### **CRITERIA FOR SUBSTANTIAL AMENDMENTS OR MODIFICATIONS SIGNIFICANT DEVIATIONS FROM THE 5 YEAR PLAN**

The Code of Federal Regulations (CFR) at 24 CFR Part 903 Section 7, Public Housing Agency Plans: Final Rule issued on October 21, 1999 is very specific with respect to the information a PHA must provide in its Agency Plan. Part 903 Section 7 (r) (2) states that a PHA must identify the basic criteria the PHA will use for determining.

- A substantial deviation from its Five -Year Plan and
- A significant amendment or modification to its Five -Year Plan and Annual Plan

Notice PIH 99-51 states that PHA's must define the terms "Substantial Deviation and "Significant Amendment or Modification" by stating the basic criteria for such definitions in an annual plan that has met full public process and Resident Advisory Board review.

HUD considers the following actions to be Significant Amendments or Modifications:

- Changes to rent or admissions policies or organization of the waiting list;
- Additions of non-emergency work items (items not included in the current Annual Statement of Five –Year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- Additions of new activities not included in the current PHDEP Plan; and
- Any change with regard to demolition or disposition designation, homeownership programs or conversion activities.

Any substantial deviation from the Mission Statement and/or Goals and Objectives presented in the Five –Year Plan that cause changes in the Services provided to residents or significant changes to the Agency's financial situation will be documented in subsequent Agency Plans.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD.

### Resident Advisory Board Meeting

February 16, 2005

The 2005 annual Resident Advisory Board Meeting was held at the Central Office of the Clarksburg Housing Authority (CHA). CHA Board of Commissioners members attending included Janie Kitzmiller, Rudy Colombo and Tony Clutter. Staff members attending included Margaret Hurst, Jill Swain, Rhonda Lindsey, Mike Jacobs and John Hurst. Presiding over the meeting was Executive Director Lou Aragona. Residents attending included Rebecca Stires, Teresa Simonette, Wilma Talerico, and Dortha Parsons.

Mr. Aragona welcomed the residents and began with a brief overview. He stated the purpose for the meeting today was to focus on what we propose to accomplish and why we propose it. He thanked the residents for attending. Mr. Aragona stated that the meeting was to accept input from tenants and that if anyone had a complaint, he would meet with them after the meeting.

The meeting started with discussing the plans for the funding. Proposed projects for Mason House include parking lot resurfacing, Security Camera upgrade, as well as the usual carpet, tile and appliance replacement. Proposed projects at Laurel Lanes include Security Camera upgrade, Community Room Kitchen upgrade, electric services upgrade, kitchen & bath, as well as the usual carpet, tile and appliance replacement. Proposed projects for Koupal Towers include Security Camera upgrade, Community Room kitchen upgrade, as well as the usual carpet, tile and appliance replacement. Mr. Aragona also stated that part of the plan is to purchase a new truck with Capital Funds dividing the cost among the three developments.

Mr. Aragona stated that this is one of the better plans that we have done based on the work that we have done in the past.

Mr. Aragona opened the floor for questions from the residents.

#### Mason House

**Teresa Simonette** - New screens are needed on the balconies and that some of the windows are bad. The screens are torn at the bottom. Lou asked Mike Jacobs how many screens total would need to be replaced. Mike stated there would be ten. As for the screens in the stairwells, they are currently looking into replacing them.

Lou stated that an inventory of all screens will be done and for Mike Jacobs to do a check on all windows in the building.

**Wilma Talarico** - **Could the current porch furniture be replaced or could they use their own?** They currently have resin chairs that are in poor shape and some are broken. New furniture is needed and will be looked into for this year.

**Can new lights be installed?** Lou Aragona asked John Hurst if ceiling fans were capable of being installed. John stated that there is no bracing for fans. Lou then asked what about other installation of lights. John stated that they would have to be surface mounted.

Anthony Clutter then stated that the issue was tabled from last year's meeting because of the installation of the sprinkler system and not knowing where the sprinklers will go.

Lou stated that we will investigate for some different alternatives for lighting.

### **Laurel Lanes**

**Rebecca Stires** - **Control of heat in the units.** Ms. Stires stated that there seems to be no way to control the heat. She was told that the thermostat was a "dummy" thermostat by a maintenance person. John Hurst stated that they are working thermostats. Ms. Stires stated that the upstairs of the apartments are so hot, that they are forced to keep their windows up. She stated that she understands the Housing Authority's position regarding conservation of utilities, however, the heat is unbearable.

Mr. Aragona asked if the problem was localized to one area. He was informed that the problem is consistent throughout the Laurel Lanes development.

Mr. Aragona stated that the heating regulation will be investigated and the issue will be addressed.

Mike Jacobs stated that the problem is being looked into but that part of the problem is that the outside temperature has not been consistent which makes it harder to regulate the boilers.

**Awnings above entrance doors to apartments.** Ms. Stires stated that tenants have stated that they would like to have awnings above the entrance doors to their apartments. Mike Jacobs stated that this is addressed in this year's plan; however, upon review it was addressed in last year's plan.
