Comments of the Resident Advisory Board or Boards & Explanation of PHA Response

BEFORE THE PUBLIC HEARING:

The participants asked general questions regarding the Program Politics; specifically they were concern about the FSS Program and the Homeownership Options. Due to the fact that the questions were answered and the Plan was revised, the Board endorses the publication of the ad announcing the Public Hearing and Review of the Plan. (See endorsement letter – attached on next page)

AFTER THE PUBLIC HEARING:

The Board and those that assisted to the Public Hearing were given information regarding the PHA's 5 year / Annual Plan 2005 Plan and General Section 8 Policies and Requirements. The Plan was fully discussed and reviewed.

On the meeting the following matters were also discussed:

- 1. Homeownership:
 - a. If is possible, allow the participants to use the Section -8 Voucher to lease apartments in private condominium.*
 - b. Participants interested in buying their houses, exposed the need of an economical assistance for downpayments in order to participate in the Homeownership Program.**

Answer: Participants were oriented through out the Homeownership Program requirements and the HOME downpayment options.

- 2. Section 8 Office: A few participants expressed the need of an accessible Section-8 office, due to the poor service of the public transportation.*

Answer: The Section 8 Coordinator will address this issue to the Housing Director, in order to find out which alternatives the Municipality can afford to offer the people through out the actual Paratransit Program (trolley's free transportation from the City Hall).

Due to the fact that all questions were answered, the Participants Advisory Board endorsed the plan. (See endorsement letter – see 2nd attached letter)

Upfront Income Verification (UIV) System

*The PHA plan proposes minor changes to the **Housing Choice Voucher Program Administrative Plan** establishing a policy to secure and include staff utilization of **Upfront Income Verification (UIV)** information (**TASS – Tenant Assessment SubSystem**) to verify the household income of program participants. This is a key strategy in reducing income and rent errors attributable to unreported income and to increase accuracy and efficiency in determining family eligibility and computing rent calculations.*
