Other PHA Goals and Objectives: (list below)

Goal One: Manage the Housing Authority of Vanceburg's existing 52 unit public housing program in an efficient and effective manner thereby qualifying it as at least a standard performer.

Objectives:

1. If HUD provides appropriate, timely, and adequate funding, the Housing Authority of Vanceburg will be a high performer at the end of deregulation.
2. The Housing Authority of Vanceburg shall promote a motivating, work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.

Goal Two: Provide a safe and secure environment in the Housing Authority of Vanceburg's public housing developments.

Objective:

1. The Housing Authority of Vanceburg, with appropriate, timely, and adequate funding from HUD, shall reduce crime in its developments so that the crime rate is less than the rest of the City of Vanceburg. To achieve this goal there will be strict lease enforcement so that those not living within the terms of the lease will be finding alternate accommodations and by thorough background checks of all applicants for subsidized housing.
2. Utilizing Capital Funds, the Housing Authority of Vanceburg will convert to the Best Locking system and provide dusk to dawn porch lights on the front and back of each unit.
3. Utilizing Capital Funds the Housing Authority of Vanceburg will provide as much rod-iron fencing as possible to delineate semi-public and public space from semi-private and private space.

Goal Three: The Housing Authority of Vanceburg will partner with as many organizations as necessary to expand opportunities for residents in the areas of education for employment and activities for youth. These partnerships shall exist as long as funding

and need exist. The housing authority currently partners with the GED program of the Maysville Community and Technical College and has applied for a ROSS grant to build and maintain a distance-learning center with Morehead State University. Since the Housing Authority did not qualify for the ROSS grant due to the prior management and financial conditions, this goal has been put off until the proper conditions for submission exist.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- More closely screening of applicants.
- More stringent and prompt enforcement of the “One Strike and You’re Out” law.
- Establishment of excellence in the areas of finance and management.
- Continuous exploration of opportunities for programming, providing funds and need are present. All available partnerships will be explored for opportunities.
- Faster evictions for those who will not follow the rules (including payment of rent, drug and criminal activity, peaceful enjoyment, and abusive housekeeping).
- Physical improvement of our properties.

In summary, we are on course to improve the condition of affordable housing on the properties of the Housing Authority of Vanceburg.
