SECTION I. INTRODUCTION:

1. **Mission Statement:** - *Our goal is to provide drug free, decent, safe, and sanitary housing for eligible families and to provide opportunities and promote self-sufficiency and economic independence for residents.*

In order to achieve this mission, we will:

2. **Purpose of Policy:** - The purpose of this policy (**A**dmissions and **C**ontinued **O**ccupancy **P**olicy) is to establish guidelines for the Public Housing Authority (HA) staff to follow in determining eligibility for admission to and continued occupancy of Public Housing. The basic guidelines for this policy are governed by requirements of The Department of Housing and Urban Development (HUD), with latitude for local policies and procedures. The Policies and Procedures governing Admissions and Continued Occupancy are outlined in this policy and these requirements are binding upon applicants, residents and this HA alike. Notwithstanding the above, changes in applicable federal law or regulations shall supersede provisions in conflict with this policy.

Federal Regulations shall mean those found in 24 Code of Federal Regulations (CFR)

- A. Promote the overall goal of drug free, decent, safe and sanitary housing by:
 - (1) Insuring a social and economic mix of residents within each public housing neighborhood in order to foster social stability and upward mobility.
 - (2) Insuring the fiscal stability of the HA.

The notice shall inform such families where they may apply for Public Housing. To further its commitment to full compliance with applicable Civil Rights laws, the HA will provide access to information to public housing residents regarding "discrimination". Also, this subject will be discussed during the briefing session and any complaints will be investigated as appropriate, documented and made part of the applicant's/tenant's file.

 - B. A deduction of dollar amounts anticipated to be paid for the care of children (including foster children) under thirteen (13) years of age where care is necessary to enable a family member to be gainfully employed or to further his/her education. The reasonable amount of charges is determined by the HA, by conducting surveys of local child care providers.

Note:

If the Total Annual Income less the above allowances result in a rent that is less than the established minimum rent, the resident rent will be established at the HA established minimum rent.

2. ADULT - An adult is a person who has reached his/her 19th birthday or 18 years of age and married (not common law), or who has been relieved of the disability of non-age by the juvenile court. Only persons who are adults shall be eligible to enter into a lease agreement for occupancy.

In the case of child care necessary to permit employment, the amount deducted must be verified and reflect reasonable charges and shall not exceed the amount of income received from such employment. The HA will not normally determine childcare expenses as necessary when the household contains an additional unemployed adult who is physically capable of caring for the children. The head of household must document the disability/handicap that prevents the adult from providing childcare.

HUD may establish income limits higher or lower than 30 percent of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes.
17. FAMILIAL STATUS - A single pregnant woman and individuals in the process of obtaining custody of any individual who has not attained the age of 18 years are processed for occupancy the same as single persons. The HA does not recognize the person as a tenant by giving him or her the opportunity for a grievance hearing. A remaining member shall not be considered to be a tenant until such time as a new lease is executed by the HA and the person granted tenant status after the verification status.

- A. Is dilapidated;
- B. Does not have operable indoor plumbing;
- C. Does not have a usable flush toilet inside the unit for the exclusive use of a family;

The defects may involve original construction, or they may result from continued neglect or lack of repair or from serious damage to the structure.

An applicant who is a "homeless family" is living in substandard housing. For purposes of the preceding sentence, a "homeless family" includes any individual or family who:

- (1) Lacks a fixed, regular, and adequate nighttime residence; and

55. TENANT RENT - The amount payable monthly by the Family as rent to the HA.
- A. Where all utilities (gas, water and electricity) are supplied by the HA, Tenant Rent equals Total Tenant Payment or minimum rent. Where some or all utilities (gas, water and electricity) are not supplied by the HA and the cost thereof is not included in the amount paid as rent, Tenant Rent equals Total Tenant Payment or minimum rent less the utility allowance. Telephone and cable television service is not a utility.
 - B. Ceiling rent: (see definition hereinabove)

Note:

Utility allowances are not calculated or deducted from the flat rent or ceiling rent amount.

TOTAL ANNUAL FAMILY INCOME - Annual income means all amounts, monetary or not, which: (1) Go to, or on behalf of, the family head or spouse (even if temporarily absent) or to any other family member; or (2) Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and (3) Which are not specifically excluded in paragraph (c) of this **section**. (4) Annual income also means amounts derived (during the 12-month period) from assets to which any member of the family has access.

Total Annual Family Income **includes**, but is not limited to, the following:

- A. The full amount, before any payroll deduction, of wages and salaries, and overtime pay, including compensation for personal services (such as commissions, fees, tips and bonuses);
- B. Net income from the operation of a business or profession. (Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining Net Income.) An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or other assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
- C. Interest, dividends and other net income of any kind from real or personal property. (For this purpose, expenditures for amortization of capital indebtedness and an

allowance for depreciation of capital assets shall not be deducted to determine the net income from real or personal property). All allowance for depreciation is permitted only as authorized in Paragraph B of this section. Any withdrawal of cash or assets from an investment will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has Net Family Assets in excess of \$5,000.00, Annual Income shall include the greater of the actual income derived from all Net Family Assets or a percentage of the value of such assets based on the current passbook savings rate as determined by HUD (currently .5 percent);

- D. The full amount of periodic payments received from social security, annuities, insurance policies, retirement funds, pensions, disability or death benefit and other similar types of periodic receipts, including a lump sum payment for the delayed start of a periodic payment; (*Excluding Lump Sum Supplemental Security Income (SSI) and Lump Sum Social Security Benefits (SS)*)

(ii) if the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income shall consist of: (A) The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus (B) The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this paragraph shall be the amount resulting from one application of the percentage.
- G. Periodic and determinable allowances, such as alimony and child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling. If the payments actually received are different than the determined amount, rent can be adjusted in accordance with Section III D of the dwelling lease.
- H. All regular pay, special pay and allowances of a member of the Armed Forces (except special pay for exposure to hostile fire).

Note:

If it is not feasible to anticipate a level of income over a 12-month period, the income anticipated for a shorter period may be annualized, subject to a redetermination at the end of the shorter period.

Tenants that receive lump-sum payments that are included as income and fall in the categories listed above, (*Excluding Lump Sum Supplemental Security Income (SSI) and Lump Sum Social Security Benefits (SS)*), must report the income to the Housing Manager as soon as possible but no later than ten (10) calendar days after receipt of the funds and the applicable portion of the payment that is due as back rent is due fourteen (14) days after the HA notifies the family of the amount due.

Unreported Income: If a tenant fails to report income the tenancy will be terminated under the terms of the HA's lease. If the act is determined by the HA to be intentional, the tenant will be obligated to pay the applicable portion of the rent for any and all unreported income. If the unreported income was an unintentional by the tenant the tenant will be billed for the amount due the HA and the amount will be payable within fourteen (14) days. If the payment cannot be made in one payment, the tenant may request the HA to approve a repayment schedule. Any repayment agreement must be in writing and signed by the Tenant and a HA representative.

57. **TOTAL TENANT PAYMENT (TTP):** The TTP for families participating in the Public Housing program must be at least \$50.00 which is the minimum rent established by the HA.
- A. For the Public Housing Program, the TTP must be the greater of:
- (1) 30 percent of family monthly adjusted income (see note);
 - (2) 10 percent of family monthly income;
 - (3) \$50.00 which is the minimum rent set by the HA

It is possible for Public Housing tenants to qualify for a utility reimbursement despite the requirement of a minimum rent. For example, if a Public Housing family's TTP is the minimum rent of \$25 and the HA's utility allowance for the size and type unit the family has selected is \$60, the family would receive a utility reimbursement of \$35 (\$60 less \$25) for tenant purchased utilities.

Note:
THE INCOME BASED TENANT RENT MAY NOT EXCEED THE CEILING RENT, IF APPLICABLE

- B. Flat rent. The resident may elect the flat rent as may be appropriate in lieu of the rent calculated in paragraph "A," above. Effective October 1, 2002 the ceiling rent shall be adjusted to the amount of the flat rent.
58. **UTILITIES** - Utilities may include water, electricity, gas, garbage, and sewage services.
59. **UTILITY ALLOWANCE** - If the cost of utilities (except telephone and air conditioning added after initial construction) and other housing services for an assisted unit is not included in the Tenant rent, but is the responsibility of the family occupying the unit, then the utility allowance is an amount equal to the estimate made or approved by the HA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary and healthful living environment. If the family pays directly for one or more utilities or services, the amount of the allowance is deducted from the gross rent in determining the contract rent and is included in the gross family contribution.

60. UTILITY REIMBURSEMENT PAYMENT - Utility Reimbursement Payment is the amount, if any, by which the Utility Allowance for the unit, if applicable, exceeds the Total Tenant Payment for the family occupying the unit. At the discretion of the HA, the check may be made payable jointly to the resident and utility provider or directly to the utility provider.
61. VERY LOW-INCOME FAMILY - A lower Income Family means a family whose annual income does not exceed fifty (50%) percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families. HUD may establish income limits higher or lower than 50 percent of the median income for the area on the basis of its finding that such variations are necessary because of unusually high or low family incomes.
62. WAGE EARNER - A person in a gainful activity who receives any wages. Said wages or pay covers all types of employee compensation including salaries, vacation allowances, tips, bonuses, commissions and unemployment compensation. The terms "Wage Earner" and "Worker" are used interchangeably.
63. WELFARE ASSISTANCE - Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments.

Completed applications will be accepted for all applicants and the information will be verified by the HA.

Applications may be made in person at the HA during specified dates and business hours posted at the HA's Office.

The application must be dated, time-stamped, and referred to the HA's office where tenant selection and assignment is processed.

Individuals who have a physical impairment which would prevent them from completing an application in person may call the HA to make special arrangements to complete their application. If the applicant is visually impaired, all notices must be in a format understandable by applicant.

2. Closing of Application Taking:

If the HA is taking applications, the HA may suspend the taking of applications if the waiting list is such that additional applicants would not be able to occupy a public housing unit within the next 12 month period. Application taking may be suspended by bedroom size, if applicable. The HA will make known to the public through publication in a newspaper of general circulation, minority media, and other suitable means the fact that applications for public housing units are being suspended.

To reach persons who cannot read the newspapers, the HA will distribute fact sheets to the broadcasting media. Personal contacts with the news media and with community service personnel, as well as public service announcements, will be made.

3. Opening of Application Taking: When the HA decides to start taking applications, the waiting list may be opened by bedroom size.

The HA will utilize the following procedures:

The HA will make known to the public through publication in a newspaper of general circulation, minority media, and other suitable means the availability and nature of housing assistance for eligible families.

State that applicants for Public Housing must specifically apply for the Public Housing Units and that applicants for Public Housing may also apply for to the Section 8 Program, if applicable, and they will not lose their place on the Public Housing waiting list if they also apply for Section 8 assistance. For this to be applicable the HA must have a Section 8 Program and be accepting applications for Section 8 assistance.
- E. To reach persons who cannot read the newspapers, the HA will distribute fact sheets to the broadcasting media. Personal contacts with the news media and with community service personnel, as well as public service announcements, will be made.

4. Application Period (Dates): - The application taking closing date may be determined administratively at the same time that the HA determines to open enrollment. The open enrollment period shall be long enough to allow enough applicants as required by the

projected turnover and the number of public housing vacancies.

SECTION VI. MISSED APPOINTMENTS

An applicant or tenant who fails to keep an appointment without notifying the HA and without re-scheduling the appointment shall be sent a notice of termination of the process for failure to supply such certification, release of information or documentation as the HA or HUD determines to be necessary (or failure to allow the HA to inspect the dwelling unit at reasonable times and after reasonable notice, if applicable) in the following situations:

1. Complete Application
2. Bringing in Verification Information

If the representative of the HA and/or Hearing Officer makes a determination in favor of the applicant/tenant, the HA will comply with decision unless the provisions of Section VI of the Grievance Procedure is applicable to the hearing officers decision.

Letters Mailed to Applicants by the HA: - If an applicant claims they did not receive a letter mailed by the HA, that requested the applicant to provide information or to attend an interview, the HA will determine whether the letter was returned to the HA. If the letter was not returned to the HA, the applicant will be assumed to have received the letter.

If the letter was returned to the HA and the applicant can provide evidence that they were living at the address to which the letter was sent, the applicant will be reinstated with the date and time of the application in effect at the time the letter was sent.

Applicants must notify the HA, in writing, if their address changes during the application process.

SECTION VII. MISREPRESENTATION BY THE APPLICANT OR TENANT

If an applicant or tenant is found to have made willful misrepresentations at any time which resulted in the applicant or tenant being classified as eligible, when, in fact, they were ineligible, applicant will be declared ineligible and the lease and/or application will be terminated because of the misrepresentation by the applicant/tenant. If such misrepresentation resulted in tenant paying a lower

rent than was appropriate, tenant shall be required to pay the difference between the actual payments and the amount which should have been paid. In justifiable instances, the HA may take such other actions as it deems appropriate, including referring the tenant to the proper authorities for possible criminal prosecution.

SECTION VIII. ADMISSION ELIGIBILITY AND CRITERIA:

1. The HA is responsible for screening family behavior and suitability for tenancy. Information relative to the acceptance or rejection of an applicant shall be documented and placed in the applicant's file. Such documentation may include reports of interviews, letters, or telephone conversations with reliable sources. As a minimum, such reports shall indicate the date, the source of the information, including the name and title of the individual contacted, and a resume of the information received.

Applicants are not automatically determined eligible to receive federal assistance. An applicant will not be placed on a waiting list if the applicant's annual family income exceeds the Low and Very Low Income Limits established by HUD and published in the Federal Register, the applicant will be declared ineligible.
3. If the applicant has failed to meet any outstanding requirements for eligibility and is determined ineligible, he/she will be so informed and the reasons stated in writing. The applicant will be granted ten days from the date stated on the ineligible letter to request an informal meeting. The applicant may bring any person he/she wishes to represent them at the informal meeting. The request for an informal meeting may be submitted in writing and/or the request may be verbal. However, the request must be received by the HA within the time frame established by the HA for the meeting.

If the participant who has signed a certification form obtains a SSN, it must be disclosed at the next regularly scheduled reexamination, or next rent change.

Verification will be done through the providing of a valid Social Security card issued by the Social Security Administration.

The HA will accept copies of the Social Security card only when it is necessary for the HA to verify by mail the continuing eligibility of participant families.

If an applicant or tenant cannot provide his or her Social Security card, other documents listed below showing his or her Social Security Number may be used for verification. - K. The applicant and all adults must sign a release allowing the HA to request a copy of a police report from the National Crime Information Center, Police Department or other Law Enforcement Agencies. SECTION XI. TENANT SELECTION AND ASSIGNMENT PLAN

1. Equal Opportunity: - The Fair Housing Act makes it illegal to discriminate on the basis of race, color, religion, sex, handicap, familial status and national origin. This HA shall not deny to any family the opportunity of applying for admission nor shall it deny to any eligible applicant the opportunity of leasing or renting a dwelling suitable to its need in any low-rent project operated by this HA.
2. Selection Process: - Tenants shall be selected from among eligible applicant families whose family composition is appropriate to available dwelling units. The HA will take into consideration the needs of individual families for low rent housing and the statutory purpose in developing and operating a socially and financially sound low-income housing project, which provides a decent home and a suitable living environment and fosters economic and social diversity in the tenant body as a whole. Selection will be made in such a manner as:
 - A. For every fiscal year, each HA shall reserve a percentage of its new admissions for families whose incomes do not exceed thirty percent of the area median income. The goal for public housing shall be forty percent of new admissions. In reaching the new admissions goals, the HA’s are required to avoid concentrating very low income families in projects and must comply with the deconcentration policy.
 - B. To maintain a tenant body in each project composed of families with a broad range of income and rent paying ability which is generally representative of the range of incomes of low income families in the HA's area of operation as defined by state law.
3. Order of Selection: - Applications will be filed in the following hierarchical order:
 - A. Unit size\type needed by applicants
 - B. Preferences, if applicable

- C. Date and time of application
 - D. Provided, however, the provisions of the deconcentration rule, contained within this policy, shall supercede the selection of applicants based on date and time and local preference points, if applicable, and allow the HA to skip families on the waiting list to accomplish this goal.
4. Verification of Preference, If Applicable: - At the time of application, initial determinations of an applicant's entitlement to a Preference may be made on the basis of an applicant's certification of their qualification for that preference. Before selection is made, this qualification must be verified.

Note:

An applicant can reject an offer 2 times before losing their place on the waiting list. If an applicant rejects the first offer, the applicant will be notified at that time that due to the fact they refused the offer of assistance, the date and time of their application is being changed to the date and time that they refused the offer. This will be explained verbally and followed-up in writing to the applicant. The HA will notify (verbally and in writing) the applicant that their actions may affect their place on the waiting list, and the next offer of assistance will be made when their name reaches the top of the waiting list.

SECTION XII. GROUND FOR DENIAL AND OPPORTUNITY FOR HEARING

If the HA determines that an applicant does not meet the criteria for receiving housing, the HA must promptly provide the applicant with written notice of the determination. The notice must contain a brief statement of the reasons for the determination, and state that the applicant has the right to meet with the HA's designee to review it. If requested within ten (10) days, the meeting must be conducted by a person or persons designated by the HA. The person designated by the HA to conduct the informal hearing shall be an impartial person appointed by the HA other than a person who made the approval of the HA's action under review or a subordinate of such person. The procedures specified in this section must be carried out in accordance with HUD's requirements. The applicant may exercise other rights if the applicant believes that he or she has been discriminated against on the basis of race, color, religion, sex, handicap, familial status and national origin.

Note:

The HA grievance procedure applies only to residents. It does NOT apply to applicants.

SECTION XIII. INCOME VERIFICATION AND DOCUMENTATION

- 1. The HA use for verification purposes the following:

 - D. Verifications of assets (savings, stocks, bonds, etc.);
 - E. Birth Certificates; and

F. Other means or sources of income verification.

2. Once all of the information is verified the HA shall calculate the monthly income based rent. The family will be notified of this amount and the amount of the flat rent. The family shall elect, in writing, their choice.

As soon as a determination can be made, applicants will be informed, in writing, by an authorized HA representative that they have been declared eligible or ineligible. Applicants that are determined ineligible will be informed, in writing, of their right to an informal meeting if they believe that such determination is unjust.

The final estimate of Gross Family Income will be made by the HA on the basis of verified information regarding income. Once the HA has determined that an applicant is eligible, then the process of housing the family begins.

There is no minimum income requirement, but the staff should use good interviewing skills to determine whether there is income which is not being reported.

Families may not be required to apply for public assistance, but it may be suggested to them. If the family reports zero income, the HA will have the family sign verification forms to verify that no income is being provided.

Families will be required to report any changes in their income status within ten (10) calendar days of the occurrence of employment and/or any other type of income is received. Families with zero income **may** be requested to recertify more frequently.

SECTION XIV. ORIENTATION OF FAMILIES

1. Briefing: Purpose of the Briefing: - The purpose of the briefing is to cover the occupancy requirements for the tenant and the landlord. The briefing is conducted as follows:

- A. Once the HA determines that an applicant is eligible and the applicant's name reaches the top of the waiting list, the HA shall offer an apartment to the applicant. The applicant shall be given an opportunity to view the apartment prior to the signing of the lease and other documents required before occupancy. After the offer is made and after this viewing, and when the offer is accepted, a HA representative will schedule an appointment with the prospective tenant, for orientation.

An Applicant can reject an offer 2 times before losing their place on the waiting list. If an applicant rejects the first offer, the applicant will be notified at that time that due to the fact that they refused the offer of assistance, the date and time of their application is being changed to the date and time that they refused the offer. This will be explained verbally and followed-up in writing to the applicant. The HA will notify (verbally and in writing) the applicant that their actions may affect their place on the waiting list and the next offer of assistance will be made when their name reaches the top of the waiting list.

- B. The applicable deposit, unearned rent and other charges, (if applicable), will be collected, as soon as possible after the briefing is scheduled, and before the briefing is held. The applicant shall furnish proof that all tenant supplied utilities are in service prior to the lease being signed.
 - C. At the briefing, the Lease and Grievance Procedure is explained in detail to the applicant and/or applicants (there can be more than one family at the briefing.)
 - D. The signing of all required occupancy forms is to be privately handled at the end of each briefing.
 - (1) The required occupancy forms are explained at that time and the dwelling lease is signed by the prospective tenant and a HA representative.
 - (2) Appointment for move-in inspection is scheduled at the end of the lease signing at project office.
2. Briefing Attendance Requirement: - All families (head of household) are required to attend the briefing when they are initially accepted for occupancy. No family can be housed if they have not attended a briefing.

Failure to attend a scheduled briefing (without notice to the HA) will result in the family's application being placed in the inactive file and the family may be required to reapply for assistance. Applicants who provide prior notice of an inability to attend a briefing will be scheduled for the next briefing.

Failure of a applicant to keep a scheduled check-in, without good cause, may result in the cancellation of the occupancy process and the applicant required to reapply for assistance.

3. Format of the Briefing: - The applicant is provided a copy of the Dwelling Lease and Grievance Procedure and the provisions of the Lease and Grievance Procedure are explained to the Tenant, and the lease specifies the unit to be occupied, family composition, date of admission, the rent to be charged, utility allowances, (if applicable) excess utilities, and the terms of occupancy. The applicant shall be provided with a move-in package containing additional policies, schedules of charges, etc. the Request for Relief of Surcharges for Excess Consumption of Utilities Policy and informed of the method for requesting relief under the policy. If for any reason the family becomes over or under housed they must be informed that once a unit of the appropriate size is available they must move to the appropriate size unit as outlined in Transfers. Also, if there is a change in family composition that caused the family to be over or under housed the family will be required to move to the appropriate size unit when a unit becomes available. The moving date should be within thirty (30) days of the date of the HA's written notification to the affected family. If the HA has more vacancies than families on the waiting list for the unit size of the family that is over housed, the family may remain in the unit until the next scheduled re-exam. However, families that are under housed should be housed in the appropriate size unit as soon as a unit is made available, but not more than thirty days after notice from the HA.
4. Dwelling Lease completion:
- A. All adult members of the household, including the head of household of the family

notified for admission to the housing communities shall be required to execute the Dwelling Lease prior to admission. One executed copy is to be furnished the family and the original executed copy is to be retained in the Tenant file established for the family by the HA. A copy of the Grievance Procedure shall be attached to the family's copy of the Lease.

- B. When a Tenant family transfers to another dwelling, the existing Lease shall be canceled and a new Dwelling Lease executed for the present dwelling for the remainder of the term of the lease for the previous dwelling.
- C. If at any time during the life of the Dwelling Lease, any other changes in the Tenant's status results in the need to change or amend any provision of the Lease, or if the tenant status changes resulting in a replacement of page one of the Lease, this page shall be completed, signed, and a copy given to the family as the replacement for page one.
- D. A duplicate form of acknowledgment and understanding which lists all items of which the tenant has been informed shall be signed by the tenant and the HA representative. A copy of this form shall be attached to the family's copy of the lease along with copies of items as referred to and a copy maintained in the tenant's file.

SECTION XV. ANNUAL INSPECTIONS OF PUBLIC HOUSING UNITS

The HA has a system in place that documents the inspection of all public housing units. If the inspection results in a work order, the repairs are made in accordance to the urgency of need as documented by the inspection sheet. The HA has a system that tracks each inspection. The inspection sheet used by the HA meets or exceeds the requirements of the Uniform Physical Condition Standards (UPCS).

SECTION XVI. INSPECTION AND ENTRY OF UNIT PROCEDURES

The tenant will be given notice as outlined in the Dwelling Lease, **except for emergencies/search warrants**, that the unit will be inspected. The notification will indicate the date and the approximate time of the inspection. If the inspection indicates that the tenant has poor housekeeping habits that need to be improved upon, the inspector will file a report and the Project Manager will schedule a meeting with the tenant to counsel the tenant on their poor housekeeping habits. A follow-up inspection will be conducted by the Manager within 30-days of the counseling session and if the problem continues to exist the Manager may take whatever action that is necessary to correct the situation. If the tenant fails to improve, the provisions of the dwelling lease can be enforced and the tenant evicted. However, the Manager should take steps to help the tenant improve before starting the eviction process.

If the inspection indicates damages to the dwelling unit that are beyond normal wear and tear, the damaged items will be replaced and the tenant billed for the damages, as posted. If the damage is severe, a report will be provided to the Manager and the Manager will take appropriate action with the tenant.

HA staff and/or agents of the HA have authority to enter any unit if it is suspected that an "Emergency" situation exists. If for any reason a unit is entered by authorized HA personnel the tenant will be provided with the reason for the entry, by leaving a written notice of the time, date and reason for the entry.

HA staff and/or agents of the HA, at the direction of the Police will open the door to a unit when law-enforcement officials present a lawfully executed search warrant (plus, provide a copy of the search warrant to HA staff) for a dwelling unit managed by the HA. HA staff and/or its agents will write down the name(s) of the Police Officers and keep the copy of the search warrant. These documents will be filed in the resident's file folder. HA staff will not enter the unit. This action will prevent the law enforcement officers from having to breakdown the door and causing damages to the unit.

SECTION XVII. TYPES OF INSPECTIONS:

An authorized representative of this HA, tenant and/or adult family member, shall be obligated to inspect the premises prior to commencement of occupancy. A written statement of condition of the premises and all equipment will be provided, and same shall be signed by both parties with a copy retained in tenant's file. The HA representative shall inspect the premises at the time the tenant vacates and furnish a statement of any charges to be made provided the tenant turns in the proper notice under state law and requests the proper inspection. The tenant shall be provided an opportunity to participate in a move out inspection, unless tenant vacates without notice. The tenant's security deposit can be used to offset against any tenant damages to the unit.

1. Move-in Inspections: - Performed with the resident at move-in and inspection documented by HA on inspection form and signed by the tenant. This inspection documents the condition of the unit at move-in.

Note:

Any adult member of the household is allowed to sign the inspection form for the Head of Household.

2. Move-out Inspections: - Performed with tenant, if possible, and documented by HA on inspection form and signed by the tenant, if present. This inspection determines if the tenant is responsible for any damages and owes the HA funds. Any deposit will be used to offset the funds due the HA.
3. Annual Inspections: - The HA inspects 100% of its units annually using standards that meet or exceed Uniform Physical Condition Standards (UPCS).
4. Preventive Maintenance (PM) Inspections: - PM inspections are performed by HA staff on a regular basis and the residents are given at least two days notice prior to the inspection.
5. Project Manager Inspections: - The HA representative may perform random home visits to see if the resident is keeping the unit in a decent, safe and sanitary condition. This visit can also be used as an opportunity to get to know the tenant and see if they have any specific needs that we can help them with and/or refer them to a service agency. The tenant will be given at least two days notice, prior to the inspection.

6. Special Inspections: - Representatives from the U. S. Department of Housing and Urban Development and/or other Government Officials visit the HA to monitor operations and as part of the monitoring they will inspect a sampling of the public housing inventory. The affected tenants will be given two days notice.
7. Emergency Inspections: - If any employee and/or agent of the HA has reason to believe that an emergency exists within the public housing unit, the unit can be entered **without** notice. The person(s) that enters the unit must leave a written notice to the tenant that indicates the date and time the unit was entered and the reason why it was necessary to enter the unit.

SECTION XVIII. DETERMINATION OF RENT, RE-EXAMINATION OF INCOME AND FAMILY CIRCUMSTANCES

 - (1) 30 percent of family monthly adjusted income;
 - (2) 10 percent of family monthly income;
 - (3) \$50.00 which is the minimum rent set by the HA

It is possible for Public Housing tenants to qualify for a utility reimbursement despite the requirement of a minimum rent. For example, if a Public Housing family's TTP is the minimum rent of \$25 and the HA's utility allowance for the size and type unit the family has selected is \$60, the family would receive a utility reimbursement of \$35 (\$60 less \$25) for tenant purchased utilities.

Note: THE INCOME BASED TENANT RENT MAY NOT EXCEED THE CEILING RENT

- B. Flat rent. The resident may elect the flat rent as may be appropriate in lieu of the rent calculated in paragraph "A," above. Effective October 1, 2002 the ceiling rent shall be adjusted to the amount of the flat rent.

- (5) The HA must lower the rent for a family whose income is reduced because of the expiration of a welfare-initiated time limit. This must be reported by the Tenant within ten days from the time of the change of income in accordance with the Dwelling Lease. Provided, however, that if the family’s welfare benefits are reduced because of a fraudulent act, noncompliance with economic self-sufficiency program or work activities requirements on the part of a family member, the HA is prohibited from reducing the family’s rent contribution to reflect the lower benefits income.

2. Annual Re-examination:

- A. Once each year, or as required by this HA, each family will be required to furnish information in Section III (A) of the Dwelling Lease and in the Community Service Policy (If applicable). Verifications acceptable to the HA shall be obtained and determinations made. In the event of failure or refusal of Tenant to report the necessary information, the HA may terminate the Lease. This reexamination shall be done at least thirty days and not more than one-hundred twenty days prior to the anniversary month and shall take effect on the anniversary month.
- B. Records shall be maintained to insure every Tenant being reexamined within a twelve month period.
- C. Upon completion of reexamination and verification, Tenant shall be notified, in writing, no later than thirty (30) days prior to the effective date of the following: (A copy of such notification is to be retained in the Tenant's file.)

3. Interim Redetermination of Rent: - Rent as set at admission or Annual Re-examination will remain in effect for the period between regular rent determinations unless changes in family

circumstances occur. Tenant is required and agrees to report, in writing, the following specified changes in family income and composition within ten (10) calendar days of occurrence.

- A. Loss or addition to family composition of any kind through birth, death, marriage, divorce, removal or other continuing circumstance and the amount, if any, of such family member's income. Any such additions, other than birth, must be approved by the HA in advance, and must qualify, the same as an applicant or any prospective new tenant.
- B. Employment, unemployment or changes in income for employment of a permanent nature of the family head, spouse, or other wage earner eighteen (18) years of age or older.

Lump sum payments or retroactive payments of benefits from any of the above sources which constitute the sum of monthly payments for a preceding period paid in a lump sum must be reported and rent adjusted retroactively on such income to date of eligibility for any family member residing in the household for that period of time.
- D. Cost of living increases in Social Security or public assistance grants need not be reported until next re-examination and redetermination of rent.
- E. Errors of omission made at admission or re-examination shall be corrected by the HA. Retroactive payments will be made to the tenant if the error is in the tenant's favor.
- G. A tenant who has had an income reduction\increase after initial occupancy or after annual re-examination must report all changes in income within ten (10) calendar days regardless of the amount or source.
- H. For families paying a flat rent, the head of household may request at any time that his/her rent be changed to an income based rent due to a financial hardship. Financial hardships include the following situations:
 - . The family has experienced a decrease in income because of changed circumstances, including loss or reduction in employment, death in the family, or reduction in or loss of earnings or other assistance;
 - . The family has experienced an increase in expenses, because of changes circumstances, for medical cost, child care, transportation, education, or similar items;
 - . Such other situations determined by the HA to be appropriate.

Note:

A family that changes from a flat rent to an income based rent due to a financial hardship may not elect to return to a flat rent until the next regular re-examination. **Provided, however, the family will not pay more than any applicable ceiling rent.**

4. Notice of Temporary Rent: - On occasions, the HA is required to compute rent based on information that is supplied by the tenant and third party information that has not or will not be provided by the employer. When this situation occurs the HA will compute a temporary rent based on the information available. Once the information is verified the tenant will be notified in writing. If an underpayment was made based on the information provided the tenant will have fourteen (14) days from the date of the HA notification to pay the amount specified. If the tenant has made an overpayment, that amount will be credited to the tenant account. The Head of Household and Spouse (if applicable) and a HA representative signs this Notice of Temporary Rent and it is filed with the dwelling lease and a copy provided to the tenant.

5. The effective dates of Interim Redetermination of rent:
 - A. Any decrease in rent resulting from any decreases in family income will be made effective the first of the month following the date the decrease in family income was reported and verified in writing.
 - B. The tenant agrees to pay any increase in rent resulting from an increase in family income the first of the second month following the date in which such increase in family income occurred, and to pay any back rent due because of failure on the part of the tenant to report such increase in family income.
 - C. Any interim change in rent will require reverification of all family income that has not been verified within ninety (90) calendar days of the previous rent determination.
 - D. Tenant agrees to pay any increase in rent resulting from the implementation of changes in rent computation or increases due to changes in regulations, policies or procedures requiring implementation by the United States Department of Housing and Urban Development (HUD).
 - E. Employment, unemployment or changes in employment of any nature (example, employed but not working due to illness that is not compensated by the Employer) of the family head, spouse or any other wage earner 18 years of age or older.
 - F. If it is found that a tenant has misrepresented or failed to report facts upon which rent is based so that the tenant is paying less than the tenant should be paying, the increase in rent shall be made retroactive to the date the increase would have taken effect. The tenant will be required to pay the difference between the rent paid and the amount that should have been paid. In addition, the tenant may be subject to civil and criminal penalties. Misrepresentation is a serious lease violation which may result in eviction.

6. Special Re-examinations: - Special reexaminations are pre-scheduled extensions of admission or continued occupancy determinations, and will be considered for the following

reasons:

- A. If it is impossible to determine annual family income accurately due to instability of family income and/or family composition, a temporary determination of income and rent is to be made and a special re-examination shall be scheduled for thirty (30), sixty (60) or ninety (90) days, depending on circumstances. The tenant shall be notified, in writing, of the date of the special re-examination.
- B. If the family income can be anticipated at the scheduled time, the reexamination shall be completed and appropriate actions taken. If a reasonable anticipation of income cannot be made, another special re-examination shall be prescribed and the same procedure followed as stipulated in the preceding paragraph until a reasonable estimate can be made.
- C. Rents determined at special re-examinations shall be made effective as noted in this section.

7. Minimum Rent Hardship Exemptions:

- A. The HA shall immediately grant an exemption from application of the minimum monthly rent to any family making a proper request in writing who is unable to pay because of financial hardship, which shall include:
 - (1) The family has lost eligibility for, or is awaiting an eligibility determination from a federal, state, or local assistance program, including a family that includes a member who is an alien lawfully admitted for permanent residence under the immigration and nationalization act who would be entitled to public benefits but for Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996.
 - (2) The income of the family has decreased because of changed circumstance, including loss of employment.
 - (3) A death in the family has occurred which affects the family circumstances.
 - (4) Other circumstances which may be decided by the HA on a case by case basis.

All of the above must be proven by the Resident providing verifiable information in writing to the HA prior to the rent becoming delinquent and before the lease is terminated by the HA.

- B. If a resident requests a hardship exemption (**prior to the rent being delinquent**) under this section, and the HA reasonably determines the hardship to be of a temporary nature, exemption shall not be granted during a ninety day period beginning upon the making of the request for the exemption. A resident may not be evicted during the ninety-day period for non-payment of rent. In such a case, if the resident thereafter demonstrates that the financial hardship is of a long term basis, the HA shall retroactively exempt the resident from the applicability of the minimum rent requirement for such ninety day period. This Paragraph does not prohibit the HA from taking eviction action for other violations of the lease.

8. Reduction of Welfare Benefits: If the resident requests an income re-examination and the

rent reduction is predicated on a reduction in tenant income from welfare, the request will be denied, but only after obtaining written verification from the welfare agency that the families benefits have been reduced because of:

- A. Noncompliance with economic self-sufficiency program or;
 - B. Work activities requirements or;
 - C. Because of fraud.
9. Exception to Rent Reductions: Families whose welfare assistance is reduced specifically because of fraud or failure to participate in an economic self-sufficiency program or comply with a work activities requirement will not have their rent reduced.
10. Community Service and Self-Sufficiency Requirements: SEE COMMUNITY SERVICE POLICY, SECTION XXVII.

SECTION XIX. TRANSFER

1. Objectives of the Transfer Policy:
- A. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
 - B. To facilitate a relocation when required for modernization or other management purposes.
 - C. To facilitate relocation of families with inadequate housing accommodations.
 - D. To eliminate vacancy loss and other expense due to unnecessary transfers.
2. Types of Transfers:
- A. HA initiated: The HA may at its discretion transfer residents because of an uninhabitable unit, major repairs, or other actions initiated by management. For these types of transfers the HA will cover the cost of the transfer pursuant to cost allowed by HUD.
 - B. Transfers for Reasons of Health: Tenant may be transferred when the HA determines that there is a medical need for such transfers, such as inability to negotiate stairs or steps or other conditions which would be a reasonable accommodation under the American with Disabilities Act (ADA). The tenant will be required to provide a statement from a medical doctor which indicates the condition of the tenant and the HA reserves the right to make its own evaluation of the situation and documentation. The HA may also require the tenant to be examined by a doctor of the HA's choosing. If the HA determines that there is not a substantial and necessary medical need for such transfer, the request for transfer shall be treated as a convenience transfer. Normally such transfers will be within the tenant's original neighborhood

unless the appropriate size and type of unit does not exist on the site. The tenant must pay for all of their moving expenses and a transfer fee.

- C. Convenience Transfers: The Executive Director or his/her designee may at his/her discretion permit a transfer to another housing community or public housing facility for the convenience of the tenant for good cause. However, the cost of the transfer shall be borne by the tenant. A "Transfer Charge" list is posted in the HA offices and is based on our contract price for maintenance and an administrative charge of **\$500** for processing the transfer. The transfer charge list is updated annually by the HA. The HA will charge the actual cost of the transfer, which includes the administrative cost, the cost of preparing the unit for re-rental and, if applicable, a penalty for not turning in the keys to the old unit within **3 days** of the transfer. The tenant is allowed a period of **3 days** to move and turn in the keys to the old unit without being charged a penalty. If the move takes more than **3 days** and the keys are not turned in the tenant will be charged **\$10 per day** for each day the keys are not turned in to the HA. Prior to the transfer the Landlord will perform an inspection on the current unit to determine the amount of charges the tenant will be required to pay as a result of tenant caused damages, if any. All transfer charges must be paid at the time the tenant signs his/her lease and receives the keys for the new unit. The Landlord will perform a final inspection, with the tenant, on the unit that the tenant transferred from, after the keys are turned in, and a final determination will be made by the HA staff as to additional charges that may be due the HA. For example, the tenant may not have cleaned the unit properly and/or damaged the unit during the moving process. If there are any charges that are due the HA, as a result of this inspection, the tenant must pay for these damages within fourteen (14) days of written notice from the HA. The tenant must sign a transfer agreement after the HA has authorized the transfer and prior to the transfer.

Request for transfers for convenience must be made, in writing, to the HA at the tenant's residential office stating the reason for the requested transfer. The HA will issue a decision within thirty (30) calendar days of receipt of the request, and if approved, provide the tenant with a list of the charges that will be the tenants responsibility to pay prior to the transfer.

- D. Transfers for Over/Under-housed Families to the Appropriate Unit - The HA may transfer residents to the appropriate sized unit and that tenants are obligated to accept such transfers. Transfers will be made in accordance with the following principles:
- (1) Determination of the correct sized apartment shall be in accordance with the HA's occupancy guidelines, as outlined in Occupancy Guidelines.
 - (2) Transfers into the appropriate sized unit will be made within the same neighborhood unless that size does not exist on the site.
 - (3) The tenant must pay for their moving expenses.
- E. Priorities for transfers - All transfers must be either for health reasons, for relocation to an appropriate sized unit, approved convenience transfers, or initiated by the HA due to modernization work and/or other good cause as determined by the HA. Priority transfers are listed below:
- (1) HA initiated transfers, i.e. modernization
 - (2) Transfers for ADA compliance (Reasonable Accommodation),

- (3) Tenants who are under-housed by two or more bedrooms,
- (4) Tenants who are over-housed by two or more bedrooms,
- (5) Tenants who are under-housed by one bedroom,
- (6) Tenants who are over-housed by one bedroom; and,
- (7) Convenience transfers.

Within each priority type, transfers will be ranked by date. In processing transfers requested by tenants for approved health reasons or to move to a larger apartment, the date shall be that on which the changed family circumstances are verified by the Manager. The HA reserves the right to immediately transfer any family who has misrepresented family circumstances or composition and the family charged the posted rate for convenience transfers. Failure to pay for these charges will result in termination of the dwelling lease.

3. Transfer Procedures: - The HA shall:

- A. Prepare a prioritized transfer list, as needed, at re-examination.
- B. Notify residents by letter of their pending transfer.
- C. Participate in evaluation of request for transfer based on approved medical reasons.
- D. Issue final offer of vacant apartment as soon as vacant apartment is identified.
- E. Issue notice to transfer as soon as vacant apartment is available for occupancy.
- F. Participate in planning and implementation of special transfer systems for modernization and other similar programs.
- G. Inspect both apartments involved in the transfer, charging for any resident damages that is not considered normal wear and tear.
- H. When the tenant is transferred for modernization, the cost of the transfer shall be paid by the HA, pursuant to cost that is allowed by HUD.

Only **2 offers** of a unit will be made to each tenant being transferred within his/her own neighborhood. A resident being transferred outside his own neighborhood will be allowed to refuse **2 offers**. In the case of a family being transferred from a unit which is uninhabitable, incorrectly sized or scheduled for major repairs, failure to accept the unit offered, or the **2nd unit offered** in the case of a transfer outside the neighborhood, will be grounds for eviction. When a tenant declines an offer of a transfer to a single level apartment and the tenant requested the transfer the HA will notify the tenant, at that time, that the HA is not obligated to make any subsequent offers. The HA will notify the tenant that the HA has discharged its obligations to the tenant and he/she will remain in the unit at his/her own risk, and that the HA assumes no liability for the tenants condition.

- ⊃ Right of HA in transfer policy - The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy shall create a property right or any other type of right for a tenant to transfer or refuse transfer.

SECTION XX. LEASE TERMINATION AND EVICTIONS

All Lease terminations and evictions will be processed in accordance with the HA's current dwelling lease and Grievance Procedure. The HA's Dwelling Lease and the Grievance Procedure is

incorporated into this document by reference and is the guideline to be used for Lease terminations and evictions.

The dwelling lease may not cover every specific situation that warrants a lease termination; therefore, for good cause the HA may terminate a lease for reasons that are not specifically listed in the dwelling lease.

SECTION XXI. COMPLAINTS AND GRIEVANCE PROCEDURES

Complaints and Grievance Procedures shall be accomplished in accordance with the HA approved Grievance Procedure. The grievance procedure is incorporated into this document by reference and is the guideline to be used for grievances and appeals. The grievance policy is only applicable to residents of the HA.

SECTION XXII. SECURITY DEPOSITS

A security deposit shall be made pursuant to a schedule posted in the HA office. Security deposits may be refunded as provided in the Lease and in this procedure. No security deposit shall be returned until keys to the unit have been returned to the HA. All security deposits for pets shall be made in accordance with the HA pet policy. There is no interest accrued or paid on any security deposit refunds, if any.

SECTION XXIII. OCCUPANCY GUIDELINES

The following guidelines shall determine the number of bedrooms required to accommodate each family without overcrowding or over-housing. These guidelines may be waived only when necessary to achieve or maintain full occupancy and after every effort has been made to stimulate applications from families appropriate to the existing vacancies. Families may be assigned improper sized units **WITH THE WRITTEN UNDERSTANDING** that they must transfer to the appropriate size unit when instructed to do so by the HA. Otherwise, the following occupancy standards shall apply:

1. Suggested Guidelines

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10
6	6	12

2. Assignments shall be made so that, except for husband and wife and infants, bedrooms will not be occupied by persons of different sex over the age of six (6) years.
3. At the option of the HA, an infant, up to the age of two years, may share a bedroom with its parent(s), but the tenant shall not be required to do so.
4. In the case of chronic illness, or other physical infirmity, a deviation from the occupancy guidelines, as presented above, is permissible when justified with evidence and documentation from a licensed physician.
5. Every family member, over two years of age, is to be counted as a person.

SECTION XXIV. COMPLIANCE WITH EQUAL OPPORTUNITY REQUIREMENTS FOR POSTING REQUIRED INFORMATION

There shall be maintained in the HA's office waiting room a bulletin board, which will accommodate the following posted materials:

1. Statement of Policies and Procedures Governing Admission and Continued Occupancy Policy (ACOP) this policy also outlines the HA's tenant selection and assignment plan.
2. Open Occupancy Notice (Applications being Accepted and/or Not Accepted)
3. Directory of Housing Communities including names, address of project offices, number of units by bedroom size, number of units specifically designed for the elderly, handicapped, and office hours of all HA facilities.
4. Income Limits for Admission.
5. Utility Allowances.
6. Current Schedule of Routine Maintenance Charges.
7. Dwelling Lease.
8. Grievance Procedure.
9. Fair Housing Poster.
10. "Equal Opportunity in Employment" Poster.
11. Any current "Tenant Notices".
12. Security Deposit Charges.

SECTION XXV.

PET RULE

1. This HA has adopted a pet policy for use in all housing authority property. All Tenants must comply with this pet policy. **FAILURE TO COMPLY WITH THE PET POLICY WILL BE CONSIDERED TO BE A SERIOUS BREACH OF THE LEASE.** Tenants will comply with Section IV (P) of their dwelling lease which states, "Not to keep or allow dogs, cats, or any other animals or pets on the premises without prior written consent of Landlord."
2. The Pet Policy does not apply to service animals that are used to assist persons with disabilities. The Housing Authority must allow service animals if the following is provided:
 - A. The tenant or prospective tenant certifies in writing that the tenant or a member of his or her family is a person with a disability;
 - B. The animal has been trained to assist persons with that specific disability (example, seeing eye dog); and
 - C. The animal actually assists the person with a disability.

Note:

Nothing in this policy limits or impairs the rights of persons with disabilities. Provided, however, the HA reserves the right to have a doctor or appropriate professional chosen by the HA to evaluate each case or conduct an examination of the person and/or records to assist the HA in determining whether the requested animal is an assistance animal or a pet.

SECTION XXVI.

DECONCENTRATION RULE

1. Objective: The objective of the Deconcentration Rule for public housing units is to ensure that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development. The specific objective of the housing authority is to house no less than 40 percent of its public housing inventory with families that have income at or below 30% of the area median income by public housing development. Also the housing authority will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. The housing authority will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the housing authority's computer system.
2. Exemptions. The following are exempt from this rule.
 - A. Public housing development with fewer than 100 public housing units. A covered development is defined as any single development or contiguous developments that total over 100 units.
 - B. Public housing developments which house only elderly persons or persons with disabilities, or both.
 - C. Public housing developments which consist of only one general occupancy family public housing development.
 - D. Public housing developments approved for demolition or conversion to tenant-based assistance.
 - E. Mixed financing developments.

3. Actions: To accomplish the deconcentration goals, the housing authority will take the following actions:
 - A. At the beginning of each housing authority fiscal year, the housing authority will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous housing authority fiscal year.
 - B. To accomplish the goals of deconcentration:
 - (1) Not less than 40% of the HA admissions on an annual basis shall be to families that have incomes at or below 30% of area median income (extremely low-income), and
 - (2) The HA shall determine the average income of all families residing in all the HA's covered developments. The HA shall determine the average income of all families residing in each covered development. In determining average income for each development, this HA has adjusted its income analysis for unit size in accordance with procedures prescribed by HUD. The HA shall determine whether or not each of its covered developments falls above, within or below the established income range. The established income range is from 85 to 115 percent (inclusive) of the average family income, **except that the upper limit (115 percent) shall never be less than the income at which a family would be defined an extremely low-income family.**

Note:

To calculate the extremely low-income figure: Find the average family size (HA wide) of the covered developments and extrapolate the amount from the HUD published extremely low-income limits. For example, if the average family size is 2.6, the two-person limit may be \$12,400 and the three person limit may be \$13,950. Therefore, the figure will be \$12,400 plus 60% of the difference between the two figures, which is \$13,330. This figure will be recalculated upon receipt of new HUD determined income limits.

Fair housing requirements. All admission and occupancy policies for public housing programs must comply with Fair Housing Act requirements and with regulations to affirmatively further fair housing. The HA may not impose any specific income or racial quotas for any development or developments.

SECTION XXVII. COMMUNITY SERVICE POLICY

(THE HOUSING AUTHORITY HAS ELECTED TO POSTPONE THE COMMUNITY SERVICE REQUIREMENTS UNTIL A LATER DATE. THEREFORE, THIS SECTION IS NOT APPLICABLE AT THIS TIME.)

- A. Each non-exempt adult public housing resident must (1) contribute eight (8) hours of community service or (2) participate in a self-sufficiency program for eight (8) hours in each month, and/or (3) perform 8 hours per month of combined activities as

described in items one and two. Community Service is the performance of voluntary work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community Service does not include political activities.

Note:

For purposes of the community service requirement an adult is a person eighteen (18) years or older.

- B. Exempt: An adult who:
 - (1) Is 62 years of age or older

- (2) Qualifies with disabilities which prevent the individual's compliance. The individual must provide appropriate documentation to support the qualifying disability, which may include self certification. In addition, any person who is the primary caretaker of such individual is exempt.
- (3) Is engaged in work activities as defined in section 407.(d) of the Social Security Act.
- (4) Is participating at least eight (8) hours a month in a welfare-to-work program.
- (5) Is a member of a family receiving assistance from and in compliance with a State program funded under Part A, Title IV of the Social Security Act.

C. **Proof of Compliance:** Each head of household must present to the HA office documentation that he/she and all other persons eighteen years of age or older living in the household, who are not exempt, have complied with this section. Documentation may include a letter from the agency on letterhead or other official document. Any such documentation shall be verifiable by the HA. Failure to comply with the Community Service Requirement and to provide appropriate verifiable documentation prior to the date required shall result in the lease not being renewed by the HA. Provided, however, that the HA may allow the family member who is not in compliance to complete the requirements within the following year as follows: The head of household and the person not in compliance shall sign an agreement stating that the deficiency will be cured within the next twelve months. Proof of compliance with the agreement shall be made by the head of household annually at re-certification. Failure to comply with the agreement shall result in the lease being terminated for such non-compliance, unless the person(s), other than the head of household, no longer resides in the unit and has been removed from the lease.

FAILURE TO COMPLY WITH THE COMMUNITY SERVICE REQUIREMENT AND TO PROVIDE APPROPRIATE VERIFIABLE DOCUMENTATION PRIOR TO THE DATE REQUIRED SHALL RESULT IN THE LEASE NOT BEING RENEWED BY THE HA.

D. Changes in Exempt or Non-Exempt Status will be handled during an interim or annual re-certification.

SECTION XXVIII. CLOSING OF FILES AND/ PURGING INACTIVE FILES

This HA will purge inactive files, after they have been closed for a period of three years, with the exception of troubled cases, or cases involving a household containing a minor with a reported elevated blood-lead level.

During the term of tenancy and for three years thereafter the HA will keep the resident file. In addition, the HA must keep for at least three years the following records:

- Records with racial, ethnic, gender and disability status data for applicants and residents.
- The application from each ineligible family and the notice that the applicant is ineligible.
- HUD required reports and other HUD required files.
- Lead based paint inspection reports as required.
- Unit inspection reports.
- Accounts and other records supporting the HA and financial statements.

- Other records which may be specified by HUD.

The HA shall retain all data for current residents for audit purposes. No information shall be removed which may effect an accurate audit.

SECTION XXIX. PROGRAM MANAGEMENT PLAN - Organization Plan

Reference the HA's adopted personnel policy for the organization plan of the HA.

NOTE

ADDITIONAL HA POLICIES & CHARGES

Additional policies and charges are attached to the end of this document and are incorporated as if fully set out herein. These policies and charges may be changed from time to time, or amended, and such changes or amendments shall be substituted in this document so as to keep this policy current. All items substituted within this document shall be kept by the HA in a separate file for historical and research purposes.

Pet Policy

EUFAULA HOUSING AUTHORITY

As applicable, Section 526 of the Quality Housing and Work Responsibility Act of 1998 (Public Law 105-276, 112 Stat. 2451, 2568 (the Public Housing Reform Act of 1998) added new section 31 (captioned "Pet Ownership in Public Housing") to the United States Housing Act of 1937. Section 31 establishes pet ownership requirements for residents of public housing other than federally assisted rental housing for the elderly or persons with disabilities. Section 227 of the Housing-Rural Recovery Act of 1983 (12 U.S.C. 1701r-1) (the 1983 Act) covers pet ownership requirements for the elderly or persons with disabilities. This rule does not alter or affect these regulations in any way, nor would the regulation in Section 227 of the 1983 Act is being implemented by adding a new subpart G to 24 CFR part 960. The following policies must be complied with for pet ownership in the HA:

1. **PET OWNERSHIP:** A resident may own one or more common household pets or have one or more common household pets present in the dwelling unit of such resident, subject to the conditions as follows:
 - a. One pet, other than fish, is permitted for each family unit, regardless of bedroom size.
 - b. The weight of a cat cannot exceed 10 pounds (fully grown). The resident must provide litter boxes for cat waste, which must be kept inside the dwelling unit. The resident shall not permit refuse from litter boxes to accumulate nor to become unsightly or unsanitary.
 - c. If the pet is a bird, it shall be housed in a birdcage and cannot be let out of the cage at any time.
 - d. If the pet is a fish, the empty water container shall not be over 20 gallons and the container must be placed in a safe location in the unit. The resident is limited to one container for the fish; however, there is no limit on the number of fish that can be maintained in the container as long as the container is maintained in a safe and non-hazardous manner.
 - e. If the pet is a dog, it shall not weigh more than 25 pounds (fully grown).

It shall be the responsibility of the resident to reclaim the pet and at the expense of the resident. Also, if a member of the HA staff has to take a pet to the Humane Society the resident will be charged \$50.00 to cover the expense of taking the pet(s) to the Humane Society.
 - i. Pet(s) may not be left alone unattended for more than twenty-four consecutive hours. If it is reported to HA staff that a pet(s) has been left unattended for more than a twenty-four (24) consecutive hour period, HA staff may enter the unit and remove the pet and transfer the pet to the humane society. Any expense to remove the pet from any facility will be the responsibility of the resident.

- j. All of the rules in Section 1, (parts a-i) previously mentioned must be verified by HA staff prior to execution of the lease agreement (primarily weight and inoculations).

Note: Any pet that is not fully grown will be weighed every six months. Also, any pet that exceeds the weight limit at any time during occupancy will not be an eligible pet and must be removed from HA property.

2. **RESPONSIBLE PET OWNERSHIP:** Each pet must be maintained responsibly and in accordance with all applicable ordinances, state and local public health, animal control, and animal anti-cruelty laws and regulations governing pet ownership. Any waste generated by a pet must be disposed of promptly to avoid any unpleasant and unsanitary odor from in the unit.
3. **PROHIBITED ANIMALS:** Animals that are considered vicious and/or intimidating will not be allowed. Some examples of animals that have a reputation of a vicious nature are: reptiles, rottweiler, doberman pincher, pit bulldog, and/or any animal that displays vicious behavior. This determination will be made by a HA representative prior to the execution of this lease addendum. In addition, rabbits are prohibited. This list is not all inclusive and animals not listed in this section may also be prohibited.
4. **PEACEFUL ENJOYMENT:** Pet(s) shall not disturb, interfere or diminish the peaceful enjoyment of other residents. The terms, “disturb, interfere or diminish” shall include but not be limited to barking, howling, chirping, biting, scratching and other like activities. If so, the resident will be given one week to make arrangements for the care of the pet. If the animal should become destructive, create a nuisance, represent a threat to the safety and security of other residents, or create a problem in the area of cleanliness and sanitation, the Housing Manager will notify the resident, in writing, that the animal must be removed from the Public Housing Development. The resident may request a hearing, which will be handled according to the HA’s established grievance procedure.
5. **WASTE:** The Tenant is solely responsible for cleaning up the waste of the pet within the dwelling and on the grounds of the public housing development. If the pet is taken outside it must be on a leash at all times. If there is any visible waste by the pet it must be disposed of in a plastic bag, securely tied and placed in the garbage. If the HA staff is required to clean any waste left by a pet, the resident will be charged \$25.00 for the removal of the waste.
6. **MAINTENANCE CALLS:** The resident shall have canine pets restrained so that maintenance can be performed in the apartment. The resident shall, whenever an inspection or maintenance is scheduled, either be at home or shall have all animals restrained or caged. If a maintenance person enters an apartment where an animal is not restrained, maintenance shall not be performed, and the resident shall be charged a fee of \$25.00. If this same situation occurs again, the pet shall be removed from the premises. Pets that are not caged or properly restrained will be impounded and taken to the local Humane Shelter. It shall be the responsibility of the resident to reclaim the pet at the

expense of the resident. Also, if a member of the HA staff has to take a pet to the Humane Society the resident will be charged an additional \$25.00 to cover the expense of taking the pet(s) to the Humane Society.

7. **FEES AND DEPOSITS:** A refundable pet deposit of \$150.00 is required. The pet deposit may be paid in increments of \$50.00 per month for 3 consecutive months. The first payment of \$50.00 must be paid prior to the execution of the dwelling lease addendum. The pet deposit will be used by the Landlord at the termination of the lease toward payment of any rent or toward any payment of any other costs made necessary because of resident's occupancy of the premises. Otherwise, the pet deposit, or any balance remaining, will be returned to the resident after the premises are vacated and all keys have been returned. Also, the pet deposit will be deposited in a non-interest bearing account by the HA.

Each resident is liable for any damage or injury whatsoever caused by pet(s) and shall pay the landlord or applicable party for any damages or injury caused by the pet(s). Liability insurance is strongly recommended for pet ownership.

Any violations of this Pet Policy and the ensuing Dwelling Lease Addendum will result in the removal of the pet(s) from the property of the HA and will not be allowed to own any type of pet in the future while being a occupant of the HA.
