**B. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources

- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

- Exceed HUD federal targeting requirements for families at or below 30% of AMI in public housing
- Exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based section 8 assistance
- Employ admissions preferences aimed at families with economic hardships
- Adopt rent policies to support and encourage work
- Other: (list below)

The Village of Malone Housing Authority will continue to house eligible applicants based on date and time of application until such time as there is an adequate waiting list. It is our policy to meet targeting requirements for very-low income families as described in the following extract from our adopted Admissions and Continued Occupancy Policy.

**10.3 SELECTION FROM THE WAITING LIST**

The Malone Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To ensure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the

waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

**Need: Specific Family Types: Families at or below 50% of median**

**Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work

The Malone Housing Authority has established Flat Rents in order to foster upward mobility.

- Other: (list below)

The Malone Housing Authority will continue to house eligible applicants based on date and time of application until such time as there is an adequate waiting list.

**Need: Specific Family Types: The Elderly**

**Strategy 1: Target available assistance to the elderly:**

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

- Families who are elderly, disabled, or displaced will be offered housing before other single persons.
- **Buildings Designed for the Elderly and Disabled (Mixed Population Developments):** Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

**Need: Specific Family Types: Families with Disabilities**

### **Strategy 1: Target available assistance to Families with Disabilities:**

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing
- Apply for special-purpose vouchers targeted to families with disabilities, should they become available
- Affirmatively market to local non-profit agencies that assist families with disabilities
- Other: (list below)

Our adopted Admissions and Continued Occupancy Policy provides the following:

## **2.0 REASONABLE ACCOMMODATION**

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Malone Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the Malone Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the Malone Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

### **2.1 COMMUNICATION**

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, an appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

**Accessible Units:** Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies or requires a transfer from a non-accessible unit.

Any family required to transfer will be given a 30 calendar day notice.

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

**Strategy 2: Conduct activities to affirmatively further fair housing**

Select all that apply

- Counsel section 8 tenants as to location of units outside of areas of poverty or minority concentration and assist them to locate those units
- Market the section 8 program to owners outside of areas of poverty /minority concentrations
- Other: (list below)

The following is an extract from our Admissions and Continued Occupancy Policy:

## **1.0 FAIR HOUSING**

It is the policy of the Malone Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Malone Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the Malone Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the Malone Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The Malone Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination

forms. The Malone Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

### **3. PHA Policies Governing Eligibility, Selection, and Admissions**

[24 CFR Part 903.12 (b), 903.7 (b)]

#### **A. Public Housing**

Exemptions: PHAs that do not administer public housing are not required to complete subcomponent 3A.

##### **(1) Eligibility**

a. When does the PHA verify eligibility for admission to public housing? (select all that apply)

- When families are within a certain number of being offered a unit: (state number)
- When families are within a certain time of being offered a unit: (state time)
- Other: (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy describes when we verify eligibility for admission.

#### **9.3 FAMILIES NEARING THE TOP OF THE WAITING LIST**

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Malone Housing Authority must notify the family in writing of this

determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

b. Which non-income (screening) factors does the PHA use to establish eligibility for admission to public housing (select all that apply)?

- Criminal or Drug-related activity
- Rental history
- Housekeeping
- Other (describe)

The following extract from our adopted Admissions and Continued Occupancy Policy outlines our suitability requirements.

### **8.3 SUITABILITY**

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in compliance with the public housing lease. The Malone Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Malone Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The Malone Housing Authority may consider objective and reasonable aspects of the family's background, including the following:
  - 1. History of meeting financial obligations, especially rent and any utility payments;
  - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
  - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;
  - 4. History of disturbing neighbors or destruction of property;

5. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
  6. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The Malone Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The Malone Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse, co-head, and any other adult family members;
  2. A rental history check of all adult family members;
  3. A criminal background check on all adult household members, including live-in aides at no cost to the applicant. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Malone Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC). This criminal background check will proceed after each adult household member has signed a consent form designed by the Malone Housing Authority.

The information received as a result of the criminal background check shall be used solely for screening, lease enforcement and eviction purposes. The information derived from the criminal background check shall be shared only with employees of the Malone Housing Authority who have a job-related need to have access to the information. The information shall be maintained confidentially, not misused or improperly disseminated, and destroyed once the purpose(s) for which it was requested has been accomplished and the period for filing a challenge to the Malone Housing Authority's action has expired without a challenge or final disposition of any litigation has occurred;

4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and

5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No household with an individual registered under a State sex offender registration will be admitted to public housing. The Malone Housing Authority will check with our State registry and if the applicant has resided in another State(s), with that State(s)'s list.

If an applicant is about to be denied housing based on either the criminal check or the sex offender registration program, the applicant will be informed of this fact and given an opportunity to dispute the accuracy of the information before the denial or eviction occurs.

- c.  Yes  No: Does the PHA request criminal records from local law enforcement agencies for screening purposes?
- d.  Yes  No: Does the PHA request criminal records from State law enforcement agencies for screening purposes?
- e.  Yes  No: Does the PHA access FBI criminal records from the FBI for screening purposes? (either directly or through an NCIC-authorized source)

The following is our policy regarding transfers.

## 16.0 UNIT TRANSFERS

### 16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by ensuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To eliminate vacancy loss and other expenses due to unnecessary transfers.

### 16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization, revitalization, disposition or demolition work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Malone Housing Authority occupancy goals, to

correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Malone Housing Authority when a transfer is the only or best way of solving a serious problem.

### 16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

### 16.4 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

### **15.6 INTERIM REEXAMINATIONS**

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decrease in allowable expenses between annual reexaminations.

Families are required to report the following changes to the Malone Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) calendar days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth, adoption, or court-awarded custody, the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Malone Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

A resident requesting a live-in-aide will be required to provide verification of the need for a live-in-aide. In addition, before approval of the live-in-aide, the individual (live-in-aide) must complete an application form for purposes of determining citizenship/eligible immigrant status and the live-in-aide will go through the screening process similar to the process for applicants. The Malone Housing Authority will determine the eligibility of the live-in-aide before approval can be granted. If the individual is found to be ineligible or does not pass the screening criteria, the resident will be advised in writing and given the opportunity for an informal review. Under no circumstances will the live-in-aide be added to the lease or be considered the last remaining member of a tenant family.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the Malone Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

**B. Criteria for Substantial Deviations and Significant Amendments**

#### **Consolidated Plan jurisdiction: (State of New York)**

a. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply):

- The PHA has based its statement of needs of families on its waiting list on the needs expressed in the Consolidated Plan/s.  
 The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.

- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
  - The Village of Malone Housing Authority will continue to maintain and renovate its public housing units.
  - The Village of Malone Housing Authority will continue to provide accessible housing in the public housing program to persons with disabilities by renovating 3 dwelling units to meet Sec 504/ADA requirements.
  - The Village of Malone Housing Authority will continue to market its public housing program to make families and elderly persons aware of the availability of decent, safe, sanitary and affordable housing in the Village of Malone.
- Other: (list below)

The Village of Malone Housing Authority Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:

- Provide improved living conditions for very low and low-income families while maintaining their rent payments at an affordable level;
- To operate a socially and financially sound public housing agency that is violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families;
- Deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees;
- To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities. This includes the requirement that 40% of admissions shall be no more than 30% of area median income; and
- To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations.

b. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The New York State Consolidated Plan establishes three strategic objectives that are of equal importance and form the basis of New York State's strategy:

**1. Preserve and increase the supply of decent, safe and affordable housing available to all low and moderate income households, and help identify and develop available resources to assist in the development of housing.**

The Consolidated Plan states: “The preservation of this irreplaceable low-income housing asset should remain a federal priority. Specifically, the federal government should maintain its commitment to rental assistance, preservation of housing eligible for mortgage prepayment and funding for operations, repairs, maintenance and modernization of public housing.”

**2. Improve the ability of low and moderate income New Yorkers to access rental and home-ownership opportunities.**

The Consolidated Plan includes the provision of rental assistance where possible and also to providing home-ownership opportunities to low-income and minority households. State housing agencies are encouraged to apply for Section 8 program funding.

**3. Address the shelter, housing, and service needs of the homeless poor and others with special needs.**

The Consolidated Plan addresses Public Housing Resident Initiatives. The Plan states that “the State of New York does not directly own or administer Federal public housing. Therefore the requirements of this section of the Consolidated Plan do not apply to the State of New York.”

“The State does have a State public housing program as noted in the Needs Assessment. Tenant participation in the management of housing authorities is not only encouraged in this State, but mandated in New York’s Public Housing Law, which provides that authorities having a population under one million be composed of up to seven members, including two tenants elected by public housing residents. The underlying philosophy has been to ensure that tenants’ needs and concerns are effectively communicated to the governing body of the authority and, when necessary, to DHCR, as the supervising State agency.”

In summary, the New York State Consolidated Plan strategies are consistent with and support the goals and objectives of the Village of Malone Housing Authority.

**(4) (Reserved)**

Use this section to provide any additional information requested by HUD.

**10. Project-Based Voucher Program**

- a.  Yes  No: Does the PHA plan to “project-base” any tenant-based Section 8 vouchers in the coming year? If yes, answer the following questions.
- b.  Yes  No: Are there circumstances indicating that the project basing of the units, rather than tenant-basing of the same amount of assistance is an appropriate option?

If yes, check which circumstances apply:

- Low utilization rate for vouchers due to lack of suitable rental units
- Access to neighborhoods outside of high poverty areas
- Other (describe below:)

- c. Indicate the number of units and general location of units (e.g. eligible census tracts or smaller areas within eligible census tracts):
