A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 – 2004.

The following table reflects the progress we have made in achieving our goals and objectives.

MANAGEMENT ISSUES:

Goal 1: Effective and efficient housing management, resulting in at least a standard performer designation.	
Goal 2: Full compliance with applicable statutes and regulations as defined by program audit findings.	
Objective	Progress
HUD shall recognize the Snyder County Housing Authority as a high performer by June 30, 2002.	At last scoring (FYE 6/30/03), the Housing Authority was a standard performer.
By June 30, 2001, the Snyder County Housing Authority shall have a waiting list of sufficient size so we can fill our public housing units within 15 days of them becoming vacant.	The Authority continues to market its public housing. While the waiting list has grown, a 15-day turnover was an unattainable goal due to many factors, some of which include market conditions, limited staff available, extensive unit damage in some cases, etc.
The Snyder County Housing Authority shall achieve and sustain an occupancy rate of 95% by June 30, 2001.	While the waiting list has grown, a 95% occupancy rate was an unattainable goal due to many factors, some of which include market conditions, limited staff available, extensive unit damage in some cases, etc.
Promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.	Objective achieved.

Housing Authority has chosen not to apply for a tax-credit application. Snyder County is becoming saturated with mixed-finance developments.
Locate at least two partners, non-profit, locally or nationally-based. These partners will work with us on the acquisition, improvement and/or development of additional housing opportunities for this target group.	Objective not achieved.

MARKETABILITY ISSUES:

SECURITY ISSUES:

Goal 1: Provide a safe and secure environment in the Snyder County Housing Authority's public housing developments.	
Objective	Progress
The Snyder County Housing Authority shall refine the memorandum of understanding between the jurisdiction's police force and this agency. The purpose of this is to better define the "edge problem" of crime that occurs near our developments and develop strategies for identifying and reducing this problem.	The Housing Authority continues to maintain a good working relationship with the local police force.

TENANT-BASED HOUSING ISSUES:

Goal 1: Manage the Snyder County Housing Authority's tenant-based program in an efficient and effective manner thereby qualifying as at least a standard performer under SEMAP.	
Goal 2: Expand the range and quality of housing choices available to participants in the Snyder County Housing Authority's tenant-based assistance program.

SUPPORTIVE SERVICE ISSUES:

Goal 1: Improve access of public housing residents to services that support economic opportunity and quality of life.	
Goal 2: Improve economic opportunity (self-sufficiency) for the families and individuals who reside in our housing.	
Objective	Progress
Apply to at least two appropriate foundations for grant funds. These funds will allow us to expand our computer-learning center.	Received funding from two local banks for supportive services.
More effectively utilize our community centers to provide resident services as measured by increasing their utilization to 20% of the time by June 30, 2004.	Centers are always available to residents for their use.
Have effective, fully functioning resident organizations in every public housing development by June 30, 2002.	Tenants are not interested in organizing.
Assist the resident organizations in strengthening their organizations and helping them develop their own mission statement, goals, and objectives by June 30, 2001.	Tenants are not interested in organizing.
Ensure that all of our school age children are regularly attending school.	To our knowledge all school age children are regularly attending school.
