THE NEWPORT HOUSING AUTHORITY DECONCENTRATION POLICY

The Newport Housing Authority's policy to provide for deconcentration of poverty will consist of the following:

- A. Targeting: The income levels of families on the waiting list will be analyzed so that not less than 40% of admissions in any fiscal year will be families whose income does not exceed 30% of median income for the area.
- B. Income Mixing: Prior to the beginning of each fiscal year the NHA will analyze the income levels of families residing in each development to bring higher income families into lower income developments and lower income families into higher income developments.

The NHA will strive to insure that no individual development has a concentration of higher or lower income families. The NHA may skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

The NHA will affirmatively market public housing to all eligible income groups. If necessary, the NHA will determine the level of additional marketing strategies and deconcentration incentives to implement the objective of this policy.

Component 3, (6) Deconcentration and Income Mixing

- a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.
- b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

| Deconcentration Policy for Covered Developments | | | |
|--|------------------------|---|---|
| Development Name: | Number of Units | Explanation (if any) [see step 4 at §903.2(c)(1)(iv)] | Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)] |
| TN60-002 Dr. Dennis Branch Homes | 8 | 78.4% - below the average because several individuals who were working either lost their job or quit working to avoid paying high rent. | See attachment tn060a03 |
| TN60-009 | 17 | 123.8% - above the average due to the fact that everyone there is on a fixed income (social security and/or retirement). There are no minimum renters there to pull down the average. | See attachment tn060a03 |

**STATEMENT OF PROGRESS IN MEETING
5-YEAR PLAN MISSION AND GOALS**

NEWPORT HOUSING AUTHORITY (NHA)

The Newport Housing Authority's goal is to provide drug free, decent, safe and sanitary housing for eligible families and to provide opportunities and promote self-sufficiency and economic independence for the citizens of Newport and Cocke County.

In order to achieve this mission, we strive to do the following:

- Provide well maintained affordable housing in a safe environment;
 - Revitalize and maintaining neighborhoods;
 - Form effective partnerships to maximize social, educational and economic opportunities
1. The NHA has been successful in leveraging other funds to create additional housing opportunities. The Rhea-Mims Hotel project was completed in 2002 consists of 17 low-income, elderly units.
 2. The NHA continues to undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion national origin, sex, familial status, and disability.
 3. The NHA continues to renovate public housing property. A very capable work crew, utilizing force account, is continuing to upgrade units and surrounding areas.
 4. The NHA continues to implement security measures.
 5. The Mims Clinic project, TN060-007, will be an educational, training facility with office spaces to serve low-income people in the community and specifically NHA Residents. Renovations were completed using CFP funds, etc. It was completed in April 2004.

**IMPLEMENTATION OF PUBLIC HOUSING RESIDENT COMMUNITY
SERVICE REQUIREMENTS**

NEWPORT HOUSING AUTHORITY (NHA)

The Newport Housing Authority has established guidelines for implementing the Community Service Requirement. Below is an abbreviated list. A complete Community Service Policy is available upon request, at the Main Office of Newport Housing Authority.

1. Notification

Resident’s file is checked to see if they are exempt from completing this requirement. If it appears that they are not exempt, a notice is sent to the resident requesting further information. If, after receiving additional information, the resident is not exempt, they are given a list of Community Service options.

2. Community Service Options

List includes, but is not limited to:

- | | |
|-------------------------------|----------|
| NHA Resident Council (NHARAC) | Churches |
| Bread Basket | Schools |
| Gentle Touch Ministries | NHA |
| Other non-profit agencies | |

3. Community Service Reporting

The NHA gives resident a list of Community Service Options that meet the requirement. Resident is responsible for selecting an activity and fulfilling their eight (8) hour per month requirement. Resident is given a form to be filled out monthly and turned back in to the NHA.

4. Failure to Comply

If Resident fails to comply, they are given two opportunities to complete their compliance with this requirement. If no attempt has been made to fulfill this requirement, the Resident is in violation of their lease; and the lease will not eligible for renewal at the scheduled re-examination time.
