This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Three dwelling units, one at 4053 - 4083 Pulitzer Place, one at 5359-5389 Santa Margarita, and another at 4451-4459 Market Street will be converted for non-public housing use. The purpose of this deprogramming is to provide resident managers with dwelling units and site-based offices to support the Commission's transition to HUD's Asset Management model. Resident manager households are not eligible for the public housing program.

Studies will be conducted to determine the viability of disposition of 38 single family homes, located at the following address, which are included in the HUD Scattered Site Public Housing Development (CA16-P063-013). If a decision is made to sell those single family units, the intent would be to replace units sold with a comparable number of units, using the proceeds from the sale.

As stated in the Consolidated Plan, the San Diego Housing Commission is the major public agency involved in the production of affordable housing in the San Diego area. The Consolidated Plan supports the PHA Plan in a variety of different ways. The housing programs seek to implement the following Consolidated Plan goals:

- Expand and preserve a continuum of affordable housing opportunities
- Revitalize low and moderate income neighborhoods to create healthy and sustainable neighborhoods

Additionally, the Housing Commission is a vital resource and committed to the Plan's goals through its public housing and Section 8 programs. These programs provide rental assistance to alleviate housing cost burden, including severe cost burden, experienced by lower-income households with incomes less than eighty percent (80%) of Median Area Income (MAI):

- To provide improved living conditions for extremely low and low-income families while maintaining their rent payments at an affordable level;
- To promote freedom of housing choice and spatial deconcentration of lower income and minority families;

There are several other programs the Housing Commission operates which promote family self-sufficiency or target special purpose populations within the community.

STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The Section 8 Program was enacted as part of the Housing and Community Development Act of 1974, which recodified the U.S. Housing Act of 1937. The Act has been amended from time to time, and its requirements, as they apply to the Section 8 tenant-based assistance program, is described in and implemented throughout this Administrative Plan. The Section 8 rental assistance programs are federally funded and administered for the City of San Diego by the San Diego Housing Commission (Housing Commission) through its Section 8 department.

Administration of the Section 8 program and the functions and responsibilities of the Housing Commission staff shall comply with the Housing Commission's Personnel Policy and the Department of Housing and Urban Development's (HUD) Section 8 regulations as well as all federal, state and local Fair Housing laws and regulations.

Jurisdiction

The jurisdiction of the San Diego Housing Commission is the City of San Diego, California.

A. PURPOSE OF THE PLAN

[24 CFR 982.54]

The purpose of the Administrative Plan is to establish policies for carrying out the programs in a manner consistent with HUD requirements and local goals and objectives contained in the Agency Plan. This Plan covers admission and continued participation in the Voucher and Moderate Rehabilitation programs. Policies are the same for all programs unless otherwise noted or superseded by federal statute or regulation.

The Housing Commission is responsible for complying with all changes in HUD regulations pertaining to these programs. If such changes conflict with this Plan, HUD regulations will have precedence. The Board of Commissioners of the agency must approve the Plan and any changes. Pertinent sections must be included in the Agency Plan, and a copy provided to HUD.

Applicable regulations include:

24 CFR Part 5: General Program Requirements

24 CFR Part 8: Nondiscrimination

24 CFR Part 982: Section 8 Tenant-Based Assistance

This Administrative Plan is set forth to define the Housing Commission's local policies for operation of the housing programs in the context of federal laws and regulations. All issues related to Section 8 not addressed in this document are governed by such federal regulations, HUD memos, notices and guidelines, or other applicable law.

The Chief Executive Officer has the flexibility to grant exceptions to the Housing Commission's adopted policy.

B. ADMINISTRATIVE FEE RESERVE

[24 CFR 982.54(d)(22)]

Expenditures from the Administrative Reserve (Operating Reserve) for other housing purposes during each fiscal year will not be made without the prior approval of the Board of Commissioners.

C. FAIR HOUSING POLICY

[24 CFR 982.54(d)(6)]

It is the policy of the Housing Commission to comply fully with all federal, state, and local nondiscrimination laws and with the rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

The Housing Commission shall not deny any family or individual the equal opportunity to apply for or receive assistance under the Section 8 programs on the basis of race, color, sex, religion, creed, national or ethnic origin, age, familial or marital status, handicap or disability or sexual orientation.

To further its commitment to full compliance with applicable Civil Rights laws, the Housing Commission will provide federal/state/local information to Section 8 participants regarding unlawful discrimination and any recourse available to families who believe they are victims of a discriminatory act.

Except as otherwise provided in 24 CFR 8.21(c)(1), 8.24(a), 8.25, and 8.31, no individual with disabilities shall be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination because the Housing Commission's facilities may be inaccessible to, or unusable by a person with a disability.

D. ACCOMMODATIONS TO A PERSON WITH A DISABILITY POLICY

[24 CFR 100.202]

It is the policy of the Housing Commission to be service-directed in the administration of the housing programs, and to exercise and demonstrate a high level of professionalism while providing housing services to families.

An applicant and/or a participant with a disability must first ask for a specific change to a policy or practice as an accommodation of their disability before the Housing Commission will treat a person differently than anyone else. The Housing Commission's policies and practices will be designed to provide assurances that a person with disability will be accommodated, upon request, so that they may fully access and utilize the housing program and related services. The availability of requesting an accommodation may be made known by including notices on Housing Commission forms and letters. This policy is intended to afford a person with a disability an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as those who do not have a disability and is applicable to all situations described in this Administrative Plan including when a family initiates contact with the Housing Commission, when the Housing Commission initiates contact with a family including when a family applies, and when the Housing Commission schedules or reschedules appointments of any kind.

To be eligible to request an accommodation for a person with a disability, the requester must first certify (if apparent) or verify (if not apparent) that they are a person with a disability under the following ADA definition:

A physical or mental impairment that substantially limits one or more of the major life activities of an individual;

A record of such impairment; or

Being regarded as having such an impairment

Rehabilitated former drug users and alcoholics are covered under the ADA. However, a current drug user is not covered. In accordance with 5.403, individuals are not considered disabled for eligibility purposes solely on the basis of any drug or alcohol dependence. Individuals whose drug or alcohol addiction is a material factor to their disability are excluded from the definition. Individuals are considered disabled if disabling mental and physical limitations would persist if drug or alcohol abuse discontinued.

Once a person's status as a qualified person with a disability is confirmed, the Housing Commission will require that a professional third party competent to make the assessment, provides written verification that the person needs the specific accommodation due to their disability and the change is required for them to have equal access to the housing program.

If the Housing Commission finds that the requested accommodation creates an undue administrative or financial burden, the Housing Commission will deny the request and/or present an alternate accommodation that will still meet the need of the person.

An undue administrative burden is one that requires fundamental alteration of the essential functions of the Housing Commission.

An undue financial burden is one that when considering the available resources of the agency as a whole, the requested accommodation would pose a severe financial hardship on the Housing Commission.

The Housing Commission will provide a written decision to the person requesting the accommodation within a reasonable time. If a person is denied the accommodation or feels that the alternative suggestions are inadequate, they may request an informal hearing to review the Housing Commission's decision.

Accommodations will be made for persons with a disability that require an advocate or accessible office. A designee will be allowed to provide some information, but only with the permission of the person with the disability.

All Housing Commission mailings will be made available in an accessible format upon request, to accommodate a person with a disability.

E. MANAGEMENT ASSESSMENT OBJECTIVES

The Housing Commission operates its housing assistance program with efficiency and can demonstrate to HUD auditors that the Housing Commission is using its resources in a manner that reflects its commitment to quality and service. The Housing Commission policies and practices are consistent with the areas of measurement for the HUD-required Section 8 Management Assessment Program (SEMAP) indicators.

The annual sample of files and records will be drawn in an unbiased manner, leaving a clear audit trail.

The minimum sample size to be reviewed will relate directly to each factor, based on HUD-directed minimums.

F. OWNER OUTREACH

[24 CFR 982.54(d)(5), 982.153(b)(1)]

The Housing Commission makes a concerted effort to keep private owners informed of legislative changes in the tenant-based program, which are designed to make the program more attractive to owners. This includes informing participant owners of applicable legislative changes in program requirements.

The Housing Commission encourages owners of decent, safe and sanitary housing units to lease to Section 8 families.

The Housing Commission conducts periodic meetings and distributes written materials to participating owners to improve owner relations and to recruit new owners outside areas of poverty or minority concentration.

The Housing Commission maintains a list of units available for the Section 8 Program and updates this list weekly.

The Housing Commission will maintain a list of available housing submitted by owners in all neighborhoods within the Housing Commission's jurisdiction to ensure greater mobility and housing choice to very low-income households. The list of available units will be readily available for applicant briefings and participants searching for housing.

The staff of the Housing Commission initiates personal contact with private property owners and managers by conducting formal and informal discussions and meetings.

Printed material is offered to acquaint owners and managers with the opportunities available under the program.

The Housing Commission has active participation in community-based organizations including private property and apartment owners and managers.

The Housing Commission actively recruits property owners with property located outside areas of low income and poverty concentration and will apply for exception payment standards if the Housing Commission determines it is necessary to make the program more accessible in its jurisdiction.

The Housing Commission encourages program participation by owners of units located outside of low income and poverty concentration. The Housing Commission periodically evaluates the demographic distribution of assisted families to identify areas within the jurisdiction where owner outreach should be targeted. The purpose of these activities is to provide more choice and better housing opportunities to families. Voucher holders are informed of a broad range of areas where they may lease units inside the Housing Commission's jurisdiction and are given a list of landlords or other parties who are willing to lease units or help families who desire to live outside areas of low income and poverty concentration.

The Housing Commission shall periodically:

Develop working relationships with owners and real estate broker associations.

Establish contact with civic, charitable or neighborhood organizations which have an interest in housing for low-income families and public agencies concerned with obtaining housing for displaced families.

Explain the program, including equal opportunity requirements and nondiscrimination requirements, including Fair Housing Amendments Act of 1988 and Americans with Disabilities Act, to real estate agents, landlords, and other groups that have dealings with low-income families or are interested in housing such families.

G. CONFLICT OF INTEREST

[24 CFR 982.161]

All Housing Commission employees shall abide by the Conflict of Interest regulation as follows:

Neither the Housing Commission nor any of its contractors or subcontractors may enter into any contract or arrangement in connection with the tenant-based programs in which any of the following classes of persons has any interest, direct or indirect, during tenure or for one year thereafter:

1. Any present or former member or officer of the Housing Commission (except an appointed resident commissioner);
2. Any employee of the Housing Commission, or any contractor, subcontractor, or agent of the Housing Commission, who formulates policy or who influences decisions with respect to the programs;
3. Any public office, member of a governing body, or State or local legislator, who exercises functions or responsibilities with respect to the program; or
4. Any member of the Congress of the United States.

Any of these members must disclose their interest or prospective interest to the Housing Commission and HUD.

The conflict of interest prohibition may be waived by the HUD field office for good cause.

All Housing Commission staff is subject to the "Standards of Conduct" code, Section 102.900 as defined in the San Diego Housing Commission Policies, Revised July 1, 2001.

Chapter 2

WAITING LIST, ADMISSION, AND DENIAL OF ADMISSION

[24 CFR Part 5, Subparts B, D & E; Part 982, Subpart E]

INTRODUCTION

This Chapter defines both HUD and the Housing Commission's criteria for the waiting list, admission, and denial of admission to the program. The policy of the Housing Commission is to strive for objectivity and consistency in applying these criteria to evaluate the eligibility of families who apply and to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply and are treated in a fair and consistent manner.

A. APPLICATION TAKING PROCESS AND WAITING LIST

The purpose of application taking is to permit the Housing Commission to gather information and determine placement on the waiting list. The application will contain questions designed to obtain pertinent program information.

Families who wish to apply for any one of the Housing Commission's programs must complete an Application for Housing Assistance.

Any family asking to be placed on the waiting list for Section 8 rental assistance will be given the opportunity to complete an application. The information is to be filled out by the applicant whenever possible. To provide specific accommodation for a person with a disability, the information may be completed by a staff person over the telephone. It may also be mailed to the applicant.

Duplicate applications, including applications from a segment of an applicant household, will not be accepted.

The application process will involve two phases. The first is the "initial" application for placement on the waiting list.

The application will be dated, time-stamped, and referred to the Housing Commission's eligibility office where it will be maintained until such time as it is needed for processing. .

When the application is submitted to the Housing Commission it establishes the family's date and time of application for placement order on the waiting list.

The second phase is the "final determination of eligibility." The determination of eligibility takes place when the family is selected for eligibility processing. At this time, the Housing Commission ensures that verification of HUD and Housing Commission eligibility factors is current in order to determine the family's eligibility for the issuance of a voucher.

B. COOPERATIVE WAITING LIST

The San Diego Housing Commission, the Housing Authority of the County of San Diego, Community Development Commission of the City of National City, City of Carlsbad Housing Authority, City of Oceanside Housing Authority, and the Housing and Development Department of the City of Encinitas agree to maintain a cooperative waiting list for those applicants who live in the jurisdiction of the other housing agency. Any other Housing Agency within the region that requests to participate in the cooperative waiting list will be allowed to participate.

Each housing agency will exchange waiting list applications, preserving the original time and date of application, for applicants residing in the jurisdiction of the other agency

C. FAMILY OUTREACH

The Housing Commission will publicize and disseminate information to make known the availability of housing assistance and related services for very low income families on a regular basis. When the Housing Commission's waiting list is open, the Housing Commission will publicize the availability and nature of housing assistance for very low income families.

The Housing Commission will communicate the status of housing availability to other service providers in the community, and advise them of housing eligibility factors and guidelines in order that they may make proper referrals for housing assistance.

D. APPLICANT STATUS WHILE ON WAITING LIST

[24 CFR 982.204]

Applicants are required to inform the Housing Commission in writing of changes in address within 14 days. Applicants are also required to respond to requests from the Housing Commission to update information on their application and to determine their interest in assistance.

After the receipt of the Application for Housing Assistance, a written notification of waiting list status will be mailed to the applicant.

E. SPLIT HOUSEHOLDS (PRIOR TO VOUCHER ISSUANCE)

During the time while a family is on the Section 8 waiting list, if the family were to decide to split into two otherwise eligible families (due to divorce or legal separation) and the new families both wish to claim the same placement on the waiting list, a separate application will be made for each with the original date and time of application that they had as an intact family.

However, if a family is selected from the Section 8 waiting list and begins the eligibility process for voucher issuance, the household will no longer be able to separate into two families. Instead, the Housing Commission will have the final authority to determine which of the new family members

San Diego Housing Commission
Section 8 Administrative Plan
Adopted 2/25/05

would be best served by Section 8 assistance. The Housing Commission will consider the following factors to determine which of the families will be issued the voucher:

- Which of the new family units has custody of the dependent child(ren)
- The composition of the new families, and whether they include elderly or disabled members
- Whether domestic violence was involved in the breakup
- Recommendations of reliable, knowledgeable third-party professionals.

Upon request of the Housing Commission, documentation of these factors will be the responsibility of the family. If documentation is not provided, the Housing Commission will terminate eligibility based on failure to provide information necessary for the eligibility determination.

F. WAITING LIST ORDER

[24 CFR 982.204]

Applicants will be selected from the Housing Commission waiting list in accordance with policies and preferences defined in this Administrative Plan. The Housing Commission will maintain information that permits proper selection from the waiting list.

Except for Special Admissions, applicants will be selected from the Housing Commission waiting list in accordance with policies and preferences and income targeting requirements defined in this Administrative Plan.

G. SPECIAL ADMISSIONS

[24 CFR 982.54(d)(e), 982.203]

If HUD awards the Housing Commission program funding that is targeted for specifically named families, the Housing Commission will admit these families under a Special Admission procedure.

Special admissions families will be admitted outside of the regular waiting list process. They do not necessarily have to qualify for any preferences, nor are they required to be on the program waiting list. The Housing Commission maintains separate records of these admissions.

The following are examples of types of program funding that may be designated by HUD for families living in a specified unit:

A family displaced because of demolition or disposition of a Public or Indian housing project;

A family residing in a multifamily rental housing project when HUD sells, forecloses or demolishes the project;

For housing covered by the Low Income Housing Preservation and Resident Home-ownership Act of 1990; and

A family residing in a project covered by a project-based Section 8 HAP contract at or near the end of the HAP contract term.

H. WAITING LIST PREFERENCES

[24 CFR 982.207]

The Housing Commission will offer public notice when changing its preference system and the notice will be publicized using the same guidelines as those for opening and closing the waiting list.

The Housing Commission uses the following local preference system:

Date and time of receipt of a completed application.

Residency preference for families who live, work, or have been hired to work in the jurisdiction.

Family

Homeless person with a disability

Elderly (62 years or older)

Disability

Veteran

Active U.S. Military personnel.

I. RANKING LOCAL PREFERENCES

Within each of the following numbered categories, applicants will be served by date and time of application.

1. Applicants who live and/or work in the City of San Diego and who are families of two or more people or single persons who are disabled or age 62 or older, or veterans, or active U.S. Servicepersons or a homeless person with a disability
2. Other applicants who live and/or work in the City of San Diego
3. Applicants who do not live and/or work in the City of San Diego and who are families of two or more people or single persons who are disabled or age 62 or older, or veterans, or active U.S. Servicepersons or a homeless person with a disability
4. Other applicants who do not live and/or work in the City San Diego

J. INITIAL DETERMINATION OF LOCAL PREFERENCE

An applicant's certification that they qualify for a preference will be accepted without verification at the initial application. When the family is selected from the waiting list for the final determination of eligibility, the preference will be verified.

If the preference verification indicates that an applicant does not qualify for the preference, the applicant will be returned to the waiting list without the local preference.

K. CHANGE OF PREFERENCE

[24 CFR 5.410]

Changes in an applicant's circumstances while on the waiting list may affect the family's entitlement to a preference. Applicants are required to notify the Housing Commission in writing when their circumstances change.

L. CROSS LISTING OF PUBLIC HOUSING AND SECTION 8

The Housing Commission will not merge the waiting lists for public housing and Section 8. However, if the Section 8 waiting list is open when the applicant is placed on the public housing list, the Housing Commission must offer to place the family on both lists. If the public housing waiting list is open at the time an applicant applies for Section 8, the Housing Commission must offer to place the family on the public housing waiting list.

M. PREFERENCE DENIAL

[24 CFR 5.415]

If the Housing Commission denies a preference, the Housing Commission will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for a review with a staff member other than the one who made the decision. If the preference denial is upheld because of the review, or the applicant does not request a review, the applicant will be placed on the waiting list without benefit of the preference.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, they will be removed from the waiting list.

N. REMOVAL FROM WAITING LIST AND PURGING

[24 CFR 982.204(c)]

The Waiting List will be purged approximately every 12 to 18 months by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for confirmation of continued interest.

If an applicant is removed from the waiting list for failure to respond, they will not be entitled to reinstatement unless the Housing Commission determines there were circumstances beyond the person's control.

If an applicant fails to respond to any mailings to the applicant, which require a response the applicant's name will be dropped from the waiting list without further notice.

An extension for responding will be granted if requested and needed as a reasonable accommodation for a person with a disability.

If the applicant did not respond to the Housing Commission's request for information or updates because of a family member's disability, the Housing Commission will reinstate the applicant in the family's former position on the waiting list.

If a letter or other correspondence is returned by the Post Office as undeliverable, the applicant will be removed without further notice.

O. SELECTION FROM WAITING LIST

[24 CFR 982.204, 5.410]

When funding is available, families will be selected from the waiting list in their preference-determined sequence, regardless of family size.

P. INCOME LIMITATIONS/INCOME TARGETING

[24 CFR 982.201(b), 982.353]

Seventy five per cent (75%) of new admissions shall not exceed 30% of the Area Median Income (AMI) as established by HUD. The remaining 25% may be between 31-80% of the AMI.

Meeting the income targeting requirements will require skipping higher income families on the waiting list as necessary to satisfy the Housing Commission's annual targeting requirement.

To determine if the family is income-eligible, the Housing Commission compares the Annual Income of the family to the applicable income limit for the family's size.

Families whose Annual Income exceeds the income limit will be denied admission and offered an administrative review.

For initial lease-up, families who exercise portability must be within the applicable income limit for the jurisdiction of the receiving PHA.

Q. ELIGIBILITY DETERMINATION PROCESS

All preferences claimed on the Application for Housing Assistance or while the family is on the waiting list will be verified after the family is selected from the waiting list.

Applicants must complete a Personal Declaration.

R. COMPLIANCE WITH ELIGIBILITY PROCESS

The Housing Commission establishes procedures to gather the information and data necessary to determine a family's eligibility. The procedures require the participation and signatures of all adult family members, 18 years and older. When interviews are scheduled, all adult family members must attend. Failure to provide requested information and data may result in the denial of an application. Failure to attend the initial scheduled appointment will result in denial of the application. One reschedule will be allowed as a reasonable accommodation for a person with disabilities.

S. VERIFICATION

[24 CFR 982.201(e)]

Information provided by the applicant will be verified, using the verification procedures in the 'Verification Procedures' chapter. Family composition, income, allowances and deductions, assets, full-time student status, eligibility and rent calculation factors, and other pertinent information will be verified. Verifications may not be more than 60 days old at the time of issuance of the Voucher.

T. FINAL DETERMINATION OF ELIGIBILITY

[24 CFR 982.201]

After the verification process is completed, the Housing Commission will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by the Housing Commission and the current eligibility criteria in effect. If the family is determined to be eligible, a briefing will be scheduled for the issuance of a voucher and the family's orientation to the housing program.

U. ELIGIBILITY FACTORS

[982.201(B)]

The Housing Commission accepts applications only from families whose head or spouse is at least 18 years of age or emancipated minors under State law. To be eligible for participation, an applicant must meet HUD's criteria, as well as any permissible additional criteria established by the Housing Commission.

HUD eligibility criteria are:

An applicant must be a "family";

An applicant must be within the appropriate Income Limits;

An applicant must furnish Social Security Numbers for all family members age six and older;

An applicant must furnish declaration of Citizenship or Eligible Immigrant Status and verification when required.

Reasons for denial of admission are addressed in the "Terminations and Program Integrity Unit" chapter. These reasons for denial constitute additional admission criteria.

Evidence of Citizenship/Eligible Immigrant Status will not be verified until the family is selected from the waiting list for final eligibility processing for issuance of a Voucher.

V. FAMILY COMPOSITION

[24 CFR 982.201]

The applicant must qualify as a Family. A Family may be a single person or a group of persons.

A family includes:

A family with a child or children.

Two or more elderly or disabled persons living together, or one or more elderly or disabled persons living with one or more live-in aides.

The Housing Commission determines if any other group of persons qualifies as a family.

A single person family may be:

An elderly person.

A displaced person.

A person with a disability. Individuals may not be considered disabled for eligibility purposes solely based on any drug or alcohol dependence.

Any other single person.

A child who is temporarily away from home because of placement in foster care is considered a member of the family. This provision only pertains to the foster child's temporary absence from the home, and is not intended to artificially enlarge the space available for other family members.

A family will consist of a Head of Household as defined in the Glossary. In addition, a family may contain either a Spouse or a Co-Head as defined in the Glossary.

Live-in Aides

A Family may include live-in aides provided that such live-in aides:

Are determined by the Housing Commission to be essential to the care and well being of an elderly person, a near-elderly person, or a person with a disability;

Are not obligated for the support of the person(s); and

Would not be living in the unit except to provide care for the person(s).

Live-in aides are treated differently than family members:

Income of live-in aides will not be counted for purposes of determining eligibility or level of benefits;

Live-in aides are not subject to Non-Citizen Rule requirements; and

Live-in aides may not be considered as a remaining member of the participant family.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above. Owners of the assisted unit may not be a live-in aide.

A live-in aide may only reside in the unit with the approval of the Housing Commission. Written verification will be required from a reliable, knowledgeable professional. The verification provider must certify that a live-in aide is needed for the care of the family member who is elderly, near elderly (50-61) or disabled.

A family member may have more than one person who shares the responsibility of providing full time live-in aide care. Each person must be approved by the Housing Commission.

At any time, the Housing Commission will refuse to approve a particular person as a live-in aide or may withdraw such approval if:

The person has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program;

The person has a history of drug-related criminal activity or violent criminal activity as defined by this Administrative Plan; or

The person currently owes rent or other amounts to the Housing Commission or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.

Joint Custody of Children

Children who are subject to a joint custody agreement but live with one parent at least 51% of the time will be considered members of the household. "51% of the time" is defined as 183 days of the year, which do not have to run consecutively.

W. MANDATORY SOCIAL SECURITY NUMBERS

[24 CFR 5.216, 5.218]

Families are required to provide verification of Social Security Numbers for all family members age 6 and older prior to admission, if they have been issued a number by the Social Security Administration. This requirement also applies to persons joining the family after admission to the program.

Failure to furnish verification of Social Security Numbers is grounds for denial or termination of assistance.

Persons who have not been issued a Social Security Number must sign a certification that they have never been issued a Social Security Number.

Persons who disclose their Social Security Number but cannot provide verification must sign a certification and provide verification within 60 days. Elderly persons must provide verification within 120 days.

X. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

[24 CFR Part 5, Subpart E]

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the immigrant categories as specified by HUD.

For the Citizen/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

Mixed Families. A family is eligible for assistance as long as at least one member is a citizen or eligible immigrant. Families that include eligible and ineligible individuals are called "mixed." Such applicant families will be given notice that their assistance will be pro-rated and that they may request a hearing if they contest this determination.

All members ineligible. Applicant families that include no eligible members are ineligible for assistance. Such families will be denied admission and offered an opportunity for a hearing.

Non-citizen students. Defined by HUD in the non-citizen regulations at 24 CFR 5.522. Not eligible for assistance.

Appeals. For this eligibility requirement only, the applicant is entitled to a hearing exactly like those provided for participants.

Y. OTHER CRITERIA FOR ADMISSIONS

[24 CFR 982.552(b)]

In addition to the HUD eligibility criteria, the Housing Commission will apply the following criteria:

Before the Housing Commission will allow participation in its Section 8 program, the family must be in good standing regarding any current payment agreement made with any PHA for a previous debt incurred, or have paid it in full.

The Housing Commission will check criminal history for all adults in the household in accordance with the section on Criminal Activity Policy in the "Terminations and Program Integrity Unit" chapter to determine whether any member of the family has violated any of the prohibited behaviors.

If any applicant misrepresents the information on which eligibility or tenant rent is established, the Housing Commission may deny assistance and may refer the family file for appropriate disposition.

The family must not have been terminated for violating any family obligation during a previous participation in the Section 8 program prior to final eligibility determination.

Z. TENANT SCREENING

[24 CFR 982.307]

The Housing Commission will take into consideration any of the criteria for admission described in the "Denial or Termination of Assistance" chapter.

The Housing Commission will not screen family behavior or suitability for tenancy. The Housing Commission will not be liable or responsible to the owner or other persons for the family's behavior or the family's conduct in tenancy.

The owner is responsible for screening families based on their tenancy histories.

AA. CHANGES PRIOR TO EFFECTIVE DATE OF THE CONTRACT

Changes in eligibility that occur during the period between issuance of a voucher and lease up may affect the family's eligibility or share of the rental payment.

BB. INELIGIBLE FAMILIES

Families who are determined to be ineligible will be notified in writing of the reason for denial and given an opportunity to request an administrative review, or an informal hearing if they were denied due to non-citizen status. See "Terminations and Program Integrity Unit" chapter for additional information about reviews and hearings.

Chapter 3

VERIFICATION, INCOME, ASSETS AND ALLOWANCES

[24 CFR Part 5, Subparts E and F; 982.153, 982.551]

INTRODUCTION

The Housing Commission will use the methods as set forth in this Administrative Plan to verify and determine that family income at admission and reexamination is correct. The accurate calculation of Annual Income and Adjusted Income will ensure that families are not paying more or less money for rent than their obligation under the Regulations.

Applicants and program participants must provide true and complete information to the Housing Commission whenever information is requested. The Housing Commission's verification requirements are designed to maintain program integrity. This Chapter explains the Housing Commission's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and changes in family composition. The Housing Commission will obtain proper authorization from the family before requesting information from independent sources.

HUD regulations require the factors of eligibility and Total Tenant Payment be verified by the Housing Commission. Housing Commission staff will obtain written verification from independent sources whenever possible and will document client files whenever third party verifications are not possible.

This Chapter defines the allowable expenses and deductions to be subtracted from Annual Income and how the presence or absence of household members may affect the family's contribution. Income and the family's contribution are calculated in accordance with 24 CFR Part 5, Subparts E and F, and further instructions set forth in HUD notices and memoranda. The formula for the calculation of the family's contribution is specific and not subject to interpretation. The Housing Commission's policies in this Chapter address those areas that allow the Housing Commission discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of the family's contribution.

A. METHODS OF VERIFICATION AND AGE OF DATA

[24 CFR 982.516]

SDHC will verify information through the five methods of verification acceptable to HUD in the following order:

1. Upfront income verification (UIV)
2. Third-party written verification
3. Third-party oral verification
4. Review of documents
5. Certification/self-declaration

Prior to relying on another source, two sources of written third-party verifications, sent directly to the source, will be attempted: 1) upfront income verification, and 2) third-party written. In cases where UIV is not available, third-party written will be sent directly to the source prior to relying on third-party oral. The SDHC will allow two weeks for return of third-party verifications. If third-party is not used or available, SDHC will document the reasons why other verifications method are used.

Upfront Income Verification

SDHC will utilize up-front income verification (UIV) whenever possible. UIV is income information that is available through an independent source that systematically and uniformly maintains income information in computerized form for a large number of individuals, such as HUD's Tenant Assessment Subsystem (TASS), EDD and the Work Number.

Upfront verification replaces, to a large extent, the more time consuming and less accurate third-party verification process of contacting individual employers identified by the family, or reviewing outdated income verification documents. However, third-party verification may continue to be necessary to complement upfront income verification, for example, when the client disputes the data.

When HUD announces the availability of the UIV system for SDHC, SDHC will utilize additional UIV tools, including a centralized computer matching system. SDHC will pursue other computer matching agreements with federal, state, and local government agencies.

For applicants and families who are moving, the date of the UIV response must not be more than 60 days old at the time of voucher issuance. For participants, the response is valid if dated 120 days in advance of the annual recertification or interim certification.

Use of Third-Party Verification to Supplement Upfront Income Verification

Although upfront income verification replaces the third-party verification process, third-party may continue to be necessary to complement upfront income verification. Upfront income verification should not be considered an automatic substitute for other third-party verification. Rather, upfront income verification may supplement other verification documentation, such as original, current client-provided documents.

Third-Party Written Verification

Third-party written verification is used to verify information directly with the source. Third-party written verification forms will be sent and returned via first-class mail, fax or e-mail. The family will be required to sign an authorization allowing the information source to release the specified information. Prior to relying on another source, two sources of written third-party verifications, sent directly to the source, will be attempted: 1) upfront income verification, and 2) third-party written. In cases where UIV is not available, third-party written will be sent directly to the source prior to relying on third-party oral.

The SDHC will allow two weeks for return of third-party verifications. If third-party is not used or available, SDHC will document the reasons why other verifications methods were used (review of documents or certification/self-declaration).

For applicants and families who are moving, verifications may not be more than 60 days old at the time of voucher issuance. For participants, verifications are valid if dated or effective 120 days in advance of the annual recertification or interim certification.

Documenting the Absence of Third-Party Verification

There are four acceptable reasons for not having third-party verification of an income or expense item in an applicant's or participant's file:

1. SDHC staff has made efforts to obtain third-party verification in accordance with SDHC policy, and the independent source of verification has not responded.
2. An independent source that has been asked to provide written third-party verification does not have the capability of sending such verification directly to the SDHC or of facilitating oral third-party verification.
3. It is not cost-effective or reasonable to obtain third-party verification.
4. The income or expense item to be verified is an insignificant amount that would have minimal impact on total tenant payment (TTP) and the SDHC is able to verify the amount through original documents provided by the applicant or participant.

When third-party verification is requested and not received for reason one (1) or two (2) above, an applicant's or participant's file should contain documentation of SDHC efforts. The documentation should include the following:

- Date of the initial requests
- The name of the company and the person to whom the request was sent
- A notation that no response was received and an explanation of the reason, if known.

When third-party verification is not attempted for reasons three (3) or four (4) above, an applicant's or participant's file will contain documentation of the reasoning used to justify the decision.

Third-Party Oral Verification

Oral third-party verification will be attempted when written third-party verification is delayed or impossible. When third-party oral verification is used, staff will be required to complete a Certification of Document Viewed or Person Contacted form, noting with whom they spoke, the date of the conversation, and the facts provided. If oral third-party verification is provided by telephone, SDHC must originate the call. If third-party verification is not available, SDHC will compare the specified information to any documents provided by the family.

Review of Documents

In the event that third-party written or oral verification is unavailable or information has not been verified by a third party within two weeks, SDHC will annotate the file accordingly and utilize documents provided by the family as the primary source if the documents contain complete information. For applicants and families who are moving, documents may not be more than 60 days old at the time of voucher issuance. For participants, they are valid if dated or effective 180 days in advance of the annual recertification or interim certification.

All such documents, excluding government checks, will be photocopied and retained in the family file. When documents cannot be photocopied, staff viewing the documents will complete a Certification of Document Viewed or Person Contacted form.

SDHC will accept the following unaltered documents from families:

- Printed wage stubs
- Computer printouts from employers
- Written Statements (provided that the information is confirmed by phone)
- Other documents identified by SDHC as acceptable verification.

If there is a gross monthly discrepancy between the third party verification/UIV and the documents provided by the client, SDHC will use the most accurate information and document why.

- SDHC will use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.
- SDHC will analyze all data (UIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy
- SDHC will review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when SDHC can not readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.

SDHC will allow up to ten days for families to provide documents.

SDHC will not delay the processing of an application beyond two weeks because third-party verification is impossible to obtain.

Self-Certification/Self-Declaration

When information cannot be verified by a third party or by review of documents, families will be required to submit a self-certification. Self-certification means a notarized statement.

SDHC will allow up to ten days for a family to provide a self-certification or self-declaration if other forms of verification are impossible to obtain.

B. RELEASE OF INFORMATION

[24 CFR 5.230]

Adult family members will be required to sign the HUD-9886 Release of Information/Privacy Act form.

Adult family members will be required to sign an authorization form which allows verification of any information that is not covered by the HUD Form 9886, Authorization for Release of Information/Privacy Act Notice.

Each family member requested to consent to the release of specific information may be provided with a copy of the appropriate forms for their review and signature, if requested.

It is a family obligation to supply any information and sign consent forms requested by the Housing Commission or HUD. Family refusal to cooperate will result in denial of admission or termination of assistance.

C. ITEMS TO BE VERIFIED

[24 CFR 982.516]

The following items will be verified annually:

All income not specifically excluded by the regulations.

Full-time student status including High School students who are 18 or over.

Total medical expenses of all family members in households whose head, spouse, or co-head is elderly or disabled.

Disability assistance expenses which allow an adult family member to be employed include only those costs associated with attendant care or auxiliary apparatus for a disabled member of the family.

Familial or marital status when needed for head or spouse definition.

The following items will be verified annually, every five years or one time only, based on the medical professional's certification of how long the condition will continue:

The need for a live-in aide.

In addition to the above, the following items will be verified at Eligibility and when adding household members, including live-in aides:

Verification of marriage status is a marriage certificate.

Familial Relationships

The definition of “family” includes but is not limited to:

A family with or without children (a child temporarily absent from the home due to placement in foster care shall still be considered in determining family composition and family size); an elderly family; a disabled family; a displaced family, the remaining member of a client family; and a single person who is not elderly, disabled, or displaced.

Certification will normally be considered sufficient verification of family relationships. In cases where reasonable doubt exists, the family may be asked to provide verification.

The following verifications will be required if applicable:

Verification of relationship:

- Official identification showing names
- Birth Certificates
- Baptismal certificates

Verification of guardianship is:

Verification of Permanent Absence of Family Member

If an adult member who was formerly a member of the household is reported permanently absent by the family, the Housing Commission will accept a self-certification from the head of household. If the head is the absent member, the spouse, co-head, or other adult member can report the change in household composition.

The Housing Commission reserves the right to require any of the following as verification that the household member is absent from the home:

Husband or wife instituted divorce action paperwork.

Husband or wife instituted legal separation paperwork.

Order of protection/restraining order obtained by one family member against another.

Proof of another home address, such as utility bills, canceled checks for rent, driver's license, or lease or rental agreement, if available.

Verification of Social Security Numbers

Social Security numbers must be provided as a condition of eligibility for all family members age six and over if they have been issued a number. Verification of Social Security numbers will be done through a Social Security Card issued by the Social Security Administration. If a family member cannot produce a Social Security Card, only the documents listed below showing his or her Social

Security Number may be used for verification. The family is also required to certify in writing that the document(s) submitted instead of the Social Security Card information provided is/are complete and accurate:

This information is to be provided at the time the change in family composition is reported to the Housing Commission.

If an applicant or participant is able to disclose the Social Security Number but cannot meet the documentation requirements, the applicant or participant must sign a certification to that effect provided by the Housing Commission. The applicant/participant or family member will have an additional 30 days to provide proof of the Social Security Number. If they fail to provide this documentation, the family's assistance will be terminated.

In the case of an individual at least 62 years of age, the Housing Commission may grant an extension for an additional 60 days. If, at the end of this time, the elderly individual has not provided documentation, the family's assistance will be terminated.

If the family member states they have not been issued a number, the family member will be required to sign a certification to this effect.

Verification of Citizenship/Eligible Immigrant Status

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare his or her status only one time. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the Housing Commission hearing is pending.

Citizens or Nationals of the United States are required to sign a declaration under penalty of perjury. The Housing Commission may require citizens to provide documentation of U. S. citizenship. Acceptable documentation may include:

- U. S. birth certificate
- U. S. passport
- Social Security card
- Other documentation as determined by the Housing Commission

Eligible Immigrants who are 62 years of age or older are required to sign a declaration of eligible immigration status form and provide proof of age.

Non-citizens with eligible immigration status must sign a declaration of status and verification consent form and provide their original immigration documents which are copied front and back and returned to the family. The Housing Commission verifies the status through the INS SAVE system. If this primary verification fails to verify status, the Housing Commission must request within ten days that the INS conduct a manual search.

Ineligible family members who do not claim to be citizens or eligible immigrants must be listed on a statement of ineligible family members signed by the head of household, spouse, or co-head.

Non-citizen students on student visas are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are included on the statement of ineligible members.

If an applicant or participant family member fails to sign required declarations and consent forms or provide documents as required, they must be included as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility.

For participants, the verification occurs when adding any new family member into the household composition.

Once verification has been completed, it need not be reverified.

The Housing Commission will not provide assistance to any family prior to the affirmative establishment and verification of the eligibility of the individual or at least one member of the family.

Acceptable Documents of Eligible Immigration

The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

- Resident Alien Card (I-551)
- Alien Registration Receipt Card (I-151)
- Arrival-Departure Record (I-94)
- Temporary Resident Card (I-688)
- Employment Authorization Card (I-688B)
- Receipt issued by the INS for issuance of replacement of any of the above documents that shows the individual's entitlement has been verified

A birth certificate is not acceptable verification of status. All documents concerning U.S. citizenship/eligible immigrant status must be kept five years.

F. VERIFICATION OF DRUG OR VIOLENT CRIMINAL HISTORY, REGISTERED SEX OFFENDER AND ALCOHOL ABUSE

The Housing Commission will perform a criminal history check and sex offender registration records search on every adult (18 years or older) household member and live in aide, utilizing the California Law Enforcement Telecommunications System (CLETS), through the San Diego Police Department and other applicable comprehensive methods of verification.

G. CONFIDENTIALITY OF CRIMINAL RECORDS

The Housing Commission will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated, and destroyed not more than 30 days after the Housing Commission's final decision. A decision on the individual's eligibility is not final until the period of time for all possible appeals have elapsed.

H. DEFINITION OF INCOME

[24 CFR 5.609]

Income is defined as all monetary amounts received on behalf of the family. For purposes of calculating the Total Tenant Payment, HUD defines what is to be calculated and what is to be

excluded in the federal regulations. In accordance with this definition, all income that is not specifically excluded in the regulations is counted.

Annual Income is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or annual reexamination. Gross income is the amount of income before any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether applicants are within the applicable income limits.

Income of Person Confined to a Nursing Home

If a family member is permanently confined to a hospital or nursing home and there is a remaining household member(s), the Housing Commission will remove the member and exclude the income of the person permanently confined to the nursing home and not allow deductions for medical expenses of the confined family member.

Regular Contributions and Gifts

A regular gift or contribution is counted when there is an agreement between the parties, oral or written, that the gift or contribution will be received on a regular basis.

Alimony and Child Support

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, the Housing Commission will use the amount awarded by the court unless the family can verify they are not receiving the full amount and verification of item(s) below are provided.

The Housing Commission will accept as verification that the family is receiving an amount less than the award if:

The Housing Commission receives verification from the agency responsible for enforcement or collection; or

The family furnishes documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

Employer Mileage Reimbursement

Employment reimbursement for mileage expenses for use of personal vehicle will not be counted as income.

Employer Paid Medical Benefits

Medical benefits paid by the employer will not be counted as income.

I. VERIFICATION OF INCOME

[24 CFR 982.516]

This following defines the methods SDHC will use to verify various types of income.

Employment Income

Verification forms may request the employer specify the following:

- Dates of employment
- Amount and frequency of earnings
- Date of last pay increase
- Earning history
- Year to date earnings
- Expected Change in employment status
- Effective date of any anticipated wage increase during the next twelve months
- Anticipated unpaid time off.

Acceptable methods of verification include, in order of priority:

1. Upfront income verification.
2. Employment verification form completed by the employer (third-party written)
3. Oral third-party verification.
4. Check stubs or earning statements, which indicate the employee's gross pay, frequency of pay or year to date earnings (review of documents).
5. W-2 forms plus income tax return form (review of documents).
6. Self-certifications or income tax returns signed by the family may be used for verifying income from tips and other gratuities.

In cases where there are questions about the information provided by the family, the Housing Commission may require the most recent federal income tax statements and returns.

Social Security and Supplemental Security Income

Acceptable methods of verification include, in order of priority:

1. TASS (UIV) for Social Security and Supplemental Security Income in conjunction with award letter or print-out.
2. Computer report, hard copy or annual award letter, benefit notification or cost of living adjustment letters (review of documents).
3. Bank statement with standard SSI benefit amount or the standard amount of SSI and SSA (review of documents). This form of documentation will not be used when only SSA is received. When only SSA is received, it must be verified through another method to determine the amount of Medicare.
4. SDHC may verify changes in standard benefit amounts and establish an effective date for implementation.

Pensions and Disability Income

Acceptable methods of verification include, in order of priority:

1. Upfront verification
2. Benefit verification form completed by the agency providing the benefits (third-party written).
3. Third-party oral verification
4. Computer report, hard copy or annual award letter, benefit notification or cost of living adjustment letters (review of documents).

Unemployment Compensation

Acceptable methods of verification include, in order of priority:

1. Upfront verification through EDD.
2. Verification form completed by the unemployment compensation agency or unemployment report that is e-mailed, faxed, or mailed directly from EDD (third-party written).
3. Third-party oral verification.
4. Agency award letter (review of documents).
5. Payment stubs (review of documents).

Welfare Payments or General Assistance

Acceptable methods of verification include, in order of priority:

1. Upfront income verification.
2. Housing Commission verification form completed by the agency/payment provider (third-party written).
3. Third-party oral verification.
4. Written statement from the agency/payment provider or computer-generated Notice of Action (review of documents).

Alimony or Child Support Payments

Acceptable methods of verification include, in order of priority:

1. Upfront income verification.
2. Verification form completed by the Child Support Agency (third-party written).
3. Third-party oral verification.
4. Copy of a separation or settlement agreement or a divorce decree stating amounts and types of support and payment schedules (review of documents). If the amount of child support or alimony received is less than the amount awarded by the court, the Housing Commission will use the amount awarded by the court unless the family can verify they are not receiving the full amount and verification of item(s) below are provided:

The Housing Commission receives verification from the agency responsible for enforcement or collection; or

The family furnishes documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

5. A notarized letter from the person paying the support.
6. Copies of personal checks for two consecutive months and/or payment stubs from Court Trustee.

Net Income from a Business/Self Employment

In order to verify the net income from a business, the Housing Commission will view IRS and financial documents from prior years and use this information to anticipate the income for the next 12 months.

Acceptable methods of verification include:

1. IRS Form 1040, including:
 - Schedule C (Small Business)
 - Schedule E (Rental Property Income)
 - Schedule F (Farm Income)

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense computed using straight-line depreciation rules.

2. Audited or unaudited financial statement(s) of the business.
3. Documents such as manifests, daily logs, appointment books, cashbooks, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.
4. Credit report or loan application.
5. Family's self-certification as to net income realized from the business during previous years. For some self-employment types, where there is the potential for substantial income, self-certification is unacceptable.
6. In cases of large gross income yet minimal net income to applicant or participant, additional documentation may be required, for example documentation of wages and payroll taxes, receipts for expenses, etc.

Income from self-employment can be positive or zero. Self-employment losses cannot reduce other income to the household.

Child Care Business

If an applicant/participant is operating a licensed day care business, income will be verified just as any other business.

If the applicant/participant is operating a "cash and carry" operation (which may or may not be licensed), the Housing Commission will require that the applicant/participant complete a form for each customer which indicates: name of person(s) whose child (children) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

If the family has filed a tax return, the family will be required to provide it.

Recurring Gifts

The applicant/participant family must furnish a self-certification, which contains the following information:

- The person who provides the gifts; and
- The value of the gifts; and
- The regularity (dates) of the gifts; and
- The purpose of the gifts.

Zero Income Status

The family will be required to complete Monthly Budget forms and a certification statement.

Families claiming to have no income may be required to provide verification that forms of income such as unemployment benefits, Cal works, etc. are not being received by the household.

The Housing Commission may request information from the State Employment Development Department.

The Housing Commission may run a credit report if information is received that indicates the family has an unreported income source.

Full-time Student Status

Only the first \$480 of the earned income of full-time students, other than head, spouse, or co-head, will be counted towards family income.

Financial aid, scholarships and grants received by full time students are not counted towards family income.

Verification of full time student status includes:

1. Written verification from the registrar's office or other school official.
2. School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution.

J. VERIFICATION OF ASSETS

[24 CFR 982.516]

Family Assets

Current cash value of a family's assets is the net amount the family would receive if the assets were converted to cash.

- **Assets Totaling \$1,000 or Less:** SDHC will not verify through third-party methods because of the negligible impact on the HAP amount.
- **Assets that exceed \$1,000:** SDHC will attempt third-party verification of all family assets and will utilize the current balance for savings accounts and will determine the average balance for checking accounts.

Acceptable verification may include any of the following:

- Third-party written verification forms, letters, or documents provided directly by a financial institution or broker, unless not cost effective.
- Checking account statements (3 – 6 bank statements), certificates of deposit, bonds, or financial statements supplied by a family if completed by a financial institution or broker
- Estimates by a stockbroker or real estate agent of the net amount a family would receive if it liquidated securities or real estate.
- Real estate tax statements if the approximate current market value can be deducted from them
- Financial statements for business assets
- Copies of closing documents showing selling price and distribution of sales proceeds
- Appraisals of personal property held as an investment
- A family's self-certification describing assets or cash held at the family's home or in safe-deposit boxes.
- *Note:* When SDHC determines that requesting third-party written verifications to verify asset accounts for applicants/participants constitutes a cost burden to the client and SDHC, SDHC will use the Review of Documents method to verify all asset accounts.

Assets Disposed of for Less Than Fair Market Value (FMV) During Two Years Preceding Effective Date of Certification or Recertification

At admissions and reexaminations, SDHC will obtain each family's certification that it has or has not disposed of assets for less than fair market value during the two years preceding the effective date of the certification or recertification.

If the family certifies that it has disposed of assets for less than fair market value, the certification must show: (a) all assets disposed of for less than fair market value, (b) the date they were disposed of, (c) the amount the family received for each asset, and (d) the market value of each asset at the time of disposition. Third-party verification will be obtained whenever possible in conjunction with review of documents.

Savings or Checking Account Interest and Dividend Income

Acceptable methods of verification include, in order of priority:

1. Verification form completed by the financial institution

2. Financial institution generated account statements, certificate of deposit statements, three (3) to six (6) months of statements for checking accounts; supplied by the family.
3. Broker statements showing the value of stocks or bonds and the earnings credited to the family (Earnings can also be obtained from current newspaper quotations or orally from brokers.)
4. IRS Form 1099 from a financial institution.

Interest Income from Mortgages and Similar Arrangements

Acceptable methods of verification include, in this order:

1. A letter received directly from an accountant, attorney, real estate broker, the buyer, or a financial institution stating the interest due for the next 12 months (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown.)
2. An amortization schedule showing interest for the 12 months following the effective date of certification or recertification.

Net Rental Income from Property Owned by Family

Acceptable methods of verification include, in this order:

1. IRS Form 1040 with Schedule E (Rental Income)
2. Copies of latest rent receipts, leases, or other documentation of rent amounts
3. Documentation of allowable operating expenses of the property: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense
4. Lessee's written statement verifying rent payments to the family and the family's self-certification of net income realized.

K. ALLOWANCES AND DEDUCTIONS

Adjusted Income is defined as the Annual income minus any HUD allowable expenses and deductions.

HUD has five allowable deductions from Annual Income:

1. Dependent Allowance: \$480 each for family members (other than the head, spouse, co-head, foster child, foster adult or live-in aide) who are minors, and for family members who are 18 or older and who are full-time students or who are disabled.
2. Elderly/Disabled Allowance: \$400 per family for families whose head, spouse or co-head is 62 years of age or older or disabled.

3. Allowable Medical Expenses: Deducted for all family members of an eligible elderly/disabled family.
4. Child Care Expenses: Deducted for the care of children under 13 when childcare is necessary to allow an adult member to work, attend school or actively seek employment.
5. Allowable Disability Assistance Expenses: Deducted for attendant care or auxiliary apparatus for a persons with a disability if needed to enable the individual or an adult family member to work.

L. CHILD CARE EXPENSES

[24 CFR 5.603]

Child care expenses for children under 13 may be deducted from annual income if they enable an adult to work, attend school full time, or actively seek employment.

The cost of tuition for a child attending private school will not be counted as child care expenses; only after-hours care can be counted as child care expenses.

Deductions for child care expenses are based on the following guidelines:

Child care to work: The maximum child care expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

Child care for school: The number of hours claimed for child care may not exceed the number of hours the family member is attending school, including reasonable travel time to and from school.

Child care for seeking employment: The number of hours claimed for child care may not exceed 20 hours per week.

Verification of Child Care Expenses

Written verification from the person who receives the payments is required.

Verifications must specify the child care provider's name, address, telephone number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and the typical yearly amount paid, including school and vacation periods.

Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

M. MEDICAL EXPENSES

[24 CFR 5.609(a)(2), 5.603]

Anticipated medical expenses will be calculated by using one of the two following methods, (whichever is more beneficial to the family);

Current Circumstances: Use the family’s current medical bills, accumulated over the last twelve months, as anticipated medical expenses.

Estimated Circumstances: Estimate the cost of medical bills based on current or anticipated medical bills that will be on-going expenses.

Allowable medical expenses include:

- Services of doctors and health care professionals
- Services of health care facilities
- Medical insurance premiums
- Prescription medicines
- Nonprescription medicines will be counted toward medical expenses for families who qualify if the family furnishes legible receipts when prescribed by a physician.
- Transportation to treatment (cab fare, bus fare, mileage)
- Dental expenses, eyeglasses, hearing aids, batteries
- Live-in or periodic medical assistance
- Acupressure, acupuncture, and chiropractic services will be considered allowable medical expenses.
- Non-traditional treatments, vitamins and herbal supplements will be considered medical expenses if prescribed by a doctor.

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Receipts or other record of medical expenses paid by the family during the previous year (appointment date to appointment date, or in the case of mail-in annual reexaminations, due date to due date) can be used to anticipate future medical expenses. If an applicant/participant will become entitled to a deduction, medical expenses will be anticipated based on verifications provided.

The Housing Commission will not duplicate a medical expense that was already allowed during the prior year.

Verification of Medical Expenses

Families may only claim medical expenses that have not been and will not be reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical

bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency.

Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.

Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.

Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.

Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. The Housing Commission may use this approach for "general medical expenses" such as non-prescription drugs and regular visits to doctors or dentists, but not as reimbursement for one-time expenses from the previous year.

The Housing Commission will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

For attendant care:

A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes; and

Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

Assistance to a Person with a Disability

1. In All Cases:
 - (a) Written certification from a licensed third-party professional or certified social service agency that the person with a disability requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function independently to enable another family member to be employed.
 - (b) Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.

2. Attendant Care:
 - (a) Attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.
 - (b) Certification of family and attendant and/or copies of canceled checks family used to make payments.
3. Auxiliary Apparatus:
 - (a) Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.
 - (b) In the case where the person with a disability is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

Verification of Reasonable Accommodation to Accommodate a Person with a Disability

Acceptable verification of reasonable accommodation to accommodate a person with a disability include in this order:

1. SDHC verification form completed by a State of California licensed doctor, or other licensed medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional.
2. A letter from a State of California licensed doctor, or other licensed medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional that provides the following information:
 - Whether or not the nature of the patient's disability requires an accommodation in order to make the program equally accessible
 - If yes, how long the need will last
 - What accommodation is being requested by the family and recommended by the Health Provider
 - An explanation of how this accommodation to the patient's disability is reasonably necessary to make the program accessible
 - If the accommodation cannot be provided, a list of all alternatives that would serve to make the Section 8 program accessible to the family.

The Housing Commission's decision with supporting documentation will be maintained in the applicant/participant's file. The requested housing type must be approvable by all other HUD standards and HQS requirements in accordance with 24 CFR 982 Section M, Special Housing Types.

Chapter 4

TENANT RENT CALCULATION

INTRODUCTION

The Housing Commission will use the methods as set forth in this Administrative Plan to verify and determine that family income at admission and reexamination is correct. The accurate calculation of Annual Income and Adjusted Income will ensure that families are not paying more or less money for rent than their obligation under the Regulations.

A. MINIMUM RENT

[24 CFR 5.616]

Minimum Rent

"Minimum rent" is \$50. Minimum rent refers to the Total Tenant Payment and includes the combined amount a family pays towards rent and/or utilities when it is applied.

Hardship Requests for an Exception to Minimum Rent

The Housing Commission recognizes that in some circumstances even the minimum rent may create a financial hardship for families. The Housing Commission will review all relevant circumstances brought to the Housing Commission's attention regarding financial hardship as it applies to the minimum rent. The following section states the Housing Commission's procedures and policies concerning minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998.

Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:

The family has lost eligibility or is awaiting an eligibility determination for federal, state, or local assistance.

The family would be evicted because of the imposition of the minimum rent requirement.

The income of the family has decreased because of changed circumstances, such as loss of employment.

Death in the family, which means the immediate family, listed on the lease and spouse, parents, siblings and grandparents.

Other circumstances as determined by the Housing Commission or HUD.

Temporary hardship is defined as lasting three months or less.

Long-term hardship is defined as lasting four months or more.

Notification to Families of Right to Hardship Exception

The Housing Commission will notify all families subject to minimum rents of their right to request a minimum rent hardship exception and keep a copy in the family's file. "Subject to minimum rent" means the minimum rent was the greatest figure in the calculation of the TTP, which is the greater of 30% of monthly adjusted income, 10% of monthly income, or minimum rent.

The Housing Commission notification will advise families that hardship exception determinations are subject to Housing Commission review and hearing procedures.

The Housing Commission will review all family requests for exception from the minimum rent due to financial hardships.

All requests for minimum rent hardship exceptions are required to be in writing. The Housing Commission will request documentation as proof of financial hardship. The Housing Commission will use its standard verification procedures to verify circumstances that have resulted in financial hardship. Requests for minimum rent exception must include a statement of the family hardship that qualifies the family for an exception.

Suspension of Minimum Rent

The Housing Commission will suspend the minimum rent for all families whose requests meet the criteria, effective the first day of the month after the request is received by the Housing Commission.

The minimum rent will be suspended until the Housing Commission completes verifying the family's eligibility for the exemption and determines if the hardship is temporary or long term.

"Suspension" means that the Housing Commission must not use the minimum rent calculation until the Housing Commission has made this decision.

During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.

If the Housing Commission determines that the suspension of minimum rent is not covered by statute, the Housing Commission will impose a minimum rent retroactive to the date of suspension.

Temporary Hardship

If the Housing Commission determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

The Housing Commission will offer a Payment Plan Agreement to the family for any such rent not paid during the temporary hardship period. (See "Owner and Family Debts to the Housing Commission" chapter for Repayment agreement policy).

Long-Term Duration Hardships

If the Housing Commission determines that there is a qualifying long-term financial hardship, the Housing Commission must exempt the family from the minimum rent requirements.

B. AVERAGING INCOME

When Annual Income cannot be anticipated for a full twelve months, the Housing Commission may average known sources of income that vary to compute an annual income.

If there are bonuses or overtime that the employer cannot anticipate for the next 12 months, the year to date information or last year's income tax return will be used in calculating the TTP.

If by averaging, an estimate can be made for those families whose income fluctuates from month to month, this estimate will be used to reduce the number of interim adjustments.

C. MINIMUM INCOME

There is no minimum income requirement. Families who report zero income will be required to report any increase of income within ten (10) days for the purpose of an interim adjustment in their share of the rent.

D. REIMBURSEMENT POLICY WHEN HOUSING COMMISSION ERROR

For every change in the rent, the Housing Commission will provide the participant a rent portion letter. The letter will give information regarding the method for calculating the rent and it will allow seventeen calendar days to dispute the calculation. If the participant disputes the calculation within the seventeen day period and it is determined that an error was made, the rent will be corrected retroactively and reimbursement will be made.

Chapter 5

SUBSIDY STANDARDS, VOUCHER ISSUANCE, AND BRIEFINGS

[24 CFR 982.54(d)(9)]

INTRODUCTION

HUD guidelines require that the Housing Commission establish subsidy standards for the determination of family unit size, and that such standards provide for a minimum commitment of subsidy while avoiding overcrowding. The standards used for the unit size selected by the family must also be within the minimum unit size requirements of HUD's Housing Quality Standards. This chapter explains the subsidy standards, which will be used to determine the voucher size (family unit size) for families when they are selected from the waiting list, as well as the Housing Commission's procedures when a family's size changes or a family selects a unit size that is different from the Voucher size issued.

The Housing Commission's goals and objectives are designed to assure that families selected to participate are equipped with the tools necessary to locate an acceptable housing unit. Families are provided sufficient knowledge and information regarding the program and how to achieve maximum benefit while complying with program requirements. When eligibility has been determined, the Housing Commission will conduct a mandatory briefing to ensure that families know how the program works. The briefing will provide a broad description of owner and family responsibilities, Housing Commission procedures, and how to lease a unit. The family will also receive a briefing packet that provides more detailed information about the program including the benefits of moving outside areas of low income and poverty concentration. This Chapter describes how briefings will be conducted, the information that will be provided to families, and the policies for how changes in the family composition will be handled.

A. DETERMINING FAMILY SUBSIDY STANDARDS (VOUCHER SIZE)

Initial Issuance and Decreases in Household Composition

The Housing Commission does not determine who shares a bedroom/sleeping room.

All standards in this section relate to the number of bedrooms on the Voucher, not the family's actual living arrangements. The subsidy standards for voucher size shall be applied in a manner consistent with fair housing guidelines.

The Housing Commission may make the administrative decision to change its subsidy standards at any time, without prior notice to its participants, should the circumstances warrant it, such as in the case of funding reductions.

The unit size on the Voucher remains the same as long as the family composition remains the same, regardless of the actual unit size rented, except when there is a Subsidy Standard change. Subsidy

Standard changes will be implemented at the next annual reexamination or move, whichever occurs first.

The guidelines below will be used to determine initial eligibility and decreases in household size.

- The Housing Commission must approve all members of the family residing in the unit.
- One bedroom is assigned to each two household members, regardless of sex, age or relationship. When funding is available, one bedroom will be assigned for the head of household and/or spouse or co-head, and one bedroom awarded to each two family members, regardless of sex, age or relationship.
- Exceptions to these standards may be made in accordance with state and federal law to accommodate a legally recognized disability. When a disabled family member requires their own bedroom as a reasonable accommodation; the remaining household members will be assigned one bedroom for each two household members regardless of sex, age or relationship.
- Live-in aides must be approved by the Housing Commission prior to moving into the assisted unit. To receive approval, live-in aides must perform vital assistance that cannot be provided in any other way to an elderly household member or a household member with disabilities. An additional bedroom will be assigned for the live-in aide. The live-in aide's family members may reside in the unit as long as the unit is not over-crowded.
- Foster children will be included in determining voucher size only if verification completed by a social service agency confirms that they will be in the unit for more than six months.
- Space will not be provided for a family member, other than a spouse/co-head, who will be absent 51% or more of the time, such as a member absent due to military service or a student who does not live at home during the school year.
- Bedroom sizes are based on available funding.
- For initial issuance only, a single pregnant woman with no other members must be treated as a two-person family.

INITIAL VOUCHER SIZE ISSUANCE CHART

Chart 1

Voucher Size	Persons in Household	
	Minimum	Maximum
0 Bedroom	1	1

Changes for Applicants

The voucher size is determined before the briefing by comparing the family composition to the Housing Commission subsidy standards. If an applicant requires a change in the voucher size, the above guidelines will be applied.

Housing Commission Error

If the Housing Commission errs in the bedroom size assignment, the family will be reissued the correct size voucher at the time of discovery.

Increases in Household Composition for Participants

The family must obtain prior approval from the owner and Housing Commission for additional family members, before any new adult member occupies the unit. Prior approval is not required for additions by birth, adoption, or court-awarded custody; however, the family must inform the Housing Commission in writing within 10 calendar days. Requests by the family to add additional family members, other than by birth, adoption, marriage or court-awarded custody, will only be approved if they do not require an increased voucher size.

The guidelines below on Chart 2, will be used to determine the maximum number of people that can be added to a household without increasing the voucher size. In addition, Chart 2 will be utilized when the number of household members who have been added to the family due to additions by birth, adoption, marriage or court-awarded custody, exceeds the maximum number allowed for their voucher size. They will be assigned a larger voucher size based on the voucher size issuance standards on Chart 2.

VOUCHER SIZE ISSUANCE FOR INCREASES
Chart 2

Unit Size	Maximum Number in Household
0 Bedroom	1
1 Bedroom	4
2 Bedroom	6
3 Bedroom	8
4 Bedroom	10
5 Bedroom	12
6 Bedroom	14

NOTE: Children ten (10) years or older of opposite gender will not be required to share a living/sleeping room.

B. EXCEPTIONS TO SUBSIDY STANDARDS

[24 CFR 982.403(a)&(b)]

The Housing Commission may grant exceptions to the subsidy standards, upon request, in order to accommodate a legally recognizable disability. Exceptions to the subsidy standards shall be made in accordance with state and federal law. When an exception is granted as a reasonable accommodation for a disabled family member of an applicant or participant household; the remaining household members will be assigned one bedroom for each two household members regardless of sex, age or relationship.

The disability must meet the HUD definition of disability that requires a reasonable accommodation.

Request for Exceptions to Subsidy Standards

The family must request, in writing, a larger size voucher than indicated by the Housing Commission's subsidy standards as a reasonable accommodation for a family member with disabilities. The family's request for a larger voucher size must be in writing. In addition, the request must describe fully how the additional bedroom will allow the person with disabilities better access to the program and there is no other reasonable alternative solution. The additional bedroom must be needed to accommodate the person with disabilities, not the family member without disabilities. Documentation from a health professional verifying the need or justification will be required by the Housing Commission.

A State of California licensed doctor, or other licensed medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional must provide a certification of the need for additional bedrooms as a reasonable accommodation for a family member with disabilities. The health professional must explain why the extra bedroom is needed to provide a reasonable accommodation for the disabled family member. The Housing Commission will require only information necessary to determine the need for an additional bedroom and not to determine the nature of the disability.

C. UNIT SIZE SELECTED

[24 CFR 982.402(c)]

The family may select a different size dwelling unit than that listed on the Voucher. The subsidy standard utilized is the smaller of the voucher size or the actual unit size. In either case, the unit must meet the HUD affordability standard which specifies that the family cannot pay more than 40% of their monthly adjusted income for their share of the rent.

In addition, the maximum number of people who can reside in a unit is based on the Housing Quality Standards. The standards allow two persons per living/sleeping room and permit maximum occupancy levels (a living room as a living/sleeping area). The levels may be exceeded if a room in addition to bedrooms and living room qualifies as a living/sleeping room, e.g. den, family room, etc.

D. ISSUANCE OF VOUCHERS

[24 CFR 982.204(d), 982.54(d)(2)]

When funding is available, the Housing Commission will issue vouchers to applicants who have been determined eligible. The number of vouchers issued must ensure that the Housing Commission stays as close as possible to 100% lease-up. The Housing Commission determines monthly whether applications can be processed and the number of vouchers that can be issued.

E. BRIEFINGS AND REQUIRED ATTENDANCE

[24 CFR 982.301]

Initial Applicant Briefing

A full HUD-required briefing will be conducted for applicant families who are determined to be eligible for assistance. The briefings will be conducted in groups or individual meetings. Briefings will be conducted in English, Spanish and Vietnamese.

The purpose of the briefing is to explain to the family how the program works and the documents in the briefing packet. This will enable them to use the program to their advantage, and it will prepare them to discuss it with potential owners and property managers.

The Housing Commission will not issue a voucher to a family unless the household representative has attended a briefing and signed the voucher. Scheduled applicants who provide prior notice of inability to attend a briefing will be rescheduled. Applicants who fail to attend two scheduled briefings, without good cause, may be denied admission based on failure to supply information needed for certification. If required to accommodate a person with a disability, the Housing Commission will conduct individual briefings for families with a disability.

F. ENCOURAGING PARTICIPATION IN LOW POVERTY AREAS

At the briefing, families are encouraged to search for housing in low poverty areas. The Housing Commission has information about facilities, services, schools, and transportation for various communities.

The Housing Commission will investigate and analyze when Voucher holders are experiencing difficulties locating or obtaining housing units outside areas of concentration.

The assistance provided to such families includes:

Direct contact with landlords.

Counseling with the family.

Providing information about services in various low poverty areas.

Meeting with neighborhood groups to promote understanding.

Formal or informal discussions with landlord groups.

Formal or informal discussions with social service agencies.

Meeting with rental referral companies or agencies.

Meeting with fair housing groups or agencies.

G. ASSISTANCE TO FAMILIES WHO CLAIM DISCRIMINATION

The Housing Commission will give participants a copy of HUD form 903 to file a complaint.

H. TERM OF VOUCHER

[24 CFR 982.303, 982.54(d)(2)]

During the briefing session, each household will be issued a Voucher which represents a contractual agreement between the Housing Commission and the Family specifying the rights and responsibilities of each party. It does not constitute admission to the program, which occurs when the lease and contract become effective.

Issuance at Admission and Move

The initial term of the voucher will be for a minimum of 60 days and maximum of 120 days and is based on available funding and the rental housing market at the time.

Extensions

A family may request a written request for an extension of the voucher period. All requests for extensions must be received before the expiration date of the voucher.

Extensions may be granted for a minimum of an additional 60-day period or a maximum of a 120 day period for the following reasons:

When there are extenuating circumstances such as hospitalization or a family emergency for an extended period of time, which affects the family's ability to find a unit within the initial period (verification is required).

When the family has evidence that they have made an effort to locate a unit and communicated with the Housing Commission during the initial term of the voucher with regard to their inability to locate a unit. Families will meet this criteria by completing the Request for Extension form, and providing three addresses where they searched for housing.

When the family meets the “Hard to House” criteria.

When the family needs the additional time to port to another jurisdiction.

Voucher extension will be based on the availability of funding. If there is not sufficient funding to extend the voucher, the client will not be granted an extension.

Reasonable Accommodation to Accommodate a Person With a Disability

If the family needs and requests an extension of the initial voucher term as reasonable accommodation to make the program accessible to a family member who is a person with a disability, the Housing Commission will grant an extension to the Voucher of 120 days.

Suspensions

When a Request for Tenancy Approval is received, the Housing Commission will add the number of days required to process the request to the term of the voucher.

Assistance to Voucher Holders

Voucher holders will be notified at their briefing session that the Housing Commission periodically updates the listing of available units and how the updated list may be obtained.

The Housing Commission will assist families with negotiations with owners and provide other assistance related to their search for housing.

Expirations

The voucher is valid for a period of at least sixty calendar days from the date of issuance. The family must submit a Request for Tenancy Approval and Lease within the initial term of the voucher unless an extension has been granted by the Housing Commission.

If the voucher has expired, and has not been extended by the Housing Commission or expires after an extension, the family will be denied assistance. The family will not be entitled to a review or hearing. If the family is currently assisted, they must remain as a participant in their unit if there is an assisted lease/contract in effect.

I. VOUCHER ISSUANCE FOR SPLIT HOUSEHOLDS

[24 CFR 982.315]

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement or judicial decree, the Housing Commission is bound by the court's determination as to which family members will receive rental assistance.

In the absence of a court decision or mutual agreement by the families, the Housing Commission will have the final authority to determine which family members would be best served by continued assistance of housing benefits. The Housing Commission will consider the following factors to determine which of the families will continue to be assisted:

Which of the two new family units has custody of the dependent child(ren).

Which family member was the head of household when the voucher was initially issued (listed on the initial application).

The composition of the new families, and whether they include elderly or disabled members.

Whether domestic violence was involved in the breakup.

Recommendations of reliable, knowledgeable third-party professionals.

Upon request of the Housing Commission, documentation of these factors will be the responsibility of the requesting parties. If documentation is not provided, the Housing Commission will terminate assistance based on failure to provide information necessary for a annual reexamination.

Chapter 6

REQUEST FOR APPROVAL OF TENANCY AND CONTRACT EXECUTION

[24 CFR 982.302]

INTRODUCTION

The Housing Commission's program operations are designed to utilize available resources in a manner that is efficient and provides eligible families timely assistance based on the number of units that have been budgeted. The Housing Commission's objectives include maximizing HUD funds by providing assistance to as many eligible families and for as many eligible units as the budget will allow.

After families are issued a voucher, they may search for a unit anywhere within the jurisdiction of the Housing Commission, or outside of the Housing Commission's jurisdiction if they qualify for portability. The family must find an eligible unit under the program rules with an owner/landlord who is willing to enter into a Housing Assistance Payments Contract with the Housing Commission. This Chapter defines the types of eligible housing and the Housing Commission's policies that pertain to initial inspections, lease requirements, owner disapproval, and the processing of Requests For Tenancy Approval.

A. REQUEST FOR TENANCY APPROVAL

[24 CFR 982.54(d)(8), 982.161, 982.302, 982.305(b), 982.306, 982.308(e)]

The Request for Tenancy Approval (RFTA) and a copy of the proposed Lease, including the HUD prescribed tenancy addendum, must be submitted by the family during the term of the voucher. The family must submit the RFTA in the form and manner required by the Housing Commission.

Both the owner and voucher holder must sign the Request for Tenancy Approval.

The Housing Commission will not permit the family to submit more than one RFTA at a time.

The Housing Commission will review the proposed lease and the RFTA documents to determine whether they can be approved. The Request will be approved if:

The unit is an eligible type of housing.

The unit meets HUD's Housing Quality Standards (and any additional criteria as identified in this Administrative Plan).

The rent is approved as reasonable.

The proposed lease complies with HUD and Housing Commission requirements (See "Lease Review" section below).

The owner is approved and there are no conflicts of interest.

In addition to the above, when a family initially receives assistance (new admissions and moves), the family share of rent may not exceed 40 percent of the family monthly adjusted income.

Disapproval of the Request for Tenancy Approval

If the Housing Commission determines that the Request cannot be approved for any reason, the landlord and the family will be notified. The Housing Commission will instruct the owner and family of the steps necessary to approve the Request.

When, for any reason, an RFTA is not approved, the Housing Commission will furnish another RFTA form to the family so they may continue to search for eligible housing.

B. ELIGIBLE TYPES OF HOUSING

[24 CFR 982.353, 982.601(a)]

The Housing Commission will approve any of the following types of housing in the voucher program:

All structure types can be utilized.

Manufactured homes where the tenant leases the mobile home and the pad.

Manufactured homes where the tenant owns the mobile home and leases the pad.

Single Room Occupancy

A family can own a rental unit but cannot reside in it while being assisted, except in the case when the tenant owns the manufactured home and leases the pad. A family may lease in and have an interest in a cooperative housing development.

The Housing Commission may not permit a voucher holder to lease a unit that is receiving Project-Based Section 8 assistance or any duplicative rental subsidies.

C. LEASE REVIEW

[24 CFR 982.305(b), 982.308]

The tenant must have legal capacity to enter into a lease under state and local law. Responsibility for utilities, appliances and optional services must correspond to those provided on the RFTA. The family and owner may submit a standard lease as used in the locality by the owner for other unassisted tenants in the premises. The Housing Commission will provide a model lease in lieu of a standard lease when the landlord indicates they do not have a standard lease. The initial term of the lease must be for a minimum of six months. The terms and conditions of the lease must be

consistent with state and local law. The lease must specify what utilities and appliances are to be supplied by the owner, and what utilities and appliances are to be supplied by the family. The HUD prescribed tenancy addendum must be included in the lease word-for-word before the lease is executed.

House Rules of the owner may be attached to the lease as an addendum providing they do not violate any fair housing provisions and do not conflict with the tenancy addendum.

Actions Before Lease Term

All of the following must always be completed before the beginning of the initial term of the lease for a unit:

The Housing Commission has inspected the unit and has determined that the unit satisfies the HQS.

The landlord and the tenant have executed the lease, including the HUD-prescribed tenancy addendum.

The Housing Commission has approved leasing of the unit in accordance with program requirements.

The Housing Commission has determined that the rent charged by the owner is reasonable.

The Housing Commission has determined that the family's share (total family contribution) will not be more than 40% of the family's monthly adjusted income when the gross rent exceeds the applicable payment standard for the family.

D. SEPARATE AGREEMENTS

Separate agreements are not necessarily illegal side agreements. Families and owners will be advised of the prohibition of illegal side payments for additional rent, items normally included in the rent of unassisted families, or for items not shown on the approved lease.

The family is not liable under the lease for unpaid charges for items covered by separate agreements. Nonpayment of these charges cannot be cause for eviction.

Owners and families may execute separate agreements for services, appliances (other than range and refrigerator) and other items that are not included in the lease.

Any appliances, services or other items that are routinely provided to unassisted families as part of the lease (such as air conditioning, dishwasher or garage) or are permanently installed in the unit, cannot be put under separate agreement and must be included in the lease. For there to be a separate agreement, the family must have the option of not utilizing the service, appliance or other item.

If the family and owner have come to a written agreement on the amount of allowable charges for a specific item, so long as those charges are reasonable and not a substitute for higher rent, they will be allowed.

E. DISAPPROVAL OF PROPOSED RENT

[982.305(a)(4), 982.507]

If the proposed Rent to Owner is not reasonable, or the family share is more than 40% of the family's monthly adjusted income, the Housing Commission, at the family's request, will negotiate with the owner to reduce the rent to a reasonable rent.

If the Housing Commission and owner have tried and failed to negotiate a revised rent, the Housing Commission will inform the family and owner that the lease is disapproved.

F. INFORMATION TO OWNERS

[24 CFR 982.54(d)(7), 982.307(b)(2)]

The Housing Commission will provide owners, upon written request, information in the Housing Commission's possession regarding the rental history of family members or verified drug-trafficking.

The Housing Commission will make an exception to this requirement if the family's whereabouts must be protected due to domestic abuse or witness protection.

The Housing Commission will inform owners that it is the responsibility of the landlord to determine the suitability of prospective tenants. Owners will be encouraged to screen applicants for rent payment history, payment of utility bills, eviction history, respecting the rights of other residents, damage to units, activity that is a threat to the health, safety or property of others, and compliance with other essential conditions of tenancy.

A statement of the Housing Commission's policy on release of information to prospective landlords will be included in the briefing packet provided to the family.

G. CHANGE IN TENANT PAYMENT BEFORE HAP EFFECTIVE DATE

At admission, when the family reports changes in factors that will affect the TTP before the effective date of the HAP contract, the information will be verified and the TTP will be recalculated. If the family does not report any change, the Housing Commission need not obtain new verifications before signing the HAP Contract, even if verifications are more than 60 days old.

H. ZERO HAP CONTRACT RESTRICTIONS

The Housing Commission shall not enter into a new HAP contract if there will not be a HAP payment made on behalf of the family.

Chapter 7

MOVES WITH CONTINUED ASSISTANCE/PORTABILITY

[24 CFR 982.314, 982.353, 982.355(a)]

INTRODUCTION

HUD regulations permit families to move with continued assistance to another unit within the Housing Commission's jurisdiction, or to a unit outside of the Housing Commission's jurisdiction under Portability procedures. The regulations also allow the Housing Commission the discretion to develop policies that define any limitations or restrictions on moves. This Chapter defines the procedures for moves, both within and outside of the Housing Commission's jurisdiction, and the policies for restriction and limitations on moves.

A. ALLOWABLE MOVES

A family may move to a new unit with continued assistance one time within a twelve month period if:

The assisted lease for the old unit has terminated because the Housing Commission has terminated the HAP contract for owner breach, or the lease was terminated by mutual agreement of the owner and the family.

The owner has given the family a notice to vacate, or has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the family (unless assistance to the family will be terminated).

The family has given proper notice of lease termination (and if the family has a right to terminate the lease on notice to owner).

B. RESTRICTIONS ON MOVES

[24 CFR 982.314, 982.551, 982.552(a) & (c)]

Families will not be permitted to move within the Housing Commission's jurisdiction during the initial term of assisted occupancy.

Families will not be permitted to move more than once in a 12 month period.

The Housing Commission will deny permission to move if there is insufficient funding for continued assistance.

The Housing Commission will deny permission to move if:

The Housing Commission has evidence that the family has violated a Family Obligation;

The family owes the Housing Commission money and is not up to date with their repayment agreement; or

The family has moved within the last 12 months; or

The family has been issued a Notice of Intended Action to terminate tenancy.

The Housing Supervisor may make exceptions to these restrictions if there is an emergency reason for the move.

C. PROCEDURE FOR MOVES

[24 CFR 982.302(a), 982.305(a)(5), 982.314]

Issuance of Voucher

Subject to the above restrictions on moves, the Housing Commission will issue the family a voucher.

Notice Requirements

The family must give the owner a written thirty-day notice of intent to vacate and simultaneously must give a copy to the Housing Commission. The Housing Commission begins the rent on the new unit no sooner than the day after the expiration of the tenant's 30-day notice to vacate.

Time of Contract Change

[24 CFR 982.311(d)]

A move within the same building or project, or between buildings owned by the same owner, will be processed as any other move.

In a move, assistance stops at the old unit at the end of the month in which the tenant ceased to occupy the unit. Assistance will start on the new unit on the effective date of the lease and contract. Assistance payments may overlap for the month in which the family moves.

D. OUTGOING PORTABILITY

[24 CFR 982.353, 982.355, 982.552 9(a) & (c)]

Within the limitations of the regulations and this policy, a participant family has the right to receive tenant-based voucher assistance to lease a unit outside the Housing Commission's jurisdiction, anywhere in the United States, in the jurisdiction of a PHA with a tenant-based program. When a family requests to move outside of the Housing Commission's jurisdiction, the request must specify the area to which the family wants to move.

If there is more than one PHA in the area in which the family has selected a unit, the Housing Commission will select the receiving PHA.

Restrictions on Portability

The Housing Commission will not permit families to exercise portability if:

The family is within the first term of their lease.

The family is in violation of a family obligation.

The family owes money to the Housing Commission.

The family has moved within the last 12 months.

E. INCOMING PORTABILITY

[24 CFR 982.353, 982.355]

Absorption or Administration

The Housing Commission will accept a family with a valid voucher from another jurisdiction and administer or absorb the voucher. If administering, the family will be issued a "portable" voucher by the Housing Commission. The term of the voucher will not expire before the expiration date of any initial PHA voucher. The family must submit a Request for Tenancy Approval for an eligible unit to the Housing Commission during the term of the PHA voucher. The Housing Commission may grant extensions in accordance with this Administrative Plan. However, if the Family decides not to lease-up in the Housing Commission's jurisdiction, they must contact the initial PHA.

When the Housing Commission does not absorb the incoming voucher, it will administer the Initial PHA's voucher and the Housing Commission's policies will prevail.

The Housing Commission will issue a "portability voucher" according to its own Subsidy Standards. If the Family has a change in family composition that would change the voucher size, the Housing Commission will change it to the proper size based on the subsidy standards.

Income and Total Tenant Payment of Incoming Portables

The Housing Commission may perform an annual reexamination of income when the family ports to the Housing Commission.

If the family's income is such that a zero subsidy amount is determined before lease-up in the Housing Commission's jurisdiction, the Housing Commission will refuse to enter into a contract on behalf of the family at zero assistance.

Requests For Tenancy Approval

When the Family submits a Request For Tenancy Approval, it will be processed using the Housing Commission's policies. If the Family does not submit a Request for Tenancy Approval, the Initial PHA will be notified within thirty days of the expiration of the voucher, whenever possible.

If the Family leases up successfully, the Housing Commission will notify the Initial PHA within sixty days, and the billing process will commence.

If the Housing Commission denies assistance to the family, the Housing Commission will notify the Initial PHA within 10 days from the denial and the family will be offered a review or hearing.

The Housing Commission will notify the Family of its responsibility to contact the initial PHA if the Family wishes to move outside the Housing Commission's jurisdiction under continued portability.

Regular Program Functions

The Housing Commission will perform all functions applicable to the tenant-based assistance program, such as:

Annual reexaminations of family income and composition.

Annual inspection of the unit.

Interim Examinations when requested or deemed necessary by the Housing Commission.

Terminations

The Housing Commission will notify the initial PHA in writing of any termination of assistance within ten days of the termination. If an Informal Hearing is required and requested by the family, the hearing will be conducted by the Housing Commission, using the regular hearing procedures included in this Plan.

The Initial PHA will be responsible for collecting amounts owed by the family for claims paid and for monitoring repayment. If the Initial PHA notifies the Housing Commission that the Family is in arrears or the family has refused to sign a Payment Agreement, the Housing Commission will terminate assistance to the family.

Required Documents

The Housing Commission will require the documents listed on the HUD Portability Billing Form from the initial PHA.

Billing Procedures

When administering income portable families, the Housing Commission will bill based on HUD procedures and the HUD Portability Billing Form HUD- 52665.

The Housing Commission will notify the Initial PHA of changes in subsidy amounts and will expect the Initial PHA to notify the Housing Commission of changes in the Administrative Fee amount to be billed.

Port Outs

The receiving PHA must be in compliance with HUD regulations in order for the Housing Commission to reimburse the HAP subsidy.

Chapter 8

ANNUAL REEXAMINATIONS AND INTERIM ADJUSTMENTS

[24 CFR 982.516]

INTRODUCTION

In accordance with HUD requirements, the Housing Commission will reexamine the income and household composition of all families at least annually. Annual reexaminations and interim examinations will be processed in a manner that ensures families are given reasonable notice of rent increases. All annual activities will be coordinated in accordance with HUD regulation. It is a HUD requirement that families report all changes in household composition. This Chapter defines the Housing Commission's policy for conducting annual reexaminations and coordinating annual activities. It also explains the interim reporting requirements for families, and the standards for timely reporting.

A. ANNUAL ACTIVITIES

[24 CFR 982.516, 982.405]

The Housing Commission must conduct the following activities on an annual basis:

Annual reexamination of Income and Family Composition.

HQS Inspection.

B. ANNUAL REEXAMINATION

[24 CFR 982.516]

Families are required to complete an annual reexamination of income, assets, allowances, and deductions.

Reexamination Notice to the Family

The Housing Commission will maintain a reexamination tracking system and the household will normally be notified by mail at least 120 days in advance of the anniversary date.

Completion of Annual Reexamination of Income

The Housing Commission will have all annual reexaminations for families completed before the anniversary date. This includes notifying the family of their portion of the rent. Families will be notified at least 30 days before the scheduled date of the increase in their rent.

Collection of Information

[24 CFR 982.519(f)]

The Housing Commission has established appropriate reexamination procedures necessary to ensure that the income data provided by families is complete and accurate.

The Housing Commission will require the family to complete a Personal Declaration form.

C. COMPLIANCE WITH ANNUAL REEXAMINATION PROCESS

The Housing Commission establishes procedures to gather information and data necessary to complete the annual reexamination. The procedures require the participation and signatures of all adult family members, 18 years and older. When interviews are scheduled, all adult family members must attend. Failure to provide requested information and data and or failure to attend scheduled appointments may result in termination of eligibility.

D. NOTIFICATION OF RESULTS OF ANNUAL REEXAMINATIONS

[HUD Notice PIH 98-6]

The HUD Form 50058 will be completed and transmitted as required by HUD.

The Notice of Rent Change is mailed to the owner and the tenant. Signatures are not required by the Housing Commission. If the family disagrees with the rent adjustment, they may request an administrative review or follow the procedures stated on their Notice of Intended Action Rent Portion letter.

E. REPORTING INTERIM CHANGES

[24 CFR 982.516]

Program participants must report all changes in household composition to the Housing Commission between annual reexaminations in writing within ten days of the change. This includes additions due to birth, adoption and court-awarded custody. For all other additions to the household, the family must obtain Housing Commission and owner approval in writing. Any additions not reported within the 10 days will be considered unauthorized household members.

If a new family member is added, family income must include any income of the new family member. The Housing Commission will conduct an interim examination to determine such additional income and will make the appropriate adjustments in the housing assistance payment and family unit size. In addition, criminal activity and the U.S. citizenship and/or eligible immigrant status of additional family members must be declared and verified.

Increases in Income

Program participants are not required to report increases in income or assets between regular annual reexaminations.

- **Exception:** “Zero Income” households must report any increase of income within ten (10) days of the increase for the purpose of an interim adjustment in their share of the rent. Family Self Sufficiency participants may request an interim adjustment through the FSS program coordinator.
- The Housing Commission establishes timeframes and processing procedures for gathering complete and accurate information for the annual reexamination. Participants who report increases of income outside of the established annual reexamination process will be notified that no change will be made to their share of the rent.

Decreases in Income

Participants may report a decrease in income and other changes that would reduce the amount of tenant rent, such as an increase in allowances or deductions. If the loss of income is anticipated for more than 60 days, the Housing Commission will perform an interim and will only verify income amounts or allowances and/or deductions that have changed and any replacement income the family will receive.. The reduced rent will begin the first of the month after the decrease is reported.

Note: When an individual family member reports a loss of income, replacement income is any income they receive. For example, the family reports the loss of their welfare grant because they started a job; the income from their job is considered replacement income. A decrease in their share of the rent will only occur if the replacement income is less than the amount of income they have lost.

F. FAMILY COMPOSITION CHANGES

The owner’s approval is required, in writing, to add an adult member(s), prior to initiating adult family composition change(s).

Staff will only verify the income, deductions, and allowances of the person being added.

If a household member is removed, the head of household’s signature on the Personal Declaration will be sufficient verification to certify, under penalty of perjury, that the person has moved from the unit. The income of the person removed from the household can be deleted from the record without reverifying the household income.

If he/she requests to be added back into the household, the Housing Commission allows adults only one return to the household within a twelve month period.

Exceptions to Policy

The following requests for exceptions to this policy will be considered on a case by case basis:

- Medical reasons.
- Reasonable accommodation to accommodate a person with a disability.

G. TIMELY REPORTING OF CHANGES IN INCOME AND ASSETS

[24 CFR 982.516(c)]

Timely Reporting of Changes of Family Composition

Participants are required to report family composition changes in writing within 10 days of when the change occurs. Any information, documents or signatures needed from the family, which is needed to verify the change, must be provided when requested.

If the family composition change is not reported within the required time period, or the family fails to provide documentation or signatures, it will be considered untimely reporting. Untimely reporting may result in the family being required to sign a repayment agreement or termination of assistance.

When the Change of Family Composition is Reported in a Timely Manner

The effective date of the rent portion changes are as follows:

Increases in the Tenant Rent due to family changes are effective on the first of the month, after at least thirty days notice to the family.

Decreases in the Tenant Rent are effective the first of the month following the month in which the change is reported.

When the Change is Not Reported Timely by the Family

If the family does not report the change as described under Timely Reporting, the family will have caused an unreasonable delay in the interim reexamination processing and the following guidelines will apply:

Increase in Tenant Rent will be effective retroactive to the date it would have been effective had it been reported on a timely basis. The family will be liable for any overpaid housing assistance and may be required to sign a Repayment Agreement or make a lump sum payment.

Decrease in Tenant Rent will be effective on the first of the month following the month that the change was reported.

When the Change is Not Processed Timely by the Housing Commission

If there is an administrative delay, the following will be the effective date:

An increase will be effective the first of the month following 30 days notice to the family. In the event of a decrease, the overpayment of rent paid by the family will be calculated retroactively. An adjustment will be paid to the landlord.

H. NOTIFICATION OF NOMINAL RENT PORTION INCREASES

The Housing Commission will notify program participants at least 30 days in advance of any increases to their share of the rent. However, an increase to the participant's share of the rent that is \$10 or less as a result of an annual recertification, rent increase or correction, can be effective without a 30 day notice. In no case, would an increase rent portion be implemented retroactively to a prior month.

I. DEFINITION OF TEMPORARILY OR PERMANENTLY ABSENT

[24 CFR 982.54(d)(10), 982.317, 982.551]

The Housing Commission must compute all applicable income of every family member who is on the lease, including those who are temporarily absent. In addition, the Housing Commission must count the income of the spouse or the head of the household if that person is temporarily absent, even if that person is not on the lease.

Temporarily absent is defined as away from the unit for less than six months.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. The Housing Commission will evaluate absences from the unit using this policy.

Absence of Any Member

Any member of the household will be considered permanently absent if s/he is away from the unit for more than six months except as otherwise provided in this Chapter.

Absence Due to Medical Reasons

If any family member leaves the household to enter a facility such as a hospital, nursing home, or rehabilitation center, the Housing Commission will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent.

If the verification indicates that the family member will return in less than 180 days, the family member will not be considered permanently absent.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the Housing Commission's "Absence of Entire Family" policy.

Absence Due to Full-time Student Status

Full time students who attend school away from the home will be treated in the following manner:

A student (other than head of household, spouse, or co-head) who attends school away from home but lives with the family during school recesses may, at the family's choice, be considered either temporarily or permanently absent. If the family decides that the member is permanently absent, income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of voucher size.

Absence Due to Incarceration

If any member of the household is incarcerated for other than drug related or violent criminal activity and is absent more than 90 days s/he will be considered permanently absent.

If they are incarcerated for drug related or violent criminal activity the Housing Commission will begin the termination process of the household.

Absence of Children Due to Placement in Foster Care

If the family includes a child or children temporarily absent from the home due to placement in foster care, the Housing Commission will determine from the appropriate agency when the child/children will be returned to the home.

If the period is to be greater than 180 days from the date of removal of the child/ren, the voucher size will be reduced. If all children are removed from the home permanently, the voucher size will be reduced in accordance with the Housing Commission's subsidy standards.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. In cases where the family has moved out of the unit, the Housing Commission will terminate assistance in accordance with appropriate termination procedures contained in this Plan.

"Absence" means that no family member is residing in the unit.

Families must notify the Housing Commission if they are going to be absent from the unit for more than 30 consecutive days.

If the entire family is absent from the assisted unit for more than 30 consecutive days without notifying the Housing Commission, the unit will be considered to be vacated and the assistance will be terminated.

In order to determine if the family is absent from the unit, the Housing Commission may:

- Write letters to the family at the unit.
- Telephone the family at the unit.
- Contact the landlord.
- Verify if utilities are in service.
- Check with the post office.

Caretaker for Children

If neither parent remains in the household and the appropriate agency has determined that another adult is to be brought into the assisted unit to care for the children for an indefinite period, the Housing Commission will treat that adult as a visitor for the first 180 days. Although their income will be counted, they will not qualify as a remaining member of the household.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, the Voucher will be transferred to the caretaker.

If the appropriate agency cannot confirm the guardianship status of the caretaker, the Housing Commission will review the status at 90-day intervals.

If the court has not awarded custody or legal guardianship, but the action is in process, the Housing Commission will secure verification from social services staff or the attorney as to the status.

The caretaker will be allowed to remain in the unit, as a visitor, until a determination of custody is made.

When the Housing Commission approves a person to reside in the unit as caretaker for the children, the income will be counted pending a final disposition. The Housing Commission will work with the appropriate service agencies and the landlord to provide a smooth transition in these cases.

If a member of the household is subject to a court order that restricts him/her from the home for more than 180 days, the person will be considered permanently absent.

Visitors

Any adult not included on the HUD 50058 who has been in the unit more than 30 consecutive days without Housing Commission approval will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address may be considered verification that the visitor is an unauthorized member of the household.

Statements from neighbors and/or the landlord will be considered in making the determination.

Use of the unit address as the visitor's current residence for any purpose that is not explicitly temporary shall be construed as permanent residence.

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the household and the Housing Commission will terminate assistance because prior approval was not requested or granted for the additional household member.

Minors and college students who were part of the family but who now live away from home during the school year and are no longer on the lease may visit for up to 90 days per year.

In a joint custody arrangement, if the minor is in the household less than 183 days per year, the minor will be considered an eligible visitor.

Chapter 9

OWNER RENTS, RENT REASONABLENESS AND PAYMENT STANDARDS

[24 CFR 982.505, 982.503, 982.504]

INTRODUCTION

The Housing Commission will determine rent reasonableness in accordance with 24 CFR 982.507(a). It is the Housing Commission's responsibility to ensure that the rents charged by owners are reasonable based upon unassisted comparables in the rental market, using the criteria specified in 24 CFR 982.507(b).

This Chapter explains the Housing Commission's procedures for determination of rent-reasonableness, payments to owners, adjustments to the Payment Standards, and rent adjustments.

A. RENT TO OWNER IN THE HOUSING CHOICE VOUCHER PROGRAM

The Rent to Owner is limited by rent reasonableness. The Housing Commission must demonstrate that the Rent to Owner is reasonable in comparison to rent for other comparable unassisted units.

The other limitation on rent to owner is the maximum rent standard at initial occupancy (24 CFR 982.508). At the time a family initially receives tenant-based assistance for occupancy of a dwelling unit, whether it is a new admission or a move to a different unit, the family share of rent may not exceed 40 percent of the family's monthly adjusted income.

B. MAKING PAYMENTS TO OWNERS

[24 CFR 982.451]

Method of Rent Payment

Housing Assistance Payments to owners will be paid through direct deposit to the owner's financial institution.

Excess Payments

The total of rent paid by the tenant plus the Housing Commission housing assistance payment to the owner may not be more than the rent to owner. The owner must immediately return any excess payment to the Housing Commission.

Owners who do not return excess payments will be subject to penalties as outlined in the "Owner or Family Debts to the Housing Commission" chapter of this Administrative Plan.

Late Payments to Owners

The Housing Commission will pay a \$50 late fee, if requested, for housing assistance payments that are not mailed to the owner by the tenth day of the month. Proof of date mailed will be the postmark date on the envelope that the owner shall submit with the request for late fees.

The HAP contract specifies that late fees may only be requested after the first two calendar months of the HAP contract term and will not be paid if the HAP payments are delayed due to an owner's breach of contract.

The Housing Commission will not be obligated to pay any late payment penalty if HUD determines that the late payment is due to factors beyond the Housing Commission's control, such as a delay in the receipt of program funds from HUD.

Late fees will not be paid for partial payments of less than \$100.

C. RENT REASONABLENESS DETERMINATIONS

[24 CFR 982.507]

The Housing Commission will determine and document on a case-by-case basis that the approved rent is reasonable in comparison to rent for other comparable unassisted units in the open market. This does not apply to the Moderate Rehabilitation program.

The Housing Commission will not approve a lease or increase rent until the Housing Commission determines that the requested rent to owner is a reasonable rent.

The Housing Commission must redetermine rent reasonableness if directed by HUD and based on a need identified by the Housing Commission's auditing system. The Housing Commission may elect to redetermine rent reasonableness at any other time. At all times during the assisted tenancy, the rent to owner may not exceed the reasonable rent.

By accepting each monthly housing assistance payment, the owner certifies that the rent to owner is not more than rent charged by the owner for comparable unassisted units in the premises.

When requested, the owner must give the Housing Commission information on rents charged by the owner for other units in the premises or elsewhere.

Data for other unassisted units will be gathered from realtors, professional associations, inquiries of owners, market surveys, and other available sources.

Some or all of the following factors will be used for evaluating rent reasonableness:

Size (number of bedrooms/square footage)

Location

Quality

Amenities (bathrooms, dishwasher, air conditioning, etc.)

Housing Services

Age of unit (on occasion)

Unit Type

Maintenance

Utilities

Note: The age of the unit rarely impacts the cost of rental housing in the San Diego market.

Rent Reasonableness Methodology

The Housing Commission maintains an automated database by sub-regional areas of unassisted units for making rent reasonableness determinations. The Housing Commission may also use data gathered from newspapers, realtors, professional associations, inquiries of owners, market surveys, and other available sources.

The area to be used to determine unit rent reasonableness must be within the Housing Commission's jurisdiction and within the same sub-regional area.

Comparables kept in the automated database may be updated annually based on the percentage of rental market rent increases or decreases as provided by such services as the San Diego Apartment Owners Association and Market Point Realty Advisors.

At initial move-in and subsequent moves, the owner completes the HUD Form, Request for Tenancy Approval, including the section of the form listing the most recently leased comparable unassisted units within the premises.

Also, the Housing Commission refers to the database for two comparables for each move-in and annual reexamination inspection and the average amount of the two comparables is used to determine the maximum reasonable rent. If the need arises, the owner may submit information on two unassisted units from different complexes, preferably under different ownership, within a 2 mile radius.

If there are no available comparables with the same number of bedrooms or bathrooms, dollar adjustments will be made based on market conditions.

The Housing Commission may use a point system or a dollar adjustment system, or both, to compare size, quality, utilities, amenities, maintenance services and housing services.

When requesting a rent increase, the owner must provide the addresses for two units in the same complex, which have the same number of bedrooms, if present, that rent for the same amount or more. If an owner currently has a lower rental rate for other unassisted comparable units in the same complex, but will raise the rental rate for all new vacancies, the owner's certification will be acceptable to approve the requested rent.

D. PAYMENT STANDARDS FOR THE VOUCHER PROGRAM

[24 CFR 982.503]

The Payment Standard is used to calculate the housing assistance payment for a family. The Housing Commission reviews the appropriateness of the Payment Standard annually when the FMR is published. In determining whether a change is needed, the Housing Commission will ensure that the Payment Standard is always within the range of 90 percent to 110 percent of the new FMR, unless an exception payment standard has been approved by HUD.

The Housing Commission will establish a single voucher payment standard amount for each FMR area in the Housing Commission jurisdiction. For each FMR area, the Housing Commission will establish payment standard amounts for each unit size. The Housing Commission may have a higher payment standard within the Housing Commission's jurisdiction if needed to expand housing opportunities outside areas of low income and poverty concentration, as long as the payment standard is within the 90-110% of FMR range.

The Housing Commission may approve a higher payment standard within the basic range, if required as a reasonable accommodation for a family that includes a person with a disability.

E. ADJUSTMENTS TO PAYMENT STANDARDS

[24 CFR 982.503]

Payment Standards may be adjusted, within HUD regulatory limitations, to increase Housing Assistance Payments in order to keep families' rents affordable. The Housing Commission will not raise Payment Standards solely to make "high end" units available to Voucher holders. The Housing Commission may use some or all of the measures below in making its determination whether an adjustment should be made to the Payment Standards.

Rent Burdens of Assisted Families

If it is determined that particular unit sizes in the Housing Commission's jurisdiction have payment standard amounts that are creating rent burdens for families, the Housing Commission will modify its payment standards for those particular unit sizes.

The Housing Commission may increase its payment standard within the basic range for those particular unit sizes to help reduce the percentage of annual income that participant families in the Housing Commission's jurisdiction are paying.

The Housing Commission may establish a separate voucher payment standard, within the basic range, for designated areas if it determines that a higher payment standard is needed in these to provide families with quality housing choices.

Rent to Owner Increases

The Housing Commission may review a sample of the units to determine how often owners are increasing rents and the average percent of increase by bedroom size.

Lowering of the Payment Standard

Lowering of the FMR may require an adjustment of the Payment Standard. Additionally, statistical analysis may reveal that the Payment Standard should be lowered. In any case, the Payment Standard will not be set below 90 percent of the currently published FMR without authorization from HUD.

F. PAYMENT IN THE HOUSING CHOICE VOUCHER PROGRAM

Owners must request a rent increase after the initial term of the lease by submitting the request in writing, with a 60-day advance notice to both the tenant and the Housing Commission.

The notice of rent change does not affect the automatic renewal of the lease and does not require a new lease, contract or executed amendment.

HOUSING QUALITY STANDARDS AND INSPECTIONS

[24 CFR 982.401]

INTRODUCTION

Housing Quality Standards (HQS) are the HUD minimum quality standards for tenant-based and project-based programs. HQS standards are required both at initial occupancy and during the term of the lease. HQS standards apply to the unit, building and premises. Newly leased units must pass the HQS inspection before the beginning date of the assisted lease and HAP contract.

The Housing Commission will inspect each unit under contract at least annually. The Housing Commission will perform quality control inspections on the number of files required for file sampling by SEMAP annually to maintain the Housing Commission's required standards and to assure consistency in the Housing Commission's program. This Chapter describes the Housing Commission's procedures for performing HQS and other types of inspections, and Housing Commission standards for the timeliness of repairs. It also explains the responsibilities of the owner and family, and the consequences of non-compliance with HQS requirements for both families and owners. The use of the term "HQS" in this Administrative Plan refers to the combination of both HUD and Housing Commission requirements. (See the additions to HQS listed under "Acceptability Criteria and Exceptions to HQS" later in this chapter.)

A. GUIDELINES/TYPES OF INSPECTIONS

[24 CFR 982.401(a), 982.405]

The Housing Commission has adopted the HUD mandated HQS Regulations.

All utilities must be in service by the effective date of the HAP contract. If the utilities are not in service at the time of inspection, the Inspector will notify the tenant or owner to have the utilities turned on. The tenant or owner will certify that the utilities are on.

If the tenant is responsible for supplying the stove and/or the refrigerator, the Housing Commission will allow the stove and refrigerator to be placed in the unit after the unit has passed all other HQS. The family must then certify that the appliances are in the unit and working. The Housing Commission will not conduct a reinspection to verify this.

The Housing Commission will perform five types of inspections:

1. Initial/Move-in: Conducted upon receipt of Request for Tenancy Approval (RFTA).
2. Annual: Must be conducted within twelve months of the last annual inspection.
3. Move-Out: For Mod Rehab contracts when owner files a Damage Claim and for the purposes of terminating eligibility when the tenant has severely damaged the unit.

San Diego Housing Commission
Section 8 Administrative Plan
Adopted 2/25/05

4. Special: At request of owner, family or third party.
5. Quality Control.

B. INITIAL HQS INSPECTION

[24 CFR 982.401(a)]

Timely Initial HQS Inspection

To the extent practicable, the inspection will be completed within 15 days after the family and the owner submit a RFTA. The 15-day period is suspended during any time when the unit is not available for inspection.

The Initial Inspection will be conducted to:

Determine if the unit and property meet the HQS defined in this Plan.

Document the current condition of the unit.

Document the information to be used for determination of rent-reasonableness.

If the unit fails the initial HQS inspection, the family and owner will be advised to notify the Housing Commission once repairs are completed.

If two failed reinspections occur, the unit will be disqualified.

C. ANNUAL HQS INSPECTIONS

[24 CFR 982.405(a)]

The Housing Commission conducts an annual HQS inspection within 3 months of the anniversary date. Special inspections may be scheduled between anniversary dates.

The landlord must correct HQS deficiencies that cause a unit to fail unless the tenant is responsible.

The family must allow the Housing Commission to inspect the unit at reasonable times with reasonable notice.

The family and owner are notified of the date and time of the inspection appointment by mail. If the family is unable to be present, they must reschedule the appointment so that the inspection is completed within 30 days.

If the family does not contact the Housing Commission to reschedule the inspection, or if the family misses three inspection appointments, the Housing Commission will consider the family in violation of a Family Obligation and their assistance will be terminated in accordance with this Plan.

Time Standards for Repairs

The owner and/or tenant must correct emergency items that endanger the family's health or safety within 24 hours of notification. (See Emergency Repair Items section.)

For non-emergency items, repairs must be made within 30 days.

For major repairs, the Housing Commission may approve an extension beyond 30 days.

Rent Increases

Rent to owner increases may not be given until the unit passes HQS.

D. SPECIAL INSPECTIONS

[24 CFR 982.405(c)]

If at any time the Housing Commission is notified that the unit does not meet HQS, the Housing Commission will conduct an inspection.

Prior to requesting a special HQS inspection, except in cases of emergency, the family must provide verification to the Housing Commission they have made prior requests to the landlord to resolve the issue and the landlord has failed to do so.

The Housing Commission may also conduct a special inspection based on information from third parties such as neighbors or public officials.

The Housing Commission will inspect only the items that were reported, but if the Inspector notices additional deficiencies that would cause the unit to fail HQS, the responsible party will be required to make the necessary repairs.

E. QUALITY CONTROL INSPECTIONS

[24 CFR 982.405(b)]

Quality Control inspections will be performed by designated staff as required by SEMAP.

F. ACCEPTABILITY CRITERIA AND EXCEPTIONS TO HQS

[24 CFR 982.401 (a)]

The Housing Commission applies the HUD acceptability criteria with the additions described below.

Exterior:

Street number must be present and visible from the street

Doors:

All exterior doors must be lockable, have no holes, have all trim intact, and have a threshold.

All interior doors must open without the use of a key.

Security:

If window security bars or security screens are present on emergency exit window, they must be equipped with a fluid motion quick release system. The owner is responsible for ensuring that the family is instructed on the use of the quick release system.

Hot Water Heater:

The pressure relief valve discharge line must be directed downward 6” to 24” from the ground or platform. If the water heater is inside the unit, the discharge line must be vented to the outside or downward 6” to 24” from an approved drainage outlet.

Modifications

Modifications or adaptations to a unit due to a disability must meet all applicable HQS and owner may be required to provide copies of permits when requested.

G. EMERGENCY REPAIR ITEMS

[24 CFR 982.401(a)]

The following are considered emergency items and must be corrected by the responsible party within 24 hours of notice by the Housing Commission:

Units that cannot be secured.

Waterlogged ceiling in imminent danger of falling.

Major plumbing leaks or flooding.

Natural gas leak or fumes.

Electrical problem that could result in shock or fire.

No heat when outside temperature is below 45 degrees Fahrenheit and temperature inside unit is below 45 degrees Fahrenheit.

Utilities not in service.

No running water.

Lack of one functioning toilet.

If the emergency repair item(s) are not corrected in the period required by the Housing Commission, and the owner is responsible, the Housing Assistance Payment will be abated and the HAP contract will be terminated.

If the family does not correct an HQS breach for which they are responsible, in the time required, the Housing Commission will terminate assistance to the family.

H. CONSEQUENCES IF OWNER IS RESPONSIBLE

[24 CFR 982.405, 982.453]

When it has been determined that a unit on the program fails to meet HQS for non-emergency items, and the owner is responsible for completing the necessary repair(s) in the time period specified by the Housing Commission, the assistance payment to the owner will be abated.

Abatement

A Notice of Abatement will be sent to the owner, and the abatement will be effective the first day of the month after the unit has been in a failed status for 30 days. If the unit passes inspection prior to the end of the month, the rent will not be abated.

The Housing Commission will inspect abated units as soon as possible after the owner's notification that the work has been completed. If an owner calls prior to the end of the abatement month to schedule a reinspection because the repairs have been made and a reinspection cannot be made prior to the end of the month the Housing Commission may pay the full HAP for the month if the unit passes the inspection.

If the owner makes repairs during the abatement period, payment will resume on the day the unit passes inspection.

The family and owner will be notified of the reinspection date.

No retroactive payments will be made to the owner for the period of time the rent was abated and the unit did not comply with HQS. The notice of abatement states that the tenant is not responsible for the Housing Commission's portion of rent that is abated.

Reduction of Payments

The Housing Commission may grant an extension in lieu of abatement in the following cases:

There is an unavoidable delay in completing repairs due to difficulties in obtaining parts or contracting for services.

The owner makes a good faith effort to make the repairs.

The repairs are expensive (such as exterior painting or roof repair) and the owner needs time to obtain the funds.

The repairs must be delayed due to climate conditions.

The extension will be made for a period not to exceed 30 days, or at the discretion of the Housing Commission. At the end of that time, if the work is not completed, the Housing Commission will begin the abatement.

Termination of Contract

If the owner is responsible for repairs, and fails to correct all the deficiencies cited before the end of the abatement period, the owner will be sent a HAP Contract Termination Notice and the abatement will remain in effect through the effective date of the termination.

If repairs are completed before the effective termination date, the Housing Commission will rescind the termination if the tenant chooses to remain in the unit.

I. DETERMINATION OF RESPONSIBILITY

[24 CFR 982.404]

Certain HQS deficiencies are the responsibility of the family:

Tenant-paid utilities not in service.

Failure to provide or maintain family-supplied appliances.

Damage to the unit or premises beyond normal wear and tear caused by a household member or guest.

“Beyond normal wear and tear” is defined as items that could be charged against the tenant's security deposit under state law or court practice.

The owner is responsible for all other HQS violations.

The inspector will make a determination of owner or family responsibility during the inspection.

J. CONSEQUENCES IF FAMILY IS RESPONSIBLE

[24 CFR 982.404(b)]

If emergency or non-emergency violations of HQS are determined to be the responsibility of the family, the Housing Commission will require the family make any repair(s) or corrections within 30 days. If the repair(s) or correction(s) are not made in this period, the Housing Commission will terminate assistance to the family, after providing an opportunity for an informal hearing. In these cases, a Housing Supervisor must approve extensions. The HAP will not be abated for items that are the family's responsibility.

If the tenant is responsible and corrections are not made, the HAP Contract will terminate when assistance is terminated.

K. UTILITY ALLOWANCE AND REIMBURSEMENT PAYMENTS

[24 CFR 982.153, 982.517]

The same Utility Allowance Schedule is used for all tenant-based programs and all building types. The schedule will be based on information available from local utility companies.

Where families provide their own range and refrigerator, the Housing Commission will establish an allowance adequate for the family to purchase or rent a range or refrigerator, even if the family already owns either appliance.

The Housing Commission will review the utility allowance schedule annually. If the review finds a utility rate has changed by 10% or more since the last revision, the schedule will be revised to reflect updated rates for all utilities. The revised utility allowance will be applied to participant family's rent calculation at their next reexamination.

On request from a family that includes a person with a disability, the Housing Commission will approve a utility allowance which is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to accommodate a person with a disability. The Housing Commission will review six months of the family's utility expenses to determine the average. The determined averaged amount will be used as the utility allowance schedule for an accommodation for a persons with a disability. This may be reviewed on an annual basis at reexamination.

Where the calculation on the HUD 50058 results in a utility reimbursement payment due the family, the Housing Commission will provide a Utility Reimbursement Payment for the family each month. The check will be payable directly to the tenant.

PROGRAM TERMINATIONS AND PROGRAM INTEGRITY UNIT

[24 CFR 982.54, 982.306, 982.311, 982.314, 982.453, 985.552, 982.553, 982.554(d)(13), 982.555(a-f)]

INTRODUCTION

The Housing Assistance Payments (HAP) Contract is the contract between the owner and the Housing Commission that defines the responsibilities of both parties. This Chapter describes the circumstances under which the contract can be terminated by the Housing Commission and the owner, and the policies and procedures for such terminations. Also included in this chapter is the criteria for owner disapproval and the various penalties for owner violations.

The Housing Commission may deny or terminate assistance for a family because of the family's action or failure to act. The Housing Commission will provide families with a written description of the Family Responsibilities.

The Housing Commission shall give participants an opportunity for administrative reviews and informal hearings for decisions regarding termination of participation in the Rental Assistance Program in accordance with the Code of Federal Regulations. Participants include persons assisted under the rental assistance program who hold a voucher and have been admitted to the program. The family becomes a participant on the effective date of the first HAP contract.

An Administrative Review or Informal Hearing is not required for any of the following:

- Discretionary administrative determinations by the Housing Commission.
- General policy issues or class grievances.
- A Housing Commission determination not to grant approval of the tenancy.
- Determination that unit is not in compliance with HQS.
- Determination that unit is not in accordance with HQS due to family size or composition.

A. CONTRACT TERMINATION

[24 CFR 982.311]

The term of the HAP Contract is the same as the term of the lease. Upon the issuance of a written 30 day notice, the Contract between the owner and the Housing Commission may be terminated by the Housing Commission, the owner, or by the tenant terminating the lease.

No future subsidy payments on behalf of the family will be made by the Housing Commission to the owner after the month in which the Contract is terminated. The owner must reimburse the Housing Commission for any subsidies paid by the Housing Commission for any period after the contract termination date.

If the family continues to occupy the unit after the Section 8 contract is terminated, the family is responsible for the total amount of rent due to the owner.

After a contract termination, if the family meets the criteria for a move with continued assistance, the family may lease-up in another unit. The contract for the new unit may begin during the month in which the family moved from the old unit.

Family termination of the lease must be in accordance with the terms of the lease.

B. TERMINATION OF TENANCY BY THE OWNER: EVICTIONS

[24 CFR 982.310, 982.455]

If the owner wishes to terminate the lease, the owner is required under the lease to provide proper notice as stated in the lease.

During the term of the lease, the owner may not terminate the tenancy except for the grounds stated in the HUD regulations.

During the initial term of the lease, the owner may not terminate the tenancy “for other good cause” unless the owner is terminating the tenancy because of something the family did or failed to do (see 24 CFR 982.310).

During the term of the lease the owner may only evict for:

Serious or repeated violations of the lease, including but not limited to failure to pay rent or other amounts due under the lease, or repeated violation of the terms and conditions of the lease.

Violations of federal, state or local law that imposes obligations on the tenant in connection with the occupancy or use of the premises; or criminal activity by the tenant, any member of the household, a guest or another person under the tenant's control that threatens the health, safety or right to peaceful enjoyment of the premises by the other residents or persons residing in the immediate vicinity of the premises; or any drug-related criminal activity on or near the premises.

Other good cause.

The owner must provide the tenant a written notice specifying the grounds for termination of tenancy at or before the commencement of the eviction action. The notice may be included in, or may be combined with, any owner eviction notice to the tenant.

The owner eviction notice means a notice to vacate, or other initial pleading used under State or local law to commence an eviction action.

Housing assistance payments are paid to the owner under the terms of the HAP Contract. If the owner has begun the eviction process, and the family and the unit remains eligible and continues to

reside in the unit, the Housing Commission must continue to make housing assistance payments to the owner until the owner has obtained a court judgment or other process allowing the owner to evict the tenant.

The Housing Commission must continue making housing assistance payments to the owner in accordance with the Contract as long as the tenant continues to occupy the unit and the Contract is not violated.

By endorsing the monthly check from the Housing Commission, the owner certifies that the tenant is still in the unit, the rent is reasonable and the owner is not charging more rent for assisted units than unassisted units and s/he is in compliance with the contract.

If an eviction is not due to a serious or repeated violation of the lease, and if the Housing Commission has no other grounds for termination of assistance, the Housing Commission may issue a new voucher so the family can move with continued assistance.

C. TERMINATION OF THE CONTRACT

[24] CFR 982.404(a), 982.453, 982.454, 982.552(a)(3)]

The term of the HAP contract terminates when the lease terminates, when the Housing Commission terminates program assistance for the family, or when the owner has breached the HAP contract. (See "Disapproval of Owner" and "Owner Restrictions and Penalties" sections)

The Housing Commission may also terminate the contract if:

The family is required to move from a unit when the unit does not meet the HQS space standards because of an increase in family size or a change in family composition;

Funding is no longer available under the ACC.

The contract will terminate automatically if 180 days have passed since the last housing assistance payment to the owner.

Notice of Termination

When the Housing Commission terminates the HAP contract under the violation of HQS space standards, the Housing Commission will provide the owner and family written notice of termination of the contract, and the HAP contract terminates at the end of the calendar month that follows the calendar month in which the Housing Commission gives such notice to the owner.

D. GROUNDINGS FOR DENIAL OR TERMINATION

[24 CFR 982.552, 982.553]

Form of Denial/Termination

Denial of assistance for an applicant may include any or all of the following:

Denial for placement on the Housing Commission's waiting list.

Denying or withdrawing a certificate or voucher.

Refusing to enter into a HAP contract or approve a lease.

Refusing to process or provide assistance under portability procedures.

Termination of assistance for a participant may include the following.

Terminating housing assistance payments under an outstanding HAP contract.

Mandatory Denial and Termination

The Housing Commission must deny assistance to applicants and terminate assistance for participants:

If any member of the family fails to sign and submit HUD or Housing Commission required consent forms for obtaining information.

If no member of the family is a U.S. citizen or eligible immigrant (see Section H).

If the family is under contract and 180 days have elapsed since the Housing Commission's last housing assistance payment was made.

E. CRIMINAL ACTIVITY POLICY

Purpose

Federally assisted housing is intended to provide a safe place to live and to raise families. The Housing Commission shall not tolerate violent criminal or illegal drug activity. It is the intention of the Housing Commission to fully endorse and implement a policy that is designed to:

Help create and maintain a safe and drug-free community.

Keep our program participants free from threats to their personal and family safety.

Approval of Applicants and Household Additions

Before approving a household member the Housing Commission will perform a criminal history check and sex offender registration records search on every adult household member (18 years and older) and live-in aides, utilizing the California Law Enforcement Telecommunications System

(CLETS) through the San Diego Police Department and any other applicable comprehensive method of verification.

The Housing Commission will deny participation in the program to applicants and terminate assistance to participants in cases where the Housing Commission determines there is a preponderance of the evidence to believe that the person is illegally using a controlled substance or if the person abuses alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents, including cases where the Housing Commission determines that there is a pattern of illegal use of a controlled substance or pattern of alcohol abuse.

“Engaged in or engaging in” violent criminal activity means any act by applicants, participants, household members, or guests which involved criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, serious bodily injury or property damage, which did or did not result in the arrest and/or conviction of the applicant, participant, household members, or guests.

The existence of the above-referenced behavior by any household member or guest, regardless of the applicant or participant’s knowledge of the behavior shall be grounds for denial or termination of assistance.

If an applicant, a member of an applicant or participant household or an addition to the participant’s household, including a live-in aide, has been arrested, convicted or otherwise been determined to have engaged in illegal drug-related or violent criminal activity within the prior five years, admission or continued participation may be denied. In cases where a family member recently has been released from incarceration for drug-related or violent criminal activity and it has been more than five years since the activity occurred, the Housing Commission and the family will execute a stipulated agreement that should engagement in such activity by any household member occur the Housing Commission will issue a Notice of Intended Action to terminate assistance.

Address Match Program (AMP)

The Housing Commission has formed an ongoing relationship with the San Diego Police Department to identify possible drug or criminal activities committed by residents of assisted housing units or in assisted housing units through the use of Address Match Program reports.

AMP reports will be reviewed to determine if a person suspected of drug or violent criminal activity is a participant or guest of assisted housing. If the person named in the AMP report is a participant, guest, or unauthorized household member, a Notice of Intended Action may be issued to terminate housing assistance.

F. NOTICE OF TERMINATION OF ASSISTANCE

When the Housing Commission decides to terminate assistance, the family will receive a written Notice of Intended Action to terminate assistance, which states:

The reason(s) for the proposed termination.

The effective date of the proposed termination.

The family's right, if they disagree, to request an Informal Hearing held before termination of assistance.

The date by which a request for an informal hearing must be received by the Housing Commission.

Required Evidence

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. The intent is not to prove criminal liability, but to establish that the act(s) occurred. Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

Credible evidence may be obtained from police and/or court records. Testimony from neighbors, when combined with other factual evidence can be considered credible evidence. Other credible evidence includes documentation of drug raids or arrest warrants.

G. HOUSING COMMISSION POLICY FOR CONSIDERATION OF CIRCUMSTANCES

[24 CFR 982.552]

In deciding whether to deny or terminate assistance because of action or failure to act by members of the family, the Housing Commission has discretion to consider all of the circumstances in each case, including the seriousness of the violation. The Housing Commission will use its discretion in reviewing the extent of participation or culpability of individual family members and the length of time since the violation occurred. The Housing Commission may also review the family's more recent history and record of compliance, and the effects that denial or termination of assistance may have on other family members who were not involved in the action or failure to act.

In appropriate cases, the Housing Commission may permit the family to continue receiving assistance provided that the family member(s) determined to have engaged in the proscribed activities will not reside in the unit. If the violating member is a minor, the Housing Commission may consider individual circumstances. The Housing Commission may consult with Juvenile Court officials.

In appropriate cases, the Housing Commission may offer the family a stipulated agreement that will contain the terms and conditions for continued assistance. Failure to enter into, or comply with the agreement, shall result in the issuance of a Notice of Intended Action to terminate assistance.

Consideration shall be given for applicants of special programs such as Family Unification and Shelter Plus Care.

H. DENIAL OR TERMINATION DUE TO INELIGIBLE IMMIGRANT STATUS

[24 CFR 5.514, 5.516, 5.518]

Applicant or participant families in which all members are neither U.S. citizens nor eligible immigrants are not eligible for assistance and must have their assistance terminated. The Housing Commission must offer the family an opportunity for a hearing.

Assistance may not be terminated while verification of the participant family's eligible immigration status is pending.

I. MISREPRESENTATION IN COLLUSION WITH OWNER

[24 CFR 982.551, 982.552 (c)]

If there is a preponderance of evidence that the owner commits fraud or is involved in any other illegal scheme with the participant, the Housing Commission will deny or terminate assistance.

J. MISSED APPOINTMENTS AND DEADLINES

[24 CFR 982.551, 982.552 (c)]

It is a Family Responsibility to supply information, documentation, and certification as needed for the Housing Commission to fulfill its responsibilities. The Housing Commission schedules appointments and sets deadlines in order to obtain the required information. A participant who fails to keep an appointment or meet a set deadline without prior notice or good cause or fails to supply required information may be sent a Notice of Intended Action.

A Notice of Intended Action may be sent to a participant who fails to keep three (3) scheduled appointments and/or inspections without prior notice or good cause within a one-year period.

“Good cause” is defined as an unavoidable conflict that seriously affects the health, safety or welfare of the family.

A participant who fails to supply information required by a deadline without notifying the Housing Commission may be sent a Notice of Intended Action.

K. DISAPPROVAL OF OWNER

[24 CFR 982.306, 982.54(d)(8)]

For purposes of this section, "owner" includes a principal or other interested party.

The Housing Commission will disapprove the owner for the following reasons:

HUD has informed the Housing Commission that the owner has been disbarred, suspended, or subject to a limited denial of participation under 24 CFR part 24.

HUD has informed the Housing Commission that the federal government has instituted an administrative or judicial action against the owner for violation of the Fair Housing Act or other federal equal opportunity requirements and such action is pending.

HUD has informed the Housing Commission that a court or administrative agency has determined that the owner has violated the Fair Housing Act or other federal equal opportunity requirements.

Unless their lease was effective before June 17, 1998, the owner may not be a parent, child, grandparent, grandchild, sister or brother of any family member. The Housing Commission may waive this restriction as a reasonable accommodation for a family member who is a person with a disability (24 CFR 8.3). The Housing Commission requires all owners and tenants to complete a certification declaring they are not related.

The owner has violated obligations under a housing assistance payments contract under Section 8 of the 1937 Act (42 U.S.C. 1437f).

The owner has violated any obligation under the HAP contract for the dwelling unit, including the owner's obligations to maintain the unit to HQS, including any standards the Housing Commission has adopted in this policy.

The owner has committed fraud, bribery or any other corrupt act in connection with any federal housing program.

The owner has engaged in drug trafficking.

The owner has a history or practice of non-compliance with the HQS for units leased under the tenant-based programs or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other federal housing program.

The owner has failed to comply with regulations, the mortgage or note, or the regulatory agreement for projects with mortgages insured by HUD or loans made by HUD.

L. OWNER RESTRICTIONS AND PENALTIES

[24 CFR 982.453]

If an owner has committed fraud or abuse or is guilty of frequent or serious contract violations, the Housing Commission will restrict the owner from future participation in the program. The Housing Commission may also terminate some or all contracts with the owner.

Before imposing any penalty against an owner the Housing Commission will review all relevant factors pertaining to the case, and will consider such factors as the owner's record of compliance and the number of violations.

M. CHANGE IN OWNERSHIP

A change in ownership or transfer of the HAP contract does not require execution of a new HAP contract.

As a party to the HAP contract, the Housing Commission may approve the reassignment of the HAP contract at the owner's request. The Housing Commission may deny assignment of the contract for any of the reasons listed in this chapter.

The Housing Commission may approve a change of property ownership upon the written request of the new owner accompanied by a copy of the closing escrow statement or other document(s) showing title to subject property.

The Housing Commission may not approve an assignment of the contract without the new payee's completion of form "Assumption of Lease and Housing Assistance Payments Contract," as well as the Internal Revenue Service Tax Form W-9.

The Housing Commission will provide the same name/tax identification number combination provided on Tax Form W-9 for income tax reporting purposes to the Internal Revenue Service.

The Housing Commission must receive in writing all requests to change the payee and/or the address to which HAP payment will be sent.

In the event there is a disagreement between the owner and assignee (e.g. property manager, bank or other interested party) as to who should receive the HAP payment, the Housing Commission shall withhold future payments until there is a court decision or mutual agreement between the owner and the assignee as to who shall receive the HAP payment.

N. PAYMENT PLAN AGREEMENT FOR FAMILIES

[24 CFR 982.552 (b)(6-8)]

A Payment Plan Agreement is a document entered into between the Housing Commission and a person who owes a debt to the Housing Commission. It details the nature of the debt, the terms of payment, any special provisions of the agreement and the remedies available to the Housing Commission upon default of the agreement.

The Housing Commission will determine whether to enter into a Payment Plan Agreement with a family based on the circumstances surrounding the debt. The Housing Commission will prescribe the terms of the Payment Plan Agreement.

The minimum monthly amount due for any Payment Plan Agreement is \$25.

A signed Payment Plan Agreement does not waive the Housing Commission's right to terminate housing assistance.

If the family's Payment Plan Agreement is in arrears, the Housing Commission may:

San Diego Housing Commission
Section 8 Administrative Plan
Adopted 2/25/05

Require the family to pay the balance in full; and/or

Pursue civil collection of the balance due; and/or

Terminate the housing assistance.

If the family requests to move, or is required to move by the owner, the family will be required to pay the balance in full or be in good standing with their Payment Plan Agreement prior to the issuance of a voucher unless they qualify for a hardship exemption and are not in violation of the lease. Families who owe the Housing Commission money will not be allowed the ability to exercise Portability and move to jurisdictions outside of the City of San Diego.

If the family is required to move due to an action by the Housing Commission (mandatory move) the family will not be required to pay the balance in full prior to the issuance of a voucher.

O. DEBTS OWED FOR CLAIMS

[24 CFR 792.103, 982.552 (b)(6-8)]

If a family owes money to the Housing Commission for claims paid to an owner, the Housing Commission will enter into a Payment Plan Agreement.

After the payment is made to the owner, the Housing Commission will inform the family of the payment and of the family's responsibility to reimburse the Housing Commission for payment made on their behalf.

Families who refuse to enter into a Payment Plan Agreement will be terminated from the Rental Assistance Program.

Nonpayment of monies owed to the Housing Commission will result in termination from the Rental Assistance Program.

P. DEBTS DUE TO NON-REPORTING OF INFORMATION

[24 CFR 982.163]

Families who owe money to the Housing Commission due to the family's failure to report accurate and complete information will be required to repay in accordance with the Payment Plan Agreement.

Families who refuse to enter into a Payment Plan Agreement will be terminated from the Rental Assistance Program.

Where appropriate, the Housing Commission will refer the case for civil or criminal prosecution.

Q. OWNER DEBTS TO THE HOUSING COMMISSION

[24 CFR 982.453(b)]

If the Housing Commission determines that the owner has retained Housing Assistance Payments or claim payments the owner is not entitled to, the Housing Commission may reclaim the amounts from future Housing Assistance Payments or claim payments owed the owner for any other units under contract.

If future Housing Assistance or Claim Payments are insufficient to reclaim the amounts owed, the Housing Commission will:

- Require the owner to pay the amount in full; and/or
- Enter into a Payment Agreement with the owner for the amount owed; and/or
- Pursue collections through public or private agencies; and/or
- Restrict the owner from future participation.

R. COLLECTION TOOLS

The Housing Commission will use a variety of collection tools to recover debts including, but not limited to:

- Requests for lump sum payments
- Civil or criminal suits
- Payment Plan Agreements
- Abatements
- Reductions in HAP to owner
- Collection agencies
- Credit bureaus
- Income tax set-off programs

S. HOUSING COMMISSION RETENTION OF MONIES

[24 CFR 792.202]

The Housing Commission shall retain 50% of the amount collected from Payment Plan Agreements received due as a result of misrepresentation, fraud or abuse.

T. ADMINISTRATIVE REVIEW PROCEDURES

New Admissions

The Housing Commission will issue a written Notice of Intended Action to Section 8 applicants that have been determined ineligible. The Notice will include the reason(s) for the decision and the procedures and timeframe for requesting an Administrative Review.

The Administrative Review shall be conducted by any person designated by the Housing Commission other than the person who made or approved the original decision under review.

The applicant shall be given the opportunity to present documentation or written objections to the Housing Commission's decision. The Housing Commission shall promptly notify the participant in writing of the decision.

Participants

The Housing Commission will issue participants a written Notice of Intended Action (NIA). The notice shall include: the reasons for the decision; the procedures for requesting a review if the participant does not agree with the determination; and the timeframe for requesting a review.

The Housing Commission must give a participant family an opportunity for an Administrative review to consider whether the following Housing Commission decisions relating to the individual circumstances of the participant family are in accordance with the law, HUD regulations and Housing Commission policies:

A determination of the family's annual adjusted income and the use of such income to compute the housing assistance payment.

A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the Housing Commission utility allowance schedule.

A determination of the family unit size under the Housing Commission subsidy standards.

The administrative review shall be conducted by any person designated by the Housing Commission other than the person who made or approved the decision under review.

The participant shall be given an opportunity to present oral or written objections to the Housing Commission decision. The Housing Commission shall promptly notify the participant in writing of the decision after the administrative review, including a brief statement of the reasons for the decision.

If the family does not agree with the determination, the family may request an informal hearing on the decision.

U. WHEN AN INFORMAL HEARING IS REQUIRED

In addition to the cases described above, the Housing Commission must give a participant family an opportunity for an Informal Hearing to consider whether the following Housing Commission decisions relating to the individual circumstances of the participant family are in accordance with the law, HUD regulations and Housing Commission policies:

A determination to terminate assistance for a participant family because of the family's action or failure to act.

A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under Housing Commission policy and HUD regulations.

V. INFORMAL HEARING POLICY

The purpose of the Informal Hearing Process is to afford the Housing Commission the opportunity to have an objective party consider whether decisions relating to a family's continuing eligibility are in accordance with law, HUD regulations and this Administrative Plan.

The Informal Hearing is not meant to replace or circumvent appropriate judicial review.

The Housing Commission may implement the following prior to the hearing:

Changes in total participant payment or participant rent.

Denial of a new voucher for a family that wants to move.

Unit size determinations for a family that wants to move.

The informal hearing will be conducted by any person designated by the Housing Commission, other than a person who made or approved the decision under review or a subordinate of that person.

The participant will be given the option of presenting oral or written objections to the decision in question. The participant has a right to legal counsel, at their own expense. The Hearing Officer will regulate the conduct of the hearing. Both the Housing Commission and the participant must have an opportunity to present evidence and/or witnesses as provided in this Plan established by the Housing Commission.

The Hearing Officer shall make a determination as to whether the rule or regulation was correctly applied based only on the information submitted at the hearing. A Notice of Hearing Findings (Hearing Decision) shall be provided, in writing, to the Housing Commission with a copy to the participant within 20 work days from the conclusion of the hearing.

The Housing Commission will retain all requests for a hearing, supporting documentation and a copy of the final decision.

W. PRE-HEARING PROCEDURES

If Housing Commission staff discovers possible program violations by participants, staff is responsible for gathering and reviewing information to determine if there is cause to issue a Notice of Intended Action (NIA).

The NIA will include the action which the Housing Commission proposes to take; the reason for the action; the laws, regulations or policies which staff believe require the action; and the procedures for the participant to follow to request an informal hearing. All possible violations will be listed on the NIA at the time of issuance and will include a brief description as well as the approximate timeframe and place of possible violations.

The Housing Commission shall mail or personally deliver the NIA to the participant at least 20 workdays before the date of intended action.

The NIA will advise the participant they must request an informal hearing within 17 work days from the date of mailing of said notice.

The Housing Commission shall provide a hearing if a request for an informal hearing is made by the participant pursuant to the instructions on the NIA. The participant shall be notified of the scheduled hearing at least ten calendar days before the scheduled date.

After a hearing date has been scheduled, the family may request to reschedule, only one time, upon showing "good cause," which is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

Should the participant submit a request for a hearing on an untimely basis (later than 17 work days from the date of mailing of the Notice by the Housing Commission), staff will inform the participant by mail within ten calendar days of such receipt that the participant is not entitled to a hearing. However, a participant who has submitted an untimely hearing request within one year from the date the NIA was issued, and has shown good cause may be granted an informal hearing.

In the event the Housing Commission receives a clear, written statement signed by the participant that he/she no longer wishes to participate in the program; or if mail directed to the participant has been returned by the post office indicating no forwarding address and/or participant's whereabouts are unknown, it is understood that the Housing Commission may proceed with the intended action immediately.

X. PRE HEARING RIGHTS AND RESPONSIBILITIES

The participant has rights and must adhere to the responsibilities outlined in the "Notification of Rights and Responsibilities Regarding the Grievance Hearing." These include:

The opportunity to receive a reasonable continuance of the hearing for good cause shown.

An adequate opportunity to examine the contents of their case file and all documents and records to be used by the Housing Commission at the hearing.

The right to receive, upon request, copies of documents and/or records that the Housing Commission expects to use at the hearing.

The right to choose an attorney or another person to represent them in the hearing.

The right to withdraw the hearing request at any time by so informing the Housing Commission in writing.

Before the scheduled hearing the Housing Commission must be given the opportunity to examine at Housing Commission offices any family documents that are directly relevant to the hearing. These documents must be submitted to the Hearing Coordinator within three work days before the scheduled hearing if the family intends to rely on these documents at the hearing. The Housing Commission must be allowed to copy any such document(s). If the family does not make the document available for examination on request of the Housing Commission, the family will not be allowed to present them for consideration at the hearing.

For purposes of this section, the term "document" includes records and regulations. In no case will the family be allowed to remove the file from the Housing Commission's office.

The participant and the Hearing Officer shall be sent a copy of the Hearing Packet no less than five days before the Hearing.

If the Housing Commission does not make a document available for examination at the family's request, the Housing Commission may not rely on the document at the hearing.

Y. RIGHTS AT THE HEARING

At the hearing, the participant and the Housing Commission shall have the right to:

Represent themselves or be represented by a lawyer or other persons of their choosing.

Bring and examine witnesses.

Submit evidence to establish all relevant facts and circumstances in accordance with the above policy.

Offer explanations or arguments relevant to the issue(s).

Challenge any evidence or testimony including an opportunity to call, confront and cross-examine adverse witnesses.

Provide their own interpreter or other device facility to overcome language or other communication handicaps.

Record the proceedings on audiotape. After a hearing decision has been rendered, the family may request a copy upon provision of a 120-minute blank audiotape.

Z. DENIAL OR DISMISSAL OF AN INFORMAL HEARING

The Housing Commission shall deny or dismiss a timely request for a hearing under the following conditions:

The participant requesting the hearing has withdrawn the request.

When the sole issue is one of federal law or regulation requiring automatic adjustments for classes of Rental Assistance Program participants.

A hearing is deemed abandoned if the participant fails to appear within 30 minutes of the scheduled hearing.

Should the Housing Commission determine the hearing "abandoned," a letter will be sent to the participant stating the hearing was abandoned. The participant has five work days to demonstrate, in writing, good cause that the hearing should not be considered abandoned and request another hearing. "Good cause" is defined as an unavoidable conflict, which seriously affects the health, safety or welfare of the family.

Should the participant fail to contact the Housing Commission within five work days the Housing Commission will follow through with the intended action.

AA. CONDUCT OF HEARING

The hearing may be conducted by any person or person(s) designated by the Housing Commission, other than a person who made or approved the decision under review or a subordinate of this person.

Hearing Officer Responsibility

In conducting the Hearing, the Hearing Officer shall be responsible for:

Explaining the hearing is informal, but that the decision is binding, subject to judicial review.

Ensuring a full inquiry into all relevant issues.

Regulating the conduct of the hearing consistent with due process and in accordance with this Plan to ensure an impartial, orderly hearing.

Preparing an official hearing record, which shall contain the substance of the oral testimony presented at the hearing; all papers, documents, records, etc., submitted for the hearing and/or considered by the Hearing Officer; and the written decision of the Hearing Officer.

Evidence

The Housing Commission and the family must be given the opportunity to present evidence in accordance with this Plan and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

Definition of Preponderance of Evidence

Preponderance of evidence is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

With respect to burden of proof in civil actions, this means the greater weight of evidence, or evidence which is more credible and convincing to the mind; that which best accords with reason and probability.

The word "preponderance" means something more than "weight"; it denotes a superiority of weight, or outweighing.

Preponderance of evidence may not be determined by the number of witnesses, but by the greater weight of all evidence, the opportunity for knowledge and the information possessed.

Credible Evidence

Credible evidence can be provided by such sources as police, the court system and Housing Commission staff. Testimony from neighbors, when combined with other credible evidence, can be used to determine whether a preponderance of evidence exists.

BB. HEARING DECISIONS

The hearing decision shall be based exclusively on the evidence and other material introduced at the hearing and which shall comply with governing law, regulations and Housing Commission policies. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing (24 CFR 982.555). A hearing decision shall be rendered which will either uphold or reverse the intended action of the Housing Commission.

The Hearing Officer shall not allow the participant or Housing Commission any additional time to provide information or evidence to support the participant's case. The Hearing Officer will issue a written decision to the Housing Commission and participant no later than 20 work days following the hearing except those hearings regarding eligible immigration status; in which case the decision will be issued within 14 days.

The hearing decision shall summarize the facts, identify each issue considered, specify the reasons for the decision on each issue and identify the supporting evidence, laws, regulations, and Housing Commission policies upon which the decisions are made.

The Hearing Officer must decide:

Whether the Housing Commission correctly applied the program rules, regulations or Housing Commission policies in the action outlined in the NIA; or

Whether the participant did or did not violate a program regulation, law or policy.

When the hearing decision is unfavorable to the participant, it shall advise the participant of the following:

The participant's right to obtain judicial review of the decision under California Code of Civil Procedure 1094.6 if a petition therefore is filed within 1 year of the date of the decision.

That the hearing decision shall be final and binding upon all parties unless timely judicial review is sought by either party.

Subject to 24 CFR 982.555 (f) the Commission is not bound by a hearing decision:

Concerning a matter for which the Housing Commission is not required to provide an opportunity for an informal hearing pursuant to 982.555 (f), or otherwise exceeds the authority of the person conducting the hearing under the Housing Commission hearing procedures; or

Contrary to HUD regulations or requirements, or otherwise contrary to federal, state or local law.

If the Housing Commission determines that it is not bound by a Hearing decision, the Housing Commission shall promptly notify the participant of the determination, and of the reasons for the determination.

CC. RESTRICTIONS ON ASSISTANCE TO NON-CITIZENS

[24 CFR Part 5, Subpart E]

Assistance to the family may not be delayed, denied or terminated based on immigration status at any time before the receipt of the decision on the INS appeal.

Assistance to a family may not be terminated or denied while the Housing Commission hearing is pending but assistance to an applicant may be delayed pending the Housing Commission hearing.

INTRODUCTION

The Housing Commission will permit the use of the following special housing types in its program:

- Single Room Occupancy (SRO)
- Manufactured Housing

The Housing Commission will permit the use of the following special housing types in its program only if the applicant/participant is elderly or disabled and can demonstrate that it is needed as a reasonable accommodation. Acceptable demonstration will include documentation from one or more knowledgeable professionals who are familiar with the applicant/participant and or the type of special housing requested as accommodation.

- Shared Housing
- Congregate Housing
- Group Homes

The Housing Commission will not set aside any program funding for special housing types, or for a special housing type.

A. SINGLE ROOM OCCUPANCY (SRO)

[24 CFR 982.602]

A single person may reside in an SRO housing unit.

There will be a separate lease and housing assistance payment contract for each assisted person residing in a SRO. [24 CFR 982.603]

SRO Rent and Housing Assistance Payment

Voucher Program:

The Housing Commission SRO payment standard is 75 percent of the zero bedroom payment standard schedule. For a person residing in an exception area the payment standard is 75 percent of the HUD-approved zero bedroom exception payment standard amount. While an assisted person resides in SRO housing, the SRO payment standard must be used to calculate the housing assistance payment.

Utility Allowance:

The utility allowance for an assisted person residing in SRO housing is 75 percent of the zero bedroom utility allowance.

Housing Quality Standards

The Housing Commission will ensure that all SRO units approved for the program are in compliance with all of the Housing Quality Standards for SRO's as regulated in 24 CFR 982.605.

B. CONGREGATE HOUSING

[24 CFR 982.606]

An elderly person or a person with a disability may reside in a congregate housing unit.

The Housing Commission may approve a family member or live-in aide to reside with the elderly person or a person with a disability.

The Housing Commission will approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by a person with a disability.

Congregate Housing Lease and HAP Contract

For congregate housing, there will be a separate lease and HAP contract for each assisted family.

The payment standard for a family that resides in a congregate housing unit is the zero-bedroom payment standard on the Housing Commission payment standard schedule unless there is a live-in aide.

However, if there are two or more rooms in the unit (not including kitchen or sanitary facilities), the payment standard for a family that resides in a congregate housing unit is the one bedroom payment standard amount.

If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

Housing Quality Standards

The Housing Commission will ensure that all congregate housing units approved for the program are in compliance with all of the Housing Quality Standards for congregate housing as regulated in 24 CFR 982.609.

C. GROUP HOMES

[24 CFR 982.610, 982.612]

A group home must be licensed, certified, or otherwise approved in writing by the State, or the State's licensing department.

An elderly person or a person with a disability may reside in a state-approved group home. If approved by the Housing Commission, a live-in aide may reside with a person with a disability.

The Housing Commission must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to and usable by a person with a disability. Except for a live-in aide, all residents of a group home must be elderly persons or a person with a disability.

The Housing Commission will not approve assistance for a person to live in a group home if file documentation indicates that the person is in need of continual medical or nursing care.

No more than twelve persons may reside in a group home. This limit covers all persons who reside in the unit, including assisted and unassisted residents and any live-in aide.

Group Home Lease and HAP Contract

There will be a separate HAP contract and lease for each assisted person living in a group home. For a group home the term "pro-rata portion" means that which is derived by dividing the number of persons in the assisted household by the total number of residents (assisted and unassisted) residing in the group home. The number of persons in the assisted household equals one assisted person plus any Housing Commission approved live-in aide.

Group Home Rent and HAP Contract

The rent to owner for an assisted person may not exceed the pro-rata portion of the reasonable rent for the group home.

The reasonable rent for a group home is determined in accordance with 24 CFR 982.507. In determining reasonable rent the Housing Commission will consider whether sanitary facilities, and facilities for food preparation and service, are common or private facilities.

Maximum Subsidy

Unless there is a live-in aide, the family unit size is one bedroom. If there is a live-in aide, the live-in aide will be counted in determining the family unit size.

The payment standard for a person who resides in a group home is the lower of the payment standard for the family unit size or the pro-rata portion of the payment standard amount on the Housing Commission payment standard schedule for the group home size.

Utility Allowance

The utility allowance for each assisted person residing in a group home is the pro-rata portion of the utility allowance for the group home unit size.

Housing Quality Standards

The Housing Commission will ensure that all group home units approved for the program are in compliance with all of the Housing Quality Standards for group homes as regulated in 24 CFR 982.614.

D. SHARED HOUSING

[24 CFR 982.615]

Occupancy

An elderly person or a person with a disability may reside in shared housing. In shared housing, an assisted family may share a unit with another resident or residents of a unit. The unit may be a house or an apartment. Persons who are assisted or not assisted under the tenant-based program may reside in a shared housing unit. The owner of a shared housing unit may reside in the unit.

The Housing Commission may approve a live-in aide to reside with a family in order to care for a person with a disability. The Housing Commission must approve a live-in aide if needed as a reasonable accommodation so that the program is readily accessible to, and usable by, a person with a disability.

A resident owner may enter into a HAP contract with the Housing Commission. However, housing assistance may not be paid on behalf of an owner. The Housing Commission will not approve assistance for a person or family that is related to a resident owner, except for reasonable accommodation.

There will be a separate housing assistance payment contract and lease for each assisted family residing in a shared housing unit.

Rent and HAP Contract

For shared housing, the term "pro-rata portion" means the ratio derived by dividing the number of bedrooms in the private space available for occupancy by a family by the total number of bedrooms in the unit. For example, for a family entitled to occupy three bedrooms in a five-bedroom unit, the ratio would be 3/5.

The rent to owner for the family may not exceed the pro-rata portion of the reasonable rent for the shared housing dwelling unit. The reasonable rent must be in accordance with the guidelines set in the "Owner Rents, Rent Reasonableness, and Payment Standards" chapter.

Maximum Subsidy

For a family that resides in a shared housing unit the payment standard is the lower of the payment standard amount on the Housing Commission payment standard schedule for the family unit size or the pro-rata portion of the payment standard amount on the Housing Commission payment standard for the shared housing unit size.

If the Housing Commission approves a live-in aide, the live-in aide will be counted in determining the family unit size.

Utility Allowance

The utility allowance for an assisted family living in shared housing is the pro-rata portion of the utility allowance for the shared housing unit.

Housing Quality Standards

The Housing Commission will ensure that all shared housing units approved for the program are in compliance with all of the Housing Quality Standards for shared housing as regulated in 24 CFR 982.618.

E. MANUFACTURED HOMES

[24 CFR 982.620]

The Housing Commission will permit a family to lease a manufactured home and space with assistance under the program. The Housing Commission will provide assistance for a family that owns the manufactured home and leases only the space.

The Housing Commission may approve a live-in aide to reside with a family to care for a person with a disability. The Housing Commission will approve a live-in aide if needed as a reasonable accommodation so that the program is accessible to, and usable by, a person with a disability. If the Housing Commission approves a live-in aide, the live-in aide must be counted when determining the family unit size.

Housing Quality Standards

A manufactured home must meet all the HQS requirements outlined in the "Housing Quality Standards and Inspections" chapter and regulated by 24 CFR 982.401. In addition, the manufactured home also must meet the following requirements:

A manufactured home must be placed on the site in a stable manner, and must be free from hazards such as sliding or wind damage.

A tie-down device that distributes and transfers the loads imposed by the unit to appropriate ground anchors to resist wind overturning and sliding must securely anchor a manufactured home.

Manufactured Home Space Rental

Rent to owner for a manufactured home space will include payment for maintenance services that the owner must provide to the tenant under the lease for the space.

Rent to owner does not include the cost of utilities and trash collection for the manufactured home. However, the owner may charge the family a separate fee for the cost of utilities or trash collection provided by the owner.

Reasonable Rent

During the assisted tenancy, the rent to owner for the manufactured home space may not exceed a reasonable rent as determined by the Housing Commission. For purposes of comparability the Housing Commission shall use rates from Mobile Home parks in the City and County of San Diego.

The Housing Commission will not approve a lease for a manufactured home space until the Housing Commission has determined that the initial rent to owner for the space is a reasonable rent. At least annually during the assisted tenancy, the Housing Commission will redetermine that the rent is reasonable.

The Housing Commission will determine whether the rent to owner for a manufactured home space is a reasonable rent in comparison to rents for other comparable manufactured home spaces. The Housing Commission will consider the size and location of the space and any services and maintenance provided by the owner in accordance with the lease.

By accepting each monthly housing assistance payment from the Housing Commission, the owner of the manufactured home space certifies that the rent to owner for the space is not more than rent charged by the owner for unassisted rental of comparable spaces in the same manufactured home park or elsewhere. If requested by the Housing Commission, the owner must provide the Housing Commission information on rents for other manufactured home spaces.

Manufactured Housing Demonstration Program

The San Diego Housing Commission has been selected by HUD to conduct a pilot program for owners of manufactured homes whose park owners refuse to accept Section 8. In cases when an eligible family owns a manufactured home and rents real property on which their home is located, the family still may participate in the tenant bases assistance program. The Housing Commission shall enter into appropriate agreements with the family and issue Housing Assistance Payments directly to them. Special funding is not appropriated for this demonstration program. Participants are selected from the waiting list in accordance with this Plan.

Chapter 13

SPECIAL PROGRAMS

SECTION 1 MODERATE REHABILITATION PROGRAM

INTRODUCTION

The Moderate Rehabilitation Program (Mod Rehab) is a project-based program. The San Diego Housing Commission provides housing assistance to qualified, very low-income individuals and/or families. Mod Rehab participants do not locate their own unit but must move to a unit already on the Mod Rehab Program. If the family moves out of the Mod Rehab unit for any reason, their Mod Rehab assistance will be terminated.

A. MODERATE REHABILITATION WAITING LIST AND LEASE UP

When the owner notifies the Housing Commission of a vacant unit, the computer will randomly select an adequate number of applicants within the top preference category. Selected applicants will be notified of the opportunity to be considered for the vacant unit and that it will be their responsibility to request a further opportunity if they wish to be considered for future vacancies.

NOTE: Participation in the Mod Rehab Program will not affect the applicant's Section 8 Waiting List application.

If the owner is unable to find a suitable tenant from the initial Mod Rehab Referral List, the owner must return the Referral List, with their comments regarding each applicant, ten days after the expiration date. The owner must then request another Referral List, continuing this process until a suitable tenant from the Section 8 waiting list is found.

Owners will be required to notify the Housing Commission when a prospective applicant has been selected for a vacant unit. The Housing Assistant will conduct an interview to determine eligibility for the Mod Rehab program. Once eligibility is determined, the Housing Commission will advise the applicant that rental assistance will not be provided until the unit passes inspection and the lease has been completed.

If a Mod Rehab unit remains vacant for six months or more due to the owner not complying with the requirements in taking all feasible actions to fill the vacancy, the Housing Commission may drop the unit from the program.

The Mod Rehab Housing Assistance Payment (HAP) Contract is a 15-year contract. Only during the inception of the Mod Rehab Program was the owner required to sign a HAP contract.

B. TRANSFERS WITHIN THE MOD REHAB PROGRAM

If the Housing Commission determines a unit is overcrowded or under-occupied due to a change in the family size, the family must move to a suitable sized unit. The participant will be placed on the Mandatory Mod Rehab Transfer List. The family will receive three referrals to an appropriately sized Mod Rehab unit. If the participant fails to apply to any of the referred units, the participant's eligibility for the Mod Rehab program will be terminated.

NOTE: There is no assurance that another unit will be available or that the owner will select the family.

C. FAMILIES HOLDING A VOUCHER

Families holding a Voucher may apply for the Mod Rehab Program. The family will be required to voluntarily surrender their Voucher and terminate their Section 8 eligibility prior to occupying a Mod Rehab unit.

D. CLAIMS AND VACANCY LOSS

Vacancy Loss

The owner must notify the Housing Commission of any units that will be vacant and the anticipated effective date. The Housing Commission will notify the next 20 applicants on the Section 8 Waiting List.

The owner may submit a claim for vacancy loss to the Claims Coordinator if the owner:

1. Has complied with the requirements of notifying the Housing Commission of a vacancy; and
2. Has taken and continues to take all feasible actions to fill the vacancy; and
3. Has not rejected any eligible applicant except for cause acceptable to the Housing Commission.

The owner may be entitled to payment of up to 80% of the Contract Rent for the unit.

The Claims Coordinator is responsible for weighing the factors involved in determining the owner's eligibility for vacancy loss. If the owner's claims are in compliance with the guidelines, the Housing Commission will process it for payment.

The owner has up to one year from the move-out date, to submit a claim for vacancy loss.

Damage Claims

An owner must notify the Claims Coordinator within two working days of the tenant's move-out date to request a Move-Out Inspection.

The owner may be entitled to a maximum damage claim of two months contract rent minus the security deposit.

Within 60 days from the Move-Out Inspection the owner must complete and return the application with itemized receipts.

The Claims Coordinator is responsible for weighing the factors involved, reviewing the receipts and damages and conducting the Move-Out Inspection. If the owner is entitled to a damage claim, the Claims Coordinator will process it for payment.

SECTION 2 FAMILY SELF SUFFICIENCY PROGRAM

A. SELECTION OF PARTICIPANTS AND SUPPORT SERVICES

Participants in the Rental Assistance Program may participate in the Family Self-Sufficiency Program on a voluntary basis. Outreach to Rental Assistance Program participants is conducted on a regular basis, as detailed in the FSS Action Plan.

All eligibility criteria will be in accordance with the current Rental Assistance Program regulations.

The required linkages and delivery of support services will be facilitated by the Housing Commission's Resident Services department.

Full explanation of the model is included in the FSS Action Plan.

B. ESCROW ACCOUNTS

Increases in FSS participants rent shares due to increased earnings will be paid into an escrow account on behalf of participants. Upon the applicant's successful completion of the FSS Program, the participant will be eligible to receive the money in the escrow account.

C. PORTABILITY

The Housing Commission will administer incoming vouchers of families choosing to port in to San Diego. New Contracts of Participation will be executed for the remaining term of the original Contract that was executed by the Initiating PHA.

San Diego participants can elect to port out of the program at the end of the initial lease term. The Family must demonstrate to the FSS Coordinator that they will be able to fulfill the responsibilities under the original (or modified) Contract.

D. TERMINATION OF ASSISTANCE

When a Family is terminated from the Rental Assistance Program, the Family Self-Sufficiency Contract of Participation is terminated immediately. FSS services may be withheld for other circumstances, as detailed in the FSS Action Plan.

All other program procedures, regulations, etc. which apply to the Rental Assistance Program participants as outlined in the SDHC Administrative Plan will be followed for FSS participants.

For specific procedures regarding FSS participants, please refer to the FSS Action Plan.

SECTION 3 FAMILY UNIFICATION PROGRAM (FUP)

The Family Unification Program, designated by HUD, enables a family to receive assistance in the form of a Section 8 voucher in order for the family to remain intact. Families must be referred to the Housing Commission by Child Protective Services.

Child Protective Services must certify that the family is unable to remain intact without obtaining secure, adequate housing. The family is then placed on the waiting list and pulled off in the order that they are received, determined eligible and issued a voucher.

SECTION 4 SPECIAL ADMISSIONS

Non-Elderly Persons with Disabilities (NEPD) Tenant Based:

The Non-Elderly Persons with Disabilities (NEPD) program is designed to provide rental assistance exclusively to homeless mentally ill or dually diagnosed adults.

The program operates with the assistance of the County Mental Health Agency and other non-profit community mental health service agencies throughout the City of San Diego. Eligibility for this program is handled through a referral system. Clients must be approved to participate in the program by the referring agency and must meet the criteria for specialty mental health services. In addition, the referring agency must also provide dependable case management to ensure clients are able to live independently.

Clients for this program need not be on the PHA's waiting list, they will be added to the waiting list and pulled from the waiting list at the time they are approved to receive a Section 8 voucher. Because of the special criteria required to qualify for the NEPD program, clients in this program are not offered portability opportunities. The San Diego Housing Commission has committed 100 vouchers for this program.

Non-Elderly Persons with Disabilities (NEPD) Project Based:

The San Diego Housing Commission, in collaboration with the County of San Diego Health and Human Services Agency (HHSA), has made available 100 Section 8 Project Based vouchers for the County's Integrated Services Program. The project-based vouchers are to provide permanent housing to homeless severely mentally ill adults. This program serves exclusively the homeless adults in the downtown area of the City of San Diego.

San Diego County HHSA operates this program. Selections and approval of clients to participate in the program is determined by Telecare Corporation, the mental health contractor selected by San Diego County HHSA. Participants are provided extensive case management. Eligibility criteria for clients approved to receive assistance through the project-based program is processed by the different non-profit community agencies participating in the program. These clients are not selected from the Housing Commission's waiting list. Because of the severe mental state of these clients, eviction notices issued by owners will be supported. The mental health contractor will make every effort to assist these clients. Continuation in the program is determined by Telecare Corporation.

The Housing Commission will conduct audits on tenant files to ensure all pertinent documents are maintained and rent portions are calculated accurately.

Medicaid Home and Community Based Services Waivers Under Section 1915(c) of the Social Security Act (SSA Medicaid)

This program is designed to provide assistance to families living in the city of San Diego jurisdiction that are disabled and also covered under a waiver of Section 1915(c) of the Social Security Act. Only those families that meet the definition of disabled families are to be considered for this program. For the purpose of this program, a disabled family means a family whose head, spouse, co-head, or sole member is a person with a disability.

Participants for this program are approved and referred to the Housing Commission by San Diego Regional Center, a state agency approved for the administration of the Medicaid program.

Because these participants do not come from the Housing Commission's waiting list, they will be added to the waiting list and pulled from the waiting list under special admissions at the time they are approved to receive a Housing Choice Voucher. Portability is not recommended for these participants.

YASHI

The Young Adult Supported Housing Initiative is designed to provide assistance to young adults in making a successful transition from the children's mental health system to the adult mental health system with a focus on successful community living.

The program targets low-income mentally ill young adults ages 18-21 who are on MediCal and receive SSI benefits. These young adults are homeless or near homeless.

Applicants for the YASHI Program must be referred by the County Mental Health system or the San Diego Health and Human Services agency.

Applicants are placed on the waiting list and pulled in the order that they are received.

PROJECT BASED

The Project-based Section 8 Program consists of two components:

- 1) Existing Housing: Multifamily or single-family projects. No more than \$1000 rehabilitation per unit to pass federal Housing Quality Standards.
- 2) New Construction/Rehabilitation: Units requiring more than \$1000 per unit to pass federal Housing Quality Standards.

Projects serving the elderly, a person with a disability, and person receiving supportive services are eligible to receive vouchers for up to 100 percent of the units. All other projects may receive vouchers for up to 25 percent of the units.

Both programs provide housing assistance to qualified, very-low income individuals and families. Project-based Section 8 participants do not locate their own unit but must move to a unit already in the Project-based Section 8 Program.

Filling vacant units

The owner must notify the Housing Commission of any units that will be vacant and the anticipated effective date. When the owner notifies the Housing Commission of a vacant unit, the computer will randomly select an adequate number of applicants within the top preference category. Selected applicants will be notified of the opportunity to be considered for the vacant unit and that it will be their responsibility to request a further opportunity if they wish to be considered for future vacancies.

If the owner is unable to find a suitable tenant from the initial referral list, the owner must return the referral list with their comments regarding each applicant within ten days of expiration date. The owner must then request another referral list, continuing this process until a suitable tenant from the Section 8 Waiting List is found. Project Based units serving “special purpose tenants” are excluded from this process. The owner may find a suitable tenant from the open market for these projects.

Conversion to Tenant Based Section 8 Assistance

After a family has participated in the Project-based program for at least 12 months, they may move from the assisted unit and retain federal housing assistance. The Housing Commission will provide a family who leaves the project-based Section 8 program after a one-year period with tenant-based assistance. Families who leave the project-based Section 8 program before one year are not eligible for continued assistance.

Vacancy Loss

The owner may submit a claim for vacancy loss for a project-based unit to the Housing Commission's Claims Coordinator if:

- 1) The vacancy is not the fault of the owner
- 2) The owner takes "every reasonable action" to minimize the likelihood and extent of vacancies.

The owner may be entitled to payment of up to 80% of the Contract rent for the unit for a maximum of 60 days.

The Claims Coordinator is responsible for weighing the factors involved in determining the owner's eligibility for vacancy loss. If the owner's claims are in compliance with the guidelines, the Claims Coordinator will process it for payment.

The owner has up to six months, from the move-out date, to submit a claim for vacancy loss.

STATEMENT OF POLICIES AND OBJECTIVES

INTRODUCTION

The U.S. Housing Act of 1937 created the Low Rent Public Housing Program.

Administration of the Public Housing Program and the functions and responsibilities of the San Diego Housing Commission (SDHC) staff shall be in compliance with the SDHC's Personnel Policy, SDHC's Equal Opportunity Plan and this Admissions and Continued Occupancy Policy. The administration of this Public Housing Agency's housing program will also meet the requirements of the Department of Housing and Urban Development. Such requirements include any Public Housing Regulations, Handbooks, and applicable Notices. All applicable Federal, State and local laws, including Fair Housing Laws and regulations also apply. Changes in applicable federal laws or regulations shall supersede provisions in conflict with this policy. Federal regulations shall include those found in Volume 24 CFR, Parts V, VII and IX. (Code of Federal Regulations).

A. SAN DIEGO HOUSING COMMISSION INFORMATION

The San Diego Housing Commission (SDHC) was established in 1979 by the San Diego City Council as the administrative agency of the San Diego Housing Authority. It is committed to providing decent, safe, and sanitary and in good repair housing for low-income families, elderly, and persons with disabilities in the City. In furtherance of that goal, the SDHC is dedicated to the implementation of Council Policy 600-10, "Fostering of Balanced Community Development for the City of San Diego" which was adopted on December 26, 1972, and the Housing Element of the General Plan for the City of San Diego adopted in October 1985.

The SDHC owns and manages approximately 1,401 units of Conventional Housing and specific regulations governing the administration of these units are found in the Code of Federal Regulations Title 24 and the HUD Handbook 7465.1. Nan McKay and Associates publishes a practical explanation of these regulations in the Nan McKay training materials. Regulations for the HOME program are found in Code of Federal Regulations, Title 24. currently 41 designated HOME units. The SDHC owns 120 units of Section 8 New Construction, regulations for their administration may be found in the Handbook 4350.1. For regulations and procedures governing the administration of the State of California units managed by the SDHC, staff should reference the Rental Housing Construction Program Handbook. For Tax Credit regulations, reference Section 42 of Internal Revenue Code and California Tax Credit Allocation Committee Compliance Reference Book. Personnel working directly with City of San Diego rental properties will be in direct contact with the City's Property Management department to ensure compliance with their regulations. Finally, reference and all rights, responsibilities incorporate the SDHC's Residential leases here, and obligations found therein must be followed in administering Conventional Public Housing.

Additionally, the City of San Diego is committed to a regional approach to meeting housing needs and cooperates with San Diego County, San Diego Association of Governments (SANDAG), and with other cities in the region towards a region-wide application of Federal Housing Funds. To this end the City adopted by Resolution dated May 1984, the Housing Needs Statement for the San Diego Region, prepared by SANDAG.

On September 10, 1999, the SDHC passed and adopted Resolution 1016, required by HUD (Federal Register, Volt 64, No. 32), to provide for deconcentration of poverty and income mixing in public housing developments by bringing higher income residents into lower income public housing complexes and lower income residents into higher income public housing complexes.

B. LOCAL OBJECTIVES

This Admissions and Continued Occupancy Plan for the Public Housing Program is designed to demonstrate that the SDHC is managing its program in a manner that reflects its commitment to improving the quality of housing available to its public, and its capacity to manage that housing in a manner that demonstrates its responsibility to the public trust. In addition, this Admissions and Continued Occupancy Plan is designed to achieve the following objectives:

1. To provide improved living conditions for extremely low, very low, and low income families while maintaining their rent payments at an affordable level.
2. To operate a socially and financially sound public housing agency that provides decent, safe, sanitary and in good repair housing within a drug free, suitable living environment for residents and their families.
3. To avoid concentrations of economically and socially deprived families in any one or the entire SDHC's public housing developments.
4. To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to SDHC employees.
5. To provide opportunities for upward mobility or families who desire to achieve self-sufficiency.
6. To facilitate the judicious management of the SDHC inventory, and the efficient management of the SDHC staff.
7. To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal laws and regulations.

C. PURPOSE OF THE POLICY

The purpose of this Admission and Continued Occupancy Policy (ACOP) is to establish guidelines for the San Diego Housing Commission staff to follow in determining eligibility for admission and continued occupancy. These guidelines are governed by the requirements of the Department of Housing and Urban Development (HUD) with latitude for local policies and procedures. These policies and procedures for admissions and continued occupancy are binding upon applicants, residents, and the SDHC.

Required portions of this Plan will be provided to HUD.

D. FAIR HOUSING POLICY

It is the policy of the Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws and with rules and regulations governing Fair Housing and Equal Opportunity in housing and employment.

The SDHC shall not discriminate because of race, color, sex, religion, familial status, disability, national origin, marital status, or sexual orientation in the leasing, rental, or other disposition of housing or related facilities, including land, that is part of any project or projects under the SDHC's jurisdiction covered by a contract for annual contributions under the United States Housing Act of 1937, as amended, or in the use or occupancy thereof.

Posters of information are displayed in locations throughout the SDHC's office in such a manner as to be easily readable from a wheelchair.

To further its commitment to full compliance with applicable Civil Rights laws, the SDHC will provide Federal/State/local information to public housing residents regarding "discrimination" and any recourse available to them if they believe they are victims of discrimination. Such information will be made available to them during resident orientation.

The SDHC's offices are accessible to persons with disabilities. The TDD telephone service provider provides accessibility for the hearing impaired.

E. SERVICE AND ACCOMMODATIONS POLICY

The SDHC's policies and practices will be designed to provide assurances that all persons with disabilities will be provided reasonable accommodation so that they may fully access and utilize the housing program and related services. The availability of specific accommodations will be made known by including notices on SDHC forms and letters, and all requests will be verified so that the SDHC can properly accommodate the need presented by the disability.

E. PUBLIC HOUSING MANAGEMENT ASSESSMENT SYSTEM (PHAS) OBJECTIVES (24 CFR 901 & 902)

The SDHC operates its public housing program with efficiency and can demonstrate to HUD or independent auditors that the SDHC is using its resources in a manner that reflects its commitment to quality and service. The SDHC policies and practices are consistent with the new Public Housing Assessment System (PHAS) outlined in the 24 CFR Parts 901 and 902.

The SDHC is continuously assessing its program and consistently strives to make improvements. The SDHC acknowledges that its performance ratings are important to sustaining its capacity to maintain flexibility and authority. The SDHC intends to diligently manage its current program operations and continuously make efforts to be in full compliance with PHAS. The policies and procedures of this program are established so that the standards set forth by PHAS are demonstrated and can be objectively reviewed by an auditor whose purpose is to evaluate performance.

G. FAMILY OUTREACH

The SDHC will publicize and disseminate information to make known the availability of housing units and housing-related services for low-income families on a regular basis.

The SDHC will inform the general public, including potential applicants for Conventional Housing, about its programs by distributing a general information brochure at government offices, social services agencies and sites, and by participating in related resource fairs. In addition, a description of all SDHC Rental Assistance programs, including eligibility requirements, is listed with United Way's Info Line.

In the event there are few or no eligible applicants for certain targeted Conventional Housing units, the SDHC will make all reasonable attempts to inform the members of the target population by using Public Service Announcements and flyers to targeted social services.

H. PRIVACY RIGHTS

The SDHC's policy regarding release of information is in accordance with State and local laws that may restrict the release of family information.

Chapter 2

**ELIGIBILITY FOR ADMISSION
[24 CFR 960.201]**

A. QUALIFICATION FOR ADMISSION

It is the SDHC's policy to admit qualified applicants only. An applicant is qualified if he or she meets the following criteria:

1. Is a family as defined in this Chapter;
2. Heads a household where at least 1 member of the household is either a citizen or eligible non-citizen. (24 CFR Parts 200 and Part 5, Subpart E).
3. Has an Annual Income at the time of admission that does not exceed the income limits for occupancy established by HUD and set forth in this policy.
4. Provides a Social Security number for all family members, age 6 or older, or will provide written certification that they do not have Social Security numbers;
5. Meets or exceeds the tenant Selection and Suitability Criteria as set forth in this policy.
6. In order to provide an increased sense of security for public housing residents the SDHC may allow public housing units to be occupied by police officers.

Persons Subject to Sex Offender Registration Requirement:

24 CFR (960.204 (a)(4))

The entire household is disqualified from admission if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program. Background checks will be performed in other States where household members are known to have resided.

Person with Disabilities

Notwithstanding any other provision of law, no individual shall be considered a person with disabilities, for the purpose of eligibility for low-income housing, solely on the basis of any drug or alcohol dependence.

B. FAMILY COMPOSITION

Definition of Family

The applicant must qualify as a Family. A Family may be a single person or a group of persons. A group of persons is defined as 2 or more persons who intend to share residency whose income and resources are available to meet the family's needs, and will live together in public housing.

HUD in 24 CFR 5.403 defines elderly, disabled, and displaced families.

The term "Family" also includes, but is not limited to:

- A family with or without children;
- An elderly family;
- A disabled family;
- A displaced family;
- The remaining member of a tenant family;
- A single person who is not elderly, displaced, or a person with disabilities, or the remaining member of a tenant family;
- 2 or more elderly or disabled persons living together, or 1 or more elderly or disabled persons living with 1 or more live-in aides is a family;
- 2 or more near-elderly persons living together, or 1 or more near-elderly persons living with 1 or more live-in aides;
- Independent student (see Glossary for definition)

Children who are "temporarily" absent from the home due to placement in foster care are considered to be part of the household when determining the family composition and family size.

Head of Household

The head of household is the adult member of the household who is designated by the family as head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Emancipated minors who qualify under State law will be recognized as head of household if there is a court ordered recognizing them as an emancipated minor.

Persons who are married are legally recognized as adults under State law.

A family may designate an elderly or disabled family member as head of household solely to qualify the family as an Elderly Family, provided that the person is at least partially responsible for paying the rent

Co-Head of Household

The co-head of household is the adult member of the household who is designated by the family

as co-head, is wholly or partly responsible for paying the rent, and has the legal capacity to enter into a lease under State/local law.

Emancipated minors who qualify under State law will be recognized as co-head of household if there is a court ordered recognizing them as an emancipated minor.

Persons who are married are legally recognized as adults under State law.

A family may designate an elderly or disabled family member as co-head of household solely to qualify the family as an Elderly Family, provided that the person is at least partially responsible for paying the rent

A person designated as co-head of household cannot also qualify as a full-time student.

Spouse of Head Household

Spouse means the husband or wife of the head of household.

For proper application of the Non-citizen Rule, the definition of spouse is: the marriage partners whom, in order to dissolve the relationship, and would have to be divorced. The term "spouse" does not apply to boyfriends, girlfriends, or significant others.

Live-In Attendants

A Family may include a live-in aide provided that the live-in aide:

Is determined by the SDHC to be essential to the care and well being of an elderly person, a near-elderly person, or a person with disabilities,

Is not obligated for the support of the person(s), and

Would not be living in the unit except to provide supportive services for the person(s).

A live-in aide is not considered to be an assisted family member and has no rights or benefits under the program:

1. Income of the live-in aide will not be counted for purposes of determining eligibility or level of benefits.
2. Live-in aides are not subject to Non-Citizen Rule requirements.
3. Live-in aide must meet the One-Strike Policy criteria for eligibility.

Relatives are not automatically excluded from being live-in aides, but they must meet all of the elements in the live-in aide definition described above.

Family members of a live-in attendant may also reside in the unit, providing doing so does not increase the subsidy by the cost of an additional bedroom and that the presence of the family member does not overcrowd the unit.

C. CITIZENSHIP/ELIGIBLE IMMIGRATION STATUS

In order to receive assistance, a family member must be a U.S. citizen or eligible immigrant. Individuals who are neither may elect not to contend their status. Eligible immigrants are persons who are in one of the six immigrant categories as specified by HUD.

For the Citizenship/Eligible Immigration requirement, the status of each member of the family is considered individually before the family's status is defined.

D. OTHER ELIGIBILITY CRITERIA

All applicants will be processed in accordance with HUD's regulations (24 CFR Part 960) and sound management practices. Applicants will be required to demonstrate ability to comply with essential provisions of the lease as summarized below.

All applicants must demonstrate through an assessment of current and past behavior the ability:

1. to pay rent and other charges as required by the lease in a timely manner;
2. to care for and avoid damaging the unit and common areas;
3. to use facilities, appliances and equipment in a reasonable way;
4. to create no health or safety hazards, and to report maintenance needs in a timely manner;
5. not to interfere with the rights and peaceful enjoyment of others and to avoid damaging the property of others;
6. not to engage in criminal activity nor alcohol abuse that threatens the health, safety or right to peaceful enjoyment of other residents or staff and not to engage in drug-related criminal activity on or off the public housing premises;
7. not to have ever been convicted of manufacturing or producing methamphetamine, also known as "speed."
8. to comply with necessary and reasonable rules and program requirements of HUD and the SDHC; and,
9. to comply with local health and safety codes.

Denial of Admission for Previous Debts to This or Any Other PHA

Previous outstanding debts to SDHC or any PHA resulting from a previous tenancy in the public housing or section 8 program must be paid in full prior to admission. No Payment Agreement will be accepted.

Either spouse is responsible for the entire debt incurred as a previous SDHC tenant. Children of the head or spouse, who had incurred a debt to the SDHC, while children were minors, will not be held responsible for the parent's previous debt.

E. ONE STRIKE POLICY (SEE Chapter 15)

Denial of Admission for Drug-Related and/or Other Criminal Activity

HUD Definitions

Drug-related criminal activity is the illegal manufacture, sale, distribution, use or possession with intent to manufacture, sell, distribute or use a controlled substance (as defined in section 102 of the Controlled Substances Act (21 U.S.C. 802)).

Drug-related criminal activity means *on or off the premises, not just on or near the premises*.

Criminal activity includes any criminal activity that threatens the health, safety or right to peaceful enjoyment of the resident's public housing premises by other residents or employees of the SDHC.

Standard for Denial

Persons evicted, or who had their program participation terminated from any subsidized housing program are ineligible for admission to Public Housing.

No member of the applicant's family may have "engaged in" drug related or violent criminal activity within the past 5 years, or been convicted in the last 5 years.

The SDHC will permanently deny admission to public housing units, persons convicted of manufacturing or producing methamphetamine (speed) in violation of any Federal or State law, and persons convicted of rape, murder, attempted murder or child molestation.

The SDHC will deny participation in the program to applicants where the SDHC determines there is reasonable cause to believe that the person is currently using an illegal controlled substance or engaging in drug-related or other criminal activity. The same will apply if it is determined that the person is abusing alcohol in a way that may interfere with the health, safety or right to peaceful enjoyment of the premises by other residents.

“Engaged in or engaging in or recent history of” drug related criminal activity means any act within the past 5 years by applicants or participants, household members, or guests which involved drug-related criminal activity including, without limitation, drug-related criminal activity, possession and/or use of narcotic paraphernalia, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

“Engaged in or engaging in or recent history of” criminal activity means any act within the past 5 years by applicants or participants, household members, or guests which involved criminal activity that would threaten the health, safety or right to peaceful enjoyment of the housing premises by other residents or employees of the SDHC, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

EVIDENCE OF REHABILITATION

1. Applicant or resident has no further evictions, arrests or convictions since the last recorded occurrence;
2. Applicant or resident has active* participation in a licensed, accepted** rehabilitation program for a minimum of 12 consecutive months;
3. Applicant has certification*** from that program and the Head of Household that the responsible party is clean and sober or no longer participating in drug related or violent crime.

* Applicant can document attendance at regular meetings and follow through on activities.

** The program is a member of a national professional association and follows those professional guidelines in the delivery of services.

*** Provide as third party verification.

In evaluating evidence of negative past behavior, the SDHC will give fair consideration to the seriousness of the activity with respect to how it would affect other residents, and/or likelihood of favorable conduct in the future which could be supported by evidence of rehabilitation.

The SDHC may permit eligibility for occupancy and impose conditions that the involved family member(s) does not reside in the unit. The SDHC will consider evidence that the person is no longer in the household such as divorce decree/death/copy of a new lease with the owner's telephone number and address/or other substantiating evidence.

Confidentiality of Rehabilitation Records

Information received by the SDHC from a drug treatment facility is destroyed, once the purpose(s) for which the record was requested has been accomplished, including period for filing a challenge to the SDHC; not later than 5 business days after the SDHC makes a final decision to admit the person. The information will remain confidential in accordance with section 543 of the Public Health Service Act (12 U.S.C. 290dd-2).

Other criminal activity

Other criminal activity means a history of criminal activity involving crimes of actual or threatened violence to persons or property, or a history of other criminal acts, conduct or behavior which would adversely affect the health, safety, or welfare of other residents.

- No family member may have engaged in or threatened abusive or violent behavior toward SDHC personnel at any time.
- No family member may have committed fraud, bribery, or any other corrupt or criminal act

in connection with any federal program, i.e., (housing, welfare, social security, etc.) in the last 10 years.

- The entire household is disqualified from admission if any member of the household is subject to a lifetime registration requirement under a State sex offender registration program.

The SDHC may pursue fact-finding efforts as needed to obtain preponderance of evidence and/or credible evidence.

Confidentiality of Criminal Records

The SDHC will ensure that any criminal record received is maintained confidentially, not misused or improperly disseminated and must be destroyed once the purpose(s) for which the record was requested has been accomplished, including period for filing a challenge to the SDHC. Not more than 30 days after the SDHC's final decision.

Disclosure of Criminal Records to Family

Before the SDHC takes any adverse action based on a criminal conviction record, the applicant will be provided with a copy of the criminal record and an opportunity to dispute the record. Applicants will be provided an opportunity to dispute the record at an administrative review. Tenants may contest such records at the court hearing in the case of evictions.

Hearings (See Chapter 13. Complaints and Appeals)

If information is revealed that would cause the SDHC to deny admission to the household and the person disputes the information, she/he shall be given an opportunity for an informal hearing according to the SDHC's hearing procedures outlined in Chapter 13. Complaints and Appeals.

E. SCREENING FOR SUITABILITY

[24 CFR 960.204, 960.205]

It is the policy of the SDHC to deny admission to applicants whose habits and practices may reasonably be expected to have a detrimental effect on the operations of the development or neighborhood, or on the quality of life for its residents.

The SDHC will conduct a detailed interview of all applicants. The interview form will contain questions designed to evaluate the qualifications of applicants to meet the essential requirements of tenancy. Answers will be subject to third party verification. The SDHC will complete a credit check for all adult members of the household.

An applicant's intentional misrepresentation of any information related to eligibility, award of preference for admission, housing history, allowances, family composition or rent will result in denial of admission.

Applicants must be able to demonstrate the ability and willingness to comply with the terms of

the lease, either all or with assistance which they can demonstrate that they have or will have at the time of admission. (24 CFR 8.2 Definition: Qualified Individual with Handicaps) The availability of assistance is subject to verification by the SDHC.

The SDHC's minimum age for admission as head of household is 18, or an emancipated minor, to avoid entering into leases that would not be valid or enforceable under applicable law.

The SDHC's examination of relevant information pertaining to past and current habits or practices will include, but is not limited to, an assessment of:

1. The applicant's past performance in meeting financial obligations, especially rent.
2. Eviction or a record of disturbance of neighbors sufficient to warrant a police call, destruction of property, or living or housekeeping habits at present or prior residences which may adversely affect the health, safety, or welfare of other tenants or neighbors.
3. Any history of criminal activity on the part of any applicant family member involving criminal acts, including drug-related criminal activity.
4. Any history or evidence of repeated acts of violence on the part of an individual, or a pattern of conduct constituting a danger to peaceful occupancy by neighbors.
5. Any history of initiating threats or behaving in a manner indicating intent to assault employees or other tenants.
6. Any history of alcohol or substance abuse that would threaten the health, welfare, or right to peaceful enjoyment of the premises by other residents.
7. The ability and willingness of an applicant to comply with the essential lease requirements will be verified and documented by the SDHC. The information to be considered in the screening process shall be reasonably related to assessing the conduct of the applicant and other family members listed on the application in present and prior housing. A visit to the applicant's present residence may be performed as part of the screening process.

The history of applicant conduct and behavior must demonstrate that the applicant family can reasonably be expected not to:

- a. Interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare. [24 CFR 960.205(b)]
- b. Adversely affect the physical environment or financial stability of the project. [24 CFR 960.205(b)]

- c. Violate the terms and conditions of the lease. (24CFR 8.3).
- d. Require services from SDHC staff that would alter the fundamental nature of the SDHC's program [24 CFR 8.3]

Rent Paying Habits

The SDHC will examine any records from a prior or current tenancy, and will request written references from the applicant's current and former landlords for up to the past 5 years, A minimum of one year tenancy is required.

Screening Applicants Who Claim Mitigating Circumstances

Mitigating circumstances are facts relating to the applicant's record of unsuitable rental history or behavior, which, when verified would indicate both: (1) the reason for the unsuitable rental history and/or behavior; and (2) that the reason for the unsuitable rental history and behavior is no longer in effect or is under control, and the applicant's prospect for lease compliance is an acceptable one, justifying admission.

If the mitigating circumstances claimed by the applicant relate to a change in disability, medical condition or course of treatment, the SDHC shall have the right to refer such information to persons who are qualified and knowledgeable to evaluate the evidence and to verify the mitigating circumstance. The SDHC shall also have the right to request further information reasonably needed to verify the mitigating circumstance, even if such information is of a medically confidential nature. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation.

Chapter 3

APPLYING FOR ADMISSION

INTRODUCTION

The policy of the SDHC is to ensure that all families who express an interest in housing assistance are given an equal opportunity to apply, and are treated in a fair and consistent manner. This Chapter describes the policies and procedures for completing an initial application for assistance, placement and denial of placement on the waiting list, and limitations on who may apply. The primary purpose of the intake function is to gather information about the family, but the SDHC will also utilize this process to provide information to the family so that an accurate and timely decision of eligibility can be made. Applicants will be placed on the waiting list in accordance with this Policy.

A. HOW TO APPLY

Families who wish to apply for any of the SDHC's programs must complete an application form when application taking is open. Applications will be made available in an accessible format upon request from a person with a disability.

- The application process is to determine the family's eligibility for, and placement on, the waiting list.
- The eligibility process takes place when the family reaches the top of the waiting list. At this time the SDHC ensures that verification of all HUD and SDHC eligibility factors is current in order to determine the family's eligibility for an offer of a suitable unit.

B. NOTIFICATION OF APPLICANT STATUS

If after a review of the application the family is determined to be preliminarily eligible, they will be notified in writing (in an accessible format upon request, as a reasonable accommodation).

This written notification of preliminary eligibility will be mailed to the applicant by first class mail.

If the family is determined to be ineligible based on the information provided in the application, the SDHC will notify the family in writing (in an accessible format upon request as a reasonable accommodation), state the reason(s), and inform them of their right to an administrative review. Persons with disabilities may request to have an advocate attend the administrative review as an accommodation. See Chapter on Complaints and Appeals.

Requirement to Attend Interview

The SDHC utilizes the full application interview to discuss the family’s circumstances in greater detail, to clarify information that has been provided by the family, and to ensure that the information is complete. The interview is also used as a vehicle to meet the informational needs of the family by providing information about the application and verification process, as well as to advise the family of other SDHC services or programs that may be available.

All **adult** family members must attend the interview and sign the housing application. Exceptions may be made for adult students attending school out of state or for members for whom attendance would be a hardship.

It is the applicant’s responsibility to reschedule the interview if she/he misses the appointment. If the applicant does not reschedule or misses two scheduled meeting(s), the SDHC may reject the application.

Reasonable accommodation will be made for persons with a disability who requires an advocate or accessible offices. A designee will be allowed to provide some information, but only with permission of the person with a disability.

C. PROCESSING APPLICATIONS

As families approach the top of the waiting list, the following items will be verified to determine qualification for admission to the SDHC’s housing:

1. Local preference verification
2. Family composition and type (elderly/non elderly)
3. Annual Income
4. Assets and Asset Income
5. Deductions from Annual Income
6. Social Security Numbers of all family members
7. Information used in applicant screening
8. Citizenship or eligible immigration status
9. Criminal History Report
10. Suitability factors

D. FINAL DETERMINATION AND NOTIFICATION OF ELIGIBILITY

After the verification process is completed, the SDHC will make a final determination of eligibility. This decision is based upon information provided by the family, the verification completed by the SDHC, and the tenant suitability determination (see Chapter 4: Tenant Selection and Assignment Plan).

The household is not actually eligible for a unit offer until this final determination has been made, even though they may have been preliminarily determined eligible and may have been listed on the waiting list.

Chapter 4

TENANT SELECTION AND ASSIGNMENT PLAN (Includes Preferences and Managing the Waiting List) [24 CFR 960.204]

INTRODUCTION

Applicants will be listed in sequence based upon date and time the application is received, the size and type of unit they require, and factors of preference or priority. In filling an actual or expected vacancy, the SDHC will offer the dwelling unit to an applicant in the appropriate sequence. The SDHC will offer the unit until it is accepted. This Chapter describes the SDHC's policies with regard to the number of unit offers that will be made to applicants selected from the waiting list.

Cooperative Waiting List

The SDHC and the Housing Authority of the County of San Diego have agreed to maintain a cooperative waiting list for those applicants who live in the jurisdiction of the other housing agency.

Each housing agency will exchange waiting list applications, preserving the original date and time of application for applicants residing in the jurisdiction of the other agency.

Upon receipt of this data, each housing agency will integrate such applicants into its current waiting list using the original date and time of application.

By maintaining an accurate waiting list, the SDHC will be able to perform the activities, which ensure that an adequate pool of qualified applicants will be available to fill unit vacancies in a timely manner. Based on the SDHC's turnover and the availability of appropriate sized units, groups of families will be selected from the waiting list to form a final eligibility "pool." Selection from the pool will be based on completion of verification.

A. MANAGEMENT OF THE WAITING LIST

The SDHC will administer its waiting list as required by 24 CFR Part 5, Subparts E and F, Part 945 and 960.201 through 960.215. The waiting list will be maintained in accordance with the following guidelines:

The application will be a permanent file.

All applicants in the pool will be maintained in order of preference.

Applications equal in preference will be maintained by date and time sequence.

Opening and Closing the Waiting Lists.

The SDHC, at its discretion, may restrict application intake, suspend application intake, and close waiting lists in whole or in part with the approval of the SDHC Board of Commissioners.

The decision to close the waiting list will be based on the number of applications available for a particular size and type of unit, and the ability of the SDHC to house an applicant in an appropriate unit within a reasonable period of time.

When the SDHC opens the waiting list, the SDHC will advertise through public notice in local newspapers, minority publications, media entities, and community based or social service organizations.

During the period when the waiting list is closed, the SDHC will not maintain a list of individuals who wish to be notified when the waiting list is open.

Suspension of application taking is announced in the same way as opening the waiting list.

The SDHC will update the waiting list at least every 12-18 months by removing the names of those families who are no longer interested, no longer qualify for housing, or cannot be reached by mail or telephone. At the time of initial intake, the SDHC will advise families of their responsibility to notify the SDHC when mailing address or telephone numbers change.

Multiple Families in Same Household.

When families apply that consist of 2 families living together, (such as a mother and father, and a daughter with her own child or children), if they apply as a family unit, they will be considered as one family unit.

B. WAITING LIST PREFERENCES

A preference does not guarantee admission to the program. Preferences are used to establish the order of placement on the waiting list. Every applicant must meet the SDHC's Selection Criteria as defined in this policy.

The SDHC's preference system will work in combination with requirements to match the characteristics for the family to the type of unit available, including units with targeted populations, and further deconcentration of poverty in public housing. When such matching is required or permitted by current law, the SDHC will give preference to qualified families.

Families who reach the top of the waiting list will be contacted by the SDHC to verify their preference and, if verified, the SDHC will complete a full application for occupancy. Applicants must complete the application for occupancy and continue through the application processing and may not retain their place on the waiting list if they refuse to complete their processing when contacted by the SDHC.

Among applicants with equal preference status, the waiting list will be organized by date and time.

Verification Requirement for Preference: Homeless

Homeless applicants who meet the Homeless criteria must provide certification of homeless status from a public or private facility that provides shelter for such households, or from the local police department, or any social service agency that provides services for homeless people.

Applicants who are homeless due to residing in a transitional housing program must provide a letter from the transitional program’s sponsoring agency documenting the applicant’s participation and readiness to maintain an independent tenancy.

Local Preferences

The SDHC will utilize the Agency Plan process or similar process when changing its preference system which includes a Public Hearing and approval by the Housing Authority.

The SDHC uses the following local preference system:

WAITING LIST ORDER

WITHIN EACH OF THE ABOVE NUMBERED CATEGORIES, APPLICANTS WILL BE SERVED ON A *FIRST COME/FIRST SERVED* BASIS WITH ALL VETERANS* BEING SERVED BEFORE OTHER APPLICANTS IN THE NUMBERED CATEGORY

* Throughout this document "Veteran" is defined as the head or spouse being a veteran or family of a veteran; also, active U.S. servicepersons qualify as veterans. (*See II. Glossary of Housing Terms: "Family of Veteran"*)

Date and time of receipt of a completed application.

Residency preferences for families who live, work, or have been hired to work in the jurisdiction.

Families with dependents (dependants are a family member other than the head or spouse who is under 18 years of age, a person with a disability or is a full-time student)

Homeless person with a disability

Elderly (62 years or older)

Disability

Veteran

Active U.S. Military personnel.

Within each of the following numbered categories, applicants will be served by date and time of application.

1. Applicants who live and/or work in the City of San Diego and who are families with dependents or single persons who are disabled or age 62 or older, or veterans, or active U.S. Servicepersons or a homeless person with a disability
2. Other applicants who live and/or work in the City of San Diego
3. Applicants who do not live and/or work in the City of San Diego and who are families with dependents or single persons who are disabled or age 62 or older, or veterans, or active U.S. Servicepersons or a homeless person with a disability
4. Other applicants who do not live and/or work in the City San Diego

When a family has been selected from the waiting list, they must be prepared at that time to begin the eligibility process. If the family is unable, they will be dropped from the waiting list.

C. FACTORS OTHER THAN PREFERENCES THAT AFFECT SELECTION OF APPLICANTS

Before applying its preference system, the SDHC will first match the characteristics of the available unit to the applicants available on the waiting lists. Factors such as unit size, accessible features, deconcentration or income mixing, income targeting, or units in housing designated for the elderly limit the admission of families to those characteristics that match the characteristics and features of the vacant unit available.

By matching unit, family characteristics and income, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application.

D. UNITS DESIGNATED FOR THE ELDERLY

The SDHC will take the following action when processing families for developments designated for the elderly:

- (1) When there are insufficient elderly families (62+) who wish to reside in a development, families with head or spouse ages 55-61 receive a preference for this type of unit. (City of San Diego Conditional Use Permit: Restricted to age 55 or older).

(2) When there are insufficient elderly or families with head or spouse ages 55-61 who wish to reside in a development, and units are ready for leasing more than 30 days, all other family types are eligible for such units.

- Families with members who require a unit with accessible features will receive preference for such units over families who do not require such features.

E. UNITS DESIGNATED FOR ELDERLY/DISABLED.

The SDHC will take the following action when processing families for developments designated for the elderly/disabled:

(1) When there are insufficient elderly (62+) or disabled families who wish to reside in a development, families with head or spouse ages 55-61 receive a preference for this type of unit. (City of San Diego Conditional Use Permit: Restricted to age 55 or older).

(2) When there are insufficient elderly or disabled or families with head or spouse ages 55-61 who wish to reside in a development, and units are ready for leasing more than 30 days, all other family types are eligible for such units.

- Families with members who require a unit with accessible features will receive preference for such units over families who do not require such features.

F. MIXED POPULATION UNITS.

In accordance with the 1992 Housing Act, elderly families whose head spouse or sole member is at least 62 years of age, and disabled families whose head, co-head or spouse or sole member is a person with disabilities, will receive equal preference with families for admission to such units. No limit will be established on the number of elderly or disabled families that may occupy a mixed population property. All other SDHC preferences will be applied.

G. UNITS DESIGNATED AS ACCESSIBLE

The SDHC has units designed for persons with mobility, sight and hearing impairments (referred to as accessibility units). These units were designed and constructed specifically to meet the needs of persons requiring the use of wheelchairs and persons requiring other modifications.

Preference for occupancy of these units will be given to families with disabled family members who require the modifications or facilities provided in the units.

H. DECONCENTRATION OF POVERTY AND INCOME-MIXING

(Implementation shall occur beginning 7-01-2002)

The SDHC's admission policy is designed to provide for deconcentration of poverty and mixing

higher income tenants with lower income tenants and vice versa.

Annual Review of Tenant Characteristics

The SDHC will determine and compare the relative tenant incomes of each covered development (applies to general occupancy, family public housing developments, excluding developments which house only elderly persons or persons with disabilities or both; developments approved for demolition or for conversion to tenant-based assistance) and the average annual income of all families at these developments.

Upon analyzing its findings the SDHC will apply the policies, measures and incentives to bring higher income families into lower income developments and lower income families into higher income developments.

Agency-wide average annual income is established by averaging the annual income of all residents at all covered developments.

Definition of lower income development: The average annual income of the development is 85% or below that of the Agency-wide average.

Definition of higher income development: The average annual income of the development is 115% or above that of the Agency-wide average.

The SDHC will reserve at least 40% percent of new admissions (lease-ups) to its public housing program in each fiscal year for “extremely-low” income families (30% below MAI) and the remaining 60% percent of new admissions for “low-income” families (31-80% of Median Area Income).

In order to further deconcentration efforts the SDHC may skip over low-income families on the waiting list to select higher income families for lower income developments and may skip over high-income families on the waiting list to select lower income families for higher income developments.

SDHC Incentives for Higher and Lower Income Families

In addition to maintaining its public housing stock in a manner that is safe, clean, well landscaped and attractive, the SDHC may offer the following incentives for higher income families (above 30% of MAI) moving into lower income developments and for lower income families (below 30% MAI) moving into higher income developments.

SDHC will approve a transfer request to another development of the family’s preference after one year of occupancy at a development designated for deconcentration. (Such transfers will be based on date order of similar requests received).

After a third referral for housing the SDHC may offer a choice of any lower-income development to a family with an income above 30% of Median Area Income, or a choice of any higher-income

development to a family with an income below 30% of Median Area Income.

The SDHC may offer two (2) months free rent.

The SDHC may offer larger bedroom sizes to smaller families.

The SDHC's goal is to further deconcentration by proactively mixing incomes of households residing in particular public housing developments. Family self-sufficiency efforts for current residents may help in attaining this goal.

I. PREFERENCE DENIAL [24 CFR 5.415]

If the SDHC denies a preference, the SDHC will notify the applicant in writing of the reasons why the preference was denied and offer the applicant an opportunity for an administrative review. The applicant will have 17 working days to request the meeting in writing. If the preference denial is upheld as a result of the meeting, or the applicant does not request a meeting, the applicant will be placed on the waiting list without benefit of the preference. Applicants may exercise other rights if they believe they have been discriminated against.

If the applicant falsifies documents or makes false statements in order to qualify for any preference, they will be removed from the waiting list with notification to the family.

J. REMOVAL FROM WAITING LIST AND PURGING [24 CFR 960.204(a)]

The waiting list will be purged at least every 12-18 months by a mailing to all applicants to ensure that the waiting list is current and accurate. The mailing will ask for current information and confirmation of continued interest.

Applicant removed from the waiting list may be reinstated with verifiable “good cause”; example would be for medical circumstances.

K. INCOME TARGETING

The SDHC will monitor its admissions (lease-ups) to ensure that at least 40% percent of families admitted to public housing in each fiscal year shall have incomes that do not exceed 30% of median area income of the SDHC’s jurisdiction.

L. PLAN FOR UNIT OFFERS

Three offers of a vacant unit of appropriate bedroom size, at different complexes, will be made in rank order from the approved waiting pool. Public housing residents needing transfers will have priority over applicants.

All offers of housing will be for the longest vacant unit of the appropriate bedroom size.

*NOTE: Exception to the above may occur due to Deconcentration Policy (see this Chapter, Section H).

The SDHC will maintain a record of units offered, including location, date and circumstances of each offer, each acceptance or rejection, including the reason for the rejection.

M. CHANGES PRIOR TO UNIT OFFER

Once the family has been determined eligible and prior to an offer of a suitable unit, changes in family composition, status or income may affect the family's eligibility or rent determination. Income changes will not result in denial of eligibility. The family will be notified in writing of changes in their eligibility or level of benefits and offered their right to an administrative review when applicable.

N. APPLICANT STATUS AFTER FINAL UNIT OFFER

When an applicant rejects the final unit offer the SDHC will:

- Remove the applicant's name from the waiting list.

Removal from the waiting list means:

- The applicant must reapply

O. TIME-LIMIT FOR ACCEPTANCE OF UNIT

Applicants must respond to a unit offer within 4 calendar days of the date of the letter. The SDHC will also attempt to call the applicant.

Applicants Unable to Take Occupancy

If an applicant is willing to accept the unit offered, but is unable to take occupancy at the time of the offer for "*good cause*," the applicant will not be removed from the waiting list and not counted as an offer of housing.

Examples of "*good cause*" reasons for the refusal to take occupancy of a housing unit include, but are not limited to:

An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing. [24 CFR 945.303(d)]

Presence of lead paint in the unit offered when the applicant has children under the age specified by current law;

The family demonstrates to the SDHC's satisfaction that accepting the offer will result in a situation where a family member's life, health or safety will be placed in jeopardy. The family must offer specific and compelling documentation such as restraining orders, other court orders, or risk assessments related to witness protection from a law enforcement agency. The reasons offered must be specific to the family. Refusals due to the location of the unit alone are not considered to be good cause.

A qualified, knowledgeable, health professional verifies the temporary hospitalization or recovery from illness of the principal household member, other household members, or a live-in aide necessary to care for the principal household member.

The unit is inappropriate for the applicant's disabilities.

The applicant is unwilling to accept the unit offered because acceptance would result in undue economic or medical hardship defined as:

1. Family member requires more than two visits a week with a physician for medical treatment and the medical facility is in excess of 25 miles from the unit, or
2. The location of the unit is in excess of 25 miles from place of employment, educational, or training facility, or public transportation is not readily accessible, taking in excess of one hour from point of pick up to place of employment. Normally where public transportation is available, services are considered accessible.

Economic hardship can include condition beyond Family's control that negatively affects progress towards self-sufficiency.

Chapter 5

OCCUPANCY GUIDELINES

INTRODUCTION

The Occupancy Guidelines are established by the SDHC to ensure that families of the appropriate size occupy units. This policy maintains the maximum usefulness of the units, while preserving them from excessive wear and tear or underutilization. This Chapter explains the Occupancy Guidelines used to determine minimum and maximum unit sizes for various sized families when they are selected from the waiting list, or when a family's size changes, or when a family requests an exception to the occupancy guidelines.

A. DETERMINING UNIT SIZE

The SDHC does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom. The SDHC's Occupancy Guideline standards for determining unit size shall be applied in a manner consistent with Fair Housing guidelines.

For occupancy standards, an adult is a person 18 years or older or an emancipated minor.

All guidelines in this section relate to the number of bedrooms in the unit. Dwelling units will be so assigned that:

- Generally the SDHC will assign one bedroom to two people within the following guidelines:
- Adults of different generations, adults of the opposite sex (other than spouses or partnership relationship), and unrelated adults will not be required to share a bedroom. A minor will not be required to share a bedroom with a parent or guardian. Minors of the opposite sex will not be required to share a bedroom.
- Foster children/adults will be included in determining unit size only if they will be in the unit for more than 6 months.
- Live-in attendants will generally be provided a separate bedroom. No additional bedrooms are provided for the attendant's family.
- Space may be provided for a child who is away at school but who lives with the family during school recesses.

GUIDELINES FOR DETERMINING BEDROOM SIZE

Bedroom Size	Persons in Household: (Minimum #)	Persons in Household: (Maximum #)
1 Bedroom	1	2
2 Bedrooms	2	4
3 Bedrooms	3	6
4 Bedrooms	4	8
5 Bedrooms	6	10

B. EXCEPTIONS TO OCCUPANCY STANDARDS

The SDHC will grant exceptions from the guidelines in cases where it is the family’s request and/or the SDHC determines the exceptions are justified by the relationship, age, sex, health or disability of family members, or other individual circumstances, and there is a vacant unit available. If an applicant requests to be listed on a smaller or larger bedroom size waiting list, the following guidelines will apply:

1. Applicants may request to be placed on the waiting list for a unit size smaller than designated by the occupancy guidelines, (as long as the unit is not overcrowded according to local codes). The family must agree not to request a transfer until their family composition changes or they have occupied the unit for 3 years.

A family that voluntarily accepts a unit that is smaller than what the family is eligible for will be required to sign a statement stating that unless there is an increase in family size the family agrees that they are not eligible for transfer to a larger unit for at least 3 years.

The SDHC may offer a family a unit that is larger than required by the SDHC’s occupancy standards, if the waiting list is short of families large enough to fill the vacancy or the SDHC determines that the common area for the project is insufficient for accommodating any additional large families.

2. The family may request to be placed on a larger bedroom size waiting list than indicated by the SDHC’s occupancy guidelines. The request must explain the need or justification for a larger bedroom size, and must be verified by the SDHC before the family is placed on the larger bedroom size list. The SDHC will consider these requests:

Person with Disability

The SDHC will grant an exception upon request as a reasonable accommodation for persons with disabilities if the need is appropriately verified and meets requirements in Chapter 1, E. Service and Accommodations Policy.

Other Circumstances

Circumstances may dictate a larger size than the occupancy standards permit when:

Persons cannot share a bedroom because of a need for medical equipment due to its size and/or function. A doctor must verify requests for a larger bedroom due to medical equipment.

A medical professional must verify requests based on health related reasons.

3. In order to achieve deconcentration the SDHC will apply the policies, measures and incentives to bring higher income families into lower income developments or vice versa. The SDHC may offer incentives for higher income families moving into lower income developments or vice versa.

The SDHC will not assign a larger bedroom size due to additions of family members other than by birth, adoption, marriage, or court-awarded custody.

All members of the family residing in the unit must be approved by the SDHC. The family must obtain written approval of any additional family member before the person occupies the unit except for additions by birth, adoption, or court-awarded custody, in which case the family must inform the SDHC within 10 days.

C. FAMILY MOVES

When a change in the circumstances of a tenant family requires another unit size, the family's move depends upon the availability of a suitable size and type of unit. If the unit is not available at the time it is requested, the family will be placed on the Transfer List.

The unit considerations in this section should be used as a guide to determine whether and when the bedroom size should be changed. If an unusual situation occurs, which is not currently covered in this policy, the case should be taken to the supervisor who will make determination after reviewing the situation, the individual circumstances, and the verification provided.

NOTE: Chapter 8, Transfer Policy

Chapter 6

DETERMINATION OF TOTAL TENANT PAYMENT

[24 CFR 5.609, 5.611, 5.613, 5.615]

INTRODUCTION

Income and TTP are calculated in accordance with 24 CFR Part 5, Subpart F and further instructions set forth in HUD Notices, Memoranda and Addenda. The formula for the calculation of TTP is specific and not subject to interpretation. The SDHC's policies in this Chapter address those areas, which allow the SDHC discretion to define terms and to develop standards in order to assure consistent application of the various factors that relate to the determination of TTP.

A. MINIMUM RENT

The minimum rent is \$50.

The Total Tenant Payment is the greater of:

30% of the adjusted monthly income; or

10% of the monthly income.

The minimum rent of \$50 as established by the SDHC

The minimum rent refers to a minimum total tenant payment and not a minimum tenant rent.

The SDHC recognizes that in some instances even the minimum rent may create a financial hardship for families. The SDHC will review all relevant circumstances brought to the SDHC's attention regarding financial hardship as it applies to minimum rent. The following section states the SDHC's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998 (QHWRA).

Exception for Hardship Circumstance

1. The family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996;
2. The family would be evicted as a result of the imposition of the minimum rent requirement;
3. The income of the family has decreased because of changed circumstance, including loss of employment;

4. Death in the family has occurred; and
5. Other situations as may be determined by the SDHC.

The SDHC notification will advise the family that hardship exception determinations are subject to SDHC grievance procedures.

The SDHC will review all tenant requests for exception from the minimum rent due to financial hardships.

Request for Hardship Exemption

1. The SDHC must suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption, and continuing until the SDHC determines whether there is a qualifying financial hardship and whether it is temporary or long term.
2. The SDHC must promptly determine whether a qualifying hardship exists and whether it is temporary or long term.
 - a. Temporary is less 3 months.
 - b. Long-term is more than 3 months
3. SDHC may not evict the family for nonpayment of the minimum rent during the 90-day period beginning the month following the family's request for a hardship exemption.
4. If a qualifying financial hardship is determined temporary, the SDHC must reinstate the minimum rent from the beginning of the suspension of the minimum rent. The family must be offered a reasonable repayment agreement, on terms and conditions established by the SDHC, for the amount of back minimum rent owed.
5. If a qualifying financial hardship is determined long term, the SDHC must exempt the family from the minimum rent requirements so long as such hardship continues. The financial hardship exemption applies to payment of the minimum rent and not to the other elements used to calculate the total tenant payment. A review of the financial hardship will be conducted every 90 days to determine continued exemption.

B. INCOME AND ALLOWANCES

Income: HUD defines the types of money, which are to be used as income for purposes of calculating the TTP in federal regulations. In accordance with this definition, income from all sources of each member of the household is documented. (See Income Inclusions and Income

Exclusions in the Glossary of Terms.)

Annual Income is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or recertification. Gross income is the amount of income prior to any HUD allowable expenses or deductions, and does not include income, which has been excluded by HUD. Annual income is used to determine whether or not applicants are within the applicable income limits. (24 CFR 5.607)

Adjusted Income is defined as the Annual income minus any HUD allowable deductions.

Optional Income Exclusions The SDHC does not adopt any additional exclusions or adjustments to annual income of tenants.

Sporadic Income occurs at irregular intervals; having no pattern or order in time.

How many times received during the year to be annual vs. sporadic?

C. EMPLOYMENT INCOME

Gross amount, prior to payroll deductions.

- Includes overtime, commissions, fees, tips and bonuses

D. SEASONAL EMPLOYMENT INCOME

When Annual Income cannot be anticipated for a full twelve months, the SDHC will:

Method 1

Annualize current income, and *conduct an interim reexamination* when the income changes.

Method 2

Calculate the actual anticipated income from all known sources for the entire year. This means there will be *no interim reexamination when the income changes* as already anticipated. However, to use method 2, a history of the individual's income from past years is needed. This method cannot be used when the future income source is "unknown" or "none".

EXAMPLE:
Maggie Price is currently employed as a tile setter with Heinz construction, earning \$1,200 per month. For the last 3 years, she has worked this job for 8 months per year during the construction season. During the other 4 months of each year, she works part-time at Canon Printers, earning \$500 per month.
Under Method 1 , multiply current incomes times 12 months. $\$1,200 \text{ a month} \times 12 \text{ months} = \$14,400 \text{ per year}$ When the construction season ends, <i>conduct an interim reexamination</i> , multiplying the new current income times 12 months. $\$500 \text{ a month} \times 12 \text{ months} = \$6,000 \text{ per year.}$

Under Method 2 , anticipating income from all known sources for the entire year.		
Heinz Construction	\$1,200 x 8 months =	\$9,600
Canon Printers	\$500 x 4 months =	\$2,000
Total		\$11,600
Since the change in income was anticipated, there would be <i>no interim reexamination conducted</i> when the participant changes jobs from Heinz Construction to Canon Printers.		

E. MINIMUM INCOME

There is no minimum income requirement. Families who report zero income are required to complete a written certification every 3 months.

Families that report zero income will be required to provide information regarding their means of basic subsistence, such as food, utilities, transportation, etc.

The SDHC may request credit checks for all adult members of families that report zero income.

Where credit reports show credit accounts open and payments current, the SDHC will take action to investigate the possibility of fraud or program abuse.

E. INCOME OF PERSON PERMANENTLY CONFINED TO NURSING HOME

If a family member is permanently confined to a hospital or nursing home and there is a family member left in the household, the SDHC will calculate the Total Tenant Payment by:

Including the income of the person permanently confined to the nursing home and giving the family the medical deductions allowable on behalf of the person in the nursing home. This will be the remaining balance available to the family member left in the household for their expenses.

G. CHILD CARE EXPENSES

The SDHC shall determine whether child care costs are “reasonable.”

Actual reasonable un-reimbursable childcare expenses for children under 13 may be deducted from annual income if they enable an adult to actively seek employment, be gainfully employed, or, further his/her education full time, or if head/spouse is attending on-line classes at home or even for homework, This may include family enrolling child in camp instead of childcare (such as during the summer so parent can work)

Child care expenses deducted to permit employment may not exceed the amount of employment income included in annual income.

Child care expenses of Foster Children, may be included, only if they are not reimbursed.

When a family member works and goes to school, the child care expense must be prorated so that

the portion of the total child care expense that is specifically related to the hours the family member works cannot exceed the amount earned.

H. MEDICAL EXPENSES [24 CFR 5.603]

Nonprescription medicines and treatment must be doctor-recommended in order to be considered a medical expense; and

Nonprescription medicines will be counted toward medical expenses for families who qualify if the family furnishes legible receipts with identification of the type of purchase.

An assistance animal is one that works, provides assistance or performs tasks for the benefit of a person with a disability. The need for an assistance animal has to be directly related to a disability, and the services performed by the animal must alleviate one or more identified symptom of that person's disability.

Veterinary bills as well as other expenses related to the upkeep of the assistance animal or companion animal are allowed medical expense for a qualified assistance animal.

I. PRORATION OF ASSISTANCE FOR "MIXED" FAMILIES [24 CFR 5.520]

Applicability

Prorating of assistance must be offered to any "mixed" applicant or participant family. A "mixed" family is one that includes at least one U.S. citizen or eligible immigrant and any number of ineligible members.

J. REDUCTION IN BENEFITS

See Chapter 11: D. Income Changes Resulting from Welfare Program Requirements

K. UTILITY ALLOWANCE AND UTILITY REIMBURSEMENT PAYMENTS

If the cost of utilities (excluding telephone) is not included in the Tenant Rent, a utility allowance will be deducted from the total tenant payment. The Utility allowance is intended to help defray the cost of utilities not included in the rent. The allowances are based on the monthly cost, for reasonable consumption, of utilities in an energy conservative household, *not* on a family's actual consumption.

L. INDIVIDUAL RELIEF FROM PAYMENT OF UTILITIES IN EXCESS OF ALLOWANCES

Relief from payment of utility supplier billings in excess of the allowances for resident-purchased utilities, may be granted by the SDHC on reasonable grounds, such as special needs of elderly, ill or disabled residents, or special factors affecting utility usage not within the control of the resident, as the SDHC shall deem appropriate.

The medical baseline allowance provides additional regulated utility charges at the baseline rate, which is the lowest rate for residential customers. It is not a discount or rebate.

Criteria for Granting Relief

To qualify, the resident or a member of the household must meet one of the following requirements:

- Resident must meet requirements as specified by the utility provider.
- Resident is responsible for notifying the SDHC if the medical equipment is no longer needed, or if the household member using it no longer resides in the household.
- The medical baseline allowance is transferable should the qualifying member of the household move to another public housing unit.

Procedure for Requesting Relief

1. Resident must contact his/her Housing Assistant and request relief from excess consumption of utilities. The additional medical baseline allowance for consumption will be incorporated with the unit's standard consumption allowance.
2. Application must be made and approved by the utility supplier to receive the medical baseline allowance.
3. A doctor's verification of the medical condition, or need for the equipment, or both, must be provided to the SDHC.
4. Verification from the utility supplier of approval of the medical baseline allowance, must be provided to the SDHC.

M. FAMILY CHOICE OF RENTAL PAYMENT

Residents may choose annually their rental payment based on either a flat rent or the income based calculated rent method. 60-day notice may be given to residents when the flat rent increases, according to Stateprovisions .

Except for financial hardship cases, the family may not be offered this choice more than once a year.

Regardless of whether the family chooses to pay a flat rent or income-based rent, the family must pay at least the minimum rent.

A family paying flat rent may at any time request a switch to income-based rent (before the next annual option to select the type of rent).

If the family has elected to pay the flat rent, the SDHC must immediately allow the family to pay the income-based calculated rent if the family is unable to pay the flat rent because of hardship.

Hardship Includes:

- Income of the family has decreased because of changed circumstances, loss of or reduction of employment, death in the family, and reduction in or loss of income or other assistance.
- An increase, because of changed circumstances, in the family's expenses for medical costs, childcare, transportation, education, or similar items.
- Other situations as determined by the SDHC.

The SDHC will review the income of families that are paying flat rents not less than once every three years.

Information for Families

The SDHC must provide sufficient information for an informed choice and must include at least the following written information:

1. SDHC policies on switching type of rent in circumstances of financial hardship, and
2. The dollar amounts of tenant rent under each option.
3. Inform the family they have 14 days to return signed document stating their choice of paying flat rent or the income based calculated rent.

If the family chose a flat rent for the previous year, the SDHC is required to provide the amount of income-based rent for the subsequent year only, the year the SDHC conducts an income reexamination, or if the family specifically requests it and submits updated income information.

N. METHODOLOGY USED TO DETERMINE FLAT RENTS

To establish flat rents, SDHC used the San Diego County Apartment Associations' (SDCAA's) most recent market rental survey, and for those areas where the SDCAA does not survey, the Section 8 database of market rate rental comparables was used. Flat rent is based on the market

rent charged for comparable units in the private unassisted rental market.

The SDHC does not pay any utility reimbursement when flat rent is selected.

Flat Rent Table

A table of flat rents by public housing site and bedroom size has been established.

Annually, SDHC will review the current rent structure of all public housing by bedroom size compared to available market rate rentals and adjust flat rents if there is a variance of 10% or more.

The Flat Rent Table is available for review at the Housing Commission's Area Offices:

- Belden Office
7777 Belden Street
San Diego, CA 92111

- Calle Primera Office
178 Calle Primera #A
San Ysidro, CA 92173

Chapter 7

VERIFICATION PROCEDURES

[24 CFR 5.617, 24 CFR 960.206]

INTRODUCTION

The SDHC's verification procedures are designed to meet HUD's requirements and to maintain program integrity. This Chapter explains the SDHC's procedures and standards for verification of preferences, income, assets, allowable deductions, family status, and when there are changes in family members. The SDHC will ensure that proper authorization for release of information is always obtained from the family before making verification inquiries.

A. METHODS OF VERIFICATION AND TIME ALLOWED

The SDHC will verify information through the five methods of verification acceptable to HUD in the following order from the most reliable to the least reliable:

1. Upfront income verification (UIV)
2. Third-party written verification
3. Third-party oral verification
4. Review of documents
5. Certification/self-declaration

Documents used for verification purposes should be as current as possible (e.g., dated within 60 days of the family interview).

Upfront Income Verification

SDHC will utilize up-front income verification (UIV) whenever possible. UIV is income information that is available through an independent source that systematically and uniformly maintains income information in computerized form for a large number of individuals, such as HUD's Tenant Assessment Subsystem (TASS) and the Work Number.

Upfront verification replaces, to a large extent, the more consuming and less accurate third-party verification process of contacting individual employers identified by the family, or reviewing outdated income verification documents. However, third-party verification may continue to be necessary to complement upfront income verification, for example, when the tenant disputes the data.

When HUD announces the availability of the UIV system for SDHC, SDHC will utilize additional UIV tools, including a centralized computer matching system. SDHC will pursue other computer matching agreements with federal, state, and local government agencies.

Use of Third-Party Verification to Supplement Upfront Income Verification

Although upfront income verification replaces the third-party verification process, third-party may continue to be necessary to complement upfront income verification. Upfront income verification should not be considered an automatic substitute for other third-party verification. Rather, upfront income verification may supplement other verification documentation, such as original, current tenant-provided documents.

Third-Party Written Verification

Third-party verification is used to verify information directly with the source. Third-party written verification forms will be sent and returned via first-class mail. The family will be required to sign an authorization allowing the information source to release the specified information. Two sources of third-party verifications will be attempted through upfront income verification via California's Employment Development Department (EDD) and third-party directly to the source prior to relying on another source.

Verifications received electronically directly from the source are considered third-party written verifications.

Third-party verifications forms, including computerized printouts, will not be hand-carried by the family under any circumstances. SDHC will send requests for third-party written verification to the source at all times regardless of whether the family provides a computerized printout.

The SDHC will allow two weeks for return of third-party verifications. If third-party is not used, SDHC will document the reasons in the file.

For applicants and families who are moving, verifications may not be more than 90 days old from the lease-up date. For participants, they are valid if dated or effective 90 days in advance of the annual recertification or interim certification. Verifications may be extended for an additional 30 days with a telephone update.

Third-Party Oral Verification

Oral third-party verification will be used when written third-party verification is delayed or impossible. When third-party oral verification is used, staff will be required to complete a Certification of Document Viewed or Person Contacted form, noting with whom they spoke, the date of the conversation, and the facts provided. If oral third-party verification is provided by telephone, SDHC must originate the call. If third-party verification is not available, SDHC will compare the specified information to any documents provided by the family.

Review of Documents

In the event that third-party written or oral verification is unavailable or information has not been verified by a third party within two weeks, SDHC will annotate the file accordingly and utilize documents provided by the family as the primary source if the documents contain complete information. For applicants and families who are moving, documents may not be more than 60

days old from the lease-up date. For participants, they are valid if dated or effective 180 days in advance of the annual recertification or interim certification.

Exception for Averaging

For the purpose of averaging annual income or income from assets, only one of the documents used for averaging is required to be within 60 days at the time of lease-up and 180 days from the effective date of the annual reexamination or interim certification effective date.

All such documents, excluding government checks, will be photocopied and retained in the family file. When documents cannot be photocopied, staff viewing the documents will complete a Certification of Document Viewed or Person Contacted form.

SDHC will accept the following documents from families providing that tampering can be easily noted:

- Printed wage stubs
- Computer printouts from employers
- Signed letters (provided that the information is confirmed by phone)
- IRS Tax Returns
- Other documents identified by SDHC as acceptable verification.

If the third party verification is received after documents have been accepted as provisional verification and there is a gross per month discrepancy of \$200 or higher, SDHC will follow the guidelines below:

- If the third party income data is less than current tenant-provided documentation, SDHC will use tenant-provided documents to calculate anticipated annual income.
- If third party income data is more than current tenant-provided documentation, SDHC will use third income data to calculate anticipated annual income unless the tenant provides SDHC with documentation of a change in circumstances (i.e. change in employment, reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, SDHC will use tenant-provided documents to calculate anticipated annual income.

SDHC will allow up to ten days for families to provide documents when third-party verification is impossible to obtain.

SDHC will not delay the processing of an application beyond two weeks because third-party verification is impossible to obtain.

Self-Certification/Self-Declaration

When information cannot be verified by a third party or by review of documents, families will be required to submit a self-certification.

Self-certification means a statement signed under penalty of perjury in the presence of a witness.

SDHC will allow up to ten days for a family to provide a self-certification or self-declaration if other forms of verification are impossible to obtain.

B. RELEASE OF INFORMATION

Adult family members will be required to sign the HUD-9886 Release of Information/Privacy Act form.

Adult family members will be required to sign an authorization form which allows verification of any information that is not covered by the HUD Form 9886, Authorization for Release of Information/Privacy Act Notice.

Each family member requested to consent to the release of specific information may be provided with a copy of the appropriate forms for their review and signature, if requested.

It is a family obligation to supply any information and sign consent forms requested by the SDHC or HUD. Family refusal to cooperate will result in denial of admission or termination of assistance.

C. ITEMS TO BE VERIFIED

The following items will be verified annually:

All income not specifically excluded by the regulations.

Full-time student status including High School students who are 18 or over.

Current assets including assets disposed of for less than fair market value in the preceding two years.

Child care expense when it allows an adult family member to be employed, to further his/her education, or seek employment.

A total medical expense of all family members in households whose head, spouse, or co-head is elderly or disabled.

Disability assistance expenses which allow an adult family member to be employed include only those costs associated with attendant care or auxiliary apparatus for a disabled member of the family.

Familial or marital status when needed for head or spouse definition.

The following items will be verified annually, every five years or one time only, based on the

medical professional's certification of how long the condition will continue:

- Disability for determination of preferences, allowances or deductions.
- The need for a live-in aide.

In addition to the above, the following items will be verified at Eligibility and when adding household members, including live-in aides:

- Preference status (at Eligibility only).
- Picture Identification for all adults (age 18 or older) including live-in aides.
- U.S. citizenship/eligible immigrant status.
- Social Security Numbers for all family members over six years of age or older who have been issued a social security number.
- History of criminal activity, illegal drug activity and alcohol abuse.

D. VERIFYING NON-FINANCIAL FACTORS

Verification of Citizenship/Eligible Immigrant Status

To be eligible for assistance, individuals must be U.S. citizens or eligible immigrants. Individuals who are neither may elect not to contend their status. Eligible immigrants must fall into one of the categories specified by the regulations and must have their status verified by Immigration and Naturalization Service (INS). Each family member must declare his or her status once. Assistance cannot be delayed, denied, or terminated while verification of status is pending except that assistance to applicants may be delayed while the SDHC hearing is pending.

- (a) **Citizens or Nationals of the United States** are required to sign a declaration under penalty of perjury. The SDHC may require citizens to provide documentation of U.S. citizenship. Acceptable documentation may include:
 - U.S. birth certificate
 - U.S. passport
 - Social Security card
 - Other documentation as determined by the SDHC
- (b) **Eligible Immigrants who were tenants and 62 or over on June 19, 1995**, are required to sign a declaration of eligible immigration status form and provide proof of age.
- (c) **Non-citizen with eligible immigration status** must sign a declaration of status and verification consent form and provide their original immigration

documents which are copied front and back and returned to the family. The SDHC verifies the status through the INS SAVE system. If this primary verification fails to verify status, the SDHC must request within ten days that the INS conduct a manual search.

- (d) Ineligible family members who do not claim to be citizens or eligible immigrants must be listed on a statement of non-contending family members signed by the head of household, spouse or co-head.
- (e) **Non-citizen students on student visas** are ineligible members even though they are in the country lawfully. They must provide their student visa but their status will not be verified and they do not sign a declaration but are listed on the statement of non-contending members.

Failure to Provide. If an applicant or resident family member fails to sign required declarations and consent forms or provide documents, as required, they must be listed as an ineligible member. If the entire family fails to provide and sign as required, the family may be denied or terminated for failure to provide required information.

Time of Verification. For applicants, verification of U.S. citizenship/eligible immigrant status occurs at the same time as verification of other factors of eligibility for final eligibility determination. For family members added after other members have been verified, the verification occurs at the first recertification after the new member moves in. Once verification has been completed for any covered program, it need not be repeated.

Extensions of Time to Provide Documents. The SDHC will grant an extension of 30 days for families to submit evidence of eligible immigrant status.

Acceptable Documents of Eligible Immigration. The regulations stipulate that only the following documents are acceptable unless changes are published in the Federal Register.

- Resident Alien Card (I-551)
- Alien Registration Receipt Card (I-151)
- Arrival-Departure Record (I-94)
- Temporary Resident Card (I-688)
- Employment Authorization Card (I-688B)
- Receipt issued by the INS for issuance of replacement of any of the above documents that shows individual's entitlement has been verified

A birth certificate is not acceptable verification of status. All documents in connection with U.S. citizenship/eligible immigrant status must be kept 5 years.

Verification of Social Security Numbers

Social security numbers must be provided as a condition of eligibility for all family members' ages six and over if they have been issued a number. Verification of Social Security numbers will

be done through a Social Security Card issued by the Social Security Administration.

If a family member cannot produce a Social Security Card, only the documents listed below showing his/her Social Security Number may be used for verification. The family is also required to certify in writing that the document(s) submitted in lieu of the Social Security Card information provided is/are complete and accurate:

- A valid driver's license
- Identification card issued by a Federal, State or local agency
- Identification card issued by Medicare and Medicaid
- An identification card issued by an employer or trade union
- Earnings statements or payroll stubs
- Bank Statements
- IRS Form 1099
- Benefit award letters from government agencies
- Retirement benefit letter
- Life insurance policies
- Court records (real estate, tax notices, marriage, divorce, judgment or bankruptcy records)
- Verification of benefits or SSN from Social Security Administration

New family members ages six and older will be required to produce their Social Security Card or provide the substitute documentation described above together with their certification that the substitute information provided is complete and accurate. This information is to be provided at the time the change in family composition is reported to the SDHC.

If an applicant or resident is able to disclose the Social Security Number but cannot meet the documentation requirements, the applicant or resident must sign a certification to that effect provided by the SDHC. The applicant/resident or family member will have an additional 60 days to provide proof of the Social Security Number. If they fail to provide this documentation, the family's tenancy will be terminated.

In the case of an individual at least 62 years of age, the SDHC may grant an extension for an additional 60 days to a total of 120 days. If, at the end of this time, the elderly individual has not provided documentation, the family's tenancy will be terminated.

If the family member states they have not been issued a number, the family member will be required to sign a certification to this effect.

E. VERIFICATION OF SUITABILITY FOR ADMISSION

Sources to be used to determine suitability include but are not limited to:

- Criminal History Reports
- Prior landlord references
- Physicians, social workers, and other health professionals
- SDHC and Other PHAs (to whom the family may owe debt)

(See Chapter 2. Eligibility)

Ability to meet financial obligations under the lease

All applicants will be subject to the following procedures to ensure their ability to meet financial obligations under the lease:

All applicants will be interviewed and asked questions about the basic elements of tenancy.

The SDHC will access a Credit Report on all applicants prior to selection.

The SDHC will determine if applicants owe any monies from previous tenancy or participation in any HUD housing program.

The SDHC will independently verify the rent-paying history of all applicants for the previous and current landlord(s).

Housekeeping

The SDHC will obtain references from current and prior landlords to determine acceptable housekeeping standards.

The SDHC will conduct a home visit prior to admission if any negative information is obtained.

Local Preferences

All preferences must be verified.

Live in or Work in the City of San Diego

Copy of Lease Agreement and three most recent rent receipts, canceled checks or money order receipts.

A California driver's license or California ID in conjunction with copies of recent bills sent to the address.

Copy of paycheck stubs that indicate the location of the place of employment or third party verification that indicates the place of employment.

Homeless

An applicant is considered homeless if the applicant lacks a fixed, regular and adequate night-time residence and can provide verification that their nighttime residence is:

- a) A supervised publicly or privately operated shelter designed to provide temporary living accommodations; or
- b) An institution that provides temporary residence for individuals intended to be institutionalized (not incarcerated); or
- c) A public or private place not designed for, or ordinarily used as, a regular place for human beings.

Homeless applicants who meet the criteria described above must provide certification of homeless status from a public or private facility that provides shelter for such households, or from the local police department, or any social service agency that provides services for homeless people.

Applicants who are homeless due to residing in a transitional housing program must provide a letter from the transitional program's sponsoring agency documenting the applicant's participation and readiness to maintain an independent tenancy.

Veteran

DD214 discharge document.

Letter from Veteran's Administration verifying the branch of service, date and place of discharge and type of discharge.

Family of a Veteran

One of the above forms of verification must be provided for the veteran and familial status verified as follows:

Marriage certificate or license.

If veteran is deceased and the spouse has not remarried, a copy of the marriage certificate/license and a copy of the veteran's death certificate.

Active Military

Current military paycheck stub or current military ID.

E. Drug or Violent Criminal History, Registered Sex Offender and Alcohol Abuse

The SDHC will perform a criminal history check on every adult (18 years or older) household member and live in aide, utilizing the California Law Enforcement

Telecommunications System (CLETS), through the San Diego Police Department and any other applicable comprehensive method of verification.

G. CONFIDENTIALITY OF CRIMINAL/MEDICAL RECORDS

The SDHC will ensure that any criminal/medical record received is maintained confidentially, not misused or improperly disseminated, and destroyed not more than 30 days after the SDHC's final decision, including background checks that show no criminal history. A decision on the individual's eligibility is not final until the period of time for all possible appeals have elapsed. SDHC will document that it has received verification (including when and by whom) of a disability and/or a criminal history check.

H. DEFINITION OF INCOME

[24 CFR 5.609]

Income is defined as all monetary amounts received on behalf of the family. For purposes of calculating the Total Tenant Payment, HUD defines what is to be calculated and what is to be excluded in the federal regulations. In accordance with this definition, all income that is not specifically excluded in the regulations is counted.

Annual Income is defined as the gross amount of income anticipated to be received by the family during the 12 months after certification or annual reexamination. Gross income is the amount of income before any HUD allowable expenses or deductions, and does not include income that has been excluded by HUD. Annual income is used to determine whether applicants are within the applicable income limits.

Income of Person Confined to a Nursing Home

If a family member is permanently confined to a hospital or nursing home and there is a remaining household member(s), the SDHC will remove the member and exclude the income of the person permanently confined to the nursing home and not allow deductions for medical expenses of the confined family member.

Regular Contributions and Gifts

A regular gift or contribution is counted when there is an agreement between the parties, oral or written, that the gift or contribution will be received on a regular basis.

Alimony and Child Support

Regular alimony and child support payments are counted as income for calculation of Total Tenant Payment.

If the amount of child support or alimony received is less than the amount awarded by the court, the SDHC will use the amount awarded by the court unless the family can verify they are not receiving the full amount and verification of item(s) below are provided.

The SDHC will accept as verification that the family is receiving an amount less than the award if:

The SDHC receives verification from the agency responsible for enforcement or collection; or

The family furnishes documentation of child support or alimony collection action filed through a child support enforcement/collection agency, or has filed an enforcement or collection action through an attorney.

It is the family's responsibility to supply a certified copy of the divorce decree.

Employer Mileage Reimbursement

Employment reimbursement for mileage expenses for use of personal vehicle will not be counted as income.

Employer Paid Medical Benefits

Medical benefits paid by the employer will not be counted as income.

I. VERIFICATION OF INCOME

[24 CFR 982.516]

This following defines the methods SDHC will use to verify various types of income.

HUD Guidelines for Projecting Annual Income When UIV Data is Available

The following “safe harbor” guidelines disseminated by HUD at the January 2004 RHIP Summit are provided to assist PHAs in consistently and uniformly resolving income discrepancies.

UIV Income Data is not Substantially Different than Tenant-Provided Income Information

UIV may alleviate the need for third party verifications when there is not a substantial difference (less than \$200 gross per month) between UIV and tenant-reported income.

In cases where UIV income data is **not** substantially different than tenant-reported income, SDHC will follow the guidelines below:

- If UIV income data is less than **current** tenant-provided documentation, SDHC will use tenant-provided documents to calculate anticipated annual income.
- If UIV income data is more than **current** tenant-provided documentation, SDHC will use UIV income data to calculate anticipated annual income **unless** the tenant provides the SDHC with documentation of a change in circumstances (i.e. change in employment,

reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, SDHC will use tenant-provided documents to calculate anticipated annual income.

UIV Income Data is Substantially Different than Tenant-Provided Income Verification

In cases where UIV income data is substantially different (\$200 or more per month gross income) than tenant-reported income, SDHC shall follow the guidelines below:

- SDHC will request written third party verification from the discrepant income source, in accordance with 24 CFR 5.236(3)(i).
- SDHC will review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when SDHC can not readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- SDHC must analyze all data (UIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy
- SDHC will use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

Employment Income

Verification forms may request the employer specify the:

Dates of employment
Amount and frequency of earnings
Date of last pay increase
Earning history
Year to date earnings
Expected Change in employment status
Effective date of any anticipated wage increase during the next twelve months
Anticipated unpaid time off.

Acceptable methods of verification include, in this order:

1. Upfront income verification when there is not a substantial difference (less than \$200 gross per month) between UIV and tenant-reported income.
2. Employment verification form completed by the employer.
3. Oral third-party verification.
4. Check stubs or earning statements, which indicate the employee's gross pay, frequency of pay or year to date earnings.

5. W-2 forms plus income tax return forms.

Self-certifications or income tax returns signed by the family may be used for verifying self-employment income, or income from tips and other gratuities. For some self-employment types, where there is the potential for substantial income, self-certification is unacceptable.

In cases where there are questions about the information provided by the family, the SDHC may require federal income tax statements and returns.

Social Security, Pensions, Supplemental Security Income, Disability Income

Acceptable methods of verification include:

1. Upfront verification and TASS for Social Security and Supplemental Security Income in conjunction with oral third-party or award letter or print-out.
2. Benefit verification form completed by the agency providing the benefits.
3. Third-party oral verification.
4. Computer report electronically obtained or in hard copy or annual award, benefit notification or cost of living adjustment letters.
5. Bank statement with maximum SSI benefit amount or the combination of SSI and SSA. (*Note: SSA only must be verified through another method to determine Medicare amount.*)

Unemployment Compensation

Acceptable methods of verification include, in this order:

1. Upfront verification through EDD.
2. Verification form completed by the unemployment compensation agency or unemployment report that is e-mailed, faxed, or mailed directly from EDD.
3. Third-party oral verification.
4. Agency award letter.
5. Payment stubs.

Welfare Payments or General Assistance

Acceptable methods of verification include, in this order:

1. Upfront income verification.
2. SDHC verification form completed by payment provider or computer printout accessed on-line by the SDHC.
3. Third-party oral verification.
4. Written statement from payment provider or computer-generated Notice of Action.

Alimony or Child Support Payments

Acceptable methods of verification include, in this order:

1. Upfront income verification.
2. Verification from completed by the Department of Revenue and Recovery.
3. Third-party oral verification.
4. Copy of a separation or settlement agreement or a divorce decree stating amounts and types of support and payment schedules.
5. A notarized letter from the person paying the support.
6. Copy of latest check and/or payment stubs from Court Trustee.
7. Family's self-certification of amount received and of the likelihood of support payments being received in the future, or that support payments are not being received.

If payments are irregular, the family must provide:

A statement from the agency responsible for enforcing payments stating the family has filed for enforcement; and

An affidavit from the family indicating the amount(s) received; or

A welfare notice of action showing amounts received by the welfare agency for child support.

Net Income from a Business

In order to verify the net income from a business, the SDHC will view IRS and financial

documents from prior years and use this information to anticipate the income for the next 12 months.

Acceptable methods of verification include:

1. IRS Form 1040, including:

- Schedule C (Small Business)
- Schedule E (Rental Property Income)
- Schedule F (Farm Income)

If accelerated depreciation was used on the tax return or financial statement, an accountant's calculation of depreciation expense computed using straight-line depreciation rules.

2. Audited or un-audited financial statement(s) of the business.
3. Credit report or loan application.
4. Documents such as manifests, daily logs, appointment books, cashbooks, bank statements, and receipts will be used as a guide for the prior six months (or lesser period if not in business for six months) to project income for the next 12 months. The family will be advised to maintain these documents in the future if they are not available.
4. Family's self-certification as to net income realized from the business during previous years.
5. In cases of large gross income yet minimal net income to applicant or participant, additional documentation may be required, for example documentation of wages and payroll taxes, receipts for expenses, etc.

Income from self-employment can be positive or zero. Self-employment losses cannot reduce other income to the household.

Child Care Business

If an applicant/participant is operating a licensed day care business, income will be verified just as any other business.

If the applicant/participant is operating a "cash and carry" operation (which may or may not be licensed), the SDHC will require that the applicant/participant complete a form for each customer which indicates: name of person(s) whose child (children) is/are being cared for, phone number, number of hours child is being cared for, method of payment (check/cash), amount paid, and signature of person.

If the family has filed a tax return, the family will be required to provide it.

Operation of a small family day care home requires verification of the following:

- Maintaining in force either liability insurance covering injury to clients and guests in the amount of at least (\$100,000) per occurrence and (\$300,000) in the total annual aggregate; or
- A bond in the aggregate amount of (\$300,000); or
- In lieu of the liability insurance or the bond, the small family day care home may maintain a file of affidavits signed by each parent with a child enrolled in the home; and
- The small family day care home shall contain a fire extinguisher and smoke detector device.

Recurring Gifts

The applicant/participant family must furnish a self-certification, which contains the following information:

- The person who provides the gifts; and
- The value of the gifts; and
- The regularity (dates) of the gifts; and
- The purpose of the gifts.

Zero Income Status

Families claiming to have no income will be required to execute verification forms to determine that forms of income such as unemployment benefits, Cal works, SSI, etc. are not being received by the household.

The SDHC will request information from the State Employment Development Department.

The SDHC will run a credit report if information is received that indicates the family has an unreported income source.

The family may be required to complete Monthly Budget forms and a certification statement.

Full-time Student Status

Only the first \$480 of the earned income of full-time students, other than head, spouse, or co-head, will be counted towards family income.

Financial aid, scholarships and grants received by full time students are not counted towards family

Verification of full time student status includes:

1. Written verification from the registrar's office or other school official.

2. School records indicating enrollment for sufficient number of credits to be considered a full-time student by the educational institution.

I. VERIFICATION OF ASSETS

Family Assets

SDHC will require the information necessary to determine the current cash value of the family's assets, if the total value of those assets exceeds \$1,000. "Cash value" is the net amount the family would receive if the assets were converted to cash. Assets totaling \$1,000 or less will not be verified because of the negligible impact.

SDHC will utilize the current balance for savings accounts and will determine the average six-month balance for checking accounts. SDHC will require the information necessary to determine the current cash value of a family's assets (the net amount the family would receive if the asset were converted to cash).

Acceptable verification may include any of the following:

- Verification forms, letters, or documents provided directly by a financial institution or broker
- Passbooks, checking account statements (3 – 6 bank statements), certificates of deposit, bonds, or financial statements supplied by a family if completed by a financial institution or broker
- Estimates by a stockbroker or real estate agent of the net amount a family would receive if it liquidated securities or real estate.
- Real estate tax statements if the approximate current market value can be deduced from them
- Financial statements for business assets
- Copies of closing documents showing selling price and distribution of sales proceeds
- Appraisals of personal property held as an investment
- A family's self-certification describing assets or cash held at the family's home or in safe-deposit boxes.

Assets Disposed of for Less Than Fair Market Value (FMV) During Two Years Preceding Effective Date of Certification or Recertification

At admissions and reexaminations, SDHC will obtain each family's certification that it has or has not disposed of assets for less than fair market value during the two years preceding the effective date of the certification or recertification.

If the family certifies that it has disposed of assets for less than fair market value, the certification must show: (a) all assets disposed of for less than fair market value, (b) the date they were disposed of, (c) the amount the family received for each asset, and (d) the market value of each

asset at the time of disposition. Third-party verification will be obtained whenever possible in conjunction with review of documents. Specific assets totaling \$1,000 or less will not be verified because of the negligible impact.

Income from Assets

Savings or Checking Account Interest and Dividend Income

Acceptable methods of verification include, in this order:

1. SDHC verification forms filled out or other statements supplied by the financial institution or, if these are not available, account statements (3 -6 statements for checking accounts), passbooks, or certificate of deposit statements supplied by the family
2. Broker statements showing the value of stocks or bonds and the earnings credited to the family (Earnings can also be obtained from current newspaper quotations or orally from brokers.)
3. IRS Form 1099 from a financial institution provided that the SDHC adjusts the information to project earnings expected for the next 12 months.

Interest Income from Mortgages and Similar Arrangements

Acceptable methods of verification include, in this order:

1. A letter received directly from an accountant, attorney, real estate broker, the buyer, or a financial institution stating the interest due for the next 12 months (A copy of the check paid by the buyer to the family is not sufficient unless a breakdown of interest and principal is shown.)
2. An amortization schedule showing interest for the 12 months following the effective date of certification or recertification.

Net Rental Income from Property Owned by Family

Acceptable methods of verification include, in this order:

1. IRS Form 1040 with Schedule E (Rental Income)
2. Copies of latest rent receipts, leases, or other documentation of rent amounts
3. Documentation of allowable operating expenses of the property: tax statements, insurance invoices, bills for reasonable maintenance and utilities, and bank statements or amortization schedules showing monthly interest expense
4. Lessee's written statement verifying rent payments to the family and the family's self-certification of net income realized.

K. ALLOWANCES AND DEDUCTIONS

Adjusted Income is defined as the Annual income minus any HUD allowable expenses and deductions.

HUD has five allowable deductions from Annual Income:

1. Dependent Allowance: \$480 each for family members (other than the head, spouse, co-head, foster child, foster adult or live-in aide) who are minors, and for family members who are 18 or older and who are full-time students or who are disabled.
2. Elderly/Disabled Allowance: \$400 per family for families whose head, spouse or co-head is 62 years of age or older or disabled.
3. Allowable Medical Expenses: Deducted for all family members of an eligible elderly/disabled family.
4. Child Care Expenses: Deducted for the care of children under 13 when childcare is necessary to allow an adult member to work, attend school or actively seek employment.
5. Allowable Disability Assistance Expenses: Deducted for attendant care or auxiliary apparatus for a persons with a disability if needed to enable the individual or an adult family member to work.

L. CHILD CARE EXPENSES

[24 CFR 5.603]

Child care expenses for children under 13 may be deducted from annual income if they enable an adult to work, attend school full time, or actively seek employment.

In the case of a child attending private school, only after-hours care can be counted as child care expenses.

Deductions for child care expenses are based on the following guidelines:

Child care to work: The maximum child care expense allowed must be less than the amount earned by the person enabled to work. The "person enabled to work" will be the adult member of the household who earns the least amount of income from working.

Child care for school: The number of hours claimed for child care may not exceed the number of hours the family member is attending school, including reasonable travel time to and from school.

Child care for seeking employment: The number of hours claimed for child care may not exceed 20 hours per week.

Verification of Child Care Expenses

Written verification from the person who receives the payments is required.

Verifications must specify the child care provider's name, address, telephone number, the names of the children cared for, the number of hours the child care occurs, the rate of pay, and the typical yearly amount paid, including school and vacation periods.

Family's certification as to whether any of those payments have been or will be paid or reimbursed by outside sources.

M. MEDICAL EXPENSES

[24 CFR 5.609(a)(2), 5.603]

Anticipated medical expenses will be calculated by using one of the two following methods, (whichever is more beneficial to the family);

Current Circumstances: Use the family's current medical bills, accumulated over the last twelve months, as anticipated medical expenses.

Estimated Circumstances: Estimate the cost of medical bills based on current or anticipated medical bills that will be on-going expenses.

Allowable medical expenses include:

- Services of doctors and health care professionals
- Services of health care facilities
- Medical insurance premiums
- Prescription medicines
- Nonprescription medicines will be counted toward medical expenses for families who qualify if the family furnishes legible receipts when prescribed by a physician.
- Transportation to treatment (cab fare, bus fare, mileage)
- Dental expenses, eyeglasses, hearing aids, batteries
- Live-in or periodic medical assistance
- Acupressure, acupuncture, and chiropractic services will be considered allowable medical expenses.
- Non-traditional treatments, vitamins and herbal supplements will be considered medical expenses if prescribed by a doctor.

When it is unclear in the HUD rules as to whether or not to allow an item as a medical expense, IRS Publication 502 will be used as a guide.

Receipts or other record of medical expenses paid by the family during the previous year (appointment date to appointment date, or in the case of mail-in annual reexaminations, due date to due date) can be used to anticipate future medical expenses. If an applicant/participant will become entitled to a deduction, medical expenses will be anticipated based on verifications

provided.

The SDHC will not duplicate a medical expense that was already allowed during the prior year.

Verification of Medical Expenses

Families may only claim medical expenses that have not been and will not be reimbursed by an outside source. All expense claims will be verified by one or more of the methods listed below:

Written verification by a doctor, hospital or clinic personnel, dentist, pharmacist, of (a) the anticipated medical costs to be incurred by the family and regular payments due on medical bills; and (b) extent to which those expenses will be reimbursed by insurance or a government agency.

Written confirmation by the insurance company or employer of health insurance premiums to be paid by the family.

Written confirmation from the Social Security Administration of Medicare premiums to be paid by the family over the next 12 months. A computer printout will be accepted.

Receipts, canceled checks, or pay stubs that verify medical costs and insurance expenses likely to be incurred in the next 12 months.

Copies of payment agreements or most recent invoice that verify payments made on outstanding medical bills that will continue over all or part of the next 12 months.

Receipts or other record of medical expenses incurred during the past 12 months that can be used to anticipate future medical expenses. The SDHC may use this approach for "general medical expenses" such as non-prescription drugs and regular visits to doctors or dentists, but not as reimbursement for one-time expenses from the previous year.

The SDHC will use mileage at the IRS rate, or cab, bus fare, or other public transportation cost for verification of the cost of transportation directly related to medical treatment.

For attendant care:

A reliable, knowledgeable professional's certification that the assistance of an attendant is necessary as a medical expense and a projection of the number of hours the care is needed for calculation purposes; and

Attendant's written confirmation of hours of care provided and amount and frequency of payments received from the family or agency (or copies of canceled checks the family used to make those payments) or stubs from the agency providing the services.

Assistance to a Person with a Disability

1. In All Cases:
 - (a) Written certification from a licensed third-party professional or certified social service agency that the person with a disability requires the services of an attendant and/or the use of auxiliary apparatus to permit him/her to be employed or to function independently to enable another family member to be employed.
 - (b) Family's certification as to whether they receive reimbursement for any of the expenses of disability assistance and the amount of any reimbursement received.
2. Attendant Care:
 - (a) Attendant's written certification of amount received from the family, frequency of receipt, and hours of care provided.
 - (b) Certification of family and attendant and/or copies of canceled checks family used to make payments.
3. Auxiliary Apparatus:
 - (a) Receipts for purchases or proof of monthly payments and maintenance expenses for auxiliary apparatus.
 - (b) In the case where the person with a disability is employed, a statement from the employer that the auxiliary apparatus is necessary for employment.

Verification of Reasonable Accommodation to Accommodate a Person with a Disability

Acceptable verification of reasonable accommodation to accommodate a person with a disability include, in this order:

1. SDHC verification form completed by a State of California licensed doctor, or other licensed medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional.
2. A letter from a State of California licensed doctor, or other licensed medical professional, such as a nurse, psychiatrist, psychologist, or a social service professional that provides the following information:

- Whether or not the nature of the patient's disability requires an accommodation in order to make the program equally accessible
- If yes, how long the need will last
- What accommodation is being requested by the family and recommended by the Health Provider
- An explanation of how this accommodation to the patient's disability is reasonably necessary to make the program accessible
- If the accommodation cannot be provided, a list of all alternatives that would serve to make the Public Housing program accessible to the family.

The SDHC's decision with supporting documentation will be maintained in the applicant/participant's file.

**CHAPTER 8
TRANSFER POLICY**

INTRODUCTION

The transferring of families is a very costly procedure, both to the SDHC and to the families. However, it is the policy of the SDHC to permit a resident to transfer within or between housing developments when it is necessary to comply with occupancy standards; or when it will help accomplish the Affirmative Housing goals of the SDHC; or when there is an administrative need.

A. GENERAL STATEMENT

A family may be eligible to transfer for valid and certifiable reasons such as enabling the family to be no more than 25 miles from the following:

A place of employment; or

Child care provider who will care for children of a working single, head of household; or

A required medical treatment center; or.

Closer to a continuing or advanced education facility attended by Head of Household; or

To move from an upstairs to a downstairs units for medical or accessibility reasons.

The SDHC will always consider a request to transfer as a reasonable accommodation for a person with a disability.

The SDHC will require a non-disabled applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

Except in emergency situations, transfers will be avoided when the family is:

Delinquent in its rent; or

About to be asked to move for reasons other than non-payment of rent: or

Not in good standing with the SDHC due to rental history or a history of disturbances.

B. RANK ORDER OF TRANSFER LIST

The Transfer Waiting list will be maintained by approved date in rank order by:

1. Emergency
2. Medical hardship
3. Unit too large or small (mandatory)
4. All other reasons (voluntary)

GUIDELINES FOR DETERMINING BEDROOM SIZE

Bedroom Size	Persons in Household: (Minimum #)	Persons in Household: (Maximum #)
1 Bedroom	1	2
2 Bedrooms	2	4
3 Bedrooms	3	6
4 Bedrooms	4	8
5 Bedrooms	6	10

C. MANDATORY TRANSFERS

If there is a required change in the size of unit needed, it will be necessary for the resident to move to a unit of an appropriate size and a new lease will be executed.

If an appropriate unit is not available, the resident will be placed on a transfer list and moved to such unit when it does become available.

If a family that is required to move refuses the offered unit, the SDHC will evaluate the reason for the refusal and determine if it is one of good cause. If the SDHC determines that there is no good cause, the SDHC will begin lease termination proceedings.

The SDHC will offer the family an opportunity for an informal conference before terminating the family's lease. The family will have 7 days from the issue date of the Notice to Terminate to request an informal conference.

The SDHC may consider the living area for occupancy standards so that the family may avoid losing their assistance; maximum household size not to exceed more than 1 person beyond occupancy standard.

The SDHC will require a non-disabled applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

D. NON-MANDATORY TRANSFERS

A transfer will be given priority over a waiting list referral.

If the family has good cause for refusing the unit, the SDHC will not count that unit as an offer and will allow the family to remain on the transfer list until another unit is offered.

Good cause is defined as same reason for approving transfer listed in Chapter 4, Paragraph O..

The inconvenience or undesirability of changing schools for any minor child will not be considered good cause.

Refusal of a unit without good cause will require the family to be removed from the transfer list and the family must wait 6 months to re-apply.

E. EMERGENCY TRANSFERS

The SDHC will authorize an emergency transfer for a participant family if one of the following conditions occurs:

The resident's unit has been damaged by fire, flood or other causes(s) to such a degree that the unit is not habitable, provided that, although the damage was a result of carelessness or negligence of the resident or a member of the resident's household, the resident has, in writing, accepted the responsibility for such damage and has agreed to make restitution to the SDHC for the expense of repairing such damage up to a ceiling cost of \$5000; or insurance deductible, whichever is less.

E. SPECIAL CIRCUMSTANCE TRANSFERS

The SDHC will authorize transfers under special circumstances for a participant family if one of the following conditions occurs:

The resident's unit is being modernized or significantly remodeled. In such cases the family may be offered temporary relocation and may be allowed to return to their unit once rehabilitation is complete or may be required to move permanently to another unit.

The SDHC has a need, at the discretion of the Program Manager or designee to transfer the resident family to another unit.

G. MOVING COSTS

The resident will pay all moving costs related to the transfer, except when the transfer is due to inhabitability, through no fault of the resident, or the need of the SDHC.

H. SECURITY DEPOSITS

If a new deposit will create a financial hardship for the family the SDHC will enter into a payment agreement with the family. Any unused portion of the deposit from the family's current unit will be applied to the balance on the new security deposit and the family will be required to fulfill the remaining portion of the payment agreement until the security deposit on the new unit has been paid in full.

The SDHC will require a new security deposit of all families regardless of whether it is a required move or it is the family's choice.

The resident will be billed for any charges that occur as a result of the resident moving out of the apartment.

Chapter 9

LEASING
[24 CFR 966.4]

INTRODUCTION

It is the SDHC's policy that all units must be occupied pursuant to a dwelling lease agreement that complies with HUD's regulations [24 CFR Part 966]. This Chapter describes pre-leasing activities and the SDHC's policies pertaining to lease execution, security deposits, other charges, and additions to the lease.

A. LEASE ORIENTATION

The family must attend an orientation within 60 calendar days after execution of the lease.

B. EXECUTION OF LEASE

The lease shall be executed by the head of household, spouse, all adult members of the household, and by an authorized representative of the SDHC, prior to admission.

The SDHC may modify its form of lease from time to time, giving tenants an opportunity to comment on proposed changes and advance notice of the implementation of any changes. A resident's refusal to accept permissible and reasonable lease modifications, or those modifications required by HUD, is grounds for termination of tenancy.

C. ADDITIONS TO THE LEASE

Requests for the addition of a new member of the household must be approved by the SDHC, prior to the actual move-in by the proposed new member.

Following receipt of a family's request for approval, the SDHC will conduct a Tenant Selection and Suitability screening of any adult, including a criminal history check. Only persons approved by the SDHC will be added to the lease.

A family on the mandatory transfer list who request an addition to the household must be considered on the basis of the unit size for which they were eligible, prior to the addition of another household member.

CHANGES TO FAMILY COMPOSITION

1. Residents may request the following additions to the family:

- A spouse.
- Any adult, when the addition does not cause a change in unit size.
- Any adult member of the family who becomes medically or financially dependent upon the head of household or spouse, regardless of change in bedroom size.
- A live-in attendant required by physician or paid for full-time services by In Home Support Services Agencies, regardless of change in bedroom size. (*Live-in aide is not a tenant; not on the lease*)
- A minor child of the head of household or spouse, either biological or by operation of law, or who is included in the family's Aid to Families with Dependent Children grant, or for whom the head of household or spouse has a notarized statement and third party verification of income from the biological parent, caretaker or custodian indicating that the child will be staying with the family, regardless of the change in bedroom size.
- Temporary Foster children/adults may be added with verifiable/confirmed custody.
- No increase in bedroom size allowed due to addition of Foster children.

2. Other Additions:

- A unit is occupied by a remaining family member(s) under age 18 (not an emancipated minor) and an adult who was not a member of the original household requests permission to take over as the head of household.

3. Unauthorized changes to Family Composition:

- Visitors who remain beyond 14 days without consent of the SDHC shall be considered unauthorized member of household, and their presence constitutes a breach of the lease.
- If an individual other than a leaseholder is representing to an outside agency that they are residing in the lessee's unit, the person will be considered an unauthorized member of the household.
- Roomers and lodgers are not permitted to occupy a dwelling unit, nor are they permitted to move in with any family occupying a dwelling unit.
- Residents are not permitted to allow a former tenant of the SDHC who has been evicted to occupy the unit for any period of time.

D. LEASING UNITS WITH ACCESSIBLE OR ADAPTABLE FEATURES

[24 CFR 8.27(a)(1)(2) and (b)]

Before offering a vacant accessible unit to a non-disabled applicant, the SDHC will offer such units:

- First, to a current occupant of another unit who has a disability that requires the special features of the vacant unit.
- Second, to an eligible qualified applicant on the waiting list having a disability that requires the special features of the vacant unit.

The SDHC will require a non-disabled applicant to agree to move to an available non-accessible unit within 30 days when either a current resident or an applicant needs the features of the unit and there is another unit available for the applicant. This requirement will be a provision of the lease agreement.

E. UTILITY SERVICES

Tenants responsible for direct payment of utilities must abide by any and all regulations of the specific utility company, including regulations pertaining to advance payments of deposits.

Failure to maintain utility services during tenancy is a lease violation and grounds for eviction.

E. SECURITY DEPOSITS

Security Deposit

New tenants must pay a security deposit to the SDHC at the time of admission.

The amount of the security deposit required is specified in the lease. It will be the same amount as rent, but no less than \$100 one hundred dollars.

The SDHC may permit installment payments of security deposits when a new tenant demonstrates a financial hardship to the satisfaction of the SDHC. However, no less than one-half of the required deposit must be paid before occupancy.

The remainder of the deposit must be paid within 60 days.

The SDHC will hold the security deposit for the period the tenant occupies the unit.

The SDHC will refund to the Tenant the amount of the security deposit, less any amount needed to pay the cost of:

- Unpaid Rent;
- Damages listed on the Move-Out Inspection Report that exceed normal

wear and tear;

- Other charges under the Lease.

The SDHC will not use the security deposit for payment of rent or other charges while the tenant is living in the unit.

If the tenant transfers to another unit, the SDHC will refund the security deposit, less damages, and collect a new deposit, using the current information regarding Total Tenant Payment.

Pet Deposit

(See Chapter 10: Pet Deposit policy.)

G. RENT PAYMENTS

The tenant rent is due and payable at the SDHC-designated location on the 1st day of every month. If the First falls on a weekend or holiday, the rent is due and payable on the first business day thereafter.

H. FEES AND NONPAYMENT PENALTIES

If the tenant fails to make payment by the close of business on the 5th day of the month, and the SDHC has not agreed to accept payment at a later date, a Notice to Pay Rent or Quit will be issued to the tenant with a 14 day notice period for failure to pay rent, demanding payment in full or the surrender of the premises. A 3-Day Notice to Pay or Quit (required by State Law) will be served subsequent to this notice if not paid. Failure to pay within 3 days will result in filing of Unlawful Detainer.

If the tenant fails to make payment by the 5th day of the month, a late fee of \$25 will be charged.

A charge of \$25 will be assessed against the tenant for checks that are returned for non-sufficient funds (NSF), or checks written on a closed account.

The SDHC will always consider the rent unpaid when a check is returned as NSF or a check is written on a closed account.

SDHC will apply all payments received first to the latest outstanding balance and then to the current rental or other obligations.

L. SCHEDULES OF MAINTENANCE CHARGES

Schedules of special charges for services, repairs, utilities and rules and regulations, which are required to be incorporated into the lease by reference, shall be publicly posted in a conspicuous manner in the area office, and they will be provided to applicants and tenants at lease-up, orientation and upon request.

Miscellaneous Charges

- File copy (Standard Agency charge for photocopies)
- Gate remote control

I. MODIFICATIONS TO THE LEASE

Schedules of maintenance charges and rules and regulations are subject to modification or revision. Tenants will be provided at least thirty days written notice of the reason(s) for any proposed modifications or revisions, and they will be given an opportunity to present written comments. Comments will be taken into consideration before any proposed modifications or revisions become effective.

A copy of such notice shall be posted in the area offices, and mailed by first class mail to the tenant.

Any modifications of the lease must be accomplished by a written addendum to the lease and signed by both parties.

K. CANCELLATION OF THE LEASE

Cancellation of the tenant's lease is to be in accordance with the provisions contained in the lease agreement and as stated in this policy.

L. INSPECTIONS OF PUBLIC HOUSING UNITS

Initial Inspections

The SDHC and the family will inspect the premises prior to occupancy of the unit in order to document the condition of the unit and equipment in the unit. A copy of the initial inspection, will be given to the resident and a copy will be kept in the tenant file.

Any subsequent repair charges for items that are not due to normal wear and tear or malfunction will be billed to the resident.

Pre Move-Out Inspection

The SDHC will notify the resident, as required by State law, of their right to a pre move-out inspection of the unit. The resident has the option of waiving this requirement or having the pre move-out inspection performed.

Move-Out Inspections

The SDHC will conduct a move-out inspection when the family vacates the unit, and will encourage the family to be present.

The purpose of this inspection is to determine necessary maintenance and whether there are damages that exceed normal wear and tear. The SDHC will determine if there are tenant caused damages to the unit. Tenant caused damages will result in charges against the security deposit and may result in collection attempts if charges exceed this security deposit.

The move-out inspection also assists the SDHC in determining the time and extent of the preparation and repairs necessary to make the unit ready for the next tenant.

Annual Inspections

The SDHC will inspect all units annually using HUD's Uniform Physical Condition Standard as a guideline.

- a. Residents who "fail" the inspection due to housekeeping or tenant-caused damages will be given a minimum of 2 weeks to correct noted items. Another inspection will be conducted.
- b. Residents will be provided a copy of the inspection report with deficiencies documented or corrections noted.
- c. Inspection report will indicate whether required corrections are to be charged to the resident or covered by the SDHC.
- d. Required corrections will be repaired by the SDHC.
- e. Resident will be notified at least 2 days before the date of the required repairs, or permission to enter authorized by the resident.
- f. Damages beyond "normal wear and tear" will be billed to the tenant.
- g. Residents who are in violation of their lease due to a repeated failed inspection will be scheduled for a lease violation conference, and may receive a Notice of Intent to Terminate Lease.

- h. Lease Violation Conference will be held with residents who purposely and for convenience disengage the unit's smoke detector.

Quality Control Inspections

Supervisors or designated staff will conduct periodic quality control inspections to determine the condition of the unit and to identify problems or issues in which the SDHC can be of service to the family.

Special Inspections

A special inspection for housekeeping, unit condition, or suspected lease violation may be conducted.

HUD representatives or local government officials may review SDHC operations periodically and as a part of their monitoring may inspect a sampling of the SDHC's inventory.

The SDHC supervisor or designee will periodically conduct drive by and/or walk-through inspections to determine whether there may be lease violations, adverse conditions or local code violations.

Building exterior and grounds inspections are conducted at all Public Housing properties to determine hazardous conditions as well as to assist in budget preparation.

Emergency Inspections

An emergency inspection will be conducted (without notice) whenever it is believed that an emergency exists in the unit or on a Public Housing site. Emergency repairs are to be completed within 24 hours from the time the work is determined necessary.

Emergency Repairs to be Completed in Less than 24 Hours

- Lock-out (with proper identification of resident)
- Broken lock that affects unit security
- Broken window glass that affects unit security, is a cutting hazard, or occurs within inclement weather (to be secured or abated)
- Escaping gas
- Plumbing leaks which have the capacity to create flooding or cause damage to the unit
- Natural gas leaks or smell of fumes
- Backed-up sewage
- Electrical hazard that could result in shock or fire
- Inoperable refrigerator, smoke detector, lights, toilet if no other available in the unit

Entry of Premises Notices

The SDHC will provide the family with 48 hour written notice prior to entering the unit for non-emergency reasons other than the annual inspection.

If no one is in the unit, the person(s) who enters the unit will leave a written notice to the resident explaining the reason the unit was entered and the date and time.

Where the SDHC is conducting regular annual examinations of its housing units, the family will receive reasonable advance notice of the inspection to allow the family to prepare and be able to pass the inspection.

Reasons the SDHC will enter the unit are:

- Inspections and maintenance
- To make improvements and repairs
- To show the premises for leasing
- In cases of emergency

Non-Inspection Emergency Entry

The SDHC staff will allow access to the unit to proper authorities when issues of health or safety of the tenant are concerned.

Family Responsibility to Allow Inspection

The SDHC must be allowed to inspect the unit at reasonable times with reasonable notice. 48 hour written notice will be considered reasonable in all cases.

The resident is notified of the inspection appointment by mail. The family must call the SDHC at least 24 hours before the inspection date to reschedule the inspection, if necessary.

The SDHC will reschedule the inspection only once unless the resident has a verifiable medical reason that has hindered the inspection. The SDHC may request verification.

If the resident refuses to allow the inspection, the resident will be in violation of the lease and the SDHC will notify the family of its intended action.

Housekeeping

Residents who "fail" an (annual recertification) inspection for housekeeping will be issued a notice of failed housekeeping and a housekeeping inspection will be scheduled.

If a family fails a housekeeping inspection the family may be summoned for a lease violation conference and will be scheduled for a second inspection.

Lease termination will be served if resident fails the second housekeeping inspection.

Tenant Damages

Repeated failed inspections or damages to the unit beyond normal wear and tear may constitute serious or repeated lease violations.

"Beyond normal wear and tear" is defined as items that could be charged against the tenant's security deposit under state law or court practice.

Chapter 10

PET POLICY
[24 CFR 5.309]

INTRODUCTION

The purpose of this policy is to establish the SDHC's policy and procedures for ownership of pets to ensure that no applicant or resident is discriminated against regarding admission or continued occupancy because of ownership of pets. It also establishes reasonable rules governing the keeping of common household pets.

A. ANIMALS THAT ASSIST PERSONS WITH DISABILITIES

Pet rules will ~~not~~ be applied to animals that assist persons with disabilities.

To be excluded from the pet policy, the resident/assistance animal owner must certify:

- That there is a person with disabilities in the household;
- ~~That the animal has been trained to assist with the specified disability.~~

B. MANAGEMENT APPROVAL OF PETS

The SDHC management must approve all pets in advance.

Registration of Pets

Pets must be registered with the SDHC before they are brought onto the premises. Registration includes certificate signed by a licensed veterinarian or State/local authority that the pet has received all inoculations required by State or local law, and that the pet has no communicable disease(s) and is pest-free. Annual renewal of licensing and inoculation must be conducted in accordance with applicable State and local laws; and annual certification that the pet has no communicable disease and is pest-free.

Execution of a Pet Agreement with the SDHC stating that the resident acknowledges complete responsibility for the care and cleaning of the pet will be required. The SDHC shall have no liability for the pet or actions of the pet.

Registration must be renewed and will be coordinated with the annual recertification date and proof of license and inoculation will be submitted at least 30-days prior to annual recertification.

Dogs and cats must be spayed or neutered. Each pet owner must provide a color photograph of their pet(s) and provide a "Pet Here" sticker which will be displayed on the front door of the unit at all times.

Approval for the keeping of a pet shall not be extended pending the completion of these requirements.

Refusal To Approve Pets

The SDHC may not refuse to approve a pet based on the determination that the pet owner is financially unable to care for the pet. If the SDHC refuses to approve a pet, a written notification will be sent to the pet owner stating the reason for denial and shall be served in accordance with HUD Notice requirements.

The SDHC will refuse to approve a pet if:

- The pet is not a common household pet as defined in the Pet Policy;
- Keeping the pet would violate any House Rules;
- The pet owner fails to provide complete registration information, or fails to update the registration annually;
- The SDHC reasonably determines that the pet owner is unable to keep the pet in accordance with the pet rules and other lease obligations. The pet's temperament and behavior may be considered as a factor in determining the pet owner's ability to comply with provisions of the lease.
- Has a communicable disease or is not pest-free.

The notice of denial may be combined with a Lease Violation Notice

A resident who cares for another resident's pet must notify the SDHC and agree to abide by all the pet rules in writing.

Pet Rules

Resident must maintain pet responsibility in accordance with applicable State and local laws and the Pet Agreement/Pet Policy signed by Resident (as an addendum to the Lease Agreement.)

Pet Agreement/Pet Policy states detailed rules for each type of pet. These rules prohibit dangerous animals and other animals based on certain factors including size and weight. In addition, some pets will be restricted according to size, type, and other relevant conditions of housing complex.

Pet Deposit

Resident will be required to pay a refundable pet deposit of \$300 per pet.

Payment plans shall not be used for pet deposits. Full deposit must be paid prior to bringing pet onto the premises.

The SDHC will refund the Security Deposit less any amounts owed, according to State Law

requirements.

Criteria

Only common household pets will be allowed.

Pets that are considered dangerous or a threat to health and safety will not be permitted at any site.

Chapter 11

RECERTIFICATIONS [24 CFR 5.617, 24 CFR 960.209]

INTRODUCTION

HUD requires that the SDHC recertify all families at least annually. At the annual recertification all adult members must report their current household composition, income, deductions and allowances. Between regular annual recertification, HUD requires that families report all changes in household composition, but the SDHC decides what other changes must be reported and the procedures for reporting them. This Chapter defines the SDHC's policy for conducting annual recertification. It also explains the interim reporting requirements for families, and the standards for timely reporting.

A. ELIGIBILITY FOR CONTINUED OCCUPANCY

Residents who meet the following criteria will be eligible for continued occupancy:

1. Qualify as a family as defined in this policy;
2. Are in full compliance with the obligations and responsibilities described in the dwelling lease;
3. Whose family members, age 6 and older, each have submitted their Social Security numbers or have certifications on file that they do not have a Social Security number;
4. Whose family members have submitted required citizenship/eligible immigration status/non-contending documents.

B. ANNUAL RECERTIFICATIONS

The annual recertification will be effective no later than the first of the month in which the family moved in, the following year.

When families move to another dwelling unit:

A new recertification will be conducted (verification obtained at the last recertification can be used if less than 180 days old)

A recertification will be conducted (unless a recertification has occurred in the last 120 days) and the anniversary date will be changed effective date of move in.

Verification of Information

All information that affects the family's continued eligibility for the program, and the family's Total Tenant Payment (TTP) will be verified in accordance with the verification procedures and guidelines described in this Policy. Verifications used for recertification must be less than 180 days old. All verifications will be placed in the file, which has been established for the family.

When the information has been verified, it will be analyzed to determine:

- the continued eligibility of the resident as a *family* or as the *remaining member* of a family;
- the unit size required by the family;
- the amount of rent the family should pay;
- participation in community service

(Each adult resident shall participate in 8 hours per month of either community service (not including political activities), or economic self-sufficiency classes or program. Exemption is provided, subject to specific requirements.)

Changes In The Tenant Rent

If there is any change in rent, the lease will be amended, or a new lease will be executed, or a Notice of Rent Adjustment will be issued [24 CFR 966.4(c) & (o)].

a. **Tenant Rent Increases**

If tenant rent increases, a thirty-day notice will be provided to the family prior to the effective date.

If less than thirty days are remaining before the anniversary date, the tenant rent increase will be effective on the first of the month following the thirty-day notice.

If there has been a misrepresentation or a material omission by the family, or if the family causes a delay in the reexamination processing, there will be a retroactive increase in rent to the anniversary date.

b. **Tenant Rent Decreases**

If the family causes a delay so that the processing of the reexamination is not complete by the anniversary date, rent change will be effective on the first day of the month following completion of the reexamination processing by the SDHC.

If the tenant income decreases and the tenant reported the change within a month prior to the annual recertification anniversary date or between the annual recertification anniversary date and the effective date of the annual recertification, the change will be treated as an interim. The change will be effective the first of the following month that the family reported the change.

C. REPORTING INTERIM CHANGES

Families must report all changes in household composition to the SDHC between annual reexaminations. This includes additions due to birth, adoption and court-awarded custody. The family must obtain SDHC approval prior to all additions to the household. (Refer to the Admissions Policy)

1. **Increases in Income to be Reported**

Families are not required to report any increases in income or assets until the annual recertification, unless there is a change in family composition, and corresponding change of income.

2. **Increases In Income and Rent Adjustments**

The SDHC will not process rent adjustments resulting from any increase in income until the next regularly scheduled recertification, unless there is a change in family composition and corresponding change of income. Exception for FSS participants.

If tenant rent increases, a thirty-day notice will be provided to the family prior to the effective date.

3. **Decreases in Income and Rent Adjustments**

Residents may report a decrease in income and other changes, such as an increase in allowances or deductions that would reduce the amount of the total tenant payment.

The SDHC will process the rent adjustment unless the SDHC confirms that the decrease in income will last less than 30 calendar days.

NOTE: (See Chapter 6 C. Averaging Income)

D. INCOME CHANGES RESULTING FROM WELFARE PROGRAM REQUIREMENTS

The SDHC will not reduce the public housing rent for families whose welfare assistance is reduced specifically because of:

- fraud; or
- failure to participate in an economic self-sufficiency program; or
- noncompliance with a work activities requirement

However, the SDHC will reduce the rent if the welfare assistance reduction is a result of:

- The expiration of a lifetime time limit on receiving benefits; or
- A situation where the family has complied with welfare program requirements but cannot or has not obtained employment. Such as the family has complied with welfare program requirements, but the durational time limit, such as a cap on the length of time a family can receive benefits, causes the family to lose their welfare benefits.

Verification Before Denying a Request to Reduce Rent

The SDHC will obtain written verification from the welfare agency stating that the family's benefits have been reduced for fraud or noncompliance *before* denying the family's request for rent reduction.

Cooperation Agreements

The SDHC takes a proactive approach to create a cooperative relationship between the SDHC and the local welfare agency for the purpose of targeting economic self-sufficiency programs throughout the community that are available to public housing residents.

E. OTHER INTERIM REPORTING ISSUES

SDHC Errors

If the SDHC makes a calculation error at admission to the program or at an annual reexamination, an interim reexamination will be conducted to correct the error, but the family will not be charged retroactively.

E. REPORTING OF CHANGES IN FAMILY COMPOSITION

The SDHC will not approve the addition of family members other than by birth, adoption, marriage or court-awarded custody where the occupancy standards would require a larger size unit.

All changes in family composition must be reported within 10 working days of the occurrence in writing.

If an adult family member is declared permanently absent by the head of household, the notice must contain a certification by the head of household the family will be given 3-6 months to determine if removal is permanent that the member (who may be the head of household) removed is permanently absent.

A permanently removed member cannot return as member of the household for 12-month period and must be subjected to the Tenant Selection Process.

Increase in Family Size

The SDHC will consider a unit transfer (if needed under the Occupancy Guidelines) for additions to the family in the following cases:

- Addition by marriage/or marital-type relation.
- If a change due to birth, adoption, court-awarded custody, or need for a live-in attendant requires a larger size unit due to overcrowding, the change in unit size shall be made effective upon availability of an appropriately sized unit.

Definition Of Temporarily/Permanently Absent

The SDHC must compute all applicable income of every family member who is on the lease, including those who are temporarily absent.

Income of persons permanently absent will not be counted. If the spouse is temporarily absent and in the military, all military pay and allowances (except hazardous duty pay when exposed to hostile fire and any other exceptions to military pay HUD may define) is counted as income.

It is the responsibility of the head of household to report changes in family composition. The SDHC will evaluate absences from the unit in accordance with this policy.

Absence of Entire Family

These policy guidelines address situations when the family is absent from the unit, but has not moved out of the unit. (In cases where the family has moved out of the unit, the SDHC will terminate tenancy in accordance with the appropriate lease termination procedures contained in this Policy.)

Families should notify the SDHC if they are going to be absent from the unit for more than (21) consecutive days.

"Absence" means that no family member is residing in the unit.

If the entire family is absent from the unit, for more than 60 consecutive days, the unit will be considered to be vacant and the SDHC may terminate tenancy.

If the absence which resulted in termination of tenancy was due to a person's disability, and the SDHC can verify that the person was unable to notify the SDHC in accordance with the lease provisions regarding absences, and if a suitable unit is available, the SDHC may reinstate the family as an accommodation if requested by the family.

Absence of Any Member

A member of the household will be considered permanently absent if she/he is away from the unit for more than (6) six consecutive months.

Absence due to Medical Reasons

If any family member leaves the household to enter a facility such as hospital, nursing home, or rehabilitation center, the SDHC will seek advice from a reliable qualified source as to the likelihood and timing of their return. If the verification indicates that the family member will be permanently confined to a nursing home, the family member will be considered permanently absent. If the verification indicates that the family member will return in less than 6 months, the family member will not be considered permanently absent, as long as rent and other charges remain current.

If the person who is determined to be permanently absent is the sole member of the household, assistance will be terminated in accordance with the SDHC's "Absence of Entire Family" policy.

Absence due to Incarceration

If the sole member is incarcerated for more than 60 consecutive days, she/he will be considered permanently absent. Any member of the household, other than the sole member, will be considered permanently absent if s/he is incarcerated for 60 consecutive days. The rent and other charges must remain current during this period.

The SDHC will determine if the reason for incarceration is for drug-related or criminal activity that would threaten the health, safety and right to peaceful enjoyment of the dwelling unit by other residents.

Foster Care and Absences of Children

If the family includes a child or children temporarily absent from the home due to placement in foster care, the SDHC will determine from the appropriate agency when the child/children will be returned to the home.

If the time period is to be greater than 6 months from the date of removal of the child(ren), the family will be required to move to a smaller size unit. If all children are removed from the home permanently, the unit size will be reduced in accordance with the SDHC's occupancy guidelines.

Absence of Adult

If neither parent remains in the household nor the appropriate agency has determined that another

adult is to be brought into the assisted unit to care for the children for an indefinite period, the SDHC will treat that adult as a visitor for the first 14 calendar days.

If by the end of that period, court-awarded custody or legal guardianship has been awarded to the caretaker, and the caretaker qualifies under Tenant Suitability criteria, the lease will be transferred to the caretaker.

If the court has not awarded custody or legal guardianship, but the action is in process, the SDHC will secure verification from social services staff or the attorney as to the status.

The Live in aide will be allowed to remain in the unit, as a visitor, until a determination of custody is made. The Live in aide must qualify under the One Strike policy criteria in Chapter 2.

If a member of the household is subject to a court order that restricts him/her from the home for more than 6 months, the person will be considered permanently absent.

If an adult member, other than head or spouse, goes into the military and the family decides that the member is permanently absent: the income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of unit size.

Full time students who attend school away from the home will be treated in the following manner:

A student (other than head of household or spouse) who attends school away from home but lives with the family during school recesses may, at the family's choice, be considered either temporarily or permanently absent. If the family decides that the member is permanently absent: the income of that member will not be included in total household income, the member will not be included on the lease, and the member will not be included for determination of unit size.

Visitors (See Chapter 9. Leasing)

Any adult not included on the HUD Lease and 50058 who have been in the unit more than 14 consecutive days, will be considered to be living in the unit as an unauthorized household member.

Absence of evidence of any other address will be considered verification that the visitor is an unauthorized household member.

Statements from neighbors and/or SDHC staff will be considered in making the determination. The SDHC will consider:

Statements from neighbors and/or SDHC staff
Vehicle license plate verification
Post Office records

Driver's license verification
Law enforcement reports
Credit reports

The burden of proof that the individual is a visitor rests on the family. In the absence of such proof, the individual will be considered an unauthorized member of the family and the SDHC will terminate the family's lease since prior approval was not requested for the addition.

Minors and college students who were part of the family but who now live away from home during the school year and are not considered members of the household may visit for up to 14 days per year without being considered a member of the household.

In a joint custody arrangement, if the minor is in the household less than 180 days per year, the minor will be considered to be an eligible visitor and not a family member. If both parents reside in Public Housing, only one parent would be able to claim the child for deductions and for determination for the occupancy standards.

G. REMAINING MEMBER OF TENANT FAMILY - RETENTION OF UNIT

To be considered the remaining member of the tenant family, the person must have been previously approved by the SDHC to be living in the unit and must have signed the lease.

A live-in attendant, by definition, is not a member of the family and will not be considered a remaining member of the Family.

In order for a minor child to continue to receive assistance as a remaining family member:

1. The court has to have awarded emancipated minor status to the minor or is legally married; or
2. The SDHC has to have verified that social services and/or the Juvenile Court has arranged for another adult to be brought into the unit to care for the child(ren) for an indefinite period.

A reduction in family size may require a transfer to an appropriate unit size per the Occupancy Standards.

H. CHANGES IN UNIT SIZE

The SDHC will not assign a larger bedroom size due to additions of family members other than by birth, adoption, marriage or court-awarded custody.

When an approvable change in the circumstances in a tenant family requires another unit size, the family will be placed on the Transfer List.

I. CONTINUANCE OF ASSISTANCE FOR “MIXED” FAMILIES

Under the Non-citizens Rule, “Mixed” families are families that include at least one citizen or eligible immigrant and any number of ineligible members.

Mixed families who qualify for continued assistance may receive prorated assistance only.

Chapter 12

LEASE TERMINATIONS [24 CFR 966.4]

INTRODUCTION

The SDHC may terminate tenancy for a family because of the family's action or failure to act in accordance with HUD regulations [24 CFR 966.4 (1)(2)], and the terms of the lease. This Chapter describes the SDHC's policies for notification of lease termination and provisions of the lease.

A. TERMINATION BY TENANT

The tenant may terminate the lease by providing the SDHC with a written 30-day advance notice as defined in the lease agreement.

B. TERMINATION BY SDHC

Termination of tenancy will be in accordance with the SDHC's lease.

The lease may be terminated by the SDHC at any time by giving written notice for violation of material terms of the lease.

C. NOTIFICATION REQUIREMENTS

The SDHC's written Notice of Lease Termination will state the reason for the proposed termination, the date that the termination will take place, and it will offer the resident all of the rights and protections afforded by the regulations and this policy. (See Chapter 13. Complaints, Grievances and Hearings.)

The notice will be delivered personally to the resident, or any adult 18 years of age or older at the residence and mailed via first-class mail, or posted and mailed via first-class mail.

Criminal Activity

The SDHC will immediately and permanently terminate tenancy of persons convicted of manufacturing or producing methamphetamine on the premises of the assisted housing project in violation of any Federal or State law. "Premises" is defined as the building or complex in which the dwelling unit is located, including common areas and grounds.

The SDHC will terminate tenancy in cases where the SDHC determines there is reasonable cause

to believe that the person is illegally using a controlled substance or engages in drug-related or other criminal activity. The same will apply if it is determined that the person abuses alcohol in a way that interferes with the health, safety or right to peaceful enjoyment of the premises by other residents.

"Engaged in or engaging in" drug related criminal activity means any act by residents, household members, or guests which involved drug-related criminal activity including, without limitation, drug-related criminal activity, possession and/or use of narcotic paraphernalia, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

"Engaged in or engaging in" criminal activity means any act by residents, household members, or guests which involved criminal activity that would threaten the health, safety or right to peaceful enjoyment of the public housing premises by other residents or employees of the SDHC, which did or did not result in the arrest and/or conviction of the applicant or participant, household members, or guests.

In evaluating evidence of negative behavior, the SDHC will give fair consideration to the seriousness of the activity with respect to how it would affect other residents, and/or likelihood of favorable conduct in the future that could be supported by evidence of rehabilitation.

The SDHC may waive the requirement regarding drug-related criminal activity if:

The person demonstrates successful completion of a credible rehabilitation program approved by the SDHC, or

The individual involved in drug-related criminal activity is no longer in the household and is removed from the Lease.

D. TERMINATIONS DUE TO INELIGIBLE IMMIGRATION STATUS

[24 CFR 5.514]

Families who are ineligible for continued assistance due to the ineligible immigration status are entitled for temporary deferral of termination of assistance to permit the family additional time for transition to affordable housing.

Deferrals may be granted for intervals not to exceed six months, if one of the following conditions is met:

1. The family demonstrates that reasonable efforts to find other affordable housing of appropriate size have been unsuccessful.
2. The vacancy rate for affordable housing of appropriate size is below 5% in the housing market area.

3. The Consolidated Plan indicates the local jurisdiction's housing market lacks sufficient affordable housing opportunities for households having a size and income similar to the family seeking the deferral.

Upon receipt of a written request for temporary deferral of termination from the family, if the family qualifies for one of the conditions above, they will be granted a three-month deferral period in writing.

During the three-month deferral period the family should look for affordable housing, providing the SDHC a monthly report on its activities. At the end of the three-month period, the family may request, in writing, additional three-month extensions of occupancy. If the family qualifies for one of the conditions above, the SDHC will continue to grant extensions in writing. However, in no case will the deferral period exceed a period of one year.

Chapter 13

COMPLAINTS, GRIEVANCES AND APPEALS [24 CFR 966.50-966.57]

INTRODUCTION

The informal hearing requirements defined in HUD regulations are applicable to participating families who disagree with an action, decision, or inaction of the SDHC. This Chapter describes the policies to be used when families disagree with a SDHC decision. It is the policy of the SDHC to ensure that all families have the benefit of all protections due to them under the law.

A. COMPLAINTS

The SDHC will respond promptly to all complaints as outlined in procedures.

B. APPEALS BY TENANTS

Grievances or appeals concerning the obligations of the tenant or the SDHC under the provisions of the lease shall be processed and resolved in accordance with the current Grievance Procedure of the SDHC.

Applicability

This Grievance Procedure applies to all individual grievances, except any grievance concerning a termination of tenancy or eviction that involves:

- a. Any activity, not just criminal activity, that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or SDHC employees, or
- b. Any drug-related criminal activity *on* or *off* such premises.

Chapter 14

FAMILY DEBTS TO THE SDHC

INTRODUCTION

This Chapter describes the SDHC's policies for the recovery of monies owed to the SDHC by families. It describes the methods that will be utilized for collection of monies and the guidelines for different types of debts. It is the SDHC's policy to meet the informational needs of families, and to communicate the program rules in order to avoid family debts. Before a debt is assessed against a family, the file must contain documentation to support the SDHC's claim that the debt is owed. The file must further contain written documentation of the method of calculation, in a clear format for review by the family or other interested parties.

A. RENT PAYMENT PROCEDURE

The following is the established rental payments procedure for Public Housing residents:

1. Rent payments are due and payable on the first day of each month.
2. Rent payment will be considered late if not received prior to the sixth day of each month.
3. Payment is to be made as follows:
 - Monthly rent payments are to be made in the form of a check or money order payable to the San Diego Housing Commission and mailed as directed by the SDHC.
4. SDHC reserves the right to determine how payments are to be applied toward the different monetary obligations (rent, security deposit charges, utility charges, damage charges, late fees, NSF fees, bank fees, and the like). SDHC may apply all payments received first to the latest outstanding balance and then to the current rental or other obligations.

B. DELINQUENT ACCOUNTS

Prompt payment of rent payments and other charges is a requirement for continued occupancy. Scheduled payments not received at the SDHC by the fifth day of the month are considered delinquent and shall result in the following:

1. Rent

- a. In the case of failure to pay rent by the fifth day of the month, on or after the sixth day of the month the SDHC will serve the resident with a 14-day Notice of Intent to Terminate Lease due to Non-payment of Rent followed by a 3-Day Notice to Pay or Quit.
- b. The notice(s) will be delivered personally to the resident, or any adult 18 years of age or older at the residence and mailed via first-class mail, or posted and mailed via first-class mail

2. Late Charges

- a. If rent payment is not received by the close of business on the fifth day of the month a late charge will be assessed to the resident account on the sixth day of the month.
- b. Late charges will become due on the first day of the month following the assessment of charges.
- c. If a late charge is not paid by the fifth day of the month in which the charge is due, the SDHC will issue a Breach Notice giving the resident three days to pay.
- d. The Breach Notice will be delivered personally to the resident, or any adult family member 18 years of age or older at the residence and mailed via first-class mail, or posted and mailed via first-class mail.
- e. If payment is not received within the three days allowed by the Breach Notice, the SDHC will issue a 30-Day Notice to Terminate.
- f. The 30-Day Notice to Terminate will be delivered personally to the resident, or any adult family member 18 years of age or older at the residence and mailed via first-class mail, or posted and mailed via first-class mail.
- g. If resident requests and an Informal Conference are held, Housing Supervisor or designee must complete a written summary of such discussion within a reasonable time.

3. Maintenance and Other Charges

The following is the calendar for maintenance charges:

- a. Resident incurs charge.
- b. Billing letter will be mailed on 15th or 30th of the month after completion of

the work.

- c. Resident will be given two weeks to pay maintenance charge or to request an Informal Conference.
- d. If bill is not paid or resident does not request an Informal Conference, the SDHC will issue a Breach Notice giving three days to pay.
- e. If payment is not received within the three days allowed by the Breach Notice, the SDHC will issue a 30-Day Notice to Terminate.
- f. If resident requests and an Informal Conference are held, Housing Supervisor or designee must complete a written summary of such discussion within a reasonable time.

C. TERMINATION OF LEASE

In the event the resident fails to respond or comply with the notice of delinquency or with any of the resident's obligations under the lease, the SDHC shall serve the resident with a 30-Day Notice of to Terminate.

- 1. The decision to terminate the resident's lease shall be made by the Housing Supervisor, or designee.
- 2. The SDHC shall serve the resident with a written Notice of Termination in accordance with this policy as outlined in paragraph B.(1.) (b) above.
- 3. The SDHC shall schedule an Informal Conference at the request of the resident. At this conference the resident may respond to the SDHC reasons for termination. The resident may be represented or accompanied by a person of the resident's choice.
- 4. The SDHC shall make its decision on termination of the lease based on the evidence presented at the Informal Conference whether to:
 - a. rescind or extend the Notice of Termination, or
 - b. reaffirms its decision to terminate the lease
- 5. The SDHC shall notify the resident in writing of its final decision and advise resident of appropriate rights under the Grievance Procedure within a reasonable time after the Informal Conference (See Chapter 13 Complaints, Grievances and Appeals).

D. COURT PROCEEDINGS

After exhausting all efforts to collect required resident payment or resolve other contract

violations according to the Collection Policy, the SDHC will initiate appropriate legal action through the judicial system to evict residents following court proceedings.

E. REQUESTING A PAY PLAN

Residents may request a Pay Plan in order to reimburse the SDHC for:

1. Retroactive rent due to non-report of income
2. Maintenance charges for damages beyond normal wear and tear
3. Accumulated late charges
4. Legal fees from previous civil action
5. Other monies owed to the SDHC

E. CONDITIONS TO GRANT PAY PLAN

Conditions for allowing a family to enter into a Pay Plan Agreement with the SDHC depend on whether the SDHC considers the family in violation of the Residential Lease, whether the SDHC considers the violation to be fraud, or whether the family owes the SDHC money for some other reason(s).

1. Pay Plans will be granted when:
 - a. There is no previous delinquent Pay Plan
 - b. There is no previous failure to report income and the current request is for retroactive rent
 - a. The total dollars owed is less than \$2,500
 - b. The SDHC has determined that fraud does not exist
2. Pay Plans will not be granted if any of the above circumstances do not apply.
 - a. If there is a previous delinquent Pay Plan, the family will be asked to pay the balance and may be asked to pay all dollars owed on amounts not covered by Pay Plan.
 - b. If there is a previous failure to report income and the current amount owed is for retro-rent, the family will be asked to pay all dollars owed.

- c. If total dollars owed are more than \$2,500 the family will be asked to pay immediately a sum which would bring the balance to or under \$2,500.
- d. If the SDHC determines that fraud has occurred, it will consider local prosecution and/or forwarding the case to the Regional Inspector General for Investigation.
- e. In all cases above, the SDHC may find the family in violation of its lease and may begin the eviction process for that violation.
- f. In all cases above, the family has the right to dispute the SDHC's action.

G. PAY PLAN AGREEMENT GENERAL CONDITIONS

- 1. Pay Plan Agreement and Promissory Note are synonymous terms.
- 2. Pay Plan Agreements are executed with families who owe money to the SDHC.
- 3. If the SDHC enters into a Pay Plan Agreement, the Agreement will be set up as follows:

AMOUNT TO PAY INITIAL PAYMENT MAX TERM

\$500 or less	20-50% due*	3-6 months
\$501-\$1000	20-40% due*	6-10 months
\$1001-\$2500	20-33% due*	12 months

**Due at the execution of the Pay Plan Agreement.*

- 4. No Pay Plan Agreement will be entered into if the total exceeds \$2,500, except under extreme circumstances and by administrative direction.

CHAPTER 15

ONE STRIKE POLICY

A. PURPOSE

All federally assisted housing is intended to provide a place to live and raise families, not a place to commit crime, to use or sell drugs or terrorize neighbors. It is the intention of the SDHC to fully endorse and implement a policy that is designed to:

1. Help create and maintain a safe and drug-free community;
2. Keep our program participants free from threats to their personal and family safety;
3. Support parental efforts to instill values of personal responsibility and hard work;
4. Help maintain an environment where children can live safely, learn and grow up to be productive citizens; and
5. Assist families in their vocational/educational goals in the pursuit of self-sufficiency.

B. ADMINISTRATION

All screening and eviction procedures shall be administered fairly and in such a way as not to discriminate on the basis of race, color, nationality, religion, sex, familial status, disability or against other legally protected groups, and not to violate right to privacy.

To the maximum extent possible, the SDHC will involve other community and governmental entities in the promotion and enforcement of this policy.

The SDHC requires all employees to report crime and crime-related problems, or suspected crime and crime-related problems to the local police authorities.

This policy will be posted on the SDHC's bulletin board and copies made readily available to applicants and tenants upon request.

C. SCREENING

In an effort to prevent drug related and other criminal activity, as well as other patterns of behavior that pose a threat to the health, safety or the right to peaceful enjoyment of the premises by other residents, the SDHC will endeavor to screen applicants as thoroughly and fairly as possible. (Refer to Chapter 3. Admissions)

If in the past the SDHC initiated a lease termination, which may or may not have resulted in eviction for any reason cited under the One Strike Notice, for a family, as a prior resident of public housing, the SDHC shall have the discretion to consider all circumstances of the case regarding the extent of participation by non-involved family members.

If as a result of the standardized inquiry, or the receipt of a verifiable referral, there is indication that the family or any family member is engaged in drug-related criminal or violent criminal activity, the SDHC will conduct closer inquiry to determine whether the family should be denied admission.

The SDHC will check criminal history for all adults in the household to determine whether any member of the family has engaged in violent or drug-related criminal activity.

SDHC will perform a criminal history check on every adult household member (18 years of age or older) utilizing the California Law Enforcement Telecommunications System (CLETS) through the San Diego Police Department.

The SDHC may require, as a condition of providing admission to the public housing program, that each adult member of the household provide a signed, written authorization for the public housing agency to obtain records from the National Crime Information Center, police departments, and other law enforcement agencies.

Chapter 16

COMMUNITY SERVICE

A. Background

The Quality Housing and Work Responsibility Act of 1998 requires that all non-exempt (see definitions) public housing adult residents (18 or older) contribute eight (8) hours per month of community service (volunteer work) or participate in eight (8) hours of training, counseling, classes or other activities that help an individual toward self sufficiency and economic independence. This is a requirement of the Public Housing Lease.

B. Definitions

- The provision of childcare services to an individual who is participating in a community service program.

C. Requirements of the Program

1. The eight (8) hours per month may be either volunteer work or self-sufficiency program activity, or a combination of the two.
2. At least eight (8) hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. The SDHC will make the determination of whether to allow or disallow a deviation from the schedule.
3. Activities must be performed within the community and not outside the jurisdictional area of the SDHC.

4. **Family obligations:**

- At lease execution or at re-examination, all adult members (18 or older) of a public housing resident family must:
 - a. provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
 - b. sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in non-renewal of their lease.
- At each annual re-examination, non-exempt family members must present a completed documentation form (to be provided by the SDHC) of activities performed over the previous twelve (12) months. This form will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed.
- If a family member is found to be noncompliant at re-examination, he/she and the Head of Household will sign an agreement with the SDHC to make up the deficient hours over the next twelve (12) month period.

5. **Change in exempt status:**

- If, during the twelve (12) month period, a non-exempt person becomes exempt, it is his/her responsibility to report this to the SDHC and provide documentation of such.
- If, during the twelve (12) month period, an exempt person becomes non-exempt, it is his/her responsibility to report this to the SDHC. The SDHC will provide the person with the Recording/Certification documentation form and a list of agencies in the community that provide volunteer and/or training opportunities.

D. SDHC Obligations:

1. To the greatest extent possible and practicable, the SDHC will:
 - provide names and contacts at agencies that can provide opportunities for residents, including disabled, to fulfill their Community Service obligations. (According to the Quality Housing and Work Responsibility Act, a disabled person who is otherwise able to be gainfully employed is not necessarily exempt from the Community Service requirement); and

2. The SDHC will provide the family with exemption verification forms and Recording/Certification documentation forms and a copy of this policy at initial application and at lease execution.
3. The SDHC will make the final determination as to whether or not a family member is exempt from the Community Service requirement. Residents may use the SDHC Grievance Procedure if they disagree with the SDHC determination.
4. **Noncompliance of family member:**
 - At least thirty (30) days prior to annual re-examination and/or lease expiration, the SDHC will begin reviewing the exempt or non-exempt status and compliance of family members;
 - If the SDHC finds a family member to be noncompliant, the SDHC will enter into an agreement with the noncompliant member and the Head of Household to make up the deficient hours over the next twelve (12) month period; If, at the next annual re-examination, the family member still is not compliant, the lease will not be renewed and the entire family will have to vacate, unless the noncompliant member agrees to move out of the unit;
 - The family may use the SDHC Grievance Procedure to protest the lease termination.

Chapter 17

FAMILY SELF SUFFICIENCY PROGRAM

A. SELECTION OF PARTICIPANTS AND SUPPORT SERVICES

Participants in the Public Housing Program may participate in Family Self-Sufficiency on a voluntary basis. Outreach to Public Housing Program participants is conducted on a regular basis, as detailed in the FSS Action Plan.

All eligibility criteria will be in accordance with the current Public Housing Program regulations.

B. ESCROW ACCOUNTS

Increases in FSS participants rent shares due to increased earnings will be paid into an escrow account on behalf of participants. Upon the applicant's successful completion of the FSS Program, the participant will be eligible to receive the money in the escrow account.

C. TERMINATION OF ASSISTANCE

When a Family is terminated from the Public Housing Program, the Family Self-Sufficiency Contract of Participation is terminated immediately. FSS services may be withheld for other circumstances, as detailed in the FSS Action Plan.

For specific procedures regarding FSS participants, refer to the FSS Action Plan.

Chapter 18

GLOSSARY

I. TERMS USED IN DETERMINING RENT

ANNUAL INCOME (24 CFR 5.609)

Annual income is the anticipated total income from all sources. This includes net income derived from assets, received by the family head and spouse (even if temporarily absent) and by each additional family member for the 12 month period following the effective date of initial determination or reexamination of income. It does not include income that is temporary, non-recurring, or sporadic as defined in this section, or income that is specifically excluded by other federal statute. Annual income includes:

1. The full amount before any payroll deductions, of wages and salaries, overtime pay, commission's fees, tips and bonuses, and other compensation for personal services.
2. The net income from operation of a business or profession, including any withdrawal of cash or assets from the operation of the business. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining the net income from a business. An allowance for the straight-line depreciation of assets used in a business or profession may be deducted as provided in IRS regulations. Withdrawals of cash or assets will not be considered income when used to reimburse the family for cash or assets invested in the business.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for the straight-line depreciation of real or personal property is permitted. Withdrawals of cash or assets will not be considered income when used to reimburse the family for cash or assets invested in the property.

When the family has net family assets in excess of \$5,000, Annual Income shall include the greater of the actual income derived from all net family assets, or a percentage of the value of such assets based on the current passbook savings rate as determined by HUD.

4. The full amount of periodic payments received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts.

NOTE: Treatment of lump sum payments for delayed or deferred periodic payment of social security or SSI benefits is dealt with later in this section.

5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay.

6. All welfare assistance payments received by or on behalf of any family member. (24CFR 913.106(b)(6) contains rules applicable to "as-paid" States).
7. Periodic and determinable allowances, such as alimony and child care support payments, and regular cash contributions or gifts received from persons not residing in the dwelling.
8. All regular pay, special pay and allowances of a member of the Armed Forces (except special pay to a family member serving the Armed Forces who is exposed to hostile fire).

EXCLUSIONS FROM ANNUAL INCOME (24 CFR 5.609)

("previously unemployed" includes a person who has earned, in the previous twelve months, no more than would be received for 10 hours of work per week for 50 weeks at the established minimum wage.)
 - Whose employment income increases during the participation of a family member in any family self-sufficiency or other job training; or

4. Amounts received by the family that are specifically for, or in reimbursement of the cost of medical expenses for any family member.
5. Income of a live-in aide, provided the person meets the definition of a live-in aide.

 - (d) Amount received as a Resident services stipend. A modest amount (not to exceed \$200 per month) received by a public housing resident for performing a service for the SDHC, on a part-time basis, that enhances the quality of life in public housing. Such services may include but are not limited to, fire patrol, hall monitoring, lawn maintenance, emergency contact, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time.

Deconcentration Analysis and Policy

DECONCENTRATION OF POVERTY AND INCOME-MIXING

The San Diego Housing Commission’s Public Housing admission policy is designed to provide for deconcentration of poverty and mixing higher income tenants with lower income tenants and vice versa.

Annual Review of Tenant Characteristics

The SDHC will determine and compare the relative tenant incomes of each covered development and the average annual income of all families at these developments.

Upon analyzing its findings the SDHC will apply the policies, measures and incentives to bring higher income families into lower income developments and lower income families into higher income developments.

Agency-wide average annual income is established by averaging the annual income of all residents at all covered developments.

Definition of lower income development: The average annual income of the development is 85% or below that of the Agency-wide average.

Definition of higher income development: The average annual income of the development is 115% or above that of the Agency-wide average.

The SDHC will reserve at least 40% percent of new admissions to its public housing program in each fiscal year for “extremely-low” income families (30% below MAI) and the remaining 60% percent of new admissions for “low-income” families (31-80% of Median Area Income).

In regard to income mixing, and not admissions, there is no specific percentage target, but the SDHC’s income-mixing goals will be consistently furthered.

In order to further deconcentration efforts the SDHC may skip over low-income families on the waiting list to select higher income families for lower income developments and may skip over high-income families on the waiting list to select lower income families for higher income developments.

SDHC Incentives for Higher and Lower Income Families

In addition to maintaining its public housing stock in a manner that is safe, clean, well landscaped and attractive, the SDHC may offer the following incentives for higher income families (above 30% of MAI) moving into lower income developments and for lower income families (below 30% MAI) moving into higher income developments.

SDHC will approve a transfer request to another development of the family's preference after one year of occupancy at a development designated for deconcentration. (such transfers will be based on date order of similar requests received).

After a third referral for housing the SDHC will offer a choice of any lower-income development to a family with an income above 30% of Median Area Income, or a choice of any higher-income development to a family with an income below 30% of Median Area Income.

The SDHC may offer two (2) months free rent.

The SDHC may offer larger bedroom sizes to smaller families.

The SDHC's goal is to further deconcentration by proactively mixing incomes of households residing in particular public housing developments. Family self-sufficiency efforts for current residents may help in attaining this goal.

Deconcentration

The following covered development outside the Established Income Range is consistent with furthering two sets of goals: the goals of deconcentration of poverty and income mixing as specified by statute; and the local goals and strategies of the Housing Commission.

- The development at 12643 – 12687 El Camino Real, 45 units currently promotes income deconcentration. It is located approximately 25 miles north of the inner city and public transportation is limited due to location, requiring personal transportation. The units are 3, 4 and 5-bedrooms housing larger families with incomes outside the Established Income Range.

Attachment O - ca0630o07 – Resident Advisory Board Members Comments

As part of the Agency Plan development process, Public Housing Agencies (PHAs) are required to establish a Resident Advisory Board (RAB). The RAB advises the PHA, in Agency Plan development, by providing input on any new activity or modification to the public housing or Section 8 programs. The RAB membership consists of individuals who reflect and represent the residents assisted by the agency.

Beginning in November 2005 and continuing through February 2006, Housing Commission program staff met with the RAB members to receive input and discuss the development of the FY07 Annual Agency Plan, including the proposed changes to housing programs. RAB members listened to and commented on the proposed changes without significant disagreement on the intent and outcomes of those proposed changes, and concluded that the proposed changes were reasonable to maintain the effective / efficient operation of the housing programs as well as respond to program changes required by HUD.

The draft Plan, with attachments, was available for review at the main Housing Commission office and three public housing sites. In addition, the Housing Commission hosted a public hearing on February 6, 2006 at the Housing Commission's Gateway office to formally receive comments from the RAB membership and the public. The RAB members again discussed the proposed changes during this public hearing.

San Diego Housing Commission

Statement in Meeting the Five-Year Agency Plan Mission and Goals

During Fiscal Year 2005, the San Diego Housing Commission worked to achieve the goals and objectives listed in its 5-Year Agency Plan (FY2005 – FY2009), through the following:

- **396 households moved into newly acquired and rehabilitated affordable housing units** or bond financed affordable units. The Housing Commission, Housing Development Partners, and nonprofit and for profit housing developers, continue to construct and acquire additional units, using local, State, and Federal funds to secure below market-rate interest loans as well as multifamily bond financing. Multifamily Bond financing was also utilized to preserve federally mortgaged projects from converting to market rate housing.
- **696 owner occupied and rental housing units were rehabilitated** to meet health and safety standards. The Housing Commission has taken an active role in housing rehabilitation by providing clients with technical assistance and favorable financing for rehabilitation activities that are totally funded with public funds.
- **5 low-income households received homebuyer financial assistance.** Home funds were used to provide low income homebuyers with flexible affordable mortgage loan products, homeownership counseling and education, and down payment and closing cost assistance. Additional households were assisted with other sources such as redevelopment set-asides, inclusionary housing, and Housing Trust Funds.
- **52 low-income households received shared housing.** Through a contract with a non-profit senior service provider, low-income home-seekers, many at-risk of homelessness, were matched with home-providers to receive shared housing. 802 persons also received housing consultations.
-

In FY05, San Diego Housing Commission applied for, was awarded, and/or executed grant agreements for additional resident initiatives funding, including:

- ROSS Resident Services Delivery Model Program Grant: \$350,000 (executed).
- ROSS Neighborhood Networks Program Grant: \$200,000 (executed).
- Public Housing Family Self-Sufficiency Grant: \$ 63,000 (executed).
- Housing Choice Voucher Family Self Sufficiency Program Grant: \$315,000 (executed).
