ADMISSIONS AND CONTINUED OCCUPANCY POLICY

This Admissions and Continued Occupancy Policy defines the MICHIGAN CITY Housing Authority's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the MICHIGAN CITY Housing Authority to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity. The MICHIGAN CITY Housing Authority shall affirmatively further fair housing in the administration of its public housing program.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the MICHIGAN CITY Housing Authority's programs.

To further its commitment to full compliance with applicable Civil Rights laws, the MICHIGAN CITY Housing Authority will provide Federal/State/local information to applicants/tenants of the Public Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the MICHIGAN CITY Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The MICHIGAN CITY Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the appropriate housing discrimination forms. The MICHIGAN CITY Housing Authority will also assist them in completing the forms if requested, and will provide them with the address of the nearest HUD office of Fair Housing and Equal Opportunity.

2.0 REASONABLE ACCOMMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the MICHIGAN CITY Housing Authority housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability.

This policy clarifies how people can request accommodations and the guidelines the MICHIGAN CITY Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the MICHIGAN CITY Housing Authority will ensure that all applicants/tenants are aware of the opportunity to request reasonable accommodations.

2.1 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the tenant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests for reasonable accommodations will be in writing.

2.2 QUESTIONS TO ASK IN GRANTING THE ACOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of person with disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the MICHIGAN CITY Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the MICHIGAN CITY Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The MICHIGAN CITY Housing Authority will not inquire as to the nature of the disability.

- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The MICHIGAN CITY Housing Authority's business is housing. If the request would alter the fundamental business that the MICHIGAN CITY Housing Authority conducts, that would not be reasonable. For instance, the MICHIGAN CITY Housing Authority would deny a request to have the MICHIGAN CITY Housing Authority do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the MICHIGAN CITY Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.
- D. Generally the individual knows best what it is they need; however, the MICHIGAN CITY Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the MICHIGAN CITY Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the MICHIGAN CITY Housing Authority's programs and services, the MICHIGAN CITY Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the MICHIGAN CITY Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the MICHIGAN CITY Housing Authority will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the MICHIGAN CITY Housing Authority will generally approve such request if it does not violate codes or affect the structural integrity of the unit.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

3.0 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

The MICHIGAN CITY Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English.

4.0 FAMILY OUTREACH

The MICHIGAN CITY Housing Authority will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach people who cannot or do not read the newspapers, the MICHIGAN CITY Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The MICHIGAN CITY Housing Authority will also try to utilize public service announcements.

The MICHIGAN CITY Housing Authority will communicate the status of housing availability to other service providers in the community and inform them of housing eligibility factors and guidelines so they can make proper referrals for the Public Housing Program.

5.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

6.0 REQUIRED POSTINGS

In each of its offices, the MICHIGAN CITY Housing Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

- A. Statement of Policies and Procedures governing Admission and Continued Occupancy

- B. Notice of the status of the waiting list (opened or closed)
- C. A listing of all the developments by name, address, number of units, units designed with special accommodations, address of all project offices, office hours, telephone numbers, TDD numbers, and Resident Facilities and operation hours
- D. Income Limits for Admission
- E. Excess Utility Charges
- F. Utility Allowance Schedule
- G. Current Schedule of Routine Maintenance Charges
- H. Dwelling Lease
- I. Grievance Procedure
- J. Fair Housing Poster
- K. Equal Opportunity in Employment Poster
- L. Any current MICHIGAN CITY Housing Authority Notices

7.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

(Fill out the address where applications are accepted)

Applications are taken to compile a waiting list. Due to the demand for housing in the MICHIGAN CITY Housing Authority jurisdiction, the MICHIGAN CITY Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the MICHIGAN CITY Housing Authority will verify the information.

Applications may be made in person on **(Insert the days of the week and office times)**. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the MICHIGAN CITY Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the MICHIGAN CITY Housing Authority to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is **(Insert the telephone number)**.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the MICHIGAN CITY Housing Authority will make a preliminary determination of eligibility. The MICHIGAN CITY Housing Authority will notify the family in writing of the date and time of placement on the waiting list, and the approximate wait before housing may be offered. If the MICHIGAN CITY Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The MICHIGAN CITY Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The MICHIGAN CITY Housing Authority will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

8.0 ELIGIBILITY FOR ADMISSION

8.1 INTRODUCTION

There are five eligibility requirements for admission to public housing: qualifies as a family, has an income within the income limits, meets citizenship/eligible immigrant criteria, provides documentation of Social Security numbers, and signs consent authorization documents. In addition to the eligibility criteria, families must also meet the MICHIGAN CITY Housing Authority screening criteria in order to be admitted to public housing.

8.2 **ELIGIBILITY CRITERIA**

A. Family Status

1. A **family with or without children**. Such a family is defined as a group of people related by blood, marriage, adoption or affinity that live together in a stable family relationship.
 - a. Children temporarily absent from the home due to placement in foster care are considered family members.

 - b. Two or more persons with disabilities living together; or

 - d. For purposes of qualifying for low-income housing, does not include a person whose disability is based solely on any drug or alcohol dependence.
- 5. A **displaced family**, which is a family in which each member, or whose sole member, has been displaced by governmental action, or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
 - 6. A **remaining member of a tenant family**.
 - 7. A **single person** who is not an elderly or displaced person, a person with disabilities, or the remaining member of a tenant family.

B. Income Eligibility

- 1. To be eligible for admission to developments or scattered-site units, the family's annual income must be within the low-income limit set by HUD. This means the family income cannot exceed 80 percent of the median income for the area.
- 2. Income limits apply only at admission and are not applicable for continued occupancy.
- 3. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the MICHIGAN CITY Housing Authority.
- 4. If the MICHIGAN CITY Housing Authority acquires a property for federal public housing purposes, the families living there must have incomes within the low-income limit in order to be eligible to remain as public housing tenants.
- 5. Income limit restrictions do not apply to families transferring within our Public Housing Program.
- 6. The MICHIGAN CITY Housing Authority may allow police officers who would not otherwise be eligible for occupancy in public housing to reside in a public housing dwelling unit. Such occupancy must be needed to increase security for public housing residents. Their rent shall at least

equal the cost of operating the public housing unit.

7. **(For housing authorities with fewer than 250 public housing units)** If there are no eligible families on the waiting list and the MICHIGAN CITY Housing Authority has published a 30-day notice of available units in at least one newspaper of general circulation, families above the applicable income limit may be housed. They must vacate the unit if an eligible family applies.

C. Citizenship/Eligibility Status

1. To be eligible each member of the family must be a citizen, national, or a non-citizen who has eligible immigration status under one of the categories set forth in Section 214 of the Housing and Community Development Act of 1980 (see 42 U.S.C. 1436a(a)).
2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance (See Section 13.6 for calculating rents under the non-citizen rule).
 - c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the MICHIGAN CITY Housing Authority to obtain from State Wage Information Collection

Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy;

- b. A provision authorizing HUD or the MICHIGAN CITY Housing Authority to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
- c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and
- d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

8.3 SUITABILITY

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The MICHIGAN CITY Housing Authority will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, MICHIGAN CITY Housing Authority employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.
- B. The MICHIGAN CITY Housing Authority will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent;
 - 2. Ability to maintain (or with assistance would have the ability to maintain) their housing in a decent and safe condition based on living or housekeeping habits and whether such habits could adversely affect the health, safety, or welfare of other tenants;
 - 3. History of criminal activity by any household member involving crimes of physical violence against persons or property and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff or cause damage to the property;

3. History of disturbing neighbors or destruction of property;
 4. Having committed fraud in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from; and
 5. History of abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment by others.
- C. The MICHIGAN CITY Housing Authority will ask applicants to provide information demonstrating their ability to comply with the essential elements of the lease. The MICHIGAN CITY Housing Authority will verify the information provided. Such verification may include but may not be limited to the following:
1. A credit check of the head, spouse and co-head;
 2. A rental history check of all adult family members;
 3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the MICHIGAN CITY Housing Authority may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
 4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
 5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

8.4 GROUND FOR DENIAL

The MICHIGAN CITY Housing Authority is not required or obligated to assist applicants who:

- A. Do not meet any one or more of the eligibility criteria;

- B. Do not supply information or documentation required by the application process;

- L. Are illegally using a controlled substance or are abusing alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The MICHIGAN CITY Housing Authority may waive this requirement if:

8.5 INFORMAL REVIEW

- A. If the MICHIGAN CITY Housing Authority determines that an applicant does not meet the criteria for receiving public housing assistance, the MICHIGAN CITY Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision and state that the applicant may request an informal review of the decision within 10 business days of the denial. The MICHIGAN CITY Housing Authority will describe how to obtain the informal review.

The informal review may be conducted by any person designated by the MICHIGAN CITY Housing Authority, other than a person who made or approved the decision under review or subordinate of this person. The applicant must be given the opportunity to present written or oral objections to the MICHIGAN CITY Housing Authority's decision. The MICHIGAN CITY Housing Authority must notify the applicant of the final decision within 14 calendar days after the informal review, including a brief statement of the reasons for the final decision.

- B. The participant family may request that the MICHIGAN CITY Housing Authority provide for an Informal Hearing after the family has notification of an INS decision on their citizenship status on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of

receipt of the Notice of Denial or Termination of Assistance, or within 30 days of receipt of the INS appeal decision.

For the participant families, the Informal Hearing Process above will be utilized with the exception that the participant family will have up to 30 days of receipt of the Notice of Denial or Termination of Assistance, or of the INS appeal decision.

9.0 MANAGING THE WAITING LIST

9.1 *OPENING AND CLOSING THE WAITING LIST*

Opening of the waiting list will be announced with a public notice stating that applications for public housing will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation and also by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program and such applicants will not lose their place on other waiting lists when they apply for public housing. The notice will include the Fair Housing logo and slogan and will be in compliance with Fair Housing requirements.

Closing of the waiting list will also be announced with a public notice. The public notice will state the date the waiting list will be closed and for what bedroom sizes. The public notice will be published in a local newspaper of general circulation and also by any available minority media.

9.2 *ORGANIZATION OF THE WAITING LIST*

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of bedroom size, preference, and then in order of date and time of application; and
- C. Any contact between the MICHIGAN CITY Housing Authority and the applicant will be documented in the applicant file.

9.3 *FAMILIES NEARING THE TOP OF THE WAITING LIST*

When a family appears to be nearing the top of the waiting list, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be

near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The MICHIGAN CITY Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Once the preference has been verified, the family will complete a full application, present Social Security number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

9.4 PURGING THE WAITING LIST

The MICHIGAN CITY Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents the interested families for whom the MICHIGAN CITY Housing Authority has current information, i.e. applicant's address, family composition, income category, and preferences.

9.5 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The MICHIGAN CITY Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests in writing that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program; or
- C. The applicant does not meet either the eligibility or suitability criteria for the program.

9.6 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment with the MICHIGAN CITY Housing Authority will be sent a notice of termination of the process for eligibility.

The MICHIGAN CITY Housing Authority will allow the family to reschedule for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities will be given for good cause. When good cause exists for missing an appointment, the MICHIGAN CITY Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

9.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the MICHIGAN CITY Housing Authority, in writing, that they have ten (10) calendar days from the date of the written correspondence to present mitigating circumstances or

request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The MICHIGAN CITY Housing Authority system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the MICHIGAN CITY Housing Authority will verify that there is in fact a disability and the disability caused the failure to respond, and will provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

10.0 TENANT SELECTION AND ASSIGNMENT PLAN

10.1 PREFERENCES

The MICHIGAN CITY Housing Authority will select families based on the following preferences within each bedroom size category based on our local housing needs and priorities:

- A.
- B.
- C.

[The Housing Authority should adopt a set of preferences based on community needs and make sure the preferences are consistent with the Consolidated Plan and Fair Housing Law. Example preferences your Housing Authority might adopt:

- A. Applicants with an adult family member who either lives or works or has been hired to work in the (county or municipality) of the MICHIGAN CITY Housing Authority.**
- B. Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal Disaster Relief Laws.**
- C. Applicants with an adult family member enrolled in a employment training program, currently working (Insert the number of hours) hours a week, or attending school on a full-time basis. This preference is also extended equally to all elderly families and all families whose head or spouse is receiving income based on their inability to work.**
- D. All other applicants.]**

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, preference B families will be offered housing before any families in preference C, and preference C families will be offered housing before any families in preference D.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Buildings Designated as Elderly Only Housing: The **(Insert Development name or names)** has been approved by HUD as being designated for elderly only. In filling vacancies in this development, first priority will be given to elderly families. If there are no elderly families on the list, next priority will be given to the near-elderly. If there are no near-elderly, units will be offered to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Buildings Designated for Disabled Only Housing: The **(Insert Development name or names)** has been approved by HUD as being designated for persons with disabilities only. In filling vacancies in this development, first priority will be given to disabled families. If there are no disabled families on the list, next priority will be given to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

10.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the MICHIGAN CITY Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex (**will/will not**) share a bedroom.
- B. Children of the opposite sex, both under the age of (**insert an age**), will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster adults and/or foster children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines. A family may request a smaller unit size than the guidelines allow. The MICHIGAN CITY Housing Authority will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a

certification stating they understand they will be ineligible for a larger size unit for **(Insert amount of time, for example 3 years)** or until the family size changes, whichever may occur first.

- B. Units larger than assigned through the above guidelines. A family may request a larger unit size than the guidelines allow. The MICHIGAN CITY Housing Authority will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

10.3 SELECTION FROM THE WAITING LIST

The MICHIGAN CITY Housing Authority shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

[IF YOU HAVE A VOUCHER PROGRAM, YOU CAN ADD THIS PARAGRAPH]

If admissions of extremely low-income families to the MICHIGAN CITY Housing Authority's voucher program during a fiscal year exceed the 75 % minimum targeting requirement for the MICHIGAN CITY Housing Authority's voucher program, such excess shall be credited (subject to the limitations in this paragraph) against the MICHIGAN CITY Housing Authority's basic targeting requirement for the same fiscal year.

The fiscal year credit for voucher program admissions that exceeds the minimum voucher program targeting requirement shall not exceed the lower of:

- A. Ten % of public housing waiting list admissions during the MICHIGAN CITY Housing Authority fiscal year;
- B. Ten % of waiting list admissions to the MICHIGAN CITY Housing Authority's Section 8 tenant-based assistance program during the PHA fiscal year; or

- C. The number of qualifying low income families who commence occupancy during the fiscal year of MICHIGAN CITY Housing Authority public housing units located in census tracts with a poverty rate of 30 % or more. For this purpose, qualifying low income family means a low-income family other than an extremely low-income family.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

10.4 DECONCENTRATION POLICY

It is the MICHIGAN CITY Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The MICHIGAN CITY Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

10.5 DECONCENTRATION INCENTIVES

The MICHIGAN CITY Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

10.6 OFFER OF A UNIT

When the MICHIGAN CITY Housing Authority discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The MICHIGAN CITY Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the MICHIGAN CITY Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the MICHIGAN CITY Housing Authority will send the family a letter documenting the offer and the rejection.

10.7 REJECTION OF UNIT

If in making the offer to the family the MICHIGAN CITY Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the MICHIGAN CITY Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

10.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a

request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the MICHIGAN CITY Housing Authority will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to **(choose one of the following)**:

- A. **(The Total Tenant Payment or \$100.00 whichever is greater) or**
- B. **(A set amount determined by the Housing Authority).**

[Note: The housing authority should review by bedroom size the cost of vacancies over the last several months and set the deposit by bedroom size in an amount that would reasonably cover vacancy costs.]

In exceptional situations, the MICHIGAN CITY Housing Authority reserves the right to allow a new resident to pay their security deposit in up to three (3) payments. One third shall be paid in advance, one third with their second rent payment, and one third with their third rent payment. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family. Conversely, if the security deposit is less, the difference will be refunded to the family.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

11.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the MICHIGAN CITY Housing Authority adds the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the MICHIGAN CITY Housing Authority subtracts all allowable deductions (allowances) to determine the Total Tenant

Payment.

11.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

If it is not feasible to anticipate a level of income over a 12-month period (e.g. seasonal or cyclic income), or the MICHIGAN CITY Housing Authority believes that past income is the best available indicator of expected future income, the MICHIGAN CITY Housing Authority may annualize the income anticipated for a shorter period, subject to a redetermination at the end of the shorter period.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate,

as determined by HUD.

- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance
 - 1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 - 2. Imputed welfare income
 - a. A family's annual income includes the amount of imputed welfare income (because of a specified welfare benefits reduction, as specified in notice to the MICHIGAN CITY Housing Authority by the welfare agency) plus the total amount of other annual income.
 - b. At the request of the MICHIGAN CITY Housing Authority, the welfare agency will inform the MICHIGAN CITY Housing Authority in writing of the amount and term of any specified welfare benefit reduction for a family member, and the reason for such reduction, and will also inform the MICHIGAN CITY Housing Authority of any subsequent changes in the term or amount of such specified welfare benefit reduction. The

MICHIGAN CITY Housing Authority will use this information to determine the amount of imputed welfare income for a family.

- c. A family's annual income includes imputed welfare income in family annual income, as determined at an interim or regular reexamination of family income and composition, during the term of the welfare benefits reduction (as specified in information provided to the MICHIGAN CITY Housing Authority by the welfare agency).
- d. The amount of the imputed welfare income is offset by the amount of additional income a family receives that commences after the time the sanction was imposed. When such additional income from other sources is at least equal to the imputed welfare income, the imputed welfare income is reduced to zero.
- e. The MICHIGAN CITY Housing Authority will not include imputed welfare income in annual income if the family was not an assisted resident at the time of the sanction.
- f. If a resident is not satisfied that the MICHIGAN CITY Housing Authority has calculated the amount of imputed welfare income in accordance with HUD requirements, and if the MICHIGAN CITY Housing Authority denies the family's request to modify such amount, then the MICHIGAN CITY Housing Authority shall give the resident written notice of such denial, with a brief explanation of the basis for the MICHIGAN CITY Housing Authority's determination of the amount of imputed welfare income. The MICHIGAN CITY Housing Authority's notice shall also state that if the resident does not agree with the determination, the resident may grieve the decision in accordance with our grievance policy. The resident is not required to pay an escrow deposit for the portion of the resident's rent attributable to the imputed welfare income in order to obtain a grievance hearing.

3. Relations with welfare agencies

- a. The MICHIGAN CITY Housing Authority will ask welfare agencies to inform it of any specified welfare benefits reduction for a family member, the reason for such reduction, the term of any such reduction, and any subsequent welfare agency determination affecting the amount or term of a specified welfare benefits reduction. If the welfare agency determines a specified welfare benefits reduction for a family member, and gives the MICHIGAN CITY Housing Authority written notice of such reduction, the

family's annual incomes shall include the imputed welfare income because of the specified welfare benefits reduction.

- b. The MICHIGAN CITY Housing Authority is responsible for determining the amount of imputed welfare income that is included in the family's annual income as a result of a specified welfare benefits reduction as determined by the welfare agency, and specified in the notice by the welfare agency to the housing authority. However, the MICHIGAN CITY Housing Authority is not responsible for determining whether a reduction of welfare benefits by the welfare agency was correctly determined by the welfare agency in accordance with welfare program requirements and procedures, nor for providing the opportunity for review or hearing on such welfare agency determinations.
 - c. Such welfare agency determinations are the responsibility of the welfare agency, and the family may seek appeal of such determinations through the welfare agency's normal due process procedures. The MICHIGAN CITY Housing Authority shall rely on the welfare agency notice to the MICHIGAN CITY Housing Authority of the welfare agency's determination of a specified welfare benefits reduction.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
 - H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

11.2 ANNUAL INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;

- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
 - E. Income of a live-in aide;
 - F. The full amount of student financial assistance paid directly to the student or to the educational institution;
 - G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
 - H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, childcare, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, resident initiatives coordination, and serving as a member of the MICHIGAN CITY Housing Authority governing board. No resident may receive more than one such stipend during the same period of time;
 - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;
 - 6. Temporary, nonrecurring or sporadic income (including gifts);
-

7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:
 - a. Comparable Federal, State or local law means a program providing employment training and supportive services that:
 - i. Is authorized by a Federal, State or local law;
 - ii. Is funded by the Federal, State or local government;
 - iii. Is operated or administered by a public agency; and
 - iv. Has as its objective to assist participants in acquiring employment skills.
 - b. Exclusion period means the period during which the family member participates in a program described in this section, plus 18 months from the date the family member begins the first job acquired by the family member after completion of such program that is not funded by public housing assistance under the 1937 Act. If the family member is terminated from employment with good cause, the exclusion period shall end.
 - c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
11. The incremental earnings due to employment during a cumulative 12-month period following date of the initial hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:

- a. Families whose income increases as a result of employment of a family member who was previously unemployed for one or more years.
- b. Families whose income increases during the participation of a family member in any economic self-sufficiency or other job training program.
- c. Families who are or were, within 6 months, assisted under a State TANF or Welfare-to-Work program.

During the second cumulative 12-month period after the date of initial hire, 50% of the increased income shall be excluded from income.

The disallowance of increased income of an individual family member is limited to a lifetime 48-month period. It only applies for 12 months of the 100% exclusion and 12 months of the 50% exclusion.

(While HUD regulations allow for the housing authority to offer an escrow account in lieu of having a portion of their income excluded under this paragraph, it is the policy of this housing authority to provide the exclusion in all cases.)

- 12. Deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
- 13. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
- 14. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
- 15. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits. These exclusions include:
 - a. The value of the allotment of food stamps

11.3 DEDUCTIONS FROM ANNUAL INCOME

The following deductions will be made from annual income:

- A. \$480 for each dependent;
- B. \$400 for any elderly family or disabled family;

- C. The sum of the following, to the extent the sum exceeds three % of annual income:
 - 1. Unreimbursed medical expenses of any elderly family or disabled family; and
 - 2. Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed, but this allowance may not exceed the earned income received by family members who are 18 years of age or older who are able to work because of such attendant care or auxiliary apparatus.
- D. Reasonable childcare expenses necessary to enable a member of the family to be employed or to further his or her education. This deduction shall not exceed the amount of employment income that is included in annual income.

11.4 RECEIPT OF A LETTER OR NOTICE FROM HUD CONCERNING INCOME

- A. If a public housing resident receives a letter or notice from HUD concerning the amount or verification of family income, the letter shall be brought to the person responsible for income verification within thirty (30) days of receipt by the resident.
- B. The **[INSERT TITLE OF PHA OFFICIAL]** shall reconcile any difference between the amount reported by the resident and the amount listed in the HUD communication. This shall be done as promptly as possible.
- C. After the reconciliation is complete, the MICHIGAN CITY Housing Authority shall adjust the resident's rent beginning at the start of the next month unless the reconciliation is completed during the final five (5) days of the month and then the new rent shall take effect on the first day of the second month following the end of the current month. In addition, if the resident had not previously reported the proper income, the MICHIGAN CITY Housing Authority shall do one of the following:
 - 1. Immediately collect the back rent due to the agency;
 - 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 - 3. Terminate the lease and evict for failure to report income; or

4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.5 COOPERATING WITH WELFARE AGENCIES

The MICHIGAN CITY Housing Authority will make its best efforts to enter into cooperation agreements with local welfare agencies under which the welfare agencies will agree:

- A. To target assistance, benefits and services to families receiving assistance in the public housing and Section 8 tenant-based assistance program to achieve self-sufficiency; and
- B. To provide written verification to the MICHIGAN CITY Housing Authority concerning welfare benefits for families applying for or receiving assistance in our housing assistance programs.

12.0 VERIFICATION

The MICHIGAN CITY Housing Authority will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full-time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible non-citizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

12.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or, for citizenship, documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation with forms sent directly to and received directly by a source, not passed through the hands of the family. This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the MICHIGAN CITY Housing Authority or automatically by another government agency, i.e., the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party

documentation will include the same information as if the documentation had been written, i.e., name, date of contact, amount received, etc.

When third party verification cannot be obtained, the MICHIGAN CITY Housing Authority will accept documentation received from the applicant/tenant. Hand-carried documentation will be accepted if the MICHIGAN CITY Housing Authority has been unable to obtain third party verification in a 4-week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the MICHIGAN CITY Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

12.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the MICHIGAN CITY Housing Authority will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

proof of their status by such means as a birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible non-citizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible non-citizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The MICHIGAN CITY Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The MICHIGAN CITY Housing Authority will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the MICHIGAN CITY Housing Authority will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible non-citizens must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Non-citizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the MICHIGAN CITY Housing Authority determines that a family member has knowingly permitted an ineligible non-citizen (other than any ineligible non-citizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted. Such family will not be eligible to be readmitted to public housing for a period of 24 months from the date of eviction or termination.

12.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the MICHIGAN CITY Housing Authority will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security number, they will be required to sign a statement to this effect. The MICHIGAN CITY Housing Authority will not require any individual who does not have a Social Security number to obtain a Social Security number.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

12.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

12.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible non-citizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible non-citizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination.

Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

13.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

13.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the income method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
- B. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- C. Families have only one choice per year except for financial hardship cases. In order for families to make informed choices about their rent options, the MICHIGAN CITY will provide them with the following information whenever they have to make rent decisions:
 - 1. The MICHIGAN CITY Housing Authority's policies on switching types of rent in case of a financial hardship; and
 - 2. The dollar amount of tenant rent for the family under each option. If the family chose a flat rent for the previous year, the MICHIGAN CITY Housing Authority will provide the amount of income-based rent for the subsequent year only the year the MICHIGAN CITY Housing Authority conducts an income reexamination or if the family specifically requests it and submits updated income information.

13.2 THE INCOME METHOD

The total tenant payment is equal to the highest of:

- A. 10% of the family's monthly income;
- B. 30% of the family's adjusted monthly income; or
- C. If the family is receiving payments for welfare assistance from a public agency and a part of those payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of those payments which is so designated. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this provision is the amount resulting from one application of the percentage; or
- D. The minimum rent of \$**XXX**.

13.3 MINIMUM RENT

The MICHIGAN CITY Housing Authority has set the minimum rent at \$**XXX**. If the family requests a hardship exemption, however, the MICHIGAN CITY Housing Authority will suspend the minimum rent beginning the month following the family's request until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

- A. A hardship exists in the following circumstances:
 - 1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program, including a family that includes a member who is a non-citizen lawfully admitted for permanent residence under the Immigration and Nationality Act who would be entitled to public benefits but for title IV of the Personal Responsibility and Work Opportunity Act of 1996;
 - 2. When the family would be evicted because it is unable to pay the minimum rent;
 - 3. When the income of the family has decreased because of changed circumstances, including loss of employment; and
 - 4. When a death has occurred in the family.

- B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.
- C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the beginning of the suspension of the minimum rent. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.
- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

13.4 THE FLAT RENT

The MICHIGAN CITY Housing Authority has set a flat rent for each public housing unit. In doing so, it considered the size and type of the unit, as well as its age, condition, amenities, services, and neighborhood. The MICHIGAN CITY Housing Authority determined the market value of the unit and set the rent at the market value. The amount of the flat rent will be reevaluated annually and adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family (for more information on flat rents, see Section 15.3).

The MICHIGAN CITY Housing Authority will post the flat rents at each of the developments and at the central office. Flat rents are incorporated in this policy upon approval by the Board of Commissioners.

There is no utility allowance for families paying a flat rent.

13.5 CEILING RENT

The MICHIGAN CITY Housing Authority has set a ceiling rent for each public housing unit. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30-day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

The MICHIGAN CITY Housing Authority will post the ceiling rents at each of the developments and at the central office. Ceiling rents are incorporated in this policy upon approval by the Board of Commissioners.

13.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;
- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision, the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three (3) years. If granted after that date, the maximum period of time for assistance under the provision is eighteen (18) months. The MICHIGAN CITY Housing Authority will grant each family a period of six (6) months to find suitable affordable housing. If the family cannot find suitable affordable housing, the MICHIGAN CITY Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the MICHIGAN CITY Housing Authority. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.

- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

13.7 UTILITY ALLOWANCE

The MICHIGAN CITY Housing Authority shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the MICHIGAN CITY Housing Authority will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be evaluated at least annually as well as any time utility rate changes by 10% or more since the last revision to the allowances.

The utility allowance will be subtracted from the family's income rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the MICHIGAN CITY Housing Authority. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant. **[You can change this paragraph to provide for you paying the utility allowance directly to the utility companies as long as you notify the family of the amount paid to the utility supplier]**

For MICHIGAN CITY Housing Authority paid utilities, the MICHIGAN CITY Housing Authority will monitor the utility consumption of each household. Any consumption in excess of the allowance established by the MICHIGAN CITY Housing Authority will be billed to the tenant monthly.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

Families with high utility costs are encouraged to contact the MICHIGAN CITY Housing Authority for an energy analysis. The analysis may identify problems with the dwelling unit that once corrected will reduce energy costs. The analysis can also assist the family in identifying ways they can reduce their costs.

Requests for relief from surcharges for excess consumption of MICHIGAN CITY Housing Authority purchased utilities or from payment of utility supplier billings in excess of the utility allowance for tenant-paid utility costs may be granted by the MICHIGAN CITY Housing Authority on reasonable grounds. Requests shall be granted to families that include an elderly member or a member with disabilities. Requests by the family shall be submitted under the Reasonable Accommodation Policy. Families shall be advised of their right to individual relief at admission to public housing and at time of utility allowance changes.

13.8 PAYING RENT

Rent and other charges are due and payable on the first day of the month. All rents should be paid at **(Insert location to pay rent)**. Reasonable accommodations for this requirement will be made for persons with disabilities. As a safety measure, no cash shall be accepted as a rent payment.

If the rent is not paid by the fifth of the month, a Notice to Vacate will be issued to the tenant. In addition, a \$10 late charge or \$1 a day, whichever is greater, will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$10 for processing costs.

14.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

14.1 GENERAL

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities), or (2) participate in an economic self-sufficiency program, or (3) perform eight hours per month of combined activities as previously described unless they are exempt from this requirement.

14.2 EXEMPTIONS

The following adult family members of tenant families are exempt from this requirement:

- A. Family members who are 62 or older.
- B. Family members who are blind or disabled as defined under 216(I)(1) or 1614 of the Social Security Act (42 U.S.C. 416(I)(1) and who certifies that because of this disability she or he is unable to comply with the community service requirements.
- C. Family members who are the primary care giver for someone who is blind or disabled as set forth in Paragraph B above.

- D. Family members engaged in work activity.
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program.
- F. Family members receiving assistance, benefits or services under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program.

14.3 NOTIFICATION OF THE REQUIREMENT

The MICHIGAN CITY Housing Authority shall identify all adult family members who are apparently not exempt from the community service requirement.

The MICHIGAN CITY Housing Authority shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The MICHIGAN CITY Housing Authority shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after **[INSERT YOUR FISCAL YEAR BEGINNING AFTER OCTOBER 1, 2000]**. For families paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

14.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

The MICHIGAN CITY Housing Authority will coordinate with social service agencies, local schools, and the Human Resources Office in identifying a list of volunteer community service positions.

Together with the resident advisory councils, the MICHIGAN CITY Housing Authority may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

14.5 THE PROCESS

At the first annual reexamination on or after **[INSERT YOUR FISCAL YEAR BEGINNING AFTER OCTOBER 1, 2000]**, and each annual reexamination thereafter, the MICHIGAN CITY Housing Authority will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. Assign family members to a volunteer coordinator who will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The volunteer coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Thirty (30) days before the family's next lease anniversary date, the volunteer coordinator will advise the MICHIGAN CITY Housing Authority whether each applicable adult family member is in compliance with the community service requirement.

14.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The MICHIGAN CITY Housing Authority will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

14.7 OPPORTUNITY FOR CURE

The MICHIGAN CITY Housing Authority will offer the family member(s) the opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns go toward the current commitment until the current year's commitment is made.

The volunteer coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service, the MICHIGAN CITY Housing Authority shall take action to terminate the lease.

14.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the MICHIGAN CITY Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees, or replace a job at any location where residents perform activities to satisfy the service requirement.

15.0 RECERTIFICATIONS

At least annually, the MICHIGAN CITY Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

15.1 GENERAL

The MICHIGAN CITY Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or income method, and scheduling an appointment if they are currently paying an income rent. If the family thinks they may want to switch from a flat rent to an income rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the income method, forms for the family to

complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the MICHIGAN CITY Housing Authority will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

15.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the MICHIGAN CITY Housing Authority taking eviction actions against the family.

15.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the income amount.
- B. The amount of the flat rent.
- C. A fact sheet about income rents that explains the types of income counted, the most common types of income excluded, and the categories of allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the income based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for childcare, medical care, etc.

3. Other circumstances creating a hardship on the family such that the income method would be more financially feasible for the family.
- F. The dates upon which the MICHIGAN CITY Housing Authority expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. The name and phone number of an individual to call to get additional information or counseling concerning flat rents.
- H. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, MICHIGAN CITY Housing Authority will send a reexamination letter to the family offering the choice between a flat or an income rent. The opportunity to select the flat rent is available only at this time. At the appointment, the MICHIGAN CITY Housing Authority may assist the family in identifying the rent method that would be most advantageous for the family. If the family wishes to select the flat rent method without meeting with the MICHIGAN CITY Housing Authority representative, they may make the selection on the form and return the form to the MICHIGAN CITY Housing Authority. In such case, the MICHIGAN CITY Housing Authority will cancel the appointment.

15.4 THE INCOME METHOD

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the MICHIGAN CITY Housing Authority will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income;
- C. The welfare rent; or
- D. The minimum rent.

15.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective upon the anniversary date with thirty (30) days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

15.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decrease in allowable expenses between annual reexaminations.

Families are required to report the following changes to the MICHIGAN CITY Housing Authority between regular reexaminations. If the family's rent is being determined under the income method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The MICHIGAN CITY Housing Authority will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the income method, the family's annual income will be

recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with Section 15.8.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the MICHIGAN CITY Housing Authority will take timely action to process the interim reexamination and recalculate the tenant's rent.

15.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the MICHIGAN CITY Housing Authority may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

15.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

16.0 UNIT TRANSFERS

16.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management

purposes.

- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the MICHIGAN CITY Housing Authority's deconcentration goal.
- F. To eliminate vacancy loss and other expenses due to unnecessary transfers.

16.2 CATEGORIES OF TRANSFERS

Category A: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category B: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category C: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain MICHIGAN CITY Housing Authority occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the MICHIGAN CITY Housing Authority when a transfer is the only or best way of solving a serious problem.

16.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

16.4 INCENTIVE TRANSFERS

Transfer requests will be encouraged and approved for families who live in a development where their income category (below or above 30% of area median) predominates and wish to move to a development where their income category does not predominate.

Families living in multifamily developments have the opportunity to transfer to scattered-site housing. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;

- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year whichever is less;
- D. The family is current in the payment of all charges owed to the MICHIGAN CITY Housing Authority and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff;
- G. Participates in a series of classes conducted by the MICHIGAN CITY Housing Authority on basic home and yard care.

16.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Transfers in category C will be housed along with applicants for admission at a ratio of one transfer for every seven admissions.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges (key deposit and any additional security deposit owing) must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the MICHIGAN CITY Housing Authority and the family rejects two offers without good cause, the MICHIGAN CITY Housing Authority will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the MICHIGAN CITY Housing Authority's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

16.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);
or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the MICHIGAN CITY Housing Authority in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or

- B. When action or inaction by the MICHIGAN CITY Housing Authority has caused the unit to be unsafe or inhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

16.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the MICHIGAN CITY Housing Authority. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

16.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the MICHIGAN CITY Housing Authority may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The MICHIGAN CITY Housing Authority will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The MICHIGAN CITY Housing Authority will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

16.9 RIGHT OF THE MICHIGAN CITY HOUSING AUTHORITY IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

17.0 INSPECTIONS

An authorized representative of the MICHIGAN CITY Housing Authority and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the

MICHIGAN CITY Housing Authority file and a copy given to the family member. An authorized MICHIGAN CITY Housing Authority representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any MICHIGAN CITY Housing Authority damages to the unit.

17.1 MOVE-IN INSPECTIONS

The MICHIGAN CITY Housing Authority and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

17.2 ANNUAL INSPECTIONS

The MICHIGAN CITY Housing Authority will inspect each public housing unit annually to ensure that each unit meets the MICHIGAN CITY Housing Authority's housing standards. Work orders will be submitted and completed to correct any deficiencies.

17.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

17.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the MICHIGAN CITY Housing Authority.

17.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the MICHIGAN CITY Housing Authority will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

17.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections, the MICHIGAN CITY Housing Authority will give the tenant at least two (2) days written notice.

17.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the MICHIGAN CITY Housing Authority has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

17.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the MICHIGAN CITY Housing Authority will offer to schedule a pre-move-out inspection with the family. The inspection allows the MICHIGAN CITY Housing Authority to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the MICHIGAN CITY Housing Authority to ready units more quickly for the future occupants.

17.9 MOVE-OUT INSPECTIONS

The MICHIGAN CITY Housing Authority conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

18.0 PET POLICY

18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

18.2 PETS IN PUBLIC HOUSING

The MICHIGAN CITY Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to sign a statement that holds the Michigan City Housing Authority harmless from any claims caused by an action or inaction of the pet.

18.3 APPROVAL

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. This document will be required to be completed at each annual re-exemption.

18.4 TYPES AND NUMBER OF PETS

The MICHIGAN CITY Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, rodent (including a rabbit), fish in aquariums or a turtle will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

Owners must demonstrate at initial occupancy or within one year of occupancy that all dogs and cats have been spayed or neutered. A licensed veterinarian must verify this fact.

Only one pet per unit will be allowed.

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs or birds, will not be allowed.

No animal may exceed 25 lbs pounds in weight.

18.5 INNOCULATIONS

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the MICHIGAN CITY Housing Authority to attest to the inoculations.

18.6 PET DEPOSIT

A non-refundable pet deposit of \$150 and a refundable deposit of \$100 is required at the time of registering a pet. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate deposit is required for each pet. Boulevard Gardens will be exempt from the non-refundable pet deposit.

18.7 FINANCIAL OBLIGATION OF RESIDENTS

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the MICHIGAN CITY Housing Authority reserves the right to exterminate and charge the resident.

18.8 NUISANCE OR THREAT TO HEALTH OR SAFETY

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or MICHIGAN CITY Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

18.9 DESIGNATION OF PET AREAS

Pets must be kept in the owner's apartment or on a leash at all times when outside the unit (no outdoor cages may be constructed or outside chaining to any object will be permitted). Pets will be allowed only in designated areas on the grounds of the property if the MICHIGAN CITY Housing Authority designates a pet area for the particular site. Pet owners must clean up after their pets both inside their rental units or outside on Authority grounds and are responsible for disposing of pet waste. Pets must always be leashed under the physical control of the owner at all times when out side.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our

development(s)/(building(s)). This shall be implemented based on demand for this service.

18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit except as follows:

Cats – Not to exceed 48 hours

Dogs – Between 8 – 10 hours

If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be bagged and placed in a closed garbage container to protect owners and others from any health risks related to handling of cat litter.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violated any other conditions of this policy may be required to remove his/her pet from the development within 10 days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

Pets must not be left unsupervised in the presence of small children.

18.11 VISITING PETS

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to 48 hours. 24 hours prior to any visit the tenant and the pet owner must have a visiting pet form signed and approved by the Housing Authority. This form must include the length of stay and is also required to extend any pet stay. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

18.12 REMOVAL OF PETS

The MICHIGAN CITY Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the MICHIGAN CITY Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

19.0 REPAYMENT AGREEMENTS

When a resident owes the MICHIGAN CITY Housing Authority back charges and is unable to pay the balance by the due date, the resident may request that the MICHIGAN CITY Housing Authority allow them to enter into a Repayment Agreement. The MICHIGAN CITY Housing Authority has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed twelve (12) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

Note: If the housing authority has a minimum rent greater than \$0, they must allow for repayment agreements for those tenants whose rental amount is the minimum rent and who have had their rent abated for a temporary period.

20.0 TERMINATION

20.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 30-day written notice. If the tenant vacates prior to the end of the thirty (30) days, they will be responsible for rent through the end of the notice period or until the unit is re-rented, whichever occurs first.

20.2 TERMINATION BY THE HOUSING AUTHORITY

When a unit has been abandoned, an MICHIGAN CITY Housing Authority representative may enter the unit and remove any abandoned property. It will be stored in a reasonably secure place. A notice will be mailed to the resident stating where the property is being stored and when it will be sold. If there is any money left over and the family's forwarding address is known the MICHIGAN CITY Housing Authority will mail it to the family. If the family's address is not known, the MICHIGAN CITY Housing Authority will keep it for the resident for one year. If it is not claimed within that time, it belongs to the MICHIGAN CITY Housing Authority.

Within **(Insert number of days in accordance with State law)** days of learning of an abandonment, the MICHIGAN CITY Housing Authority will either return the deposit or provide a statement of why the deposit is being kept.

20.4 RETURN OF SECURITY DEPOSIT

If State law requires the payment of interest on security deposits, it shall be complied with.

SECTION 8 ADMINISTRATIVE PLAN

1.0 EQUAL OPPORTUNITY

1.1 FAIR HOUSING

It is the policy of the MCHA Housing Authority to comply fully with all Federal, State, and local nondiscrimination laws; the Americans With Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the ground of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the MCHA Housing Authority housing programs.

To further its commitment to full compliance with applicable Civil Rights laws, the MCHA Housing Authority will provide Federal/State/local information to applicants for and participants in the Section 8 Housing Program regarding discrimination and any recourse available to them if they believe they may be victims of discrimination. Such information will be made available with the application, and all applicable Fair Housing Information and Discrimination Complaint Forms will be made available at the MCHA Housing Authority office. In addition, all written information and advertisements will contain the appropriate Equal Opportunity language and logo.

The MCHA Housing Authority will assist any family that believes they have suffered illegal discrimination by providing them copies of the housing discrimination form. The MCHA Housing Authority will also assist them in completing the form, if requested, and will provide them with the address of the nearest HUD Office of Fair Housing and Equal Opportunity.

1.2 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the MCHA Housing Authority housing programs and related services. When such accommodations are granted they do not confer special treatment or advantage for the person with a disability; rather, they make the program fully accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how people can request accommodations and the guidelines the MCHA Housing Authority will follow in determining whether it is reasonable to provide a requested accommodation. Because disabilities are not always apparent, the MCHA Housing Authority will ensure that all applicants/participants are aware of the opportunity to request reasonable accommodations.

1.3 COMMUNICATION

Anyone requesting an application will also receive a Request for Reasonable Accommodation Form.

Notifications of reexamination, inspection, appointment, or eviction will include information about requesting a reasonable accommodation. Any notification requesting action by the participant will include information about requesting a reasonable accommodation.

All decisions granting or denying requests will be in writing.

1.4 QUESTIONS TO ASK IN GRANTING THE ACOMMODATION

- A. Is the requestor a person with disabilities? For this purpose the definition of disabilities is different than the definition used for admission. The Fair Housing definition used for this purpose is:

A person with a physical or mental impairment that substantially limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment. (The disability may not be apparent to others, i.e., a heart condition).

If the disability is apparent or already documented, the answer to this question is yes. It is possible that the disability for which the accommodation is being requested is a disability other than the apparent disability. If the disability is not apparent or documented, the MCHA Housing Authority will obtain verification that the person is a person with a disability.

- B. Is the requested accommodation related to the disability? If it is apparent that the request is related to the apparent or documented disability, the answer to this question is yes. If it is not apparent, the MCHA Housing Authority will obtain documentation that the requested accommodation is needed due to the disability. The MCHA Housing Authority will not inquire as to the nature of the disability.
- C. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:
1. Would the accommodation constitute a fundamental alteration? The MCHA Housing Authority's business is housing. If the request would alter the fundamental business that the MCHA Housing Authority conducts, that would not be reasonable. For instance, the MCHA Housing Authority would deny a request to have the MCHA Housing Authority do grocery shopping for the person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or

administrative burden? Frequently the requested accommodation costs little or nothing. If the cost would be an undue burden, the MCHA Housing Authority may request a meeting with the individual to investigate and consider equally effective alternatives.

Generally the individual knows best what they need; however, the MCHA Housing Authority retains the right to be shown how the requested accommodation enables the individual to access or use the MCHA Housing Authority's programs or services.

If more than one accommodation is equally effective in providing access to the MCHA Housing Authority's programs and services, the MCHA Housing Authority retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests will be borne by the MCHA Housing Authority if there is no one else willing to pay for the modifications. If another party pays for the modification, the MCHA Housing Authority will seek to have the same entity pay for any restoration costs.

If the participant requests, as a reasonable accommodation, that he or she be permitted to make physical modifications to their dwelling unit, at their own expense, the request should be made to the property owner/manager. The Housing Authority does not have responsibility for the owner's unit and does not have responsibility to make the unit accessible.

Any request for an accommodation that would enable a participant to materially violate family obligations will not be approved.

1.5 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND PARTICIPANTS

The MCHA Housing Authority will endeavor to have bilingual staff or access to people who speak languages other than English to assist non-English speaking families. The following languages will be covered:

(Insert the languages your housing authority will assist with)

1.6 FAMILY/OWNER OUTREACH

The MCHA Housing Authority will publicize the availability and nature of the Section 8 Program for extremely low-income, very low and low-income families in a newspaper of general circulation, minority media, and by other suitable means.

To reach persons, who cannot or do not read newspapers, the MCHA Housing Authority will distribute fact sheets to the broadcasting media and initiate personal contacts with members of the news media and community service personnel. The MCHA Housing Authority will also try to utilize public service announcements.

The MCHAHousing Authority will communicate the status of program availability to other service providers in the community and advise them of housing eligibility factors and guidelines so that they can make proper referral of their clients to the program.

The MCHAHousing Authority will hold briefings for owners who participate in or who are seeking information about the Section 8 Program. The briefings will be conducted in association with the property owners' association. Owners and managers participating in the Section 8 Program will participate in making this presentation. The briefing is intended to:

- A. Explain how the program works;
- B. Explain how the program benefits owners;
- C. Explain owners' responsibilities under the program. Emphasis is placed on quality screening and ways the MCHAHousing Authority helps owners do better screening; and
- D. Provide an opportunity for owners to ask questions, obtain written materials, and meet MCHAHousing Authority staff.

The MCHAHousing Authority will particularly encourage owners of suitable units located outside of low-income or minority concentration to attend. Targeted mailing lists will be developed and announcements mailed.

1.7 RIGHT TO PRIVACY

All adult members of both applicant and participant households are required to sign HUD Form 9886, *Authorization for Release of Information and Privacy Act Notice*. The *Authorization for Release of Information and Privacy Act Notice* states how family information will be released and includes the *Federal Privacy Act Statement*.

Any request for applicant or participant information will not be released unless there is a signed release of information request from the applicant or participant.

1.8 REQUIRED POSTINGS

The MCHAHousing Authority will post in each of its offices in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

Absence means that no member of the family is residing in the unit. The family may be absent from the unit for up to 30 days. The family must request permission from the MCHA Housing Authority for absences exceeding 30 days. The MCHA Housing Authority will make a determination within 5 business days of the request. Additional screening is the responsibility of the owner. Upon the request of a prospective owner, the MCHA Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with material standard lease terms or any history of drug trafficking.

4.0 MANAGING THE WAITING LIST

4.1 OPENING AND CLOSING THE WAITING LIST

Opening of the waiting list will be announced via public notice that applications for Section 8 will again be accepted. The public notice will state where, when, and how to apply. The notice will be published in a local newspaper of general circulation, and also

by any available minority media. The public notice will state any limitations to who may apply.

The notice will state that applicants already on waiting lists for other housing programs must apply separately for this program, and that such applicants will not lose their place on other waiting lists when they apply for Section 8. The notice will include the Fair Housing logo and slogan and otherwise be in compliance with Fair Housing requirements.

Closing of the waiting list will be announced via public notice. The public notice will state the date the waiting list will be closed. The public notice will be published in a local newspaper of general circulation, and also by any available minority media.

4.2 TAKING APPLICATIONS

Families wishing to apply for the Section 8 Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at:

(Fill out the address where applications are accepted)

Applications are taken to compile a waiting list. Due to the demand for Section 8 assistance in the MCHA Housing Authority jurisdiction, the MCHA Housing Authority may take applications on an open enrollment basis, depending on the length of the waiting list.

When the waiting list is open, completed applications will be accepted from all applicants. The MCHA Housing Authority will later verify the information in the applications relevant to the applicant's eligibility, admission, and level of benefit.

Applications may be made in person at the **(Insert the name of the office and address where applications will be accepted)** on **(Insert the days of the week and office times)**. Applications will be mailed to interested families upon request.

The completed application will be dated and time stamped upon its return to the MCHA Housing Authority.

Persons with disabilities who require a reasonable accommodation in completing an application may call the MCHA Housing Authority to make special arrangements to complete their application. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is **(Insert the telephone number)**.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information including name, address, phone number, family composition and family unit size, racial or ethnic designation of the head of household,

income category, and information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the families pre-application, the MCHA Housing Authority will make a preliminary determination of eligibility. The MCHA Housing Authority will notify the family in writing of the date and time of placement on the waiting list and the approximate amount of time before housing assistance may be offered. If the MCHA Housing Authority determines the family to be ineligible, the notice will state the reasons therefore and offer the family the opportunity of an informal review of this determination.

An applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The MCHA Housing Authority will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting list. The MCHA Housing Authority will ensure that verification of all preferences, eligibility, suitability selection factors are current in order to determine the family's final eligibility for admission into the Section 8 Program.

4.3 ORGANIZATION OF THE WAITING LIST

The waiting list will be maintained in accordance with the following guidelines:

- A. The application will be a permanent file;
- B. All applications will be maintained in order of preference and then in order of date and time of application;
- C. Any contact between the MCHA Housing Authority and the applicant will be documented in the applicant file.

Note: The waiting list cannot be maintained by bedroom size under current HUD regulations.

4.4 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be within 2 months of being offered assistance, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The MCHA Housing Authority must notify the family in writing of this determination, and give the family the opportunity for an informal review.

Once the preference has been verified the family will complete a full application, present Social Security Number information, citizenship/eligible immigrant information, and sign the Consent for Release of Information forms.

4.5 MISSED APPOINTMENTS

All applicants who fail to keep a scheduled appointment in accordance with the paragraph below will be sent a notice of denial.

The MCHA Housing Authority will allow the family to reschedule appointments for good cause. Generally, no more than one opportunity will be given to reschedule without good cause, and no more than two opportunities for good cause. When a good cause exists, the MCHA Housing Authority will work closely with the family to find a more suitable time. Applicants will be offered the right to an informal review before being removed from the waiting list.

4.6 PURGING THE WAITING LIST

The MCHA Housing Authority will update and purge its waiting list at least annually to ensure that the pool of applicants reasonably represents interested families. Purging also enables the Housing Authority to update the information regarding address, family composition, income category and preferences.

4.7 REMOVAL OF APPLICANTS FROM THE WAITING LIST

The MCHA Housing Authority will not remove an applicant's name from the waiting list unless:

- A. The applicant requests that the name be removed;
- B. The applicant fails to respond to a written request for information or a request to declare their continued interest in the program or misses scheduled appointments;
or
- C. The applicant does not meet either the eligibility or screening criteria for the program.

4.8 GROUNDS FOR DENIAL

The MCHA Housing Authority will deny assistance to applicants who:

- A. Do not meet any one or more of the eligibility criteria;
- B. Do not supply information or documentation required by the application process;

- C. Fail to respond to a written request for information or a request to declare their continued interest in the program;
- D. Fail to complete any aspect of the application or lease-up process;
- E. Have a history of criminal activity by any household member involving crimes of physical violence against persons or property, and any other criminal activity including drug-related criminal activity that would adversely affect the health, safety, or well being of other tenants or staff, or cause damage to the property.
- F. Currently owes rent or other amounts to any housing authority in connection with the public housing or Section 8 Programs.
- G. Have committed fraud, bribery, or any other corruption in connection with any Federal housing assistance program, including the intentional misrepresentation of information related to their housing application or benefits derived there from;
- H. Have a family member who was evicted from public housing within the last three years;
- I. Have a family member who was evicted from assisted housing within five years of the projected date of admission because of drug-related criminal activity involving the illegal manufacture, sale, distribution, or possession with the intent to manufacture, sell, distribute a controlled substance as defined in Section 102 of the Controlled Substances Act, 21 U.S.C. 802;
- J. Have a family member who is illegally using a controlled substance or abuses alcohol in a way that may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents. The MCHA Housing Authority may waive this requirement if:
 - 1. The person demonstrates to the MCHA Housing Authority's satisfaction that the person is no longer engaging in drug-related criminal activity or abuse of alcohol;
 - 2. The person has successfully completed a supervised drug or alcohol rehabilitation program;
 - 3. The person has otherwise been rehabilitated successfully; or
 - 4. The person is participating in a supervised drug or alcohol rehabilitation program.
- K. Have engaged in or threatened abusive or violent behavior towards any MCHA Housing staff or residents;

- L. Have a family household member who has been terminated under the Certificate or Voucher Program during the last three years;
- M. Have a family member who has been convicted of manufacturing or producing methamphetamine (speed) (Denied for life);
- N. Have a family member with a lifetime registration under a State sex offender registration program (Denied for life).

4.9 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the MCHA Housing Authority, in writing, that they have ten (10) business days, from the date of the written correspondence, to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The MCHA Housing Authority's system of removing applicants' names from the waiting list will not violate the rights of persons with disabilities. If an applicant's failure to respond to a request for information or updates was caused by the applicant's disability, the MCHA Housing Authority will provide a reasonable accommodation. If the applicant indicates that they did not respond due to a disability, the MCHA Housing Authority will verify that there is in fact a disability and that the accommodation they are requesting is necessary based on the disability. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

4.10 INFORMAL REVIEW

If the MCHA Housing Authority determines that an applicant does not meet the criteria for receiving Section 8 assistance, the MCHA Housing Authority will promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reason(s) for the decision, and state that the applicant may request an informal review of the decision within 10 business days of the denial. The MCHA Housing Authority will describe how to obtain the informal review. The informal review process is described in Section 16.2 of this Plan.

5.0 SELECTING FAMILIES FROM THE WAITING LIST

5.1 WAITING LIST ADMISSIONS AND SPECIAL ADMISSIONS

The Housing Authority may admit an applicant for participation in the program either as a special admission or as a waiting list admission.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the MCHA Housing Authority will use the assistance for those families.

5.2 **PREFERENCES**

The MCHA Housing Authority will select families based on the following preferences.

(The Housing Authority should adopt a set of preferences based on community needs and make sure the preferences are consistent with the Consolidated Plan and Fair Housing Law.)

(Example preferences your Housing Authority might adopt)

- A. Displaced person(s): Individuals or families displaced by government action or whose dwelling has been extensively damaged or destroyed as a result of a disaster declared or otherwise formally recognized pursuant to Federal disaster relief laws.
- B. Tenants in the MCHA Housing Authority Public Housing Program who are required to move and who cannot be placed in another public housing unit.
- C. Applicants with an adult family member enrolled in a employment training program or currently working (Insert the number of hours) hours a week, or attending school on a full-time basis. This preference is also extended equally to all elderly families and all families whose head or spouse is receiving income based on their inability to work.
- D. All other applicants who do not meet the definitions in the other preference categories.
- E. Applicants living in decent, safe and affordable housing. Affordable means that the family is paying 30% or less of their annual income for rent and utilities.

5.3 **SELECTION FROM THE WAITING LIST**

Based on the above preferences, all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C, and so forth.

The date and time of application will be utilized to determine the sequence within the above-prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Notwithstanding the above, if necessary to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low income, the MCHA Housing Authority retains the right to skip higher income families on the waiting

to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

6.0 ASSIGNMENT OF BEDROOM SIZES (SUBSIDY STANDARDS)

The MCHA Housing Authority will issue a voucher for a particular bedroom size – the bedroom size is a factor in determining the family’s level of assistance. The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the MCHA Housing Authority will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school or temporarily in foster-care.

Bedroom size will also be determined using the following guidelines:

- A. Children of the same sex (**will/will not**) share a bedroom.
- B. Children of the opposite sex, both under the age of (**insert an age**) will share a bedroom.
- C. Adults and children will not be required to share a bedroom.

- D. Foster—adults and children will not be required to share a bedroom with family members.
- E. Live-in aides will get a separate bedroom.

The MCHA Housing Authority will grant exceptions to normal occupancy standards when a family requests a larger size than the guidelines allow and documents a medical reason why the larger size is necessary.

The family unit size will be determined by the MCHA Housing Authority in accordance with the above guidelines and will determine the maximum rent subsidy for the family; however, the family may select a unit that may be larger or smaller than the family unit size. If the family selects a smaller unit, the payment standard for the smaller size will be used to calculate the subsidy. If the family selects a larger size, the payment standard for the family unit size will determine the maximum subsidy.

6.1 BRIEFING

When the MCHA Housing Authority selects a family from the waiting list, the family will be invited to attend a briefing explaining how the program works. In order to receive a voucher the family is required to attend the briefing. If they cannot attend the originally scheduled briefing, they may attend a later session. If the family fails to attend two briefings without good cause, they will be denied admission.

If an applicant with a disability requires auxiliary aids to gain full benefit from the briefing, the Housing Authority will furnish such aids where doing so would not result in a fundamental alteration of the nature of the program or in an undue financial or administrative burden. In determining the most suitable auxiliary aid, the Housing Authority will give primary consideration to the requests of the applicant. Families unable to attend a briefing due to a disability may request a reasonable accommodation such as having the briefing presented at an alternate location.

The briefing will cover at least the following subjects:

- A. A description of how the program works;
- B. Family and owner responsibilities;
- C. Where the family may rent a unit, including inside and outside the Housing Authority's jurisdiction;
- D. Types of eligible housing;
- E. For families qualified to lease a unit outside the Housing Authority's jurisdiction under portability, an explanation of how portability works;

- F. An explanation of the advantages of living in an area that does not have a high concentration of poor families; and
- G. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income.

6.2 PACKET

During the briefing, the Housing Authority will give the family a packet covering at least the following subjects:

- A. The term of the voucher and the Housing Authority's policy on extensions and suspensions of the term. The packet will include information on how to request an extension and forms for requesting extensions;
- B. How the Housing Authority determines the housing assistance payment and total tenant payment for the family;
- C. Information on the payment standard, exception payment standard rent areas, and the utility allowance schedule;
- D. How the Housing Authority determines the maximum rent for an assisted unit;
- E. Where the family may lease a unit. For families qualified to lease outside the Housing Authority's jurisdiction, the packet includes an explanation of how portability works;
- F. The HUD-required tenancy addendum that provides the language that must be included in any assisted lease, and a sample contract;
- G. The request for approval of the tenancy form and an explanation of how to request Housing Authority approval of a unit;
- H. A statement of the Housing Authority's policy on providing information to prospective owners. This policy requires applicants to sign disclosure statements allowing the Housing Authority to provide prospective owners with the family's current and prior addresses and the names and addresses of the landlords for those addresses. Upon request, the Housing Authority will also supply any factual information or third party verification relating to the applicant's history as a tenant or their ability to comply with material standard lease terms or any history of drug trafficking, drug-related criminal activity or any violent criminal activity;
- I. The Housing Authority's subsidy standards, including when the Housing Authority will consider granting exceptions to the standards;

- J. The HUD brochure on how to select a unit (“A Good Place to Live”);
- K. The HUD-required lead-based paint brochure;
- L. Information on Federal, State, and local equal opportunity laws; the brochure “Fair Housing: It’s Your Right;” and a copy of the housing discrimination complaint form;
- M. A list of landlords or other parties known to the MCHA Housing Authority who may be willing to lease a unit to the family or help the family find a unit;
- N. Notice that if the family includes a person with disabilities, the family may request a current list of accessible units known to the MCHA Housing Authority that may be available;
- O. The family’s obligations under the program;
- P. The grounds upon which the Housing Authority may terminate assistance because of the family’s action or inaction;
- Q. MCHA Housing Authority informal hearing procedures, including when the Housing Authority is required to provide the opportunity for an informal hearing, and information on how to request a hearing; and
- R. The MCHA Housing Authority owner information brochure. This brochure can be given by the applicant to a prospective owner to help explain the program.

6.3 ISSUANCE OF VOUCHER; REQUEST FOR APPROVAL OF TENANCY

Beginning August 12, 1999, the MCHA Housing Authority will issue only vouchers. Treatment of previously issued certificates and vouchers will be dealt with as outlined in Section 21.0 Transition to the New Housing Choice Voucher Program.

Once all family information has been verified, their eligibility determined, their subsidy calculated, and they have attended the family briefing, the MCHA Housing Authority will issue the voucher. At this point the family begins their search for a unit.

When the family finds a unit that the owner is willing to lease under the program, the family and the owner will complete and sign a proposed lease, the HUD required tenancy addendum and the request for approval of the tenancy form. The family will submit the proposed lease and the request form to the Housing Authority during the term of the voucher. The Housing Authority will review the request, the lease, and the HUD required tenancy addendum and make an initial determination of approval of tenancy. The Housing Authority may assist the family in negotiating changes that may be required for the tenancy to be approvable. Once it appears the tenancy may be approvable, the Housing Authority will schedule an appointment to inspect the unit within 15 days after

the receipt of inspection request from the family and owner. The 15 day period is suspended during any period the unit is unavailable for inspection. The Housing Authority will promptly notify the owner and the family whether the unit and tenancy are approvable.

During the initial stage of qualifying the unit, the Housing Authority will provide the prospective owner with information regarding the program. Information will include Housing Authority and owner responsibilities for screening and other essential program elements. The Housing Authority will provide the owner with the family's current and prior address as shown in the Housing Authority records along with the name and address (if known) of the landlords for those addresses.

Additional screening is the responsibility of the owner. Upon request by a prospective owner, the Housing Authority will provide any factual information or third party written information they have relevant to a voucher holder's history of, or ability to, comply with standard material lease terms.

6.4 TERM OF THE VOUCHER

The initial term of the voucher will be 60 days and will be stated on the Housing Choice Voucher.

The Housing Authority may grant one or more extensions of the term, but the initial term plus any extensions will never exceed 120 calendar days from the initial date of issuance. To obtain an extension, the family must make a request in writing prior to the expiration date. A statement of the efforts the family has made to find a unit must accompany the request. A sample extension request form and a form for recording their search efforts will be included in the family's briefing packet. If the family documents their efforts and additional time can reasonably be expected to result in success, the Housing Authority will grant the length of request sought by the family or 60 days, whichever is less.

If the family includes a person with disabilities and the family requires an extension due to the disability, the Housing Authority will grant an extension allowing the family the full 120 days search time. If the Housing Authority determines that additional search time would be a reasonable accommodation, the Housing Authority will request HUD to approve an additional extension.

Upon submittal of a completed request for approval of tenancy form, the MCHAHousing Authority will suspend the term of the voucher. The term will be in suspension until the date the Housing Authority provides notice that the request has been approved or denied. This policy allows families the full term (60 days, or more with extensions) to find a unit, not penalizing them for the period during which the Housing Authority is taking action on their request. A family may submit a second request for approval of tenancy before the Housing Authority finalizes action on the first request. In this case the suspension will last from the date of the first submittal through the Housing Authority's action on the second submittal. No more than two requests will be concurrently considered.

6.5 APPROVAL TO LEASE A UNIT

The MCHA Housing Authority will approve a lease if all of the following conditions are met:

- A. The unit is eligible;
- B. The unit is inspected by the Housing Authority and passes HQS;
- C. The lease is approvable and includes the language of the tenancy addendum;
- D. The rent to owner is reasonable;
- E. The family's share of rent does not exceed 40% of their monthly adjusted income;
- F. The owner has not been found to be debarred, suspended, or subject to a limited denial of participation by HUD or the Housing Authority; and
- G. The family continues to meet all eligibility and screening criteria.

If tenancy approval is denied, the Housing Authority will advise the owner and the family in writing and advise them also of any actions they could take that would enable the Housing Authority to approve the tenancy.

The lease term may begin only after all of the following conditions are met:

- A. The unit passes the Housing Authority HQS inspection;
- B. The family's share of rent does not exceed 40% of their monthly adjusted income;
- C. The landlord and tenant sign the lease to include the HUD required addendum; and
- D. The Housing Authority approves the leasing of the unit.

The Housing Authority will prepare the contract when the unit is approved for tenancy. Generally, the landlord, simultaneously with the signing of the lease and the HUD required tenancy addendum, will execute the contract. Upon receipt of the executed lease and the signed contract by the landlord, the Housing Authority will execute the contract. The Housing Authority will not pay any housing assistance to the owner until the contract is executed.

In no case will the contract be executed later than 60 days after the beginning of the lease term.

Any contract executed after the 60-day period will be void and the Housing Authority will not pay housing assistance to the owner.

6.6 MCHA HOUSING AUTHORITY DISAPPROVAL OF OWNER

The Housing Authority will deny participation by an owner at the direction of HUD. The Housing Authority will also deny the owner's participation for any of the following reasons:

- A. The owner has violated any obligations under a Section 8 Housing Assistance Payments Contract;
- B. The owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program;
- C. The owner has engaged in drug-related criminal activity or any violent criminal activity;
- D. The owner has a history or practice of non-compliance with HQS for units leased under Section 8 or with applicable housing standards for units leased with project-based Section 8 assistance or leased under any other Federal housing program;
- E. The owner has a history or practice of renting units that fail to meet State or local codes; or
- F. The owner has not paid State or local real estate taxes, fines, or assessments.
- G. The owner refuses (or has a history of refusing) to evict families for drug-related or violent criminal activity, or for activity that threatens the health, safety or right of peaceful enjoyment of the:
 - 1. premises by tenants, MCHA Housing Authority employees or owner employees; or
 - 2. residences by neighbors;
- H. Other conflicts of interest under Federal, State, or local law.

6.7 INELIGIBLE/ELIGIBLE HOUSING

The following types of housing cannot be assisted under the Section 8 Tenant-Based Program:

- A. A public housing or Indian housing unit;
- B. A unit receiving project-based assistance under a Section 8 Program;

- C. Nursing homes, board and care homes, or facilities providing continual psychiatric, medical or nursing services;
- D. College or other school dormitories;
- E. Units on the grounds of penal, reformatory, medical, mental, and similar public or private institutions;
- F. A unit occupied by its owner. This restriction does not apply to cooperatives or to assistance on behalf of a manufactured home owner leasing a manufactured home space; and
- G. A unit receiving any duplicative Federal, State, or local housing subsidy. This does not prohibit renting a unit that has a reduced rent because of a tax credit.

The MCHA Housing Authority will not approve a lease for any of the following special housing types, except as a reasonable accommodation for a family with disabilities:

- A. Congregate housing
- B. Group homes
- C. Shared housing
- D. Cooperative housing
- E. Single room occupancy housing

The MCHA Housing Authority will approve leases for the following housing types:

- A. Single family dwellings
- B. Apartments
- C. Manufactured housing
- D. Manufactured home space rentals
- E. House boats

6.8 SECURITY DEPOSIT

The owner may collect a security deposit from the tenant in an amount not in excess of amounts charged in private market practice and not in excess of amounts charged by the owner to unassisted tenants.

When the tenant moves out of the dwelling unit, the owner, subject to State or local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid rent payable by the tenant, damages to the unit or for other amounts the tenant owes under the lease.

The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount, if any, used to reimburse the owner, the owner must refund promptly the full amount of the unused balance to the tenant.

If the security deposit is not sufficient to cover amounts the tenant owes under the lease, the owner may seek to collect the balance from the tenant.

7.0 MOVES WITH CONTINUED ASSISTANCE

Participating families are allowed to move to another unit after the initial 12 months has expired, if the landlord and the participant have mutually agreed to terminate the lease, or if the Housing Authority has terminated the HAP contract. The MCHA Housing Authority will issue the family a new voucher if the family does not owe the MCHA Housing Authority or any other Housing Authority money, has not violated a Family Obligation, has not moved or been issued a certificate or voucher within the last 12 months, and if the MCHA Housing Authority has sufficient funding for continued assistance. If the move is necessitated for a reason other than family choice, the 12-month requirement will be waived.

7.1 *WHEN A FAMILY MAY MOVE*

For families already participating in the Certificate and Voucher Program, the MCHA Housing Authority will allow the family to move to a new unit if:

- A. The assisted lease for the old unit has terminated;
- B. The owner has given the tenant a notice to vacate, has commenced an action to evict the tenant, or has obtained a court judgment or other process allowing the owner to evict the tenant; or
- C. The tenant has given notice of lease termination (if the tenant has a right to terminate the lease on notice to the owner).

7.2 *PROCEDURES REGARDING FAMILY MOVES*

Families considering transferring to a new unit will be scheduled to attend a mover's briefing. All families who are moving, including any families moving into or out of the

MCHA Housing Authority's jurisdiction, will be required to attend a mover's briefing prior to the MCHA Housing Authority entering a new HAP contract on their behalf.

This briefing is intended to provide the following:

- A. A refresher on program requirements and the family's responsibilities. Emphasis will be on giving proper notice and meeting all lease requirements such as leaving the unit in good condition;
- B. Information about finding suitable housing and the advantages of moving to an area that does not have a high concentration of poor families;
- C. Payment standards, exception payment standard rent areas, and the utility allowance schedule;
- D. An explanation that the family share of rent may not exceed 40% of the family's monthly adjusted income;
- E. Portability requirements and opportunities;
- F. The need to have a reexamination conducted within 120 days prior to the move;
- G. An explanation and copies of the forms required to initiate and complete the move; and
- H. All forms and brochures provided to applicants at the initial briefing.

Families are required to give proper written notice of their intent to terminate the lease. In accordance with HUD regulations, no notice requirement may exceed 60 days. During the initial term, families may not end the lease unless they and the owner mutually agree to end the lease. If the family moves from the unit before the initial term of the lease ends without the owner's and the MCHA Housing Authority's approval, it will be considered a serious lease violation and subject the family to termination from the program.

The family is required to give the MCHA Housing Authority a copy of the notice to terminate the lease at the same time as it gives the notice to the landlord. A family's failure to provide a copy of the lease termination notice to the MCHA Housing Authority will be considered a violation of Family Obligations and may cause the family to be terminated from the program.

A family who gives notice to terminate the lease must mail the notice by certified mail or have the landlord or his agent sign a statement stating the date and time received. The family will be required to provide the certified mail receipt and a copy of the lease termination notice to the MCHA Housing Authority, or a copy of the lease termination notice and the signed statement stating the date and time the notice was received. If the

landlord or his/her agent does not accept the certified mail receipt, the family will be required to provide the receipt and envelope showing that the attempt was made.

Failure to follow the above procedures may subject the family to termination from the program.

8.0 PORTABILITY

8.1 *GENERAL POLICIES OF THE MCHA HOUSING AUTHORITY*

A family whose head or spouse has a domicile (legal residence) or works in the jurisdiction of the MCHA Housing Authority at the time the family first submits its application for participation in the program to the MCHA Housing Authority may lease a unit anywhere in the jurisdiction of the MCHA Housing Authority or outside the MCHA Housing Authority jurisdiction as long as there is another entity operating a tenant-based Section 8 program covering the location of the proposed unit.

If the head or spouse of the assisted family does not have a legal residence or work in the jurisdiction of the MCHA Housing Authority at the time of its application, the family will not have any right to lease a unit outside of the MCHA Housing Authority jurisdiction for a 12-month period beginning when the family is first admitted to the program. During this period, the family may only lease a unit located in the jurisdiction of the MCHA Housing Authority.

Families participating in the Voucher Program will not be allowed to move more than once in any 12-month period and under no circumstances will the MCHA Housing Authority allow a participant to improperly break a lease. Under extraordinary circumstances the MCHA Housing Authority may consider allowing more than one move in a 12-month period.

Families may only move to a jurisdiction where a Section 8 Program is being administered.

If a family has moved out of their assisted unit in violation of the lease, the MCHA Housing Authority will not issue a voucher, and will terminate assistance in compliance with Section 17.0, Grounds for Termination of the Lease and Contract.

8.2 *INCOME ELIGIBILITY*

A. Admission

A family must be income-eligible in the area where the family first leases a unit with assistance in the Voucher Program.

- B. If a portable family is already a participant in the Initial Housing Authority's Voucher Program, income eligibility is not re-determined.

8.3 PORTABILITY: ADMINISTRATION BY RECEIVING HOUSING AUTHORITY

- A. When a family utilizes portability to move to an area outside the Initial Housing Authority jurisdiction, another Housing Authority (the Receiving Housing Authority) must administer assistance for the family if that Housing Authority has a tenant-based program covering the area where the unit is located.
- B. A Housing Authority with jurisdiction in the area where the family wants to lease a unit must issue the family a voucher. If there is more than one such housing authority, the Initial Housing Authority may choose which housing authority shall become the Receiving Housing Authority.

8.4 PORTABILITY PROCEDURES

- A. When the MCHA Housing Authority is the Initial Housing Authority:
 - 1. The MCHA Housing Authority will brief the family on the process that must take place to exercise portability. The family will be required to attend an applicant or mover's briefing.
 - 2. The MCHA Housing Authority will determine whether the family is income-eligible in the area where the family wants to lease a unit (if applicable).
 - 3. The MCHA Housing Authority will advise the family how to contact and request assistance from the Receiving Housing Authority.
 - 4. The MCHA Housing Authority will, within ten (10) calendar days, notify the Receiving Housing Authority to expect the family.
 - 5. The MCHA Housing Authority will immediately mail to the Receiving Housing Authority the most recent HUD Form 50058 (Family Report) for the family, and related verification information.
- B. When the MCHA Housing Authority is the Receiving Housing Authority:
 - 1. When the portable family requests assistance from the MCHA Housing Authority, the MCHA Housing Authority will within ten (10) calendar days inform the Initial Housing Authority whether it will bill the Initial Housing Authority for assistance on behalf of the portable family, or absorb the family into its own program. When the MCHA Housing Authority receives a portable family, the family will be absorbed if funds are available and a voucher will be issued.

2. The MCHA Housing Authority will issue a voucher to the family. The term of the MCHA Housing Authority's voucher will not expire before the expiration date of any Initial Housing Authority's voucher. The MCHA Housing Authority will determine whether to extend the voucher term. The family must submit a request for tenancy approval to the MCHA Housing Authority during the term of the MCHA Housing Authority's voucher.
3. The MCHA Housing Authority will determine the family unit size for the portable family. The family unit size is determined in accordance with the MCHA Housing Authority's subsidy standards.
4. The MCHA Housing Authority will within ten (10) calendar days notify the Initial Housing Authority if the family has leased an eligible unit under the program, or if the family fails to submit a request for tenancy approval for an eligible unit within the term of the voucher.
5. If the MCHA Housing Authority opts to conduct a new reexamination, the MCHA Housing Authority will not delay issuing the family a voucher or otherwise delay approval of a unit unless the re-certification is necessary to determine income eligibility.
6. In order to provide tenant-based assistance for portable families, the MCHA Housing Authority will perform all Housing Authority program functions, such as reexaminations of family income and composition. At any time, either the Initial Housing Authority or the MCHA Housing Authority may make a determination to deny or terminate assistance to the family in accordance with 24 CFR 982.552.

C. Absorption by the MCHA Housing Authority

1. If funding is available under the consolidated ACC for the MCHA Housing Authority's Voucher Program when the portable family is received, the MCHA Housing Authority will absorb the family into its Voucher Program. After absorption, the family is assisted with funds available under the consolidated ACC for the MCHA Housing Authority's Tenant-Based Program.

D. Portability Billing

1. To cover assistance for a portable family, the Receiving Housing Authority may bill the Initial Housing Authority for housing assistance payments and administrative fees. The billing procedure will be as follows:

- a. As the Initial Housing Authority, the MCHA Housing Authority will promptly reimburse the Receiving Housing Authority for the full amount of the housing assistance payments made by the Receiving Housing Authority for the portable family. The amount of the housing assistance payment for a portable family in the Receiving Housing Authority's program is determined in the same manner as for other families in the Receiving Housing Authority's program.
- b. The Initial Housing Authority will promptly reimburse the Receiving Housing Authority for 80% of the Initial Housing Authority's on-going administrative fee for each unit month that the family receives assistance under the tenant-based programs and is assisted by the Receiving Housing Authority. If both Housing Authorities agree, we may negotiate a different amount of reimbursement.

E. When a Portable Family Moves

When a portable family moves out of the tenant-based program of a Receiving Housing Authority that has not absorbed the family, the Housing Authority in the new jurisdiction to which the family moves becomes the Receiving Housing Authority, and the first Receiving Housing Authority is no longer required to provide assistance for the family.

9.0 DETERMINATION OF FAMILY INCOME

9.1 INCOME, EXCLUSIONS FROM INCOME, DEDUCTIONS FROM INCOME

To determine annual income, the MCHA Housing Authority counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the MCHA Housing Authority subtracts out all allowable deductions (allowances) as the next step in determining the Total Tenant Payment.

9.2 INCOME

- A. Annual income means all amounts, monetary or not, that:
 - 1. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member, or
 - 2. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and

3. Are not specifically excluded from annual income.
- B. Annual income includes, but is not limited to:
1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
 2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
 3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
 4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
 5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)

6. Welfare assistance.
 - a. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - i. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - ii. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 - b. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
 - c. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted.
7. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
8. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

9.3 EXCLUSIONS FROM INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;

- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains and settlement for personal or property losses;
- D. Amounts received by the family that is specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;
- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:
 - 1. Amounts received under training programs funded by HUD;
 - 2. Amounts received by a person with a disability that are disregarded for a limited time for purposes of Supplemental Security Income eligibility and benefits because they are set aside for use under a Plan to Attain Self-Sufficiency (PASS);
 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiative coordination. No resident may receive more than one such stipend during the same period of time;
 - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only

for the period during which the family member participates in the employment training program;

6. Temporary, nonrecurring, or sporadic income (including gifts);
7. Reparation payments paid by a foreign government pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era;
8. Earnings in excess of \$480 for each full-time student 18 years old or older (excluding the head of household and spouse);
9. Adoption assistance payments in excess of \$480 per adopted child;
10. Deferred periodic amounts from Supplemental Security Income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts;
11. Amounts received by the family in the form of refunds or rebates under State or local law for property taxes paid on the dwelling unit;
12. Amounts paid by a State agency to a family with a member who has a developmental disability and is living at home to offset the cost of services and equipment needed to keep the developmentally disabled family member at home; or
13. Amounts specifically excluded by any other Federal statute from consideration as income for purposes of determining eligibility or benefits.

These exclusions include:

- a. The value of the allotment of food stamps
- b. Payments to volunteers under the Domestic Volunteer Services Act of 1973
- c. Payments received under the Alaska Native Claims Settlement Act
- d. Income from submarginal land of the U.S. that is held in trust for certain Indian tribes
- e. Payments made under HHS's Low-Income Energy Assistance Program
- f. Payments received under the Job Training Partnership Act

- g. Income from the disposition of funds of the Grand River Band of Ottawa Indians
- h. The first \$2000 per capita received from judgment funds awarded for certain Indian claims
- i. Amount of scholarships awarded under Title IV including Work-Study

- n. Earned income tax credit refund payments

9.4 DEDUCTIONS FROM ANNUAL INCOME

The following deductions will be made from annual income:

- A. \$480 for each dependent
- B. \$400 for any elderly family or disabled family
- C. For any family that is not an elderly or disabled family but has a member (other than the head or spouse) who is a person with a disability, disability assistance expenses in excess of 3% of annual income. This allowance may not exceed the employment income received by family members who are 18 years of age or older as a result of the assistance to the person with disabilities.
- D. For any elderly or disabled family:
 - 1. That has no disability assistance expenses, an allowance for medical expenses equal to the amount by which the medical expenses exceed 3% of annual income;
 - 2. That has disability expenses greater than or equal to 3% of annual income, an allowance for disability assistance expenses computed in accordance with paragraph C, plus an allowance for medical expenses that equal the family's medical expenses;

3. That has disability assistance expenses that are less than 3% of annual income, an allowance for combined disability assistance expenses and medical expenses that is equal to the total of these expenses less 3% of annual income.

E. Child care expenses.

10.0 VERIFICATION

The MCHA Housing Authority will verify information related to waiting list preferences, eligibility, admission and level of benefits prior to admission. Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations, full time student status of family members 18 years of age and older, Social Security Numbers, citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

10.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security Numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by third party verification. This type of verification includes written documentation (with forms sent directly to and received directly from a source, not passed through the hands of the family). This verification may also be direct contact with the source, in person or by telephone. It may also be a report generated by a request from the MCHA Housing Authority or automatically by another government agency, i.e. the Social Security Administration. Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name date of contact, amount received, etc.

When third party verification cannot be obtained, the MCHA Housing Authority will accept documentation received from the applicant/participant. Hand-carried documentation will be accepted if the MCHA Housing Authority has been unable to obtain third party verification in a four week period of time. Photocopies of the documents provided by the family will be maintained in the file.

When neither third party verification nor hand-carried verification can be obtained, the MCHA Housing Authority will accept a notarized statement signed by the head, spouse or co-head. Such documents will be maintained in the file.

10.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. 10.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/ eligible noncitizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. (They will be required to show proof of their status by such means as Social Security card, birth certificate, military ID or military DD 214 Form.)

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The MCHA Housing Authority will make a copy of the individual's INS documentation and place the copy in the file. The MCHA Housing Authority also will verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the MCHA Housing Authority will mail information to the INS so a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals or eligible noncitizens, or whose status cannot be confirmed, must be listed on a statement of non-eligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to the Section 8 Program.

Any family member who does not choose to declare their status must be listed on the statement of non-eligible members.

If no family member is determined to be eligible under this Section, the family's admission will be denied.

The family's assistance will not be denied, delayed, reduced or terminated because of a delay in the process of determining eligible status under this Section, except to the extent that the delay is caused by the family.

If the MCHA Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.

10.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security Number and who is at least six years of age must provide verification of his or her Social Security Number. New family members at least six years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security Number is the original Social Security card. If the card is not available, the MCHA Housing Authority will accept letters from Social Security that establish and state the number. Documentation from other governmental agencies will also be accepted that establish and state the number. Driver's license, military ID, passports, or other official documents that establish and state the number are also acceptable.

If an individual states that they do not have a Social Security Number they will be required to sign a statement to this effect. The MCHA Housing Authority will not require any individual who does not have a Social Security Number to obtain a Social Security Number.

If a member of an applicant family indicates they have a Social Security Number, but cannot readily verify it, the family cannot be assisted until verification is provided.

If a member of a tenant family indicates they have a Social Security Number, but cannot readily verify it, they shall be asked to certify to this fact and shall up to 60 days to provide the verification. If the individual is at least 62 years of age, they will be given 120 days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be denied assistance or will have their assistance terminated.

10.5 TIMING OF VERIFICATION

Verification must be dated within 90 days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update only those elements reported to have changed.

10.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their status will be verified.

For each family member age 6 and above, verification of Social Security Number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security Number at admission receives a Social Security Number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

11.0 RENT AND HOUSING ASSISTANCE PAYMENT

11.1 GENERAL

After August 12, 1999, the MCHA Housing Authority will issue only vouchers to applicants, movers, and families entering the jurisdiction through portability. Certificates currently held will continue to be honored until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete (see Section 21.0 for additional guidance).

11.2 RENT REASONABLENESS

The Housing Authority will not approve an initial rent or a rent increase in any of the tenant-based programs without determining that the rent amount is reasonable. Reasonableness is determined prior to the initial lease and at the following times:

- A. Before any increase in rent to owner is approved;
- B. If 60 days before the contract anniversary date there is a 5% decrease in the published FMR as compared to the previous FMR; and
- C. If the Housing Authority or HUD directs that reasonableness be re-determined.

11.3 COMPARABILITY

In making a rent reasonableness determination, the Housing Authority will compare the rent for the unit to the rent of comparable units in the same or comparable neighborhoods. The Housing Authority will consider the location, quality, size, number of bedrooms, age, amenities, housing services, maintenance and utilities of the unit and the comparable units.

The Housing Authority will maintain current survey information on rental units in the jurisdiction. The Housing Authority will also obtain from landlord associations and management firms the value of the array of amenities.

The Housing Authority will establish minimum base rent amounts for each unit type and bedroom size. To the base the Housing Authority will be able to add or subtract the dollar value for each characteristic and amenity of a proposed unit.

Owners are invited to submit information to the survey at any time. Owners may review the determination made on their unit and may submit additional information or make improvements to the unit that will enable the Housing Authority to establish a higher value.

The owner must certify the rents charged for other units. By accepting the housing assistance payment each month the owner is certifying that the rent to owner is not more than the rent charged by the owner for comparable unassisted units in the premises.

11.4 MAXIMUM SUBSIDY

The Fair Market Rent (FMR) published by HUD or the exception payment standard rent (requested by the MCHA Housing Authority and approved by HUD) determines the maximum subsidy for a family.

For a regular tenancy under the Certificate Program, the FMR/exception rent limit is the maximum initial gross rent under the assisted lease. This only applies until the transition of the merger of the Section 8 Certificate and Voucher programs as outlined in 24 CFR 982.502 is complete.

For the Voucher Program, the maximum payment standard will be 110% of the FMR without prior approval from HUD, or the exception payment standard approved by HUD.

For a voucher tenancy in an insured or noninsured 236 project, a 515 project of the Rural Development Administration, or a Section 221(d)(3) below market interest rate project the payment standard may not exceed the basic rent charged including the cost of tenant-paid utilities.

For manufactured home space rental, the maximum subsidy under any form of assistance is the Fair Market Rent for the space as outlined in 24 CFR 982.888.

11.4.1 Setting the Payment Standard

HUD requires that the payment standard be set by the Housing Authority at between 90 and 110% of the FMR. The MCHA Housing Authority will review its determination of the payment standard annually after publication of the FMRs. The MCHA Housing Authority will consider vacancy rates and rents in the market area, size and quality of units leased under the program, rents for units leased under the program, success rates of voucher holders in finding units, and the percentage of annual income families are paying for rent under the Voucher Program. If it is determined that success rates will suffer or that families are having to rent low quality units or pay over 40% of income for rent, the payment standard may be raised to the level judged necessary to alleviate these hardships.

Payment standards will not be raised solely to allow the renting of luxury quality units.

If success levels are projected to be extremely high and rents are projected to be at or below 30% of income, the Housing Authority will reduce the payment standard. Payment standards for each bedroom size are evaluated separately so that the payment standard for one bedroom size may increase or decrease while another remains unchanged. The MCHA Housing Authority may consider adjusting payment standards at times other than the annual review when circumstances warrant.

Before increasing any payment standard, the Housing Authority will conduct a financial feasibility test to ensure that in using the higher standard, adequate funds will continue to be available to assist families in the program.

11.4.2 Selecting the Correct Payment Standard for a Family

- A. For the voucher tenancy, the payment standard for a family is the lower of:
 - 1. The payment standard for the family unit size; or
 - 2. The payment standard for the unit size rented by the family.

- B. If the unit rented by a family is located in an exception rent area, the Housing Authority will use the appropriate payment standard for the exception rent area.
- C. During the HAP contract term for a unit, the amount of the payment standard for a family is the higher of:
 - 1. The initial payment standard (at the beginning of the lease term) minus any amount by which the initial rent to owner exceeds the current rent to owner; or
 - 2. The payment standard as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- D. At the next annual reexamination following a change in family size or composition during the HAP contract term and for any reexamination thereafter, paragraph C above does not apply.
- E. If there is a change in family unit size resulting from a change in family size or composition, the new family unit size will be considered when determining the payment standard at the next annual reexamination.

11.4.3 Area Exception Rents

In order to help families find housing outside areas of high poverty or when voucher holders are having trouble finding housing for lease under the program, the Housing Authority may request that HUD approve an exception payment standard rent for certain areas within its jurisdiction. The areas may be of any size, though generally not smaller than a census tract. The Housing Authority may request one such exception payment standard area or many. Exception payment standard rent authority may be requested for all or some unit sizes, or for all or some unit types.

When an exception payment standard rent has been approved and the FMR increases, the exception rent remains unchanged until such time as the Housing Authority requests and HUD approves a higher exception payment standard rent. If the FMR decreases, the exception payment standard rent authority automatically expires.

11.5 ASSISTANCE AND RENT FORMULAS

- A. Total Tenant Payment

The total tenant payment is equal to the highest of:

- 1. 10% of monthly income
- 2. 30% of adjusted monthly income

3. Minimum rent
4. The welfare rent

Plus any rent above the payment standard.

B. Minimum Rent.

The MCHA Housing Authority has set the minimum rent as \$ **XXX**. However, if the family requests a hardship exemption, the MCHA Housing Authority will suspend the minimum rent for the family beginning the month following the family's hardship request. The suspension will continue until the Housing Authority can determine whether hardship exists and whether the hardship is of a temporary or long-term nature. During suspension, the family will not be required to pay a minimum rent and the Housing Assistance Payment will be increased accordingly.

1. A hardship exists in the following circumstances:
 - a. When the family has lost eligibility for or is awaiting an eligibility determination for a Federal, State or local assistance program;
 - b. When the family would be evicted as a result of the imposition of the minimum rent requirement;
 - c. When the income of the family has decreased because of changed circumstances, including loss of employment;
 - d. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
 - e. When a death has occurred in the family.
2. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent to the Housing Authority for the time of suspension.
3. Temporary hardship. If the Housing Authority determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a reasonable repayment agreement for any minimum rent back

payment paid by the Housing Authority on the family's behalf during the period of suspension.

4. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
5. Appeals. The family may use the informal hearing procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the informal hearing procedures.

C. Section 8 Merged Vouchers

1. The payment standard is set by the Housing Authority between 90% and 110% of the FMR or higher or lower with HUD approval.
2. The participant pays the greater of the Total Tenant Payment or the minimum rent, plus the amount by which the gross rent exceeds the payment standard.
3. No participant when initially receiving tenant-based assistance on a unit shall pay more than 40% of their monthly-adjusted income.

D. Section 8 Preservation Vouchers

1. Payment Standard
 - a. The payment standard is the lower of:
 - i. The payment standard amount for the appropriate family unit size; or
 - ii. The payment standard amount for the size of the dwelling unit actually rented by the family.
 - b. If the dwelling unit is located in an exception area, the MCHA Housing Authority will use the appropriate payment standard for the exception area.
 - c. During the HAP contract term, the payment standard for the family is the higher of :
 - i. The initial payment standard (at the beginning of the HAP contract term), as determined in accordance with paragraph (1)(a) or (1)(b) of this section, minus any amount by which

the initial rent to the owner exceeds the current rent to the owner; or

- ii. The payment standard as determined in accordance with paragraph (1)(a) or (1)(b) of this section, as determined at the most recent regular reexamination of family income and composition effective after the beginning of the HAP contract term.
- d. At the next regular reexamination following a change in family composition that causes a change in family unit size during the HAP contract term, and for any examination thereafter during the term:
- i. Paragraph (c)(i) of this section does not apply; and
 - ii. The new family unit size must be used to determine the payment standard.
2. The MCHA Housing Authority will pay a monthly housing assistance payment on behalf of the family that equals the lesser of:
- a. The payment standard minus the total tenant payment; or
 - b. The gross rent minus the total tenant payment.

E. Manufactured Home Space Rental: Section 8 Vouchers

- 1. The payment standard for a participant renting a manufactured home space is the published FMR for rental of a manufactured home space.
- 2. The space rent is the sum of the following as determined by the Housing Authority:
 - a. Rent to the owner for the manufactured home space;
 - b. Owner maintenance and management charges for the space; and
 - c. Utility allowance for tenant paid utilities.
- 3. The participant pays the rent to owner less the HAP.
- 4. HAP equals the lesser of:
 - a. The payment standard minus the total tenant payment; or

- b. The rent paid for rental of the real property on which the manufactured home owned by the family is located.

F. Rent for Families under the Noncitizen Rule

A mixed family will receive full continuation of assistance if all of the following conditions are met:

1. The family was receiving assistance on June 19, 1995;
2. The family was granted continuation of assistance before November 29, 1996;
3. The family's head or spouse has eligible immigration status; and
4. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

If a mixed family qualifies for prorated assistance but decides not to accept it, or if the family has no eligible members, the family may be eligible for temporary deferral of termination of assistance to permit the family additional time for the orderly transition of some or all of its members to locate other affordable housing. Under this provision the family receives full assistance. If assistance is granted under this provision prior to November 29, 1996, it may last no longer than three years. If granted after that date, the maximum period of time for assistance under the provision is 18 months. The MCHA Housing Authority will grant each family a period of 6 months to find suitable affordable housing. If the family cannot find suitable affordable housing, the MCHA Housing Authority will provide additional search periods up to the maximum time allowable.

Suitable housing means housing that is not substandard and is of appropriate size for the family. Affordable housing means that it can be rented for an amount not exceeding the amount the family pays for rent, plus utilities, plus 25%.

The family's assistance is prorated in the following manner:

1. Find the prorated housing assistance payment (HAP) by dividing the HAP by the total number of family members, and then multiplying the result by the number of eligible family members.
2. Obtain the prorated family share by subtracting the prorated HAP from the gross rent (contract rent plus utility allowance).

3. The prorated tenant rent equals the prorated family share minus the full utility allowance.

11.6 UTILITY ALLOWANCE

The Housing Authority maintains a utility allowance schedule for all tenant-paid utilities (except telephone), for cost of tenant-supplied refrigerators and ranges, and for other tenant-paid housing services (e.g., trash collection (disposal of waste and refuse)).

The utility allowance schedule is determined based on the typical cost of utilities and services paid by energy-conservative households that occupy housing of similar size and type in the same locality. In developing the schedule, the Housing Authority uses normal patterns of consumption for the community as a whole and current utility rates.

The Housing Authority reviews the utility allowance schedule annually and revises any allowance for a utility category if there has been a change of 10% or more in the utility rate since the last time the utility allowance schedule was revised. The Housing Authority maintains information supporting the annual review of utility allowances and any revisions made in its utility allowance schedule. Participants may review this information at any time by making an appointment with the **XXXX** Department.

The Housing Authority uses the appropriate utility allowance for the size of dwelling unit actually leased by the family (rather than the family unit size as determined under the Housing Authority subsidy standards).

At each reexamination, the Housing Authority applies the utility allowance from the most current utility allowance schedule.

The Housing Authority will approve a request for a utility allowance that is higher than the applicable amount on the utility allowance schedule if a higher utility allowance is needed as a reasonable accommodation to make the program accessible to and usable by the family member with a disability.

The utility allowance will be subtracted from the family's share to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the owner. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belong to the tenant.

11.7 DISTRIBUTION OF HOUSING ASSISTANCE PAYMENT

The Housing Authority pays the owner the lesser of the housing assistance payment or the rent to owner. If payments are not made when due, the owner may charge the MCHA Housing Authority a late payment, agreed to in the Contract and in accordance with generally accepted practices in the MCHA jurisdiction.

11.8 CHANGE OF OWNERSHIP

The MCHA Housing Authority requires a written request by the owner who executed the HAP contract in order to make changes regarding who is to receive the MCHA Housing Authority's rent payment or the address as to where the rent payment should be sent.

In addition, the MCHA Housing Authority requires a written request from the new owner to process a change of ownership. The following documents must accompany the written request:

- A. Deed of Trust showing the transfer of title; and
- B. Tax Identification Number or Social Security Number.

New owners will be required to execute IRS form W-9. The MCHA Housing Authority may withhold the rent payment until the taxpayer identification number is received.

12.0 INSPECTION POLICIES, HOUSING QUALITY STANDARDS, AND DAMAGE CLAIMS

The MCHA Housing Authority will inspect all units to ensure that they meet Housing Quality Standards (HQS). No unit will be initially placed on the Section 8 Existing Program unless the HQS is met. Units will be inspected at least annually, and at other times as needed, to determine if the units meet HQS.

The MCHA Housing Authority must be allowed to inspect the dwelling unit at reasonable times with reasonable notice. The family and owner will be notified of the inspection appointment by first class mail. If the family can not be at home for the scheduled inspection appointment, the family must call and reschedule the inspection or make arrangements to enable the Housing Authority to enter the unit and complete the inspection.

If the family misses the scheduled inspection and fails to reschedule the inspection, the MCHA Housing Authority will only schedule one more inspection. If the family misses two inspections, the MCHA Housing Authority will consider the family to have violated a Family Obligation and their assistance will be terminated.

12.1 TYPES OF INSPECTIONS

There are seven types of inspections the MCHA Housing Authority will perform:

- A. Initial Inspection - An inspection that must take place to insure that the unit passes HQS before assistance can begin.

- B. Annual Inspection - An inspection to determine that the unit continues to meet HQS.
- C. Complaint Inspection - An inspection caused by the Authority receiving a complaint on the unit by anyone.
- D. Special Inspection - An inspection caused by a third party, i.e. HUD, needing to view the unit.
- E. Emergency - An inspection that takes place in the event of a perceived emergency. These will take precedence over all other inspections.
- F. Move Out Inspection (if applicable) - An inspection required for units in service before October 2, 1995, and optional after that date. These inspections document the condition of the unit at the time of the move-out.
- G. Quality Control Inspection - Supervisory inspections on at least 5% of the total number of units that were under lease during the Housing Authority's previous fiscal year.

12.2 OWNER AND FAMILY RESPONSIBILITY

- A. Owner Responsibility for HQS
 - 1. The owner must maintain the unit in accordance with HQS.
 - 2. If the owner fails to maintain the dwelling unit in accordance with HQS, the MCHA Housing Authority will take prompt and vigorous action to enforce the owner obligations. The MCHA Housing Authority's remedies for such breach of the HQS include termination, suspension or reduction of housing assistance payments and termination of the HAP contract.
 - 3. The MCHA Housing Authority will not make any housing assistance payments for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the MCHA Housing Authority and the MCHA Housing Authority verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects the owner must correct the defect within no more than 30 calendar days (or any MCHA Housing Authority approved extension).
 - 4. The owner is not responsible for a breach of the HQS that is not caused by the owner, and for which the family is responsible. Furthermore, the MCHA Housing Authority may terminate assistance to a family because of the HQS breach caused by the family.

B. Family Responsibility for HQS

1. The family is responsible for a breach of the HQS that is caused by any of the following:
 - a. The family fails to pay for any utilities that the owner is not required to pay for, but which are to be paid by the tenant;
 - b. The family fails to provide and maintain any appliances that the owner is not required to provide, but which are to be provided by the tenant; or
 - c. Any member of the household or a guest damages the dwelling unit or premises (damage beyond ordinary wear and tear).
2. If an HQS breach caused by the family is life threatening, the family must correct the defect within no more than 24 hours. For other family-caused defects, the family must correct the defect within no more than 30 calendar days (or any MCHA Housing Authority approved extension).
3. If the family has caused a breach of the HQS, the MCHA Housing Authority will take prompt and vigorous action to enforce the family obligations. The MCHA Housing Authority may terminate assistance for the family in accordance with 24 CFR 982.552.

12.3 HOUSING QUALITY STANDARDS (HQS) 24 CFR 982.401

This Section states performance and acceptability criteria for these key aspects of the following housing quality standards:

- c. Dwelling unit windows that are accessible from the outside, such as basement, first floor, and fire escape windows, must be lockable (such as window units with sash pins or sash locks, and combination windows with latches). Windows that are nailed shut are acceptable only if these windows are not needed for ventilation or as an alternate exit in case of fire.
- d. The exterior doors of the dwelling unit must be lockable. Exterior doors are doors by which someone can enter or exit the dwelling unit.

D. Thermal Environment

1. Performance Requirement

The dwelling unit must have and be capable of maintaining a thermal environment healthy for the human body.

The system must be able to provide adequate heat (and cooling, if applicable), either directly or indirectly, to each room, in order to assure a healthy living environment appropriate to the climate.
- b. The dwelling unit must not contain unvented room heaters that burn gas, oil, or kerosene. Electric heaters are acceptable.

E. Illumination and Electricity

1. Performance Requirement

Each room must have adequate natural or artificial illumination to permit normal indoor activities and to support the health and safety of occupants. The dwelling unit must have sufficient electrical sources so occupants can use essential electrical appliances. The electrical fixtures and wiring must ensure safety from fire.

2. Acceptability Criteria

- b. The roof must be structurally sound and weather tight.
- c. The exterior wall structure and surface must not have any serious defects such as serious leaning, buckling, sagging, large holes, or defects that may result in air infiltration or vermin infestation.
- d. The condition and equipment of interior and exterior stairs, halls, porches, walkways, etc., must not present a danger of tripping and falling. For example, broken or missing steps or loose boards are unacceptable.

- e. Elevators must be working and safe.

G. Interior Air Quality

1. Performance Requirement

The dwelling unit must be free of pollutants in the air at levels that threaten the health of the occupants.

- d. Any room used for sleeping must have at least one window. If the window is designed to be opened, the window must work.

H. Water Supply

1. Performance Requirements

The water supply must be free from contamination.

2. Acceptability Criteria

The dwelling unit must be served by an approvable public or private water supply that is sanitary and free from contamination.

I. Lead-based Paint

1. Definitions

- a. Chewable surface: Protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age; for example, protruding corners, window sills and frames, doors and frames, and other protruding woodwork.
- b. Component: An element of a residential structure identified by type and location, such as a bedroom wall, an exterior window sill, a baseboard in a living room, a kitchen floor, an interior window

sill in a bathroom, a porch floor, stair treads in a common stairwell, or an exterior wall.

- c. Defective paint surface: A surface on which the paint is cracking, scaling, chipping, peeling, or loose.
- d. Elevated blood level (EBL): Excessive absorption of lead. Excessive absorption is a confirmed concentration of lead in whole blood of 20 ug/dl (micrograms of lead per deciliter) for a single test or of 15-19 ug/dl in two consecutive tests 3-4 months apart.
- e. HEPA: A high efficiency particle accumulator as used in lead abatement vacuum cleaners.
- f. Lead-based paint: A paint surface, whether or not defective, identified as having a lead content greater than or equal to 1 milligram per centimeter squared (mg/cm^2), or 0.5 % by weight or 5000 parts per million (PPM).

2. Performance Requirements

- a. The purpose of this paragraph of this Section is to implement Section 302 of the Lead-Based Paint Poisoning Prevention Act, 42 U.S.C. 4822, by establishing procedures to eliminate as far as practicable the hazards of lead-based paint poisoning for units assisted under this part. This paragraph is issued under 24 CFR 35.24(b)(4) and supersedes, for all housing to which it applies, the requirements of subpart C of 24 CFR part 35.
- b. The requirements of this paragraph of this Section do not apply to 0-bedroom units, units that are certified by a qualified inspector to be free of lead-based paint, or units designated exclusively for the elderly. The requirements of subpart A of 24 CFR part 35 apply to all units constructed prior to 1978 covered by a HAP contract under part 982.
- c. If a dwelling unit constructed before 1978 is occupied by a family that includes a child under the age of six years, the initial and each periodic inspection (as required under this part), must include a visual inspection for defective paint surfaces. If defective paint surfaces are found, such surfaces must be treated in accordance with paragraph k of this Section.
- d. The Housing Authority may exempt from such treatment defective paint surfaces that are found in a report by a qualified lead-based paint inspector not to be lead-based paint, as defined in paragraph

1(f) of this Section. For purposes of this Section, a qualified lead-based paint inspector is a State or local health or housing agency, a lead-based paint inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD.

- e. Treatment of defective paint surfaces required under this Section must be completed within 30 calendar days of Housing Authority notification to the owner. When weather conditions prevent treatment of the defective paint conditions on exterior surfaces within the 30-day period, treatment as required by paragraph k of this Section may be delayed for a reasonable time.
- f. The requirements in this paragraph apply to:
 - i. All painted interior surfaces within the unit (including ceilings but excluding furniture);
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- g. In addition to the requirements of paragraph c of this Section, for a dwelling unit constructed before 1978 that is occupied by a family with a child under the age of six years with an identified EBL condition, the initial and each periodic inspection (as required under this part) must include a test for lead-based paint on chewable surfaces. Testing is not required if previous testing of chewable surfaces is negative for lead-based paint or if the chewable surfaces have already been treated.
- h. Testing must be conducted by a State or local health or housing agency, an inspector certified or regulated by a State or local health or housing agency, or an organization recognized by HUD. Lead content must be tested by using an X-ray fluorescence analyzer (XRF) or by laboratory analysis of paint samples. Where lead-based paint on chewable surfaces is identified, treatment of the paint surface in accordance with paragraph k of this Section is required, and treatment shall be completed within the time limits in paragraph c of this Section.

- i. The requirements in paragraph g of this Section apply to all protruding painted surfaces up to five feet from the floor or ground that are readily accessible to children under six years of age:
 - i. Within the unit;
 - ii. The entrance and hallway providing access to a unit in a multi-unit building; and
 - iii. Exterior surfaces (including walls, stairs, decks, porches, railings, windows and doors, but excluding outbuildings such as garages and sheds).
- j. In lieu of the procedures set forth in paragraph g of this Section, the housing authority may, at its discretion, waive the testing requirement and require the owner to treat all interior and exterior chewable surfaces in accordance with the methods set out in paragraph k of this Section.
- k. Treatment of defective paint surfaces and chewable surfaces must consist of covering or removal of the paint in accordance with the following requirements:
 - i. A defective paint surface shall be treated if the total area of defective paint on a component is:
 - (1) More than 10 square feet on an exterior wall;
 - (2) More than 2 square feet on an interior or exterior component with a large surface area, excluding exterior walls and including, but not limited to, ceilings, floors, doors, and interior walls;
 - (3) More than 10% of the total surface area on an interior or exterior component with a small surface area, including, but not limited to, windowsills, baseboards and trim.
 - ii. Acceptable methods of treatment are the following: removal by wet scraping, wet sanding, chemical stripping on or off site, replacing painted components, scraping with infra-red or coil type heat gun with temperatures below 1100 degrees, HEPA vacuum sanding, HEPA vacuum needle gun, contained hydroblasting or high pressure wash with HEPA vacuum, and abrasive sandblasting with HEPA vacuum. Surfaces must be covered with durable materials

with joint edges sealed and caulked as needed to prevent the escape of lead contaminated dust.

- iii. Prohibited methods of removal are the following: open flame burning or torching, machine sanding or grinding without a HEPA exhaust, uncontained hydroblasting or high pressure wash, and dry scraping except around electrical outlets or except when treating defective paint spots no more than two square feet in any one interior room or space (hallway, pantry, etc.) or totaling no more than twenty square feet on exterior surfaces.
- iv. During exterior treatment soil and playground equipment must be protected from contamination.
- v. All treatment procedures must be concluded with a thorough cleaning of all surfaces in the room or area of treatment to remove fine dust particles. Cleanup must be accomplished by wet washing surfaces with a lead solubilizing detergent such as trisodium phosphate or an equivalent solution.
- vi. Waste and debris must be disposed of in accordance with all applicable Federal, State, and local laws.
- l. The owner must take appropriate action to protect residents and their belongings from hazards associated with treatment procedures. Residents must not enter spaces undergoing treatment until cleanup is completed. Personal belongings that are in work areas must be relocated or otherwise protected from contamination.
- m. Prior to execution of the HAP contract, the owner must inform the Housing Authority and the family of any knowledge of the presence of lead-based paint on the surfaces of the residential unit.
- n. The Housing Authority must attempt to obtain annually from local health agencies the names and addresses of children with identified EBLs and must annually match this information with the names and addresses of participants under this part. If a match occurs, the Housing Authority must determine whether local health officials have tested the unit for lead-based paint. If the unit has lead-based paint, the Housing Authority must require the owner to treat the lead-based paint. If the owner does not complete the corrective actions required by this Section, the family must be issued a certificate or voucher to move.

- o. The Housing Authority must keep a copy of each inspection report for at least three years. If a dwelling unit requires testing, or if the dwelling unit requires treatment of chewable surfaces based on the testing, the Housing Authority must keep the test results indefinitely and, if applicable, the owner certification and treatment. The records must indicate which chewable surfaces in the dwelling units have been tested and which chewable surfaces were tested or tested and treated in accordance with the standards prescribed in this Section, such chewable surfaces do not have to be tested or treated at any subsequent time.
- p. The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

J. Access

1. Performance Requirements

The dwelling unit must be able to be used and maintained without unauthorized use of other private properties. The building must provide an alternate means of exit in case of fire (such as fire stairs or egress through windows).

K. Site and Neighborhood

1. Performance Requirements

The site and neighborhood must be reasonably free from disturbing noises and reverberations and other dangers to the health, safety, and general welfare of the occupants.

2. Acceptability Criteria

The site and neighborhood may not be subject to serious adverse environmental conditions, natural or manmade, such as dangerous walks or steps; instability; flooding, poor drainage, septic tank back-ups or sewage hazards; mudslides; abnormal air pollution, smoke or dust; excessive noise, vibration or vehicular traffic; excessive accumulations of trash; vermin or rodent infestation; or fire hazards.

L. Sanitary Condition

1. Performance Requirements

The dwelling unit and its equipment must be in sanitary condition.

2. Acceptability Criteria

The dwelling unit and its equipment must be free of vermin and rodent infestation.

M. Smoke Detectors

1. Performance Requirements

- a. Except as provided in paragraph b below of this Section, each dwelling unit must have at least one battery-operated or hard-wired smoke detector, in proper operating condition, on each level of the dwelling unit, including basements but excepting crawl spaces and unfinished attics. Smoke detectors must be installed in accordance with and meet the requirements of the National Fire Protection Association Standard (NFPA) 74 (or its successor standards). If the dwelling unit is occupied by any hearing-impaired person, smoke detectors must have an alarm system, designed for hearing-impaired persons as specified in NFPA 74 (or successor standards).
- b. For units assisted prior to April 24, 1993, owners who installed battery-operated or hard-wired smoke detectors prior to April 24, 1993, in compliance with HUD's smoke detector requirements, including the regulations published on July 30, 1992, (57 FR 33846), will not be required subsequently to comply with any additional requirements mandated by NFPA 74 (i.e., the owner would not be required to install a smoke detector in a basement not used for living purposes, nor would the owner be required to change the location of the smoke detectors that have already been installed on the other floors of the unit).

12.4 EXCEPTIONS TO THE HQS ACCEPTABILITY CRITERIA

The MCHA Housing Authority will utilize the acceptability criteria as outlined above with applicable State and local codes. Additionally, the MCHA Housing Authority has received HUD approval to require the following additional criteria:

- A. In each room, there will be at least one exterior window that can be opened and that contains a screen.
- B. Owners will be required to scrape peeling paint and repaint all surfaces cited for peeling paint with 2 coats of non-lead paint. An extension may be granted as a severe weather related item as defined below.

- C. Adequate heat shall be considered to be 68 degrees.
- D. In units where the tenant must pay for utilities, each unit must have separate metering device(s) for measuring utility consumption.
- E. A ¾” overflow pipe must be present on the hot water heater safety valves and installed down to within 6 inches of the floor.

12.5 TIME FRAMES AND CORRECTIONS OF HQS FAIL ITEMS

A. Correcting Initial HQS Fail Items

The MCHA Housing Authority will schedule a timely inspection of the unit on the date the owner indicates that the unit will be ready for inspection, or as soon as possible thereafter (within 5 working days) upon receipt of a Request for Tenancy Approval. The owner and participant will be notified in writing of the results of the inspection. If the unit fails HQS again, the owner and the participant will be advised to notify the MCHA Housing Authority to reschedule a re-inspection when the repairs have been properly completed.

On an initial inspection, the owner will be given up to 30 days to correct the items noted as failed, depending on the extent of the repairs that are required to be made. No unit will be placed in the program until the unit meets the HQS requirements.

B. HQS Fail Items for Units under Contract

The owner or participant will be given time to correct the failed items cited on the inspection report for a unit already under contract. If the failed items endanger the family’s health or safety (using the emergency item list below), the owner or participant will be given 24 hours to correct the violations. For less serious failures, the owner or participant will be given up to 30 days to correct the failed item(s).

If the owner fails to correct the HQS failed items after proper notification has been given, the MCHA Housing Authority will abate payment and terminate the contract in accordance with Sections 12.7 and 17.0(B)(3).

If the participant fails to correct the HQS failed items that are family-caused after proper notification has been given, the MCHA Housing Authority will terminate assistance for the family in accordance with Sections 12.2(B) and 17.0(B)(3).

C. Time Frames for Corrections

- 1. Emergency repair items must be abated within 24 hours.

2. Repair of refrigerators, range and oven, or a major plumbing fixture supplied by the owner must be abated within 72 hours.
3. Non-emergency items must be completed within 10 days of the initial inspection.
4. For major repairs, the owner will have up to 30 days to complete.

D. Extensions

At the sole discretion of the MCHA Housing Authority, extensions of up to 30 days may be granted to permit an owner to complete repairs if the owner has made a good faith effort to initiate repairs. If repairs are not completed within 60 days after the initial inspection date, the MCHA Housing Authority will abate the rent and cancel the HAP contract for owner noncompliance. Appropriate extensions will be granted if a severe weather condition exists for such items as exterior painting and outside concrete work for porches, steps, and sidewalks.

12.6 EMERGENCY FAIL ITEMS

The following items are to be considered examples of emergency items that need to be abated within 24 hours:

- A. No hot or cold water
- B. No electricity
- C. Inability to maintain adequate heat
- D. Major plumbing leak
- E. Natural gas leak
- F. Broken lock(s) on first floor doors or windows
- G. Broken windows that unduly allow weather elements into the unit
- H. Electrical outlet smoking or sparking
- I. Exposed electrical wires which could result in shock or fire
- J. Unusable toilet when only one toilet is present in the unit
- K. Security risks such as broken doors or windows that would allow intrusion
- L. Other conditions which pose an immediate threat to health or safety

12.7 ABATEMENT

When a unit fails to meet HQS and the owner has been given an opportunity to correct the deficiencies, but has failed to do so within the required timeframe, the rent for the dwelling unit will be abated.

The initial abatement period will not exceed 7 days. If the corrections of deficiencies are not made within the 7-day timeframe, the abatement will continue until the HAP contract is terminated. When the deficiencies are corrected, the MCHA Housing Authority will end the abatement the day the unit passes inspection. Rent will resume the following day and be paid the first day of the next month.

For tenant caused HQS deficiencies, the owner will not be held accountable and the rent will not be abated. The tenant is held to the same standard and timeframes for correction of deficiencies as owners. If repairs are not completed by the deadline, the MCHA Housing Authority will send a notice of termination to both the tenant and the owner. The tenant will be given the opportunity to request an informal hearing.

13.0 OWNER CLAIMS FOR DAMAGES, UNPAID RENT, AND VACANCY LOSS AND PARTICIPANT'S INSURING RESPONSIBILITIES

This Section only applies to HAP contracts in effect before October 2, 1995. Certificates have a provision for damages, unpaid rent, and vacancy loss. Vouchers have a provision for damages and unpaid rent. No vacancy loss is paid on vouchers. No Damage Claims will be processed unless the MCHA Housing Authority has performed a move-out inspection. Either the tenant or the owner can request the move-out inspection. Ultimately, it is the owner's responsibility to request the move-out inspection if he/she believes there may be a claim.

Damage claims are limited in the following manner:

- A. In the Certificate Program, owners are allowed to claim up to two (2) months contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease.
- B. In the Voucher Program, owners are allowed to claim up to one (1) month contract rent minus greater of the security deposit collected or the security deposit that should have been collected under the lease. There will be no payment for vacancy losses under the Voucher Program.
- C. No damage claims will be paid under either program effective on or after October 2, 1995.

13.1 OWNER CLAIMS FOR PRE-OCTOBER 2, 1995, UNITS

In accordance with the HAP contract, owners can make special claims for damages, unpaid rent, and vacancy loss (vacancy loss can not be claimed for vouchers) after the tenant has vacated or a proper eviction proceeding has been conducted.

Owner claims for damages, unpaid rent, and vacancy loss are reviewed for accuracy and completeness. Claims are then compared to the move-in and move-out inspections to determine if an actual claim is warranted. No claim will be paid for normal wear and tear. Unpaid utility bills are not an eligible claim item.

The MCHA Housing Authority will make payments to owners for approved claims. It should be noted that the tenant is ultimately responsible for any damages, unpaid rent, and vacancy loss paid to the owner and will be held responsible to repay the MCHA Housing Authority to remain eligible for the Section 8 Program.

Actual bills and receipts for repairs, materials, and labor must support claims for damages. The MCHA Housing Authority will develop a list of reasonable costs and charges for items routinely included on damage claims. This list will be used as a guide.

Owners can claim unpaid rent owned by the tenant up to the date of HAP termination.

In the Certificate Program, owners can claim for a vacancy loss as outlined in the HAP contract. In order to claim a vacancy loss, the owner must notify the MCHA Housing Authority immediately upon learning of the vacancy or suspected vacancy. The owner must make a good faith effort to rent the unit as quickly as possible to another renter.

All claims and supporting documentation under this Section must be submitted to the MCHA Housing Authority within thirty (30) days of the move-out inspection. Any reimbursement shall be applied first towards any unpaid rent. No reimbursement may be claimed for unpaid rent for the period after the family vacates.

13.2 PARTICIPANT RESPONSIBILITIES

If a damage claim or unpaid rent claim has been paid to an owner, the participant is responsible for repaying the amount to the MCHA Housing Authority. This shall be done by either paying the full amount due immediately upon the MCHA Housing Authority requesting it or through a Repayment Agreement that is approved by the MCHA Housing Authority.

If the participant is not current on any Repayment Agreements or has unpaid claims on more than one unit, the participant shall be terminated from the program. The participant retains the right to request an informal hearing.

14.0 RECERTIFICATION

14.1 ANNUAL REEXAMINATION

At least annually the MCHA Housing Authority will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family subsidy is correct based on the family unit size.

The MCHA Housing Authority will send a notification letter to the family letting them know that it is time for their annual reexamination and scheduling an appointment. The letter includes forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent form and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the MCHA Housing Authority will determine the family's annual income and will calculate their family share.

14.1.1 Effective Date of Rent Changes for Annual Reexaminations

The new family share will generally be effective upon the anniversary date with 30 days notice of any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30 day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the anniversary date.

If the family caused the delay, then any increase will be effective on the anniversary date. Any reduction will be effective the first of the month after the rent amount is determined.

14.1.2 Missed Appointments

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview

will result in the MCHA Housing Authority taking action to terminate the family's assistance.

14.2 INTERIM REEXAMINATIONS

During an interim reexamination only the information affected by the changes being reported will be reviewed and verified.

Families will not be required to report any increase in income or decreases in allowable expenses between annual reexaminations.

Families are required to report the following changes to the MCHA Housing Authority between regular reexaminations. These changes will trigger an interim reexamination.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.
- C. Family break-up

In circumstances of a family break-up, the MCHA Housing Authority will make a determination of which family member will retain the certificate or voucher, taking into consideration the following factors:

1. To whom the certificate or voucher was issued.
2. The interest of minor children or of ill, elderly, or disabled family members.
3. Whether the assistance should remain with the family members remaining in the unit.
4. Whether family members were forced to leave the unit as a result of actual or threatened physical violence by a spouse or other member(s) of the household.

If a court determines the disposition of property between members of the assisted family in a divorce or separation under a settlement of judicial decree, the MCHA Housing Authority will be bound by the court's determination of which family members continue to receive assistance in the program.

Because of the number of possible different circumstances in which a determination will have to be made, the MCHA Housing Authority will make determinations on a case by case basis.

The MCHA Housing Authority will issue a determination within 10 business days of the request for a determination. The family member requesting the determination may request an informal hearing in compliance with the informal hearings in Section 16.3.

In order to add a household member other than through birth or adoption (including a live-in aide) the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security Number if they have one, and must verify their citizenship/eligible immigrant status (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family). The new family member will go through the screening process similar to the process for applicants. The MCHA Housing Authority will determine the eligibility of the individual before allowing them to be added to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, the MCHA Housing Authority will grant approval to add their name to the lease. At the same time, the family's annual income will be recalculated taking into account the income and circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.2.2.

Families are not required to, but may at any time, request an interim reexamination based on a decrease in income, an increase in allowable expenses, or other changes in family circumstances. Upon such request, the MCHA Housing Authority will take timely action to process the interim reexamination and recalculate the family share.

14.2.1 Special Reexaminations

If a family's income is too unstable to project for 12 months, including families that temporarily have no income or have a temporary decrease in income, the MCHA Housing Authority may schedule special reexaminations every 60 days until the income stabilizes and an annual income can be determined.

14.2.2 Effective Date of Rent Changes Due to Interim or Special Reexaminations

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change

in a timely manner, the change will be effective the first of the month after the rent amount is determined.

15.0 TERMINATION OF ASSISTANCE TO THE FAMILY BY THE MCHA HOUSING AUTHORITY

The Housing Authority may at any time terminate program assistance for a participant, because of any of the actions or inaction by the household:

- A. If the family violates any family obligations under the program.
- B. If a family member fails to sign and submit consent forms.
- C. If a family fails to establish citizenship or eligible immigrant status and is not eligible for or does not elect continuation of assistance, pro-ration of assistance, or temporary deferral of assistance. If the MCHA Housing Authority determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their Section 8 unit, the family's assistance will be terminated. Such family will not be eligible to be readmitted to Section 8 for a period of 24 months from the date of termination.
- D. If any member of the family has ever been evicted from public housing.
- E. If the Housing Authority has ever terminated assistance under the Certificate or Voucher Program for any member of the family.
- F. If any member of the family commits drug-related criminal activity, or violent criminal activity.
- G. If any member of the family commits fraud, bribery or any other corrupt or criminal act in connection with any Federal housing program.
- H. If the family currently owes rent or other amounts to the Housing Authority or to another Housing Authority in connection with Section 8 or public housing assistance under the 1937 Act.
- I. If the family has not reimbursed any Housing Authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease.
- J. If the family breaches an agreement with the Housing Authority to pay amounts owed to a Housing Authority, or amounts paid to an owner by a Housing Authority. (The Housing Authority, at its discretion, may offer a family the opportunity to enter an agreement to pay amounts owed to a Housing Authority or

amounts paid to an owner by a Housing Authority. The Housing Authority may prescribe the terms of the agreement.)

- K. If a family participating in the FSS program fails to comply, without good cause, with the family's FSS contract of participation.
- L. If the family has engaged in or threatened abusive or violent behavior toward Housing Authority personnel.
- M. If any household member is subject to a lifetime registration requirement under a State sex offender registration program.
- N. If a household member's illegal use (or pattern of illegal use) of a controlled substance, or whose abuse (or pattern of abuse) of alcohol, is determined by the MCHA Housing Authority to interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

16.0 COMPLAINTS, INFORMAL REVIEWS FOR APPLICANTS, INFORMAL HEARINGS FOR PARTICIPANTS

16.1 COMPLAINTS

The MCHA Housing Authority will investigate and respond to complaints by participant families, owners, and the general public. The MCHA Housing Authority may require that complaints other than HQS violations be put in writing. Anonymous complaints are investigated whenever possible.

16.2 INFORMAL REVIEW FOR THE APPLICANT

A. Informal Review for the Applicant

The MCHA Housing Authority will give an applicant for participation in the Section 8 Existing Program prompt notice of a decision denying assistance to the applicant. The notice will contain a brief statement of the reasons for the MCHA Housing Authority decision. The notice will state that the applicant may request an informal review within 10 business days of the denial and will describe how to obtain the informal review.

B. When an Informal Review is not Required

The MCHA Housing Authority will not provide the applicant an opportunity for an informal review for any of the following reasons:

1. A determination of the family unit size under the MCHA Housing Authority subsidy standards.
2. A MCHA Housing Authority determination not to approve an extension or suspension of a certificate or voucher term.
3. A MCHA Housing Authority determination not to grant approval to lease a unit under the program or to approve a proposed lease.
4. A MCHA Housing Authority determination that a unit selected by the applicant is not in compliance with HQS.
5. A MCHA Housing Authority determination that the unit is not in accordance with HQS because of family size or composition.
6. General policy issues or class grievances.
7. Discretionary administrative determinations by the MCHA Housing Authority.

C. Informal Review Process

The MCHA Housing Authority will give an applicant an opportunity for an informal review of the MCHA Housing Authority decision denying assistance to the applicant. The procedure is as follows:

1. The review will be conducted by any person or persons designated by the MCHA Housing Authority other than the person who made or approved the decision under review or a subordinate of this person.
2. The applicant will be given an opportunity to present written or oral objections to the MCHA Housing Authority decision.
3. The MCHA Housing Authority will notify the applicant of the MCHA Housing Authority decision after the informal review within 14 calendar days. The notification will include a brief statement of the reasons for the final decision.

D. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the MCHA Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;
2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.

E. Informal Review Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The applicant family may request that the MCHA Housing Authority provide for an informal review after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the applicant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

For applicant families, the Informal Review Process above will be utilized with the exception that the applicant family will have up to 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or of the INS appeal decision to request the review.

16.3 INFORMAL HEARINGS FOR PARTICIPANTS

A. When a Hearing is Required

1. The MCHA Housing Authority will give a participant family an opportunity for an informal hearing to consider whether the following

MCHA Housing Authority decisions relating to the individual circumstances of a participant family are in accordance with the law, HUD regulations, and MCHA Housing Authority policies:

- a. A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b. A determination of the appropriate utility allowance (if any) for tenant-paid utilities from the MCHA Housing Authority utility allowance schedule.
 - c. A determination of the family unit size under the MCHA Housing Authority subsidy standards.
 - d. A determination that a Certificate Program family is residing in a unit with a larger number of bedrooms than appropriate for the family unit size under the MCHA Housing Authority subsidy standards, or the MCHA Housing Authority determination to deny the family's request for an exception from the standards.
 - e. A determination to terminate assistance for a participant family because of the family's action or failure to act.
 - f. A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under the MCHA Housing Authority policy and HUD rules.
2. In cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the MCHA Housing Authority will give the opportunity for an informal hearing before the MCHA Housing Authority terminates housing assistance payments for the family under an outstanding HAP contract.

B. When a Hearing is not Required

The MCHA Housing Authority will not provide a participant family an opportunity for an informal hearing for any of the following reasons:

1. Discretionary administrative determinations by the MCHA Housing Authority.
2. General policy issues or class grievances.
3. Establishment of the MCHA Housing Authority schedule of utility allowances for families in the program.

4. A MCHA Housing Authority determination not to approve an extension or suspension of a certificate or voucher term.
5. A MCHA Housing Authority determination not to approve a unit or lease.
6. A MCHA Housing Authority determination that an assisted unit is not in compliance with HQS. (However, the MCHA Housing Authority will provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family.)
7. A MCHA Housing Authority determination that the unit is not in accordance with HQS because of the family size.
8. A determination by the MCHA Housing Authority to exercise or not exercise any right or remedy against the owner under a HAP contract.

C. Notice to the Family

1. In the cases described in paragraphs 16.3(A)(1)(a), (b), and (c), of this Section, the MCHA Housing Authority will notify the family that the family may ask for an explanation of the basis of the MCHA Housing Authority's determination, and that if the family does not agree with the determination, the family may request an informal hearing on the decision.
2. In the cases described in paragraphs 16.3(A)(1)(d), (e), and (f), of this Section, the MCHA Housing Authority will give the family prompt written notice that the family may request a hearing within 10 business days of the notification. The notice will:
 - a. Contain a brief statement of the reasons for the decision; and
 - b. State this if the family does not agree with the decision, the family may request an informal hearing on the decision within 10 business days of the notification.

D. Hearing Procedures

The MCHA Housing Authority and participants will adhere to the following procedures:

1. Discovery
 - a. The family will be given the opportunity to examine before the hearing any MCHA Housing Authority documents that are directly relevant to the hearing. The family will be allowed to copy any such document at the family's expense. If the MCHA Housing

Authority does not make the document(s) available for examination on request of the family, the MCHA Housing Authority may not rely on the document at the hearing.

- b. The MCHA Housing Authority will be given the opportunity to examine, at the MCHA Housing Authority's offices before the hearing, any family documents that are directly relevant to the hearing. The MCHA Housing Authority will be allowed to copy any such document at the MCHA Housing Authority's expense. If the family does not make the document(s) available for examination on request of the MCHA Housing Authority, the family may not rely on the document at the hearing.

Note: The term **document** includes records and regulations.

2. Representation of the Family

At its own expense, a lawyer or other representative may represent the family.

3. Hearing Officer

- a. The hearing will be conducted by any person or persons designated by the MCHA Housing Authority, other than a person who made or approved the decision under review or a subordinate of this person.
- b. The person who conducts the hearing will regulate the conduct of the hearing in accordance with the MCHA Housing Authority hearing procedures.

4. Evidence

The MCHA Housing Authority and the family must have the opportunity to present evidence and may question any witnesses. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

5. Issuance of Decision

The person who conducts the hearing must issue a written decision within 14 calendar days from the date of the hearing, stating briefly the reasons for the decision. Factual determinations relating to the individual circumstances of the family shall be based on a preponderance of the evidence presented at the hearing.

6. Effect of the Decision

The MCHA Housing Authority is not bound by a hearing decision:

- a. Concerning a matter for which the MCHA Housing Authority is not required to provide an opportunity for an informal hearing under this Section, or that otherwise exceeds the authority of the person conducting the hearing under the MCHA Housing Authority hearing procedures.
- b. Contrary to HUD regulations or requirements, or otherwise contrary to Federal, State, or local law.
- c. If the MCHA Housing Authority determines that it is not bound by a hearing decision, the MCHA Housing Authority will notify the family within 14 calendar days of the determination, and of the reasons for the determination.

E. Considering Circumstances

In deciding whether to terminate assistance because of action or inaction by members of the family, the Housing Authority may consider all of the circumstances in each case, including the seriousness of the case, the extent of participation or culpability of individual family members, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

The Housing Authority may impose, as a condition of continued assistance for other family members, a requirement that family members who participated in or were culpable for the action or failure will not reside in the unit. The Housing Authority may permit the other members of a participant family to continue receiving assistance.

If the Housing Authority seeks to terminate assistance because of illegal use, or possession for personal use, of a controlled substance, or pattern of abuse of alcohol, such use or possession or pattern of abuse must have occurred within one year before the date that the Housing Authority provides notice to the family of the Housing Authority determination to deny or terminate assistance. In determining whether to terminate assistance for these reasons the MCHA Housing Authority will consider evidence of whether the household member:

1. Has successfully completed a supervised drug or alcohol rehabilitation program (as applicable) and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol;

2. Has otherwise been rehabilitated successfully and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol; or
 3. Is participating in a supervised drug or alcohol rehabilitation program and is no longer engaging in the illegal use of a controlled substance or abuse of alcohol.
- F. Informal Hearing Procedures for Denial of Assistance on the Basis of Ineligible Immigration Status

The participant family may request that the MCHA Housing Authority provide for an informal hearing after the family has notification of the INS decision on appeal, or in lieu of request of appeal to the INS. This request must be made by the participant family within 30 days of receipt of the *Notice of Denial or Termination of Assistance*, or within 30 days of receipt of the INS appeal decision.

17.0 TERMINATION OF THE LEASE AND CONTRACT

The term of the lease and the term of the HAP contract are the same. They begin on the same date and they end on the same date. The lease may be terminated by the owner, by the tenant, or by the mutual agreement of both. The owner may only terminate the contract by terminating the lease. The HAP contract may be terminated by the MCHA Housing Authority. Under some circumstances the contract automatically terminates.

A. Termination of the lease

1. By the family

The family may terminate the lease without cause upon proper notice to the owner and to the MCHA Housing Authority after the first year of the lease. The length of the notice that is required is stated in the lease (generally 30 days).

2. By the owner.

a. The owner may terminate the lease during its term on the following grounds:

- i. Serious or repeated violations of the terms or conditions of the lease;

- ii. Violation of Federal, State, or local law that impose obligations on the tenant in connection with the occupancy or use of the unit and its premises;
 - iii. Criminal activity by the household, a guest, or another person under the control of the household that threatens the health, safety, or right to peaceful enjoyment of the premises by other persons residing in the immediate vicinity of the premises;
 - iv. Any drug-related criminal activity on or near the premises;
 - v. Other good cause. Other good cause may include, but is not limited to:
 - (1) Failure by the family to accept the offer of a new lease;
 - (2) Family history of disturbances of neighbors or destruction of property, or living or housekeeping habits resulting in damage to the property or unit;
 - (3) The owner's desire to utilize the unit for personal or family use or for a purpose other than use as a residential rental unit;
 - (4) A business or economic reason such as sale of the property, renovation of the unit, desire to rent at a higher rental amount.
- b. During the first year the owner may not terminate tenancy for other good cause unless the reason is because of something the household did or failed to do.
 - c. The owner may only evict the tenant by instituting court action. The owner must give the MCHA Housing Authority a copy of any owner eviction notice to the tenant at the same time that the owner gives the notice to the tenant.
 - d. The owner may terminate the contract at the end of the initial lease term or any extension of the lease term without cause by providing notice to the family that the lease term will not be renewed.
3. Termination of the Lease by mutual agreement

The family and the owner may at any time mutually agree to terminate the lease.

- a. If the MCHA Housing Authority terminates assistance to the family, the contract terminates automatically.
- b. If the family moves out of the unit, the contract terminates automatically.
- c. The contract terminates automatically 180 calendar days after the last housing assistance payment to the owner.

2. Termination of the contract by the owner

The owner may only terminate tenancy in accordance with lease and State and local law.

3. Termination of the HAP contract by the MCHA Housing Authority

The Housing Authority may terminate the HAP contract because:

- a. The Housing Authority has terminated assistance to the family.
- b. The unit does not meet HQS space standards because of an increase in family size or change in family composition.

- d. When the family breaks up and the MCHA Housing Authority determines that the family members who move from the unit will continue to receive the assistance.
- e. The MCHA Housing Authority determines that there is insufficient funding in their contract with HUD to support continued assistance for families in the program.
- f. The owner has breached the contract in any of the following ways:

 - iii. If the owner has committed fraud, bribery, or any other corrupt or criminal act in connection with any Federal housing program.
 - iv. For projects with mortgages insured by HUD or loans made by HUD, if the owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement;
 - v. If the owner has engaged in drug trafficking.
4. Final HAP payment to owner

The HAP payment stops when the lease terminates. The owner may keep the payment for the month in which the family moves out. If the owner has begun eviction proceedings and the family continues to occupy the unit, the Housing Authority will continue to make payments until the owner obtains a judgment or the family moves out.
