**B. Strategy for Addressing Needs**

Provide a brief description of the PHA's strategy for addressing the housing needs of families on the PHA's public housing and Section 8 waiting lists **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

The Piedmont Housing Authority has a strategy based on its mission statement to fulfill housing needs of low income residents in our community. There is no shortage of affordable housing in our area. In fact, our small area is saturated with existing and newly built subsidized units. We are continually competing with seven other such programs in a fifteen mile radius. We will strive to reduce turnover time by continuing to advertise and reach out to residents and community organizations so that the area population can be educated on the service that we can provide to meet their housing needs. Strategies are listed below.

**(1) Strategies**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line
- X Reduce turnover time for vacated public housing units
- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction
- X Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- The PHA will not employ any discretionary rent-setting policies for income-based rent in public housing. Income-based rents are set at the higher of 30% of adjusted monthly income, 10% of unadjusted monthly income, the welfare rent, or minimum rent (less HUD mandatory deductions and exclusions). (If selected, skip to sub-component (2))

2.  Yes  No: Has the PHA adopted any discretionary minimum rent hardship exemption policies?

3. If yes to question 2, list these policies below:

The Housing Authority has set the minimum rent at \$50. The Housing Authority will immediately suspend the minimum rent to any minimum rent family making a proper request in writing for a hardship exemption. The

Executive Director (or their designee) of the Housing Authority will determine whether the hardship exists and whether the hardship is of a temporary or long-term nature within seven days of submission.

A hardship exists if the resident can document the following circumstances:

- A. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program;
- B. When the family would be evicted as a result of the imposition of the minimum rent requirement;
- C. When the income of the family has decreased because of changed circumstances, including loss of employment;
- D. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
- E. When a death has occurred in the family which affects the family financial circumstances.

No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement for any rent not paid during the period of suspension. During the suspension period, the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

Long-term hardship. If the Housing Authority determines there is a long-term hardship (lasting more than ninety (90) days), the family will be exempt from the minimum rent requirement until the hardship no longer exists. During the suspension period, the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

## **9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004.*

The Piedmont Housing Authority has continued its objective of providing decent, safe and affordable housing. We have consistently maintained the status of "High Performer Designation" on our PHAS scores. We have reached our goal of increasing the number of per unit inspections done each year as we are inspecting units two times per year. This has shown to have a positive impact on our preventative maintenance program. We have concentrated our efforts on improving the marketability of our units by applying each year for Capital Funds. We have strived to maintain a high level of customer satisfaction by promptly addressing the needs of our residents.

Our goal of reducing public housing vacancies has not materialized. Our housing authority is located in an area that is saturated with seven other low income housing developments. Due to lack of industry, our small town loses population annually. Our screening policies include the screening of applicants for criminal and drug-related activity through the FBI records. Although this has been a useful screening tool, it has also greatly increased the time it takes to complete an application. On the average, it takes 30 days from the time the applicant fingerprint card is mailed from the PHA office, is sent to the channeling agency, then to the FBI for processing and back to our PHA. Due to the lengthy time period, most applicants find alternative housing. We have addressed this issue with both the channeling agency and the FBI.

Deconcentration and Income Mixing as per QHWA has been achieved. None of our buildings in our single development have average incomes above or below 85% to 115% of the average incomes of all buildings.

By using our Capital Funds, we have installed a camera surveillance system and a keyless security system

in our Mid-Rise building. This has helped to address security concerns of our residents.

We have promoted self-sufficiency of our assisted households by entering into cooperative agreements with the WV Department of Health and Human Resources to provide employment opportunities on a reciprocal basis. By using this resource and the HUD Earned Income Disallowance our residents are given the added incentive to find and to keep employment. This disallowance of income is applicable to an adult resident who either begins earning income or earns additional income. Only 3% of our residents are being assisted by TANF.

To ensure equal opportunity and affirmatively further fair housing, the Piedmont Housing Authority has continued affirmative measures to ensure access to assisted housing and to provide a suitable living environment for families living in assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability. The housing authority has continued affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required.

## **B. Criteria for Substantial Deviations and Significant Amendments**

### **(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### a. Substantial Deviation from the 5-Year Plan

Any substantial deviation in the 5 year plan that causes changes in the service provided to residents or significant changes in the agency's financial situation will be documented in subsequent annual plans. Exception to this will be made to include any changes in HUD regulatory requirements which will not be considered a significant amendment.

#### b. Significant Amendment or Modification to the Annual Plan

Changes that would affect tenant's income, rent and admission and occupancy will be made within a thirty day period. All other changes will be examined on a case by case basis and modifications made to the PHA Plan will be made on an annual basis subject to a full public hearing and HUD regulations. Exception to this will be made to include any work items not previously approved in the plan, such as necessary and emergency items, will only require the approval of the Executive Director and the Board of Commissioners.
