the owner is responsible to cover the costs of subsequent tests.

The owner must provide the Poughkeepsie Housing Authority with an executed copy of the Lead-Based Paint Owner's Certification for the HQS violation for paint stabilization to be considered closed.

Below de minimis deteriorated paint surfaces:

If the amount of deteriorated paint is below the de minimis level, owners will not be required to perform lead-safe work practices and clearance, but owners must perform paint stabilization as follows:

1. Repair of any physical defect in the substrate of the painted surface or building component. Examples of defective substrate conditions include dry-rot, rust,

moisture-related defects, crumbling plaster, missing siding, or other components not securely fastened;

2. Removal of all loose paint and other loose material from the surface being treated; and
3. Application of a new protective coat of paint to the stabilized surface.

In no instance may an owner employ any paint stabilization methods that are strictly prohibited by federal, state, or local law such as:

1. Open flame burning and torching;
2. Machine-sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control;
3. Heat guns operating above 1,100 degrees Fahrenheit;
4. Abrasive blasting or sandblasting with HEPA exhaust control;
5. Dry sanding and scraping except limited conditions stated above for limited areas; and
6. Paint stripping in poorly ventilated space using a volatile stripper or a hazardous chemical as defined by Occupational Safety and Health Administration (OSHA).

Failure to comply with paint stabilization requirements, regardless of the amount of deteriorated surface, results in disapproval of the tenancy, abatement of payment to the owner, and/or termination of the HAP contract.

Clearance Activities:

The owner must provide the Poughkeepsie Housing Authority with an executed copy of the Lead-Based Paint Owner's Certification for the HQS violation for paint stabilization to be considered closed.

G. Requirements for Children with Environmental Intervention Blood Lead Level

Should the Poughkeepsie Housing Authority receive information regarding an environmental intervention blood lead level child under age six from the family, owner, or other sources not associated with the medical health community, the Poughkeepsie Housing Authority will immediately verify the information with a public health department or other medical health care provider.

If either the public health department or private medical health agency provides verification that the child has an environmental intervention blood lead level, the Poughkeepsie Housing Authority will proceed to complete a risk assessment of the unit, common areas and exterior surfaces as outlined in Subsection H below. This requirement does not apply if the public health department has already conducted an evaluation between the date the child's blood was last sampled and the receipt of notification of the child's condition.

If the Poughkeepsie Housing Authority receives a report of an environmental intervention blood lead level child from any source other than the public health department, the Poughkeepsie Housing Authority will notify the public health department with five (5) working days.

HUD has defined environmental intervention blood lead level as a confirmed concentration of lead in whole blood equal or greater than 20 ug/dL (micrograms of lead per deciliter) for a single test or 15-19 ug/dL in two tests taken at least three (3) months apart in children under age six.

H. Risk Assessment

Within fifteen (15) calendar days of the notification to the Poughkeepsie Housing Authority by a public health department or medical health care provider, the Poughkeepsie Housing Authority will complete a risk assessment of the dwelling unit, including common areas servicing the dwelling unit, if the child lived in the unit at the time the child's blood was sampled. If the public health department has already conducted an evaluation between the date the child's blood was last sample and the receipt of notification of the child's condition, the risk assessment by the Poughkeepsie Housing Authority is not required.

The Poughkeepsie Housing Authority will only utilize persons trained and certified by an EPA or state-approved agency to perform risk assessments. The risk assessment will identify the appropriate method of correction if correction is required.

The risk assessment will involve an on-site investigation to determine the existence, nature, severity, and location of lead-based paint hazards. The investigation will include dust and soil sampling, visual evaluation, and may include paint inspections (tests for lead in paint). The assessor will issue a report to the housing authority explaining the results of the investigation, as well as option and requirements for reducing lead-based paint hazards. Upon receipt of the risk assessment, the Poughkeepsie Housing Authority shall immediately notify the owner of its results.

The owner must notify the building residents of the results of the risk assessment within fifteen (15) calendar days of receipt of the risk assessment results from the Poughkeepsie Housing Authority.

I. Hazard Reduction

The owner must complete reduction of identified lead-based paint hazards as identified in the risk assessment as outlined in Subsection H of this Section within thirty (30) calendar days (or date specified by the Poughkeepsie Housing Authority if an extension is granted for exterior surfaces).

Hazard reduction activities may include paint stabilization, abatement, interim controls, or dust and soil contamination control. The appropriate method of correction will be identified in the risk assessment.

Hazard reduction will be considered complete by the Poughkeepsie Housing Authority when a clearance examination has been completed and the report indicates that all identified hazards have been treated and clearance has been achieved, or when the public health department certifies that the hazard reduction is complete.

The owner must notify all building residents of any hazard reduction activities within fifteen (15) calendar days of completion of activities.

Like paint stabilization compliance, when the Poughkeepsie Housing Authority receives the owner's certification, this will signal compliance with lead hazard reduction activities.

Failure by the owner to complete hazard reduction activities (including clearance) within thirty (30) calendar days (or later if the Poughkeepsie Housing Authority grants an extension for exterior surfaces) of notification constitutes a violation of HQS, and appropriate action against the owner will be taken if a program family occupies the unit. If the unit is vacant when the Poughkeepsie Housing Authority notifies the owner, the unit may not be reoccupied by another assisted family, regardless of the ages of children in the family, until compliance with the lead-based paint requirement is completed.

J. Poughkeepsie Housing Authority Data Collection and Record Keeping

Quarterly, the Poughkeepsie Housing Authority will attempt to obtain from the public health department having jurisdiction in the same area as the Poughkeepsie Housing Authority, the names and addresses of children under age six with an identified environmental intervention blood lead level.

The Poughkeepsie Housing Authority will match information received from the health department with information about program families. If a match occurs, the Poughkeepsie Housing Authority will follow all procedures for notifying owners and conducting risk assessments as stated above.

Quarterly, the Poughkeepsie Housing Authority will report a list of addresses of units occupied by children under age six, receiving assistance to the public health department, unless the health department indicates in writing that such a report is not necessary.

The Poughkeepsie Housing Authority will inform owners of lead-based paint regulations especially those related to prohibited and safe work practices, resident protection during lead-based paint activities, and notification requirements. This will be accomplished through written material provided by the Poughkeepsie Housing Authority.

The Poughkeepsie Housing Authority is responsible for issuing and maintaining in the file the notification to the owner of any needed corrections and appropriate methods to correct lead hazards, and of the deadline for completing the corrections.

12.5 EXCEPTIONS TO THE HQS ACCEPTABILITY CRITERIA

The Poughkeepsie Housing Authority will utilize the acceptability criteria as outlined above with applicable State and local codes. Additionally, the Poughkeepsie Housing Authority has received HUD approval to require the following additional criteria:

- A. In each room, there will be at least one exterior window that can be opened and that contains a screen.
- B. Adequate heat shall be considered to be 68 degrees.
- C. In units where the resident must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption.
- D. A ¾" overflow pipe must be present on the hot water heater safety valves and installed down to within 6 inches of the floor.

12.6 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

- A. Correcting Initial HQS Fail Items

The Poughkeepsie Housing Authority will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 5 working days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS, the owner and the participant will be advised to notify the Poughkeepsie Housing Authority to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given up to 30 calendar days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family's health or safety (using the emergency item in Section 12.7), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 calendar days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the Poughkeepsie Housing Authority will abate payment and terminate the contract in accordance with Sections 12.8 and 17.0.

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the Poughkeepsie Housing Authority will terminate assistance for the family in accordance with Sections 12.2(B) and 17.0.

C. Time Frames for Corrections

1. Emergency repair items must be abated within 24 hours.
2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 10 calendar days of the initial inspection.
4. For major repairs, the owner will have up to 30 calendar days to complete.

D. Extensions

At the sole discretion of the Poughkeepsie Housing Authority, extensions of up to 30 calendar days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 60 calendar days after the initial inspection date, the Poughkeepsie Housing Authority will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted if a severe weather

condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.7 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water
- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas, propane, or LP gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking
- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety

12.8 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within the required timeframe, the rent for the dwelling unit will be abated as of the first day of the next month.

If the corrections of deficiencies are not made, the abatement will continue until the HAP contract is terminated. When the deficiencies are corrected, the Poughkeepsie Housing Authority will end the abatement the day the unit passes inspection. Rent will resume the as of the first day of the next month and be paid the first day of the next month.

For participant caused HQS deficiencies, the owner will not be held accountable and the rent will not be abated. The participant is held to the same standard and timeframes for correction of deficiencies as owners. If repairs are not completed by the deadline, the Poughkeepsie Housing Authority will send a notice of termination to both the participant and the owner. The participant will be given the opportunity to request an informal hearing.

HAP contracts will be terminated after giving the owner thirty (30) calendar days notice from the first day of a month. It will be sent with the Notice of Abatement. Termination will end any abatement action.

13.0 RESERVED

14.0 RECERTIFICATION

14.0.1 CHANGES IN LEASE OR RENT

If the participant and owner agree to any changes in the lease, all changes must be in writing, and the owner must immediately give the Poughkeepsie Housing Authority a copy of the changes. The lease, including any changes, must be in accordance with this Administrative Plan.

Owners must notify the Poughkeepsie Housing Authority of any changes in the amount of the rent at least sixty (60) calendar days before the changes go into effect. Any such changes are subject to the Poughkeepsie Housing Authority determining them to be reasonable.

Assistance shall not be continued unless the Poughkeepsie Housing Authority has approved a new tenancy in accordance with program requirements and has executed a new HAP contract with the owner if any of the following changes are made:

- A. Requirements governing participant or owner responsibilities for utilities or appliances;
- B. In the lease terms reducing the length of the lease;
- C. If the participant moves to a new unit, even if the unit is in the same building or complex.

The approval of the Poughkeepsie Housing Authority is not required for changes other than those specified in A, B, or C above.

However, owners wishing to change ownership must receive the written permission of the Housing Authority prior to assigning a HAP contract. The owner shall inform the Poughkeepsie Housing Authority of the impending change and give the Authority 5 calendar days to review the prospective owner to make sure they are appropriate. The new owner shall meet the same criteria as the existing owner. Approval shall not be unreasonably withheld.

14.1 ANNUAL REEXAMINATION

At least annually (within 365 calendar days of the anniversary date of the HAP contract) the Poughkeepsie Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The Poughkeepsie Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, deductions (eligible expenses), and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Poughkeepsie Housing Authority will determine the family's annual income and will calculate their family share.

14.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 calendar days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30 day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.1.2 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Poughkeepsie Housing Authority taking action to terminate the family's assistance. If there is no response to the second letter, a termination notice will be issued to both the family and the owner. The termination notice will inform the family of its right to request an informal hearing.

14.2 INTERIM REEXAMINATIONS

During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

Families will be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Poughkeepsie Housing Authority within **10** business days between regular reexaminations. These changes will trigger an interim reexamination.

- A. All changes in income.
- B. A member has been added to the family through birth or adoption or court-awarded custody.
- C. A household member is leaving or has left the family unit.
- D. Family break-up

In circumstances of a family break-up, the Poughkeepsie Housing Authority will make a determination of which family member will retain the housing choice voucher, taking into consideration the following factors:

1. To whom the housing choice voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.

4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Poughkeepsie Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the Poughkeepsie Housing Authority will make determinations on a case by case basis.

The Poughkeepsie Housing Authority will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 16.3.

In order to add a household member other than through birth, adoption, or court-awarded custody (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for applicants. The Poughkeepsie Housing Authority will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the Poughkeepsie Housing Authority will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Poughkeepsie Housing Authority will take timely action to process the interim reexamination and recalculate the family share.

14.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the Poughkeepsie Housing Authority may schedule special reexaminations every 60 calendar days until the income stabilizes and an annual income can be determined.

14.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

14.3 HOUSING AUTHORITY MISTAKES IN CALCULATING RENT

If the ~~XYZ~~Poughkeepsie Housing Authority makes a mistake in calculating a resident's rent contribution and overcharges the resident, the resident shall receive a refund for the amount of the mistake going back a maximum of xxxx months [i.e. **24 months**]. The refund shall be given to the resident as soon as practical or credited to the resident's account, whichever the resident desires unless the resident owes the Housing Authority money in which case the debt shall be offset to the degree possible before the resident chooses between the two refund methods.

15.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE POUGHKEEPSIE HOUSING AUTHORITY

The Poughkeepsie Housing Authority may at any time terminate program assistance for a participant because of any of the following actions or inactions by the household:

- A. If the family violates any family obligations under the program;
- B. If the family was evicted from housing assisted under the Section 8 program for serious violations of the lease;
- C. If a family member fails to sign and submit consent forms;

- D. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the Poughkeepsie Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination;
- E. Have a household member who is currently engaging in illegal use of a drug;
- F. Have a household member whose pattern of illegal drug use interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents;
- G. Have a household member who has ever been convicted of drug-related criminal activity for the manufacture or production of methamphetamine on the premises of federally assisted housing;
- H. Have a household member who is subject to a lifetime registration requirement under a State sex offender registration program;
- I. If any member of the family commits drug-related or violent criminal activity in violation of Section 2.3 of this Administrative Plan and 24 CFR 982.551;
- J. Have a household member whose abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents;
- K. Have a household member who is a fugitive felon, parole violator or person fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- L. Have a family member who violates any family obligations under the program;
- M. Have a family member who has been evicted from federally assisted housing in the last five years;
- N. Have a family member that Poughkeepsie Housing Authority has ever terminated assistance for under the program;
- O. Have a family member that has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;

- P. Currently owes rent or other amounts to the Poughkeepsie Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act;
- Q. Have not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;
- R. Have breached an agreement with Poughkeepsie Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority;
- S. If a family participating in the Family Self-Sufficiency Program fails to comply, without good cause, with the family's FSS Contract of Participation;
- T. Have engaged in or threatened abusive or violent behavior towards any Poughkeepsie Housing Authority staff member or resident;
- U. If a welfare-to-work (WTW) family fails, willfully and persistently, to fulfill its obligations under the welfare-to-work voucher program.

For purposes of this section, the Poughkeepsie Housing Authority may terminate assistance for criminal activity by a household member as authorized in this section if the Poughkeepsie Housing Authority determines, based on a preponderance of the evidence, that the household member has engaged in the activity, regardless of whether the household member has been arrested or convicted of such activity.

If the Poughkeepsie Housing Authority proposes to terminate assistance for criminal activity as shown by a criminal record, the Poughkeepsie Housing Authority will notify the household of the proposed action to be based on the information and must provide the person with the criminal record (i.e., the family member) and the head of household with a copy of the criminal record and an opportunity to dispute the accuracy and relevance of that record, in accordance with the procedures established for the Informal Hearing for Participants. The household will have ten (10) calendar days to dispute the accuracy and relevance of the record in writing.

Any family absent from the assisted unit for more than **30** consecutive calendar days without Poughkeepsie Housing Authority permission must be terminated from the program.

In circumstances of a family break-up, the Poughkeepsie Housing Authority will make a determination of which family member will retain the housing choice voucher, taking into consideration the following factors:

- A. To whom the housing choice voucher was issued.
- B. The interest of minor children or of ill, elderly, or disabled family members.
- C. Whether the assistance should remain with the family members remaining in the unit.
- D. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the Poughkeepsie Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

16.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

16.1 COMPLAINTS

The Poughkeepsie Housing Authority will investigate and respond to complaints by participant families, owners, and the general public. The Poughkeepsie Housing Authority may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

16.2 INFORMAL REVIEW FOR THE APPLICANT

- A. Informal Review for the Applicant

The Poughkeepsie Housing Authority will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the Poughkeepsie Housing Authority decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

- B. When an Informal Review is not Required

The Poughkeepsie Housing Authority will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the Poughkeepsie Housing Authority subsidy standards.
2. A Poughkeepsie Housing Authority determination not to approve an extension or suspension of a housing voucher term.
3. A Poughkeepsie Housing Authority determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A Poughkeepsie Housing Authority determination that a unit selected by the applicant is not in compliance with HQS.
5. A Poughkeepsie Housing Authority determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the Poughkeepsie Housing Authority.

C. Informal Review Process

The Poughkeepsie Housing Authority will give an applicant an opportunity for an informal review of the Poughkeepsie Housing Authority decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the Poughkeepsie Housing Authority other than the person who made or approved the decision under review or a subordinate of this person.
2. The applicant will be given an opportunity to present written or oral objections to the Poughkeepsie Housing Authority decision.
3. The Poughkeepsie Housing Authority will notify the applicant of the Poughkeepsie Housing Authority decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to deny assistance to an applicant because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to receive assistance.

If the Housing Authority seeks to deny assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny assistance. In determining whether to deny assistance for these reasons the Poughkeepsie Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the Poughkeepsie Housing Authority provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant family within 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 calendar days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 calendar days of receipt

of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

16.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

1. The Poughkeepsie Housing Authority will give a participant family an opportunity for an informal hearing to consider whether the following Poughkeepsie Housing Authority decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and Poughkeepsie Housing Authority policies:
 - a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Poughkeepsie Housing Authority utility allowance schedule.
 - c. A determination of the family unit size under the Poughkeepsie Housing Authority subsidy standards.
 - d. A determination to terminate assistance for a participant family because of the family's action or failure to act.
 - e. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under the Poughkeepsie Housing Authority policy and HUD rules.
 - f. Denial of a hardship exemption to the minimum rent requirement.
2. In cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the Poughkeepsie Housing Authority will give the opportunity for an informal hearing before the Poughkeepsie Housing Authority terminates housing assistance payments for the family under an outstanding HAP contract.

B. When a Hearing is not Required

The Poughkeepsie Housing Authority will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

1. Discretionary administrative determinations by the Poughkeepsie Housing Authority.
2. General policy issues or class grievances.
3. Establishment of the Poughkeepsie Housing Authority schedule of utility allowances for families in the program.
4. A Poughkeepsie Housing Authority determination not to approve an extension or suspension of a housing choice voucher term.
5. A Poughkeepsie Housing Authority determination not to approve a unit or lease.
6. A Poughkeepsie Housing Authority determination that an assisted unit is not in compliance with HQS. (However, the Poughkeepsie Housing Authority will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)
7. A Poughkeepsie Housing Authority determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the Poughkeepsie Housing Authority to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 16.3(A)(1)(a), (b), and (c), of this Section, the Poughkeepsie Housing Authority will notify the family that the family may ask for an explanation of the basis of the Poughkeepsie Housing Authority's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
2. In the cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the Poughkeepsie Housing Authority will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:
 - a. Contain a brief statement of the reasons for the decision; and

- b. State this if the family does not agree with the decision, the family may request an informal hearing on the decision within 10 business days of the notification.

D. Hearing Procedures

The Poughkeepsie Housing Authority and participants will adhere to the following procedures:

1. Discovery

- a. The family will be given the opportunity to examine before the hearing any Poughkeepsie Housing Authority documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the Poughkeepsie Housing Authority does not make the document(s) available for examination on request of the family, the Poughkeepsie Housing Authority may not rely on the document at the hearing.
- b. The Poughkeepsie Housing Authority will be given the opportunity to examine, at the Poughkeepsie Housing Authority's offices before the hearing, any family documents that are directly relevant to the hearing. The Poughkeepsie Housing Authority will be allowed to copy any such document at the Poughkeepsie Housing Authority's expense. If the family does not make the document(s) available for examination on request of the Poughkeepsie Housing Authority, the family may not rely on the document at the hearing.

Note: The term **document** includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the Poughkeepsie Housing Authority, other than a person who made or approved the decision under review or a subordinate of this person.

- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the Poughkeepsie Housing Authority hearing procedures.

4. Evidence

The Poughkeepsie Housing Authority and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The Poughkeepsie Housing Authority is not bound by a hearing decision:

- a. Concerning a matter for which the Poughkeepsie Housing Authority is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the Poughkeepsie Housing Authority hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the Poughkeepsie Housing Authority determines that it is not bound by a hearing decision, the Poughkeepsie Housing Authority will notify the family within 14 calendar days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial

or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the Poughkeepsie Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

F. Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The participant family may request that the Poughkeepsie Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 calendar days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 calendar days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision.

17.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the participant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the Poughkeepsie Housing Authority. Under some circumstances the contract automatically terminates.

A. Termination of the lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the Poughkeepsie Housing Authority after the first year of the lease. The length of the notice that is required is stated in the lease (generally 30 calendar days).

2. By the owner.

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in a criminal activity, regardless of whether the covered person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

If the law and regulation permit the owner to take an action but do not require action to be taken, the owner may take or not take the action in accordance with the owner's standards for eviction. The owner may consider all of the circumstances relevant to a particular eviction case, such as:

- a. The seriousness of the offending action;
- b. The effect on the community of denial or termination or the failure of the owner to take such action;
- c. The extent of participation by the leaseholder in the offending action;
- d. The effect of denial of admission or termination of tenancy on household members not involved in the offending activity;

- e. The demand for assisted housing by families who will adhere to lease responsibilities;
- f. The extent to which the leaseholder has shown personal responsibility and taken all reasonable steps to prevent or mitigate the offending action;
- g. The effect of the owner's action on the integrity of the program.

The owner may require a family to exclude a household member in order to continue to reside in the assisted unit, where that household member has participated in or been culpable for action or failure to act that warrants termination.

In determining whether to terminate tenancy for illegal use of drugs or alcohol abuse by a household member who is no longer engaged in such behavior, the owner may consider whether such household member is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, the owner may require the participant to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

The owner's termination of assistance actions must be consistent with the fair housing and equal opportunity provision of 24 CFR 5.105.

- a. The owner may terminate the lease during its term on the following grounds:
 - i. Serious or repeated violations of the terms or conditions of the lease;
 - ii. Violation of Federal, State, or local law that impose obligations on the participant in connection with the occupancy or use of the unit and its premises;
 - iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons (including property management staff) residing on the premises or in the immediate vicinity of the premises;

- iv. Any drug-related criminal activity engages in on or near the premises by any resident, household member, or guest, or such activity engaged in on the premises by any other person under the tenant's control, is grounds for the owner to terminate tenancy;
- v. When the owner determines that a household member is illegally using a drug or when the owner determines that a pattern of illegal use of a drug interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- vi. If a participant is fleeing to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees, or that, in the case of the State of New Jersey, is a high misdemeanor; or violating a condition of probation or parole imposed under Federal or State law.
- vii. If the participant is violating a condition of probation or parole imposed under Federal or State law.
- viii. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.

The owner may terminate tenancy and evict by judicial action a family for criminal activity by a covered person in accordance with this section if the owner determines that the covered person has engaged in the criminal activity, regardless of whether the covered

person has been arrested or convicted for such activity and without satisfying the standard of proof used for a criminal conviction.

- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
- c. The owner may only evict the participant by instituting court action. The owner must give the Poughkeepsie Housing Authority a copy of any owner eviction notice to the participant at the same time that the owner gives the notice to the participant.
- d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.

3. Termination of the Lease by mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

B. Termination of the Contract

1. Automatic termination of the Contract

- a. If the Poughkeepsie Housing Authority terminates assistance to the family, the contract terminates automatically.
- b. If the family moves out of the unit, the contract terminates automatically.
- c. The contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with the lease and State and local law.

3. Termination of the HAP contract by the Poughkeepsie Housing Authority

The Housing Authority may terminate the HAP contract because:

- a. The Housing Authority has terminated assistance to the family.

- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.
- c. When the family breaks up and the Poughkeepsie Housing Authority determines that the family members who move from the unit will continue to receive the assistance.
- d. The Poughkeepsie Housing Authority determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.
- e. The owner has breached the contract in any of the following ways:
 - i. If the owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligation to maintain the unit in accordance with the HQS.
 - ii. If the owner has violated any obligation under any other housing assistance payments contract under Section 8 of the 1937.
 - iii. If the owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program.
 - iv. For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement;
 - v. If the owner has engaged in drug trafficking.

4. Final HAP payment to owner

The HAP payment stops when the lease terminates. The owner may keep the payment for the month in which the family moves out. If the owner has begun eviction proceedings and the family continues to occupy the unit, the Housing Authority will continue to make payments until the owner obtains a judgment or the family moves out.

18.0 CHARGES AGAINST THE SECTION 8 ADMINISTRATIVE FEE RESERVE

Occasionally, it is necessary for the Poughkeepsie Housing Authority to spend money of its Section 8 Administrative Fee Reserve to meet unseen or extraordinary expenditures or for its other housing related purposes consistent with Federal and State law.

The Poughkeepsie Housing Authority Board of Commissioners authorizes the Executive Director to expend without prior Board approval up to \$25,000 for authorized expenditures.

Any item(s) exceeding \$25,000 will require prior Board of Commissioner approval before any charge is made against the Section 8 Administrative Fee Reserve.

19.0 INTELLECTUAL PROPERTY RIGHTS

No program receipts may be used to indemnify contractors or subcontractors of the Poughkeepsie Housing Authority against costs associated with any judgment of infringement of intellectual property rights.

20.0 POUGHKEEPSIE HOUSING AUTHORITY OWNED HOUSING

Units owned by the Poughkeepsie Housing Authority and not receiving subsidy under any other program are eligible housing units for Housing Choice Voucher holders. In order to comply with federal regulation, the Poughkeepsie Housing Authority will do the following:

- A. The Poughkeepsie Housing Authority will make available through the briefing process both orally and in writing the availability of Poughkeepsie Housing Authority owned units (notification will also include other properties owned/managed by the private sector available to Housing Choice Voucher holders).
- B. The Poughkeepsie Housing Authority will obtain the services of an independent entity to perform the following Poughkeepsie Housing Authority functions:
 1. Determine rent reasonableness for the unit. The independent entity will communicate the rent reasonableness determination to the family and the Poughkeepsie Housing Authority.

2. To assist the family in negotiating the rent.
 3. To inspect the unit for compliance with HQS.
- C. The Poughkeepsie Housing Authority will gain HUD approval for the independent agency/agencies utilized to perform the above functions
 - D. The Poughkeepsie Housing Authority will compensate the independent agency/agencies from our ongoing administrative fee income.
 - E. The Poughkeepsie Housing Authority, or the independent agency/agencies will not charge the family any fee or charge for the services provided by the independent agency.

21.0 QUALITY CONTROL OF SECTION 8 PROGRAM

In order to maintain the appropriate quality standards for the Section 8 Program, the Poughkeepsie Housing Authority will regularly (at least annually) review files and records to determine if the work documented in the files or records conforms to program requirements. This shall be accomplished by a supervisor or another qualified person other than the one originally responsible for the work or someone subordinate to that person. The number of files and/or records checked shall be at least equal to the number specified in the Section 8 Management Assessment Program (SEMAP) for our size housing authority.

Among the areas that shall have quality control reviews are the following:

- A. The proper people were selected from the waiting list and their selection criteria were actually met by the applicants.
- B. The determination of rent reasonableness.
- C. Participants are paying the appropriate rent and their income and expenses were properly verified both upon admission and re-certification.
- D. HQS inspections were properly made.
- E. HQS deficiencies were properly followed up on and appropriate repairs were made in a timely manner.

If significant errors are found during a quality control review, then appropriate training shall be immediately conducted for the person or persons who made the errors and that person shall correct all of his or her errors.

22.0 RESERVED

23.0 HOMEOWNERSHIP OPTION

23.1 PURPOSE

The Poughkeepsie Housing Authority's homeownership option is designed to promote and support homeownership by a "first-time" homeowner -- a family that meets the definition in this Plan. It allows one or more members of the family to purchase a home. Section 8 payments supplement the family's own income to facilitate the transition from rental to homeownership. The initial availability of these assistance payments helps the family pay the costs of homeownership, and may provide additional assurance for a lender, so that the family can finance purchase of the home.

Section 8 homeownership assistance for a cooperative homeowner is specifically authorized for both families that are first time cooperative homeowners and families that owned its cooperative unit prior to receiving Section 8 assistance.

23.2 FAMILY PARTICIPATION REQUIREMENTS

- A. In order to assure a successful transition from rental to homeownership, this program shall be open only to those who have been assisted by the Section 8 rental assistance program, lived in public housing, or resided in another Poughkeepsie Housing Authority owned or managed property for at least 12 months. During this period (the previous 12 months), all program requirements will have been complied with.
- B. Only 5% of the Poughkeepsie Housing Authority's housing choice vouchers shall be utilized at any one time.
- C. The family is qualified to participate as set forth in Section 23.3 of this policy.
- D. The unit to be purchased is eligible as set forth in Section 23.4 of this policy.
- A. The family has satisfactorily completed the required pre-assistance homeownership counseling.
- B. If located in a special flood hazard area, the purchaser has obtained flood insurance on the home and agrees to maintain this insurance.

23.3 FAMILY ELIGIBILITY REQUIREMENTS

- A. The family has been admitted to the Section 8 Housing Choice Voucher program and desires to participate in the homeownership program.
- B. At the commencement of homeownership assistance the family must be one of the following:
 - 1. A first-time homeowner;
 - 2. A cooperative member; or
 - 3. A family of which a family member is a person with disabilities, and the use of the homeownership option is needed as a reasonable accommodation so that the program is readily accessible to and usable by such person.
- C. At commencement of homeownership assistance for the family, the family must demonstrate that its total annual income (gross income), as determined by the Poughkeepsie Housing Authority, of all the adult family members who will own the home at commencement of homeownership assistance is not less than the Federal minimum hourly wage multiplied by 2,000 hours.

Except in the case of an elderly family or a disabled family, the Poughkeepsie Housing Authority shall not count any welfare assistance received by the family in determining annual income under this section.

The disregard of welfare assistance income under the preceding paragraph only affects the determination of minimum annual income used to determine if a family initially qualifies for commencement of homeownership assistance in accordance with this section, but does not affect:

- 1. The determination of income-eligibility for admission to the housing voucher program;
- 2. Calculation of the amount of the family's total tenant payment (gross family contribution); or
- 3. Calculation of the amount of homeownership assistance payments on behalf of the family.

In the case of an elderly family or a disabled family, welfare assistance shall be counted in determining annual income.

- D. The family must demonstrate that one or more adult members of the family who will own the home at commencement of homeownership assistance:
1. Is currently employed on a full-time basis (the term "full-time employment" means not less than an average of 30 hours per week); and
 2. Has been continuously so employed during the year before commencement of homeownership assistance for the family.

This requirement shall be considered fulfilled if:

1. The family member is self-employed and earning a net income (income after business expenses have been deducted) that equals the federal minimum hourly wage multiplied by 2000 hours; or
2. Any employment interruptions either were not the fault of the family member or were for less than 30 calendar days and caused by an effort to improve the family's situation.

The employment requirement does not apply to an elderly family or a disabled family. Furthermore, if a family other than an elderly family or a disabled family, includes a person with disabilities, an exemption from the employment requirement shall be granted if the Poughkeepsie Housing Authority determines that an exemption is needed as a reasonable accommodation so that the program is readily accessible to and usable by persons with disabilities.

- E. The Poughkeepsie Housing Authority shall not commence homeownership assistance for a family if any family member has previously received assistance under the homeownership option, and has defaulted on a mortgage securing debt incurred to purchase the home.
- F. Except for cooperative members who have acquired cooperative membership shares prior to commencement of homeownership assistance, no family member has a present ownership interest in a residence at the commencement of homeownership assistance for the purchase of any home.
- G. Except for cooperative members who have acquired cooperative membership shares prior to the commencement of homeownership assistance, the family has entered a contract of sale.

23.4 ELIGIBLE UNITS

- A. Any unit that is eligible under the Section 8 rental assistance program is eligible for this program except the restrictions against purchasing a unit owned by the

housing authority or precluding a unit occupied by its owner or by a person with any interest in the dwelling unit are not applicable. The types of units eligible are:

1. Single family dwellings;
 2. Condominiums;
 3. Cooperatives; and
 4. Manufactured Housing and their pads.
- B. The unit must be either existing or under construction at the time the Poughkeepsie Housing Authority determines that the family is eligible for homeownership assistance.
- C. The unit must be either a one unit property or a single dwelling unit in a cooperative or condominium.
- D. The unit must satisfy the housing quality standards (HQS) and have been inspected by an independent inspector designated and paid for by the family.
- E. The seller cannot be someone who has been debarred, suspended, or is subject to a limited denial of participation by HUD.

23.5 *SEARCHING FOR A NEW HOME*

Because the financial health of the Poughkeepsie Housing Authority's Section 8 program depends upon having units either under lease or being purchased, it is necessary for the Poughkeepsie Housing Authority to limit the amount of time a family can take between the time a Housing Choice Voucher is issued to the family and the time a home is identified that the family wishes to purchase. Normally, families will have up to sixty (60) calendar days to locate an appropriate property and notify the housing authority. If extraordinary difficulties are encountered, the family can request up to two (2) thirty (30) day extensions that may be granted at the sole discretion of the Poughkeepsie Housing Authority. If an extension is requested and granted, the family will orally report to the housing authority every two weeks to update the Poughkeepsie Housing Authority on the progress of its search.

Once a suitable property has been identified and an agreement to purchase contract entered into, the Poughkeepsie Housing Authority will determine a maximum time in which the closing must occur and the family to take occupancy of the property. This time frame will vary depending on market conditions.

If the family is unable to locate a suitable home to purchase, it can request that the Housing Choice Voucher be converted into a rental assistance voucher. This request must

be made before the housing choice voucher expires. Approval of the request will be at the sole discretion of the Poughkeepsie Housing Authority with the decision being based on the effort exerted by the family and the condition of the marketplace.

Additional time will be granted to a disabled family as a reasonable accommodation if justified by the family's actions and/or marketplace conditions.

23.6 HOMEOWNERSHIP COUNSELING

Before the commencement of homeownership assistance for a family, the family must attend and satisfactorily complete a pre-assistance homeownership and housing counseling program required by the Poughkeepsie Housing Authority (pre-assistance counseling). If possible, the counseling will be conducted by a HUD-approved counseling agency. If this is not available, the housing authority shall make other arrangements for the pre-assistance counseling.

Among the topics to be covered in the PHA-required pre-assistance counseling program are:

- A. Home maintenance (including care of the grounds);
- B. Budgeting and money management;
- C. Credit counseling;
- D. How to negotiate the purchase price of a home;
- E. How to obtain homeownership financing and loan preapprovals, including a description of types of financing that may be available, and the pros and cons of different types of financing;
- F. How to find a home, including information about homeownership opportunities, schools, and transportation in the PHA jurisdiction;
- G. Advantages of purchasing a home in an area that does not have a high concentration of low-income families and how to locate homes in such areas;
- H. Information on fair housing, including fair housing lending and local fair housing enforcement agencies; and
- I. Information about the Real Estate Settlement Procedures Act (RESPA), state and Federal truth-in-lending laws, and how to identify and avoid loans with oppressive terms and conditions.

The Poughkeepsie Housing Authority will also offer additional counseling after

commencement of homeownership assistance (ongoing counseling). This counseling will be voluntary for all homeownership assistance recipients except those requesting their second, fourteenth and fifteenth years of assistance. The reason for this mandatory counseling is to make sure the families are either off to a good start or preparing for the termination of their assistance.

23.7 HOME INSPECTIONS

The Poughkeepsie Housing Authority will not commence homeownership assistance for a family until it has inspected the unit and has determined that the unit passes HQS.

The unit must also be inspected by an independent professional inspector selected by and paid by the family. The independent inspection must cover major building systems and components, including foundation and structure, housing interior and exterior, and the roofing, plumbing, electrical, and heating systems. The independent inspector must be qualified to report on property conditions, including major building systems and components. The Poughkeepsie Housing Authority may not require the family to use an independent inspector selected by the housing authority. The independent inspector may not be a housing authority employee or contractor, or other person under control of the housing authority. The independent inspector shall be certified by the American Society of Home Inspectors or one whose inspections are accepted by three local lenders. It shall be the responsibility of the inspector to verify that the inspector meets this certification qualification.

The independent inspector must provide a copy of the inspection report both to the family and to the Poughkeepsie Housing Authority. The housing authority will not commence homeownership assistance for the family until it has reviewed the inspection report of the independent inspector. Even if the unit otherwise complies with the HQS (and may qualify for assistance under the Poughkeepsie Housing Authority's tenant-based rental voucher program), the housing authority shall have discretion to disapprove the unit for assistance under the homeownership option because of information in the inspection report.

23.8 CONTRACT OF SALE

Before commencement of homeownership assistance, a member or members of the family must enter into a contract of sale with the seller of the unit to be acquired by the family. The family must give the Poughkeepsie Housing Authority a copy of the contract of sale.

The contract of sale must:

- A. Specify the price and other terms of sale by the seller to the purchaser.

- B. Provide that the purchaser will arrange for a pre-purchase inspection of the dwelling unit by an independent inspector selected by the purchaser.
- C. Provide that the purchaser is not obligated to purchase the unit unless the inspection is satisfactory to the purchaser.
- D. Provide that the purchaser is not obligated to pay for any necessary repairs.
- E. Contain a certification from the seller that the seller has not been debarred, suspended, or subject to a limited denial of participation.

23.9 FINANCING THE PURCHASE OF THE HOME

- A. A purchasing family must invest at least three percent of the purchase price of the home they are buying in the property. This can take the form of either a down payment, closing costs, or a combination of the two. Of this sum, at least one percent of the purchase price must come from the family's personal resources.
- B. The family must qualify for the mortgage loan under a lender's normal lending criteria taking into account the fact that this is by definition a low-income family.
- C. If the home is purchased using FHA mortgage insurance, it is subject to FHA mortgage insurance requirements.
- D. If the loan is financed either by the seller or a non-traditional mortgage lending institution or individual, the loan shall be subject to the review of the Poughkeepsie Housing Authority. The housing authority may verify that there are no unusual or onerous requirements in the loan documents and that the mortgage is affordable to the purchasing family. Also, the lender must require that an appraisal of the property is conducted and the appraiser must determine that the property is worth at least as much as the purchaser is paying.
- E. Unless the purchaser can convince the Poughkeepsie Housing Authority of unusual circumstances, no balloon payment mortgages or variable rate mortgages shall be allowed in the program.
- F. All mortgage loans must close within the period of time established by the Poughkeepsie Housing Authority at the time the purchaser and seller enter into their sale contract.

23.10 REQUIREMENTS FOR CONTINUING ASSISTANCE

Homeownership assistance will only be paid while the family is residing in the home. If the family moves out of the home, the Poughkeepsie Housing Authority will not continue

homeownership assistance after the month when the family moves out. The family or lender is not required to refund to the PHA the homeownership assistance for the month when the family moves out.

The family must comply with the following obligations:

- A. The family must attend and complete ongoing homeownership and housing counseling before the end of the first, thirteenth and fourteenth years of assistance in order for assistance to continue.
- B. The family must comply with the terms of any mortgage securing debt incurred to purchase the home (or any refinancing of such debt).
- C. As long as the family is receiving homeownership assistance, use and occupancy of the home is subject to the following requirements:
 1. The family must use the assisted unit for residence by the family. The unit must be the family's only residence.
 2. The composition of the assisted family residing in the unit must be approved by the Poughkeepsie Housing Authority. The family must promptly inform the housing authority of the birth, adoption or court-awarded custody of a child. The family must request housing authority approval to add any other family member as an occupant of the unit. No other person (i.e., nobody but members of the assisted family) may reside in the unit (except for a foster child or live-in aide).
 3. The family must promptly notify the Poughkeepsie Housing Authority if any family member no longer resides in the unit.
 4. If the Poughkeepsie Housing Authority has given approval, a foster child or a live-in-aide may reside in the unit.
 5. Members of the household may engage in legal profit-making activities in the unit, but only if such activities are incidental to primary use of the unit for residence by members of the family.
 6. The family must not sublease or let the unit.
 7. The family must not assign the mortgage or transfer the unit.
 8. The family must supply any information or certification requested by the housing authority to verify that the family is living in the unit, or relating to family absence from the unit, including any housing authority requested

information or certification on the purposes of family absences. The family must cooperate with the housing authority for these purposes. The family must promptly notify the housing authority of their absence from the unit.

- D. The family may grant a mortgage on the home for debt incurred to finance purchase of the home or any refinancing of such debt.
- E. Upon death of a family member who holds, in whole or in part, title to the home or ownership of cooperative membership shares for the home, homeownership assistance may continue pending settlement of the decedent's estate, notwithstanding transfer of title by operation of law to the decedent's executor or legal representative, so long as the home is solely occupied by remaining family members in accordance with Paragraph C above. In the case of a divorce or family separation, the assistance shall follow what a court decrees.
- F. The family shall supply the Poughkeepsie Housing Authority with any required information requested by the housing authority. In particular this shall include information relating to the following:
 - 1. Citizenship or related immigration matters;
 - 2. Family income and composition;
 - 3. Social security numbers;
 - 4. Any mortgage or other debt placed on the property;
 - 5. Any sale or other transfer of any interest in the home; and
 - 6. The family's homeownership expenses.
- G. The family must notify the housing authority before the family moves out of the home.
- H. The family must notify the Poughkeepsie Housing Authority if the family defaults on a mortgage securing any debt incurred to purchase the home.
- I. During the time the family receives homeownership assistance under this program, no family member may have any ownership interest in any other residential property.
- J. Before commencement of homeownership assistance, the family must execute a statement of family obligations in the form prescribed by HUD. In the

statement, the family agrees to comply with all family obligations under the homeownership option.

- K. The family must secure the written permission of the Poughkeepsie Housing Authority before it refinances any debt secured by the home or places any additional secured debt on the property.
- L. The family must assure the Poughkeepsie Housing Authority that all real estate taxes were paid on a timely basis. If they are not paid, assistance shall be terminated.

23.11 MAXIMUM TERM OF HOMEOWNERSHIP ASSISTANCE

- A. Except in the case of a family that qualifies as an elderly or disabled family, family members shall not receive homeownership assistance for more than fifteen years if the initial mortgage incurred to finance purchase of the home has a term of 20 years or longer; or ten years, in all other cases.
- B. The maximum term described in the preceding paragraph applies to any member of the family who has an ownership interest in the unit during the time the homeownership payments are made or is the spouse of any member of the household who has an ownership interest during the time the homeownership payments are made.
- C. As noted in Paragraph A of this Section, the maximum homeownership assistance term does not apply to elderly and disabled families. In the case of an elderly family, the exception only applies if the family qualifies as an elderly family at the start of homeownership assistance. In the case of a disabled family, the exception applies if at any time during receipt of homeownership assistance the family qualifies as a disabled family. If, during the course of homeownership assistance, the family ceases to qualify as a disabled or elderly family, the maximum term becomes applicable from the date homeownership assistance commenced. However, such a family must be provided at least 6 months of homeownership assistance after the maximum term becomes applicable (provided the family is otherwise eligible to receive homeownership assistance in accordance with this program).
- D. If the family has received such assistance for different homes, or from different housing authorities, the total of such assistance terms is subject to the maximum term described in Paragraph A of this section.

23.12 AMOUNT AND DISTRIBUTION OF HOMEOWNERSHIP ASSISTANCE

A. While the family is residing in the home, the Poughkeepsie Housing Authority shall pay a monthly homeownership assistance payment on behalf of the family that is equal to the lower of:

1. The payment standard minus the total tenant payment; or
2. The family's monthly homeownership expenses minus the total tenant payment.

B. The payment standard for a family is the lower of:

1. The payment standard for the family unit size; or
2. The payment standard for the size of the home.

If the home is located in an exception payment standard area, the Poughkeepsie Housing Authority will use the appropriate payment standard for the exception payment standard area.

The payment standard for a family is the greater of:

1. The payment standard (as determined in accordance with Paragraph A of this section) at the commencement of homeownership assistance for occupancy of the home; or
2. The payment standard (as determined in accordance with Paragraph A of this section) at the most recent regular reexamination of family income and composition since the commencement of homeownership assistance for occupancy of the home.

The Poughkeepsie Housing Authority will use the same payment standard schedule, payment standard amounts, and subsidy standards for the homeownership option as for the housing choice voucher program.

C. A family's homeownership expenses shall include the following items:

1. Principal and interest on initial mortgage debt, any refinancing of such debt, and any mortgage insurance premium incurred to finance purchase of the home;
2. Real estate taxes and public assessments on the home;
3. Home insurance;
4. Maintenance expenses of **\$10.00** per month;

5. An allowance of **\$5.00** a month for costs of major repairs and replacements;
 6. The Poughkeepsie Housing Authority's utility allowance for the home;
- and
7. Principal and interest on mortgage debt incurred to finance costs for major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.
- D. Homeownership expenses for a cooperative member may only include amounts to cover:
1. The cooperative charge under the cooperative occupancy agreement including payment for real estate taxes and public assessments on the home;
 2. Principal and interest on initial debt incurred to finance purchase of cooperative membership shares and any refinancing of such debt;
 3. Home insurance;
 4. The PHA allowance for maintenance expenses;
 5. The PHA allowance for costs of major repairs and replacements;
 6. The PHA utility allowance for the home; and
 7. Principal and interest on debt incurred to finance major repairs, replacements or improvements for the home. If a member of the family is a person with disabilities, such debt may include debt incurred by the family to finance costs needed to make the home accessible for such person, if the housing authority determines that allowance of such costs as homeownership expenses is needed as a reasonable accommodation so that the homeownership option is readily accessible to and usable by such person.

- E. If the home is a cooperative or condominium unit, homeownership expenses may also include cooperative or condominium operating charges or maintenance fees assessed by the condominium or cooperative homeowner association.
- F. The Poughkeepsie Housing Authority will pay homeownership assistance payments directly to the lender on behalf of the family unless the lender does not want the payment to be made directly to them. If there is any excess assistance, it will be paid to the family.
- G. Homeownership assistance for a family terminates automatically 180 calendar days after the last housing assistance payment on behalf of the family. However, the Poughkeepsie Housing Authority retains the discretion to grant relief from this requirement in those cases where automatic termination would result in extreme hardship for the family.

23.13 HOMEOWNERSHIP PORTABILITY

- A. A family may qualify to move outside the initial Poughkeepsie Housing Authority's jurisdiction with continued homeownership assistance under the housing choice voucher program. Families determined eligible for homeownership assistance by the Poughkeepsie Housing Authority may purchase a unit outside our jurisdiction, if:
 - 1. They meet our normal requirements for portability under the rental program;
 - 2. The receiving housing authority is administering a housing choice voucher homeownership program and the family meets the receiving housing authority's eligibility requirements; and
 - 3. The receiving housing authority is accepting new homeownership families.
- B. Conversely, if the Poughkeepsie Housing Authority has slots open in our homeownership program we will accept homeowners exercising portability from another program and absorb such families if possible.
- C. In general, the portability procedures described previously in this Administrative Plan apply to the homeownership option. The administrative responsibilities of the initial and receiving housing authorities are not altered except that some administrative functions (e.g., issuance of a housing choice voucher or execution of a tenancy addendum) do not apply to the homeownership option.

- D. The family must attend the briefing and counseling sessions required by the receiving housing authority. The receiving housing authority will determine whether the financing for, and the physical condition of the unit, are acceptable. The receiving housing authority must promptly notify the initial housing authority if the family has purchased an eligible unit under the program, or if the family is unable to purchase a home within the maximum time established by the housing authority.
- E. Continued assistance under portability procedures is the next Section of this Administrative Plan.

23.14 MOVING WITH CONTIUNUED TENANT-BASED ASSISTANCE

- A. A family receiving homeownership assistance may move to a new unit with continued tenant-based assistance. The family may move either with voucher rental assistance (in accordance with rental assistance program requirements) or with voucher homeownership assistance (in accordance with homeownership option program requirements). The Poughkeepsie Housing Authority will not commence continued tenant-based assistance for occupancy of the new unit so long as any family member owns any title or other interest in the prior home. No more than one move per year may occur in the program.
- B. The Poughkeepsie Housing Authority must be able to determine that all initial requirements have been satisfied if a family that has received homeownership assistance wants to move to a new unit with continued homeownership assistance. However, the following requirements do not apply:
 - 1. The requirement for pre-assistance counseling is not applicable.
 - 2. The requirement that a family must be a first-time homeowner is not applicable.
- C. The Poughkeepsie Housing Authority may deny permission to move with continued assistance in the following circumstances:
 - 1. The Poughkeepsie Housing Authority may deny permission to move with continued rental or homeownership assistance if the housing authority determines that it does not have sufficient funding to provide continued assistance.
 - 2. At any time, the Poughkeepsie Housing Authority may deny permission to move with continued rental or homeownership assistance in accordance with the next Section.

23.15 DENIAL OR TERMINATION OF ASSISTANCE FOR FAMILIES

- A. At any time, the Poughkeepsie Housing Authority may deny or terminate homeownership assistance in accordance with the same rules at it utilizes for the rental program.
- B. The same restrictions on admission or continued assistance in regards to criminal activities shall apply to the homeownership program as the rental program.
- C. The Poughkeepsie Housing Authority may deny or terminate assistance for violation of participant obligations as previously described for the rental program.
- D. The PHA shall terminate the housing choice voucher homeownership assistance for any member of family receiving homeownership assistance that is dispossessed from the home pursuant to a judgment or order of foreclosure on any mortgage (whether FHA-insured or non-FHA) securing debt incurred to purchase the home, or any refinancing of such debt. The Poughkeepsie Housing Authority, in its discretion, may permit the family to move to a new unit with continued housing choice voucher rental assistance if the family can show that the default was for reasons beyond its control. However, the housing authority will deny such permission, if:
 - 1. The family defaulted on an FHA-insured mortgage; and
 - 2. The family fails to demonstrate that:
 - a. The family has conveyed title to the home, as required by HUD, to HUD or HUD's designee; and
 - b. The family has moved from the home within the period established or approved by HUD.

24.0 CONDUCTING BUSINESS IN ACCORDANCE WITH CORE VALUES AND ETHICAL STANDARDS

24.1 PURPOSE

This Code of Conduct establishes standards for employee and Commissioner conduct that will assure the highest level of public service. Recognizing that compliance with any ethical standards rests primarily on personal integrity and specifically in this situation with the integrity of the employees and Commissioners of the Poughkeepsie Housing Authority, this Section sets forth those acts or omissions of acts that could be deemed injurious to the general mission of the Authority.

This Code of Conduct is not intended, nor should it be construed, as an attempt to unreasonably intrude upon the individual employee or Commissioner's right to privacy and the right to participate freely in a democratic society and economy.

24.2 CONFLICT OF INTEREST

In accordance with 24 CFR 982.161, neither the Poughkeepsie Housing Authority nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with the tenant-based programs in which any of the following classes of persons has any interest, direct or indirect, during his or her tenure with the Poughkeepsie Housing Authority or for one year thereafter:

- A. Any present or former member or officer of the Housing Authority (except a participant commissioner);
- B. Any employee of the Housing Authority or any contractor, subcontractor or agent of the Housing Authority who formulates policy or who influences decisions with respect to the programs;
- C. Any public official, member of a governing body, or State or local legislator who exercises functions or responsibilities with respect to the Poughkeepsie Housing Authority's programs; or
- D. Any member of the Congress of the United States.

Any member of the classes described in A, B, C, or D, must disclose their interest or prospective interest to the Housing Authority and HUD.

The Conflict of Interest prohibition under this section (24.2) may be waived by the HUD Field Office upon the request of the Poughkeepsie Housing Authority for good cause.

24.3 PROHIBITION OF SOLICITATION OR ACCEPTANCE OF GIFTS

No Commissioner or Authority employee shall solicit any gift or consideration of any kind, nor shall any Authority employee accept or receive a gift having value in excess of \$25 regardless of the form of the gift, from any person who has an interest in any matter proposed or pending before the Authority.

24.4 HOUSING AUTHORITY ADMINISTRATIVE AND DISCIPLINARY REMEDIES FOR VIOLATION OF THE HOUSING AUTHORITY CODE OF CONDUCT

Violations of this Code of Conduct Policy will result in disciplinary action as outlined in the Poughkeepsie Housing Authority's Personnel Policy or as determined by action of the Board of Commissioners.

25.0 SUPPORT FOR OUR ARMED FORCES

A major and important component of our armed forces are the part-time military personnel that serve in various Reserve and National Guard units. The Poughkeepsie Housing Authority is very supportive of these men and women. An unfortunate fact of service in both the Reserves and National Guard is that from time to time their personnel are activated to full-time status and asked to serve our country in a variety of ways and circumstances. Whenever the Federal Government activates Reserve and/or National Guard personnel, the Poughkeepsie Housing Authority wants to support these brave warriors in the following manners:

- A. If a family finds it necessary for another adult to temporarily move into a unit solely to serve as a temporary guardian for children residing in the unit, the income received by the temporary guardian will not be counted in determining family income. The presence of the temporary guardian will need to be approved by the landlord.
- B. Although typically a criminal background check is required before anyone can participate in the housing choice voucher program, this requirement will be waived for a temporary guardian. Instead, the background check will occur after the person moves into the assisted unit. If the results of the check dictate that the person is ineligible for the program, the family shall be given a reasonable time to find a replacement temporary guardian.
- C. Recognizing that activation in the Reserves or National Guard can be very disruptive to a family's income, the Poughkeepsie Housing Authority will expeditiously re-evaluate a resident's portion of the rent if requested to do so.

- D. A unit cannot be held by a family that is not residing in it as their primary residence for more than 180 consecutive calendar days because of a specific federal regulation. If all members of a military family are temporarily absent from the unit because a member of the family has been called to active duty, the family can retain control of the unit by paying the required rent and returning to the unit within 30 calendar days of the conclusion of the active duty service. If the service extends beyond 180 calendar days, the Poughkeepsie Housing Authority will seek a waiver of the 180 calendar day limit from HUD.

26.0 ANTI-FRAUD POLICY

The Poughkeepsie Housing Authority is fully committed to combating fraud in its Section 8 housing program. It defines fraud as a single act or pattern of actions that include false statements, the omission of information, or the concealment of a substantive fact made with the intention of deceiving or misleading the Poughkeepsie Housing Authority. It results in the inappropriate expenditure of public funds and/or a violation of Section 8 requirements.

Although there are numerous different types of fraud that may be committed, the two most common are the failure to fully report all sources of income and the failure to accurately report who is residing in the residence. The Poughkeepsie Housing Authority shall aggressively attempt to prevent all cases of fraud.

When a fraudulent action is discovered, the Poughkeepsie Housing Authority shall take action. It shall do one or more of the following things depending on circumstances and what it determines appropriate:

- A. Require the resident to immediately repay the amount in question;
- B. Require the resident to enter into a satisfactory repayment agreement;
- C. Terminate the resident's rental assistance;
- D. Refer the case for criminal prosecution; or
- E. Take such other action as the Poughkeepsie Housing Authority deems appropriate.

27.0 PROJECT-BASING HOUSING VOUCHERS

27.1 SELECTION OF PROPERTIES TO PROJECT-BASE

The Poughkeepsie Housing Authority has determined that project-basing some of its housing vouchers (not to exceed 20% of the inventory) is in the community interest. This effort is an appropriate option because it will deconcentrate poverty and expand housing and economic opportunity. The specifics of what the Housing Authority is seeking will be contained in an advertisement published in the manner prescribed by HUD that varies depending upon whether the units to be brought into the program are new construction, rehabilitated, or existing units. The actual selection of the units to be project-based shall also be in full accordance with HUD requirements.

27.2 OPERATION OF PROJECT-BASED PROPERTIES

Project-based vouchers shall operate the same as tenant-based vouchers with the following exceptions.

A. Project-Based Waiting List

The Poughkeepsie Housing Authority shall use a separate waiting list for admission to the Project-Based Section 8 Assistance Program. All applicants will be maintained by bedroom size, then preference and date and time of application. If an applicant rejects an offer of assistance of the Project-Based Assistance Program, the rejection will not alter the applicant's position on the Section 8 Voucher Tenant Based Assistance Program. [Note: one can also use their regular waiting list]

The waiting list for the Project-Based Section 8 Assistance Program will be maintained in accordance with the following guidelines:

1. The application will be a permanent file.
2. All applications will be maintained by bedroom size, preference and then in order of date and time of application.
3. Substantive contacts between the Poughkeepsie Housing Authority and the applicant will be documented in the applicant file.

B. Admission Preferences

[Separate preferences can be established for project-based properties.]

C. Selection from the Waiting List

If an applicant is removed from the Project-Based Assistance Program waiting list because of the rejection of an offer of a unit, the rejection will not alter the

applicants' position on the Section 8 Tenant Based Assistance Program waiting list. Likewise, if the owner rejects the available applicant, the rejection will not be counted against the one unit offer and the family will maintain their position on the Project-Based Section 8 Assistance Program. The owner must promptly notify the Poughkeepsie Housing Authority in writing any rejected applicant of the grounds for any rejection.

Under this plan, the first qualified applicant in sequence on the Section 8 Project-Based Assistance Program waiting list will be made an offer of project-based assistance based on the unit size available. If the available unit being offered is specifically designed for persons with mobility, sight and/or hearing impairments (referred to as accessible units), the Poughkeepsie Housing Authority will skip over families not requiring the accessible unit to reach a family who does require such accommodation. Non-mobility impaired families will be offered these units if no family on the waiting list requires these features. The applicant family will only have one chance to accept a unit offer. If the applicant family rejects the offer, his or her name will be removed from the waiting list and he or she would have to re-apply. The applicant family will be notified in writing of the reason they are being removed from the waiting list and their right to an informal review as described in Section 4.10.

If more than one unit of the appropriate type and size is available, the first unit to be offered will be the first unit that is ready for occupancy.

The Poughkeepsie Housing Authority will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

All Section 8 Tenant Based Assistance waiting list families who want project-based units will be permitted to place their names on the Section 8 Project-Based Assistance Program waiting list.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income (unless a different target is agreed to by HUD), the Poughkeepsie Housing Authority retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

D. Project-Based Briefing

When the Poughkeepsie Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the project-based program works. In order to be eligible for a vacant unit, all adult family members are required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Poughkeepsie Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Poughkeepsie Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

1. A description of how the program works;
2. Family and owner responsibilities;
3. The fact that the subsidy is tied to the unit. After the initial 12-month period, the family has the right to move and be issued a tenant-based voucher.

E. Project-Based Briefing Packet

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

1. How the Housing Authority determines the housing assistance payment and total tenant payment for the family (including a copy of the utility allowances);
2. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses;
3. The HUD-required lead-based paint brochure;

4. Information on Federal, State, and local equal opportunity laws; the brochure "Fair Housing: It's Your Right;" and a copy of the housing discrimination complaint form;
5. The family and owner responsibilities under the lease and HAP contract;
6. The grounds upon which the Housing Authority may terminate assistance because of the family's action or inaction; and
7. Poughkeepsie Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing.

F. Moves with Continued Assistance

Participant families that are assisted with project-based assistance may move from the assisted building, and retain federal housing assistance if the assisted family has occupied the dwelling unit with the project-based voucher assistance for 12 months and has given the owner proper notice to vacate. The Poughkeepsie Housing Authority must provide the family with a Housing Choice Voucher. If no such assistance is available at the time the family moves, the Poughkeepsie Housing Authority will give the family priority to receive the next available tenant based voucher. Vouchers under funding allocations targeted by HUD for special purposes (e.g., Family Unification, Mainstream, Welfare-to-Work) are not available for this purpose, since they are required to be used only for the targeted purpose.

G. Rent Reasonableness/Comparability

The Poughkeepsie Housing Authority will not enter an agreement to enter into a housing assistance payments contract until the Housing Authority determines that the initial rent to owner under the HAP contract is a reasonable rent.

In making a rent reasonableness determination, the Poughkeepsie Housing Authority must determine whether the rent to owner is a reasonable rent in comparison to rent for other comparable unassisted units. To make this determination, the Housing Authority must consider:

1. The location, quality, size, unit type, and age of the contract unit; and
2. Any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

a. Initial Rent

To determine that the initial rent to the owner is reasonable, the Housing Authority must use a qualified State-certified appraiser who has no direct or indirect interest in the property or otherwise.

For each unit type, the appraiser must submit a completed comparability analysis on Form HUD-92273 (Estimates of Market Rent by Comparison) for the Poughkeepsie Housing Authority review and approval. The appraiser must use at least three comparable units from the private unassisted market.

For units that are not HUD-insured or Housing Authority owned, the Poughkeepsie Housing Authority approves the initial rent to owner.

For units that are insured or Housing Authority owned, HUD must approve the initial rents.

b. Annual Adjustment of Rent to Owner

The Poughkeepsie Housing Authority at each annual anniversary date of the HAP contract will adjust the rent to owner in accordance with an owner's written request for a rent increase at least 120 calendar days before the HAP contract anniversary that includes a comparability study to determine the amount of such increase and a determination by the Poughkeepsie Housing Authority that the owner has complied with all requirements of the HAP contract, including compliance with the HQS for all contract units.

c. Amount of Annual Adjustment

The adjusted rent to owner (for AHAP's in existence prior to January 16, 2001) equals the lesser of:

- i. The pre-adjustment rent to owner multiplied by the applicable Section 8 annual adjustment factor published by HUD in the Federal Register;
- ii. The reasonable rent as determined by the Poughkeepsie Housing Authority in accordance with 24 CFR 983.256 as follows:

1. In determining the annual adjustment of rent to owner, the adjusted rent to owner must not exceed a reasonable rent as determined by the Poughkeepsie Housing Authority "comparability study."
2. The comparability study is an analysis of rents charged for comparable units. The Housing Authority comparability study must determine the reasonable rent for the contract units as compared with rents for comparable unassisted units. The adjusted rent for a contract unit may not exceed the reasonable rent as shown by the comparability study.
3. The comparability will include a completed comparability analysis for each unit type on Form HUD-92273 (Estimates of Market Rent by Comparison). The comparability study may be prepared by Housing Authority staff or by another qualified appraiser. The appraiser may not have any direct or indirect interest in the property or otherwise.
4. The comparability study must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units.
5. If the owner requests a rent increase by the 120-day deadline, the Housing Authority must submit a comparability study to the owner at least 60 calendar days before the HAP contract anniversary.

iii. The rent requested by the owner.

For a HAP contract under an Agreement executed on or after June 1, 1998, the applicable factor is the published annual adjustment factor in effect 60 calendar days before the HAP contract anniversary. For a HAP contract under an Agreement executed before June 1, 1998, the applicable factor is the published annual adjustment factor in effect on the contract anniversary date.

In making the annual adjustment, the pre-adjustment rent to owner does not include any previously approved special adjustment.

The rent to owner may be adjusted up or down but will not be less than the initial rent to owner except as necessary to correct errors in establishing the initial rent in accordance with HUD requirements.

For Poughkeepsie Housing Authority owned units, the Housing Authority must request HUD approval of the annual adjustment. The Housing Authority will not increase the rent at the annual anniversary until and unless HUD has reviewed the Housing Authority comparability study, and has approved the adjustment.

The adjusted rent to owner (for AHAP's after January 16, 2001) is solely equal to the reasonable rent as determined by the Poughkeepsie Housing Authority in accordance with 24 CFR 983.256 as follows:

1. In determining the annual adjustment of rent to owner, the adjusted rent to owner must not exceed a reasonable rent as determined by the Poughkeepsie Housing Authority "comparability study."
2. The comparability study is an analysis of rents charged for comparable units. The Housing Authority comparability study must determine the reasonable rent for the contract units as compared with rents for comparable unassisted units. The adjusted rent for a contract unit may not exceed the reasonable rent as shown by the comparability study.
3. The comparability will include a completed comparability analysis for each unit type on Form HUD-92273 (Estimates of Market Rent by Comparison). The comparability study may be prepared by Housing Authority staff or by another qualified appraiser. The appraiser may not have any direct or indirect interest in the property or otherwise.

4. The comparability study must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units.
 5. If the owner requests a rent increase by the 120-day deadline, the Housing Authority must submit a comparability study to the owner at least 60 calendar days before the HAP contract anniversary.
- d. Special Adjustment of Rent to Owner (for AHAP's in existence prior to January 16, 2001)

At HUD's sole discretion, HUD may approve a special adjustment of the rent to owner. The Poughkeepsie Housing Authority may only make a special adjustment of the rent to owner if HUD has approved the adjustment. The owner does not have any right to receive a special adjustment.

A special adjustment may only be approved to reflect increases in the actual and necessary costs of owning and maintaining the contract units because of substantial and general increases in:

- i. Real property taxes;
- ii. Special governmental assessments;
- iii. Utility rates; or
- iv. Cost of utilities not covered by regulated rates.

A special adjustment may only be approved if and to the extent the owner demonstrates that cost increases are not adequately compensated by application of the published annual adjustment factor at the contract anniversary. The owner must demonstrate that the rent to owner is not sufficient for proper operation of the housing.

The adjusted rent may not exceed the reasonable rent as determined by a comparability study.

The Housing Authority may withdraw or limit the term of any special adjustment. If a special adjustment is approved to cover temporary or one-time costs, the special adjustment is only a temporary or one-time increase of the rent to owner.

H. Maximum Subsidy

For the project-based housing program, the maximum Total Tenant Payment shall not exceed 30% of the family's adjusted monthly income.

I. Setting the Payment Standard

The HAP contract shall establish gross rents (rent to owner plus the allowance for tenant-paid utilities) that do not exceed 110 percent of the established Fair Market Rent (FMR), or any HUD-approved "exception payment standard" (i.e., a payment standard amount that exceeds 110 percent of the published FMR) for the area where the housing is located.

If a unit has been allocated a low-income housing tax credit under the Internal Revenue Code of 1986 at 26 U.S.C. 42, but is not located in a "qualified census tract" as defined in the law, the rent to owner may be established at any level that does not exceed the rent charged for comparable units in the same building that receive the tax credit but do not have additional rental assistance.

Within the limitations mentioned above, the initial rent to the owner may differ from payment standard amounts in the payment standard schedule adopted for the Poughkeepsie Housing Authority's tenant based voucher program. However, just as in the regular tenant based program, the initial and adjusted rent to owner must be reasonable in relation to rents charged in the private market for comparable unassisted units.

J. Assistance and Rent Formulas

The housing assistance payment is calculated in accordance with 24 CFR 983.260 as the gross rent minus the total tenant payment. The family share is calculated in accordance with 24 CFR 983.261 by subtracting the amount of the HAP from the gross rent.

K. Lead-Based Paint

Project-Based housing choice vouchers must comply with the typical HUD requirements for lead-based paint in housing units (24 CFR 35.700-730). In order for the Poughkeepsie Housing Authority to issue the project-based vouchers, the owner must supply the Housing Authority with proof that all lead-based paint requirements have been complied with.

L. Police and Security Personnel

Section 8 Project-based assistance may be provided to police officers and security personnel who would otherwise not be eligible for housing assistance. Owners are required to apply to HUD (Field Office) for authorization to house over-income police officers and other security personnel in assisted units. The request must include:

1. A statement demonstrating the need for increased security at the development.
2. The proposed gross rent by unit size.
3. Any special conditions for occupancy.

28.0 HOUSING CONVERSION ACTIONS (ENHANCED AND REGULAR HOUSING CHOICE VOUCHERS)

Housing conversion actions are:

- A. Owner decisions to opt-out of or not renew Section 8 project-based contracts (opt-outs);
- B. Owner prepayments of the mortgage or the voluntary termination of the mortgage insurance of a preservation eligible property (preservation prepayments);
- C. HUD enforcement actions against owners (including the termination or non-renewal of a Section 8 project-based housing assistance payments (HAP) contract); and
- D. HUD property disposition activities.

Depending on the type of Housing Conversion Action, eligible families receive either regular voucher assistance or enhanced voucher assistance. Enhanced voucher assistance under Section 8(t) of the United States Housing Act of 1937 differs from regular housing choice voucher assistance in two major respects if the participant remains in the effected property. First, it will establish a new "minimum rent" equal to the rent the family was paying at the time of the eligibility event, and second it may establish an enhanced payment standard that exceeds the Poughkeepsie Housing Authority's normal payment standard.

Specifically, the following actions constitute "housing conversion actions":

- A. Preservation Prepayments

When the owner prepays the mortgage or voluntarily terminates the mortgage insurance of preservation eligible properties (generally Section 236 and Section 221(d)(3) properties) certain residents are eligible for enhanced voucher assistance.

B. Project-based Opt-outs

When an owner chooses to end participation in certain programs by either opting-out of or not renewing certain expiring Section 8 contracts, eligible low-income residents assisted under the expiring Section 8 project-based contract are eligible for enhanced voucher assistance. The opt-out category includes cases where Section 8 contracts in restructured properties are converted to tenant-based assistance in accordance with section 515(c) of the Multifamily Assisted Housing Reform and Affordability Act of 1997. In the case of a 515(c) opt-out only, all families assisted under the expiring contract are income-eligible for enhanced voucher assistance.

Eligible low-income residents assisted under a rent supplement contract under Section 101 of the Housing and Urban Development Act of 1965 that ends at the expiration of a Section 8 HAP contract for units in the property are also eligible for enhanced voucher assistance. In a case where a rent supplement contract ends and there is not an expiring Section 8 project-based contract at the property, regular vouchers are provided to the eligible low-income families covered by the rent supplement contract, subject to availability of appropriations.

C. HUD Enforcement Actions

When there is a HUD-originated termination action, HUD is either terminating the Section 8 project-based HAP contract or not offering the owner the option to renew an expiring Section 8 project-based HAP contract due to an owner's failure to comply with the terms of the HAP contract. It includes suspensions and debarments.

HUD enforcement actions may also result from material adverse financial or managerial actions or omissions that lead to either owner default under a FHA-insured mortgage (monetary or technical) or a documented material violation of one or more of the obligations under the property's Regulatory Agreement.

Eligible families are usually assisted with regular vouchers in these circumstances because families must move to receive housing choice voucher assistance.

D. HUD Property Disposition

A property disposition occurs when HUD is selling the property at a foreclosure sale, or is the mortgagee-in-possession or owner of the multifamily property due to an owner default on an FHA-insured mortgage and is closing down the property or selling the property to a new owner. Regular vouchers are provided to assist eligible low-income families in these cases.

28.1 TENANT-BASED ISSUES FOR HOUSING CONVERSION ACTIONS

In general, housing choice voucher program rules, regulations, and requirements apply to special admission vouchers made available for families as the result of "housing conversion actions". Some actions will lead to the issuance of enhanced vouchers, which will be discussed in detail in this Section.

The following program guidance is applicable to all housing conversion actions, both regular and enhanced voucher assistance.

A. Tenant-based Nature of the Assistance

Housing choice vouchers (including enhanced vouchers) provided by HUD as the result of a housing conversion action are always tenant-based assistance. Families issued vouchers may elect to use the assistance in the same property and in all cases may choose to move from the property. Families may choose to exercise portability and move outside of the jurisdiction of the Poughkeepsie Housing Authority. There is no guarantee to the owner that any housing choice voucher assistance will be utilized at the property for any period of time. The Poughkeepsie Housing Authority will emphasize the tenant-based aspect of the assistance when briefing families, who may be unfamiliar with the concept of tenant-based assistance and the freedom of choice associated with a tenant-based subsidy.

B. Poughkeepsie Housing Authority Screening of Families

The Poughkeepsie Housing Authority will utilize its normal screening procedures as part of the eligibility requirements.

The Poughkeepsie Housing Authority will provide any family denied assistance with an opportunity for an informal review. The decision to deny assistance rests with the Poughkeepsie Housing Authority,

C. Use of Owner Certifications for Determining Tenant Income

In order to reduce processing time, the Poughkeepsie Housing Authority may exercise its right to use the owner's most recent family income examination if:

1. the owner's current certification for the family is no more than six (6) months old; and
2. the Poughkeepsie Housing Authority determines that the owner certifications are acceptable after reviewing a small sample for accuracy.

If the Poughkeepsie Housing Authority chooses to use the owner's income certification, the Poughkeepsie Housing Authority will compete the subsequent family reexamination within one year of the date of the owner certification, not the date the Poughkeepsie Housing Authority accepted the owner certification in lieu of conducting its own determination.

D. Poughkeepsie Housing Authority Subsidy Standards

The Poughkeepsie Housing Authority will issue the housing choice voucher in accordance with its normal subsidy standards, not the actual size of the unit the family is currently occupying. There is a special rule for enhanced vouchers concerning families who reside in over-sized units and wish to remain at the property. This exception only applies to enhanced voucher assistance.

The Poughkeepsie Housing Authority will utilize the subsidy standard to calculate the maximum rent subsidy for the family. The payment standard for the family shall be the lower of:

1. the payment standard for the family unit size as determined by the Poughkeepsie Housing Authority subsidy standards; or
2. the payment standard for the actual size of the unit rented by the family.

E. Search Time

Since these vouchers are targeted to specific families adversely affected by HUD or owner actions in HUD multifamily properties, the Poughkeepsie Housing Authority will provide families with maximum search time that is reasonably required to locate housing.

F. Rent Reasonableness and Approval of Tenancy

All regular program requirements regarding the reasonableness of rent apply, regardless of whether the vouchers are enhanced vouchers or regular vouchers.

Reasonable rent is defined as a rent to owner that is not more than rent charged:

1. for comparable units in the private unassisted market; and

2. for comparable unassisted units in the premises.

The Poughkeepsie Housing Authority will not approve a lease until the Poughkeepsie Housing Authority determines that the initial rent to owner is a reasonable rent, regardless of whether the family chooses to remain in the family's current unit or move to a different unit.

If the Poughkeepsie Housing Authority determines the proposed rent is not reasonable, the owner must lower the rent or the family will have to find another unit in order to benefit from the voucher subsidy.

The initial lease term must be for at least one year unless the Poughkeepsie Housing Authority determines that a shorter term would improve housing opportunities for the participant and such shorter term is the prevailing local market practice.

G. Housing Quality Standards Inspections

The Poughkeepsie Housing Authority will inspect the unit to ensure that the unit meets the normal housing quality standards even if the family is residing in a unit that was previously assisted under a Section 8 project-based contract. Under no circumstances will the Poughkeepsie Housing Authority make housing assistance payments for any period of time prior to the date that the Poughkeepsie Housing Authority physically inspects the unit and determines that the unit meets the housing quality standards.

H. Timing Issues Involving HAP Contract Execution and Effective Dates

The funding process for vouchers that the Poughkeepsie Housing Authority receives from HUD is intended to result in issuance of the voucher to the family at least 60 calendar days prior to the target date of the housing conversion action. The target date is the date that the family would be impacted by a rent increase or possible displacement as a result of the housing conversion action.

For opt-out or HUD enforcement actions, the target date is the date that the project-based HAP contract expires or is terminated. For a preservation property, the target date is the earliest date the owner may increase the rent (no earlier than 60 calendar days following the effective date of the prepayment).

Before the Poughkeepsie Housing Authority approves a family to lease a dwelling unit with voucher assistance, the Poughkeepsie Housing Authority shall determine that the following conditions are met:

1. the unit is eligible;
2. The unit has been inspected and passes the housing quality standards;
3. the lease includes the tenancy addendum;
4. the rent to owner is reasonable; and
5. at the time a family initially receives tenant-based regular voucher assistance for occupancy of a dwelling unit and where the gross rent of the unit exceeds the applicable payment standard for the family, the family share (gross rent minus subsidy) must not exceed 40 percent of the family's adjusted monthly income. (The 40 percent restriction is not applicable in the case of a family assisted with enhanced voucher assistance.)

Once these conditions are met, the Poughkeepsie Housing Authority will approve the unit for leasing.

In establishing the effective date of tenant-based HAP contracts, it is very important to make a distinction between families who choose to stay in the property and families who choose to move. The Poughkeepsie Housing Authority will not approve a tenancy (and execute a housing choice voucher HAP contract) on behalf of a stayer (family that stays in the property) for a lease term that is effective prior to the target date of the housing conversion action. For a family that is moving, the Poughkeepsie Housing Authority may approve a tenancy that begins before the target date, since in strong rental markets potential landlords will not hold a unit vacant.

I. Initial and Subsequent Use of Vouchers

All housing choice vouchers (enhanced or non-enhanced) provided in connection with housing conversion actions are special admission vouchers. Special admission vouchers differ from regular vouchers in that HUD provides the assistance with a specific family in mind. The Poughkeepsie Housing Authority will first use the allocation to assist the families targeted for assistance. The Poughkeepsie Housing Authority will not consider whether the family is on the housing choice voucher waiting list or the family's position on the housing choice voucher waiting list.

If a voucher issued to a family as the result of a housing conversion action turns over for any reason, the Poughkeepsie Housing Authority will retain the voucher for use as part of its regular housing choice voucher program. In cases where an enhanced voucher turns over following initial issuance, the voucher loses its

special enhanced characteristics and is subject to all normal housing choice voucher program rules.

J. Inapplicability of the Poughkeepsie Housing Authority Targeting Requirement

Families admitted to the Poughkeepsie Housing Authority's tenant-based voucher program as a result of a housing conversion action are not subject to the income targeting requirements of the tenant-based program, and their admission will not be counted in determining whether the Poughkeepsie Housing Authority complied with the income targeting requirement.

28.2 **PRESERVATION PREPAYMENTS**

When the owner prepays the mortgage or voluntarily terminates the mortgage insurance of preservation eligible properties (generally Section 236 and Section 221(d)(3) properties) certain residents are eligible for enhanced voucher assistance.

A. Owner Prepays the Mortgage or Voluntarily Terminates the Mortgage Insurance (Preservation Prepayments)

Tenant-based assistance is offered to eligible residents of properties covered by the Emergency Low-Income Housing Preservation Act of 1987 (ELIHPA) and the Low-Income Housing Preservation and Resident Homeownership Act of 1990 (LIHPRHA). (HUD's Office of Housing is responsible for identifying property eligibility under these provisions)

1. Covered Prepayments

To be considered an eligible property, the property must have reached its 20th year from final endorsement and meet one of the following criteria:

- a. Section 221(d)(3)-market rate, limited distribution properties receiving Section 8 payments converted from Rent Supplement whose project number series is 35001-36599;
- b. All Section 221(d)(3) below market interest rate properties whose project number series are 55001-55999 and 57501-57999, unless a Rent Supplement Contract remains in effect between HUD and the mortgagor;
- c. All Section 236 properties whose project number series are 44001-44799; 44801-44899; 45001-45999; and 58501-58999, unless a Rent Supplement Contract remains in effect between HUD and the mortgagor;

- d. A purchase money mortgage formerly insured under Section 221(d)(3) or 236;
- e. A mortgage held by a state agency as a result of a sale by HUD without insurance, which immediately before the sale would have been eligible low-income housing under LIHPRHA; which mortgage (1) for LIHPRHA properties is, or is within 2 years of being, eligible for prepayment by contract or regulation in effect before February 5, 1988 without HUD's prior approval; or (2) for ELIHPA properties is, or is within 1 year of being, eligible for prepayment under regulation or contract in effect before February 5, 1988; or
- f. All State-assisted properties that are eligible for preservation assistance under LIHPRHA or ELIHPA.

2. Flexible Subsidy Properties

Section 536 of the Preserving Affordable Housing for Senior Citizens and Families into the 21st Century Act provides that any property that receives or has received assistance under Section 201 of the Housing and Community Development Amendments of 1978 (the flexible subsidy program, 12 U.S.C. 1715z-1a) which is the subject of a transaction under which the property is preserved as affordable housing (as determined by HUD) shall be considered eligible low-income housing under Section 229 of LIHPRHA for purposes of eligibility of residents for enhanced tenant-based assistance. (The Office of Housing is responsible for determining on a case-by case basis if a flexible subsidy property meets the requirements of Section 536 concerning the applicability of enhanced vouchers)

B. Families Eligible for Enhanced Voucher Assistance in Preservation Eligible Properties

The resident family must be residing in the preservation eligible property on the effective date of prepayment or voluntary termination of mortgage insurance (or the effective date of the transaction in the case of covered flexible subsidy properties), and must be income-eligible on that effective date.

1. Income Eligibility

In order to be eligible for enhanced voucher assistance, the resident must be:

- a. a low-income family (including a very low-income or extremely low income family);
- b. a moderate-income elderly or disabled family; or
- c. a moderate-income family residing in a low vacancy area (3 percent or less vacancy rate). (The HUD field office economist is responsible for determining whether the property where the owner is prepaying or voluntarily terminating the mortgage insurance is located in a low vacancy area).

A resident family who does not fall into one of those categories on the effective date of the prepayment or voluntary termination is not eligible for a voucher, regardless of whether the family's situation subsequently changes after the effective date of the prepayment.

A low-income family is a family whose annual income does not exceed 80 percent of the median income for the area as determined by HUD.

A moderate-income family is a family whose annual income is above 80 percent but does not exceed 95 percent of the area median income as determined by HUD.

2. Unassisted and Assisted Families

Both previously unassisted and currently assisted residents may be eligible for enhanced voucher assistance as the result of a preservation prepayment.

A voucher participant who is residing in the property at the time of the eligibility event shall receive enhanced voucher assistance if the family meets all of the following conditions:

- a. the family must meet the income requirements on the date of the eligibility event;
- b. any rent increase under the voucher program must be in accordance with the lease agreement and program regulations;
- c. the new gross rent must be reasonable; and
- d. the family must decide to stay in the unit instead of moving.

Under the voucher program, an owner may increase the rent as permitted by the terms of the existing lease and local and state law, so long as the new rent is reasonable. The owner is not required by the program regulations to terminate the existing lease and HAP contract for current voucher participants to receive the special enhanced subsidy.

If the above conditions are met, the payment standard utilized by the Poughkeepsie Housing Authority to calculate the housing assistance payment is the new gross rent of the family's unit. The enhanced voucher minimum rent requirement now applies to the family (See Enhanced Voucher Minimum Rent Requirement for Stayers below).

Any family receiving Section 8 project-based assistance on the effective date of the prepayment will continue to receive the project-based assistance until the project-based contract expires or terminates. Such families will receive enhanced voucher assistance at the time of the expiration and non-renewal of the Section 8 project-based contract.

3. Eligibility Event and Existing Leases

Note that the eligibility event (e.g., the prepayment of the mortgage or the voluntary termination of a mortgage insurance contract for a preservation eligible property and the approval of the flexible subsidy transaction for flexible subsidy properties) does not in itself necessarily terminate or modify the existing leases between the owner and the current residents of the property. An owner may only legally increase the rent or terminate the lease as provided under the terms of the lease in accordance with state and local law. In addition, an owner may not increase the rent for at least 60 calendar days from the eligibility event in the case of a preservation prepayment or voluntary termination of the mortgage.

If an eligible family chooses to stay at the property, the Poughkeepsie Housing Authority will not enter into a HAP contract that commences prior to the effective date of the rent increase.

In addition, a family that receives an enhanced voucher has the right to remain in the property as long as the units are used for rental housing and are otherwise eligible for housing choice voucher assistance. The owner may not terminate the tenancy of a family that exercises its right to remain except for a serious or repeated lease violation or other good cause. If an owner refuses to honor the family's right to remain, the family may exercise any judicial remedy that is available under state and/or local law.

4. Family Eligibility for Enhanced Voucher Assistance in Cases Where There Would be no Initial Housing Assistance Payment and the Family Wishes to Stay in the Property

If the Poughkeepsie Housing Authority determines that the family is income-eligible for an enhanced voucher but that there is no HAP payment because the family's total tenant payment equals or is greater than the gross rent, the Poughkeepsie Housing Authority will maintain a record of eligibility determination for that family. The Poughkeepsie Housing Authority shall inform the family that should the family's income decrease or the family's rent increase within three years of the eligibility event, the family may contact the Poughkeepsie Housing Authority. Should the Poughkeepsie Housing Authority then determine that the change in income would result in a housing assistance payment, the Poughkeepsie Housing Authority will execute a housing assistance payment contract on behalf of the family at such time (assuming the unit is approved for leasing in accordance with the housing choice voucher program requirements). It is the family's responsibility to contact the Poughkeepsie Housing Authority when there is a decrease in family income or an increase in the family rent.

C. Voluntary Termination of Mortgage Insurance or Prepayment of Mortgage on Section 236 Property's Where Section 236 Rent Rules Remain Applicable (decoupling actions)

Where an owner voluntarily terminates the mortgage insurance or prepays the Section 236 mortgage in a preservation eligible Section 236 property and the rent setting requirements of the Section 236 program are still applicable to the property, the enhanced voucher rent would be no greater than the Basic Rent established in accordance with HUD Notice H 2000-8. Since families must pay at least 30 percent of their monthly adjusted income under the voucher subsidy formula, only those low-income families required to pay the basic rent will receive any voucher subsidy in such instance, unless the family chooses to move.

Regardless of the rents established under the rent formula for these properties, the rent reasonableness requirements of the housing choice voucher program must be met for the family to receive tenant-based assistance at the property. (The HUD Field Office is responsible for informing the Poughkeepsie Housing Authority in cases where the rent setting requirements of the Section 236 program remain in effect).

D. Enhanced Voucher Family Right to Remain

The FY 2001 Military Construction and FY 2000 Emergency Supplemental Appropriations laws amended Section 8(t) of the United States Housing Act. A family that receives an enhanced voucher has the right to remain in the property as long as the units are used for rental housing and are otherwise eligible for housing choice voucher assistance (e.g., the rent is reasonable, unit meets HQS, etc.) The owner may not terminate the tenancy of a family that exercises its right to remain except for a serious or repeated lease violation or other good cause. If an owner refuses to honor the family's right to remain, the family may exercise any judicial remedy that is available under State and/or local law.

E. Characteristics of Enhanced Voucher Assistance

1. Payment Standard Where the Family Chooses to Stay in the Same Property

For a family that stays in the property, the payment standard used to calculate the voucher housing assistance payment is the gross rent (rent to owner, plus the applicable Poughkeepsie Housing Authority utility allowance for any tenant-supplied utilities) of the family's unit (provided the proposed gross rent is reasonable), regardless of whether the gross rent exceeds the Poughkeepsie Housing Authority payment standard.

2. Rent Reasonableness Documentation and Lease Requirements

All regular housing choice voucher program requirements concerning the reasonableness of the rent and the provisions of the HUD prescribed lease addendum apply to enhanced vouchers. The Poughkeepsie Housing Authority will determine whether the proposed rent for the family's unit is reasonable.

The Poughkeepsie Housing Authority makes this determination by comparing the unit to other comparable unassisted units based on the current condition of the unit. If the Poughkeepsie Housing Authority determines the owner's proposed new rent is not reasonable, the owner must either lower the rent, or the family will have to find another unit in order to benefit from the voucher.

The special payment standard for enhanced tenant-based assistance for a family that stays in the unit sometimes results in the Poughkeepsie Housing Authority approving a tenancy for a unit that otherwise would be ineligible or unaffordable to a family with regular tenant-based assistance. If the rent is reasonable in comparison to the rents of comparable unassisted units, there is nothing improper or incorrect in approving the owner's new rent even if the rent would not normally be affordable for a

family with a regular housing choice voucher. The Poughkeepsie Housing Authority will document the rent reasonableness of the owner's rent in the family's file by including the rents and addresses of the comparable units used to make the determination.

3. Effect of Family Unit Size Limitation - Initial Issuance

The Poughkeepsie Housing Authority will issue the family an enhanced voucher based on its Subsidy Standards, not on the actual size of the unit the family is currently occupying. However, if the family wishes to stay in the property, but is living in an oversized unit, the enhanced voucher family must move to an appropriate size unit in the property if one is available. To the extent there are more over-housed families than appropriate size units available at any time, the Poughkeepsie Housing Authority will determine based on family circumstances (age, frailty, etc.) which families will be required to move.

If there is no appropriate size unit currently available in the property, the family must make a good faith attempt to find a unit outside the property. In order to determine if the family has made a good faith effort, the Poughkeepsie Housing Authority will require the family to submit a list of potential units by address, the landlords name and telephone number.

If the family has not located an eligible unit at the end of the term of the voucher (including any extension granted by the Poughkeepsie Housing Authority) despite making a good faith effort, the Poughkeepsie Housing Authority will execute a housing assistance payment contract for the family's current unit, provided the unit complies with housing quality standards and the proposed rent is determined to be reasonable.

The effective date of the housing assistance payment contract for the oversized unit will not be earlier than the expiration date of the term of the family voucher. The family will be responsible for the full rent of the unit prior to the effective date of the housing assistance payment contract.

The payment standard is the gross rent of the oversized unit. The Poughkeepsie Housing Authority will advise the family in writing that the enhanced subsidy based on the oversized unit's rent will only be paid for one year. During that year, the family may move to an appropriate size unit in the property if one becomes available and the owner agrees to mutually terminate the lease agreement for the oversized unit. The family will receive the special payment standard for the appropriate size unit if the family moves to the appropriate size unit under this circumstance.

After the initial year of assistance in the oversized unit, the Poughkeepsie Housing Authority will apply the normal payment standard in determining the family's housing assistance payment. If the family wishes to remain in the unit and do so under regular housing choice voucher program rules, the family will have to pay the additional cost for the oversized unit out-of-pocket.

If the Poughkeepsie Housing Authority determines that the unit of an enhanced voucher family is no longer decent, safe, and sanitary under the HQS requirements because an increase in family size causes the unit to be overcrowded, the family must move to an appropriate size unit in the property or move to another unit not located at the property to continue to receive housing choice voucher assistance. The Poughkeepsie Housing Authority is required to assist the family in locating other standard housing in the Poughkeepsie Housing Authority jurisdiction. The family and the Poughkeepsie Housing Authority will try to find an acceptable unit as soon as possible. If the family rejects, without good cause, the offer of a unit that the Poughkeepsie Housing Authority judges to be acceptable, the Poughkeepsie Housing Authority will terminate the HAP contract.

If the family moves to an appropriate size unit in the property, the enhanced voucher subsidy rules would continue to apply to the family's voucher assistance. In the case of a family move from the property, the regular housing choice voucher program rules apply.

4. Family Move: Normal Payment Standard is Applicable

The Poughkeepsie Housing Authority's normal payment standard is utilized to determine the family's maximum voucher subsidy when the family moves from the property. This includes cases where the proposed new rent for the family's current unit if it is not reasonable or the unit fails HQS, requiring the family to move in order to continue receiving tenant-based assistance.

5. Enhanced Voucher Minimum Rent Requirement for Stayers

Families assisted with enhanced housing choice voucher assistance have a special statutory minimum rent requirement. The law requires that a family receiving enhanced voucher assistance must pay for rent no less than the rent the family was paying on the date of the eligibility event (the effective date of the prepayment of the mortgage or voluntary termination of the mortgage insurance) regardless of what happens to the family's income.

The enhanced voucher minimum rent only applies if the family remains in the property. The enhanced voucher minimum rent does not apply if the family moves from the property.

A family who stays in the unit and receives enhanced voucher assistance must pay at least the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the normal restriction on the initial family contribution is not applicable.

a. Previously Unassisted Residents Rent Requirement

Previously unassisted residents must pay at least the dollar amount of the gross rent (enhanced voucher minimum rent) the family was paying on the date of prepayment or voluntary termination. The Poughkeepsie Housing Authority's utility allowance will be used to calculate the gross rent at prepayment if all utilities were not included in the rent the family paid to the owner.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the normal initial family contribution is not applicable.

b. Previously assisted Section 8 Tenant-based Families Rent Requirement

Residents assisted with Section 8 tenant-based vouchers at the time of a prepayment or voluntary termination by the owner will pay at least the family share (enhanced voucher minimum rent) that they were paying on eligibility event. The enhanced minimum rent provision only applies if the family chooses to remain in its present unit and receive the "enhanced" subsidy.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the normal initial family contribution is not applicable.

6. Significant Decline in Family Income - Effect on Enhance Voucher Minimum Rent

If an enhanced voucher family suffers a significant decline in family income, the minimum family share required of the family shall be reduced below the enhanced minimum rent provision so that the percentage of income for rent does not exceed the greater of 30 percent or the percentage of monthly adjusted income actually paid by the family for rent (the rent to owner, plus tenant-paid utilities) on the effective date of the prepayment. A significant decline is defined as gross family income that is at least 15 percent less than the gross family income on the date of the eligibility event.

If the family suffers a significant decline in family income, the Poughkeepsie Housing Authority will change the enhanced voucher minimum rent from an actual dollar amount to a specific percentage of income.

a. Previously Unassisted Families

For eligible families who were previously unassisted on the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. the percentage of the monthly adjusted income the family paid for gross rent on the effective date of the eligibility event; or
- ii. 30 percent of the family's current adjusted monthly income.

b. Previously assisted Section 8 Tenant-based Families

For families who were previously assisted under a project-based or tenant-based contract on day the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. the percentage of the monthly adjusted income the family paid for gross rent;
- ii. the Total Tenant Payment;
- iii. the family share represented on the effective date of the eligibility event; or

- iv. 30 percent of the family's current adjusted monthly income.

The new enhanced voucher minimum rent for these families is a percentage of income as opposed to a specific dollar amount. Once this change in the enhanced voucher minimum rent becomes effective for a family, the enhanced voucher minimum rent for the family remains that specific percentage of income and will not revert to a specific dollar amount, even if the family income subsequently increases or decreases.

When a family reports a significant decrease in family income, the Poughkeepsie Housing Authority will conduct an interim reexamination and verify the changes in income.

The minimum rent represents the lowest amount the family may pay as their family share for as long as the family remains in the property. A family may pay no less than the enhanced voucher minimum rent. Depending on the circumstances, the family may have to pay more than the enhanced voucher minimum rent at the time of eligibility event.

7. Calculating the HAP for Enhanced Voucher Assistance

Regardless of whether the owner's new gross rent after the eligibility event exceeds or is less than the Poughkeepsie Housing Authority's payment standard, the housing assistance payment for a family that stays in their present unit (or moves from an oversized unit to an appropriate size unit within the property) is the following:

The gross rent for the unit minus the greatest of:

- a. 30 percent of the adjusted family income;
- ii. 10 percent of the family monthly income (gross monthly income);
- iii. the welfare rent in as-paid states;
- iv. the enhanced voucher minimum rent; or
- v. the Poughkeepsie Housing Authority's minimum rent.

8. Movers from the Property

If a resident decides to move from the property with the voucher assistance, the payment standard is not enhanced and the special voucher minimum rent does not apply. This applies both to families who decide to move when the eligibility event takes place and to families who have resided at the property after the eligibility event and want to move with continued assistance. In either circumstance, the housing assistance payment and the family share at the new unit are calculated in accordance with the regular rules of the housing choice voucher program.

G. Administering Enhanced Voucher Assistance

The special conditions of enhanced voucher assistance (enhanced voucher minimum rent and the special payment standard rules) are applicable for as long as the family receives voucher assistance in the property.

If an owner subsequently raises the rent for an enhanced voucher family in accordance with the lease, State and local law, and voucher program regulations (including rent reasonableness), the Poughkeepsie Housing Authority will utilize the new gross rent to calculate the voucher HAP payment for the family.

The Poughkeepsie Housing Authority shall identify an eligible family as an enhanced voucher family even if the gross rent of the family's unit does not currently exceed the normally applicable Poughkeepsie Housing Authority payment standard. Since the enhanced payment standard rule also covers any subsequent rent increases, it is possible that the special payment standard may come into play later in the family's tenancy. An enhanced voucher family is also required by law to pay no less than the enhanced voucher minimum rent, regardless of whether the gross rent exceeds the normally applicable Poughkeepsie Housing Authority payment standards.

1. Enhanced Voucher Minimum Rent

The enhanced voucher minimum rent requirement remains in effect for all families who receive enhanced voucher assistance for as long as they remain in the property.

2. The payment standard used to calculate the family subsidy will continue to be enhanced to match the gross rent for the unit if the gross rent exceeds the normally applicable payment standard and the Poughkeepsie Housing Authority determines the rent is reasonable for as long as the enhanced voucher family continues to reside in the same property.

If the owner raises the rent for a family assisted with an enhanced voucher in accordance with the lease, State and local law, and voucher program

regulations, the Poughkeepsie Housing Authority will increase the enhanced payment standard to equal the new gross rent (rent to owner and the applicable Poughkeepsie Housing Authority utility allowance for any tenant-supplied utilities) for the unit provided the Poughkeepsie Housing Authority determines the rent is reasonable. The additional cost of the subsidy will be covered through the regular renewal process for the Poughkeepsie Housing Authority's voucher program.

If a change in the Poughkeepsie Housing Authority's utility allowance (either an increase or decrease) affects the gross rent for a family assisted with an enhanced voucher, the Poughkeepsie Housing Authority will adjust the enhanced payment standard accordingly. The enhanced payment standard may never exceed the gross rent for the assisted family's unit.

28.3 OWNER OPT-OUTS

If an owner opts-out or elects not to renew an expiring contract for project-based assistance, HUD will make enhanced voucher authority available to the Poughkeepsie Housing Authority for eligible families covered by the expiring contract.

A. Covered Opt-outs

The property must be covered in whole or in part by a contract for project-based assistance, and consist of more than four dwelling units under one of the following programs:

1. The new construction or substantial rehabilitation program under Section 8(b)(2) of the United States Housing Act of 1937 (as in effect before October 1, 1983);
2. The property disposition program under Section 8(b) of the United States Housing Act of 1937;
3. The loan management assistance program under Section 8(b) of the United States Housing Act of 1937;
4. The rent supplement program under Section 101 of the Housing and Urban Development Act of 1965, provided that at the same time there is also a Section 8 project-based contract at the same property that is expiring or terminating and will not be renewed;
5. Section 8 of the United States Housing Act of 1937, following conversion from assistance under Section 101 of the Housing and Urban Development Act of 1965; or

6. The moderate rehabilitation program under Section 8(e)(2) of the United States Housing Act of 1937 (as in effect before October 1, 1991).

Note that an owner may not choose to opt-out of a rent supplement contract. Instead, the rent supplement assistance ends either at the end of the term of the contract (generally 40 years after the first rent supplement payment was made) or when the mortgage terminates, depending on which event occurs first.

In addition, although families affected by Section 8 moderate rehabilitation opt-outs are eligible for enhanced vouchers that are subject to enhanced vouchers rules, these opt-outs are not considered a housing conversion action because the expiring contract is between the owner and the Poughkeepsie Housing Authority. The Housing Authority is not eligible to receive the special fee for extraordinary administrative costs and the specific funding process instructions do not apply to an owner's decision to not renew an expiring Section 8 moderate rehabilitation contract.

B. Family Eligibility for Enhanced Vouchers as a Result of an Owner Opt-out

In order to be eligible for enhanced voucher assistance, the resident must be:

1. A low-income family (including a very low or extremely low income family); and
2. Residing in a unit covered by the expiring Section 8 project-based contract on the date of expiration.

In the case of the expiration of a covered Section 8 contract under 515(c) of MAHRA only (mark-to-market restructuring where the Section 8 project-based assistance contract is converted to tenant-based assistance), all families assisted under the expiring contract are considered income-eligible for enhanced voucher assistance.

C. Special Income Eligibility Rules for Opt-out Families in Properties Where a Preservation Prepayment Preceded the Owner Opt-out

If the owner opt-out of the Section 8 project-based contract occurs after the owner has prepaid the mortgage or voluntarily terminated the mortgage insurance of a preservation eligible property, families who do not meet the definition of a low-income family may still be eligible to receive an enhanced voucher. In order to be eligible, the family must:

1. Reside in a unit covered by the expiring contract on the date of expiration;

2. Have also resided in the property on the effective date of the prepayment; and
3. Meet the income requirements for enhanced voucher eligibility for residents affected by a preservation prepayment described below.

To determine family eligibility in this circumstance, the Poughkeepsie Housing Authority will first determine income eligibility of the family based on the normal eligibility rules for opt-outs. For a family that is found not to be low-income, the Poughkeepsie Housing Authority will then make a determination of whether the family lived in the property on the date of the prepayment. If the family resided in the property on the date of prepayment, the Poughkeepsie Housing Authority will then determine if the family is income-eligible under the preservation prepayment rules.

1. Income Requirements for Enhanced Voucher Eligibility for Residents Affected by a Preservation Prepayment

In order to be eligible for enhanced voucher assistance, the resident must be either:

- i. A low-income family (including a very low or extremely low income family);
- ii. A moderate-income elderly or disabled family; or
- iii. A moderate-income family residing in a low vacancy area (3 percent or less vacancy rate). (The HUD field office economist is responsible for determining whether the property where the owner is prepaying or voluntarily terminating the mortgage insurance is located in a low vacancy area).

A low-income family is a family whose annual income does not exceed 80 percent of the median income for the area as determined by HUD.

A moderate-income family is a family whose annual income is above 80 percent but does not exceed 95 percent of the area median income as determined by HUD.

If the family meets the preservation income requirement, the Poughkeepsie Housing Authority will issue the family an enhanced voucher by virtue of the preservation prepayment out of the opt-out voucher allocation received from HUD.

A resident family who does not fall into one of those categories on the effective date of the prepayment or voluntary termination is not eligible for an enhanced voucher, regardless of whether the family's situation subsequently changes after the effective date of the prepayment.

D. Family Eligibility for Enhanced Voucher Assistance in Cases Where There Would be no Initial Housing Assistance Payment and the Family Wishes to Stay in the Property

If the Poughkeepsie Housing Authority determines that the family is income-eligible for an enhanced voucher but that there is no HAP payment because the family's total tenant payment equals or is greater than the gross rent, the Poughkeepsie Housing Authority will maintain a record of eligibility determination for that family. The Poughkeepsie Housing Authority will inform the family that should the family's income decrease or the family's rent increase within three years of the eligibility event, the family may contact the Poughkeepsie Housing Authority. Should the Poughkeepsie Housing Authority then determine that the change in income would result in a housing assistance payment, the Poughkeepsie Housing Authority will execute a housing assistance payment contract on behalf of the family at such time (assuming the unit is approved for leasing in accordance with the housing choice voucher program requirements). It is the family's responsibility to contact the Poughkeepsie Housing Authority when there is a decrease in family income or an increase in the family rent.

E. Enhanced Voucher Family Right to Remain

The FY 2001 Military Construction and FY 2000 Emergency Supplemental Appropriations laws amended Section 8(t) of the United States Housing Act. A family that receives an enhanced voucher has the right to remain in the property as long as the units are used for rental housing and are otherwise eligible for housing choice voucher assistance (e.g., the rent is reasonable, unit meet HQS, etc.) The owner may not terminate the tenancy of a family that exercises its right to remain except for a serious or repeated lease violation or other good cause. If an owner refuses to honor the family's right to remain, the family may exercise any judicial remedy that is available under State and/or local law.

F. Characteristics of Enhanced Voucher Assistance

1. Payment Standard Where the Family Chooses to Stay in the Same Property

For a family that stays in the property, the payment standard used to calculate the voucher housing assistance payment is the gross rent (rent to owner, plus the applicable Poughkeepsie Housing Authority utility allowance for any tenant-supplied utilities) of the family's unit (provided the proposed gross rent is reasonable), regardless of whether the gross rent exceeds the Poughkeepsie Housing Authority normal payment standard.

2. Rent Reasonableness Documentation and Lease Requirements

All regular housing choice voucher program requirements concerning the reasonableness of the rent and the provisions of the HUD prescribed lease addendum apply to enhanced vouchers. The Poughkeepsie Housing Authority will determine whether the proposed rent for the family's unit is reasonable.

The Poughkeepsie Housing Authority makes this determination by comparing the unit to other comparable unassisted units based on the current condition of the unit. If the Poughkeepsie Housing Authority determines the owner's proposed new rent is not reasonable, the owner must either lower the rent, or the family will have to find another unit in order to benefit from the voucher.

The special payment standard for enhanced tenant-based assistance for a family that stays in the unit sometimes results in the Poughkeepsie Housing Authority approving a tenancy for a unit that otherwise would be ineligible or unaffordable to a family with regular tenant-based assistance. If the rent is reasonable in comparison to the rents of comparable unassisted units, there is nothing improper or incorrect in approving the owner's new rent even if the rent would not normally be affordable for a family with a regular housing choice voucher. The Poughkeepsie Housing Authority will document the rent reasonableness of the owner's rent in the family's file by including the rents and addresses of the comparable units used to make the determination.

3. Effect of Family Unit Size Limitation - Initial Issuance

The Poughkeepsie Housing Authority will issue the family an enhanced voucher based on its Subsidy Standards, not on the actual size of the unit the family is currently occupying. However, if the family wishes to stay in the property, but is living in an oversized unit, the enhanced voucher family must move to an appropriate size unit in the property if one is available. To the extent there are more over-housed families than appropriate size units available at any time, the Poughkeepsie Housing

Authority will determine based on family circumstances (age, frailty, etc.) which families will be required to move.

If there is no appropriate size unit currently available in the property, a family must make a good faith attempt to find a unit outside the property. In order to determine if the family has made a good faith effort, the Poughkeepsie Housing Authority will require the family to submit a list of potential units by address, the landlords name and telephone number.

If the family has not located an eligible unit at the end of the term of the voucher (including any extension granted by the Poughkeepsie Housing Authority) despite making a good faith effort, the Poughkeepsie Housing Authority will execute a housing assistance payment contract for the family's current unit, provided the unit complies with housing quality standards and the proposed rent is determined to be reasonable.

The effective date of the housing assistance payment contract for the oversized unit will not be earlier than the expiration date of the term of the family voucher. The family will be responsible for the full rent of the unit prior to the effective date of the housing assistance payment contract.

The payment standard is the gross rent of the oversized unit. The Poughkeepsie Housing Authority will advise the family in writing that the enhanced subsidy based on the oversized unit's rent will only be paid for one year. During that year, the family may move to an appropriate size unit in the property if one becomes available and the owner agrees to mutually terminate the lease agreement for the oversized unit. The family would receive the special payment standard for the appropriate size unit if the family moves to the appropriate size unit under this circumstance.

After the initial year of assistance in the oversized unit, the Poughkeepsie Housing Authority will apply the normal payment standard in determining the family's housing assistance payment. If the family wishes to remain in the unit and do so under regular housing choice voucher program rules, the family will have to pay the additional cost for the oversized unit out-of-pocket.

If the Poughkeepsie Housing Authority determines that the unit of an enhanced voucher family is no longer decent, safe, and sanitary under the HQS requirements because of an increase in family size that causes the unit to be overcrowded, the family must move to an appropriate size unit in the property or move to another unit not located at the property to continue to receive housing choice voucher assistance. The Poughkeepsie Housing Authority is required to assist the family in locating other

standard housing in the Poughkeepsie Housing Authority jurisdiction. The family and the Poughkeepsie Housing Authority will try to find an acceptable unit as soon as possible. If the family rejects, without good cause, the offer of a unit that the Poughkeepsie Housing Authority judges to be acceptable, the Poughkeepsie Housing Authority will terminate the HAP contract.

If the family moves to an appropriate size unit in the property, the enhanced voucher subsidy rules would continue to apply to the family's voucher assistance. In the case of a family move from the property, the regular housing choice voucher program rules apply.

4. Family Move: Normal Payment Standard is Applicable

The Poughkeepsie Housing Authority's normal payment standard is utilized to determine the family's maximum voucher subsidy when the family moves from the property. This includes cases where the proposed new rent for the family's current unit is not reasonable or the unit fails HQS, requiring the family to move in order to continue receiving tenant-based assistance.

5. Enhanced Voucher Minimum Rent Requirement for Stayers

Families assisted with enhanced housing choice voucher assistance have a special statutory minimum rent requirement. The law requires that a family receiving enhanced voucher assistance must pay for rent no less than the rent the family was paying on the date of the eligibility event (the effective date of the prepayment of the mortgage or voluntary termination of the mortgage insurance).

The enhanced voucher minimum rent only applies if the family remains in the property. The enhanced voucher minimum rent does not apply if the family moves from the property.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the initial family contribution is not applicable.

a. Previously Unassisted Residents Rent Requirement

Previously unassisted residents must pay at least the dollar amount of the gross rent (enhanced voucher minimum rent) the family was

paying on the date of prepayment or voluntary termination. The Poughkeepsie Housing Authority's utility allowance is used to calculate the gross rent at prepayment if all utilities were not included in the rent the family paid to the owner.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the initial family contribution is not applicable.

b. Previously assisted Section 8 Tenant-based Families Rent Requirement

Residents assisted with Section 8 tenant-based vouchers at the time of the prepayment or voluntary termination the family will pay at least the family share (enhanced voucher minimum rent) that they were paying on eligibility event. The enhanced minimum rent provision only applies if the family chooses to remain in its present unit and receive the "enhanced" subsidy.

A family who stays in the unit and receives enhanced voucher assistance must pay the enhanced voucher minimum rent. If the enhanced voucher minimum rent exceeds 40 percent of the family's monthly-adjusted income, a family must still pay at least the enhanced voucher minimum rent, and the restriction on the initial family contribution is not applicable.

6. Significant Decline in Family Income - Effect on Enhance Voucher Minimum Rent

If an enhanced voucher family suffers a significant decline in family income, the minimum family share required of the family shall be reduced so that the percentage of income for rent does not exceed the greater of 30 percent or the percentage of monthly adjusted income actually paid by the family for rent (the rent to owner, plus tenant-paid utilities) on the effective date of the prepayment. A significant decline is defined as gross family income decline of at least 15 percent from the gross family income on the date of the eligibility event.

If the family suffers a significant decline in family income, the Poughkeepsie Housing Authority will change the enhanced voucher

minimum rent from an actual dollar amount to a specific percentage of income.

a. Previously Unassisted Families

For families who were previously unassisted on the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. The percentage of the monthly adjusted income the family paid for gross rent on the effective date of the eligibility event; or
- ii. 30 percent of the family's current adjusted monthly income.

b. Previously assisted Section 8 Tenant-based Families

For families who were previously assisted under the Section 8 tenant-based voucher program on the eligibility event, the family's new enhanced voucher minimum rent is the greater of:

- i. The percentage of the monthly adjusted income the family paid for gross rent;
- ii. The Total Tenant Payment;
- iii. The family share represented on the effective date of the eligibility event; or
- iv. 30 percent of the family's current adjusted monthly income.

The new enhanced voucher minimum rent for these families is a percentage of income as opposed to a specific dollar amount. Once this change in the enhanced voucher minimum rent becomes effective for a family, the enhanced voucher minimum rent for the family remains that specific percentage of income and will not revert to a specific dollar amount, even if the family income subsequently increases or decreases.

When a family reports a significant decrease in family income, the Poughkeepsie Housing Authority will conduct an interim reexamination and verify the changes in income.

The minimum rent represents the lowest amount the family may pay as their family share for as long as the family remains in the property. A family may pay no less than the enhanced voucher minimum rent. Depending on the circumstances, the family may have to pay more than the enhanced voucher minimum rent at the time of eligibility event.

7. Calculating HAP for Enhanced Voucher Assistance

Regardless of whether the owner's new gross rent after the eligibility event exceeds or is less than the Poughkeepsie Housing Authority's payment standard, the housing assistance payment for a family that stays in their present unit (or moves from an oversized unit to an appropriate size unit within the property) is the following:

The gross rent for the unit minus the greatest of:

- a. 30 percent of the adjusted family income;
- b. 10 percent of the family monthly income (gross monthly income);
- c. The welfare rent in as-paid states;
- d. The enhanced voucher minimum rent; or
- e. The Poughkeepsie Housing Authority's minimum rent.

8. Movers from the Property

If a resident decides to move from the property with voucher assistance, the payment standard is not enhanced and the voucher minimum rent does not apply. This pertains to families who decide to move when the eligibility event takes place, and to families who have resided at the property after the eligibility event and want to move with continued assistance. In either circumstance, the housing assistance payment and the family share at the new unit are calculated in accordance with the regular rules of the housing choice voucher program.

G. Administering Enhanced Voucher Assistance

The special conditions of enhanced voucher assistance (enhanced voucher minimum rent and the special payment standard rules) are applicable for as long as the family receives voucher assistance in the property.

If an owner subsequently raises the rent for an enhanced voucher family in accordance with the lease, State and local law, and voucher program regulations (including rent reasonableness), the Poughkeepsie Housing Authority will utilize the new gross rent to calculate the voucher HAP payment for the family.

The Poughkeepsie Housing Authority will identify an eligible family as an enhanced voucher family even if the gross rent of the family's unit does not currently exceed the normally applicable Poughkeepsie Housing Authority payment standard. Since the enhanced payment standard rule also covers any subsequent rent increases, it is possible that the special payment standard may come into play later in the family's tenancy. An enhanced voucher family is also required by law to pay no less than the enhanced voucher minimum rent, regardless of whether the gross rent exceeds the normally applicable Poughkeepsie Housing Authority payment standards.

1. Enhanced Voucher Minimum Rent

The enhanced voucher minimum rent requirement remains in effect for all families who receive enhanced voucher assistance and remain at the property.

2. The payment standard used to calculate the family subsidy will continue to be enhanced to match the gross rent for the unit if the gross rent exceeds the normally applicable payment standard and the Poughkeepsie Housing Authority determines the rent is reasonable for as long as the enhanced voucher family continues to reside in the same property.

If the owner raises the rent for a family assisted with an enhanced voucher in accordance with the lease, State and local law, and voucher program regulations, the Poughkeepsie Housing Authority will increase the enhanced payment standard to equal the new gross rent (rent to owner and the applicable Poughkeepsie Housing Authority utility allowance for any tenant-supplied utilities) for the unit provided the Poughkeepsie Housing Authority determines the rent is reasonable. The additional cost of the subsidy will be covered through the regular renewal process for the Poughkeepsie Housing Authority's voucher program.

If a change in the Poughkeepsie Housing Authority's utility allowance (either an increase or decrease) affects the gross rent for a family assisted with an enhanced voucher, the Poughkeepsie Housing Authority will adjust the enhanced payment standard accordingly. The enhanced payment standard may never exceed the gross rent for the assisted family's unit.

28.4 HUD ENFORCEMENT ACTIONS

HUD enforcement actions can take the form of either terminating a Section 8 project-based HAP contract or not offering the owner the option to renew an expiring Section 8 project-based HAP contract due to an owner's failure to comply with the terms of the HAP contract. It includes suspensions and debarments.

Additionally, HUD enforcement actions may also result from material adverse financial or managerial actions or omissions that lead to either an owner default under a FHA-insured mortgage (monetary or technical) or a documented material violation of one or more of the obligations under the property's Regulatory Agreement.

Eligible families are usually assisted with regular vouchers that HUD issues to the Poughkeepsie Housing Authority in the above circumstances because families must move to receive housing choice voucher assistance.

The Poughkeepsie Housing Authority will not approve an assisted tenancy at a property if HUD has informed the Poughkeepsie Housing Authority that the owner is debarred, suspended, or subject to a limited denial of participation.

Furthermore, the Poughkeepsie Housing Authority may disapprove owner participation in the housing choice voucher program for a number of other grounds described in the housing choice voucher program regulations and previously set forth in this Administrative Plan. HUD encourages the Poughkeepsie Housing Authority to disapprove a tenancy for any of these grounds in a case where vouchers are provided because HUD is taking an enforcement action against an owner.

In a few situations, families assisted under a Section 8 project-based HAP contract that is being terminated may be able to remain at the property. For instance, if the property is in good physical condition and the owner decides to turn the property over to new ownership, it may be possible for the eligible families assisted under the terminating contract to receive housing choice voucher assistance at the property. In such a case, the project-based families would qualify for enhanced vouchers. (HUD will make the determination whether enhanced or regular voucher assistance is appropriate.)

28.5 HUD PROPERTY DISPOSITION

When HUD is selling the property at a foreclosure sale, or is the mortgagee-in-possession or owner of the multifamily property due to an owner default of an FHA-insured mortgage and closing down the property or selling property to a new owner, it will supply regular housing choice vouchers to assist eligible low-income families.

Adjusted Annual Income: The amount of household income, after deductions for specified allowances, on which a participant's rent is based.

Administrative fee: Fee paid by HUD to the housing authority for the administration of the program.

Administrative Plan: The plan that describes housing authority policies for the administration of the tenant-based programs.

Adult: A household member who is 18 years or older or who is the head of the household, or spouse, or co-head. An emancipated minor is also considered an adult. An adult must have the legal capacity to enter a lease under State and local law. In the anti-drug portions of this policy, it also refers to a minor who has been convicted of a crime as an adult under any Federal, State or tribal law.

Allowances: Amounts deducted from the household's annual income in determining adjusted annual income (the income amount used in the rent calculation). Allowances are given for elderly families, dependents, medical expenses for elderly and disabled families, disability expenses, and child care expenses for children under 13 years of age. Other allowance can be given at the discretion of the housing authority.

Amortization Payment: In a manufactured home space rental: The monthly debt service payment by the family to amortize the purchase price of the manufactured home. If the furniture was included in the purchase price, the debt service must be reduced by 15% to exclude the cost of the furniture. The amortization cost is the initial financing, not refinancing. Set-up charges may be included in the monthly amortization payment.

Annual Contributions Contract (ACC): The written contract between HUD and a housing authority under which HUD agrees to provide funding for a program under the 1937 Act, and the housing authority agrees to comply with HUD requirements for the program.

Annual Income: All amounts, monetary or not, that:

- a. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
- b. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- c. Are not specifically excluded from Annual Income.
- d. Annual Income also includes amounts derived (during the 12-month period) from assets to which any member of the family has access.

Applicant (applicant family): A family that has applied for admission to a program but is not yet a participant in the program.

Assets: see net family assets.

Asset Income: Income received from assets held by household members. If assets total more than \$5,000, income from the assets is "imputed" and the greater of actual asset income and imputed asset income is counted in annual income.

Assisted lease (lease): A written agreement between an owner and a family for the leasing of a dwelling unit to the family. The lease establishes the conditions for occupancy of the dwelling unit by a family with housing assistance payments under a HAP contract between the owner and the housing authority.

Business Days: Days the housing authority is open for business.

Certificate: A document formerly issued by a housing authority to a family selected for admission to the Certificate Program. The certificate describes the program and the procedures for housing authority approval of a unit selected by the family. The certificate also states the obligations of the family under the program.

Certification: The examination of a household's income, expenses, and family composition to determine the household's eligibility for program participation and to calculate the household's rent for the following 12 months.

Child: For purposes of citizenship regulations, a member of the family other than the family head or spouse who is under 18 years of age.

Child care expenses: Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent such amounts are not

reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of childcare necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Congregate housing: Housing for elderly or persons with disabilities that meets the HQS for congregate housing.

Consent form: Any consent form approved by HUD to be signed by assistance applicants and participants for the purpose of obtaining income information from employers and SWICAs, return information from the Social Security Administration, and return information for unearned income from the Internal Revenue Service. The consent forms may authorize the collection of other information from assistance applicants or participant to determine eligibility or level of benefits.

Contiguous MSA: In portability, an MSA that shares a common boundary with the MSA in which the jurisdiction of the initial housing authority is located.

Continuously assisted: An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance under any 1937 Housing Act program when the family is admitted to the Housing Choice Voucher Program or is temporarily residing in a shelter for a legitimate reason.

Poughkeepsie Housing Authority
Definition of Substantial Deviation

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners.

Attachment ny062101

Implementation of Public Housing Resident Community Service Requirements

The administrative steps that we will take to implement the Community Service Requirements include the following:

- 1. Development of Written Description of Community Service Requirement:**
The Poughkeepsie Housing Authority has a written developed policy of Community Service Requirements and has completed the required Resident Advisory Board review and public comment period.
- 2. Scheduled Changes in Leases:**
The Poughkeepsie Housing Authority has made the necessary changes to the lease and has completed the required Resident Advisory Board review and public comment period.
- 3. Written Notification to Residents of Exempt Status to each Adult Family Member:**
The Poughkeepsie Housing Authority has reinstated the public housing community service requirement and self-sufficiency requirement as outlined in PIH 2003-17. Written notice to all residents was sent during July 2003 about the reinstatement of the community service and self-sufficiency requirement.
- 4. Cooperative Agreements with TANF Agencies**
The Poughkeepsie Housing Authority has not secured a Cooperative Agreement with a TANF Agency.
- 5. Programmatic Aspects**
Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The Poughkeepsie Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Pet Policy

The Poughkeepsie Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority.

The Poughkeepsie Housing Authority adopts the following reasonable requirements as part of the Pet Policy:

1. Families with pets who are applying for dwelling units as well as existing residents should read and fulfill all requirements. Failure to abide by these regulations will result in the removal of the pet at the owner's expense.
2. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units.
3. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Poughkeepsie Housing Authority harmless from any claims caused by an action or inaction of the pet.
4. Residents must have the prior written approval of the Housing Authority before moving a pet into their unit.
5. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request.
6. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.
7. A pet deposit of \$250 is required at the time of registering a cat or dog. A deposit is not required for fish, birds, turtles or caged rodents. Deposit is refundable after move-out inspection or the death of the animal.
8. The Poughkeepsie Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles).

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only one pet per unit will be allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed fifteen (15) pounds in weight projected to full adult size.

9. In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Poughkeepsie Housing Authority to attest to the inoculations.

10. The Poughkeepsie Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is **determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.**
