This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families on its waiting lists on the needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.

- Other: (list below)

The Village of Malone Housing Authority Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:

- Provide improved living conditions for very low and low-income families while maintaining their rent payments at an affordable level;
- To operate a socially and financially sound public housing agency that is violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents and their families;
- Deny the admission of applicants, or the continued occupancy of residents, whose habits

and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees;

- To attempt to house a tenant body in each development that is composed of families with a broad range of incomes and rent-paying abilities. This includes the requirement that 40% of admissions shall be no more than 30% of area median income; and
- To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations.

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The New York State Consolidated Plan establishes three strategic objectives that are of equal importance and form the basis of New York State's strategy:

1. Preserve and increase the supply of decent, safe and affordable housing available to all low and moderate income households, and help identify and develop available resources to assist in the development of housing.

The Consolidated Plan states: "The preservation of this irreplaceable low-income housing asset should remain a federal priority. Specifically, the federal government should maintain its commitment to rental assistance, preservation of housing eligible for mortgage prepayment and funding for operations, repairs, maintenance and modernization of public housing."

2. Improve the ability of low and moderate income New Yorkers to access rental and home-ownership opportunities.

The Consolidated Plan includes the provision of rental assistance where possible and also to providing home-ownership opportunities to low-income and minority households. State housing agencies are encouraged to apply for Section 8 program funding.

3. Address the shelter, housing, and service needs of the homeless poor and others with special needs.

The Consolidated Plan addresses Public Housing Resident Initiatives. The Plan states that "the State of New York does not directly own or administer Federal public housing. Therefore the requirements of this section of the Consolidated Plan do not apply to the State of New York."

"The State does have a State public housing program as noted in the Needs Assessment. Tenant participation in the management of housing authorities is not only encouraged in this State, but mandated in New York's Public Housing Law, which provides that authorities having a population under one million be composed of up to seven members, including two tenants

elected by public housing residents. The underlying philosophy has been to ensure that tenants' needs and concerns are effectively communicated to the governing body of the authority and, when necessary, to DHCR, as the supervising State agency.”

In summary, the New York State Consolidated Plan strategies are consistent with and support the goals and objectives of the Village of Malone Housing Authority.
