**DECONCENTRATION
AND
INCOME MIXING POLICY**

Housing Authority of the City of La Crosse will analyze their public housing stock and tenant incomes so that deconcentration of poverty and income mixing will be encouraged. To effectively accomplish this policy, the Housing Authority will:

1. determine and compare the relative tenant incomes of each development and the incomes of census tracts in which the developments are located, and
2. consider what policies, measures or incentives are necessary to bring higher income families into lower income developments (or, if appropriate to achieve the deconcentration of poverty, into developments in lower income census tracts) and lower income families into higher-income projects (or if appropriate to achieve the deconcentration of poverty, into developments in higher income census tracts).

For the purpose of achievement of this policy, and if the waiting list allows, the LHA may:

1. Skip over families on waiting lists based on incomes.
2. Establish worker preference.
3. Provide additional supportive services and amenities.
4. Appropriate affirmative marketing efforts.
5. Additional applicant consultation and information.
6. Rent incentives as authorized by the Quality Housing Work Responsibility Act.

This policy becomes part of the LHA's Admission Policy as a requirement under the Quality Housing Work Responsibility Act.

COMMUNITY SERVICE REQUIREMENT FOR PUBLIC HOUSING

SERVICE REQUIREMENT: The obligation of each adult resident, other than an exempt individual, to perform community service in accordance with 24CFR 960.603.

Beginning October 1, 2000, each adult resident, other than an exempt individual, of public housing must perform 8 hours of service per month. This service may be done directly through this HA or with any other approved community agency which provides voluntary work or duties that are a public benefit, or increase a residents self-responsibility in the community. Community service may not include participation in political activities.

EXEMPT INDIVIDUALS: An exempt individual is an adult who:

- (1) Is 62 years or older;
- (2) Is a blind or disabled individual, who certifies that because of this disability she or he is unable to comply with the service provisions as noted; or is the primary caretaker of such an individual;
- (3) Is engaged in work activities;
- (4) Meets the requirements for being exempted from having to engage in a work activity under the State program funded under part A of title IV of the Social Security Act, or under any other welfare program of the State, including a State-administered welfare-to-work program;
- (5) Is a member of a family receiving assistance, benefits or services under a State program funded under part A of title IV of the Social Security Act or any other welfare program of the State, including a State administered welfare-to-work program.

ADMINISTERING THE SERVICE REQUIREMENT: The HA will notify families of its determination identifying the family members who are subject to the service requirement, and the family members who are exempt persons. The HA will give all adult family members, other than exempt individuals, a written description of the service requirement, and of the process for claiming status as an exempt person. The HA will furthermore provide a listing of approved agencies for the family member to complete their service requirement with.

MONITORING RESIDENT COMPLIANCE: The HA will review family compliance with service requirements at each families annualreevaluation. If qualifying activities are administered by an organization other than the HA, the family member must provide signed certification to the HA from the approved agency that the family member has performed such qualifying activities.

If the HA determines that there is a family member who has not complied with the service requirement, the HA will promptly notify the individual of their non-compliance. This notice will describe the non-compliance and will state that the HA will not renew the lease at the end of the next twelve month lease term unless the family enters into a written agreement with the HA to become compliant. To become compliant, the family member must complete the additional hours of community service needed to make up the total number of hours required over the twelve month term of the new lease. At the next annual reevaluation, if a family member remains in non-compliance, the HA will not renew the lease for another term.

IMPLEMENTATION OF PET POLICY REVISION

The Housing Authority of the City of La Crosse has revised its Pet Policy and Pet Authorization Form in conformance with Section 526 of the Quality Housing and Work Responsibility Act of 1998. Residents of all public housing properties owned and managed by the LHA were notified of their right to pet ownership. A copy of the Pet Policy, adopted by the Board of Commissioners, may be obtained at the Administrative Office.

STATEMENT OF PROGRESS IN MEETING THE 5-YEAR MISSION AND GOALS

GOAL: Increase the availability of decent, safe and affordable housing.

Statistics indicate there are 71 persons on our waiting list for elderly/handicapped facilities while the waiting list for public housing family developments are at 96. Numbers have increased due to increased marketing effects.

GOAL: Improve the quality of assisted housing.

Modernization continues. To date seven public housing developments have been completely modernized. In year 2006 we will complete the modernization of our eighth development.

GOAL: Increase assisted housing choices.

Currently our waiting list for the Section 8 Housing Choice Program is at 66 families. The waiting list was closed in May of 2004 and remains closed.

GOAL: Promote self-sufficiency and asset development of families and individuals.

Self-sufficiency is promoted by our agency as well as neighboring agencies. Programs are offered to residents.

GOAL: Ensure Equal Opportunity in Housing for all Americans.

This Housing Authority continues to be a member of the La Crosse Fair Housing Partnership, which promotes the above goal.

VOLUNTARY CONVERSION REQUIRED INITIAL ASSESSMENT

In accordance with 972.200(b), the Housing Authority of the City of La Crosse certifies that it has reviewed the operations of its four family developments, Schuh Homes, Mullen Homes, Huber Homes and Grover Estates, considered the implications of converting the public housing to tenant based assistance; and concluded that conversion of the developments is inappropriate because removal of the developments would not meet the necessary conditions for voluntary conversion.
