[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2001 - 2005.)*

Since the last agency plan was submitted, the Housing Authority of Yamhill County has been successful in accomplishing or working towards reaching the following goals:

Goal – continue to explore new areas of housing need: HAYC has constructed a 15-unit apartment complex (Sunnyside Apartments) to provide needed housing for persons with serious and persistent mental health in Yamhill County. HAYC is currently partnering with a local nonprofit corporation called Families United for Independent Living (FUFIL) to develop an 8-unit apartment complex (Hendricks Place) for developmentally disabled residents. HAYC is partnering with CASA of Oregon and Yamhill Community Development Corporation to provide property management services to their 24-unit multifamily, farmworker housing complex (Villa del Sol) that became operational on March 1, 2005.

Goal – explore and expand partnership opportunities with other agencies: Sunnyside Apartments is a 15-unit apartment complex constructed in 2004 to provide needed housing for persons with serious and persistent mental health in Yamhill County. The Oregon Department of Housing and Community Development helped to provide funding. Yamhill County Mental Health worked with us on the design and provides case management for the residents. The FSS Coordinators are continuing to build partnerships with other agencies to increase self-sufficiency of program participants. We are currently working with several local banks through the HomeStart Plus Program in which Federal Home Loan Bank provides matching funds to FSS participants upon graduation for down payment assistance. We also have taken the lead role in bringing the ABC's of Homeownership, an accredited homebuyer counseling program, to Yamhill County and

have partnered with local banks, mortgage companies, insurance brokers and real estate agents in order to establish classes. We were able to meet our goal of holding four of these classes as well as one additional Spanish class in 2004.

Goal – expand the supply of assisted housing: See above statements on Sunnyside Apartments, Hendricks Place and Villa del Sol. In addition to these developments, HAYC is attempting to partner with USDA Rural Development to purchase a 43-unit senior property in Newberg and with Cascade Housing Group to secure funds and tax credits in order to construct Sunflower Park, a 33-unit complex for lower income families.

Goal – improve the quality of assisted housing: continued the process of substantially renovating several Public Housing units and replacing windows, roofing and siding. HAYC is continuing its efforts to keep PHAS and SEMAP scores high.

Goal – increase assisted housing choices: continue to provide voucher mobility counseling and conduct outreach efforts to potential voucher landlords. Created a Landlord Advisory Board in 2003 and met one time in 2004 for the purpose of reviewing the agency plan and updating Landlord Advisory Board on status of program changes.

Goal – provide an improved living environment: continue to work in conjunction with law enforcement to provide safe and secure places for our residents to live.

Goal – promote self-sufficiency and asset development of families and individuals: The FSS Coordinators are continuing to build partnerships with other agencies to increase self-sufficiency of program participants. We hold every other month meetings for individuals who are no income and/or receiving utility reimbursement checks to work with them on job search, budgeting, counseling. We are currently working with several local banks through the HomeStart Plus Program in which Federal Home Loan Bank provides matching funds to FSS participants upon graduation for down payment assistance. We also have taken the lead role in bringing the ABC's of Homeownership, an accredited homebuyer counseling program, to Yamhill County and have partnered with local banks, mortgage companies, insurance brokers and real estate agents in order to establish classes. We were able to meet our goal of holding four of these classes as well as one additional Spanish class in 2004. We also established a housing resource center in 2004 as part of our office relocation which will essentially serve as a one stop center for all types of housing resources.

Goal – ensure equal opportunity and affirmatively further fair housing: we provided an in-house training session for all available staff on customer services. There is a Reasonable Accommodation policy in place in which one staff person deals with all Reasonable Accommodation requests to ensure equal opportunity and fairness.

## **B. Criteria for Substantial Deviations and Significant Amendments**

## **(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- a. Substantial Deviation from the 5-Year Plan
1. *A PHA must identify the basic criteria the PHA will use for determining – 903.7(r)(2):*
    - (i) *A substantial deviation from its 5-Year Plan; and*
    - (ii) *A significant amendment or modification to its 5-Year Plan and Annual Plan.*

*The Housing Authority of Yamhill County defines “Substantial Deviation, Significant Amendments of Modifications” as follows:*

- *5-Year Plan – the Housing Authority believes that significant amendments or modifications are those that make a change in the Housing Authority’s mission, or the goals and objectives to enable the Housing Authority to meet the needs of the families that it serves, or both.*
- *Annual Plan – the Housing Authority considers that significant amendments or modifications are those that make significant changes to information provided by the Housing Authority in its Annual Plan.*

a. Significant Amendment or Modification to the Annual Plan

*The Housing Authority of Yamhill County will consider the following criteria to determine whether or not a proposed change to the annual plan will be considered to be a “substantial deviation” or “significant amendment” or “modification” to the annual plan which will require the Housing Authority to submit the proposed revision(s) to the Annual Plan to the full public review process requirements.*

1. *Changes to the rent or admission policies or organization of the waiting list;*
2. *Addition of non-emergency work items (items not included in the current Annual Statement of the 5 Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;*
3. *Any changes with regard to demolition or disposition, designation, home ownership programs or conversion activities.*

*The Board of Commissioners will determine if changes to the 5 Year Plan or Annual Plan constitute a “Substantial Deviation, Significant Amendment or Modification.”*

*An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements. Such changes will not be considered significant*

*amendments by the Housing Authority of Yamhill County.*

#### **(1) Resident Advisory Board Recommendations**

- a.  Yes  No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

All of the comments received from the Resident Advisory Board were in support of the efforts the Housing Authority is making to increase affordable housing in Yamhill County and to outreach to those members of the community who need access to the resources.

We discussed changes that the Housing Authority is proposing in light of funding cuts especially to the Section 8 program including implementation of minimum rents, ceasing paying overlapping HAP for participants that move, reduction of payment standards due to recent reductions in the FMR for our area, restrictions on portability to areas of same or less VPS unless receiving HA is absorbing and implementation of working family and residency preferences. After discussing these changes in depth, the only concerns that the resident advisory board expressed were portability restrictions and implementation of minimum rents. After explaining the increase amounts in average HAP including port-outs, the RAB seemed to understand the reason for placing the restrictions. As far as minimum rents, I explained the proposed policy on hardship exemptions to minimum rents and the RAB seemed to feel more comfortable with the policy at that point.

The Resident Advisory Board was excited about the opening of the Housing Resource Center and the direction the Housing Authority is headed with homeownership efforts and all support this direction. We discussed projects in development including Vittoria Square, Jandina Park, Sunflower Park, and Hendricks Place and there was much support for the acquisition/development of properties to meet specific needs and to maintain affordable housing. All Resident Advisory Board members acknowledge the need for additional affordable housing in Yamhill County.

- b. In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.
