The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

PROGRESS IN MEETING THE FIVE-YEAR PLAN

The authority has accomplished 95% of the items listed in last years 5-year plan. We have just completed turning our 0 bedroom units into one bedroom units. This will allow us to improve our leasing time for those units as they are more marketable now. We have upgraded our security camera system, refurbished some kitchen cabinets, put in new light throughout all 3 complexes, new hard wired smoke detectors, some bathtubs and surrounds, new porch columns, to name a few. We feel we are on target with our modernization plans.

The authority is in the process of applying for tax credits, and the WV authorities are beginning to form a bond pool. We will be a part of this pooling and anticipate to acquire land and build at least 10 single family homes.
