B. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The OHA will maintain full utilization of the budget allowed through the Section 8 Housing Choice Voucher Program. We will protect elderly and disabled families on rental assistance and on the waiting list. Our waiting list will be closed in 2005 since we have had a dramatic decrease in funding allocation from HUD for Vouchers. We have revised our voucher sizes so that families will be issued 1 bedroom per every two persons in the household unless a reasonable accommodation is granted.

9. Additional Information

[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.)

We have made substantial progress toward reaching our 2000-2004 goals and objectives as follows:

HUD Strategic Goal: Increase the availability of decent, safe and affordable housing.

PHA Goal: Expand the supply of assisted housing:

1. We have applied for and received 40 additional Vouchers.
2. Leverage private or other public funds to create additional housing opportunities: Preservation Projects:

We formed a 501 C3 non profit corporation as the management arm for the Kingstowne Associates LLC which received an allocation of tax credits and leveraged private funds through the sale of tax credits against State funds in the form of a low interest loan from the Olean Walker Housing Loan Fund to acquire and rehabilitate the 48 unit family property known as the Kingstown Apartments thereby preserving and creating additional affordable housing in Ogden.

PHA Goal: Improve the quality of assisted housing:

1. We have greatly improved our PHAS score to 93 - High Performer in 2003.
2. We have greatly improved our SEMAP score to 100% in 2003.
3. We have improved customer satisfaction through staff training and handling any complaint immediately.
4. We have used the Capital Fund Program to modernize and rehabilitate public housing units and grounds-also evident in our greatly improved REAC score.

PHA Goal: Increase assisted housing choices.

1. We have studied and will be launching our Voucher Home Ownership Program in 2005.

HUD Strategic Goal: Improve community quality of life and economic vitality.

PHA Goal: Provide an improved living environment.

1. We improved our outreach efforts to landlords through free training sessions offered through a Dept. of Justice grant in cooperation with Ogden City in 2002. The quality of life in Public Housing has been enhanced through thorough screening procedures and use of the Capital Fund Program to improve the assets. We work very closely with Community Policing and other agencies both referring to and receiving referrals from each other.

PHA Goal: Promote self-sufficiency and asset development of assisted households.

1. We gave a preference point to families on the waiting list who were employed for the past 6 months.
2. We provide referrals to supportive services and follow up through our Section 8 family self-sufficiency program. We are happy to supply contact numbers of other agencies to anyone who requests information.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

We are an active member of the Fair Housing Commission of the City of Ogden with our Section 8 Manager serving as Chairperson this year (2004).

Other PHA Goals and Objectives:

Streamline and/or conduct operations analysis for maintaining good customer service.

We have reviewed operations to keep up with needs, updated the organizational chart, expanded our office space to include the whole 1st floor, modernized our offices with modular cubicles, purchased computers for every employee and one for RAB, purchased software from HAB, Inc. with a central server, everyone has email for better communication within and outside the agency, we are better able to be aware of and implement regulatory changes as they become effective.

Implement and maintain quality affordable housing.

As evidenced through high PHAS and SEMAP scores, we have improved program integrity in public housing and Section 8, our assisted housing has undergone positive changes through our modernization program and prompt eviction of households in noncompliance with their lease after proper hearings, we have acquired, through our non profit subsidiary, with no Housing Authority funds a Section 42 Tax Credit property which we manage through a management agreement between our non profit and Housing Authority. We have completed our conversion to Voucher leases and applied for and received an additional Voucher allocation.

Improve and Maintain inter-agency cooperation.

We work with and are board participants with other agencies to provide services to our clientele, homeless, and other low income households. Weber County Homeless Coordinating Council, Fair Housing Commission of the City of Ogden, Utah Capacity Building Collaborative, AOG/COG Homeless Coordinating Committee (County), attend Neighborhood Policing Meetings weekly, COR-Coordinating Our Resources Council, Northern Utah Area Asset Building Coalition (IRS), Northern Utah Board of Realtors Community Investment Committee, partners with Your Community Connection (YCC), Tri County Independent Living Center, Disabled Veterans of America/Homeless Veterans Fellowship, etc.

Improve communication linkages both internally and externally with residents and other customers.

We have improved our communication capabilities with email and computer capability, upgrading our fax machine, manager meetings, staff meetings, etc. We have changed and upgraded our telephone system so that we are more readily available. We have provided staff with cell phones as needed. We use a power

point presentation for our Voucher briefing sessions so we create and disseminate consistent information. We provide landlord training so that they can better understand the Voucher program and legal remedies to problems.
