### **Attachment B: Statement of Proposed Lease Revisions, Grievance Procedures Revisions, Community Service Policy Revisions, ACOP Revisions, and Pet Policy Revisions**

The Lenoir City Housing Authority has made revisions to the following policies:

Resident Lease  
Grievance Procedure  
Community Service Policy  
ACOP  
Pet Policy

## LENOIR CITY HOUSING AUTHORITY DECONCENTRATION POLICY

The Lenoir City Housing Authority's policy to provide for deconcentration of poverty will consist of the following:

- A. Targeting: The income levels of families on the waiting list will be analyzed so that not less than 40% of admissions in any fiscal year will be families whose income does not exceed 30% of median income for the area.
- B. Income Mixing: Prior to the beginning of each fiscal year the LCHA will analyze the income levels of families residing in each development to bring higher income families into lower income developments and lower income families into higher income developments.

The LCHA will strive to insure that no individual development has a concentration of higher or lower income families. The LCHA may skip families on the waiting list to reach other families with a lower or higher income. This will be accomplished in a uniform and non-discriminatory manner.

The LCHA will affirmatively market public housing to all eligible income groups. If necessary, the LCHA will determine the level of additional marketing strategies and deconcentration incentives to implement the objective of this policy.
