This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

8. Capital Fund Program Five-Year Action Plan

As always the Bristol Housing Authority's mission is to provide affordable, safe and decent housing in an environment free from discrimination. Providing affordable housing enables families to have more economic and social opportunities.

In the past year, exterior painting and repairs were completed on all of the buildings here at Benjamin Church Manor. Additional parking lots and exterior lighting will be completed early this spring, including landscaping throughout the project. We are hoping to upgrade our office areas and the community room with future capital funds. We will also be addressing the need to renovate kitchens and hallway areas in some buildings, as well as upgrading our security and fire alarm systems with future capital funds.

Our Public Housing residents live in a place they are proud to call home. They feel safe, economically secure and happy to be residing in housing that is many times mistaken for condominiums. As always our number one objective is to continue to maintain and upgrade our housing in order to provide public housing that exceeds all standards.

Utilizing our Section 8 funds to the maximum despite budget cuts has been a challenge. We subsidize as many tenants as possible with the monies that are allocated to us. Voucher mobility and helping our Voucher holders obtain housing have contributed to a very successful Housing Choice Voucher Program.

The Commissioners and Staff at the Bristol Housing Authority are committed to providing premium housing and security for all of our tenants.

Use of Section 18 Authority to Remove Units from Inventory

Although there is no regulatory provision to carry out a Voluntary Conversion at this time, individuals within the industry have expressed the view that PHAs must have this option available to effectively carry out their portfolio management responsibilities. To meet this need in absence of final regulations, the Department offers interim alternative by which voluntary conversion can be accomplished using a disposition application under Section 18. Under this approach, PHAs would complete this analysis described in the Appendix to Part 971-Assessment of the Reasonable Revitalization Potential of Certain Public Housing Required by Law. In addition to showing that tenant based assistance is less costly than operating the development as Public Housing, PHAs would also need to meet all of the other requirements of a Section 18 application. Once approved, the PHA could relocate residents using housing vouchers and sell the public housing development. As always the availability vouchers would be dependent on the levels of funding provided the Department, and a PHA will need to demonstrate that it has sufficient voucher and relocation resources on-hand to obtain a Section 18 approval. It is imperative to stress that to use this approach, a PHA will have to meet all of the current requirements of a Section 18 disposition application. The Disposition activity will also have to be part of an approved PHA Plan.
