However, financial and technical assistance programs administered by the Commonwealth may indirectly benefit jurisdictions, housing authorities, and community-based organizations seeking to undertake resident initiatives. The Commonwealth also will deem applications for federal assistance to support resident initiatives as consistent with the Commonwealth's Consolidated Plan. Additionally, the Commonwealth will consider funding projects that assist residents of public housing to become homeowners. If the residents to be assisted are very low income households, the project will be consistent with the Commonwealth's Consolidated Plan.

The Commonwealth also will continue to work with the Pennsylvania Association of Housing and Redevelopment Agencies, Regional Legal Services, and members of the General Assembly to incorporate public housing authorities and their residents into state's housing strategy.

Four residents attended the meeting, 3-low rent residents and 4 section 8.

Robert Richter suggested having a sign erected stating that the parking area in front of the Laurel Court Hi-Rise and in front of the office is not for turn around. The area is restricted for residents or people doing business at the office.

Robert Richter and William Jones would like carpet in their apartments. Mr. Richter said his tiles are bad and would like carpeting. Mr. Jones said his carpet is stained and he is under the impression that carpet is only being replaced when somebody moves out. If he must wait he will never see a new carpet because they will probably carry him out.

Robert Richter would like security cameras installed in the lounge.

Esther Merchant asked if they could have new tables and more chairs. She said there is only 15 chairs in the lounge. She also said the blinds in the lounge are disgusting and would like to know if something could be done about them.

William Jones complained about the water pressure at Patterson and would like to know if something could be done.

Billie Payne said that all their ideas will be turned over to the Executive Director and their ideas will be addressed.

They all received a copy of the plan and a copy of the admissions and occupancy policy to review. They were told the plan will be on review for 45 days and if they have any suggestions or would like another meeting they should contact her at the office.

Attachment F

Statement of Deviation

The Pottsville Housing Authority's "Definition of Substantial Deviation from its 5 Year Plan or Significant Amendment or modification to the Agency Plan."

The "Definition of Substantial Deviation" or "Significance Amendment" is one that represents more than 40% change in the Capital Fund, is not a result of HUD funding shortfall and not a HUD mandated regulation change. If one or more of these criteria is met, it will be considered a substantial deviation or significant amendment to the Agency Plan. This would then require the same requirements for submitting the Agency Plan with the public hearing, Resident Advisory Board etc.

However, the Pottsville Housing Authority (PHA) will not be required to perform all the public hearing and other requirements if changes to the Agency Plan meet the following criteria:

- The changes to the Capital Fund are less than 40% of the total amount of funding for that year.
- The PHA may change any part or all of the Agency Plan if the changes are needed to meet any HUD required programmatic changes or funding shortfalls.
- The PHA may change any part of all the Agency Plan if the changes are needed to meet any judicial decrees.
- The PHA may change any part of all of the Agency Plan if HUD or Congress makes any regulation changes which are different from that in the Plan.

In making these changes, the PHA will adopt the changes at a public meeting. This public meeting of the Board of Commissioners of the PHA will then publicly adopt these changes. PHA will also ensure all changes are submitted at the next Resident Advisory Board meeting for inclusion in the next years Agency Plan.

Prior to following to the adoption of these changes, PHA will submit these changes to HUD in accordance with 24 CFR 903.21 (2). HUD will then review our requested changes or modifications to the Agency plan to determine if in accordance with 24 CFR 903.23 (a).

HUD will approve such request if found consistent with the following criteria:

- The changes or modifications to the Agency Plan has sufficient information to show it meets with the PHA definition of an amendment or change to the Plan.
- The changes or modifications to the Plan are consistent with the information and data available to HUD.
- The changes or modifications to the Plan are consistent with the Consolidated Plan.

At 1119 West Arch Street the resident said her living room is sinking and was told to call the Housing Authority at a later date. The resident suggested the closet doors should be changed. They continuously keep coming off the track.

Also the two residents from Arch Street Development complained about a rat problem. The manager had the exterminator there but just can't seem to get the problem under control.

The two residents complained about the garbage men just throwing the can after they empty the garbage. She would like to know why they cannot just place the can back where they picked them up.

Billie said the items would be discussed and addressed.
