Executive Summary (optional)

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The Quality Housing and Work Responsibility Act of 1998 requires that all Public Housing Authorities prepare a 5 year Agency Plan detailing the Goals and Objectives of the Housing Authority and the annual steps to be taken by the Authority to achieve those Goals and Objectives. This Document is the 2005 through 2009 Strategic Plan with the Management Action Plan for the Fiscal year ending 9/30/05. The regulations promulgated by the U.S. Dept. of Housing and Urban Development mandate the following:

- Strategic Goals
- Housing Needs
- Eligibility & Admission Policies
- Financial Resources
- Capital Improvements
- Rent Determinations
- Other pertinent Policies and Plans that affect the Authority

The Authority assembled a Resident Advisory Board of eight (8) members who have met and developed the plan covering all items contained in the Document. This Agency Plan covers the Public Housing and the Section 8 Housing Assistance Programs, both offered by the City of Hornell Housing Authority.

The Plan the City of Hornell Housing Authority established includes Vision and Mission Statements and five (5) goals for the five years 2005 through 2009.

The **Vision Statement** is:

“All residents of the Hornell Area will have a Quality Housing Environment in which to live.”

The **Mission Statement** reads:

“The City of Hornell Housing Authority will provide Housing Opportunities, including education of housing choices to people of all backgrounds, that promote a quality living environment for the Hornell Community with emphasis placed on people of lower income.”

The **Five (5) Strategic Goals** are as follows:

- To reinvent the Family Housing Complex
- Insure access to transportation for all Housing Authority Residents
- Increase Home-ownership in the Hornell Community
- Expand Family Housing Opportunities
- Promote quality services for family and individual tenants

The Plan indicates that there is not a need for the Authority to increase the number of owned housing units, as our waiting lists are manageable with our present assets. However, the requests for Section 8 rental assistance have not been met in the past. At this writing the

applications have diminished and the Authority will monitor this on a yearly basis and seek to increase the number of available units as the need and availability determine.

The Authority will continue its preferences for admission, adopted in July 2004, giving preference to homeless individuals from the 14843 Zip Code Area.

The Authority has previously adopted policy provisions for de-concentration of income within complexes and selection provisions to allow the Authority to meet the income targeting required by the QHWRRA legislation. In addition, the Plan indicates rental charges for its programs that include Ceiling and Flat Rents and the traditional 30% of Income calculation for Public Housing and establishment of Payment Standards for the Sec.8 HAP program.

Financial Resources lists expected income from its Public Housing Operation at \$1,292,540 with expenditures equaling income. The Plan lists capital improvement expenses at \$478,570 from funds obtained during the year and includes Site improvements at Church St. Court, Sawyers St. Site and the Clustered Sites. Additional Capital improvements will be made during the year from Capital Fund Program monies received in 2004 and include flooring improvements. The Section 8 New Choice Voucher program anticipates funding and expenditures at budget level of \$494,439.

The Housing Authority has no plans for demolition or disposition of its units, nor do we anticipate any conversion of our public housing units to private sector units supported by Section 8 Voucher Assistance.

The document contains new policies and revised schedules that will be adopted with the acceptance of this Agency Plan. Those policies and schedules include:

- **Revised Flat Rents**
- **Revised Capital Improvement Plan**
- **Revised Section 8 Payment Standards**
- **Revision to the Admission and Continued Occupancy Policy to Cover use of the Enterprise Income Verification System**
- **Revision to the Section 8 Administrative Plan to Cover use of the Enterprise Income Verification System**
- **Revision to the Maintenance And Excess Utility Charges**

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The City of Hornell Housing Authority established four (4) Strategic Goals in its 2000 Agency Plan. Over the last five years progress towards completion of those goals is as follows:

Goal: Increase the Availability of decent safe and affordable housing

- a) Reduce Public Housing Vacancies
- b) Leverage private or other public funds to create additional Housing Opportunities
- c) Improve PHAS Score (84.6)
- d) Improve SEMAP Score

- e) Increase customer Satisfaction
- f) Renovate and Modernize Units
- g) Improve voucher mobility
- h) Implement voucher Homeownership program
- i) Implement public housing or other homeownership programs

Results:

The Housing Authority has studied and improved its management of vacant units by reducing the number of days for maintenance to renovate units and the rent-up time for tenants when a unit is complete. However the vacancy rate has not significantly decreased due to a lack of applicants for Public Housing Units. Also due to the number of vacancies within the Public Housing Complexes, and the lack of applicants, the Authority has not pursued leveraging of private or public funds to increase its inventory of available units.

In the last four years the Authority has increased its operational score in the PHAS and SEMAP programs to be designated as "High Performer" in each program. Additionally the Authority has seen a steady increase in Customer Satisfaction. This statement is based on the Resident Survey performed by HUD. Satisfaction scores have been in the 80% to 90% range for the last 2 years.

The Authority is current in its Modernization program and has only Capital funds from 2002 that have not been committed as of this date. However, all funds from the 2002 and 2003 Capital Programs are scheduled to be committed in August of 2004. The Authority has counseled all Voucher recipients on Portability of the voucher assistance. This is done at the initial issuance and at reexamination. As a result we have had 22 families "port" their vouchers to different areas of New York State, Other States and to Puerto Rico and the Virgin Islands.

The Board of Commissioners in 2001 adopted a Voucher Homeownership program. The staff is presently marketing the program and hopes to have eligible recipients started on the requirements of the program with closings during the next 18 months.

Goal: Improve community quality of life and economic vitality

- a) Implement measure to de-concentrate poverty by bringing higher income public housing households into lower income developments
- b) Designate developments or buildings for particular resident groups

Results:

With few applicants (waiting list averaging 10/mo.) we have not had the opportunity to bring higher income families into our development. The economic conditions in the community find a high vacancy rate and diminishing demand for our public housing units.

The Authority adopted a "Designated Housing Plan for our elderly units to house single not meeting the age definitions. The Plan was adopted in 2001 and we have instituted the program with acceptance by residents and the public.

Goal: Promote self-sufficiency and asset development of assisted households

- a) Increase the number of employed persons in assisted housing
- b) Provide or attract supportive services to improve recipients employability
- c) Provide or attract supportive services to increase independence for the elderly or families with disabilities

Results:

The Self-Sufficiency program has been in place since 1998. To date we have graduated 13 participants. At the present time we have no one involved in the program and are attempting to reinvent the initiative in our proposed 5-Year Plan. We have partnered with Corning Community College to bring Self-Sufficiency Programming to our Family complex. The College presently runs an Intergenerational Family to Work Program in our designated Computer Learning Center and Community Center. Additionally the program offers some college course work and remedial classes to participants in the program. The program is open to all residents and is also in collaboration with the Steuben County Dept. of Social Services.

We have worked with several groups to provide services for our disabled population, primarily New York State VESID, OMRDD, Project AIM, etc. We will continue these relationships on an individual tenant basis until such time that there is a documented need for additional programming.

Goal: Increase homeownership through creation of a Housing Trust Fund

Result:

A Trust Fund has been investigated and the Authority has identified funding to start the program. The goal is continued in our present 5-Year program. The Housing Authority is presently building a Partnership with the City of Hornell and its Community Development Office to pilot temporary financing of Homeownership programs in the City. It is anticipated that this will be the initial undertaking of a Trust Fund and will lead to a permanent Fund for Homeownership.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The City of Hornell Housing Authority will not be allowed to deviate from this Annual Plan without Public Notice and Public Hearing depicting such changes.

The Housing Authority defines Substantial Deviation and Significant Amendment or Modifications as changes that will affect the following:
