[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

The PHA has not substantially deviated from the previous 5-Year Plan and has not added any significant Amendment or Modification to the previous 5-Year Plan. With the submission of the Five Year Plan for fiscal years beginning 2005 and ending 2009, the PHA is pleased to report that only one tenant is presently receiving an income disallowance in reference to the Quality Housing and Work Responsibility Act of 1998. We feel this statement justifies our commitment of ensuring that our Residents have a variety of opportunities for self-sufficiency and economic independence. The PHA has consistently maintained a perfect score of 10 on each RASS survey reporting cycle during the 2000-2004 fiscal years. This accomplishment clearly acknowledges our pledge that PHA Residents are our ultimate customer. The PHA has continuously received Capital Fund Program grants during the 2000-2004 fiscal years and has used these funds to improve and enhance the living conditions considerably for our residents. We have enclosed back porches in the family units to construct utility rooms additions, replaced dilapidated exterior storage doors for each of the Resident's storage buildings and replaced original existing range hoods to modernize the kitchen areas in all 20 units.

- a. Substantial Deviation from the 5-Year Plan

b. Significant Amendment or Modification to the Annual Plan

Until definitions of “Substantial Deviation” or “Significant Amendment or Modification” are defined by HUD, the PHA will accept the definitions as set forth in PIH Notice 99-51 which include the following actions:

- changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- additions of new activities not included in the current PHDEP Plan; and
- any change with regard to demolition or disposition, designation, homeownership programs or conversion activities.

In addition, an exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.
