A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The Pleasanton Housing Authority maintains a waiting list of approved applicants sufficient to insure occupation of vacant apartments as soon as repairs are completed. The Housing Authority maintains a waiting list that provides sufficient occupants for both elderly and family apartments. The Housing Authority of the City of Pleasanton has not pursued public or private funds to create additional housing opportunities.

The Housing Authority has improved its PHAS, SEMAP and customer satisfaction scores and will continue to attend training, upgrade equipment and interact with residents in order to maintain high scores. The HA has completed Capital Fund Program funded improvements on the apartments in a timely manner, making improvements to the apartments have been helpful in keeping occupants and attracting prospective clients.

The Housing Authority successfully conducted outreach efforts to potential voucher landlords.

The Housing Authority has not implemented measures to deconcentrate poverty by bringing higher income public housing households into lower income developments because there are not any developments that can be classified specifically as lower income developments. The Housing Authority does not have an extensive pool of clients to choose from and therefore accepts any family who can qualify as a renter without preference to income.

The Housing Authority has promoted self-sufficiency by notifying non-working residents of employment possibilities at local companies and of educational opportunities in the area. The Housing Authority maintains a high level of eligible employed residents.

The Housing Authority of the City of Pleasanton continues to maintain equal access to assisted housing regardless of race, color, religion, national origin, sex, familial status and disability.
