**B. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

## **10.0 TENANT SELECTION AND ASSIGNMENT PLAN**

### **10.1 PREFERENCES**

The Oneonta Housing Authority will select families based on the following preferences within each bedroom size category:

- A. Preference will be given to elderly and disabled families.
- B. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families.
- C. All other applicants.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or near elderly will be offered housing before other single persons.

### **10.3 SELECTION FROM THE WAITING LIST**

The Oneonta Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

**The following is an extract from our Section 8 Administrative Plan.**

### **3. PHA Policies Governing Eligibility, Selection, and Admissions**

[24 CFR Part 903.12 (b), 903.7 (b)]

#### **A. Public Housing**

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

##### **(1) Eligibility**

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes when we verify eligibility for admission to public housing.

#### **9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at that point that the individual/s preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Oneonta Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes the suitability factors used to determine suitability for admission and/or continued occupancy.

### **8.3 SUITABILITY**

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Oneonta Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Oneonta Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Oneonta Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
  - 1. History of meeting financial obligations, especially rent and any utility payments;
  - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
  - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
  - 4. History of disturbing neighbors or destruction of property;
  - 5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
  - 6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.

C. The Oneonta Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Oneonta Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:

1. A rental history check of all adult family members;
2. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Oneonta Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Oneonta Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Oneonta Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Oneonta Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

3. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Oneonta Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

c.  Yes  No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?

d.  Yes  No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?

e.  Yes  No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

- C. The applicant does not meet either the eligibility or suitability criteria for the program; or
- D. The applicant is housed.

Applicants will be offered the right to an informal review before being removed from the waiting list.

### 9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the Oneonta Housing Authority will be sent a notice of termination of the process for eligibility.

The Oneonta Housing Authority will allow the individual/s to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the Oneonta Housing Authority will work closely with the individual/s to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

b.  Yes  No: Is this policy consistent across all waiting list types?

c. If answer to b is no, list variations for any other than the primary public housing waiting list/s for the PHA:

#### **(4) Admissions Preferences**

a. Income targeting:

Yes  No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 40% of all new admissions to public housing to families at or below 30% of median area income?

b. Transfer policies:

In what circumstances will transfers take precedence over new admissions? (list below)

- Emergencies
- Over-housed
- Under-housed
- Medical justification
- Administrative reasons determined by the PHA (e.g., to permit modernization work)
- Resident choice: (state circumstances below)
- Other: (list below)

The public housing development operated by the City of Oneonta Housing Authority houses only elderly persons or persons with disabilities, or both. Our transfer policy is as follows:

## **16.0 UNIT TRANSFERS**

### **16.1 OBJECTIVES OF THE TRANSFER POLICY**

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expense due to unnecessary transfers.

### **16.2 CATEGORIES OF TRANSFERS**

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Oneonta Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Oneonta Housing Authority when a transfer is the only or best way of solving a serious problem.

### **16.3 DOCUMENTATION**

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

### **16.4 PROCESSING TRANSFERS**

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) business days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Oneonta Housing Authority and the family rejects two offers without good cause, the Oneonta Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Oneonta Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.

c. Preferences

1.  Yes  No: Has the PHA established preferences for admission to public housing (other than date and time of application)? (If "no" is selected, skip to subsection **(5) Occupancy**)

## 10.0 Tenant Selection and Assignment Plan

### 10.1 PREFERENCES

The Oneonta Housing Authority will select families based on the following preferences within each bedroom size category:

- A. Preference will be given to elderly and disabled families.
- B. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families.
- C. All other applicants.

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C.

The date and time of application will be noted and utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or near elderly will be offered housing before other single persons.

3. If the PHA will employ admissions preferences, please prioritize by placing a "1" in the space that represents your first priority, a "2" in the box representing your second priority, and so on. If you give equal weight to one or more of these choices (either through an absolute hierarchy or through a point system), place the same number next to each. That means you can use "1" more than once, "2" more than once, etc.

- Date and Time

Former Federal preferences:

- Involuntary Displacement (Disaster, Government Action, Action of Housing Owner, Inaccessibility, Property Disposition)
- Victims of domestic violence
- Substandard housing

- Not applicable: the pool of applicant families ensures that the PHA will meet income targeting requirements

**(5) Occupancy**

a. What reference materials can applicants and residents use to obtain information about the rules of occupancy of public housing (select all that apply)

- The PHA-resident lease
- The PHA's Admissions and (Continued) Occupancy policy

The public housing development operated by the City of Oneonta Housing Authority houses only elderly persons or persons with disabilities, or both.**

- a.  Yes  No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.
- b.  Yes  No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete. If yes, list these developments on the following table:

Deconcentration Policy for Covered Developments			
Development Name	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]

**B. Section 8**

Exemptions: PHAs that do not administer section 8 are not required to complete sub-component 3B.  
**Unless otherwise specified, all questions in this section apply only to the tenant-based section 8 assistance program (vouchers, and until completely merged into the voucher program, certificates).**

**(1) Eligibility**

- a. What is the extent of screening conducted by the PHA? (select all that apply)
- Criminal or drug-related activity only to the extent required by law or regulation
  - Criminal and drug-related activity, more extensively than required by law or regulation
  - More general screening than criminal and drug-related activity (list factors):
  - Other (list below)

The following extract from our adopted Section 8 Administrative Plan outlines our suitability requirements.

F. Suitability for tenancy

The Oneonta Housing Authority determines eligibility for participation and will also conduct criminal background checks on all adult household members, including live-in aides. The Oneonta Housing Authority will deny assistance to a family because of drug-related criminal activity or violent criminal activity by family members. This check will be made through state or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. If the individual has lived outside the local area, the Oneonta Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the

Oneonta Housing Authority. The information received as a result of the criminal background check shall be used solely for screening purposes. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Oneonta Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred.

The Oneonta Housing Authority will check with the State sex offender registration program and will ban for life any individual who is registered as a lifetime sex offender. The Oneonta Housing Authority will check with our state registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

Additional screening is the responsibility of the owner. Upon the written request of a prospective owner, the Oneonta Housing Authority will provide to the owner the name, address, and phone number of the applicant's current landlord and any previous landlords that are known to the housing authority.

In addition, if an owner submits a request to the Oneonta Housing Authority for criminal records concerning an adult member of an applicant or resident household, signed consent forms, and the owner's standards for prohibiting admission, the Oneonta Housing Authority must request the criminal conviction records from the appropriate law enforcement agency or agencies, as determined by the Housing Authority. If the Oneonta Housing Authority receives criminal conviction records requested by an owner, the Oneonta Housing Authority must determine whether criminal action by a household member, as shown by such criminal conviction records, may be a basis for applicant screening, lease enforcement or eviction, as applicable in accordance with HUD regulations and the owner's criteria. The Oneonta Housing Authority must notify the owner whether the Housing Authority has received criminal conviction records concerning the household member, and of its determination whether such criminal conviction records may be a basis for applicant screening, lease enforcement or eviction. However, the PHA must not disclose the household member's criminal conviction record or the content of that record to the owner, but merely the fact of whether or not they comply with HUD regulations and the owner's criteria. The Oneonta Housing Authority will charge owners a fee of \$10 for this service.

The same service shall be available to owners of federally assisted housing in their attempt to determine if an applicant is on the state sex offender list upon the request of the owner. Once again, the information itself will not be disclosed to the owner; the Oneonta Housing Authority will merely apply the criteria the

owner establishes. The fee for this service shall be \$10.

- b.  Yes  No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?
- c.  Yes  No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?
- d.  Yes  No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)
- e. Indicate what kinds of information you share with prospective landlords? (select all that apply)
- Criminal or drug-related activity
- Other (describe below)

**(2) Waiting List Organization**

- a. With which of the following program waiting lists is the section 8 tenant-based assistance waiting list merged? (select all that apply)
- None
- Federal public housing
- Federal moderate rehabilitation
- Federal project-based certificate program
- Other federal or local program (list below)
- b. Where may interested persons apply for admission to section 8 tenant-based assistance? (select all that apply)
- PHA main administrative office
- Other (list below)

**(3) Search Time**

- a.  Yes  No: Does the PHA give extensions on standard 60-day period to search for a unit?
- If yes, state circumstances below:

**6.4 TERM OF THE HOUSING CHOICE VOUCHER**

The initial term of the voucher will be 60 calendar days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will not exceed 120 calendar days from the initial date of issuance

without an extraordinary reason. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 calendar days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 calendar days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation in order to make the program accessible to and usable by a person with disabilities, the Housing Authority may grant an additional extension of 60 calendar days search time.

**(4) Admissions Preferences**

a. Income targeting

Yes  No: Does the PHA plan to exceed the federal targeting requirements by targeting more than 75% of all new admissions to the section 8 program to families at or below 30% of median area income?

- Those previously enrolled in educational, training, or upward mobility programs
- Victims of reprisals or hate crimes
- Other preference(s) (list below)

### **(3) PHA Statement of Consistency with the Consolidated Plan**

[24 CFR Part 903.15]

For each applicable Consolidated Plan, make the following statement (copy questions as many times as necessary).

#### **Consolidated Plan jurisdiction: (State of New York)**

**The City of Oneonta Housing Authority is located in the City of Oneonta, a non-entitlement city in Otsego County. The jurisdiction of the Consolidated Plan encompasses the State of New York.**

a. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply):

- The PHA has based its statement of needs of families on its waiting list on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)

- The City of Oneonta Housing Authority will continue to maintain and renovate its public housing units.
- The City of Oneonta Housing Authority will continue to provide accessible housing in the public housing program to persons with disabilities.
- The City of Oneonta Housing Authority will continue to market its public housing and Section 8 programs to make families and elderly persons aware of the availability of decent, safe, sanitary and affordable housing in the City of Oneonta.

- We are continuing to market our public housing and Section 8 program to make families and elderly/disabled persons aware of the availability of decent, safe, sanitary and affordable housing in the jurisdiction of the Housing Authority.

Other: (list below)

The City of Oneonta Housing Authority Admission and Continued Occupancy Policy Requirements are established and designed to:

- Provide improved living conditions for very low and low-income families while maintaining their rent payments at an affordable level.
- To operate a socially and financially sound public housing agency that provides violence and drug-free, decent, safe and sanitary housing with a suitable living environment for tenants and their families.
- To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
- To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

We have similar principles for our Section 8 program:

- To provide decent, safe and sanitary housing for very low income families while maintaining their rent payments at an affordable level.
- To ensure that all units meet Housing Quality Standards and families pay fair and reasonable rents.
- To promote fair housing and the opportunity for very low-income families of all ethnic backgrounds to experience freedom of housing choice.
- To promote a housing program which maintains quality service and integrity while providing an incentive to private property owners to rent to very low-income families.
- To encourage self-sufficiency of participant families and assist in the expansion of family opportunities, which address educational, socio-economic, recreational and other human service needs.

- To create positive public awareness and expand the level of family, owner, and community support in accomplishing the City of Oneonta Housing Authority's mission.

b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The New York State Consolidated Plan establishes three strategic objectives that are of equal importance and form the basis of New York State's strategy:

**1. Preserve and increase the supply of decent, safe and affordable housing available to all low and moderate income households, and help identify and develop available resources to assist in the development of housing.**

While not specifically targeting funds in the Consolidated Plan for such programs, New York State believes it has a vested interest in the federal government's commitment to continue to provide resources for the operations, maintenance and preservation of Section 8 and public housing. The Consolidate Plan states: "The preservation of this irreplaceable low-income housing asset should remain a federal priority. Specifically, the federal government should maintain its commitment to rental assistance, preservation of housing eligible for mortgage prepayment and funding for operations, repairs, maintenance and modernization of public housing."

**2. Improve the ability of low and moderate income New Yorkers to access rental and home-ownership opportunities.**

The Consolidate Plan includes the provision of rental assistance where possible and also to providing home-ownership opportunities to low-income and minority households. State housing agencies are encouraged to apply for Section 8 program funding.

**3. Address the shelter, housing, and service needs of the homeless poor and others with special needs.**

Among the programs to be utilized, are the various Section 8 programs.

The Consolidated Plan addresses Public Housing Resident Initiatives. The Plan states that "the State of New York does not directly own or administer Federal public housing. Therefore the requirements of this section of the Consolidated Plan do not apply to the State of New York."

"The State does have a State public housing program as noted in the Needs Assessment. Tenant participation in the management of housing authorities is not only encouraged in

this State, but mandated in New York’s Public Housing Law, which provides that authorities having a population under one million be composed of up to seven members, including two tenants elected by public housing residents. The underlying philosophy has been to ensure that tenants’ needs and concerns are effectively communicated to the governing body of the authority and, when necessary, to DHCR, as the supervising State agency.”

In summary, the New York State Consolidated Plan strategies are consistent with and support the goals and objectives of the City of Oneonta Housing Authority.

**(4) (Reserved)**

- Other (describe below:)

c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
