[24 CFR Part 903.12 (b), 903.7 (r)]

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.

- DPHA maintained a 98+% averaged occupancy rate for the period FY 2000 – 2004
- New deputy director was hired 05/1999, achieved Public Housing Manager certification in 04/2000
- On 06-14-2002, maintenance staff increased by one additional person on part-time basis as custodian & maintenance helper
- DPHA elected not to modify 1 of 15 existing 3-bedroom or 4-bedroom non-elderly scattered site units to be fully wheelchair accessible due to not only inordinate expense that would exceed 75% of HUD

- replacement cost rule, but based on survey of area assisted housing, found that such existing units are being under-utilized. Referrals shall be made instead.
- Not only was Apt 145 in Nicolet Terrace made fully wheelchair accessible, as well as Apt 101, but the remaining 29 east building units had bathtubs removed and replaced with step-in shower modules.
 - On 02-02-2001, the HUD Field Office, Milwaukee, Wisconsin confirmed that DPHA has developments that are not subject to deconcentration of poverty and income mixing requirements.
 - Not only are the community service requirements of the non-employed adult residents age 18+ reviewed annually, but on a monthly basis, they are required to turn in their service hours. Failure to do so triggers a follow-up by staff.
 - Staff reviews the Reasonable Accommodations for Persons with Disabilities information with every participant applicant.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

- Substantial Deviation from the 5-Year Plan: (See below definition.)
- Significant Amendment or Modification to the Annual Plan: (See below definition.)

Substantial deviations or significant amendments or modifications are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the mission, goals, objectives, or plans of the agency and which require formal approval of the Board of Commissioners. Such examples are as follows:

- Changes to rent or admissions policies, or changes to organization of the waiting list;
- Additions of non-emergency work items (items not included in the current Annual statement of 5-Year Action Plan) having a work item value of \$25,000 or more;
- Change in use of replacement reserve funds under the Capital Fund having a work item value of \$25,000 or more;

Nicolet Terrace Elderly Complex: Leola Dillhunt, Irma Plog, Clifford Devroy, Jeannette Gatzow, Irene Chandonais and David Vlack; Family Scattered Sites: Karen Farrell

(1) Resident Advisory Board Recommendations

- a. Yes No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

COMMENT: Could the elderly complex have an on-site manager who resides at Nicolet Terrace? For example, shortly after moving into the complex, the fire alarms sounded and stayed on for a long time.

RESPONSE: The executive director pointed out that while it takes maintenance supervisor 15 minutes to travel from his home in any emergency, even he is not permitted to disengage and reset the fire alarms until he receives an okay from the fire department. The fire department personnel undoubtedly wish to insure all is well before giving that okay. The Board has approved issuance of a master key to two credible residents who are available for lockouts, and all residents are given the home telephone numbers of staff for other concerns that should not wait until the next business day. Chandonais of the resident advisory board stated that the existing system works very well and that maintenance is prompt to respond on evenings, weekends and holidays.

COMMENT: An elderly expressed her appreciation to the staff and to the Board for permitting her to do an in-house unit transfer because of the problems she has been having with the current smokers who live next to her.

COMMENT: RAB member, Chandonais, asked if a buzzer could be set up in the community room from the main entrance. A few times when some of the residents are playing cards in the community room, their visitors cannot get their attention to be permitted entrance to the building.

RESPONSE: The executive director expressed concerns of disturbance with such a system, however, the matter would be brought to the attention of the maintenance supervisor to research the possibilities.

COMMENT: A resident invited the Board after this meeting to view a piece of her artwork she is selling.

COMMENT: Is there a limit on the number of resident pot lucks that can be held at the elderly complex?

RESPONSE: There is no limitation as long as the date does not conflict with another event scheduled for the community room.

- b. In what manner did the PHA address those comments? (select all that apply)

- Considered comments, but determined that no changes to the PHA Plan were necessary.
- The PHA changed portions of the PHA Plan in response to comments
