[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

The GHA noted several goals in the previous Five Year Plan. Goals and the progress are as follows:

- 1) Expand supply of assisted housing by reducing public housing vacancies. For FYE04, GHA had 57,670 available vacancy days (158 units x 365 days) and had 839 days unoccupied, or approximately 1.5% vacancy rate.
- 2) Improve PHAS and SEMAP scores. FYE04 scores were 84 (PHAS) and 71 (SEMAP). Prior year scores were higher, but not accurate based on prior administration's inaccurate self-reporting, and FYE04 scores were more accurate and true.
- 3) Renovate or modernize public housing. GHA modernized five units into completely accessible wheelchair accessible units, meeting HUD requirement of 5% of all units being wheelchair accessible.
- 4) Implement measures to de-concentrate poverty and promoting income mixing. GHA has met both of these goals by recruiting various family types and incomes into our programs.
- 5) Ensure equal opportunity by undertaking affirmative measures to ensure fair access to assisted housing, provide suitable living environment for all families and ensuring accessible housing. All measures listed above served to promote equal opportunity in assisted housing.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

Substantial deviation from the Five Year Plan is defined as a 50% or more change to the HA's overall mission, goals and/or objectives as outlined in the plan. A significant amendment or modification of the Five Year or Annual Plan includes a major deviation from any activity, proposed activity or policy that would affect services or programs provided to the residents, or over 50% change in funds projected or allocated in the Capital Fund program. This definition does not include budget revisions, changes in organizational structure, changes resulting from HUD regulations, or policy changes which do not significantly affect those receiving assistance.

b. Significant Amendment or Modification to the Annual Plan

Significant Amendment or Modification to the Annual Plan is defined as:

- 1) Any change being submitted to HUD that requires separate notification to residents, such as Hope VI, Public Housing Conversion, Demolition/ Disposition, Designated Housing or Public Housing Homeownership programs
- 2) Any changes to policy or operation that is inconsistent with the applicable Consolidated Plan
- 3) 50% change in funds projected or allocated in the Capital Fund Program Annual Statement
