ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the annual Plan

The North Wilkesboro Housing authority (NWA) formerly referred to as the North Wilkesboro Department of Housing and Community Development, through Housing Authority Board Resolution effective July 1, 2003 separated from the Town of North Wilkesboro to become a separate entity responsible for providing safe, decent and affordable housing for the populace of the referenced community.

The North Wilkesboro Housing Authority under the administration of the Executive Director Keith Deveraux, is committed to ensuring that the Agency continues to implement programs and services designed to foster self-sufficiency and economic independence for the residents while providing quality, affordable housing. Through the maximization of resources, manpower and monetary, the NWA will continue to strive in FY 2005-2009, to accomplish the goals prioritized in the Five Year Plan (2005-2009) which include:

- (1) Goal One: Manage the Housing Authority's existing public housing program in an efficient and effective manner thereby striving to become a high performer under HUD's Management Assessment criteria.
- (2) Goal Two: Provide a decent, safe, and sanitary environment in our communities.
- (3) Goal Three: Provide resident services which promote economic self-sufficiency initiatives.

The 2005-2009 activities will be directed towards continued improvement of all management systems, procedures and administrative structure of the North Wilkesboro Housing Authority to include, continuing to increase the number and quality of affordable housing units available to low income families by improving maintenance and management operations. Efforts will be directed to continue to coordinate and prioritize the marketing and rehabilitation of the Turn-key III housing stock including, the implementation of a community-based housing plan. A comprehensive homeownership development venture has been initiated by focusing on the leveraging of public and private partnerships, thereby, continuing to increase the affordability quotient for residents of the North Wilkesboro Housing Authority.

Management initiatives will include continuing to provide comprehensive, training seminars designed to provide Staff and the board of commissioners with the additional support needed for effective, Public housing management service delivery. The North Wilkesboro Housing Authority will also strive to continue to increase the utilization and availability of supportive services, as they are consolidated through a unified, service delivery Family Investment Center. This type of service proliferation has improved the self sufficiency of the North Wilkesboro Housing Authority residents by providing a "one-stop-shop" facility.

In FY 2006, the North Wilkesboro Housing Authority will continue to strengthen the existing resident non-profit. Through the creation of resident business and employment opportunities, the housing and service delivery options to residents will be improved. More specifically, the North Wilkesboro Housing Authority Residents' Association Inc. will be provided with specific opportunities for entrepreneurship and employability skills with the ultimate goal targeting the initiation of a contract between the North Wilkesboro Housing Authority and the Resident Council.

The North Wilkesboro Housing Authority will continue to implement a comprehensive screening program thereby assisting in ensuring that the residents residing in the PHA properties are assured "living

in public housing is a privilege, not a right". Concentrated law enforcement efforts, including an accessible substation, have improved the community policing initiatives available to the North Wilkesboro Housing Authority. The North Wilkesboro Housing Authority through the North Wilkesboro Police Department will seek to establish a crime watch and community-action committee to assist in meeting the established goals and objectives.

The North Wilkesboro Housing Authority has achieved the objectives established in the FY 2000-2004 particularly, in the areas of service provisions offered to residents and improving the housing stock. It is the intent of the North Wilkesboro Housing Authority to continue with the implementation of the previously identified goals and objectives as all strategies identified in the Five-Year Plan (2006-2009) are a continuation of efforts and resources established in FY (2000-2004).

In conclusion, it is the intent of the North Wilkesboro Housing Authority to continue to maintain the Agency in a status of "high performer" public housing in the North Wilkesboro Housing Authority is truly referred to as "housing of choice" versus of "housing of last resort".
