This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

RESIDENT ADVISORY BOARD

Three public housing residents, Helon Gargus, Doris Washburn, and Dorothy Tolbert, and one Section 8 resident, Mark Washburn, met with the Executive Director to review the plan, ask any questions, and to make any comments about changes that needed to be considered for the plan.

There were no comments from the RAB that would suggest any changes to the plan.

RESIDENT MEMBERSHIP OF THE PHA GOVERNING BOARD

Oneonta Housing Authority does not have a resident serving as the Resident Member of the PHA Governing Board. The Resident Advisory Board did not make any recommendations. A notice was publicly displayed in the main administrative office during the months of July, August, and September, 2006 concerning the Governing Board Membership and there were no comments, recommendations, or volunteers brought forward. Also, below is an excerpt from the September, 2006 tenant newsletter concerning being a member of the Board of Commissioners:

EXCERPT

“Each year there is a new appointment to the Oneonta Housing Authority Board of Commissioners. A resident of the Oneonta Housing Authority can be appointed to the board and become a commissioner effective the first of December. Of course, this person would be someone who is interested in the housing communities and would also be able to make the commitment to attend monthly board meetings.

The board meetings are held the last Tuesday of each month at 6:00 p.m.

There is no financial compensation given to any of the board members.

If you would like to know more about being on the Board of Commissioners, feel free to come by the office and look at the Commissioner Handbook. We will also be happy to answer any questions you may have.

If you are interested in being on the Board or would like to recommend another resident, please contact our office by October 31, 2006, so we can submit your name to the Mayor of the city of Oneonta. The Mayor is the one who makes the appointment.

If there is more than one resident interested, the mayor will make a decision of the appointment. In the event that no residents are interested in being on the Oneonta Housing Authority's Board of Commissioner, the Mayor will make an appointment to the board based on his personal selection or other recommendations.”

There were no responses to this newsletter article.

The next appointment date is December 1, 2006. Honorable Mayor Danny Hicks of the City of Oneonta, Alabama is the appointing official for the Governing Board.

DECONCENTRATION AND INCOME MIXING

The Oneonta Housing Authority does not have any general occupancy (family) public housing development covered by the deconcentration rule. Each of our public housing developments have fewer than 100 units.

DECONCENTRATION POLICY

1. **Objective:** The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.
2. **Exemptions.** The following are exempt from this rule.
 1. Public housing development with fewer than 100 public housing units. A covered development is defined as any single development or contiguous developments that total over 100 units.
 2. Public housing developments which house only elderly persons or persons with disabilities, or both.
 3. Public housing developments which consist of only one general occupancy family public housing development.
 4. Public housing developments approved for demolition or conversion to tenant-based assistance.
 5. Mixed financing developments.
3. **Actions:** To accomplish the deconcentration goals, the housing authority will take the following actions:
 - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
 - B. To accomplish the goals of:

- (1) Housing not less than 40% of its public housing inventory on an annual basis with families that have incomes at or below 30% of area median income, and
- (2) The HA shall determine the average income of all families residing in all the HA's covered developments. The HA shall determine the average income of all families residing in each covered development. In determining average income for each development, this HA has adjusted its income analysis for unit size in accordance with procedures prescribed by HUD. The HA shall determine whether each of its covered developments falls above, within or below the Established Income Range. The Established Income Range is 85 percent to 115 percent (inclusive of 85 percent and 115 percent) of the HA-wide average income for covered developments.

Fair housing requirements. All admission and occupancy policies for public housing programs must comply with Fair Housing Act requirements and with regulations to affirmatively further fair housing. The HA may not impose any specific income or racial quotas for any development or developments.

VIOLENCE AGAINST WOMEN ACT

The residents have been notified of the Violence Against Women Act through the Oneonta Housing Authority resident newsletter that all residents receive. Below is an excerpt from the September, 2006 newsletter concerning VAWA:

Excerpt

“On January 5, 2006, President Bush signed into law VAWA, which became effective upon enactment. VAWA 2005 reauthorizes and amends the Violence Against Women Act of 1994. In addition it consolidates major law enforcement grant programs, makes amendments to criminal and immigration laws, and makes amendments to other statutes, including certain HUD statutes, to support and strengthen efforts to combat domestic violence and other forms of violence against women. Title VI, “Housing Opportunities and Safety for Battered Women and Children”, of VAWA has provisions affecting HUD’s programs administered by PHAs. VAWA prohibits the eviction of, and removal of assistance from, certain persons living in public or Section 8-assisted housing if the asserted grounds for such actions is an instance of domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in Section 3 of the U.S. Housing Act of 1937 as amended by VAWA. On June 23, 2006 HUD issued notice PIH 2006-23 which provides guidance regarding VAWA.”
