ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Corsicana was designated a “Standard Performer” based on its PHAS score for 2005.

The Housing Authority of the City of Corsicana was pleased to engage in QHWRA planning as required by HUD. The Authority considers it a continuation of a process that has been used locally and which is deemed essential and urgent for the transformation of public housing into a program, which will advance families and communities in the 21st century.

Many of the changes reflected in the QHWRA Plans and Attachments are responses to congressional mandates. Other changes, which are being proposed as local options, are designed to encourage families in their own search for self-sufficiency.

The following plans also memorialize the linkage between the States Welfare Department (TWC) and the benefits that accrue to families while living in public housing.

The Housing Authority of the City of Corsicana considers the planning process under QHWRA as a continuation of an on-going and successful effort to identify needs in the community and to respond effectively to those needs. The Authority has worked closely with the City of Corsicana and several departments in designing previous plans and actually gaining the resources to implement those earlier plans. The Authority will continue to work closely with the City and partners in the City to refine these plans and to implement the plans as they are approved.

DECONCENTRATION AND INCOME TARGETING POLICY
FOR THE
HOUSING AUTHORITY OF THE CITY OF
CORSICANA, TEXAS

DECONCENTRATION AND INCOME TARGETING POLICY
(of the Public Housing Admissions and Occupancy Policy)

Sub-Title A, Section 513 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA), establishes two interrelated requirements for implementation by Public Housing Authorities: (1) Economic Deconcentration of public housing developments and (2) Income Targeting to assure that families in the “extremely low” income category are proportionately represented in public housing and that pockets of poverty are reduced or eliminated. In order to implement these new requirements the PHA must promote these provisions as policies and revise their Admission and Occupancy policies and procedures to comply.

Therefore, the Housing Authority of the City of Corsicana, Texas (PHA) hereby affirms its commitment to implementation of the two requirements by adopting the following policies:

A. Economic Deconcentration:

Admission and Occupancy policies are revised to include the PHA’s policy of promoting economic deconcentration. Implementation of this program may require the PHA to determine the median income of residents in each development, determine the average income of residents in all developments, compute the Established Income Range (EIR), determine developments outside the EIR, and provide adequate explanations and/or policies as needed to promote economic deconcentration.

Implementation may include one or more of the following options:

- Skipping families on the waiting list based on income;
- Establishing preferences for working families;
- Establish preferences for families in job training programs;
- Establish preferences for families in education or training programs;
- Marketing campaign geared toward targeting income groups for specific developments;
- Additional supportive services;
- Additional amenities for all units;
- Ceiling rents;
- Flat rents for developments and unit sizes;
- Different tenant rent percentages per development;
- Different tenant rent percentages per bedroom size;
- Saturday and evening office hours;
- Security Deposit waivers;
- Revised transfer policies;

- Site-based waiting lists;
- Mass Media advertising/Public service announcements; and
- Giveaways.

B. Income Targeting

As public housing dwelling units become available for occupancy, responsible PHA employees will offer units to applicants on the waiting list. In accordance with the Quality Housing and Work Responsibility Act of 1998, the PHA encourages occupancy of its developments by a broad range of families with incomes up to eighty percent (80%) of the median income for the jurisdiction in which the PHA operates. Depending on the availability of applicants with proper demographics, at a minimum, 40% of all new admissions to public housing **on an annual basis** may be families with incomes at or below thirty percent (30%)(extremely low-income) of the area median income. The offer of assistance will be made without discrimination because of race, color, religion, sex, national origin, age, handicap or familial status.

In order to implement the income targeting program, the following policy is adopted:

- ▶ The PHA may select, based on date and time of application and preferences, two (2) families in the extremely low-income category and two (2) families from the lower/very low-income category alternately until the forty percent (40%) admission requirement of extremely low-income families is achieved (2 plus 2 policy).
- ▶ After the minimum level is reached, all selections may be made based solely on date, time and preferences. Any applicants passed over as a result of implementing this 2 plus 2 policy will retain their place on the waiting list and will be offered a unit in order of their placement on the waiting list.
- ▶ To the maximum extent possible, the offers will also be made to affect the PHA's policy of economic deconcentration.
- ▶ The PHA reserves the option, at any time, to reduce the targeting requirement for public housing by no more than ten percent (10%), if it increases the target figure for its Section 8 program from the required level of seventy-five percent (75%) of annual new admissions to no more than eighty-five percent (85%) of its annual new admissions. (Optional for PHAs with both Section 8 and Public Housing programs)

IMPLEMENTATION OF THE COMMUNITY SERVICE REQUIREMENT

Description of the Community Service Policy

The Housing Authority of the City of Corsicana Community Service Policy is simple and definitive of Section 512 of the Quality and Work Responsibility Act of 1998. The Housing Authority of the City of Corsicana believes that the community service requirement should not be received by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents and opportunity to contribute to the communities that support them while gaining work experience. The requirement is easy and rewarding and the Housing Authority provides the residents with the name of agencies, the agencies point of contact and all required paper work necessary to accomplish the monthly service.

The Community Service Policy allows the PHA to identify those residents required to participate in the community service requirement. Participants will be required to contribute 8 hours of community service each month or to participate in a self-sufficiency program for 8 hours each month. Identified residents are responsible to determine the appropriateness of the voluntary service within guidelines provided in the policy. Allowed activities that may be included are listed in the policy. Voluntary political activities are prohibited from being considered to meet the Community Service requirement. Participation in self-sufficiency activities that may be included are listed in the policy. A list of exemptions that may be claimed from the requirement is provided in the policy. Family obligations and PHA obligations are addressed in detail. Lease requirements and documentation and non-compliance are all clearly addressed.

At the time of the annual recertification appointment, each non-exempt adult household member must present their completed monthly record and certification form of activities performed over the past 12 months.

Programmatic Aspects of the Requirements

Community Service activities may include, but are not limited to;

- Unpaid services at the PHA to help improve physical condition, including building cleanups, neighborhood cleanups, gardening and landscape work;
- Assisting other residents through the resident organization;
- Unpaid services in local schools, day care centers, hospitals, nursing homes, youth or senior organizations, drug/alcohol treatment centers, recreation centers, etc.;
- Active participation in neighborhood Crime Watch or group special projects;
- Assisting in after school youth programs or literacy programs;

- Unpaid tutoring of elementary or high school age residents;
- Assisting in on-site computer training centers; and
- Any other community service which includes the “performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community”.

If a family member is found to be noncompliant, either for failure to provide documentation of community service or for failure to perform community service, he/she and the head of household will sign an agreement with the PHA to make up the deficient hours over the next 12 month period.

If during the 12 month period, an exempt person becomes non-exempt, it is his/her responsibility to report this to the PHA within 10 days of the change in status.

The Housing Authority of the City of Corsicana lease has a 12 month term and is automatically renewable except for non-compliance with the community service requirement. The lease also provides for termination and eviction of the entire household for such non-compliance.

Progress in Meeting 5-Year Plan Goals

The Housing Authority of the City of Corsicana has been successful in achieving its mission and 5 year plan goals during the fiscal year 2005. Goals are either completed or on target for completion as scheduled.

Concerning modernization the PHA has done substantial renovation of new floors, cabinets, electric housing building identifiers and has completed all new roofs at all locations; i.e. Northwest Apartments and Eastside Apartments.

Concerning self-sufficiency and crime and safety, PHA efforts reduced crime in the communities through Security Guards, Navarro County Sheriff's Department, Corsicana Police Department and Neighborhood Crime Watch.

Concerning improving the quality of life, PHA has networked with City and Community regarding Drug Awareness Programs, Head Start Program, Boys & Girls Club, transportation for elderly and also working with Navarro College.

To ensure compliance with the HUD's latest rules and regulations, every policy was reviewed and updated as needed. Most significant was the update to the Admissions and Continued Occupancy Policy and the Section 8 Administrative Plan.

Concerning ensuring equal opportunity outreach efforts have been made by making renewed partnerships with community groups and medical facilities.
