ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Housing Authority of the City of Luling has prepared this Annual PHA Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The purpose of the Annual Plan is to provide a framework for local accountability and an easily identifiable source by which public housing residents and other members of the public may locate basic PHA policies, rules and requirements related to the operations, programs and services of the agency.

The Mission Statement and the Goals and Objectives were based on information contained in our jurisdiction's Consolidated Plan and will assure that our residents will receive the best customer service.

Excellent customer service and fulfillment of the Mission Statement and Goals and Objectives is ensured by implementation of a series of policies that are on display with this Plan. The Admissions and Occupancy Policy is the primary policy on display. This important document covers the public housing tenant selection and assignment plan, outreach services, grievance procedures, etc.

The most important challenges to be met by the Housing Authority of the City of Luling during FY 2006 include:

- *Identification of management needs to enable PHA staff to prepare for major upcoming changes in the Operating Fund rule. (i.e. Project-Based Accounting, Asset Management, Cost Allocation Planning, and software upgrades.)*
- *Preserve and improve the public housing stock through the Capital Funds activities.*
- *Train staff and commissioners to fully understand and take advantage of opportunities in the new law and regulations to better serve our residents and the community; and*
- *Identify, develop and leverage services to enable low-income families to become self-sufficient.*

In closing, this Annual PHA Plan exemplifies the commitment of the Housing Authority to meet the housing needs of the full range of low-income residents. The Housing Authority, in partnership with agencies from all levels of government, the business community, non-profit community groups, and residents will use this plan as a road map to reach the “higher quality of life” destination for the Housing Authority.

IMPLEMENTATION OF THE COMMUNITY SERVICE REQUIREMENT

Description of the Community Service Policy

The Housing Authority of the City of Luling Community Service Policy is simple and definitive of Section 512 of the Quality and Work Responsibility Act of 1998. The Housing Authority of the City of Luling believes that the community service requirement should not be received by the resident to be a punitive or demeaning activity, but rather to be a rewarding activity that will benefit both the resident and the community. Community service offers public housing residents and opportunity to contribute to the communities that support them while gaining work experience. The requirement is easy and rewarding and the Housing Authority provides the residents with the name of agencies, the agencies point of contact and all required paper work necessary to accomplish the monthly service.

The Community Service Policy allows the PHA to identify those residents required to participate in the community service requirement. Participants will be required to contribute 8 hours of community service each month or to participate in a self-sufficiency program for 8 hours each month. Identified residents are responsible to determine the appropriateness of the voluntary service within guidelines provide in the policy. Allowed activities that may be included are listed in the policy. Voluntary political activities are prohibited from being considered to meet the Community Service requirement. Participation in self-sufficiency activities that may be included are listed in the policy. A list of exemptions that may be claimed from the requirement is provided in the policy. Family obligations and PHA obligations are addressed in detail. Lease requirements and documentation and non-compliance are all clearly addressed.

Community Service Implementation Report:

Number of tenants performing community service: 13

Number of tenants granted exemptions: 95

Number of tenants in non-compliance: 20

Number of tenants terminated/evicted due to non-compliance: 0

Progress in Meeting 5-Year Plan Goals (2005-2009)

The Housing Authority of the City of Luling has been successful in achieving its mission and 5 year plan goals during the period FY 2005-2009.

Concerning modernization the PHA has done substantial renovation of replacing air conditioner condensers at Felix, replacing exterior, cabinets, floor tiles and countertops.

Concerning self-sufficiency and crime and safety, PHA efforts reduced crime in the communities through contact with Police Chief/Officers, evictions, education, encouraging work policies and neighbor reporting.

Concerning improving the quality of life, PHA has site improvements, trash pickup at sites, routing survey of pickup of trash and on site inspections.

To ensure compliance with the Public Housing Reform Act of 1998 and the HUD Rental Housing Integrity Improvement Program (RHIP), every policy was reviewed and updated as needed. Most significant was the update to the Admissions and Occupancy Policy and the Section 8 Administrative Plan.
