This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief to certain PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The Hamilton County PHA has made adequate progress in fulfilling its mission and goals described in the Five Year Plan. The PHA has continued to provide decent, safe and sanitary housing affordable to its participants during the past years. Applications have been submitted to HUD, responding to the Opt-Out projects for 17 additional Vouchers. The SEMAP Score assigned by HUD for 2003 was 81%, which is standard. The Hamilton County PHA had continued to remain involved with the Mobility Program, it has outreached to new landlords and to its existing landlords, and Payment Standards were increased based on the new Fair Market Rents effective October 1, 2003. Payment Standards for 2005 are being frozen, however due to budget constraints. The Family Self Sufficiency Program has greatly increased in size, and has graduated many participants during the past year. The Welfare to Work Program has been successfully leased since January, 2001. The Hamilton County PHA has continued to work with Housing Opportunities

Made Equal to ensure equal opportunity in housing for all participants.

The new Homeownership Program welcomed its first homeowner in 2003, and since then the program has added 3 additional homeowners.
