PHA changes to the policies or activities described in this Plan will be subject to a full public hearing and HUD review before implementation; and that an exception to this definition will be made for any amendments or modifications tht are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD or BCHRA.

Additionally, BCHRA will have the authority and responsibility to accomplish capital funds type of work that is inadvertently overlooked and not included in the five year or annual plan, but becomes necessary during the course of the plan year. In event such work becomes necessary, the BCHRA will include such revision to the CFP budget with the next Agency Plan and discuss it the next public meeting. The Executive Director reserved the right to discuss the need for such work with any person or entity that she/he deems appropriate. HUD will not normally be notified nor HUD approval sought for such work. Only if more than the funds available in one year of CFP funding will be considered a significant amendment. In such instances, HUD approval and the public meeting cycle will be observed.

Ms. Workman asked Howard Sigmon, Maintenance Supervisor to go over the work that has been completed with the Capital Funds Money. Mr. Sigmon discussed the many projects that we have completed with the Capital Funds Money such as: Emergency generator, new ranges and refrigerators in the apartments, closet doors, new intercom system, cameras, tile and carpet in the common area and entrance, painting of the apartments and common areas, emergency pull cords, building stabilization and reroofing as completed several years ago. Ms. Workman discussed the initialization of new wooden blinds for each apartment, and tile for the outside entrance way.

Ms. Workman discussed with the residents the work items for this Annual Plan would be to continue working on the kitchen and bathroom updates. A prebid conference will be held in early July for the kitchen and bathroom updates. The kitchen and bathroom updates will take several years to complete.

Ms. Workman reminded the residents that this year the HUD Inspector would be at our site to perform inspections on various apartments. She explained that we would not know who apartments would be inspected until the Inspector arrived at our site. Ms. Workman ask everyone to please report any work items that needed repaired she stated

that if management did not know something was not working properly it could not get fixed. She also stated that HUD would be sending out survey letters to various residents and to be sure and answer and return the survey if you receive one.

Ms. Workman also discussed with the residents what ideas they had for the resident's money that comes from our Operating funds. After much consideration we came up with the purchase of a Sound System for the residents and to purchase an emergency flash light for each apartment.
