This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief for certain types of PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

3. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

Housing Needs:

The State unfortunately has a huge shortage of affordable housing opportunities. It has not been difficult to determine areas of great need and targets of program participants. We feel that HUD funding coming into Alabama has been and will continue to be spent wisely. With our capital fund grants , we can modernize our current housing stock to make them as they were originally designed to be, decent, safe and sanitary and at the same time as appealing as other developments throughout Walker County.

Alabama Consolidated Plan indicates two critical housing needs:

- 1. Increasing the affordability of housing;**
- 2. Increasing Quantity of affordable housing;**

To address the affordability of housing needs, we have put into place flat rents to alleviate the rent burden to applicants and tenants.

To address the quantity of affordable housing, we plan to apply for development funds, if funds are released by HUD. We are not able to serve many elderly or single people due to the shortage we have with one bedroom units. We plan to renovate a (5) bedroom unit and turn it into two-one bedroom units. This will give us an additional apartment in our George Averitte development. We also plan on applying for additional Section 8 Vouchers and instituting a Homeownership program through our Section 8 program sometime in the future.
