**Executive Summary (optional)**

[903.7(r)]. If desired, provide a brief overview of the contents of the streamlined 5-Year/Annual Plan.

The four goals of the annual plan are to continuously improve the quality of the program, increase the housing choices, promote self sufficiency, and ensure equal opportunity in housing.

The program will be improved by increased cooperation with other governmental and non-governmental agencies. Regularly updating the Administrative Plan to reflect the changing needs of the local population and changes in the laws affecting public housing programs.

Housing choices will be increased by educating program participants to effectively market themselves and the benefits of the Section 8 program to potential landlords.

Self-sufficiently is promoted through cooperation with the Department of Public Welfare's Welfare to Work Program and regular referrals to other organizations who promote self sufficiency.

The PHA's Administrative Plan promotes equal opportunity housing through the provision of services and assistance to families that allege they have encountered discrimination during their housing search. The PHA also utilizes the services of local fair housing organizations assisting the handicapped.

The policies and initiatives selected to help the PHA reach its goals support the PHA's mission to promote adequate, affordable housing, economic opportunity, and a suitable living environment free from discrimination.
