Hocking Metropolitan Housing Authority continues to meet the housing and development needs of Hocking County. HMHA achieved a high performer status in its Housing Choice Voucher Program. The goal was reached by out sourcing some of its Vouchers to surrounding communities via the Voucher Portability choice. HMHA continues to expand the housing choice opportunities by actively marketing the home ownership option. HMHA has closed 7 transactions as of this writing and has 4 closings pending.

The HMHA partnership with the local community action agency has resulted in a completion of one home built by the Youth Build Program. A subsequent application has been submitted. The completed home is a fully accessible home to be sold to an eligible family. The proposed new home will be a four-bedroom unit targeted for larger families that have been underserved in our community.

HMHA has completed all Capital Fund Construction Contracts. The acquisition of a 13 acre site for the development of a mixed financed project has been completed. HMHA and its partner Frontier Community Services have been awarded Tax-credits for the development of this project. The Capital Grant Forward Funding application has been submitted to head quarters for review. Upon its approval, this project will move to construction in FY 2005. The Project is scheduled for completion in December of 2005. The Completed project will consist of 15 public housing units and 57 low-income housing tax credits. Future operating subsidies will come from the Capital Grant 1406 account. The Capital Grant will also pay debt service on the 1.2 million dollars advanced to construct the project.

HMHA will assist the Hocking County Community retain some affordable housing units by purchasing two Rural Development 515 project. The projects are in bankruptcy. HMHA will use non public housing funds to complete this process. 52 units will be preserved through this process.

HMHA will continue to develop its new social services department. Funded by the State of Ohio' Help Me Grow Program, HMHA will use the staff to develop a Family Self Sufficiency Program. HMHA will also develop a day care facility to assist families return to work.

HMHA is participating in the statewide effort to have public housing units approved for supportive services through Medicaid. This effort will save the state valuable health care dollars while maintaining the dignity of our senior population to stay in their homes.

HMHA will review and update its plan annually to adjust for changes in the local housing market. Capital plan adjustments will be made as necessary to meet any unplanned physical needs discovered during the operating year.

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004_____.

It was the goal of Hocking Metropolitan Housing Authority to expand the housing choices available within our community. We have been successful in achieving that goal. First, HMHA completed the development and sale of 5 single-family homes through its non-profit affiliate Hocking Housing Management, Inc. These home were sold to families at or below 65% of the Hocking County median income. Second, HMHA planned to leverage our Public Housing Capital Grant Funds to develop additional affordable rental housing units. HMHA received the development waiver from HUD in April of 2003 granting permission to build additional public

housing units. HMHA secured a development partner and applied for LIHTC to develop a mixed finance 72-unit property. Tax credits were awarded in July of 2004. HMHA anticipates completing the Capital Grant Forward Funding Program and the Mixed Finance approval process by November 2004. The units are to be constructed in 2005.

Third, HMHA expanded housing choices by the implementation of the Section 8 Home Ownership option. HMHA has assisted 7 Section 8 families purchase their own homes. HMHA anticipates an additional three families will close by the end of this fiscal year.

The fourth expansion of housing opportunities was through the Youth Build Program. HMHA partnered with a local non profit to operate a HUD youth build program. One home has been built using the Youth Build participants. A second application for funding has been submitted.

HMHA fifth goal was to develop a social services department. In December of 2003, HMHA absorbed the Hocking County Help Me Grow Program. A State of Ohio program targeted to assist at risk families with children between the age of 0 to 3 achieve success. HMHA plans to build upon this staff to improve services to all of HMHA families to achieve self-sufficient status.

Finally, HMHA wanted to achieve High performer status in both its Public Housing and Section 8 Programs. We achieved this goal for FYE 2003.
